Dear [redacted]

Your letter of August 25th has been received and I can certainly understand the concern which prompted you to write.

Although I appreciate your giving me the benefit of your views, the primary responsibility for the protection of presidential candidates, the President, the Vice President, and members of their immediate families rests with the United States Secret Service. The FBI does, upon request, assist that agency in carrying out its responsibilities as outlined above. I am forwarding a copy of your letter to the Director, United States Secret Service, Washington, D. C.

Sincerely yours,
J. Edgar Hoover

UNKNOWN SUBJECT;
Alleged Threat Against
Vice President HUBERT H. HUMPHREY
at the Democratic Convention
Chicago, Illinois

At approximately 2:00 p.m. on August 21, 1968, a female who declined to identify herself, stating, "My husband does not want me to get involved" telephonically contacted the El Paso, Texas, Office of the Federal Bureau of Investigation. The anonymous caller stated that she and her husband had been in a local El Paso bar on Sunday evening, August 18, 1968, where they overheard a male whose identity is unknown to them discussing the pending Democratic Convention in Chicago, Illinois. This bar, whose name the caller could not recall, is described as being very small and located on Dyer St., just off of Rushing St. in El Paso. According to the caller, the unknown male made comments to other persons seated at the bar to the effect, "If Humphrey is nominated, he will never live to be President. Somebody is going to shoot him." The individual alleged to have made the above statements is described as being a white male, age approximately 58 to 60, of medium height, possibly around 5'9", weighing 150 to 160 pounds and with grey hair, balding. This individual was allegedly overheard saying that he was retired military, having spent a total of 33 years in various branches of the service, including the Air Force, Navy and Army.

The anonymous caller commented that she felt that this individual from the conversation overheard was actually not involved in any assassination plot and probably was only making bar room conversation. The caller concluded by

[REDACTED]
THREAT AGAINST VICE PRESIDENT
HUBERT H. HUMPHREY
PROTECTION OF THE VICE PRESIDENT

[REDACTED] telephonically advised the Chicago Office of the FBI that [REDACTED], had left his home, taking their two minor children. [REDACTED] stated that he had no information as to their current whereabouts; that he had reported this matter to the Chicago Police Department and requested that the FBI place a stop for these individuals.

[REDACTED] once again called the Chicago FBI Office to request that the missing person's stop be canceled in that his family had been located in California. At the same time [REDACTED] stated that he was going to try to see Vice President Humphrey during the latter's visit to Chicago in an attempt to solicit his assistance regarding a personal matter, the nature of which he would not specify. He added that he had no political connections through which to obtain an appointment and was just going to try to push up to Vice President Humphrey and would climb over a fence, if necessary. After some discussion regarding this manner of approach [REDACTED] admitted that this procedure might not be the best and that he perhaps would write a letter to the Vice President, rather than attempting to meet him in Chicago on August 19, 1968. During this conversation [REDACTED] spoke as if he might have been somewhat emotionally upset, but he did not indicate the source of his concern, and at the conclusion it was not certain whether he contemplated attempting to meet Vice President Humphrey or write a letter. h7c

The above information was furnished to [REDACTED] United States Secret Service, Chicago, at 4:45 p.m. on August 19, 1968, and same was relayed to [REDACTED] who was in the party accompanying Vice President Hubert H. Humphrey in Chicago at that time.

Investigation is being conducted in this matter.

STUDENT NONVIOLENT COORDINATING COMMITTEE

~~CONFIDENTIAL~~

Literature distributed by the Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S.W., Atlanta, Georgia, describes itself as not being a membership organization, but rather an agency attempting to stimulate and foster the growth of local protest movements. SNCC was born out of the sit-in movement which erupted across the South beginning on February 1, 1960. A conference at Raleigh, North Carolina, that Spring, brought together many of the demonstrating Southern students in a loose network of militant youth which was officially named SNCC in October, 1960.

[REDACTED], Stokely Carmichael was elected National Chairman by the Central Committee. In May, 1967, Carmichael was replaced as Chairman Recruiter and Organizer for the SNCC. In August, 1967, at the invitation of Fidel Castro, Carmichael participated in the Organization of Latin American Solidarity Conference which was held in Havana, Cuba. Subsequent thereto, Carmichael traveled to Hanoi and other sections of North Vietnam. He returned to the United States in December, 1967, at which time his passport was picked up because of travel to unauthorized countries. b7d

[REDACTED] advised that when Carmichael was elected Chairman of SNCC, the organization embarked on a program of eliminating Caucasians from its ranks. With the election of H. Rap Brown as Chairman in 1967, it embarked on a worldwide struggle for human rights by the American Government and to strengthen its programs of opposition to the draft and to the United States involvement in Vietnam.

