FROM [redacted]

SUBJECT: DAVID MADISON SMITH
FUGITIVE 15-31711
BOND DEFAULT
OFFICE OF ORIGIN: SAN DIEGO

A letter was received from [redacted] Post Office Box 24, Houston, Texas, who advised he was being held in the Harris County Jail, Houston, Texas, because of a Federal hold under the name of David Madison Smith which was placed against him. He wrote that an FBI Agent named [redacted] determined through fingerprint comparison that he was not identical with the subject and had assured him that the Federal hold would be removed. He continued that this had occurred twenty days ago and that he still remains in jail because of this Federal hold. He concluded by requesting that he be personally advised concerning the steps taken to rectify this situation.

[redacted] Houston, was telephonically contacted 9/27/72. He advised that the Houston Office had also received a copy of [redacted] letter. As a result of [redacted] letter, they had conducted an inquiry into this situation and had determined that the subject, who was arrested by Houston police officers on 8/20/72 for armed robbery, was still in jail because of numerous local charges and a Federal hold placed by the Alcohol, Tobacco and Firearms Division (AT&FD) of the Treasury Department. [redacted] said that an earlier fingerprint comparison had revealed that [redacted] was not identical to the subject and the Houston Police Department was so notified on 8/24/72. [redacted] advised that [redacted] was personally told by Agents from the Houston Office on 9/26/72 that there was no Federal hold on him initiated by the FBI, and that it was AT&FD who had the hold.

RECOMMENDED ACTION:

Inasmuch as personal contact was made with [redacted] by Houston Agents, no reply to his letter is recommended. For your information.

Periodic contact has been maintained with Mr. and Mrs. ALLEN SMITH, 15460 East Pintura Drive, last being on January 16, 1973. At that time, Mrs. SMITH advised that she has no exact information regarding the whereabouts of the subject; however, does have information regarding the whereabouts of [redacted] She stated that two phone calls were received from [redacted] during December, 1972, at which time he stated he was living in Maui and that he was planning on marrying a girl named [redacted] last name unknown. [redacted] indicated that he was working at a Surf Shop on the Island of Maui and that "DAVID is well and healthy and out of the country." [redacted] would not go b6 b7C

into details as to what he meant by the statement. Mrs. SMITH produced telephone records which indicated that she received the collect calls from Kula, Hawaii. Telephone company toll identification numbers were listed as [redacted]. b6 b7C

Mrs. SMITH further advised that she received a Christmas card from [redacted] and he gave an address of [redacted] b6 b7C

On no less than eight occasions since December 12, 1972, and February 14, 1973, attempts have been made to locate [redacted] b6 b7C Messages left at that address met without response until February 9, 1973, when [redacted] contacted the Santa Ana Resident Agency and advised that [redacted] has been receiving messages to contact the Federal Bureau of Investigation (FBI), but has apparently no desire to do so. [redacted] advised that she has heard nothing concerning the subject DAVID SMITH but that over the Christmas holidays [redacted] received a postcard from [redacted] stated she did not read the card and has no idea where the card was mailed. [redacted] appeared to be somewhat cooperative, but gave the definite impression [redacted] would not be.

On February 14, 1973, [redacted] was contacted at her residence. She stated she had no information concerning subject's whereabouts or the whereabouts of [redacted] and that she had received no correspondence from either one. She was confronted with the fact that [redacted] allegedly mailed her a Christmas card during the past Christmas season. She initially denied that, but then later stated that she had received a Christmas card, but all that had been said in the Christmas card was, "Merry Christmas." She stated [redacted] was undoubtedly responding to a Christmas card that she had sent him. She was then asked to furnish the address to which he corresponded with [redacted]. She stated that she lost the address. [redacted] was advised that she did not gove the appearance of being cooperative. She was then advised of the provisions of the Federal Harboring statute and with the distinct possibility that it would be possible to subpoena her before a Grand Jury to furnish what information she knew concerning subject or his whereabouts. b6 b7C

She then stated that she had no idea where the subject was located, but that she had corresponded with [redacted]. b6 b7C

She corresponded directly with him at that post office box. She maintained that [redacted] has given her no indication as to subject's whereabouts. She stated that she did not know if [redacted] was living at Puunene, but stated that he probably was living there or else living at Halekala Crater, Maui, where she and [redacted] had lived together for a month in 1972. b6 b7C

It is noted that [redacted] gives the impression of having been exposed to narcotics for a considerable period of time and her mind does not appear to be either quick or clear, nor does she appear to be truthful. b6 b7C

AT SAN DIEGO, CALIFORNIA

On March 16, 1973, a review of the subject's file at the U. S. Attorney's (USA) Office, San Diego, California, revealed that there was no new information of lead value contained in it.

