By DAN PLAMONU -

Stored within the cavernous, storilely appointed confines of Building 21 at the Bayonne, hiere Jersey Naval Depot, amongst thousands of case files of long-completed federal trials, are the trial records of a criminal case involving one of our state's more prominent elected ufficials—a major figure is Governor Capty's campaign television commercials—Westebester County Executive Alfred DelBello.

Buried within myrisd pages of trial testimony and legal memoranda is the contention that Aifred DelBello was a willing coconspirator in a 1968 scheme to defraud domestic pharmaceutical drug manufacturers out of millions. He was, it is charged, a business partner in the fraud scheme; a participant in its plannings, a physial figure in its success.

But almost unfolievably—one of Dolftelic's alleged business partners was the longtime repaired erline operiord Nichalas (Corkeyed Nick) Rattacket

When informed of these aspects last week, Governor Carey's campaign press spekreeman, Sandy Prucher, said it would "be inappropriate to comment at this time" as the Carey campaign had an knowledge of the charges just voiced at a hearing about reorganization plans for Westchester County's two countywide law enforcement agencies by a former DelBollo campaign aids. He

said that Carey considered DelBello "to be a first-rate county executive." Frucher explained that DelBello was picked for the current TV commercials which revolve around praise for the Governor's welfere program accomplishments because he is chairman of the state's Council of County Executive and a well-knows county executive.

DelBello maintains that his involvement in the affair was limited to an atterney relationable, that he was not indicted, and that accusations of his partnership with Rattenni are baseless.

The root of the controversy lies with the formation of the SOR Trading International Company in September, 1968. Former Delibelio backed Sharon Enes says that "removed indicate that the incorporated business—SOR—meant as follows Siter Stagg, Offer Delibelia, and R for another well-known crime figure in Westchester County." She

I'm certain you're all familiar with-Nickar Rattonni."

"HL KISCO STING"

The name Sings refere to a flamboyant coetime construction company owner in Westchester-Tony Spage. Presently living with an assumed Montity somewhere is northern California as part of the government's protective withest program. Blage had once been a civilian undercover agent for various law enforcement agencies focusing on local drug trade. But his bingest caper was the major part he took in expensing the famous "Mr. Kinco Sting" interpational guarunning plot two years ago. Stagg didn't become an undercover man, however, hecause he was, as many believe, a confirmed erime buill. He was himself an indicted he ure in consection with several business fraude: he was turned into a government is ormer.

Rattenni, on the other hand, was a long-recognized criminal. The reputed overhard of crime in Westchester, Bockland, and Orange counties, Battenni also operates several legitimate operations, particularly private garbage collection companies. And his garbage firms hold contracts both with the city of Yookers, his home base, and with the county. About five years ago, Rattenni was tried and convicted for attempted bribery of state police officers and jury tampering regarding a grand jury probe of his activities. He was paroled last year and is now back in full swing.

According to the government investigation, Siegg. DelBello, and five others joined in a scheme to purchase pharmaceuticals at the most favorable dissount price, which is reserved for foreign destinations, from demeetic drug manufacturers. The five others included Joseph Pastenelli, who is addition to being associated with a New Rochelle pharmaceutical wholesaler was DelBello's next-door neighbor in Yonkers and his campaign ecordinator as DelBello was then seeking the Yonkers mayoralty.

1972; just prior to then Yonkers Mayor Altred DelBello's induction as county executive Five weeks after their trial start, the five were arquitted by decision of Federal Judge Sylvester Ryan who soon after retired. The judge dismised the charges on a legal technicality, claiming their furtive actions weren't really criminal but simply a ruse to obtain the lowest competitive price. Federal sources bitterly claimed the State Department had intervened because of the international implications. Prosecutorial sources whom I questioned ismented the tage wasn't appealed; in lact, lederal attorners later charged Judge Ryan with wholesale usurption of the law. And Sir John was bounced from his job by Guyanan authorities.

DELBELLO DOESN'T REMEMBER"

Al DelBello maintains he was simply the attorney in the matter although he admits to have taken several trips to Guyana with members of the group. His press spokesman, Judd Cohen, said this week that DelBello "was only the attorney for one man, not the company itself." that would appear to contradict the very documents of incorporation for "SOR Trading International" which lists the corporate address, for service of papers and summonses as the law firm of DelBello and Belkin at 30 South Broadway in Yonkers. The SOR incorporation papers were witnessed by DelBello's law partner at the time, Marshall Belkin.

