SUBJECT: COUNTERINTELLIGENCE PROGRAM

- DISRUPTION OF HATE GROUPS

Reference Bureau letter to Atlanta dated September 2, 1964.

A review of Baltimore files reflects that there are presently no Klan organizations operating within the territory covered by the Baltimore Office. Baltimore files reflect that there are several alleged members of the American Nazi Party (ANP) living in the Baltimore area. However these individuals are associated with the ANP located in the territory covered by the Richmond Office and there are no ANP groups in the Baltimore territory. The Fighting American Nationalists (FAN) organization in the Baltimore area is defunct.

The National States Rights Party (NSRP) was to some extent active on the Eastern Shore of Maryland during the Spring and early Summer of 1964 but there has been no reported activity there in recent months. The only evidence of current activity by the NSRP in the Baltimore area are news stories which appeared in the September 28 and September 30, 1964, editions of the Baltimore Evening Sun, which reflected that two Baltimore County Councilmen received letters from [REDACTED] of the NSRP, threatening to "paper" their districts with derogatory pamphlets if they voted for a proposed civil rights bill in Baltimore County. Information was also received that a leaflet put out by the NSRP entitled "A Stab in the Back" was being distributed in the Towson, Maryland, area of Baltimore County. b7c

In view of the current lack of activity by Klan and hate groups within the Baltimore Division territory, the Baltimore Office is not in a position at this time to make any specific recommendations for counterintelligence action.

Baltimore letter to Director dated January 5, 1965.

1. Potential Counterintelligence Action

As has been previously reported, there are no Klan-type organizations operating on an organized basis within the territory covered by the Baltimore Office. However, the National States Rights Party (NSRP) has been spasmodically active in the Baltimore area to the extent that this organization, from time to time sends out literature through the mail on an irregular basis to individuals, many of whom know of no reason why they receive it. Recently the literature has been consisting of a small newspaper-type pamphlet called the "White Marylander," and a two or three page mimeographed "Report" which is very anti-Negro and anti-integrationist in tone.

b7D/b7C

According to [REDACTED] the individual behind the NSRP in this area is [REDACTED] and there are a few other individuals whom he uses as "stooges." According to [REDACTED] there is no wide-spread membership in the NSRP in this area although it does cater to the prejudices of those persons who are irritated by the current integrationist activity.

The NSRP and individuals reported to be connected with it are being investigated by the Baltimore Office at the present time.

The United Klans of American, Inc., Knights of the Ku Klux Klan (UKA), Realm of Delaware was rent with dissention and jealousy in December, 1965 and January, 1966, resulting in the resignation from the UKA of RALPH PRYOR, Grand Dragon of Delaware and the dismissal of State Officers of the UKA by Imperial Wizard ROBERT SHELTON. New state officers in Delaware have not yet been elected.

The UKA has been conducting a recruiting campaign in Maryland but as far as has been ascertained, no formal state organization has been set up as yet.

Since the Klan organization in Delaware and Maryland is still in a somewhat disorganizing condition potential for counterintelligence action is somewhat limited at the present time.

STATUS OF THE UNITED KLANS OF AMERICA, INCORPORATED,
KNIGHTS OF THE KU KLUX KLAN (UKA)

Baltimore Division

Delaware

Following the resignation of Grand Dragon RALPH EARLE PRYOR of the UKA in Delaware, the Delaware Klan had no officers. On 3/12/66, ROBERT SHELTON, Imperial Wizard of the UKA, appointed [redacted] to the position of [redacted] of the Province of Delaware, which in effect reduced the Klan in Delaware from a Realm to a Province.

There are supposed to be four Klaverns under the Province of Delaware. Klavern Number 1 is located at Wilmington, Delaware and has an estimated membership of 15 persons. When RALPH PRYOR left the UKA, most of the members of this Klavern left with him and this Klavern has been inactive.

There is supposed to be a Klavern in the Dover-Milford, Delaware area. There were known to be a few members in this area when the Klan was first organized in the fall of 1965. However, this Klavern has engaged in no activities as far as can be ascertained.

Klavern Number 3 at Newark, Delaware has an estimated membership of approximately 150 persons. They hold regular

meetings at a Klan hall located in Elkton, Maryland. This is the largest and only active Klavern within the Province of Delaware at the present time. Many of the members of this Klavern come from Cecil County, Maryland.

Klavern Number 5, New Castle, Delaware has an estimated membership of approximately 25 - 30 persons but this Klavern is also presently inactive.

Maryland

b7c Klavern Number 1 is at Baltimore, Maryland and has an estimated membership of approximately 30 persons. About 15 members usually attend meetings, which are held weekly. During a recent interview, [REDACTED] of this Klavern, stated that within the past three months approximately 17 members have been suspended for failure to pay dues.

Members of Klavern Number 1 have been participating in a number of counter-demonstrations opposing demonstrations by the Congress of Racial Equality (CORE) in the Baltimore, Maryland area.

Klavern Number 2, Baltimore, Maryland, has an estimated membership of approximately 30 persons. It is estimated that only about 12 to 15 members are active in this Klavern. This Klavern meets regularly and during the past month has participated in counter-demonstrations with Klavern Number 1.

A source reported that there is a Klavern in Wheaton, Maryland. It is estimated that there are not more than 15 members in this Klavern and only one individual from the Wheaton Klavern has participated in the counter-picketing at Baltimore.

On 3/12/66, ROBERT SHELTON, Imperial Wizard of the UKA, designated [REDACTED]

Klavern Number 2, has been the most active leader of the Klan in the Baltimore area, and he stated that there is some feeling especially among members of Klavern Number 2 that [REDACTED] should replace [REDACTED]

1. Potential Counterintelligence Action

The Baltimore Office at the present time has plans to conduct wide-spread interviews of a number of selected Klan members in Delaware within a short period of time for the purpose of bringing to the attention of these members an awareness of the FBI's interest in any illegal activities of the Klan. It is felt that these interviews will disrupt the Klan in Delaware and may help neutralize Klavern Number 3, which is presently the only active Klavern in Delaware.

