SUBJECT: FBI DISASTER SQUAD ASSISTANCE
IN RYMUR CASE

PURPOSE: To advise that the Identification Division's Disaster Squad was dispatched on 11/23/78 to Dover, Delaware, to assist in the identification of the bodies of the victims of the Guyana mass suicide/murder incident. (u)

DETAILS: Memorandum Ingram to Moore, dated 11/21/78 and captioned "RYMUR," advised that there was a possibility that the Department of Defense would request the assistance of the FBI Disaster Squad to effect the identification of the bodies of the victims of the Guyana incident. On the evening of 11/22/78 a teletype (copy attached) was received from the State Department formally requesting the services of the Disaster Squad and asking for its availability at Dover Air Force Base (AFB), Dover, Delaware, early on 11/23/78. Contact was immediately made by telephone with Mr. Bill Courtney, Chief, Air Force Mortuary Services, Dover AFB, to coordinate the Squad's arrival there. Mr. Courtney advised that he did not see any purpose in having the Squad arrive prior to the morning of 11/24/78. Plans were made for the departure of the Squad accordingly.

At about 11:00 p. m., the same evening (11/22/78), the Identification Division was furnished a copy of a teletype from the American Embassy at Georgetown, Guyana, which contained the names and dates of birth of the People's Temple colony as reflected on Guyanese immigration records. The list, which contains 889 names, was immediately distributed to the Identification Division's Night Force for searching and 55 Night Force employees voluntarily stayed after 1:00 a. m. (on paid overtime) to continue the searching. An additional 16 Day Force employees volunteered to perform paid overtime work on Thanksgiving, 11/23/78. As a result of this extra effort, virtually the entire list was searched against both the Criminal and Civil Fingerprint Name Files making it possible for the Disaster Squad to take with them a large number of fingerprint cards to use in identifying the bodies. Memorandum to MR. MC DERMOTT
RE: FBI DISASTER SQUAD ASSISTANCE
IN RYMUR CASE

At 9:30 a. m., 11/23/78, Mr. Courtney called and advised that the first plane had arrived from Guyana with 40 bodies and that the next plane would arrive at 9:15 p. m. that night. He suggested that it would now be desirable if the Disaster Squad arrive in Dover later in the day. It was agreed that the Squad would arrive in the early evening to begin work on the bodies already there and to be on hand when the second planeload arrived.

Accordingly, a Disaster Squad comprised of two Agents (Inspector [REDACTED] and Assistant Section Chief [REDACTED]) and eight Latent Fingerprint Examiners (Messrs. [REDACTED]) departed by Bureau cars for Dover AFB at 4:30 p. m., 11/23/78. (u) b7C

The news media have reported on speculation voiced by former followers of the Reverend James W. Jones to the effect that the corpse which has been tentatively identified as being Jones is in fact that of an imposter or a "look-a-like." An arrest fingerprint card, submitted by the Los Angeles Police Department on Jones in 1973 for the charge of "Lewd Conduct," was located in our files and will be used to identify his remains. (u)

You will be advised of any significant developments in this matter. (u)

RECOMMENDATION: None, for information. (u)

Memorandum to MR. MC DERMOTT
RE: FBI DISASTER SQUAD ASSISTANCE
IN RYMUR CASE

ADDENDUM OF IDENTIFICATION DIVISION: [REDACTED] :ljr 11/24/78

This is to advise that Inspector [REDACTED] in charge of the FBI Disaster Squad at Dover AFB, has confirmed the positive identification by fingerprints of the remains of Reverend James Warren Jones. Fingerprints from this body, which was among the first group to arrive at Dover AFB, were positively identified with fingerprints from our files of James Warren Jones, FBI #70597N2, DOB 5/13/31, Crete, Indiana, arrested 12/13/73 by the Police Department, Los Angeles, California, on a charge of lewd conduct. No disposition was given. This arrest fingerprint card lists the arrestee's occupation as pastor, employer as Disciples of Christ and residence as 7630 E. Road, Redwood Valley (presumably California). b7C

At 8:30 a. m. , 11/24/78, eight additional Latent Fingerprint Examiners [REDACTED] departed by Bureau cars for Dover AFB. This will bring total Disaster Squad personnel on the scene to eighteen, the largest number ever committed to a disaster operation.

Details: An Associated Press news item, dated 11/21/78, carrying the lead-in, "Patrick - Peoples Temple," included statements by Ted Patrick that he was not surprised by the murders and mass suicides by Peoples Temple members at Jonestown, Guyana, and that he, Patrick, went to Washington, D.C., in 1973, to ask Congress, the FBI, and Justice Department to take action against religious cults but received no positive response. Director Webster made the following note in response to Patrick's statements, "11/22/78, See if we have any record of this report; check under Patrick's name. WHW." (u)

J. O. Ingram to Mr. Moore memo
RE: RYMUR

[REDACTED] (u)

[REDACTED] (u)

Patrick advised that on 11/30/73, he presented to then Speaker of the House Carl Albert a petition requesting an investigation of religious cults which lure young people away by brainwashing and hypnosis. In most instances, these young people surrender to the cult all earnings, savings, valuables, and property. According to Patrick, Speaker Albert referred his petition to the Rules Committee where no action was taken. As a result, Patrick stated it was necessary for him to form a committee to conduct an investigation of his (Patrick's) activities in order to obtain some action to assist the parents of these young people. Patrick's group, Volunteer Parents of America, hoped to obtain representatives from various religious organizations, Congress, the Department of Justice, the FBI, the Department of Health, Education, and Welfare, and other interested individuals (u)

Patrick was informed that the FBI does not conduct investigations in the manner he suggested and would not participate on his committee. Patrick was advised that any legal questions concerning his activities should be discussed with the Department of Justice. At the conclusion of the interview, Patrick and Love were escorted to the office of Messrs. [REDACTED] and [REDACTED] Criminal Division, Department of Justice. (u)

b7c

The statements attributed to Patrick in the Associated Press news item, namely, that he travelled to Washington, D.C., in 1973, to ask Congress, the FBI, and the Justice department to take action against religious cults, evidently refer to his presentation of the petition to Speaker Albert in November, 1973, and subsequent meetings with SA [REDACTED] and the Department in February, 1974. PATRICK-PEOPLE'S TEMPLE

SAN DIEGO (AP) -- CULT DEPROGRAMMER TED PATRICK SAYS HE WARNED U.S. OFFICIALS FIVE YEARS AGO TO TAKE ACTION AGAINST RELIGIOUS SECTS SUCH AS THE PEOPLE'S TEMPLE, WHOSE MEMBERS COMMITTED MASS SUICIDE AFTER THE WEEKEND SLAYINGS OF CALIFORNIA REP. LEO RYAN AND FOUR OTHERS. (U)

PATRICK, A SAN DIEGO RESIDENT WHO HAS SERVED TWO JAIL TERMS FOR HIS EFFORTS TO GET MEMBERS OF SEVERAL CULTS TO ABANDON THEIR RELIGIOUS BELIEFS, SAID MONDAY HE WAS NOT SURPRISED AT THE MURDERS AND APPARENT SUICIDE OF AT LEAST 409 PEOPLE'S TEMPLE MEMBERS IN GUYANA. (U)

"I AM SURPRISED THAT IT DIDN'T HAPPEN TWO OR THREE YEARS AGO," PATRICK SAID IN A TELEPHONE INTERVIEW FROM CINCINNATI, WHERE HE IS CONDUCTING A CULT DEPROGRAMMING, WHAT HE CALLS A "RESCUE."