"Dear [redacted], b6 b7C

Thanks for the present in your last letter. They were greatly appreciated. Yesterday I got to smoke a really good Columbian number, but that is the only good weed I've had in a while.

I am now living in Tahoe. Remember my friend, [redacted] with the red hair? Well, he and I came up last Sunday and my brother and his brother are coming up pretty soon. I'm living in a tree fort in the back of a friend's house right now. It's pretty boss. I've been swimming in the lake every day and it's real cold, but feels so good. I'm glad I finally got away from Saratoga. It's really beautiful up here and I feel really good. b6 b7C

I gave the car to DAVID, but I've got the pink slip. Do you want me to send it to you? I also got all of your things ready to go but Matson Lines won't send things C.O.D. I'm sorry, but I don't have the money together to send them to you. The man said it would cost about $150.00 at the most. I only explained the size of the boxes over the phone, so I may have gotten the sizes wrong. But they based the price on cubic inches so that's how much he said it would cost. I will save the $40.00 you sent for it, O.K?, and if you can get the rest together I'll send you everything as soon as possible. I smoked one of those joints out at the lake today and it was so nice. The only bummer was that I had to go for a job interview a little while after I smoked it. I'm still high though and I feel so good.

My new address is [redacted], [redacted]. Please write [redacted]. Love you and miss you, [redacted]. b6 b7C

Enclosed for San Antonio Division are two (2) copies each of photograph for DAVID MADISON SMITH.

A synopsis of this case, to date, is as follows:

On 6/23/78, an individual, now identified as [redacted] using the name of [redacted] presented an application for U. S. Passport with current photograph at the U. S. Post Office, Santa Fe, New Mexico. [redacted] used a false date of birth of [redacted] SSAN [redacted], address General Delivery, Arroyo Seco, New Mexico, which is near Taos, New Mexico. b6 b7C

[redacted] b6 b7C

He gave the name of a friend as [redacted] General Delivery, Taos, New Mexico. Subsequent investigation located the true [redacted] at Yuba City, California, whose DOB and SSAN are the same as those given by [redacted] when using [redacted] name, but [redacted] does not know [redacted] by description or photograph. Records at the Yuba County Courthouse showed that copies of [redacted] Birth Certificate were requested to be sent on 8/15/77 to [redacted]. Los Angeles determined [redacted], using name of [redacted], rented the residence at [redacted] for about six months during 1977, but left no forwarding address when leaving. He drove an old green jeep with New Mexico license plates, and stated he was working in Alaska. He also had two large dogs and was asked to leave by the owner of the residence because the dogs caused problems.

Investigation at Taos, New Mexico, determined [redacted], using the name [redacted] had been living off and on in the area for about two years using [redacted] and during early 1978, attempted to purchase some land with two individuals he claimed to be his brothers, a [redacted] from Alaska and [redacted], from Hawaii. [redacted] has a current New Mexico Driver's License [redacted] expiring 2/79, in the name [redacted] DOB [redacted], no SSAN, General Delivery, Taos, New Mexico. [redacted] had a 1968 Toyota Land Cruiser, previously registered to him, under the name [redacted], at Incline Village, Nevada, which he had since sold at Arroyo Seco, New Mexico, to a [redacted]. Investigation by Las Vegas Division at Incline Village failed to further identify [redacted], and he was unknown to postal authorities there or the Washoe County Sheriff's Office Substation. The current holders of that box have had the box since January 1978, which is after the period of time that [redacted] would have had the box.

