SUBJECT: VICE PRESIDENT HUBERT H. HUMPHREY  
"ISSUES AND ANSWERS"  
AMERICAN BROADCASTING COMPANY  
TELEVISION NETWORK  
SUNDAY, AUGUST 11, 1968

Vice President Hubert H. Humphrey appeared on the above-captioned television program during which he indicated that he feels confident that he has more than enough votes to win the Democratic nomination for the presidency. At the very conclusion of the program one of the newsmen who was interviewing Humphrey asked him whether he would replace J. Edgar Hoover as Director of the FBI if elected. Although his reply was cut short because of time, the Vice President clearly indicated that he would retain Mr. Hoover as Director of the FBI should he be elected. He stated that Mr. Hoover has compiled an outstanding record of dedication and service to the country in his position as Director of the FBI and advised that, should he be elected, Humphrey would sit down with Mr. Hoover and discuss the question of the Director remaining in his position. Although time did not permit him to continue with his reply, his clear implication was that he fully intended for the Director to retain his position should Humphrey be elected.

Detroit, Michigan  
August 2 - 3, 1968

~~CONFIDENTIAL~~

At approximately 7:45 p.m., August 2, 1968, the seven groups mentioned above began picketing in front of Cobo Hall, Detroit, Michigan, in anticipation of the planned appearance of Vice President Hubert Humphrey at the Frank Sinatra Show to be held at 8:30 p.m. the same evening. The picketers, numbering approximately 250, carried various signs protesting the United States involvement in the war in South Vietnam.

At 8:30 p.m., Vice President Humphrey arrived at the rear entrance of Cobo Hall and was ushered to his seat within the hall without incident. The Frank Sinatra Show was at approximately 8:45 p.m.

At 9:00 p.m., August 2, 1968, approximately 150 of the persons who had been picketing in front of Cobo Hall forced their way in the lobby and hallway of the arena and began chanting "Hell no, we won't go". [REDACTED]

[REDACTED] advised the group to remain silent and not interfere with the orderly presentation of the Frank Sinatra Show or they would be arrested. The group continued to chant "Hell no, we won't go" and "Out with the pig", and two white males were arrested.

B. APPROX

[REDACTED]

Following the arrests of the two individuals, the chanting group was forced to another hallway within Cobo Hall approximately 400 feet from the arena where the Frank Sinatra Show continued in progress.

At 9:20 p.m., the 150 protesters marched to the First Precinct of the Detroit Police Department at 1300 Beaubien, Detroit, Michigan, where they began protesting the earlier arrest of the two persons at Cobo Hall.

[REDACTED] advised the group protesting at the First Precinct numbered less than 100 persons.

[REDACTED] made available a document entitled "The Revolutionary Action Movement Manifesto",  
[REDACTED] 1-30

This document stated, in part, that RAM was officially organized in the winter of 1963 by Afro-Americans who support the revolutionary objectives of ROBERT F. WILLIAMS, then residing in Cuba, and his concept of organized violence to achieve the liberation of the Afro-American people in the United States. This Manifesto disclosed that RAM had oriented its program to one of education and political revolution and the organization of a "black" political party with revolutionary objectives, having recognized the need for a "black revolution" that could and would seize power. RAM philosophy is described in this document as one of revolutionary nationalism; that is, one involving the struggles of the nonwhite races of the world against exploitation and enslavement by the white capitalist and imperialist nations.

[REDACTED] advised RAM is dedicated to the overthrow of the capitalist system in the United States by violence, if necessary, and to its replacement by a Socialistic system oriented toward the Chinese Communist interpretation of Marxism-Leninism. RAM is entirely nonwhite in membership, clandestine in nature, and owes its primary allegiance to the "Bandung World"; that is, the nonwhite races of the world rather than to any national entity, as such. 1-30

[REDACTED] advised he learned recently from a RAM member that the organization began in Detroit, Michigan. [REDACTED] 1-30

MEMORANDUM FOR MR. TOLSON  
MR. DE LOACH  
MR. BISHOP  
MR. SULLIVAN

Mr. William Connell, Executive Assistant to the Vice President, returned my call. I told him I was out of town when he called last week and I wanted to return his call.

Mr. Connell thanked me for calling and stated what he had called about was that he had talked to the Vice President about the team I sent into the convention area in 1964 that was so helpful. He stated he was hoping perhaps I might be able to do the same thing for the Vice President out in Chicago and have my men directly in contact with him (Connell).