HE SAID HE WENT TO WASHINGTON IN 1973 TO ASK CONGRESS, THE FBI AND THE JUSTICE DEPARTMENT TO TAKE ACTION AGAINST THE CULTS BUT GOT NO POSITIVE RESPONSE. (U)

PATRICK URGED A WATERGATE-STYLE INVESTIGATION INTO CULTS, SAYING OTHER SECTS HAVE MORE POTENTIAL FOR VIOLENCE AND ARE MORE DANGEROUS THAN THE PEOPLE'S TEMPLE BECAUSE THEY ARE LARGER AND BETTER ORGANIZED. (U)

THOUGH PATRICK SAID HE HAS NOT DEPROGRAMMED ANY PEOPLE'S TEMPLE MEMBERS, HE SAID HE WAS ASKED TO SEVERAL MONTHS AGO BY A FAMILY WHOSE 16-YEAR-OLD DAUGHTER WAS AT THE GROUP'S SAN FRANCISCO CENTER. (U)

"BEFORE I COULD GET THERE," HE SAID, "THE FAMILY CALLED AND SAID THEY HAD SHIPPED THE GIRL OVERSEAS." (U)

PATRICK SAID HE HAS RECEIVED CALLS ABOUT THE PEOPLE'S TEMPLE, FOUNDED BY THE REV. JIM JONES, SINCE 1971. (U)

Our project has been very successful and we feel a great debt to amateur radio which has been a true life-line for us out here. Since have been saved because of the help of operators who have put us in touch with critical medical information.

We now have a thousand residents here in the community and we have been able to help many people in the surrounding communities as well as our own with a variety of needs. Our medical facilities have expanded, and we are planning to even do more in the near future to help as many as possible.

Agriculture, livestock, construction, and all kinds of projects that have been developed are proving that even in the jungle, people who work together can accomplish much.

We are inspired by what has been accomplished through combined efforts, and a spirit of good will and service to our fellow man. We thank you, as an amateur radio operator, for your contact and expression of encouragement. We hope you will be receiving your I.S.L. card from us soon, and will I.S.L. with us again.

M: (UN)

F: Uh, I was just explaining something, uh, uh, to my kids we have to still take a bunch of things over uh to uh the place where we throw out all kinds of things. I went crazy with throwing stuff away, over.

M: Yes, uh that's very good once in a while, uh, uh, well I'm sure you'll throw my things, over.

F: Uh, never uhuh-huh, uh, never uh, these are old things and that uh outside room that, you know, gets so cluttered up with things, I talked to uh uh that friend that comes over to see JESSICA (PH) sometimes about uh really uh doing something that they can about all these things around here, it too difficult to handle and uh I have to be able to uh feel a little freer about that, uhm, so I took--ya know, it's just not necessary to have them right here all the time so, and sometimes it takes alot of work to uh keep up uh all these works here and the (UN) on the outside, I wanted to go do those things and not be worried about uh what it's like right here all the time. So uh, when I decide to start uh throwing things away, I think it's good sanity, I, I, get rid of everything, over.

M: Huh, that's very hygenic, over.

F: TULLA (PH) to PETE (PH), over.

M: Very hygenic, over.

F: Well it's very difficult to be sometimes, huh-huh, but uh anyway it was good we we did well at working together so uhm they deserve to uh, ya know, go through something that they've wanted to see for a long time over, so I can't go back on a promise, over.

M: Uh, ok T, ok uh, well, uh uh, first (UN) have to uh, in the morning, over.

F: Uh ok ok, uh, then uhm, I hope you will have uh a very good evening over.

- M: Huh, won't be so sure, driving for four hours or more, and uhm parking and uh and really getting to a point of nothing, I don't know, uh it looks like (UN) but I don't know. Ok, uh, I'm tired I'm really tired ya know, so tired, go so much in my mind, but I'm so tired too. (UN) So the weather is so bad here, too uh. (UN) it's very nice to leave I have nothing else to say over.
- F: I know uhm, there's nothing that can be done about that, uh I'll be uh uh, probably I'm I'm gonna wait to talk to grandfather until tomorrow and uh ya know that's probably the best thing and uhm you know really, uh I don't know--there there is no problem uh well I can't say, I can't say because I know it's a problem for you, it's obviously really a big problem for you uhm, we just uh, I, I know everybody is really concerned about all the all the work and the time and the efforts and the aggravation that uh you and DAVID have uh put into trying out those lawyers uh, sign the papers for that corporation to start that uh store but uh they're really concerned about all your efforts being uhm mistreated by the other company and uh uh I think uh maybe after uhm our big conference or something like that uh in the end everybody will probably feel better, uh you don;t feel like you're beating your head-your head against the wall but it won't move, over.
- M: Yes uh very aggravated, very very very aggravated, and I , uh, uh too much responsibility, no consid-consideration, and uh uh, well when I'm sure about that I'm talking about really get-- getting word to uh-- I don't want to ya know- I want to get that out of my mind, uh just wait until the moment to reach my best decision and uh and that situation is really bad uh I, I, really don't want to talk about that and (UN) even (UN) proud and uh (UN) over.

F: Uh I'm having a little bit of trouble reading you but uh can't understand uh no more no more to word with that, anyway uh I wish I really wish we can have a bit nice quiet uh family dinner here and uh with no telephone calls and no problems and no worries on that I guess I'm being too idealistic, over.

M: Huh, yes a little bit. Huh, ok uh uh, I, I really hope DAVID's planning to uh if this happens to uh if ya know nothing gets accomplished to uh pick up all the instructions from the different departments and talk to (UN) personally, over.

F: Uh I'm sorry, please repeat over.

M: I talked to DAVID and uh I think uh what he told me, from what he told me he's planning if uh nothing uh gets accomplished, he will pick up all the instructions from the different departments and talk to grandfather personally, over.

F: Uh, ok ok, uh. I think that uh JACK might be uh really uh looking to find uh some good samples himself at that time may be you know that will be that will be very helpful to uh, uh, to you and DAVID, I know you, ya know, so I don't know, uh I'll be talking to him later, over. (u)

M: Uh ok ok, yes uh we're really uh making a decision uh tonight so uh I can't promise you I would talk to you because it would be very late and no offense I would talk to you the first, over.