Trial testimony revealed that the very first business meeting with Sir John, the Guyanan ambassador, took place at a private cicktail party in DelBello's own house. When queried, Cohen claimed that DelBello kas aware of most of the details of the drug buying scheme but did not consider the plan to have any illegality. In fact, he saw nothing even unethical about it. Cohen, the DeiBello aide, defended DelBello's actions by resterating that the case had been dis-

missed by the federal judge. And that's the point—it wasn't decided by the jury, it was aquashed by technical interpretation in the same way that many other criminal offenses escape prosecution. The fact remains, the accusations were with some merit; they resulted in grand jury indictments. DelBello must have been aware that the drug buying acheme had dubious legality.

More importantly, when saked if DelBelle knew who the SOR figures really were

Cohen admitted that DeiBella agrees that "the S stands for Stagg and the R stands for Nick Rattenni." Then Cohen added, "Al can't recall who the O steed for, he just doesn't remember."

DelBello's political life has not been entirely free of criminal associations. Just last week, a lederal grand jury indicted five top officials of the United Paperworkers International -Union-including its president. Administration shortly after the consial Castaldo was dusted as City Man Yonkers. Castaldo had come to Yon DalBelle's sprength, it was more revealed that Castaldo was a long-timess partner is both a Yonkers shoenter and a New Jersey tensis centreputed members of organized crimed his Yonkers partners was Jest quino, head of a mob-linker const

return, the hospital was to receive small supplies of drugs and a fee." That's not exactly what later happened.

COUNTERFEIT LETTERHEAD

The government contends that the group made large purchases of various drug sutdries but notifed the Guyanan group about portions of the orders. Most of the actual drur purchases were aidetracked in the Usited States by an air freight forwarding company in New York of which two partners were involved with the conspiracy. Eventually, the government contends, the American group printed up a counterfeit letter bead bearing the seal of the Guyanan embassy and conducted their own business secretly of Sir John. He was purportedly to receive a private commission on the Goyanan purchases. The waylaid drug purchases were sold in the domestic U.S. market to various retail drug chains at prizes lowly then competitors.

In party 1800, his John was forced by Guyanan government pressure to withdraw from the achero as Stagg followed suit shortly thereafter. The SOR group continued to inaction. One of the group "began to solicit orders from pharmaceutical companies many the fictitious name 'John Arksy' and faisely representing that he was the purchasing agent for the Permanent Mission of Guyana. These purchases were than diverted for sale within the United States.

According so the federal trial memoranda. The group made similar arrangements for largin methorizations with the head of a amount of Raiti. The name fraudulent diverses the practiced. They part entisted a Produce Instrumental to Initely represent TOWNA Layer Senet 4 bimself "as an official purchasing agent for and a representative of both the Algerian Government and the Tunisian Government." The practice perpetuated itself. Eventually, security men from various domestic drug manufacturers became suspicious and followed the trail leading them, along with F.B.I. sgents, to uncovering the drug scheme and making arrests.

when the five alleged conspirators (axcluding DelBello and Stagg) were indicted on forty-nine fraud and compliancy charges, they went to trial in early 1973. But SOR had been already dissolved in December.

company, who is considered by law enforced ment sources to be a close associate in the mob to Rattenni.

Univa few months ago, DelBello was the larget of another grand jury probe, this sime looking into alleged freegularities in his campaign filing reports for his 1973 election as county executive. DelBello was accused of siphoning off contributions from several fundraising efforts for his own personal use. The grand jury later exonerated DelBello "of any violations of fuderal law."
But grand jury sources claim the jury fild upcover "money discrepancies of between \$10,000 and \$30,000" which would be subjected to state proserution. DelBello denise this.

What has come out now is that Al Celled to was admittedly aware of a scheme to purchase pharmaceutical drugs under false pretenses and did not consider, at least did not advise his client, that this was fliegal. He didn't even think it was incihied. Moreover, he was involved, while a public official with high responsibility, with a business that included one person of questionable legal status (Stagg) and another (Rattenol) who was a major figure in organized crime. And DelBelto will serve as a key political advisor to the Carey reelection campaign.

Admittedly, Al DelBello has never been indicted, only acrused. But it makes you onsider the adage—where there's smoke, there's lire.

Request for Investigation for Possible Civil Action Arising Out of Incident Involved People's Temple in Guyana in Hovember 1978

TO: Mr. William H. Webster

Director

Poderal Bureau of Investigation

Attention: J. O. Ingram, Inspector Deputy Assistant Director

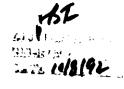

The Civil Division may be requested to bring a civil action to recover certain federal funds expended to return bodies to the United States in connection with the recent incident in Guyana. Since you are aware of the basic facts of the incident in Guyana, we will not repeat them here. If such an action is to be brought, various facts concerning the assets and legal status of the People's Temple and its members must be uncovered. 9-4286 -991