Nevada DMV records further show the same Toyota registered to [redacted] at Incline Village, Nevada, but there is no other information of lead value available. b6 b7C

[redacted], while in Taos, New Mexico, identified himself with Alaska Driver's License [redacted], and SSAN [redacted]. A CCH Check determined a previous criminal history for a [redacted], same SSAN, with FBI b6 b7C

[redacted] b6 b7C

number [redacted]. FBI Identification Record shows previous arrests in Michigan only for [redacted] b6 b7C

[redacted] is further described related to this identification record, as [redacted]

Anchorage located a copy of Alaska Driver's License [redacted], issued on 5/26/76 to expire 3/26/79. This license was issued to a [redacted] using DOB [redacted] Examination of the photograph on this license with photos from San Diego's file for DAVID MADISON SMITH, [redacted] determined that DAVID MADISON SMITH, FBI [redacted] and [redacted], as shown on the Alaska Driver's License - appear to be identical. b6 b7C

Albuquerque failed to locate any New Mexico driver's license for [redacted], but did locate a New Mexico Driver's License issued 5/9/77 and expiring 9/78 for a [redacted] General Delivery, Taos, New Mexico. [redacted] is described on the license as a male, born [redacted] SSAN [redacted] The application shows he surrendered a valid Texas Driver's License, number not given. New Mexico DMV does not maintain file photos of issued driver's licenses, although a photograph is on the original license issued to the driver. It is noted though that there are similarities between the signatures on the New Mexico license for [redacted] and the above Alaska driver's license for [redacted]. b6 b7C

New Mexico DMV records at Santa Fe, New Mexico also show that a 1965 Mercedes, formerly registered to [redacted] was sold to a [redacted] (same address used by subject in California and Taos, New Mexico) and registered by [redacted] on 6/27/78 with 1978 New Mexico license [redacted]. This car is believed to be white in color. [redacted] has a current New Mexico driver's license issued 5/31/78, at Santa Fe, New Mexico, b6 b7C

[redacted] b6 b7C

to expire 5/80. [redacted] address is shown as [redacted] b6 b7C and he is described on the license as a [redacted] The application for New Mexico Driver's License showed [redacted] indicated he had previously been licensed to drive in the State of Alaska and his license had been revoked in February, 1978. NCIC and CCH negative for [redacted].

[redacted] may presently be in possession b6 b7C of a dark blue, 1968 to 1970 Mercedes Sedan with Nevada license plates, License number unknown.

San Diego has advised [redacted] is wanted b6 b7C by the State of California, on Warrant Number A518931, through the Los Angeles, California Sheriff's Office, for a narcotics violation, not further described. San Diego also advised that this warrant for [redacted] has not been entered into NCIC.

San Diego advised that DAVID MADISON SMITH was indicted by a Federal Grand Jury, Southern District of California, San Diego, California, on June 10, 1970, charging him with violation of Title 21, USC, Section 176A, Smuggling Marijuana. He was arrested on April 30, 1971 in Los Angeles and removed to San Diego where on August 9, 1971 he posted a $200,000 personal Surety Bond and on August 10, 1971, he was released. SMITH failed to appear in Court on October 20, 1971, and Bench Warrant Number 9081 was issued by Judge GORDON THOMPSON.

On November 3, 1971, DAVID MADISON SMITH was indicted by a Federal Grand Jury in San Diego, California and charged with violation of Title 18, USC, Section 3150, Bail Jumping. Bench Warrant number 12335 was issued and bail, returnable to the Southern District of California, was set at $20,000. Both warrants are held by U. S. Marshal, San Diego, California.

On 7/25/78, an authorized complaint was filed before U. S. Magistrate SUMNER BUELL, Santa Fe, New Mexico, charging [redacted] known at that time as [redacted] b6 b7C, with a violation of Title 18, USC, Section 1542, for making a false statement in application for a U. S. Passport. A warrant of arrest was issued that date by the U. S. Magistrate and is currently in the possession of U. S. Marshal, Albuquerque, New Mexico.