F: Well I'll be here late, let's say uh, if you happen to be going by uh four after uh before I'll be here but if not it's no it's no big worry it's no problem uh I'll be there uh the first, over.

M: Yes, I'm not sure-- I'm not sure of what's gonna happen and how long it would take me so uh it would--it would be better for--to do it tomorrow, over.

F: Ok, ok, I just wanted you to know if ya wanted me to be here, I'd be here, over.

M: No uh, really it's ok, uh well I haven't had (UN) with me I will uh ask someone to take care of that tomorrow if possible uh ya know they haven't sent it to the old lady uh she is really an argument about that. Uh, ok, uh, anyway, uh I'll go down right now and take a bath and relax a little bit for one hour then start driving uh for that meeting, over.

F: Ok, ok, uh, huh-huh, yes I know that's very relaxing, uhm, uh, I know why DAVID sometimes likes to- likes to, stand under that water a long time huh-huh, it makes him feel very good so you'll, that might uh maybe give a little bit of help to your feelings, over.

M: Yes, has TOMMY visited you again, over

F: TULLA(PH) to PETE (PH) over

M: Has TOMMY visited you again, over

F: Uh, did you say TOMMY, over

M: Yeah, over

F: No, not at all, not at all uh huh-huh, I think uh with all the confusion uh he just gave up, over.

M: You really think he was uh interested in helping you, over.

F: Uhhh, I don't think so particularly, I think it was more uh the young man, over.

M: What TULLA (PH)?

F: I don't think it was him particularly I think it was more uh the young man but I--I don't really know, ya never know why, uh ya never know why that is, so uh uh like I said I'm not concerned about that, over.

M: Ok, ok, ok, ok, say hello to him at any time. Ok uh well thank you very much for being here this evening uh it was really nice after that uh, ya know, not being par-- able to do it uh before, over.

F: Well usually if I know pretty sure uh that there might have been a problem there before uh I'm always there at the minute, over.

M: Yes I know I know, ok uh, what else, over

F: Oh, nothing else I'm going to do the same thing and take a nice big bath and uhm go uh talk with uh my kids and uh go to the office probably and talk to JACK, see how he's feeling, and uhm just uh little things like that I'm also trying to do uh a few paperworks that I have to do, uh I've been putting them off for a long time and uhm because I was uh ya know having a little uh bit of a worry about that but DAVID uh as always-- I don't know how he sticks by doing that but uhm anyway uh because of him I want to uh send out a few of my paperworks today, over

M: I tell you would you uh please uh repeat over.

F: I said I was going to take a big bath, talk to the kids for a little while this evening I also wanted to work on some of my paperworks that I have been putting off because of uh uh instructions and uhm thank God for DAVID uh I want to uh take care of those things tonight and uh send them away, over.

M: Ok ok ok oh alright, uh, uh, well, listen if you could pass by at uh ya know, (UN) some time I would like to know of him..

F: Well uh, ok, uhm uh okay, the only uh uh--- I will file the contract with uh the office and uh see what he says about that. Do you uh--I don't know maybe I'm making a bigger thing about that than what I said, but uhm I was a little concerned about that car, uh so uh being there and

F: (continued)

uh I just uh had to (UN) I'll do that because I know that's very important, over.

M: Gee uh, you're right, you're right, you always should know in advance I know (UN) see if he'll take care of that uh but kinda ya know if its possible I'm I'm not so--I don't think it's ya know uh important really, over.

F: Well I'll know, I'll know uh when I talk to him at the office and if that's the case I will always find a way around that, ya know, uh uh always, it's just that before I hadn't uh been able to even talk to him at the office, over.

M: Yea I know that, I know that ok uh, so then I really wish you a good evening uh you enjoy that (UN) over.

F: Well to tell you the truth I'm missing a little bit of that uhm close relationship you only get with uh the people that love you the most and uhm I kinda want to uhm have a nice evening uh feeling that kind of caring and loving, over.

M: Yes, that's that's very nice and ok, uh-- ok uh listen, uh I have to go get ready, and get ready ya know and it's a long drive and I want to be on time so uh if you'll excuse me I'm not turning your way but I really have to go. Uh, so uh, I'll let you know before (UN).

F: Ok ok I know you have to go that's no problem-- I-- that's very good so I'll be talking to you later. Please drive carefully and uhm uhm uh I'll talk to you another time, uhm also I want you to know uh the kids also said if you would ask DAVID-- to give him the same message uh that I gave earlier that we love him and uh they've really been missing him. So uhm I'll talk to you tomorrow and be a good boy, over and out.

M: Ok I will give him the message uh thank you very much and, I love you over and out.

F: I love you over and out

M: Yes (UN)

F: Uh, the waitings getting a little uh, ha, it may not work, but its waiting, over.

M: (UN) I'm not afraid of that, huh.

F: Oh, no I know that, ha ha, I know that uh, you're too strongyou would have to know that so uh huh, ok ok uhm uh you make a smile go from ear to ear. Okay I'll talk to you later, over and out.

M: Ok, bye, over and out.

UNFEMALE:

(UN) Hard labor, but ah, anyway, I ah, of course (UN) had said that he was very interested in ah other brochures he got in on ah, ahhh, I don't know when we got at the office ah, got a lot of good close out sales ah, I think we got it in on the 26th of last month, and ah he was very interest... ah, if ah, he was concerned about the um, all the framing work there and the finishing they had ah, for those samples ah, he said that he would need at least 15 to 16 finishing nails for every frame but ah, it would be okay, anyway, they may be instructions to go with those, you know, cause we walked that way, I don't know. That's up to David, you'll have to ask him, I'm sure you all, you all, are the ones that, ah, know that. And, um, um, I thought I'd ask, I thought I'd ask, what would happen, ah, do you think it would make a big difference to those, the people in that company if you told them that you wanted all that back, over.

b7c

u/

UNMALE: That what, over.

UNFEMALE: If you wanted all those instructions, over.

UNMALE: No, (UN)

UNFEMALE: I didn't say there was a problem, I know you told me that. I'm saying, grandfather asked do you think it might make a difference to them, they might pay more attention.

UNMALE: No, we've, have already done that to the company. But we need to make sure that we can get all the frames around the fire and that's what so (UN) but they've had troubles, labor problems, paper-work problems and (UN)

UNFEMALE: Okay, okay. I didn't know that. I was just telling you what he asked me, so, ah, he's just grasping at straws too, you know, ah, nobody knows what to say or to do, I, you know, in their heads, you know, it's not meant to be an insult or, ah, any kind of trying to run things that aren't his business, that's what he said to, he's not trying to do that, it was just something that he thought of.

UNMALE: Okay, (UN) They will never have troubles with
(UN) They came down to do all the woodwork.