The Baltimore Office has initiated a program of interviewing selected members of Baltimore Klaverns primarily for the purpose of obtaining informant coverage. In these interviews, the Agents definitely receive the impression from statements made by persons interviewed that these individuals feel that the FBI is tapping their telephones and is keeping them under constant surveillance. It is felt that a continued program of interviewing members of the Klan will help immobilize the more timid individuals associated with the Klan.

2. Pending Counterintelligence Action

The Baltimore Office is considering the mailing of appropriate literature made available by the Bureau to selected members of the UKA in Maryland and Delaware.

3. Tangible Results

There are no tangible results apparent in connection with the above programs of the Baltimore Office.

there are eight more rallies scheduled within the next two weeks in the Baltimore area. As a result of these discussions, [redacted] called a meeting at [redacted]

[redacted] Baltimore, on the afternoon of 7/26/66.

This meeting was attended by two agents of this office, [redacted] and [redacted]

as well as representative of the States Attorney's Office, Baltimore, Maryland, and [redacted]

[redacted] At this convention, police tapes of the speeches made at the rally on 7/25/66 were played and it seemed clear that the NSRP in requesting permission in the use of the parks had misrepresented their purpose and nature of the rallies and had violated several park rules. The representative of the States Attorney's Office stated that the statements that were made are protected by the Constitutional Right of free speech, but they do violate Park Board rules.

[redacted] stated that while he felt that it would be possible to revoke the permits for further such rallies in the public parks, he would not wish to do so without advice from the City Solicitor's Office, which is the legal advisor to the Department of Parks.

At this same meeting, [redacted] who is in [redacted]

[redacted] stated that his office had received numerous calls from residents living in the area of Patterson Park, protesting the type of rally that was held there and the language used by the speakers. [redacted] also advised that the Department of Parks had received numerous calls of this nature.

[redacted] stated that he had also received information that the Civic Interest Group (CIG), a civil rights organization in Baltimore, had indicated that they would possibly bring a number of people to the rally that was held next to protest against them.

On the morning of 7/27/66, another meeting was held at the [redacted] which was attended

by two agents of this office. Present at this meeting

was [REDACTED]

[REDACTED] representative
of the States Attorney's Office and [REDACTED]

[REDACTED] of Baltimore in
civil rights matters; [REDACTED] and other representatives
of the Department of Parks, as well as a representative
of the City Solicitor's Office. At this meeting,

[REDACTED] advised that he had been contacted by [REDACTED]
[REDACTED], and stated that [REDACTED] said if
his permit to hold further rallies in the public parks
is revoked, such rallies will be held in the streets
of the city, whether they result in arrests or not.

b7c
b7d
The consensus of the officials at the meeting
was that it would be better to permit the rallies to
be held in the public parks where they could be more
easily policed than to have them occur in the streets
of the city where it might be difficult to control any
trouble that started.

It was also decided at this meeting that the
assistance of local clergy in Patterson Park would be
solicited to help to prevent any trouble in the event
the rallies are held. Plans were also made for [REDACTED]
[REDACTED] both of whom [REDACTED] to
arrange a meeting of responsible leaders of the Negro
community in Baltimore, as well as the leaders of the
Negro community in Baltimore, and the CIO on the after-
noon of 7/27/66 in an attempt to persuade them that it
would be to their advantage to keep away from Patterson
Park or the other parks during these rallies and to
refrain from any counter-demonstrations which might
upset the peace of the city and trigger riots.

BA 100-20685

As of this time, the Park Board has decided not to revoke the permits for the NSRP to hold their rallies at least for the time being. The Baltimore Police Department is taking steps to have adequate police protection and supervision present during the rallies and at the rally at Patterson Park on 7/27/66.

In confidential discussions with [REDACTED] it has been suggested to him that the Baltimore Police Department be keenly alert for any violations of the law committed by the Rev. CHARLES COBLE LYNN and make an arrest for any such violation. b7c

Baltimore will continue to follow the above matters closely and will maintain close contact with the Baltimore City and Baltimore County Police Officials with regard to disruption of hate groups in the Baltimore Division.

THE DISCUSSION DEALT WITH WHETHER OR NOT TO CANCEL THE PERMIT FOR THE NATIONAL STATES RIGHTS PARTY REPRESENTATIVES TO SPEAK IN PATTERSON PARK TONIGHT OR TO PERMIT THE MEETING AND SPEECHES SO THAT THE POLICE COULD PLAN IN ADVANCE TO GUARD AGAINST ANY RIOTOUS CONDITIONS. IT WAS DECIDED THAT , SINCE RIOTS IN OTHER AREAS HAD GENERALLY BEEN TRIGGERED BY THE ARREST ON THE SCENE BY THE POLICE, IT WOULD BE BETTER TO REVOKE THE LICENSE TO HAVE THE MEETING, ON THE GROUNDS THAT THAT THE MEETING WAS INCITING A RIOT AND CREATING DISTURBANCE IN THE PUBLIC PARKS.

b7c [REDACTED] DECIDED TO HAVE THE NATIONAL STATES RIGHTS LEADERS MENTIONED ABOVE ADVISED BY A MEMBER OF THE PARK COMMISSION AT APPROXIMATELY FOUR O'CLOCK TODAY THAT THEIR LICENSE FOR THE MEETING THIS EVENING WAS REVOKED, BUT THAT THEY HAD A RIGHT TO APPEAL. THE NORMAL APPEAL TAKES AT LEAST TEN DAYS. IT WAS ALSO DECIDED IF ANY OF THE ABOVE THREE NAMED INDIVIDUALS ATTEMPTED TO SPEAK IN DEFIANCE OF THE REVOCATION, THEY WOULD BE IMMEDIATELY ARRESTED AND TAKEN FROM THE AREA WITH A MINIMUM OF DISTURBANCE.

INFORMATION OBTAINED THIS OFFICE DETERMINED THAT REPRESENTATIVES OF SPARTACIST AND CORE PLAN TO BE ON HAND AT THE RALLY TONIGHT, IF IT IS HELD. THEIR PRESENCE ADDS TO THE EXPLOSIVENESS OF THE SITUATION. THIS INFORMATION WAS IMMEDIATELY DISSEMINATED BY THIS OFFICE TO THE POLICE AUTHORITIES, AS WELL AS THE ONE ZERO NINTH INTC GROUP AND SECRET SERVICE.