I advised Mr. Connell that I had already initiated that and that as will be supplied by Special Agent in Charge Marlin Johnson in Chicago; that any kind of assistance he wants to just let Mr. Johnson know and he will take care of it.

Mr. Connell thanked me and said he will tell the Vice President.

10:15 a.m.

I called SAC Marlin Johnson in Chicago and told him I had just talked to Mr. William Connell, Executive Assistant to the Vice President, and what he wanted to have done was an operation similar to what we did down at Atlantic City at the last Democratic Convention when Mr. Johnson was running for renomination. I explained that he would like to have us furnish the same type of information and be in contact with him, Connell, on any so-called intelligence we might get. I stated I told Mr. Connell we would let him know that SAC Johnson would be in contact with Connell and anything he wanted to let Johnson know. I told Mr. Johnson we are not going to get into anything political but anything of extreme action or violence-contemplated we want to let Connell know.

1 AUG 16 1968

Mr. Johnson stated he would get in touch with Mr. Connell promptly and set it up. I told Mr. Johnson that Connell is presently in

New York. Mr. Johnson said he would probably be out in Chicago early next week.

Mr. Johnson stated that things look a little tense out there, and I said I think we are going to have some trouble. I stated we want to be thoroughly prepared that we plug every possible hole we can plug to have coverage. I said I wrote a memo to the Attorney General (Ramsey Clark) yesterday about his failure to approve wire taps out there but I didn't think it would have any effect but that we want to try to cover it as well as we can; that if anything goes wrong, we will be blamed.

Mr. Johnson stated we have what he believes is excellent coverage of that area and he believes we will be in a position to furnish information to the Secret Service and local authorities intelligence concerning the situation by in from outside and the troublemakers there.

I remarked that I didn't know if the President is going out there and if so, that will add trouble to the demonstrations. Mr. Johnson agreed and stated the area is extremely tense.

Mr. Johnson said he appreciated my call and that he will be in touch with Mr. Connell just as soon as he comes to Chicago.

Very truly yours,

J. E. H.

# *Black Panthers* **City Will Hear**

## **Anti-Police Complaint**

*Committee Inspired*

City Council's Police and Fire Committee tomorrow will go into special session to hear complaints by representatives of the Negro and Mexican-American communities about their treatment at the hands of Los Angeles police.

The demands were voiced by Walter Bremond of the Black Congress and Carl Vazquez of the Mexican-American community.

Bremond said: "Our oppressions are one. Our dreams are one. Our demands are one." Vazquez added: "We suffer as one. We react as one. We struggle as one. And, being one, if we must die, we shall die as one."

A crowd of about 200 clergy and citizens appeared at yesterday's Council meeting to support the demands.

Joining Bremond and Vazquez in speaking before Council, were the Rev. Richard O. Bass, Interdenominational Ministerial Alliance, and the Rev. Dr. Julian Keiser, Commission on Church and Race, Southern California Council of Churches.

City Council President L.E. Timberlake ordered the Police and Fire Committee expanded to include all Councilmen whose districts contain large concentrations of minority group members.

He also said he would seek to have Negro Councilman Billy G. Mills, who is vacationing in the East, return to Los Angeles to participate in the hearing.

- Spokesmen for the Coalition made seven demands in Council yesterday. They are:
- "Stop 'legal killing' in our communities.
  - "Stop wholesale arrest of our citizens.
  - "Stop intimidation, illegal detention and illegal search of our citizens.
  - "Reduce the concentration of police in our communities.
  - "Change the policy of the Police Department.
  - "Begin an immediate investigation of the criminal conspiracy now in operation by the Los Angeles Police Department to disrupt and destroy the black and brown communities.
  - "Remove white gestapo police from black and brown communities."

The Vice President appeared on a special showing of captioned program beginning at 5 p.m. on Sunday, 8-25-68. The program was moderated by Lawrence Spivak and had a panel of editors and publishers from various newspapers and publications. *WRC-TV*

There was no mention made of the FBI during this program. Vice President Humphrey was, in the main, questioned concerning his stand on Vietnam and in the area of civil rights. However, one questioner, a Mr. Johnson of "Ebony" magazine, a prominent Negro publication, asked the Vice President to explain his position on "law and order." Mr. Humphrey indicated, that if elected President, he would attempt to bring firm but not repressive law enforcement to the United States.