UNFEMALE: Yes, I know, but listen to this (UN) told me
that, ah, on some of those samples that only
takes about eight or nine finishing nails to
put it together, but on the other ones it takes
fifteen or sixteen, and that's the ones he loves,
because he says they're stronger and, ah, they (U)
work better for him, over.

UNMALE: Okay, that sounds fine (UN) I know that you're
working on that, so, ah, you know, they'll be
the time of the day that a (UN)

UNFEMALE: Well, I'm sure that your friend would know, over.

UNMALE: My friend. My best friend. I know (UN)

UNFEMALE: Yes, he just has to check their production manual
to see, ah, which type of frames it is that they
have.

UNMALE: (UN) By the way, ask grandpa if he would prefer
because probably I could (UN) the posters and all
the things to, ah, deliver him all the hinges for
all the doors and all his woodwork, ah, probably
he would like that and (UN) if he would prefer
the (UN) over.

UNFEMALE:

Oh, up until now, that's what he said, but he says, ah, they have found so many hinges that, ah, now there's too many ah, they have too many for that, so he says the thing they don't have is the poster, for putting on a display in the store. Ah, it's really, it's such a shame, It's such a shame, you can't imagine, especially when you say to them, that those posters were very, you know, they're large, they were well rolled, and in good condition. So, ah, they were really looking forward to that, and it wouldn't take any time, over.

UNMALE:

Okay, they want the posters, over.

UNFEMALE:

Yes, I'm speaking about posters, over.

UNMALE:

Okay, alright, alright, okay. So I'll be talking to you later on, over.

UNFEMALE:

Okay, okay, listen, well of course, they haven't always ah, talked about, um, the posters that, he has really gotten into his photography work and he was interested in film. Ah, but that's you know, um, you know, ah, good color film so that

he could, he was thinking of starting his own manufacturing (UN) instead of buying the ones that everybody has, you know, he would check his own photographs and blow them up and all like that. But anyway, um, I don't know, I'll be talking to them later, I'll see what they say. Over.

UNMALE: Okay, (UN) Right now it would be really, ah, a right now it will be afterwards, you know, that we give dedications and go on taking pictures and, ah, all you know, (UN) But there is no problem after it's over, over. (u)

UNFEMALE: Okay, okay, did you hear me a little while ago when I said that I'm supposed to go and talk to, ah, Joe's friend, over.

UNMALE: Ah, (UN)

UNFEMALE: I said, did you understand me a while ago when I said I was going to talk to Joe's friend? Over.

UNMALE: Oh yes, yes, ah, you ah, better look what you're doing.

UNFEMALE: Well, all I wanted to know from him really is, ah, is he still a partner with Joe. If that's the case, I don't think I want to, ah, I'll wait for David on that, over.

UNMALE: Yeah, that's very wise. Anyway, you know (UN) and I don't like that, well, you can (UN)

UNFEMALE: Ah, okay, ah, I'll try that. I'm trying to explain to you that's difficult um, it's a lot of problems with that, over. (M)

UNMALE: Oh yes, I know. Okay, okay, ah, so I'll talk to my friend and (UN) or if not it will be out a while.

UNFEMALE: Okay, okay, Well, I have um, someone that wanted to talk to me, ah, but, ah, sometimes comes over to play with (UN) and ah, ah, I think they have a little store, ah, their friend, um, came to see them and, ah, I think they have a little store, so I'll be here to later, ah, I won't be talking to Joe's friends until this evening, so, um, I'm pretty sure I wouldn't be late, I know I wouldn't be, ah, for this evening. I'll be here at both times, over.

UNMALE: Okay, well that's have a (UN) over.

UNFEMALE: Okay, okay, but I'll be here at, at the one before that, over.

UNMALE: (UN)

UNFEMALE: Yes, I will because ah, Jessica's friend is going to my office.

UNMALE: Okay, okay. That's all right, okay. So, ah, talk to you some other time, over.

UNFEMALE: Okay, okay, well, then I'm going to tell (UN) that his son is still studying very hard. Ah, (U) I hope that, ah, I hope that he's all right, over.

UNMALE: I'll have something for him. Say hello, I'll have something for you and him tonight, over.

UNFEMALE: Okay, okay. How are you feeling? Over.

UNMALE: Okay, okay (UN) over.

UNFEMALE: Okay, okay. I'm sorry, sometimes I don't know, mean to have to, ah, say those things but ah, I can see it coming, over.

UNMALE: You can see what, over.

UNFEMALE: I can see, ah, I can see it coming (UN) over.

UNMALE: (UN)

UNFEMALE: Well, anyway we'll just (UN) okay then you go
this afternoon and have a good day, over.

UNMALE: Okay. Same to you, over and out.

UNFEMALE: Okay, okay. over and out.

UNMALE Tame, t-a-m-e - over

UNFEMALE Oh, you said t-a-m-e, is that correct - over.

UNMALE Yes, over.

UNFEMALE Why - over.

UNMALE Ah, I don't know, three is special - over

UNFEMALE Well ah, those lenses will know that. Ah, it's a strange place, but ah, a really good one, over.

UNMALE Ah ha ha, okay, could you imagine if ah those lenses are lost. What would you say happened to them - over.

UNFEMALE Ah, what I, what I have already said ah, they are irreplaceable - over.

UNMALE What will you do with them - over.

UNFEMALE Ah, take them with me everywhere I can - over.

UNMALE That's impossible you know that, now what would you do - over.

UNFEMALE I'll be ah, I would have to say, really I would be always busy with my work - over

UNMALE Ha, ha ah ha ha, ok, ah, ah (UN) - over

UNFEMALE Please repeat - over

UNMALE (UN) - over

UNFEMALE I can't read that - over.

UNMALE Uh huh, conditions are bad - over

UNFEMALE Yes, ah a little bit for me. Ah I don't, I don't want, I really don't want anything but that. Um, I will forget about all that photography work. Ah, I don't want to be interested in that again.. Ah, that ah, means that the personality is ah submerged, as I've ever seen, and ah, I can't, I can't be interested in another ah type of character - over.

UNMALE Ok now, ok than, ok, ah, well, (UN) would really like to know about you. Later on and ah, it will be ah the same time (UN) - over.

UNFEMALE Ah, you're talking about a little later, over.

UNMALE Yes, at the same time - over.

UNFEMALE Ah yes, I'll be talking to you later at the same time - over.

UNMALE At the same time - over.

UNFEMALE Yes, over.

UNMALE Ah ok, ok, ok, then I'll wish you ah the rest
of the day ah good luck (UN) - over.

UNFEMALE Ah, ok, ok, ah, ah I hate to say goodbye when
I want to say so many things, ah, sometimes ah,
sometimes I really feel bad about that - over.