BUREAU WILL BE ADVISED OF DEVELOPMENTS OF THE FOUR O'CLOCK MEETING AND THE ATTITUDE OF THE NSRP LEADERS TOWARDS THE REVOCATION OF THEIR MEETING. AGENTS WILL ALSO BE ON THE SCENE AT PATTERSON PARK THIS EVENING IN THE EVENT ANY DIFFICULTIES OR DISTURBANCES ARISE SO THAT THE BUREAU WILL BE IMMEDIATELY ADVISED.

It is felt that the transcript of LYNCH's remarks would forcefully bring to the attention of the Dayton Police Department, the potential for violence that LYNCH can and does generate.

Additionally, copies of this transcript have been forwarded to Savannah for the National States Rights Party and to Los Angeles as that office is office of origin of LYNCH.

It is suggested the Bureau consider authorizing those offices to furnish copies of this transcript to the Bureau field offices where LYNCH may in the future appear. It is believed this would be particularly helpful for those areas who have had no experience with LYNCH and could be used by those offices in contacting the police agencies involved. Perhaps those offices could furnish this to the police department or at least have available material that again would forcefully show the potential for violence that LYNCH generates.

On August 25, 1966, a representative of the office of the Intelligence Unit, Maryland State Police, Pikesville, Maryland, requested assistance of the Bureau on the following.

The Maryland State Police has been in numerous discussions with representatives of the Attorney General's Office of the State of Maryland concerning activities of the Klan and methods that can be used by the Maryland State Police against the Klan. At the present time, there is no law in the State of Maryland that prohibits the wearing of a mask on any public occasion. It is the impression of the Maryland State Police that some states do have some type of an anti-mask law in effect.

The Maryland State Police asked if the Bureau could furnish them information concerning the states that would have such a law, and additionally, if possible, refer them to any court decisions concerning such an anti-mask law. Their purpose is that they want to review the laws in effect in other states so that the Attorney General's office will be prepared for the introduction of such measures in Maryland during the next legislative session.

It would be appreciated if the Bureau could furnish such information to this office as Baltimore desires to continue the interest the Maryland State Police and other Maryland officials have in any measures that might tend to disrupt Klan activities.

Enclosed are two copies of Article 8, Section 18.1-364 through 18.1-367, of the Virginia Code pertaining to the prohibition of wearing of masks in public.

You may furnish a copy of the enclosed statute to the Maryland State Police for their information which should be of some assistance to them since a neighboring state, Virginia, has a so-called anti-mask law.

The Bureau has not done any extensive research on this matter but other states do have either state laws or local ordinances pertaining to the unlawful wearing of masks aimed at the Ku Klux Klan. In discussing this with representatives of the Maryland State Police, you are to make no recommendations as to the advisability of such legislation. You are to give no opinion as to whether such legislation would be of benefit in the State of Maryland. This is strictly a local matter which should be left to the discretion and judgment of the Attorney General of the State of Maryland and the Maryland Legislature.

In addition to the Virginia legislation, you may also point out that there is a Federal law dealing with persons who go in disguise on a public highway or on the premises of another with the intent to prevent the free exercise of rights secured under the United States Constitution. RE: COUNTERINTELLIGENCE PROGRAM

Title 18, United States Code, Section 241. The Bureau has primary jurisdiction in enforcing this Section. Prosecutions, however, under this statute are extremely limited and its reason for passage in 1870 was to prevent the masked terrorism of the Ku Klux Klan in the post Civil War era.

The existence of this law is brought to your attention merely for purposes of background and information and it is not intended to be a substitute for state legislation. You are to refrain from offering any opinion that because there is such a Federal law that state legislation is unnecessary. Offer no opinion in this regard and merely for the purposes of background, point out that there is such Federal legislation over which the Bureau has jurisdiction.

In addition to the Virginia law, you may point out that Chapter 38, Section 12-2 of the Illinois Criminal Code of 1961 includes in its definition of aggravated assault, an assault committed by a person who is hooded, robed, or masked in such a manner as to conceal his identity. In addition, some cities in the State of Kentucky have had local ordinances related to the wearing of a mask in public places. You may refer the representatives of the Maryland State Police to the case City of Pineville vs Marshall, Volume 222, Kentucky Reports, page 4, which upheld a local regulation prohibiting appearing on a street wearing a mask or other disguise.

Again you are reminded that the above is merely a cursory review of some of the local laws prohibiting wearing of masks. It is not intended to be a complete analysis of all states. You should discreetly point out that the Attorney General for the State of Maryland should be in a position to have the facilities available to more thoroughly research this matter. You are again reminded that you are to offer no opinion as to whether such laws are advisable. This material is being furnished to you merely for purposes of intelligent discussion with the representatives of the Maryland State Police and is being offered to them only as lead material for more complete research which they or the Office of the Attorney General may desire to make.

For your future guidance, you should submit such requests under the general caption: "Investigation of Klan Organizations and Associated Individuals, Racial Matters - Klan," and not under the counterintelligence caption. This, strictly speaking, is not a counterintelligence measure and you are not to construe it as such.

NOTE:

Baltimore submitted a request concerning the existence of anti-mask laws and desired material to furnish to the Maryland State Police. It is felt that the above information, would be appropriate for discussion purposes with the Maryland State Police.

Re Baltimore letter to Director dated June 3, 1966

The Baltimore Office has a continuing program for interviewing members of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) on a selective basis, primarily for the purpose of obtaining informant coverage but also for the purpose of pointing out to these individuals the hazards of membership in organizations such as the UKA and the possibilities of being involved or under suspicion of violating both local and state laws. The impression is also usually given during these interviews that the FBI is aware of the activities of the UKA and its individual members. The Baltimore Office also has established very close liaison with and cooperation with [REDACTED]

The interview program and the close cooperation with local and state law enforcement agencies has proven to be effective in promoting suspicion within the UKA both in Delaware and Maryland. The close cooperation between the Baltimore Office and the police agencies also has resulted in the disruption of the activities of the National States Rights Party (NSRP) in the Maryland area.

