I require them to keep me fully informed of all major events in our most significant investigations. I know a Daily News reporter named JERRY CAPECI; I do not know GENE MUSTAIN. I talk to CAPECI occasionally, almost exclusively on a professional basis.

I am aware of information printed in the New York Daily News on 1/31/92 regarding SALVATORE GRAVANO being with JOHN GOTTI in a car parked at the scene at the time of the homicide of PAUL CASTELLANO and THOMAS BILOTTI. I am also aware of information similarly published regarding the homicide of FRANCESCO OLEVERI. I was aware of the CASTELLANO information prior to it being published but not the OLEVERI information. I did not provide this information to anyone not entitled to receive it, including the Daily News, with the possible exceiption of my wife. I, JAMES M. FOX, having been duly sworn by Assistant Special Agent in Charge JOHN E. MORLEY, hereby make the following statement to Mr. JOHN MORLEY, who I know to be a Special Agent of the FBI.

I entered on duty with the FBI on 9/23/62 and am currently assigned as Assistant Director in Charge in the New York Division.

I understand this is an Adminstrative inquiry and that I am being interviewed in connection with information printed in The New York Daily News concerning the John Gotti investigation. previously assigned to New York as Special Agent in Charge of the Soviet Division. That was in September of 1984 and in July of 1986 I became Deputy Assistant Director here. I had not met CAPECI until he sent me a book he had written regarding JOHN GOTTI. That would have been some time in 1988 as near as I recall and was sent to me solely by virtue of my position in the office at that time either as Assistant Director or Deputy Assistant Director. Subsequently he was in the office for reasons I do not recall and I asked him to endorse it for me. That was the first time I met him.

I had virtually no contact with him until a year later, at the time of the killing of a DEA Agent in New York. My contact with him on that occasion was professional and I therefore agreed to talk with him after that time. I have done so by telephone two or three times when he has called me. Additionally I have seen him a few times in person at various law enforcement functions. My dealings with him have always been of a professional nature as opposed to social one.

I am aware of information printed in the New York Daily News on 1/31/92 regarding SALVATORE GRAVANO being with JOHN GOTTI in a car parked at the scene at the time of the homicide of PAUL CASTELLANO and THOMAS BILOTTI. I am also aware of information

I have never talked to either of these reporters.

I have never read the <u>New York Daily News</u> article, dated January 31, 1992, regarding Sammy Garvano being with John Gotti in the car parked at the scene at the time of the homicide of Paul Castellano and Thomas Bilotti. I did hear of its existence after the OPR investigation began. I believe I may have heard about the investigation some time during the week of February 10, 1992. I was not aware of Garvano's association with Gotti nor his involvement in the Castellano or Bilotti homicides.

Further, I have no knowledge of the <u>New York Daily News</u> article of January 28, 1992, regarding the homicide of Francesco Oliveri. I do not know who Frank Oliveri was nor do I know anything about his death.

Prior to January 28, 1992, I read the book "Boss of Bosses," written by two former New York SAs, wherein they provide information regarding the murder of Paul Castellano. I acquired no information from the office in relation to the Castellano, Bilotti, or Oliveri murders.
