Dear Mr. Strzok:

Reference is made to your requests for the preservation and production of records dated August 31, 2015 and September 1, 2015.

In an effort to capture all relevant documents, the United States Secret Service (USSS) Information Resources Management Division (IRMD) conducted a search of electronic files, documents, and materials for electronic mail communications to or from [redacted] b7E per USSS from January 1, 2009 through September 1, 2015.

Enclosed is the disc containing the results of this search. This information is being provided to you solely in connection with your investigation as outlined in your letters of August 31, 2015 and September 1, 2015. Please do not disseminate this information to anyone for any purpose other than that necessary in the course and scope of your investigation without permission of the USSS.

Subject: Classification Review and Determination Request

(U//~~FOUO~~) In July 2015, the FBI received a Section 811 referral from the Inspector General for the Intelligence Community (ICIG) regarding the possible compromise of classified national security information.

(U//~~FOUO~~) The potential compromise was identified when, as part of a Freedom of Information Act (FOIA) request, the U.S. Department of State (DoS) and the ICIG reviewed electronic mail (email) communications from private email accounts previously used by a former Secretary of State during her tenure at DoS. An initial review of this material identified emails containing national security information later determined by the US Intelligence Community (USIC) to be classified up to the Top Secret/Sensitive Compartmented Information level.

(U//~~FOUO~~) The FBI respectfully requests the U.S. Secret Service (USSS) conduct an official classification review and determination of the related documents contained on the accompanying DVD.

(U//~~FOUO~~) The FBI understands that USSS may have previously received similar, separate requests from other entities for an official classification review and determination for some or all of the documents contained on the enclosed DVD. In order to ensure consistency, the FBI requests USSS to de-conflict its response to this FBI request with any previous classification determination

responses related to these documents, and to provide the FBI the same classification determinations. The FBI requests USSS to provide as soon as possible any previously rendered official classification determinations of documents related to this matter, to include any classification determinations of documents related to the [redacted] domain that are not contained on the attached DVD. The FBI requests USSS to provide classification determination responses to the FBI on a rolling basis as they become available.

b7E per USSS

(U//~~FOUO~~) The enclosed DVDs each contain a *ReadMe.docx* file, which provides an explanation of the files contained on the DVD. The DVD also contains a Microsoft Excel spreadsheet titled *Classification Review Response Tracker* to assist your agency with tracking and responding to this classification review and determination request. The documents for review are listed in the *FileList.xlsx* spreadsheet and are contained in the *Items* folder. The *Items* folder is further explained in the aforementioned *ReadMe.docx* file. In the event USSS is aware of any equities belonging to other US Government agencies contained in documents provided as part of this request, the FBI requests USSS to identify those other US Government agencies in the "Notes" section of the enclosed spreadsheet.

(U//~~FOUO~~) The FBI may contact you in the future to ask you to prioritize the review of certain items provided as part of this request.

(U//~~FOUO~~) You are requested not to disclose the existence of this inquiry, other than as necessary for compliance; disclosure may jeopardize the confidential nature of the FBI's investigation.

Subject: Supplemental Classification Review and Determination Request

(U//~~FOUO~~) In July 2015, the FBI received a Section 811 referral from the Inspector General for the Intelligence Community (ICIG) regarding the possible compromise of classified national security information.

(U//~~FOUO~~) The potential compromise was identified when, as part of a Freedom of Information Act (FOIA) request, the U.S. Department of State (DoS) and the ICIG reviewed electronic mail (email) communications from private email accounts previously used by a former Secretary of State during her tenure at DoS. An initial review of this material identified emails containing national security information later determined by the US Intelligence Community (USIC) to be classified up to the Top Secret/Sensitive Compartmented Information level.