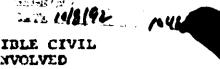

We understand that the FBT is in the process of conducting an investigation of certain activities of the People's Church. We request that, either as a part of that investigation or a separate one, the PBI specifically focus on certain areas of inquiry, namely (1) the legal status of the People's Temple in Guyana; (2) the legal status of the People's Temple in California; (3) the relationship of the People's Temple in California to the People's Temple in Guyana; (4) assets of the People's Temple in Guyana; (5) assets of Jim Jones; (6) assets of the People's Temple in California; and (7) relationship of the members to the People's Temple. For your convenience, we have attached a list of questions within each of these categories to be pursued in your inquiry. 22 DEG 11 1978

We would appreciate being advised of any information received pertinent to this inquiry as soon as possible. We are especially interested in statements made by survivors in their interviews with the PBI concerning arrangements or agreements between members and the Church regarding disposition of property. (See attached Item 7.)

Please contact David Epstein, Director, Commercial Litigation Branch, 724-7450, if you have any questions regarding this request. Your assistance in this matter is greatly appreciated. 1/3 INKYMAR

ACCOUNTS INDICATE THAT THE CONGRESSMAN AND HIS PARTY MET WITH THE REVEREND JIM JONES AND OTHER CHURCH LEADERS/MEMBERS IN JONESTOWN. THE MEETING WAS ARRANGED THROUGH ATTORNEYS FOR THE PT. IT IS UNCLEAR WHAT DISCUSSIONS TOOK PLACE BETWEEN THE CONGRESSMAN AND CHURCH MEMBERS. APPARENTLY, THROUGH NEGOTIA-TIONS, SEVERAL CHURCH MEMBERS DESIRED TO COME TO THE UNITED STATES WITH THE CONGRESSMAN AND THE CONGRESSMAN AGREED TO TRANS-PORT THEM ON ONE OF TWO AIRPLANES WHICH TRANSPORTED THE CON-GRESSMAN AND HIS PARTY TO JONESTOWN. ACCORDING TO NEWS ACCOUNTS, ONE OF THOSE WHO AGREED WAS LARRY LAYTON, WHO ENTERED ONE OF THE PLANES CHARTERED BY THE CONGRESSMAN. SOME OF THOSE PERSONS DESIRING TO LEAVE WITH THE CONGRESSMAN EXPRESSED APPREHENSION THAT LAYTON WAS PERHAPS NOT TRUTHFUL ABOUT HIS DESIRE TO LEAVE BECAUSE HE WAS A CLOSE CONFIDANT OF THE REVEREND JIM JONES. AFTER SEVERAL PEOPLE WERE LOADED ABOARD ONE PLANE, LAYTON APPARENTLY OPENED FIRE WITH A WEAPON HE HAD CONCEALED ON HIS PERSON. THIS APPARENTLY WAS THE SIGNAL FOR UNKNOWN PERSONS TO COMMENCE FIREING ON THE CONGRESSMAN AND HIS PARTY RESULTING IN THE DEATH OF THE CONGRESSMAN, CERTAIN NEWS MEDIA PERSONNEL AND OTHERS.

SUBJECT: Autopsies of Jones and Peoples Temple Victims

то: Director Federal Bureau of Investigation

Although there is no federal criminal violation apparently related to the Jonestown suicide/murders, questions being raised in public and official circles, and the need to preserve evidence for purposes of the investigation by Guyanese authorities, indicate the desirability of conducting autopsies on at least a sampling of four Peoples Temple victims as well as on Jones and his confidante, Maria Katsaris (or Katzaris) both of whom, according to the media, died from gunshot wounds. It is also requested that an autopsy be conducted on the medical aid at Jonestown, Dr. Larry Schacht. It should be noted that the Guyanese government has requested an autopsy on Jones.

Before these autopsies may be conducted, it will be necessary to secure the permission of the next of kin of the individuals upon whom the autopsies are to be conducted. Therefore, it is requested that the FBI immediately seek to contact such next of kin.

Should the next of kin of Jones, Katsaris or Schacht refuse to accede to our request for an autopsy, it is requested that the body of any such person whose next of kin does not consent to an autopsy, be turned over to Delaware state authorities so that they may conduct an autopsy.

