3. Will secure questioned securities in this case.

#### LAS VEGAS DIVISION

AT LAS VEGAS, NEVADA.

2. Will follow and report investigation in this matter and report investigation and prosecutive action in this matter.

#### ADMINISTRATIVE

The lengthy investigative period in this report is due to the fact that the Las Vegas Office first learned of this possible violation on 2/8/71, but it was not known at that time whether there was, in fact, a theft involved. In fact, the legal owner of the securities in question has not yet been located, but the fact that they are stolen now appears to be beyond question and the Departmental Attorney has indicated he will consider prosecution in this case. In view of this, and in view of the fact a potential subject resides in the Las Vegas Division, Las Vegas has assumed origin in this case.

#### INFORMANTS

Sources of the Las Vegas Office advised on confidential basis on 2/8/71, that the certificates in this matter were presented by ASH RESNICK to Mitchum, Jones & Templeton (MJT) (stockbrokerage firm) for sale. MJT subsequent learned that these certificates were allegedly

stolen and that they were formally notifying the first Trust Company, Houston, Texas (issuer) of the fact that these securities had come into their possession.

The source advised that RESNICK informed him that an individual had presented these certificates to RESNICK to hold as collateral on a personal loan. The personal loan sought was supposedly for the purpose of raising bail money. It was not made clear to the source whether the bail money was for a friend of person borrowing money from RESNICK or for that person's own alleged bond.

On May 19, 1971, Mr. ASH RESNICK was interviewed at Caesars Palace Hotel. At the outset of the interview Mr. RESNICK was advised that the FBI was investigating the interstate transportation of First Trust Company of Houston bonds numbered RMI2148 and 2149 in the amount of \$25,000 each.

After being presented and reading a "Your Rights" form, Mr. RESNICK advised as follows:

Mr. RESNICK said that if these were the bonds that he recently presented to Mitchum, Jones, and Templeton they came to be in his possession in the following fashion:

Approximately three to four years ago one came to him with the bonds wanting to use them as collateral for a personal loan to him from RESNICK.

He said that accompanying was an individual known to him as and another person whose name he does not now recall. He said made some comments to him about the fact they could not be cashed at the present time, but he does not recall the reasons given as to why this could not be done. He said that he remiested to accompany him to his attorney which willingly did and they therefore talked to

willingly did and they therefore talked to
Mr. RESNICK's attorney. Following the discussion with the
attorney it was decided that the bonds were not acceptable
as collateral and the loan was not made. He said some
time subsequent to this he recalls called and
asked concerning the location of the bonds and he said he
had one and his attorney had one and that they were
available upon his request, but he never heard from him.

Mr. RESNICK then consulted a casino credit card which shows California, on September 4, 1968, was given a loan in the amount of \$1500 by Caesars Palace which was approved by RESNICK. These records also reflect on September 25, 1968, this debt was paid off with a \$5,000 check with the balance

He said that these securities had been held by him in a safe deposit box since that time and he thought nothing further about them until he decided to determine whether or not they were saleable and had turned them over to of Mitchum, Jones, and Templeton for

On April 23, 1971 and June 17, 1971, the Los Angeles Office advised that in contacts with the Los Angeles County Sheriff's Office and the Los Angeles Police Department, contacts with credit reporting agencies in Los Angeles and contacts with the Beverly Hills, California Police Department, and the various divisions of these police departments, failed to disclose that a burglary or robbery had been reported concerning the certificates in question.

On the same dates, the Los Angeles Office advised efforts to locate alleged legal owner of the certificates in question, have been negative.

On May 24, 1971, the Houston Office advised that information received from Fist Trust Company of Houston. Texas reflected that the last address they had for was Beverly Hills, California.

On July 30, 1971. this matter was discussed with Departmental Attorney \_\_\_\_\_\_, Los Angeles Strike Force, at which time he advised that he thought the facts in this case as they concerned RESNICK merited prosecutive action and would consider presenting the matter to a Federal Grand Jury as soon as the facts in this case were fully developed.

| Investigative period in this case is extensive; however, this has been occasioned by the fact that Los Angeles and Houston have had difficulty in attempting to contact potential witnesses in this case whose testimony is necessary in order to clarify the entire case. Also, the possible violation is not entirely clear and has advised that the only reason he is entertaining the matter further is because of the involvement in this matter by RESNICK. has advised that since RESNICK is the principal in this matter he will take any possible violation to prosecution.  |
| For the information of the Bureau and auxiliary offices, the following is set forth for a better understanding of background concerning the Notes involved in this matter.  |
| On 11/18/71, IRS Agent appeared at the Las Vegas Office as a result of possible leads he had developed in connection with a case he has under question. At this time the following information was learned from IRS has an extensive and involved investigation concerning the Baptist Foundation, which organization is a complete scam and from which apparently numerous indictments will flow. investigation regarding the Baptist Foundation has revealed that the Rocky Mountain Investment Corporation (the corporation behind the Notes in instant case) was set up with assets comprised solely of worthless stock of the Baptist Foundation. advised that his investigation was nearing completion and he anticipated his first and complete report covering said investigation would be completed shortly after the middle of December, 1971. He also advised that this investigation would be submitted to the Los Angeles Strike Force and thus the results would be available to the FBI through this source. |