UNMALE Ok, that's all right (UN) - over

UNFEMALE Well ah, ok, I'll make another call to talk about
that, and ah, I'll be talking to you later about
it ah, ah, then I can tell you more about that.
Ah, remember ah, that ah they have (UN) on that
very well, but ah I'll talk again - over.

UNMALE Ok. I hope so, and that ah you get permission
ah talk to JACK (UN) ah, ah (UN) and ah, ah don't
forget about that microphone and ah the (UN) the
manner for that (UN) - over

UNFEMALE No, I have those ah I have those ah numbers I was
just concerned ah, if ah, JACK's son is going to
ah, be ah visiting his father on, ah, the morning
um four days after or three days after I go to
school - over.

UNMALE Your talking about whom - over.

UNFEMALE JACK's son - over.

UNMALE Yes that's right - over.

UNFEMALE Yes but is he going to visit his father in the morning, ah, three days after or is he going to be visiting his father on ah the morning four days after - over.

UNMALE Ah well, see in the morning ah, he said he would have time in the morning - over.

UNFEMALE Ok, ok, well that (UN) about the school ah, he might miss one of his classes, and ah, ah he's pretty intelligent, I'm sure that ah, he can write an excuse (UN) professor, over.

UNMALE Ah please repeat - over.

UNFEMALE No, that's, that's all right, that's all right, I, (u) no problem - over.

UNMALE Ok, ok. Ok ah, ah be good - over.

UNFEMALE I always am, over.

UNMALE Are you honest - over.

UNFEMALE Yes ah, I have a note on a little piece of paper saying what I have to do and, ah no one really can make me say what I have to do only where my mind is most concerned - over.

UNMALE Ah, that's ah, that's very nice, that's very important - over.

UNFEMALE It's very important to me, that's a commitment and a decision I have made myself, that may not be so important to other people, but to me that's a very important decision - over.

UNMALE Well for me too - over.

UNFEMALE Well ah, I'm sure that ah ah she will know that when I see her - over.

UNMALE Oh come on. Ha ah ha yeah. Has it been difficult for you - over.

UNFEMALE No, not, not I'm worrying about that, not I'm worrying about that, only that I might have said some things that made DAVID upset, and he would think I was not really always doing things to be ah so concerned of what he said and his and his welfare - over. (u)

UNMALE Oh, no, no that's all right ah no (UN) not (UN) at all. It, it, it's ah, no, that was not the least of mine, never, get upset with ah, could be something different but ah, the whole thing I did not like in that petition, that's all - over.

UNFEMALE Well, that's no problem. I don't worry about that. I have a lot of things to do here at the office and also with my family and all those other things, so ah, um, I know for sure that ah, DAVID will um, he will really know, he will really understand that when I talk to him - over.

UNMALE

Ok, ok, ya know it's ok, it's all right, and, ok, ah so I will probably see you later and ah I hope ah you can get things accomplished, ah (UN) and tell hello to all the family, especially him, and ah (UN) - Over.

UNFEMALE

Ok, ok, ah, then ah, make sure he gives ah, if he talks to you, I know he's on the road and he's very busy, but ah, but then if he talks to you and he sees you, tell him, ah how much I love him and I miss him really very much and um, I'll be talking to you later, um, you also have to take very good care of yourself, and um, don't let those lenses get lost - over.

UNMALE

Yeah they won't, they won't get lost. They'll be all right. They'll be all (UN) - over.

UNFEMALE

Well ah, I was waiting to, to ah try them on ah that camera ah but I have to insure, I have to really understand that - over.

UNMALE

Ok, ok. Ok um, so thank you very much and ah, some other time I'll be talking to you and ah, ah, over and out.

UNFEMALE

Ok, ok, ah take care of ah all your friends, say hello to the family and ah, take care of (UN) and I'll talk to you later - over, and out.

UNMALE

Okay, thank you, over and out.

UNMALE Ah, JACK's kid, uh, ah, I think ah he
was there, but ah that really was not a
problem - over. 67C

UNFEMALE Oh, ok, ok, ah, first you said there was a
little problem then you said there's no
problem ah, ah JACK's kid is ok? Over.

UNMALE Ah some people that have a little sample they have
some kind of an emergency - over.

UNFEMALE Ah, ok, ok, then ah ah how is JACK's kid on
being able to visit his father - over. (U)

UNMALE Yes ah, yes ah. For the moment, ha ha ah you
have to wait until the last minute - over.

UNFEMALE Well ah JACK is going to be, contact me ah,
ah in just a little bit, so you know, ah ok,
ok - over.

UNMALE Ok no, no problem - over

UNFEMALE Ok, ok. Did those real estate agents ever sign
those contracts? - over.

UNMALE Yes uh they have ah, please tell JACK not to
worry about it, to take good care of his heal,
his health, but not to really make plans ah
he has to wait for the doctors to say the
final word - over.

UNFEMALE

Well I told you this morning that I talked to him about JACK and ah they said his condition would be okay - over.

UNMALE

Oh yes, yes I know. I ah hope so really. Ah, but you know you know when ah, right away something's gonna (UN) ah, ya know how human beings do that. So anyway I don't want him really to ah be spending so much ah on that, so ah just leave it more time to ah turn it back. Ah right now it's, that would be impossible to keep on that if that does, doesn't work. As I hav, we have talked, ah even yesterday. (U) So ah, ya know ah, nobody can ah afford ah to keep on our backs. Ya know, ha ha my brother-in-law was really mad, ha ha I said I had to ah ya know (UN) and ah ah (UN) you stay there if I ask you to stay there, well ha, trying to tell me not to ah, so he said ok Theo.

UNFEMALE

Could ah, ah, can ah, I have to say this, ah, this is a very difficult time right now with the holiday and ah Grandfather is really pesting me

about him being able to go and visit JACK for the holiday. Ah it's not an easy thing to do right now. So ah they really ah, are wanting ah, to know something more definite on that. Now please don't get upset, but ya know, things are not always ah, ya know so easy on holidays. So ah - over.

UNMALE

I can't read you very well ah, please don't talk to your words too much, don't be afraid of saying what you have to say. Okay, since ah it's ah, ah okay, now I'm not getting upset ah please explain it to me, to what Grandfather wants and ah, ah, ah, please say it agin - over.

UNFEMALE

Oh okay, I just don't want you to get upset and hang up on me because I want to talk to you about JOE's friends, so please, just don't, I don't know, sometimes I think things about stuff and I don't like to do that. Ahhh they, it is a holiday, it is Thanksgiving, and Grandfather has to make very ah forward arrangements to see JACK at this time. It's not easy at all. So um their really pushing me to know ah about JACK's kid and of course JACK's kid is not going to be so happy not, to be away from the family on the

UNFEMALE Yes but, I, I, yes that's true, but things
are crowded for the whole time ah following
that - over.

UNMALE You mean if he wants to go and look at JACK - over.

UNFEMALE Yes - over.

UNMALE Ah, what is his problem ah being about to go
to see JACK or some other thing - over.