COMMITTEE ON APPROPRIATIONS
WASHINGTON, D.C. 20510

November 21, 1978

Mr. Nick Stames
Special Agent in Charge
Federal Bureau of Investigation
1900 One-Half Street, S.W.
Washington, D.C. 20401

Dear Mr. Stames:

Recently it has come to my attention that [redacted] was apprehended for suspected passport fraud on November 14. I wanted to take this opportunity to express my concern to you about that matter. b6 b7C

It is my understanding that a [redacted], of Taos, New Mexico, used the alias [redacted] to obtain a New Mexico driver's license, and under the name of [redacted], fraudulently obtained a passport using a California birth certificate. Based on the name [redacted], your New Mexico agents traced the motor vehicle registry listings through the Alaska Motor Vehicle Bureau and discovered that there was a [redacted] listed here in Washington, D. C. b6 b7C

[redacted] was apprehended, handcuffed, and dragged down to your headquarters, suffering personal embarrassment in front of his neighbors, merely because he and [redacted] happened to own similar make cars, and because [redacted] uses a fraudulent driver's license in the same state that [redacted] has legal residency. b6 b7C

It would seem that your Washington agents could have avoided the entire unpleasant experience if they had checked a few basic details concerning [redacted] personal identity beforehand. For example, it should not have been difficult to establish from other police records that the fingerprints did not match. Furthermore, the birthdate on [redacted] New Mexico license was dated thirteen months after [redacted] birthday. Finally, it would not have been difficult to establish that [redacted] living patterns in the last three years did not in any b6 b7C

way resemble those of [redacted]. Yet your agents chose to take action based only on a picture of [redacted] that looked vaguely like someone who lived three thousand miles away. b6 b7C

So that he does not suffer any further personal embarrassment or damages, I would like to request that you take all necessary and appropriate action to ensure that [redacted] record reflects nothing which could in any way be construed as suspicion of fraud or bad character. It would be extremely unfortunate if [redacted] were to have to suffer any further because of the FBI's seemingly casual regard for personal freedom. b6 b7C

I would appreciate hearing from you if your investigation into [redacted] turns up anything further which involves the use of the name [redacted] in any capacity. And, I certainly hope your agents will investigate fully before taking similar action in the future. b6 b7C

Thank you for your consideration.

With best wishes,

Cordially,

Honorable Ted Stevens
United States Senate
Committee on Appropriations
Washington, D. C. 20510

Dear Senator Stevens:

Reference is made to your letter of November 21, 1978, concerning [redacted] b6 b7C

During the conduct of a fugitive investigation by the Federal Bureau of Investigation (FBI) to locate an individual utilizing the alias of [redacted], it was determined that such a named person was residing at [redacted]. Additional investigation by Special Agents (SAs) of this office determined and confirmed the fact that an individual known as [redacted] was indeed residing at that address and that this person resembled the fugitive as shown in a photograph. As a result of the information developed it was determined that this matter could only be resolved by personally contacting [redacted] for final determination of his identity. b6 b7C

On November 14, 1978, SAs of the Washington Field Office were greeted at [redacted] by an individual who identified himself as [redacted] and who resembled a photograph of the fugitive but who disclaimed being the fugitive. It was determined by the SAs that the only way to completely resolve this question of identity was to transport [redacted] to the Washington Field Office for fingerprinting. [redacted] was advised of this decision and prior to his transport to the FBI Field Office, [redacted] was allowed to fully dress and to contact his attorney. [redacted] was not dragged from his residence but was, according to procedure, handcuffed only after he was inside the FBI automobile. Following the fingerprint analysis which eliminated [redacted] as the fugitive, he was transported to his residence. Throughout this matter, [redacted] was most cooperative and expressed his understanding for the actions which were taken for the resolution of this matter and for the safety of all concerned. b6 b7C

If I can be of further assistance do not hesitate to contact me.

Very truly yours,

Nick F. Stames

[redacted], on 11/14/78, based upon a June, 1978, Federal Magistrate's warrant issued at Santa Fe, New Mexico, involving a false statement in application for U.S. passport. [redacted] was placed in custody after a review of information contained in Albuquerque and Anchorage communiques. The Albuquerque Office advised that [redacted] utilized an alias of [redacted] The Anchorage Office submitted a lead to WFO to locate subject, [redacted] In addition, Anchorage added that an individual by the name of [redacted] at this address had registered a vehicle in Alaska. SA [redacted] conducted the following: b6 b7C

1. SA [redacted] determined that the occupant of [redacted] was [redacted] Telephonic contact with the Albuquerque Division determined that [redacted] was an alias of [redacted] and that a warrant was outstanding for [redacted]. b6 b7C