USA
1. Potential Counterintelligence Action

Continued use of the interview program and the close cooperation with police agencies offers a good potential for the disruption of the activities of the UKA and the National States Rights Party.

2. Pending Counterintelligence Action

The Baltimore Office will continue this interview program and close cooperation with police agencies. If the opportunity should present itself to use counterintelligence procedures in any other matter, these opportunities will be taken.

3. Tangible Results

The Baltimore Office conducted a number of simultaneous interviews of selected members of the UKA in Delaware. As a result, a special meeting was held by the UKA of all individuals who were interviewed in an effort to ascertain how the FBI was getting its information; however, informants reports that the meeting was not successful in attaining its purpose. Informants advised that the Klaverns in Delaware are not active with the exception of Klavern Number 3 in Newark. The leader of this Klavern remarked at a meeting that despite the fact that there are supposed to be over 100 members of the Klavern, he doubted if he could get more than a few of them out at any one time.

The Baltimore Office has continued to conduct interviews of the members of the UKA in Maryland, although these interviews were not conducted simultaneously. Information received from informants indicates that these interviews have upset many of the people who were interviewed and some of them have apparently discontinued their activities in the UKA.

In the latter part of June, the UKA Klavern at Wheaton, Maryland, [REDACTED] severed its connection with the UKA of Maryland and [REDACTED] has set up a new organization which has been known as both the Maryland Knights of the Ku Klux Klan and the Interstate Klans.

During the past months, informants in the UKA in Maryland have been reporting information which indicated that there was bad feeling and lack of cooperation between [REDACTED] of the UKA, Province of Maryland, and [REDACTED] of Maryland. [REDACTED]

BA 157-865

who was very active in Klavern Number 3 and a leader of the [REDACTED] of the Klan, [REDACTED]

b7c
b7D

During the week of September 5, 1966, information was received through an informant of the Baltimore Office that [REDACTED] was going to expel [REDACTED] from the UKA. [REDACTED] was interviewed by two agents of this office on September 10, 1966, at which time he advised that he was submitting his resignation from the Klan to ROBERT SHELTON, Imperial Wizard. He stated that he has been unable to work with [REDACTED] and claimed that [REDACTED] was allegedly stating that he was at one time a member of the Communist Party. He stated that as King Kleagle he should have been receiving a percentage of all initiation fees; however, he has never received this money and [REDACTED] has been receiving money from the Klan. [REDACTED] stated that he has spent a good deal of his own money on Klan activities and has never been reimbursed.

b7c

Informants also have reported that on September 11, 1966, [REDACTED] called a state-wide meeting of the UKA of Maryland and that at this meeting announced that [REDACTED] was banished from the Klan. Informants report, however, that of the approximately 40-45 members present, about 10 of the members got up and spoke in defense of [REDACTED]. An officer of Klavern Number 1 also attacked [REDACTED] of Klavern Number 1 and claimed that [REDACTED] had been talking against [REDACTED] in his own defense, denied these charges.

The UKA in Maryland has been scheduling rallies and cross burnings. On several occasions, the persons whose land they contracted to use for these rallies changed their minds and were reluctant or flatly refused to allow rallies on their land. A rally was scheduled for September 17, 1966, in Harford County about five miles from Bel Air, Maryland.

BA 157-865

This rally could not be held because the person who had control of the land refused to permit the UKA to hold the rally and the UKA had to settle for a motorcade through the town of Bel Air.

The information concerning the proposed rally on September 17, 1966, and its approximate location was furnished by this office to [REDACTED]

[REDACTED] Although the Maryland State Police was the police agency which would cover such a rally, [REDACTED] had neglected to contact them regarding this rally. When [REDACTED] was contacted by the Maryland State Police for details concerning the rally and asked why he had not notified the Maryland State Police, he said he was not going to notify the Maryland State Police in the future of proposed rallies because he felt that such notification was the cause of land owners cancelling their contracts with the UKA to permit them to use their land for Klan rallies.

b7c
b7D

The National States Rights Party (NSRP) scheduled rallies July 25 through August 4, 1966. The principal speaker who was going to speak at these rallies was the professional racist, the Reverend RONLEY LYNCH. The [REDACTED] were furnished by this office with information concerning LYNCH, RICHARD B. [REDACTED], State Coordinator of the NSRP, and JOSEPH CARROLL, State Youth Director of the NSRP. As a result of this, the police department was able to plan for adequate police coverage of the rallies and they also made plans to tape speeches made at the rallies. The NSRP rallies were held at Patterson Park on July 25, 1966, and July 27, 1966, and tapes of speeches were made. As a result of the virulence of the speeches on July 25, 1966, and after discussions of these speeches with agents of the Baltimore Office, [REDACTED]

representative of the State's Attorney's Office, a representative of the Parks Department and City Solicitor's Office were also present. The general consensus of the officials was that it would be better to permit the rallies in the public parks where they could be more easily controlled by police than in the streets of the city. Plans were made to forestall any riot or disturbance incited by the NSRP speakers.

The second rally was held on July 29, 1966, and the speeches at this rally were taped by a representative of the Police Department. At noon on July 28, 1966, a meeting was held at Mayor [REDACTED] office which was attended by high police officials and representatives of the various legal agencies of the city and state as well as representatives of the Parks Department. At this meeting, it was decided that the permit granted to the NSRP to hold rallies in the parks would be revoked. [REDACTED] advised NSRP leaders of the decision but the leaders stated that they would ignore the decision and hold the rally.

On the evening of July 28, 1966, the NSRP parked a sound truck on the north side of Patterson Park and conducted a rally. As a result of this rally, there were disturbances throughout the immediate area in East Baltimore and there were a number of arrests.

On July 29, 1966, the Baltimore Police Department obtained an injunction prohibiting further rallies by the NSRP in the public parks as well as in the other public places for a period of 10 days.

On July 29, 1966, the Baltimore City Grand Jury returned an indictment against the Reverend CONLEY LYNCH, RICHARD E. NORTON, JAMES C. [REDACTED], EDWARD FRANCIS HINDLE, and PAUL WILLIAM CORDON. [REDACTED] and CORDON are members of the UKA.