UNFEMALE Being able to go, it's ha, well it's not, he's
just going to have to take care of that himself,
that's all - over.

UNMALE Yes I understand, that's all right I understand. (U)
Well ah listen to his, ah, my brother-in-law
and two friends have been waiting ah this
morning for a telephone call. I just spoke to
him and he doesn't know about ah, ah ya know,
right now at this moment, ah I was suppose to
ah (UN) about that, suppose to ah have a call from the
ah, ah agency to ah get those tickets. Ah, ah,
ah now I don't care, what I don't see is how
(UN) to see JACK - over.

UNFEMALE (Inaudible) Well ah, what can I say about that.
Ah that's you, that's you, but that may not be
everybody else, so what - over.

UNMALE

(Inaudible) for years and years. Ah Christmas, New Years, my birthday, my loved ones birthdays, ah my love to all things, my life ah, but I'll blow it if the ah, if the energy to, to work it anyway. I don't care, any moment, if he thinks that he should go, understand, and talk to him at this time. If he could make a reservation and leave to our state, ah the day after Thanksgiving, or two days after Thanksgiving, ah very early, I know he could do it.

Ah, ah, right now I would like to say something, but ah I was, as I told you there were three persons waiting for that call and I, I would like to be talking to you ah, a little bit later, after number three, and to ah, and to let you know (inaudible)

UNFEMALE

Could you please wait a moment - over.

UNMALE

Ok.

UNFEMALE

Ok.

UNFEMALE

Ok, ok do you read me? Over.

UNMALE

Yes I read you - over.

UNMALE 2

Braniff calling (UN) Flight 110 (UN)

UNFEMALE Ah I'm gonna have to do something about
that. There's somebody else talking here
now - over.

UNMALE I know I'm reading him (UN)

UNMALE 2 (UN)

UNMALE Please repeat - over

UNMALE (UN)

UNFEMALE Please repeat - over.

UNMALE 1-2-3-4-5-6 how do you read me - over.

UNFEMALE Ok, ok, I read you fine now - over.

UNMALE Okay, I'm waking - over.

UNFEMALE Ah I was asking you to repeat what you were
saying because while you were talking ah
there was an interference - over

UNMALE Okay, I'm sorry ah, I said ah I would hope
you would obtain the ah (UN) for Grandpa
on the third - over.

UNFEMALE Ok, ok, ah, then I'll just ah, Ok I, I
understand - over

UNMALE You know what, you know something and please
pay attention to me. Don't pay too much
attention to Grandpa -over.

UNFEMALE

Oh ok, ok, I, I understand, I've, I've done that I'm really ah not close type of person ah, ah - over.

UNMALE

Yeah (UN) ah, he says that (UN) has to be right for him, just right for him, and he can't expect that from us ah at all ah. Sure I'd like that, I would like to change my (UN) with his - over.

UNFEMALE

It's not a problem. He was just trying to make sure that because of the situation, ah, at this time that he could do his, ah proper work that's all - over.

UNMALE

Well he first talked to me about the kid. What is the problem with the kid with him? I, forget about the kid. He has to forget about the kid. JACK is the only one he would have to be concerned about. I would be the one who has to be concerned. He's got he does not have to be concerned about the kid. He's always ah, had you know ah be concerned he'll think that, he shouldn't be concerned, that, that's my problem, I will manage that - over.

UNFEMALE Ok, ok - over

UNMALE You know it's, you know it's nonsense,
it's useless to be thinking of ah, to be
looking for problems that would just set
look have to be our ah situation - over

UNFEMALE Ah ok, ok over.

UNMALE Ok, good-bye over and out.

UNFEMALE Oh please, I'm trying not to say anything.
I can't believe -- Why do you run away from
me. I'm trying my very best - over

UNMALE (UN)

UNFEMALE I need to talk to you - over

UNMALE Ok, ok, I will do the same for you, ok, ok,
over.

UNFEMALE I don't want to argue about that, you are
right. I'm, I don't want to relay any more
messages from them, I understand. I don't
want to tell them I'm going to say anything
else again, because it's misunderstood. I have
been working and talking all morning and I
don't want to talk about Grandfather any more.
I don't care if he falls down and dies. - over

(u)

UNMALE

I already told you, don't say anything
(inaudible) - over

UNFEMALE

i understand you, I have a big noise here
but I understand what you said, but JACK
was concerned about how his kid was feeling
also and ah he wanted to make sure that he
would not be ah too lonely on this holiday,
but it's not such a big thing, I did, I
won't ask it again because it's being taken
wrong, but he just wants to make sure that he
felt good on his holiday. - over

UNMALE

It's not their problem right now, it's my
problem. If I can't take care of that that
would be my problem. I would let them know
immediately. There is no problem with him.
He is behaving very well. Why are you thinking
about my problems and not theirs? - over.

UNFEMALE

Well they haven't got any problems ah they
are always ah concerned with ah, wanted to
know that ah his kid and you and DAVID are
doing fine. - over

UNMALE

That is not exactly what he told me. They were
already making plans for the holiday because
the kid could have (UN)

UNFEMALE Please wait a minute I have a call - over
UNMALE Okay.
UNFEMALE 5421730 stand by (UN) over
UNMALE Yeah what over.
UNFEMALE I said ah, there would be no way with that ah,
that guy, I didn't mean to bring it up - over
UNMALE No, you don't have to worry about it. Ah, if
they should be concerned about their problem,
but right now I said its in my hands and it is
my problem. When I really have a problem, I
will let them know and then at that time, (UN)
to begin. But still I don't have a problem. (u)
The kid is behaving very well. If Grandpa wants
to know anything so he can go and visit, just, ah,
because if all the things are crowded, I don't
know he is going to do. He has to be prepared
for that in advance. So I will try, I'll refer it
to let you know about that if it's really
possible, I'll let you know. If not tonight,
probably, because I'm, I have always, we all
have all those things right there it will be ah
it will have to be done very soon, so ah that's
that's what I'm thinking about it - over.

UNFEMALE

Ok, I understand what your saying and then
ah, ah I'm sorry, I, I, I don't want to ah
talk any more about those things - over

UNMALE

Listen, if I would meet Grandpa, I would be
(inaudible) see about himself, and that,
really ah ha, so ah, no but as I said ya know, why,
do not pay too much attention. If they are
concerned about (UN) the kid is in the most
beautiful condition, but not what will happen
if the kid does not want to be here and then he
wants to go back home to be on his ah, a holiday.
Damn it, you just looking for problems, that's
looking, finding something that, you don't have
to look for. If a problem was there I would
have already known it. So it is not there.
They don't have anything else to do - over.

UNFEMALE

Okay ah, please, there is a question. It was
a very ah honest kind of a question. It was
not meant as anything else. It doesn't need to
be taken so seriously. I don't know how to
explain that ah, it's not, it wasn't such a
big question. It was just a very little minor
insignificant question. Ah I won't
ask a little question again. I'm sorry.

