Elmer Sylvester Dowling, FBI number 1644966, is a 51 year old native of the St. Louis, Missouri, East St. Louis, Illinois, area. Subsequent to being honorably discharged from the Army in 1945 he has been closely allied with Frank Leonard Wortman, FBI number 739186, and is frequently described as the latter's partner or lieutenant.

Wortman and Associates is alleged to have a wide financial interest in various organizations in the St. Louis, East St. Louis area. These organizations are involved in trucking operations, lounges and clubs, loan companies, auto dealerships, motels, cab companies, amusement companies and a race track. It is also alleged to have an interest in the "California Club," a Las Vegas gambling establishment.

The illegal activities operated by Wortman and Associates consist of casinos, policy and handbook operations, all of which Dowling is allegedly in personal charge of. On the basis of information made available it appears that Dowling's only known associates are those with whom he comes in contact with in connection with operation of the Wortman interests.

Dowling presently resides in a \$100,000 home at 200 Hillcrest Drive, Collinsville, Illinois. This home is only accessible through the private driveway which also leads to the residence of a neighbor who is actively engaged in the Wortman organization. *A*

Dowling's criminal record consists of arrests beginning in 1930 for auto theft and robbery, investigation for bombing and racketeering and assault to kill. With respect to the latter charge which was made in 1940, Dowling was initially sentenced to 30 years in prison. The case was reversed, however, by the State Supreme Court and when retried, Dowling was acquitted by a jury.

Memorandum to Mr. Rosen

The Springfield Office is being instructed to give greater concentrated effort to distinguishing the activities of Dowling from those of Wortman and to make an intensive investigative effort to determine the political or personal contacts maintained by Dowling outside of the Wortman organization in view of the fact Frank Wortman is the subject of a separate investigation of the top hoodlum program.

It is noted that Dowling is alleged to attend an annual July 4th picnic at the Chicago home of one [REDACTED] which picnic is attended by other midwest hoodlums.

A. PERSONAL HISTORY AND BACKGROUND

The Army Service Record on file at the Adjutant General's Office, Military Personnel Record Center, St. Louis, Missouri, reflects that DOWLING was born on December 30, 1906, at St. Louis, Missouri. His education was listed as eight years of grammar school; his civilian occupation as Recreation Manager and construction worker; and his military occupation as Anti-Aircraft noncommissioned officer. These records further reflect that subject had U. S. Army Serial No. 37-401-360 and indicated he was inducted into the U. S. Army on 11-28-42 and entered on active duty on December 5, 1942, at Jefferson Barracks, Missouri. He was honorably discharged on 10-4-45, as a Private First Class from Ft. On December 10, 1957, a spot check was made of the residence of subject at 200 Hillcrest Drive, by SAS [REDACTED] and [REDACTED] at which time it was observed that DOWLING resides in a large ranch style home on the edge of Collinsville, Illinois. It is noted that SAM MAGIN, a close associate of subject, resides at 153 Hillcrest Drive in Collinsville. It is further noted that the road leading to MAGIN'S house is closed by a gate and the only exit or entrance to the home of subject is to go through this gate and a road by the side of MAGIN'S house, which leads directly to the front of subject's house. Subject's house is located approximately 200 yards in back of MAGIN'S house and there is only one entrance to this.

A newspaper article appearing in the St. Louis Post Dispatch in 1945, indicated that Sgt. ELMER DOWLING was arrested on May 20, 1945, in St. Louis, Missouri, by the St. Louis, Missouri Police Department. According to this article, DOWLING was described as a Sergeant, who had received a furlough from the Army the previous Friday after his liberation from a prison camp. He was arrested for careless driving, resisting arrest, driving while intoxicated, carrying concealed weapons, and passing three stop signs. DOWLING was in uniform at the time of his arrest and he was driving a late model Cadillac, with a license issued to FRANK "BUSTER" WORTMAN, E. St. Louis gangster. According to this article a loaded automatic pistol was found in a jacket in the back seat of the car when DOWLING was arrested.

On November 28, 1938, a complaint was filed before the U. S. Commissioner at St. Louis, Missouri, charging DOWLING with a violation with the Federal Unlawful Flight to Avoid Prosecution statute, in that DOWLING in November, 1938, had fled from the State of Missouri to avoid prosecution for assault with a dangerous weapon. He was alleged to have assaulted LOUIS LEE BAKER on November 18, 1938. The latter was a Negro witness in the ISADORE LONDE bombing case in St. Louis, Mo., wherein LONDE was facing trial for the bombing of the Howard's Cleaning Shop in St. Louis. DOWLING was arrested January 13, 1940, in St. Louis, and the same year was tried in Circuit Court, St. Louis County for assault with a dangerous weapon, at which time he was found

SI 92-113

guilty of assault with intent to kill with malicious afterthought and was sentenced to thirty years in the Missouri State Penitentiary. DOWLING appealed; was unable to make \$30,000 bond; and was incarcerated in the Missouri State Penitentiary.