BA 157-865

On August 11, 1966, a judge of the Circuit Court of Baltimore City placed a 90-day ban on public rallies by the NSRP. The same five individuals were arraigned on August 12, 1966, in Criminal Court on charges of riot and conspiracy to riot.

*b7c
b7d*

[REDACTED] Maryland, on August 6, 1966, advised that the NSRP had attempted to rent a piece of property at Cedar Grove Beach, Dorchester County, Maryland, for a NSRP rally and when the owner refused to rent the property, they attempted to rent a restaurant in Princess Anne for the rally but were unsuccessful in renting that property also. [REDACTED] advised that about 7:00 p.m. on August 6, 1966, the NSRP held a rally in front of the Court House in Princess Anne at which time the speakers were JOSEPH CARROLL, J. B. STONER, National Director of the NSRP, CONLEY LYNCH, and RICHARD B. NORTON. The speeches were anti-Negro and were considered by the Maryland State Police and Somerset County officials as highly inflammatory. [REDACTED]

On August 7, 1966, a judge of the First Judicial Circuit Court, Somerset County, Maryland, issued an injunction enjoining the NSRP from holding any rallies in Somerset County for a period of 10 days. The court subsequently continued the injunction against the NSRP. In delivering the opinion, the judge referred to statements in the rally speeches which were taped by an officer of the Baltimore County Police Department and apparently based the decision on the content of the tapes.

It is felt that the activities of this office in the interview of the UKA members and through promoting cooperation with and between police agencies within Maryland with regard to racial matters, this office has substantially contributed to the disruption of the UKA in this area and to the disruption of the NSRP activities in the Maryland area.

Re Bureau letter to Birmingham, 9/27/66.

The UKA organizations in both Delaware and Maryland are suffering from poor leadership, and waning interest on the part of many members. It has been recently reported that ROBERT SHELTON, Imperial Wizard, expressed dissatisfaction with the leadership in Delaware and Maryland. Subsequently, he removed ~~_____~~ the UKA in Delaware.

In the latter part of August, 1966, ~~_____~~ of Maryland, ousted ~~_____~~ of Maryland, from the UKA. Informants report that this move was very unpopular with most of the persons in attendance at the state-wide meeting at which the ouster was announced.

In view of the above, it is felt that steps should be taken soon to develop the proposal of the Birmingham Office. The Baltimore Office suggests the following:

a. Stress the idea that although there has been a revival of interest in the Klan in recent years, there has been a marked lack of success in the attainment of Klan objectives.

b. Suggest that this situation is probably due to lack of coordination and communication between elements of the UKA on a national basis and because ROBERT SHELTON rules this UKA on an undemocratic basis without sufficient consultation with his Grand Dragons.

c. Suggest that there may be some truth to the rumors that SHELTON is only using the Klan to enrich himself and to make himself a national figure.

d. Suggest that if ROBERT SHELTON truly desires to make the UKA an effective instrument to attain stated objectives of the Klan he will take the necessary action to form an effective leadership body on a national scale.

e. Suggest that the first step toward a more effective UKA would be the convening of a National Klanvocation.

2. The above described material should be distributed as widely as possible among active UKA members, members who have become inactive and known associates and relatives of UKA members.

public source information relating to WESLEY ALBERT SWIFT

requested by Baltimore for the benefit of the Baltimore

with the trial of CHARLES CONLEY LYNCH, RICHARD B. NORTON and
JOSEPH CARROLL at Baltimore, Maryland for a riot and inciting
to riot and other charges resulting from rallies held by
the National States Rights Party (NSRP) in Baltimore during
the summer of 1966. At the time these were requested
it appeared that the State might be able to use the
information in connection with the cross examination of
CHARLES CONLEY LYNCH. However, at the conclusion of the
State's presentation of the case, the defense entered
certain motions for dismissals on constitutional ground and
did not present any defense. Public sources reflect that
these motions were denied and that LYNCH, NORTON, and
CARROLL were found guilty and were sentenced to two years
in the Maryland State Penitentiary. They are presently

Re Baltimore letter to Bureau, 9/28/66.

As the Bureau has been previously advised, the Baltimore Office has utilized the program of interviews with members of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA) primarily to secure informant coverage but also for the purpose of disrupting that organization. I. POTENTIAL COUNTERINTELLIGENCE ACTION

It is felt that the continued use of the interview program on a selective basis and continued close cooperation with police agencies offers a good potential for the disruption of the activities of the UKA and the National States Rights Party (NSRP).

to maintain close cooperation with police agencies. It is felt that continued contact with [REDACTED] may also offer possibilities for disruptive actions as far as the UKA is concerned in the Maryland area. If further opportunities should present themselves to the use of the Counterintelligence procedures, these opportunities will be taken. b7D

III. TANGIBLE RESULTS

The activities of the UKA in Delaware have been considerably reduced. At the present time, there is only one unit of the UKA operating in Delaware. Other units have become defunct or have disbanded. It is felt that the use of simultaneous interviews at the appropriate time contributed greatly to the disruption of the UKA in the Delaware area.

During the past few months, 13 members of the UKA in Maryland have been interviewed [REDACTED] b7D

Among these is [REDACTED] of the UKA in Maryland, [REDACTED]

The 11/29/66 edition of the "Evening Capital", a daily newspaper published at Annapolis, Maryland, on page 1, contained a story headlined "Former King Klegle Regrets Joining KKK." This story reflects that LAYTON C. BRAUN gave an exclusive interview to a staff writer of the newspaper in which he said that the thought of his association with the organization (UKA) makes him nauseated. The article pointed out that BRAUN, who told the "Evening Capital" in an interview on 8/12/66 that he would be the first to quit the Klan if he felt it was a non-violent organization, left the organization in September. The entire article covers the equivalent of two full columns of the full size newspaper.

CHARLES CONNIE LYNCH were sentenced to two years in prison for their activities in connection with NSRP rallies held in Baltimore during the summer of 1966. An injunction is still in effect against the holding of rallies by the NSRP in Baltimore, Maryland. Two members of the UKA, who were arrested in connection with their activities during and immediately after a NSRP rally, are still awaiting trial at Baltimore.