TIME AS HE CAN CONFER WITH THE USA OR THE AUSA AT SAN FRANCISCO. (W)

HE MET DR. LAWRENCE SCHACHT IN SEPTEMBER, 1978, AT JONESTOWN, GUYANA, AT WHICH TIME DR. SCHACHT GAVE HIM A THOROUGH AND COMPLETE EXAMINATION. LANE UNDERSTANDS FROM PREVIOUS CONVERSATIONS WITH JIM AND MARCELINE JONES THAT THEY MET SCHACHT EVERAL YEARS AGO AND AT THE TIME HE WAS A DRUG ADDICT. SCHACHT WAS REHABILITATED FROM DRUG ADDICTION THROUGH THE EFFORTS OF JONES AND THE PT AND WAS SENT TO MEDICAL SCHOOL AT THE UNIVERSITY OF CALIFORNIA, IRVINE, CALIFORNIA, AND GRADUATED NUMBER TWO OR THREE IN HIS CLASS. LATER CONVERSATION WITH JONES AT JUNESTOWN REVEALED SCHACHT WAS NOT LICENSED TO PRACTICE MEDICINE IN GUYAWA. LANE WAS REQUESTED TO INVESTIGATE PROCEDURES FOR OBTAINING APPROPRIATE LICENSING IN GUYANA FOR SCHACHT. LANE CONTACTED HAMILTON GREEN, A RANKING GUYANESE OFFICIAL, AND DETERMINED THAT IF SCHACHT COULD ROUTINELY TRAVEL TO GEORGETOW, GUYANA,

PAGE FOUR (ME 89-110) (ME 157-NEW) UNCLAS E F T O

HE COULD POSSIBLY THEREBY RECEIVE HIS LICENSE. LANE COMMUNICATED

THIS INFORMATION TO PT OFFICIALS AND LATER WAS INFORMED BY HIS

CLIENT THAT SCHACHT WAS NOT ALLOWED TO LEAVE JONESTOWN UNDER ANY

CONDITIONS BECAUSE THE PT FEARED HE WOULD NOT RETURN. (W)

LANE KNOWS NOTHING REGARDING SCHACHT'S EMPLOYMENT BACKGROUND AND COULD FURNISH NO ADDITIONAL INFORMATION REGARDING HIS INVOLVEMENT WITH THE PT. DALE PARKS, RESPIRATORY ASSISTANT IN THE CLINIC AT JONESTOWN, WHO SURVIVED THE SHOOT-OUT AT PORT KAITUMA, GUYANA, WAS AN ASSOCIATE OF SCHACHT AT JONESTOWN. (W)

ON NOVEMBER 20, 1978, SCHACHT'S FATHER AND SISTER, WHO RESIDE IN HOUSTON, TEXAS, AND IN NEW YORK CITY, CALLED LANE FROM HOUSTON AND ASKED LANE IF LANE BELIEVED HIS SON WAS A POISONER, ADDING THAT HE CTHE FATHER) WAS VERY SHAKEN BY PRESS COVERAGE HIS SON HAD RECEIVED IN HOUSTON, TEXAS. LANE TRIED TO PUT HIS SON IN THE BEST POSSIBLE LIGHT BY ADVISING SCHACHT'S FATHER THAT

HIS SON WAS POSSIBLY ENGAGED IN MERCY KILLING TO PREVENT MORE

PAINFUL DEATHS IN VIEW OF THE PRESENCE OF ARMED GUARDS. LAME

COULD FURNISH NO INFORMATION REGARDING SCHACHT'S PARTICIPATION

(W)

IN THE ACQUISITION OF CYANIDE POISON, THE EXTENT OF HIS
PARTICIPATION IN THE CONDUCT OF THE MASS SUICIDE, OR HIS
INVOLVEMENT, IF ANY, IN THE CONSPIRACY TO KILL CONGRESSMAN RYAN. (V)

THROUGH HIS CLIENT, LANE IS AWARE OF THE EXISTENCE OF
CONTINGENCY PLANS KNOWN AS THE LAST STAND PLANS. THE LAST STAND
PLANS INCLUDE (1) MASS SUICIDE, (2) KILLING OF DEFECTORS AND
AIDES OF DEFECTORS, (3) KILLING OF HOSTILE REPORTERS, AND (4)
KILLING OF PUBLIC OFFICIALS IN ORDER TO POLITICIZE THE EVENT
IN STAGE ONE. (W)

TO HIS KNOWLEDGE, THERE WAS NO STANDING LIST OF PUBLIC
OFFICIALS TO BE ASSASSINATED. THE NAMES WERE TO BE CHOSEN AT
THE TIME THE PLAN WAS IMPLEMENTED. SELECTION OF THOSE TO BE
ELIMINATED WAS TO BE MADE WITHOUT REGARD TO THEIR PARTY
AFFILIATION OR WHETHER THEY HAD MADE PUBLIC STATEMENTS CONCERNING
THE PT. EVEN THOSE PERSONS WHO MADE STATEMENTS SUPPORTING THE
PT COULD BE INCLUDED AMONG THOSE CHOSEN UNDER THE PLAN. LANE
UNDERSTANDS THAT THIS PLAN HAS BEEN FORMULATED FOR SOME PERIOD
OF TIME AND THAT THE PRINCIPAL PT MEMBERS INVOLVED IN THE
FORMULATION OF THE PLAN WERE TIM STOEN AND SANDY BRADSHAW