2. SA [redacted] conducted a neighborhood investigation which determined that an individual identified as [redacted] resided at [redacted] and that he had been living at that address for approximately six months. This investigation further disclosed that [redacted] drove a sports car, received Alaskan newspapers, and resembled a photograph of [redacted] exhibited to [redacted] a neighbor. b6 b7C

3. An individual who identified himself as [redacted] and resembled a photograph of [redacted] responded to the front door at [redacted] He identified himself as a self employed lobbyist. b6 b7C

Based upon the above, it was the opinion of the WFO Agents involved that the only way to resolve this matter was to transport [redacted] to WFO for further processing, where it could be determined if he [redacted] was in fact identical to [redacted]. For the information of the Bureau, [redacted] was allowed to dress completely before he was placed in a Bureau vehicle for transportation to WFO. Additionally, it is to be noted that [redacted] was not handcuffed until he was placed inside the Bureau vehicle in order to keep personal embarrassment to a minimum. Further, it is to be noted that [redacted] was entirely cooperative in this matter and, additionally, he was allowed to contact his attorney before proceeding to WFO. b6 b7C

[redacted] b6 b7C

After processing, and WFO determining that [redacted] b6 b7C was not identical to [redacted], SA [redacted] escorted him back to his residence and explained to him that his physical description so closely paralleled that of the captioned subject that the only way to resolve the matter was a comparative fingerprint analysis. [redacted] expressed his understanding regarding this matter.

WFO intends to respond to Senator STEVENS' letter, UACB.

Above being furnished for information purposes at this time.

ADDENDUM: CRIMINAL INVESTIGATIVE DIVISION WBM:pa 12/29/78

Criminal Investigative Division (CID) has reviewed the submissions of SAC, Washington Field Office with regard to the incident involving [redacted] U. S. Senator Ted Stevens, on 11/14/78. CID recommends no adverse administrative action be taken against SA [redacted] or other Agents involved in the temporary detention of [redacted]. b6 b7C

It appears, from the information furnished, that the Agents, in the performance of their duty, took appropriate steps to resolve [redacted] identity prior to placing him in custody although, as it subsequently developed, he was not identical to the subject. b6 b7C

Dear Mr. Stames:

I have before me your letter of December 4 concerning the investigation and detention of [redacted]. I am still very disturbed about this matter. Any connection between [redacted] seems tenuous at most and hardly justifies the kind of activity that the FBI agents engaged in. b6 b7C

I also specifically asked that you take all necessary and appropriate action to insure that [redacted] record reflects nothing which could in any way be construed as suspicion of fraud or bad character. Again, I ask you to assure me that any records maintained or distributed by the Federal Bureau of Investigation contain nothing concerning this incident which can be considered to be embarrassing or reflect suspicion on [redacted]. b6 b7C

The conduct of the Federal Bureau of Investigation in this matter, I think, reflects poorly upon the Bureau and I look forward to receiving your prompt response.

Dear [redacted], b6 b7C

I am writing in reference to my apprehension for suspected passport fraud last week.

I asked my research assistant to trace down the source of the arrest, and your helpful agents gave him some information concerning the identity of a [redacted], who apparently used the name [redacted] to obtain a driver's license in New Mexico. Your Sante Fe agent was not able to verify at this point whether or not he has any other valid identification under that name, but did say that the reason I was apprehended was because the name, the age, some physical characteristics, and the fact that his brother has a license in Alaska pointed to the possibility that I might be the guilty party. b6 b7C

I also understand that the identification used by [redacted] used a birthdate [redacted] and that there may have been other characteristics which were not like my own. Combined with the fact that the fingerprints were different, it is unfortunate that your agents chose not to do a little more background checking before coming to my house last week. b6 b7C

The reason I am writing, however, is to request that the Bureau make every effort possible to insure that my personal file and all other records do not reflect any association that may cast negative dispersions on my character or integirty. I am extremely concerned that there may be those who would interpret this incident badly, and in my business, my reputation is the most important ingredient of my success.