In connection with the trial of CHARLES CONNIE LYNCH, the States Attorney at Baltimore requested the Baltimore Police Department to obtain background and criminal records concerning a Doctor WESLEY SWIFT, who allegedly ordained CHARLES CONNIE LYNCH in California. [REDACTED] 1070

[REDACTED] immediately made this known to the Baltimore Office and, as a result, the Baltimore Office corresponded with the Bureau and Los Angeles and Los Angeles was able to obtain considerable public source information concerning SWIFT and the organizations with which he has been associated. With permission of the Bureau, copies of the public source material were made available to the Baltimore, Maryland Police Department.

[REDACTED] As is evident from the above information, there appeared to be an abundance of information linking the IK, the UKA, the NSRP, the ANP and the Minutemen. Both the Baltimore City PD and Baltimore County PD have taken numerous photographs of the individuals mentioned together at the same rallies and demonstrations and it is also believed that the news media in the Baltimore area may have considerable information linking these individuals and organizations. RICHARD BERRY NORTON, JOSEPH CARROLL, CHARLES CONLEY LYNCH, PAUL CORDLE and EDWARD HINDLE received considerable publicity in the Baltimore area when they were indicted for riot and conspiracy to riot in connection with rallies held by the NSRP during the Summer of 1966.

NORTON, CARROLL and LYNCH also received considerable unfavorable publicity during the period they were on trial and they have been convicted and sentenced to prison. They are presently appealing their convictions. HINDLE and CORDLE have not yet been tried. These individuals have been identified by informants as members of the UKA, although they deny this membership and have not been attending meetings of the UKA since their arrest.

[REDACTED] and another NSRP member were convicted several years ago for beating up a Jewish man at the Deutshes Haus in Baltimore.

b7c
It is to be noted that [REDACTED] also has a police record in Baltimore in connection with anti-Negro activity in the Baltimore area and he has also received considerable publicity in the Pennsylvania area of a discrediting nature. It is felt that if the above information could be brought to wide-spread public attention through the proper vehicles, this would be discrediting to all of the Klan and hate type groups presently active in the Maryland area.

RA 157-865

The Baltimore Office does not feel that it is in a position at this time to recommend a means by which this information be brought to the attention of the public-but it is in favor of the general suggestion made by the Bureau.

The Baltimore Office has made no contacts with news media in the Maryland area with a view to Counterintelligence activity. However, it is felt that there are influential individuals connected with the news media in this area who would be receptive to the idea of publicizing this information.

As instructed by the Bureau, no further action will be taken in this matter in the absence of specific instructions from the Bureau.

UNITED KLANS OF AMERICA, INC.
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, the Alston Building, Tuscaloosa, Alabama. The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

On August 14, 1961, the second source advised that the organization formerly known as United Klans, Knights of the Ku Klux Klan of America, Incorporated, would be known in the future as United Klans of America, Inc., the name was changed by a resolution adopted at the National Klonvocation held July 8, 1961, at Indian Springs, Georgia.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, a majority of the Klaverns of the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

DISRUPTION OF HATE GROUPS

Re Baltimore letter to Bureau dated 1/4/67.

I. POTENTIAL COUNTERINTELLIGENCE ACTION

Information received from several racial informants indicates that the Exalted Cyclopes of several units of the United Klans of America, Inc. Knights of the Ku Klux Klan (UKA) of the Province of Maryland are dissatisfied with the

[REDACTED]

[REDACTED]

[REDACTED] said that he was considering accepting [REDACTED] who has been the self-proclaimed

defunct [REDACTED], into the Klan and making him propaganda and publicity official for the UKA in Maryland, working directly under [REDACTED] provided [REDACTED] first publicly withdraws from FAN. Two of the Exalted Cyclopes objected strenuously to this development, but no change was made by [REDACTED]

[REDACTED] there was a meeting of Klan officers on 3/18/67, which was attended by the Exalted Cyclopes of Units 1, 3, and 6, and of the Ladies Auxiliary, as well as the Klaliffs of Units 2 and 3. The purpose of the meeting was to air various grievantés. These grievances were as follows:

1. Failure on the part of the Great Titan to act promptly on membership applications received through the state post office box.

2. The sending of applicants to distant units for induction instead of putting them in units closest to their homes, even though such a unit is in existence.

3. The reinstatement of members by the Great Titan who were dismissed because considered undesirable by the entire unit.

4. The repeated departure by the Great Titan from the established laws and regulations of the constitution of the UKA. A specific example of this was given as the sending of an "unqualified member" to swear in a new applicant in violation of the constitution provision that only a certified officer has the authority to administer the oath of allegiance and must be accompanied by another member in good standing as a witness.

[REDACTED] advised that these grievances or charges were answered by the Great Titan "in his usual evasive manner." "His explanations were long, rambling, and in some instances self-contradictory."

b7D [REDACTED] reported that the meeting degenerated into a mass of charges and countercharges as it drew to a close. [REDACTED] said that he was going to contact ROBERT SHELTON, the Imperial Wizard, and demand better support and cooperation; and if he does not receive an assurance by 3/25/67 that his demands will be met, he will resign from the post of Great Titan. The Exalted Cyclopes, on their part, decided that they will immediately resign and disband their units if [REDACTED] resigns his post.

[REDACTED] commented "the 'ailing' Maryland Klan seems to be on the verge of expiring. However, in the light of it's past history, the Klan seems to have 'built in' resistance against permanent extinction."

[REDACTED] of Unit #6, made a definite statement that he was resigning from the UKA and that all members of his unit would sever their relations with the UKA.

[REDACTED] of Unit #3, that [REDACTED] had changed his mind and everything was going smoothly again. [REDACTED] in turn, advised [REDACTED] of Unit #1 of this. However, on [REDACTED] and related to him the substance of [REDACTED] conversation with [REDACTED] and [REDACTED] stated on no uncertain terms that [REDACTED] was a liar and said that he and his entire unit were through with the Klan permanently.

The [REDACTED] informed the members that ROBERT SHELTON had been contacted, and SHELTON stated that [REDACTED] would be summoned to Alabama Headquarters for an accounting.

It is felt that the situation in the UKA of Maryland, which has been outlined in detail above, presents a potential for counterintelligence action. This situation is being closely watched.