Literature distributed in February, 1968, identifies SNCC as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

Re your airtel 9/3/68 enclosing an LHM dated 9/3/68.

Your attention is directed to current Bureau instructions relative to the handling of cases involving threats against the President.

In the future, without fail, you should insure that the Bureau is advised by teletype upon receipt of each complaint. The LHM transmitted by reairtel failed to show the identity of the FBI employee who furnished the information to the appropriate agency. Care should be exercised in the preparation of the LHM not only with respect to the identification of the individuals to whom the information was disseminated, but the identity of the FBI employee who made the dissemination should also be disclosed.

By return mail resubmit an amended LHM suitable for dissemination. Score errors against responsible personnel.

MAKE SURE YOU KNOW ALL THE ALTERNATIVES

If you are planning to enlist to avoid the draft, DON'T. You end up in the same army. There may be a treatment which you don't know about but are eligible for. There are alternatives. Call or stop in and speak to one of our counselors when you leave here today.

1. You are supporting someone else. (111-A)
2. You can claim to have certain physical or psychological ailments. (1-Y, IV-F)
3. Your job is important to your community (11-A)
4. You feel that the Vietnam war is wrong and you don't want to fight in it. (1-AO, 1-O)
5. You have served time in jail. (1-Y)
6. Your father was killed in the armed forces and you are the only surviving son. (IV-A)
7. You are a student or a minister. (1-S, 11-S, IV-D)
8. You work on a farm. (11-C)
9. You are an alien. (IV-C)

**TAKE A MINUTE TO READ THIS--
IT MAY MEAN YOUR LIFE**

1. Today you may be given forms DD98 and DD398 which contain questions on your affiliation with "subversive" groups. It is not a crime to refuse to answer these questions. Refusal may result in your being declared ineligible for service pending completion of a thorough investigation by Military Intelligence. This may take months. The induction process will not be continued during that time. As a result of such an investigation you may be classified 1-Y.
2. After you have completed your physical, there will be an induction ceremony. If you have any doubts, DO NOT STEP FORWARD. Once you step forward you are in the military. It is usually much easier to protest and fight your case if you are not in the military. You will not be arrested immediately. You will be sent home and in several months or a year, you will be arrested.
3. After you refuse, you may still be able to get a deferment, make a court case or you may decide to leave the country. For any of these alternatives, YOU NEED DRAFT COUNSELING. You should contact The Resistance immediately after your refusal.

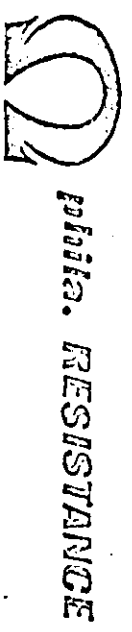

KEEP THIS CARD IN YOUR WALLET!!!

WHY SHOULD YOU REFUSE TO SERVE?

1. Because the war in Vietnam is a senseless, suicidal venture in a civil war 10,000 miles from your home.
2. Because your fight is here in Philadelphia against poverty, slums, and racism.
3. Because the draft system is a corrupt mechanism that favors the rich and imposes illegal authority upon young men.

The Resistance is a community of young Americans fighting the draft. The Resistance and its support groups will help anyone who refuses induction. We have lawyers and bail funds for those who need them. Several thousand men from all parts of the country are already resisting the draft and every day the numbers grow. Just remember. Its your life and your choice. You don't have to let them push you around. You don't have to go.

September 2, 1968
Demonstration Against the Appearance of
Vice-President Hubert H. Humphrey
Labor Day Parade, New York City

The demonstrators left the area at approximately 12:00 noon, after the Vice-President had left the reviewing stand.

At approximately 11:00 AM, as a parade unit identified as members of Local 40, Iron Workers marched by the reviewing stand, one member of the unit raised a sign reflecting "God Bless Daley". Some anti-war demonstrators heckled the marchers and threw leaflets at them. Approximately twenty marchers broke ranks and went after the hecklers. The New York City Police Department (NYCPD) immediately controlled the crowd and one demonstrator was taken away, but was not arrested.

Leaflets were passed out along Fifth Avenue, the route of march, announcing that demonstrators would march in the parade with "Anti-War Local Number 65" and that a "teach-in" would be held at Central Park sponsored by New York Regional of Students for a Democratic Society (SDS) and the Columbia Strike Coordinating Committee (CSCC) of Columbia University. A xerox copy of the aforementioned leaflet is attached hereto which was obtained by an SA of the FBI.

Columbia Strike Coordinating Committee (CSCC)

In May, 1968, a confidential source advised that the CSCC was dominated by SDS.

A characterization of SDS is attached.