PAGE SIX (ME 89-110) (ME 157-NEW) UNCLAS E F T O
STOEN HAS DEFECTED FROM THE PT, AND BRADSHAW IS IN CHARGE OF
THE PT AT SAN FRANCISCO, WHERE SHE REPORTEDLY RESIDES AT THE
PRESENT TIME. STOEN AND BRADSHAW DID EXTENSIVE RESEARCH INTO
THE USE OF VARIOUS POISONS FOR THE PURPOSE OF CARRYING OUT THE
ABOVE PLANS. (2)

LANE HAS NO KNOWLEDGE OF A PREPARED "HIT LIST" BUT HIS
CLIENT STATES IT IS COMMON KNOWLEDGE AMONG PT MEMBERS THAT
JOURNALISTS LESTER KINSOLVING, MARSHALL KILDUFF, AND PHIL
TRACY, AS WELL AS ALL DEFECTORS AND AIDES TO DEFECTORS, WHICH
HE CONSIDERS HIMSELF TO BE, ARE TO BE ELIMINATED UNDER THE PLAN. (W)

JIM JONES BECAME PERSONALLY ANGRY WITH LANE BECAUSE LANE COUNSELED THE MEMBERS OF THE PARKS FAMILY TO LEAVE WITH CONGRESSMAN RYAN AND HIS GROUP AS OPPOSED TO WAITING ONE WEEK AT JONESTOWN BEFORE DEPARTING, AS REQUESTED BY JONES. / N

LANE REPORTED THAT SANDY BRADSHAW WOULD BE IN CHARGE OF IMPLEMENTING THE CONTINGENCY PLANS. LANE FEELS THAT LEE INGRAM, COACH OF THE PT BASKETBALL TEAM AT JONESTOWN, WHO WITH THE MEMBERS OF HIS TEAM WAS NOT IN JONESTOWN AT THE TIME OF LANE'S LAST VISIT BECAUSE THEY WERE AWAY TO PLAY A SCHEDULED GAME

PAGE SEVEN (ME 89-110) (ME 157-NEW) UNCLAS E F T O
WITH THE GUYANESE NATIONAL TEAM, IS THE TYPE OF PERSON WHO WOULD
BE INVOLVED IN ELIMINATING PEOPLE UNDER THE PLAN. THIS IS A
PERSONAL OBSERVATION, NOT BASED ON ANY DIRECT EVIDENCE. HE HAS
HEARD THROUGH AN UNNAMED SOURCE THAT THE PT BASKETBALL TEAM HAS
BEEH INVOLVED IN "SHARPSHOOTING NOT OF THE BASKETBALL TYPE." / W/

IN REGARD TO THE SHIPMENT OF GUNS TO JONESTOWN, LANE POINTED OUT THAT HE NEVER HEARD OF THE PT OR JONES UNTIL ABOUT TWO AND CNE-HALF MONTHS AGO. IN SEPTEMBER, 1978, LANE VISITED AT JONESTOWN AND ON THIS OCCASION OBSERVED IT TO BE A PASTORAL COMMUNITY AND SAW NO EVIDENCE OF THE PRESENCE OF FIREARMS. HE DID NOT HEAR ANY DEROGATORY INFORMATION REGARDING THE PT UNTIL HIS CLIENT INFORMED HIM OF ACTUAL CONDITIONS WITHIN THE PT ABOUT THREE WEEKS BEFORE THE RYAN INCIDENT. IT HAS BEEN REPORTED IN THE PRESS THAT CHARLES GARRY, A PT ATTORNEY, HAD ENCOURAGED MEMBERS OF THE PT TO OBTAIN FIREARMS FOR SELF-DEFENSE PURPOSES.