In fact, after being assured that your people would make every effort possible to protect me, I received a phone call from one of my associates in Alaska who told me that on Friday, November 17th, your agents were making inquiries in the Ketchikan area concerning my whereabouts and other matters relative to this incident. I am extremely upset that the Bureau would continue to investigate a case once they had already conclusively determined that I had no association with [redacted]. I am sure you must understand the personal embarrassment and consequent damage to my reputation that investigation by agents of the FBI does, b6 b7C

especially when I had already assured myself that you were no longer concerned about my possible connection with [redacted]. I certainly hope your agents have no further intention of pursuing me or my friends, business associates, or acquaintences. b6 b7C

I would appreciate hearing from you if this is not the case, and would also appreciate any word you may receive concerning the progress of this case. I have a number of important concerns that could be badly damaged if someone using my name should take advantage of the situation.

Thank you for your consideration.

Sincerely, b6 b7C

[redacted] stated he does not know why [redacted] called him but later speculated [redacted] may have wanted [redacted] as a land purchase confidant. [redacted] stated [redacted] paid for [redacted] air fare to and from New Mexico, and he ([redacted]) went to New Mexico on or about January 16, 1978.

[redacted] stated he arrived in Taos and stayed with [redacted] b6 b7C rental property, exact location not recalled, and attempted to negotiate the land purchase deal, which amounted to about nine and a half acres in a national park area. He stated the deal did not work out inasmuch as the potential seller did not have clear title to the land and therefore it could not be sold. [redacted] stated that he remained in Taos no more than two days then returned to Southern California for a visit with his ailing father prior to returning to Maui.

[redacted] advised while he was in Taos with [redacted] b6 b7C DAVID MADISON SMITH was also staying with [redacted] and they both lived at [redacted] residence and both worked at a ski lift resort area nearby. [redacted] recalls the [redacted] had an old white Mercedes Benz approximately ten years old in the driveway.

On June 23, 1978, an individual, now identified as [redacted] Federal Bureau of Investigation (FBI) Number [redacted], using the name of [redacted], presented an application for United States Passport with current photograph at the United States Post Office, Santa Fe, New Mexico. [redacted] used a false date of birth of [redacted], Social Security Account Number (SSAN) [redacted], address General Delivery, Arroyo Seco, New Mexico, which is near Taos, New Mexico. He gave the name of a friend as [redacted], General Delivery, Taos, New Mexico. Subsequent investigation located the true [redacted] at Yuba City, California, whose date of birth and SSAN are the same as those given by [redacted], when using [redacted] name, but [redacted] does not know [redacted] by description or photograph. Records at the Yuba County Courthouse showed that copies of [redacted] Birth Certificate were requested to be sent on August 15, 1977 to [redacted]. Los Angeles Office of the FBI determined [redacted], using name of [redacted], rented the residence at [redacted] for about six months during 1977, but left no forwarding address when leaving. He drove an old green jeep with New Mexico license plates and stated he was working in Alaska. He also had two large dogs and was asked to leave by the owner of the residence because the dogs caused problems.

Investigation at Taos, determined [redacted], using the name [redacted], had been living off and on in the area for about two years using [redacted], and during early 1978, attempted to purchase some land with two individuals he claimed to be his brothers, a [redacted] from Alaska and [redacted], from Hawaii. [redacted] has a current New Mexico Driver's License Number [redacted], expiring February, 1979, in the name [redacted] date of birth [redacted], no SSAN, General Delivery, Taos, New Mexico. [redacted] had a 1968 Toyota Land Cruiser, previously registered to him, under the name [redacted] at Incline Village, Nevada, which he had since sold at Arroyo Seco, New Mexico, to a [redacted]. Investigation by Las Vegas Division at Incline Village failed to further

b6

identify [redacted], and he was unknown to postal authorities there or the Washoe County Sheriff's Office Substation. The current holders of that box have had the box since January, 1978, which is after the period of time that [redacted] would have had the box. b6 b7C

Nevada Department of Motor Vehicles (DMV) records further show the same Toyota registered to [redacted] at Incline Village, Nevada, but there is no other information of value available. b6 b7C

[redacted], while in Taos, identified himself with Alaska Driver's License Number [redacted], and SSAN [redacted]. A check determined a previous criminal history for a [redacted], same SSAN, with FBI Number [redacted]. FBI Identification Record shows previous arrests in Michigan only for Gibson for [redacted] with the last entry being by DIS, Fort Holabird, Maryland, United States Army, on January 31, 1974. [redacted] is further described, related to this identification record, as [redacted] b6 b7C