On September 25, 1941, the Supreme Court of the State of Missouri, heard DOWLING'S appeal and remanded the decision of the trial court and he was removed to the St. Louis County Jail at Clayton, Missouri, to await a new trial.

On May 18, 1942, DOWLING was retried in St. Louis County, and the jury returned a verdict of not guilty on May 21, 1942, and DOWLING was discharged.

H. PERSONAL HABITS AND PECULIARITIES

[REDACTED]

From observation by SAS [REDACTED] and [REDACTED] it was determined that subject resides at 200 Hillcrest Drive in Collinsville, Illinois, which is in a residential neighborhood on the western edge of Collinsville, Illinois. He is living in a palatial ranch style home, located on the bluff and the only entrance to his residence is a road leading to the side of the house owned by SAM MAGIN, an associate of subject. It is noted there is a gate leading to the home of MAGIN and this gate can be locked when not in use. It is also noted that the only view a person would have of this house would be from the back yard of MAGIN'S home and there is no other area in that vicinity where the house can be observed other than merely the top of the roof, which can be observed when driving east to Collinsville, from E. St. Louis, Illinois.

As previously stated, subject was arrested on May 20, 1945, in St. Louis, Missouri, and charged with carrying concealed weapon, at which time a loaded automatic pistol was found in a jacket in the back seat of a car driven by subject. Also as stated previously, subject was convicted in St. Louis County in 1940, charged with assault to kill, which decision was later reversed and remanded. In view of this, SUBJECT SHOULD BE CONSIDERED ARMED AND DANGEROUS.

PERSONAL ATTENTION

ELMER SYLVESTER DOWLING, wa.,
ANTI-RACKETEERING

Re Springfield report of SA [redacted] dated
December 26, 1957.

It is noted from a review of referenced report that Dowling is considered to be a partner of Frank Leonard Wortman in the legal as well as illegal operations of Wortman and Associates. It is further noted that the names of numerous individuals are set forth as being actively engaged in the Wortman organization. There is, however, little information tending to further identify the individuals with Dowling other than by the inference that all are actively engaged in Wortman and Associates and must therefore be associates of Dowling. In addition, it appears that the majority of information set forth is attributed to informants without any active investigation to establish the existence of firms identified with Wortman and Associates or the extent of Dowling's participation.

There appears to be a need for considerable investigation of Dowling's personal background in order to give a better perspective of the individual. For example, it is noted his \$100,000 home is accessible only through the roadway to the Magin home. It appears pertinent to know the identity of the person from whom the building site was purchased, the identity of the firm that constructed the home, if it was done for Dowling, how Dowling financed the purchase and whether the home is presently owned in Dowling's name or in the name of "straw" or in the name of one of the organizations in which Wortman and Associates is interested.

In an effort to obtain further information with respect to Dowling himself, it is suggested that it may be pertinent to know more of his routine. For example, does he maintain regular office hours, does he participate in country club activities or show any interest in spectator sports. The results of such inquiry may establish the identity of associates who are not necessarily affiliated with Wortman and Associates and thereby reveal political and social contacts maintained by Dowling personally.

Letter to SAC, Springfield
Re: Elmer Sylvester Dowling, wa.,
Anti-Racketeering

It is recognized that Dowling, being a partner of Wortman, may be so closely allied with Wortman that it is difficult to distinguish the activities of one from the other. This, however, must be done. It is noted that referenced report is replete with information concerning Wortman. Greater investigative emphasis must be placed on Dowling particularly in view of the fact Wortman is the subject of a separate investigation in the top hoodlum program.

Your attention is called to Bureau letter to New York dated November 27, 1957, with copies for all offices outlining the objectives of the top hoodlum program and Bureau letter dated January 15, 1958, to New York with copies for all offices advising of delinquencies occurring with regularity in reports being received. These communications should be again thoroughly reviewed and in the light of the objectives of this program appropriate investigation should be pressed.

ELMER SYLVESTER DOWLING, wa.
ANTI-RACKETEERING

Reurlet dated April 18, 1958, advising that the case concerning Dowling was being closed in your office and the activities of Dowling would be covered in investigation of Frank Leonard Wortman.

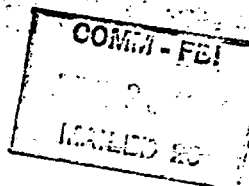

It is noted that the Springfield Office has been carrying Dowling as a top hoodlum, and, including Dowling, 9 individuals are being carried in the Top Hoodlum Program. The Bureau desires that Dowling be continued as a top hoodlum and the case remain open in your office. It is realized that inasmuch as Dowling and Wortman are closely connected that investigation concerning either one will include both. Therefore, one report can be submitted containing the dual caption of Dowling and Wortman with sufficient copies designated for each office and the Bureau for inclusion in the Dowling case file.

In the event the Springfield Division feels that Dowling is not of sufficient stature to be continued as a top hoodlum, the Bureau should be advised.

Inasmuch as the Springfield Division has only 9 individuals included in its program, consideration should be given to the naming of an additional individual for investigation.