II. PENDING COUNTERINTELLIGENCE ACTION

As has been previously reported, the Baltimore Office had some success with a program of simultaneous interviews of selected members of the UKA in 1966, which it is felt was partially the cause of a great deal of disunity and dissension in the UKA in Delaware. In view of the current situation within the UKA in Maryland as outlined above, the Baltimore Office is considering the possibility of conducting simultaneous interviews of a number of members of the UKA in Maryland in the near future. It is felt that such interviews may result in a lessening of activities of many members when the news gets around and it may have the effect of taking away the initiative from the UKA during the forthcoming summer when it is anticipated that the Klan and other hate groups in the Baltimore area will become active.

PA 157-865

III. TANGIBLE RESULTS

In view of the internal problems which the UKA has been experiencing in recent months, this organization has not been active publicly.

The Baltimore City Police Department in recent months has undergone a complete re-organization under the direction of a new commissioner. The immediate effect has been the assignment of personnel in the Baltimore Police Department for the handling of demonstrations, and so forth, of Hate Groups, particularly the National States Rights Party and [redacted], a self-styled [redacted]. As is well known, these individuals thrive on publicity.

b7c

With the new group of officers handling the coverage of these demonstrations, this office has effected extremely close working liaison. At every opportunity during casual conversation, it was pointed out that if the publicity received by these individuals could be stopped, their effectiveness could be curtailed.

On 8/26/67, in conversation with one of the Agents of this office, [redacted] discussed these groups and their receiving publicity. [redacted] stated that officials of the Police Department had gone to the newspapers in Baltimore and had outlined to them the fact that [redacted] and the National States Rights Party were getting in on the free publicity. [redacted]

b7c
b7d

[redacted] They also agreed that if anything unusual occurred, they would immediately notify the press. The net result of this is that there has been little or no publicity given to the appearances in the Baltimore area of the National States Rights Party and [redacted]. This can be attributed to the bringing to the attention of Police Department officers this potential.

I. POTENTIAL COUNTERINTELLIGENCE ACTION

At the present time the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA), Province of Maryland, is headed by [redacted] who is [redacted] of the Province of Maryland. He governs the UKA in Maryland with the aid of a State Board which consists of representatives from each of the four chartered units and the Exalted Cyclopes (ECs).

[redacted] In addition to this information, it was recently received from [redacted] a [redacted] of Unit Number 3, that he had been contacted by [redacted] and asked to rejoin the UKA. It was [redacted] impression from talking to [redacted] no longer wishes to be the [redacted] because he is unable to control Unit Number 3 and that he would like [redacted] to return to the UKA and take over the leadership. In the past, [redacted] has furnished information to the Baltimore Office and it is anticipated that if he should return to the UKA and take over the leadership it would afford the Baltimore Office an excellent opportunity to control the UKA in Maryland area.

II. PENDING COUNTERINTELLIGENCE ACTION

Information from informants within the UKA in Maryland reflects that the organization is suffering from a lack of leadership. At the present time no specific counterintelligence action is pending, however, the Baltimore Office appears to be in an excellent position to exert influence which will nullify the effectiveness of any public activity on the part of the UKA.

He is not popular with the members of units other than Number 1 and has been having difficulty in keeping the UKA in Maryland organized. In recent months the activities of the UKA in Maryland have been minimal. The Baltimore Office has well placed informants within the UKA in Maryland and the potential counter intelligence section within this group is good in the event they indulge in activities which are susceptible to disruption.

At the present time the UKA, realm of Delaware, is completely disorganized and has engaged in no activities of a significant nature.

The National States Rights Party (NSRP) has engaged in few activities within the recent months. They are currently concerned, according to informants, with attempting to establish a social group from which they hope to recruit members into the NSRP. Informants report that they appear to have little success.

II. PENDING COUNTER INTELLIGENCE ACTION

Due to the relative inactivity of the hate groups in the Baltimore Division, there is no pending counter intelligence action at the present time.

Since the organized attempt by the UKA in Maryland to burn crosses on the Baltimore Beltway on August 30, 1967, the UKA has engaged in no public activities, other than to hold a klan rally at the Polka Inn in Baltimore County in the early part of December, 1967. This rally had to be held indoors, because despite many efforts to do so, the klan was unable to obtain any land on which to hold an outdoor rally in 1967. Contact with [REDACTED] prior to the rally, disclosed that when he learned the nature of the organization, he was inclined to cancel their rental of the hall. However, the Baltimore County Police felt that by allowing the UKA to hold a rally, they could obtain information concerning additional members of the UKA, who might not be known to them. The rally was held on the evening of December 9, 1967 and officers of the Intelligence Units of the Baltimore County Police Bureau and the Baltimore City Police Department were permitted to attend by the UKA. The rally was a dismal failure according to police officers, Baltimore informants, and statements by klan officers. [REDACTED] attempted to engage the [REDACTED] for another rally in early 1968 but was unable to do so.

One, in September, advertising the appearance of ROBERT SHELTON, Imperial Wizard, however, SHELTON did not appear due to the arrest of [redacted] and several other Klansmen by police on 9/6/68 on charges of kidnapping, conspiracy, etc. Those arrested have been released on bail and prosecution is still pending. In order to raise funds in addition to donations from the Klan itself, the UKA has distributed flyers under the caption "Citizens Against Corruption," which is a solicitation of funds for the citizens arrested without mentioning the Klan.

b7c

Informants report that [redacted] is planning to hold a dinner dance in the near future which will not be identified with the Klan, but instead will show that it is sponsored by "Citizens Against Corruption."

With regard to the National States Rights Party (NSRP), JOE CARROLL, local leader, has been arrested twice in the past two months on disorderly conduct charges as a result of his actions in connection with NSRP activity. It is to be noted that CARROLL, together with RICHARD NORTON and Reverend CONLEY LYNCH of the NSRP, received two-year sentences in Baltimore two years ago after conviction on charges of riot and conspiracy to riot. I. Potential Counterintelligence Action

There has been no public activity on the part of the UKA, Maryland in the past 3 months. The trial of [redacted] of Maryland and 4 other Klapsmen on local charges stemming from their arrest on [redacted] is still pending. Subsequent to this arrest, [redacted] ordered that there be no "night work" until the pending case is settled.

