Zionist 'Pledge' Is Forgery, Kissinger Says

A number of newspapers and magazines recently have received a photostatic copy of a pledge allegedly signed by Henry A. Kissinger, Assistant to the President for National Security Affairs, bequeathing \$20,000 to the Zionist Organization of America.

Yesterday Kissinger and an officer of ZOA branded the document a forgery. Kissinger said he had asked the Justice Department to investigate it.

Jacob Rubin, director of the ZOA Foundation Fund, said in a telephone interview that "Unfortunately we don't have such a pledge from any Henry A. Kissinger, the White House Kissinger or any other."

ZOA has circulated many pledge forms and one could easily fall into the wrong hands, Rubin said. The signature on the form appears to be Kissinger's, and he said yesterday it was either a photographic copy of his signature

or a tracing. There is no date on the document.

The form says that the signer does "give and bequeath to the ZOA Foundation Fund, an institution of the Zionist Organization of America, a membership corporation organized and existing under the laws of the State of New York and now having its principal place of business at 145 East 32nd St., New York, N.Y. 10016, the sum of \$20,000."

The Washington Post received a copy of the pledge

form from an anonymous letter writer who said that he and others were disturbed that a close adviser to the President should be "affiliated" with the Zionist movement.

Kissinger said photostatic copies had been sent to a number of publications. He said he had never made any contribution or signed any pledge to bequeath funds to the Zionist organization.

The enclosure to this letter reflected an advertisement captioned, "A Soviet Trap in the Middle East". The article reflected a pictorial map showing military and naval forces of the Arab countries surrounding Israel, which was captioned, "The Arab Deployment for Attack Four June, 1967". The body of the article reflected the following:

"The Soviet Union is forcefully advancing a plan for an imposed peace in the Middle East, and trying to win American support for it. The thrust of this Soviet scheme is to turn the clock back for Israel to June 4, 1967.

"The Kremlin, skilled in the art of double talk and double think, proposes a 'peace plan' which calls for Israel's return to her insecure and unnatural borders of June 4, 1967. The Soviet Union wants Israel to become a sitting duck for renewed onslaught by the Arabs she has massively rearmed with the most sophisticated Soviet offensive weapons.

"The Soviet Union seeks to render Israel defenseless in order to dominate the Middle East, the gateway to Asia and Africa.

"This plan, which only services Soviet imperialism, is detrimental to the interests of the United States. It will not advance the cause of peace.

"The American people want to see a just and lasting peace in the Middle East. Peace cannot be imposed from the outside. Peace can be achieved only by direct negotiations between Israel and her neighbors.

"The Arab states will come to the peace table when they realize that Israel is strong enough to repel attack and make the cost of aggression prohibitive.

"By making this clear to all the parties concerned, the United States will advance the cause of peace."

The article reflected that it was originated from the "Louis D. Brandeis-Zionist District, Zionist Organization of America, Jacques Torczyner, President, 1529 16th St., N.W., Washington, D. C. 20036".

Memorandum

TO : DIRECTOR, FBI (100-341909)

DATE: 6/22/70

FROM : SAC, NEW YORK (2-385) (P)

SUBJECT: ZIONIST ORGANIZATION OF AMERICA (ZOA)
RA - ISRAEL

Re New York letter 2/20/70, and Bureau letter

4/3/70.

Enclosed herewith for the Bureau are the original and four copies of an LHM dated and captioned as above at New York. One copy is enclosed for WFO, in view of their overall interest in the ZOA and their local district activities.

No information possibly pertinent to the ZOA as furnished by asterisk sources has been included in view of the faint possibility of prosecution in this matter.

Numerous unsuccessful attempts were made to contact [redacted] to the obtaining of ZOA's constitution until finally successful on 6/16/70. b7D

The newspaper clipping from "Action" was included in its entirety because of the extremely complex nature of financial support to the State of Israel and the numerous individuals and organizations involved therein. Any attempt at extracting or summarizing the information could lead to possible distortion and in view of the fact that this matter is in the sensitive Israeli field, it is believed more apropos to set forth the complete financial inter-involvement of Israeli fund organizations. W

The original and only copy of the Constitution of the ZOA is herewith enclosed for the Bureau should the Bureau desire to transmit same to the department. No copy being retained by the New York Division except that in the enclosed LHM.