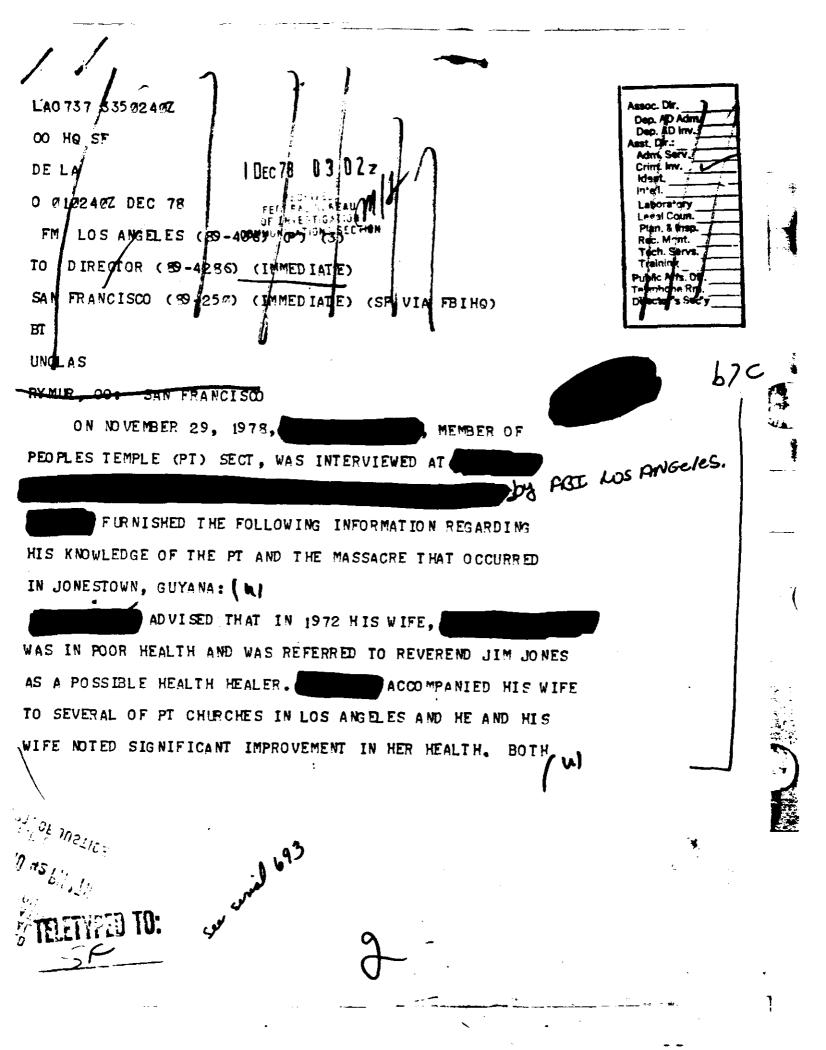

IN HIS FIRST VISIT TO JONESTOWN, LANE COMMENTED TO SEVERAL PEOPLE THERE THAT "ANYONE BEING IN THE JUNGLE WOULD BE CRAZY NOT TO HAVE A RIFLE AT LEAST TO PROTECT HIMSELF FROM OCELOTS AND SNAKES."

DAILY SUMMARY

Arrangements have been made by NBC news and the New York Office to place all 13 hours of NBC news film on videotape cassette. Due to NBC's use of the tape, the duplicating process can take place only when those segments of the tape are

not being used by the news department. Therefore, we have agreed to accept several short videotape cassettes on a piecemeal basis rather than wait approximately two weeks for one large cassette

State Department has verified that copies of passports of all Jonestown residents as well as film of their fingerprints and the autopsy report concerning Congressman Ryan will arrive by diplomatic pouch at the State Department, Washington, D. C., at 10:30 p.m. tonight. These items will be turned over to the FBI.

RECELUTION 99-4286-1058

State Department advised today that the Government of Guyana has agreed to allow an FBI pathologist, an FBI ballistics expert and three other FBI "technicians" to enter Guyana as "technical advisors" to local authorities. Accordingly, the following Agents will depart Washington, D. C. in the a.m., 11/30/78 enroute to Guyana via commercial airlines: 22 DEC 14 1978

Ingram to Mr. Moore memorandum RE: RYMUR

Since there is no FBI pathologist, a fifth Agent is not going to Guyana. State Department handling pathologist.

Michael Abbell, Departmental Attorney, U. S. Department of Justice, advised on 11/29/78 that Phillip Heymann, Assistant Attorney General, Criminal Division, has decided that although the Federal government has no criminal jurisdiction over the bodies at Dover and there has been no request from Guyana for autopsy, the Department now believes that an autopsy should be performed on the Reverend James Jones, Dr. Larry Schacht, Maria Katsaris and a random sampling of two or three other adults. Abbell indicated the request would strictly be on the basis of Foreign Police Cooperation.

Abbell requested that we make contact with the pathologist at Dover and he was told that the Armed Forces Institute of Pathology would definitely want a request for autopsy in writing from the Department.

Dr. William R. Cowen, Deputy Director, Armed Forces Institute of Pathology at Dover Air Force Base advised that autopsies could be conducted, however, they would need written request from U. S. Department of Justice and Dr. Cowen was advised that a representative from the U. S. Department of Justice would be in contact with him on this matter on 11/29/78. Abbell is handling direct contact with Dr. Cowen in handling the request in writing.