Your, your being upset over something that I wasn't even finding to be important. I was just talking with you. It's not, it's not anything, nobody is saying anything bad at all. - over

UNMALE No, it isn't anything bad, but you, your asking me to let the kid go, if ah, if I did not have right now something ah definite, was that right or not - over?

UNFEMALE No never, not at all, not even in the slightest thought - over.

UNMALE Okay, please repeat me your first words about Grandpa and the holiday - over

UNFEMALE Grandpa was concerned, he has to make very special arrangements for him to be able to help JACK, and at this time it could be a little bit difficult. So if it was at all possible to know anything more definite about that, he was just asking for that favor because at this time it's very difficult ah to make arrangements for that. They no very well, ah, their not ---that's all - over.

UNMALE Okay, I understood that, that was all right, and I asked because if he can't ah fix that in advance he would have to drive and I would do that. Okay,

what was the idea about the kid - over.

UNFEMALE

Ah nothing so imparticular. I, maybe you misunderstood me, but I, it wasn't anything so imparticular. Listen, it, he can't make two different reservations for that. So, if you don't make them in advance it will be impossible on that and also the ah, now please understand me I can't explain it to you, ah it, it, it will be too much to explain that. Ah don't worry about it, it's not a problem, ah it's impossible to really explain what it is, JACK's friend tried to make ah, ah their own, it, it, don't worry about it, I, I, it, they, it, it will be taken care of. I, I was just asking for the favor if he, he asked if it was possible for him to know ahead of time because he cannot make two reservations - over.

UNMALE

About the kid, I don't understand that about the kid - over.

UNFEMALE

No, it has nothing to do with the kid at all. They wanted to know just how he was doing for the holiday. They didn't expect anything ah bad about that. He was just asking a very small question. I, eh eh I'm not, it's not, I don't wanna ask, talk about it again, it's not, it's not important - over.

UNMALE I'd expect that question from (UN) but not
from them - over.

UNFEMALE Ok, ok, ah it's nothing ah to be concerned
about that - over.

UNMALE Ha, ok ah -ha, ha- how are you doing for the
holiday - over.

UNFEMALE I don't know, I haven't talked to anybody about
that so I don't know, parents ah want me there
for that but, ah, haa, I'm sorry I, I don't
want, I, I don't like ah the misunderstanding
of what I say - over

UNMALE Oh no, come on don't ah worry about that. I'm
not upset with you at all, I tried to have to give
you a right question, so I think sometimes those
are ah, ok, ah, forget all about it, ah ha
anyway ah don't worry it's ha

UNFEMALE Please repeat - over

UNMALE Ah, that's what I don't like, see I don't
believe on all those days, holidays, birthdays
and all that I think all it is of my world on
my birthday, my Christmas days, my New Years Days,
my Thanksgiving day, those are the ones ah I
really don't believe in that - over.

UNFEMALE

I know, ah I have, I feel much the same thing. Ah, even today, I didn't even go see my little one in that play because I was talking to JOE's friend, and I know he was very hurt by that so ah, I, I understand what your talking about, but not all people are the same, but their not really so concerned about that. It was a very small question. It wasn't, it was really just a matter of conversation. It wasn't meant to be such as (UN) - over.

UNMALE

(inaudible) ah about ah (inaudible)

UNFEMALE

Ok, ok ah, ah, ah there's ah (UN) ah it seems there ah brochure for ah (UN) office ah, ah (UN) ah wants ah, is very interested in ah opening a store. Ah he has been ah talking and thinking about that and is very interested and he is doing that right away. And ah he wanted to know ah if there was enough ah in ah the company ah enought of those posters for that - over.

UNMALE

Ah, I understood he is opening a store, well that is very good, he has all of the samples? - over.

UNFEMALE

No, I said he received the brochure on the third, three, and ah, yes he, he has the samples for that - over

UNMALE

Oh really, well that's very nice, he must be doing well. Ah so um, anything I can help him - over.

UNFEMALE

Yes he wants to know ah what ya know the ah instructions on ah, the ah posters for that ah ever since we got on I had to you know, make sure, that's all. He wants nothing more to do with that plan and ah he said he's really (inaudible) uh and ah (inaudible) but ah (inaudible) there's a lot of ah a lot of (inaudible) on top and ah ya know good things that, so ah he wanted to know ah about the instructions on those posters - over

UNMALE

Ah he wanted to know what - over.

UNFEMALE

About ah the amount of instructions on those posters - over.

UNMALE

Oh ah, ok it's no problem. Ah (inaudible) ah and ah your talking about the amount, appraisals?

UNFEMALE Yes, I already explained to him about the salesman, and ah perhaps to go see MARY and ah I already ah, called him about that ah and ah, I understand all about that, that's not a problem. But he is going to be contacting me ah very soon about the ah price ah, of those posters - over.

UNMALE Toooo what - over?

UNFEMALE The price of the posters - over

UNMALE Okay, meanwhile too, you have to ask him what is ah, that he wants ya know. Ah your going by the store to pick them up or ah, ya know. Ah that we have to be taught personally over.

UNFEMALE Oh well like I said ah he ah that sample, pick out somebody that close down the store who has that ah sample. And ah, ah they will be looking for ah, that ah (UN) - over.

UNFEMALE Ok then do you read me - over.

UNMALE Ok yes - over.

UNFEMALE Yes ah, ah he will be looking for about ah 50 of those cases of posters - over.

UNMALE Ah he ok that's a lot. Not one of a kind ah not the ones, ah, ya know ah - over

UNFEMALE

Ah I think your misunderstanding me - over

UNMALE

Ah yes ah that's right ah that's fine - over

UNFEMALE

Yes - over.

UNMALE

Yes that's all right ah no problem ah at all
no problem at all, ah, all he wants. The thing
is ah to talk (UN) into ah you know agree on
ah the price and ah the family and all that - over.

UNFEMALE

Well ah he just wanted to ah send a salesman
if he could. That was the way he was trying to
do that. He is very ah he has a very good ah,
ah (UN) that he's working with now and ah he
thought ah anything ah it would not have to be
that he would have to take off time for his
business ah, he's ah a very nice person and ah
um very ah special in his community and ah
ya know especially with his business, so ah,
he asked if it would be possible to ah, ah
send a salesman ah to ah go and talk to MARY
and ah, and to ah, on that, and ah that they would
send their ah samples so the (UN) what kind of
ah sample they have and see if ah that would be
possible - over.

(M)

UNMALE (inaudible) Ah I would like to ask him
ah what is his offer. Ah I already told
you before, so ah if you want the name
of (UN) or what is his offer - over.

UNFEMALE Well ah I had told him maybe ah three or
four dollars and he said that was ah a little
bit too much for him - over.