(U//~~FOUO~~) The FBI respectfully requests the Central Intelligence Agency (CIA) conduct an official classification review and determination of [REDACTED]

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 1/09/2017

(U//~~FOUO~~) On January 6, 2017, HUMA ABEDIN, DOB [redacted] was interviewed by Federal Bureau of Investigation (FBI) Special Agents [redacted] and [redacted] at the offices of Bryan Cave LLP located at 1155 F Street, NW, Washington DC 20004. Present for the interview was ABEDIN's counsel, MIGUEL RODRIGUEZ, Partner at Bryan Cave LLP, KAREN DUNN, Partner at Boies, Schiller & Flexner LLP, [redacted] Partner at Boies, Schiller & Flexner LLP and [redacted] Associate at Boies, Schiller & Flexner LLP. Also present was [redacted] from the Department of Justice (DoJ) Counterintelligence and Export Control Section. Prior to the interview RODRIGUEZ, DUNN, [redacted] and [redacted] agreed to sign a non-disclosure agreement in anticipation of viewing classified documents during the interview. After being advised of the identities of the interviewing agents, and the purpose of the interview ABEDIN provided the following information:

b6
b7C

(U//~~FOUO~~) ABEDIN was aware her husband, ANTHONY WEINER, used a silver Dell laptop (hereafter, DELL) and to her knowledge, the DELL was the only laptop she was ever aware of him using. ABEDIN had no memory of ever using the DELL for any purpose and had no knowledge of WEINER backing-up the content of the laptop to any other data storage device or to cloud storage. ABEDIN recalled WEINER using a desktop computer when she worked at the Department of State (DoS) and later transitioning to the DELL sometime after she left DoS. ABEDIN had no idea how her email content ended up on the DELL.

(U//~~FOUO~~) At this point in the interview, Agents displayed a document with four phone numbers listed. After reviewing the document, ABEDIN stated phone number [redacted] was her current phone number. Moreover, ABEDIN has used an iPhone in association with [redacted] and has done so for approximately one and a half years. Prior to that, ABEDIN believed she used a BlackBerry handset for [redacted] ABEDIN recognized phone number [redacted] as a phone number currently used by WEINER. ABEDIN did not recognize the phone numbers [redacted] and [redacted] During HILLARY CLINTON's tenure as Secretary of State, ABEDIN was issued a DoS BlackBerry and a BlackBerry where she received her clintonemail.com email content. ABEDIN could not recall the phone number associated with either device, but believed her DoS BlackBerry had a 202 area code. Occasionally, ABEDIN would forward her unclassified state.gov email to her clintonemail.com email account. ABEDIN did not recall ever backing-up a phone handset or transferring the data from one device to another when she upgraded handsets. WEINER did not have the log-on credentials or passcodes for any of ABEDIN's phone handsets or email accounts.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

(U//~~FOUO~~) ABEDIN was shown an email dated April 9, 2012, with the subject "Re: Call to President Banda" in which ABEDIN was copied. After reviewing the email, ABEDIN stated she did not recall the specific email but it represented a "typical" communication at the time. ABEDIN thought if she received an email on the unclassified network the person sending it had handled it properly and she had no need to question the classification. When asked what ABEDIN's understanding of the parenthetical "C" located in the body of the email was, ABEDIN replied her understanding has changed with what she has read in the media. During her time at DoS, ABEDIN stated she most likely would not have noticed the marking in the email and reiterated she had no need to question classification at the time. Currently, and after reading news reports, ABEDIN knows the portion marking "C" indicates the information that follows should not be in an unclassified email.

(U//~~FOUO~~) ABEDIN was shown an email dated March 13, 2011, with the subject "Fw: Mashabane Call Sheet." After reviewing the email, ABEDIN stated she did not recall the specific email, but Secretary CLINTON talked to Foreign Minister MASHABANE frequently. ABEDIN had no reason to believe the email was classified and trusted the judgment and handling of classified information by her colleagues at DoS. ABEDIN did not routinely forward DoS work email outside of DoS personnel.

(U//~~FOUO~~) At this point in the interview, ABEDIN requested a break in the interview and Agents left the conference room where the interview was taking place.