The Disaster Squad, FBI Identification Division, has completed their work and returned to Headquarters from Dover Air Force Base, Delaware. During the late evening hours of 11/29/78, film of the Guyanese Government Immigration fingerprints were delivered, and Identification Division has advised that they are legible and suitable for comparison purposes. The actual matching process started at Noon, this date, and by COB 12/1/78 Identification Division anticipates having a great many of the deceased identified. To date, 46 persons have been positively identified. It is noted that four rolls of film were found in the pockets of an unknown deceased. The rolls of film were delivered to Headquarters and processed. They are scenes of Congressman Ryan and his party at Jonestown prior to the assassination. The prints are of excellent quality and would be suitable for witnesses knowledgeable with members of the Peoples Temple to place names on individuals depicted in the 89-4286-1060 photographs. [V.)

Return of Survivors

On 11/29/78, seven survivors arrived from Georgetown at John F. Kennedy Airport, New York, en route to final destinations in California. These persons were all elderly, the youngest being born in 1917, and the eldest in 1899. These survivors were interviewed by our Agents and by Secret Service Agents. Two of the survivors were at Jonestown during the massacre. One Hyacinth Thrash slept through the entire massacre. The section, Grover Davis, slipped out of the suicide circle and hid in a cave in the jungle. These elderly individuals all stated that they were separated from the ruling cadre of the Peoples Temple and were used as a labor force. Each month they signed their

None of the survivors were able to give any details concerning contingency plans to kill high government officials or concerning a plot to kill Congressman Ryan. survivors are going to be interviewed in more detail when they are settled at their permanent residences in California. Because of their age and various infirmities and the limited time available before they caught connecting flights, the interviews had to be somewhat limited.(w)

Investigation in Guyana [4]

On 11/30/78, a team of four Special Agent personnel left FBIHQ en route to Georgetown. They arrive at that location at 11:30 p.m., this date. Their purpose there is to assist Guyanese authorities with various technical aspects of this investigation, and if possible to review records and conduct interviews at the American Embassy. The American Ambassador has stated, and we have been advised by State Department, that no active investigation by FBI personnel will be allowed in Instructions have been cabled to Legat, Robert Oglesby to telephonically contact the Command Post at FBIHQ twice each day to summarize developments in Guyana and to receive any requests and instructions from Headquarters. No announcement has been made as to when any other survivors will be released by Guyanese authorities. State Department has furnished us a officially requesting that letter from she, her 15-year-old daughter and her 18-year-old retarded This letter was be allowed to remain in Guyana. acknowledged by Mason, an American Vice Counsel. No new charges have been placed by Guyanese authorities against any of the suspects remaining in Guyana. Guyanese authorities have furnished us a copy of the autopsy report and death certificate for Congressman Ryan.

Investigation in United States

members in Guyana and with former members who left the Peoples Temple over the past few years. Interviewees included the in-laws of Reverend Jim Jones. Almost without exception, the interviews characterize the Peoples Temple as being a group that changed from a socially-oriented religious group to a cult of fanatics controlled by fear and violence. Most of the interviewees spoke of death threats and retaliation for leaving the Peoples Temple. Many of the interviewees had heard of plans to kill various high officials if the Peoples Temple was bothered, but none could document that such a plan was written or in fact There are hundreds of leads outstanding to was stated policy. conduct various interviews in most of the states in this country. It is felt that by approximately Wednesday of next week, we should have a comprehensive picture of the activities of this Temple and will have interviewed most people involved with this cult. It is noted that as of this date, remaining members of the Temple at San Francisco have refused to submit to interview.

Mark Lane Interview 1)

Attorney Mark Lane on 11/27/78, furnished a manuscript of 49 pages, which is a statement concerning events in Guyana. Lane sets forth in detail events which occurred from the time he arrived through his wandering out of the jungle the day following the assassination and mass suicide. While many adjectives are used in this statement and while Lane pictures himself as "the hero," it is nonetheless apparent that in many instances he has accurately portrayed the events as they occurred. Lane has agreed that the FBI should review this document, formulate questions concerning the events, and then sit down with Lane for a detailed interview as to his observations. Agents interviewing Lane said that he is outwardly very cooperative with them, but has announced his intention of writing a book concerning the events in Guyana. Lane also places much of the blame for this tragedy on Peoples Temple Attorney Charles E. Garry. Garry, of course, on interview and in public statements, places blame for this tragedy on Lane. There are contradictions and discrepancies in the statements given by the two attorneys which will have to be cleared up by further interview, and in all probability by appearances before a Federal Grand Jury. noted that Lane's analysis of the violence advocated by this cult, of their plans, and of their potential danger to others, is corroborated by interviews with survivors and with former The Secret Service is participating in the cult members. interviews of Lane and in the interviews of many witnesses in this entire investigation.

Miscellaneous (M)

At the request of the Drug Enforcement Administration (DEA), survivors and former Peoples Temple members when interviewed are being questioned concerning the possibility of the Peoples Temple Guyanian operation engaging in commercial drug trafficking. Four questions were provided by DEA to be asked. These are being effected, and to date there is absolutely no indication that the Peoples Temple was engaged in any type of commercial drug trafficking.

