**Explanation of why original list was destroyed:**

As set out above, the lists were destroyed by SA [REDACTED] who has since resigned. The supervisor of the Section handling the matter at that time was former SA [REDACTED] although there is no indication in the file that any SA other than [REDACTED] took part in the decision to destroy the exhibit.

The reason for destruction of the exhibit cannot be determined without consulting former SA [REDACTED] or possibly former SA [REDACTED] who might recall issuing instructions relative to the destruction of exhibits at the time. However, a probable reason for the destruction of the exhibit might be offered as follows: (1) The contents of the exhibit had been recorded in the file and disseminated to appropriate auxiliary offices; (2) The source of the exhibit was of such a nature that it could never be used as evidence; (3) Therefore, further retention of the original exhibit would not have been warranted and it was destroyed so that it would not take up storage space.

**Determination whether list was accurately described:**

Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC, NEW YORK

DATE: 11/5/53

FROM : SA [REDACTED]

JUNE (6/17) X

SUBJECT: [REDACTED] NJ  
ESP/R

Re my memorandum 11/2/53 requesting Newark to endeavor to develop a confidential source at [REDACTED] to determine if information could be thereby obtained concerning subject which would be of value in this investigation.

On instant date SA [REDACTED] of Newark telephonically advised me it had been ascertained that an FBI agent would necessarily have to get permission of the CIC agent of the Army who was assigned to [REDACTED] to develop this source. He said that the CIC agent is a resident agent of the 103th CIC Detachment whose location is in Newark, New Jersey; that he is certain that if contact is made with this CIC agent it would be necessary for him to obtain permission of the CIC resident agency which in turn would have to secure the permission of [REDACTED] of Governors Island.

SA [REDACTED] suggested that it may be more expeditious to contact [REDACTED] in the original instance and suggested that SA [REDACTED] of the New York Division who is well acquainted with [REDACTED] be requested to make this contact. SA [REDACTED] stated that if this is deemed advisable he would appreciate it if SA [REDACTED] would also secure permission for the development of the same type of source concerning the subject that Newark has under investigation.