The Anchorage Division of the FBI located a copy of Alaska Driver's License Number [redacted], issued on May 26, 1976, to expire [redacted]. This license was issued to a [redacted], using date of birth of [redacted]. Examination of the photograph on this license with photographs from San Diego Division's file for David Madison Smith, [redacted], determined that David Madison Smith, FBI Number 743 937 G, and [redacted] as shown on the Alaska Driver's License, appear to be identical. b6 b7C

The Albuquerque Division of the FBI failed to locate any New Mexico Driver's License for [redacted], but did locate a New Mexico Driver's License issued on May 9, 1977, and expiring September, 1978, for a [redacted], General Delivery, Taos, New Mexico. [redacted] is described on the license as [redacted] b6 b7C

SSAN [redacted]. The application shows he surrendered a valid Texas Driver's License, number not given. New Mexico DMV does not maintain file photographs of issued driver's licenses, although a photograph is on the original license issued to the driver. It is noted though that there are similarities between the signatures on the New Mexico license for [redacted] and the above Alaska Driver's License for [redacted]. b6 b7C

New Mexico DMV records at Santa Fe, New Mexico, also show that a 1965 Mercedes, formerly registered to [redacted] was sold to a [redacted] (same address used by subject in California and Taos, New Mexico) and registered by [redacted] on June 27, 1978, with a 1978 New Mexico License of [redacted] This car is believed to be white in color. [redacted] has a current New Mexico driver's license issued May 31, 1978, at Santa Fe, New Mexico, to expire May, 1980. [redacted] address is shown as [redacted] and he is described on the license as [redacted] SSAN [redacted] The application for New Mexico Driver's License showed [redacted] indicated he had previously been licensed to drive in the State of Alaska and his license had been revoked in February, 1978. A check with the National Crime Information Center (NCIC) was negative for [redacted]. b6 b7C

[redacted] may presently be in possession of a dark blue, 1968 - 1970 Mercedes Sedan, with Nevada License Plates, license number unknown. b6 b7C

On October 4, 1978, records at the New Mexico Department of Motor Vehicles, Santa Fe, New Mexico, were re-checked for [redacted]. Driver's license records indicated the New Mexico Operator's License Number [redacted] had been issued to [redacted] on May 31, 1978, at Santa Fe. An additional review of driver's license records showed that a duplicate New Mexico driver's license, with the same license number, was subsequently issued to Connor at the Taos Field Office on July 26, 1978. While there is no notation on the application showing the reason that a duplicate was issued, it appears likely that if [redacted] turns out to be a real individual who is not identical with either of the captioned subjects, then he has probably acquired b6 b7C

a duplicate license, claiming that the previous one was lost for the purpose of furnishing to one of the subjects so that they would be in a position to surrender this license in another state when applying for some other state driver's license.

A review of New Mexico DMV records for the white Mercedes described previously which was sold to [redacted] by [redacted], the microfilm records showing the previous California title for this vehicle are blurry and it appears that the name on the title may be [redacted] rather than [redacted]. The Vehicle Identification Number (VIN) for this Mercedes is 11011012224474 and it is shown as a Model 190-D. It should also be noted that on the New Mexico DMV registration form where it shows the new registered owner as [redacted], the form has a block below it which is entitled "Residence Address if Different From Above." There is an entry in this block, presumably for [redacted], showing an address of [redacted]. b6 b7C

On November 1, 1978, records of the Department of Motor Vehicles, Registration Division, were searched for information concerning DAVID MADISON SMITH or [redacted], or any of their known aliases. The only name located in these records was [redacted] is the registered owner of the following vehicles:

It was noted that these records also reflected that a [redacted], was the registered owner of a 1967 Mercedes Benz, Vehicle Identification #10801410022086, four-door sedan, bearing Nevada license [redacted]. Further inquiry into the documentation supporting this registration revealed that this vehicle was previously registered to [redacted]. The vehicle at that time carried California license [redacted]. This vehicle was apparently transferred to [redacted] on March 10, 1978, then registered in Reno, Nevada, on April 13, 1978.