DAILY SUMMARY (2)

Identification of Bodies at Dover, Delaware. (U)

At this time 492 bodies have been identified by the Disaster Squad out of 911 total bodies received at Dover, Delaware. The Identification Division has identified Ronald James as being among the dead at Dover Delaware. James was one of the eight individuals for whom we have arrest warrants. This now confirms a total of six of these eight individuals as being dead. The only remaining individual whose status remains unknown are Thomas Kice and Wesley Eridenbach.

Autopsies . W

The Department has requested that forensic autopsies be conducted of a random sampling of four or five bodies at Dover, Delaware, to include the Reverend Jim Jones, Maria Katsaris (reportedly the mistress of Jones) and Dr. Larry Schacht (reportedly the individual who prepared the cyanide vat). Legal problems have been encountered in that the FBI Memorandum of Agreement with the Armed Forces Institute of Pathology covers autopsies that are to be performed only upon individuals covered by the Presidential Assassination Statute and the Congressional Assassination Statute. However, the Air Force General Counsel, Stuart H. Reichart, Room 4E998, the Pentagon, Washington, D. C. 20330, telephone number 697-0941, has advised that the military will perform the autopsies requested by the DOJ upon receipt of verbal confirmation from the FBI that waivers have been signed by the next of kin allowing military authorities to 106 perform the autopsies. This verbal confirmation, however, must be confirmed in writing to be. Reichart. As of this date, Susan Jones, the oldest legally adopted child of Reverend Jim Jones has refused to allow that an autopsy be conducted upon

Jones' body. The family of Maria Katsaris has indicated a willingness to sign the waiver and it is expected that this waiver will be signed in the immediate future. The family of Dr. Larry Schacht as of this date has refused to sign such a waiver. Further investigation is underway at this time to locate the next of kin of four other individuals whose bodies have been selected at random in an effort to seek a waiver as above.

Investigation Regarding Ex-Peoples Temple (PT) Member Terri Buford

It is alleged that Terri Buford was formerly the custodian of many records of the PT Church and at this time still retains a copy of the PT "hit list" and also financial records of the PT. Attorney Mark Lane has indicated that he is the attorney of record for Terri Buford and that he will not make Buford available for interview unless she is granted immunity. A Subpoena Duces Tecum has been issued in the Northern District of California (NDC), and is currently outstanding for Terri Buford. Lane has agreed to interview of himself by the United States Attorney (USA) for the NDC in Memphis concerning information Buford has in her possession. The USA, however, agreed that he would make an on-the-spot determination of immunity for Buford at this meeting with The FBI has interposed an objection indicating it was premature to offer immunity to Buford with a number of witnesses still in Guyana. The USA, NDC, has agreed and cancelled his scheduled meeting with Lane. In this regard a subpoena has been issued for the telephone toll records of Lane in an effort to locate Buford for service of the subpoena. Tu

Status of Survivors in Guyana. (2)

A complete list of all survivors of the Guyana massacre has now been compiled and the list totals 80 individuals. Two individuals (Larry Layton and Charles Beikman) are in custody in Guyana. One individual is hospitalized in Guyana. Fourteen individuals are being detained by the Government of Guyana at the Lamaha Gardens as material witnesses in the Amos murder case. Sixteen individuals are being detained by the Government of Guyana at the Park Hotel as material witnesses to unspecified aspects of the Guyana investigation. Twenty-four individuals have been declared by the Government of Guyana as free to leave the country pending clarificatio (AAA)

On this date the State Department advised that three individuals would depart Guyana on Tuesday, 12/5/78, via Royal Dutch Airlines and arrive via Flight 971 at Miami International Airport, Miami, Florida, at 1:30 p.m., Eastern Standard Time. The Miami Office has been instructed to handle interviews of these individuals in coordination with Secret Service upon arrival of the aircraft. The individuals expected to arrive are: 1. Jonny Franklin, Sr., 2. Robert B. Paul, 3. Richard Clark.

No further pertinent information is available at this time regarding these individuals $\{u\}$

ADDENDUM: CRIMINAL INVESTIGATIVE DIVISION (CID) DEE/rak 12/5/78

Brooklyn Queens MRA (BQMRA) has undertaken the task of interviewing returning survivors from Guyana as they arrive at JFK International Airport. It is noted that this case has been designated a Bureau special bearing special case number 16. In order to conduct the required interviews, the BQMRA has had to provide for physical security and interview space at JFK. These considerations necessitated a rental of 12 recreational vehicles for placement in a Pan American hanger. (4)

CID concurs with the request of the SAC, BQMRA that in order to continue with investigative responsibilities, a wire in the amount of \$10,000 be forwarded to BQMRA as outlined in instant teletype.