On December 6, 1968 [redacted] was arrested and charged with possession of stolen property, a .38 caliber revolver which was taken in a B&E earlier in the year. [redacted] denied knowledge that the gun was "hot" and said he got it from [redacted] (a Klan member). [redacted] failed to appear as a witness for [redacted], due to feigned illness, and trial date was postponed to January 10, 1969.

JOE CARROLL, local NSRP leader, is presently serving a state sentence in Maryland. The NSRP Headquarters in Baltimore is being run by a young individual, relatively new to the NSRP, and the party is in poor financial condition locally and without active leadership.

I. POTENTIAL COUNTERINTELLIGENCE ACTION

The only public activity of the UKA, Maryland in the last three months was a state meeting in February at which the Imperial Representative of Ohio spoke of Klan activity in that state stressing the Klan had great underground and would show a more militant posture. The speaker also urged that undesirables be weeded out and that under-strength units be consolidated, etc. Informants report that [redacted] of Maryland, is not entirely sympathetic to this approach and instead urged greater efforts to raise membership in order to keep all existing units. It appears that [redacted] is not in favor of sponsoring any activity which might cause trouble for the Klan and this is possibly for the primary reason that there are still criminal practices pending against he and other Klansmen locally.

At a meeting on 3/29/69, certain members of one of the units disregarding [redacted] objections held a meeting in Anne Arundel County to support white citizens because of recent racial problems involving Negro and white high school students. The meeting was poorly attended. However, [redacted] has suspended a few members whom he knows attended and has pulled the charter of the unit.

With regard to the NSRP, JOE CARROLL, local leader was paroled 3/24/69 with restrictions against participating in political, social or reform movements.

Re Baltimore letter, 3/28/69.

I. POTENTIAL COUNTERINTELLIGENCE ACTION

During the past three months there has been considerable dissatisfaction within the Maryland Klan based upon disapproval by members of many actions of [redacted]. Certain activities engaged in by dissident members has brought about a number of suspensions by [redacted] and his revocation of the charter of one unit.

Recent charges have been made against [redacted] which have also been filed at Imperial headquarters. These charges were filed by [redacted], an active Klansman and former [redacted] in the Klan and by [redacted]. These two have spearheaded a drive to have [redacted] ousted by a membership vote. They have proposed that in the event [redacted] is not removed, a new Klan organization will be incorporated in Maryland and have set a deadline of 7/6/69 for action by the Imperial headquarters in this matter. Confidential sources have advised that leadership of the three largest and most active units in Maryland are inclined to go along with [redacted] in preference to [redacted].

II. PENDING COUNTERINTELLIGENCE ACTION

[redacted] has called for a public rally on 7/5/69 and a state meeting on 7/6/69 at Baltimore at which [redacted] Acting National Leader, and other out-of-state officials are expected to be present. [redacted] has stated to sources that he intends to resign as leader and will leave

I. POTENTIAL COUNTERINTELLIGENCE ACTION

Continued dissatisfaction within the UKA-Maryland over the question of leadership and actions of the Imperial Representative to control rebellious elements and retain control have left the organization in a very unorganized condition.

Of the seven UKA units presently in existence in Maryland, [redacted] can count on support from only two or three at the most and these are weak units.

Officers and active members of the defecting units have already held meetings to reorganize the UKA-Maryland and pick a new leader. Information brought back from the National Klonvocation, just concluded, was that [redacted] is no longer the leader and Maryland should proceed to select a new head.

II. PENDING COUNTERINTELLIGENCE ACTION

Baltimore informants will be in a position to suggest and influence to a limited extent the choice of the Klansman who will take over from [redacted]. Efforts will be directed to selection of someone who will be the least militant, or one who may stir up continued argument among membership.

On 10/8/69, BURGESS DOYLE TRENT and ARNOLD CORDELL were arrested by Baltimore County Police Department while attempting to steal dynamite from a construction project. The arrest was reported in the Baltimore Evening Sun paper of 10/8/69. Both subjects were indicted on 11/5/69, on counts of B&E of storehouse, larceny, receiving stolen goods and rogue and vagabond. They were continued on \$3500 bail bond each for trial on 12/2/69.

TRENT was the Exulted Cyclops of a UKA Klavern as well as a Minute Man and CORDELL was a member of TRENT's group and his right-hand man. TRENT prior to his arrest was in the process of converting his Klan group into a group of Minute Men.

Since their arrest, subjects have reportedly severed all connections with the Klan and Minute Men. TRENT has been part of a faction fighting to oust [redacted] of the UKA in Maryland.

[redacted] has stated since the arrests that he has suspended both TRENT and CORDELL. Reports from informants have developed that the dynamite being obtained by TRENT and CORDELL was done as Minute men rather than as Klansmen.

Re Bureau letter to Baltimore, 11/28/69.

Efforts to contact established news sources of this office were unsuccessful, and since there was no postponement, trial for subjects TRENT and CORDELL was held on 12/2/69. In addition there was no public source material available in this office which could identify TRENT and CORDELL with the Klan or Minutemen.

On 12/8/69, [REDACTED]

[REDACTED] ascertained from the State's Attorney's Office that TRENT and CORDELL were represented by Attorney JOHN W. MOYER. Subjects appeared before Judge JENIFER, Criminal Court, Towson, Maryland, on 12/2/69. Both subjects entered not-guilty pleas. Arresting officers did not appear and the court went on the statement of facts in the Police Report of the arrests. Both subjects were given probation before verdict.

On the basis of the facts of the arrests in this case and the disposition of the matter in court, as well as information from informants to the effect that the subjects were not worried or concerned about their cases, it would appear that certain arrangements had been made between the defense attorney and the State's Attorney's Office prior to the trial of this case.

It is being considered that literature put out by the NSRP which viciously attacks the Negro race be sent anonymously to selected Negro leaders in the Baltimore area and Bureau authority will be requested in a separate communication.

It has been learned through a confidential informant that an active UKA officer has been operating a lucrative side-line selling moulded plaster plaques. Bureau authority will be requested in a separate communication to furnish this information to INS to check income tax returns on this individual.