SAS observed approximately two hundred demonstrators join District 65, Retail Wholesale Department Store Union (RWDSU) at the assembly point of 28th Street and Lexington Avenue at approximately 2:00 PM. Observed in the crowd was Paul O'Dwyer, candidate for United States Senate, who greeted members of the Union and demonstrators. At the assembly point, one spokesman for the demonstrators announced that no anti-war or anti-Humphrey signs were to be carried and that all were to march in an orderly manner. The spokesman further announced that members of the W.E.B Du Bois Club were in the group.

 WHAT IS THE NEW POLITICS

When Sen. McCarthy began his campaign, newspaper commentators and politicians spoke of him as the bringer of a "new politics": one divorced from the usual party clubs, relying on the best interests of people, engaging hundreds of thousands of young Americans into the established political process. Suddenly, it was proclaimed, there is hope in America. On Aug. 28th, Sen. McCarthy did not receive the Democratic nomination; that night, thousands of McCarthy supporters, without any compromise of their alienation from America, or their deep hopes for its reconstruction from which that alienation sprang, found, at the very moment their candidate was defeated, a new hope. The next day, when McCarthy told them to stay within the system, they shouted, "No!" It was not a shout of despair.

A NEW POLITICS IS A NEW KIND OF POWER

Their despair had come from this knowledge: that America was practising a genocidal war in Vietnam; that it ruled its ghettos as police-states; that it practised on all its citizens thorough and alienating forms of social manipulation. And this: that, they thought, there was nothing they could do to stop any of it. They wanted the government to return to the people. And so they picked a new governor.

But when he was defeated they discovered something more important: that they were the people. They had tried to delegate their wishes for eight months: a very old form of politics; a very old way of not changing the system. Then they tried to simply express their wishes in a people's demonstration: a very new form of politics indeed.

IT IS NOT SIMPLY THAT THE STREETS BELONG TO THE PEOPLE: THE PEOPLE BELONG IN THE STREETS!

For, in fact, there are only two kinds of politics: the system's and the people's. What was the need for door to door canvassing, primaries, counting delegates' votes one by one? The need was to make people express their deep sense of alienation and disgust by letting someone else do it; and then defeat him in a convention ruled by the same laws: canvassing, primaries, delegates' votes. But people have the right and duty to express their desires by themselves; to end the results of the system they must attack it from outside. For, as Chicago made clear, the rules of the system are all rigged.

LABOR POWER

FELLOW WORKERS: The country which our labor has built is in a crisis! Our government continues a policy of aggression in Vietnam. It insists on bombing North Vietnam and maintaining over half a million troops in South Vietnam. To maintain this war it constantly raises taxes, and fights against every wage raise demanded by the workers. The government's policy in Vietnam is a policy of aggression against our Vietnamese brothers and repression of our own people.

Meanwhile the just demands of the Black, Puerto Rican, Mexican-Americans and Italians of our country are declared by Johnson, Humphrey, Nixon and Wallace as attempts to violate "Law and Order". That is why the demands of the Poor People's Campaign-- which included poor whites-- were answered with guns and clubs.

Our government can't afford to meet the demands of the working and poor people of our country. They can't do this as long as they continue their suicidal policy in Vietnam.

The answer to the demands of the people for peace and an end to racism and poverty are the Gestapo tactics of Chicago's Mayor Daley.

The repression has already hit labor. The Administration has already advised labor "stay in your place, or you'll get beat up, too!" Last year in New York during the sanitation workers' strike Mayor Lindsay jailed DeLuca and threatened to call out the National Guard. Michael Quill, the late leader of the TWU, and Albert Shanker, head of the AFT were also jailed. And there are more examples.

Can workers, especially young workers, afford to stay quiet? Can the millions of unorganized workers be organized if labor keeps quiet? Can the scab South be unionized if labor keeps quiet? Can youth and Black and Puerto Rican workers in the garment shops of New York City win dignified wages by keeping quiet? Can Black workers and youth throughout the country win dignified wages and equality in the unions and in the country if we keep quiet?

NISS

We will not move forward if we keep quiet, and be nice boys and girls. We never have and never will get our demands by being nice boys and girls. Our history is a history of struggle.

But the Meany's and Stuhbergs are telling us to keep quiet. "Let's hang on to Hubert and his not so Democratic machine and maybe we'll get some crumbs." Hubert Humphrey can only promise the workers what he gave the peace demonstrators in Chicago during the Democratic National Convention-- National Guards, police, mace, and jail.

Workers-- On this Labor Day let's resolve to take a giant step forward. Let's demand the:

1. Organization of the South.
2. Organization of the unorganized.
3. End to racism in jobs, upgrading union leadership.
4. End to job discrimination against women.
5. End to job and wage discrimination against youth.
6. End to anti-labor, anti-strike laws.