(U//~~FOUO~~) Upon reconvening, ABEDIN stated she may have forwarded the foregoing email to WEINER to print at ABEDIN's residence so she could provide a hardcopy document to Secretary CLINTON when she saw her later. ABEDIN stated she did not do that regularly.

(U//~~FOUO~~) ABEDIN was shown an email dated November 26, 2010 with subject "Fw: MbZ" and an email dated November 26, 2010 with subject "Fw: UAE on Wikileaks." After reviewing the emails, ABEDIN stated she did not recall the specific email but Secretary CLINTON made calls like this frequently. ABEDIN would have no reason to believe the email was classified and trusted the judgment of the DoS employees that emailed her. ABEDIN likely forwarded the email to WEINER to print at her residence so she could provide a hardcopy document to Secretary CLINTON.

(U//~~FOUO~~) ABEDIN was shown an email dated August 7, 2009 with subject "Re:" and stated she recalled the email and the exchange. ABEDIN stated Secretary CLINTON would occasionally hand her BlackBerry to ABEDIN to reply for her. ABEDIN did have the credentials or passcode to Secretary CLINTON's BlackBerry or email account and never logged in to CLINTON's account from any device.

(U//~~FOUO~~) ABEDIN was shown an email dated June 23, 2011 with subject "Marina print." After reviewing the email, ABEDIN stated she did not recall the specific email but would often forward emails to her humamadedin [redacted] email account so Marina could print the forwarded email for Secretary Clinton to view in hardcopy at her residence in Whitehaven. As far as ABEDIN understood, Marina did not have an email account so ABEDIN provided Marina the credentials to her [redacted] account to print documents for CLINTON. ^{b6} per DOS

Continuation of FD-302 of Interview of Huma Abedin, On 1/6/2017, Page 3

(U//~~FOUO~~) Notes of the interview, signed non-disclosure agreements, and documents displayed to ABEDIN will be maintained in an FD-340 envelope and filed with the captioned investigation.

I'm sorry for the late email but we just received a call sheet for Malawi President Banda.

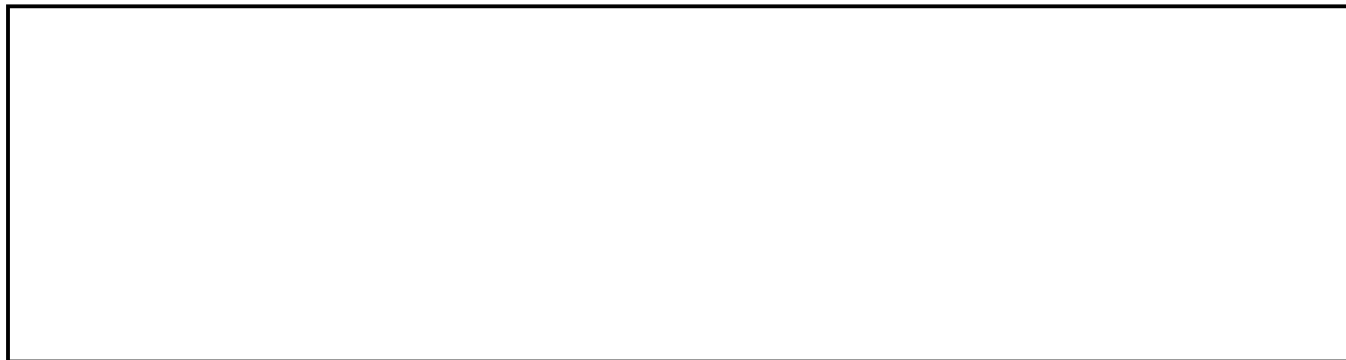

Are you open to taking this at 7:30am tomorrow? If so, we can reach out overnight. Otherwise, we will find other widows that work tomorrow for you.

This did not make it with the pouch but we can ask Marina to print this and her bio for you if a 7:30am call works for both you and President Banda.
