W.D. went to the court at 5:15 - the court

apparently in charge in the kitchen, has been
serving me dinner, because the main meal
is served at noon, & at night only a light
snack is provided. Today however for
some reason the main meal was at
night - I asked for one for Bates but
what they had was mostly rice & gravy.

I read a letter from her - she sent
a \$2.00 money order which she had both
of mail. It seems to be impounded about
her needs.

I sat down to read the map - started
to do my exercises when Bates arrived
early - she didn't want to dinner - says
her under doctor's orders to lose wt - we
used the big quantity of starch we are

matter of the Arab boycott of Israel had
been settled

I learned that yest after I left
Marc & Dor had an intense argu-
ment - I think it started aft Dor
had been very disagreeable to Maggie
Fleming & Barbara Vas - Barbara is
Halbroth's secty & Maggie who is in the
same unit - Dor had made changes
in a Halbroth contract aft they had
progrd it - Dor was clear unable to
produce the info fast enough to suit
them - when she complained about
the heavy load she had to request
to put them who said they went to
Betty I said on the matter - Marc
got involved by confiding in Maggie &
Barbara that she had little who to do
& they repeated this to Betty - Dor
had also insulted Kate Walker &
Cathy Costello told me she had to
restrain hers not to get in an argu-
ment w/ Dor, as Dor seems to
have made a lot of enemies - many
