INSTRUCTIONS

1. The purpose of this report is to record the initial data of an individual's arrest and thereafter secure the **final disposition** of the arrest at the earliest possible time from either the arresting agency, the prosecutor or the court having jurisdiction. (INTERIM DISPOSITION INFORMATION, e.g., RELEASED ON BOND, SHOULD NOT BE SUBMITTED.) The SUBJECT'S NAME, CONTRIBUTOR AND ARREST NUMBER should be exactly the same as they appear on the fingerprint card IN THE FILES OF THE FBI. The FBI number should be indicated, if known. Agency ultimately making final disposition will complete and mail form to: **FBI Criminal Justice Information Services Division, Clarksburg, WV 26306.**

2. **The arresting agency** should fill in all arrest data on left side of form and obtain the finger impressions of the right four fingers simultaneously. This should be done at the same time as the full set of fingerprints are taken on the arrest fingerprint card. If the arrest is disposed of by the arresting agency, as where the arrestee is released without charge, then the arresting agency should fill in this final disposition and mail form to FBI Criminal Justice Information Services Division. Of course, if final disposition is known when arrest fingerprint card is submitted it should be noted thereon and this form is then unnecessary. In the event the case goes to the prosecutor, this form should be forwarded to the prosecutor with arrestee's case file.

3. **The prosecutor** should complete the form to show final disposition at the prosecution level if the matter is not being referred for court action and thereafter submit form directly to FBI Criminal Justice Information Services Division. If court action required, the prosecutor should forward form with case file to court having jurisdiction.

4. **The court** should complete this form as to final court disposition such as when arrested person is acquitted, case is dismissed, on conviction and when sentence imposed or sentence suspended and person placed on probation.

5. When arrested person convicted or enters guilty to lesser or different offense than that charged when originally arrested, this information should be clearly indicated.

6. If subsequent action taken to seal or expunge record, attach certified or authenticated copy of court order to this form so that FBI can retrun arrestee's fingerprints to original contributor.

7. It is **vitally important** for completion of subject's record in the FBI Criminal Justice Information Services Division files that **Final Disposition Report** be submitted in every instance where fingerprints previously forwarded without final disposition noted thereon.

Woman arrested in Lewis death threat

An Atlanta woman was arrested early Saturday for making a threat at U.S. Rep. John Lewis' office on Peachtree Street. FBI agents arrested Margaret Brooks, 51, around 2 a.m. at a house in the city after a concerned resident called police, said Special Agent Richard Kolko. Brooks was taken into custody without incident and will be medically evaluated, Kolko said. A woman walked into Lewis' office around 3 p.m. Friday, threatened to kill him and then left, according to police. The woman told staff member Ruth Berg that she was going to assassinate Lewis and state Attorney General Thurbert Baker because of a housing problem she had in January. Lewis was in Washington, D.C., at the time, police said.

WYMAN C. LOWE, 701 Carnegie Building, Atlanta, Georgia (business address), appeared at the Atlanta Office of the FBI and was advised of the identity of the interviewing Agent and the fact that any information furnished could be used in a court of law. He declined to furnish a signed statement, however, voluntarily provided the following oral information:

He advised the fraud in the election [redacted] was unparalleled. He stated that the election was studied by him and several persons hired by him, and he feels that [redacted] He stated he, LOWE, does not believe that [redacted] is legally in Congress. b6 b7C

He pointed out he does not feel that he, LOWE, would have won the election if it had been fairly handled. He stated many things happened which made him feel the election was a fraud. In one instance, he was not permitted to go into the computer room where the ballots are counted. He stated the returned unused ballots were scattered and it was difficult to check the number of ballots present. He stated the stubs from the ballots and the ballots themselves did not match in numbers. He pointed out that JOHN LEWIS, [redacted] and [redacted] were running "neck and neck". About midnight, however, suddenly all votes after that time were to [redacted] He also stated that two members of the five man Fulton County Board of Registrations and Elections did not certify the results of the election. b6 b7C

LOWE feels the computer system, which is used by the Fulton County Government for counting ballots is tied in with the Cox Newspapers.

He stated he felt he had to appeal to the Federal Government inasmuch as a Federal investigation in an election in Louisiana produced good results.

LOWE advised he presented a petition in Federal Court, alleging these irregularities in great detail. Mr. LOWE was advised that the copy of the petition he had left with the Atlanta Office of the FBI had been forwarded to Washington, D. C., for further consideration by the U. S. Department of Justice.

He stated he feels CECIL TURNER, of the Fulton County Board of Registrations and Elections is most responsible for the fraud in this election. He also noted that he has run in numerous elections and has always received a substantial vote, however, in the most recent election in which there were twelve candidates for the Congressional seat, he received only 276 votes.