UNMALE I don't know what you really said, but ah
if it's ah, what I'm thinking, it's possible - over

UNFEMALE Um please repeat, over.

UNMALE I don't want to say it - over

UNFEMALE I had told him it would be ah three or four
dollars a case - over

UNMALE Ah (inaudible)

UNFEMALE Well please wait a moment I have a very big
noise here - over

UNMALE Ok.

UNFEMALE Ok, it just went away. Ah, I had told him
three or four dollars a case he said that
ah that was ah a little too much, - over

UNMALE Yes but I still really don't understand him.
Ah I don't misunderstand how but when, I'm
sorry but I can't (UN) - over

UNFEMALE Ok, ok, ah, his salesman is ah ready to ah
enroll in that course ah immediately and ah
he wanted to bring his samples, but I told
him he had to ah have the salesman ah go and
meet SALLY and ah talk to DAVID and come home,
but I'm sure that he doesn't want ah ah DAVID
to talk prices with the salesman. He, himself,
doesn't particularly want to um, take ah time
saway from his ah ah business ah to ah do that.
So ah I would say that ah, ah there's a point,
(UN) over.

UNMALE (inaudible)

UNFEMALE I understand. That big noise is here. I, I
know you said you have to understand me - over.

UNMALE (inaudible)

UNFEMALE Please repeat quickly - over.

UNMALE I can't make my mind, I can't build up my,
the ideas of you saying that or I can't
understand you - over.

UNFEMALE

Oh ok, ok then ah I'll just wait until ah,
ah your DAVID sh, ah wants to say something
about that - over.

UNMALE

Yes, your giving me that price but that's
not (UN) in my mind, my head is turned around.
I, I, just can't ah get off the idea - over.

UNFEMALE

Ok, ok ah then I'll ah ya know it has nothing
to really do with money ah. He was ah just
ah ya know joking around. I, I don't really
want anything to do with that. The, I really
didn't say that too much ya know. I it's just
ah, ah nothing important - over.

UNMALE

Ah, wait a minute, you have to (UN) .
Now he's given a down payment, he wants more
credit, ah remember he, he, he knows very
well what I tried to go, what I tried to go,
and from that he has to thoroughly give you
an idea, an offer - over.

UNFEMALE

Ah, ok, ok, ah well you know it's ah, I'll
probably decide to tell him to go talk to
DAVID because I don't know what was said to
JERRY. Sometimes ah, I know you get upset with
me, but I don't know for all those things, and
ah, I, I, ah I think I'm a failure in helping
DAVID - over.

UNMALE You said what - over.

UNFEMALE I said I don't know what those things are
and ah I'm beginning to feel like a failure
in helping DAVID - over.

UNMALE I know, I know but you had to find a way
to explain me. - over.

UNFEMALE Ok, ok well it's the same story as everybody
they always want a lot of credit, always, always,
always. I explained that that is ah,
that they'll cause a big problem about that
and I'm sure that ah there will be ah some
sort of a deposit, I also explained that ah,
ah it would always be owed. But ah, it's
probably not ah, I'll probably just have, I'll
tell him just to go talk to DAVID. I don't
know, um sometimes I feel bad that I didn't
always understand all those ah arrangements that
ah, ah I will talk to him again and see what he
has to say - over.

UNMALE Yes, talk to him again. Ah you must remember
what I talked to (UN). Do you remember that -
over.

UNFEMALE No, ah that was, what information I knew
about that was a little bit said here and
there, it wasn't ah so plain to me.

UNMALE Ok, please wait - over

UNFEMALE Ok, ok - over

UNMALE Do you read me - over.

UNFEMALE Yes I do - over.

UNMALE Ok, I thought I forgot where I was so please
wait - over

UNFEMALE You thought you forgot what - over.

UNMALE Where I was talking to you - over

UNFEMALE Ha - ok, ok - over.

UNMALE Ok.

LONG PERIOD OF NOTHING ON TAPE THEN PICKS
UP AGAIN.

(Indicating 20 minutes of silence)

UNMALE Okay, ah, 3 Number 190 - over.

UNFEMALE Ah, on the fourth or the fifth - over.

UNMALE No, oh, (UN) - over.

UNFEMALE Oh, uhm, ah yes, ah, but ah, okay - over.

UNMALE Okay, that was still, I mean, ah, going to work and giving it to him, ah, to the secretary, ah, ah, on that - over.

UNFEMALE Ah, okay, okay - well, ah, ah, okay - over.

UNMALE Yes, that's okay; don't say anything else, even if you have an idea (UN) we were very far away from him, ah, ah ha. I understand that he (UN) I'll try to use some other kind of (UN). Okay - over.

UNFEMALE Ah, okay, okay - I understand - over.

UNMALE Now, well, ah, so ah, I'll talk to you later on - over.

UNFEMALE Ah, okay, okay, ah, I feel really bad; I think that you are not at all happy with me - over.
Do you read me - over?

UNMALE Yes, I read you very well - over.

UNFEMALE Uhm, ah, I don't know, ah, that was ah, I guess ah, I'm really ah, I need to ah, I, I, I don't want to do anything more with that. Ah, I'll

have, ah, (UN) talk to DAVID and ah, ah, I understand why that is, ah, really -- ah, excuse me - over.

Do you read me - over?

UNMALE Yes, I do read you.

UNFEMALE Well, please say something to me - over.

UNMALE Well, I have nothing to answer about that at all - over.

UNFEMALE Ah, okay, okay, ah, then ah, how is everything else with you - over?

UNMALE Good - over.

UNFEMALE How is everything else with you - over?

UNMALE Okay, (UN) - over.

UNFEMALE Ah, okay, ah, I understand what your're saying, ah (UN) - over. (U)

UNMALE Can't read you - over.

UNFEMALE Ah, don't misunderstand, ah, I already said, the best thing to do is talk to DAVID - over.

UNMALE Okay, okay, ah, I don't know.

UNFEMALE Okay, ah, uhm, I said that what he wants is, ah, a franchise and a partnership - over.

UNMALE I can't read you - over.

UNFEMALE I said, I'm sure, already I know that what he wants is a franchise and a partnership - over.

UNMALE Franchise of what - over?

UNFEMALE Ah, you know, a branch office and a partnership -
over.

UNMALE What about that - over?

UNFEMALE I said, (UN) that's what he wants - over.

UNMALE That's what I want - over?

UNFEMALE No, I -- ah, that's what he wants - over.

UNMALE Yes, he is telling me that that's what I
want - over?

UNFEMALE Ah, well, I, no, ah, I'm saying what he wants;
that's up to you, DAVID, what you want. I have
nothing to do with that - over.

UNMALE Well, that could be your impression, but ah, I
don't know, you want me to say something about
that, and ah, right now, ah, I have nothing to
say because, ah, I think, ah, I haven't said
nothing, ah, I would say really something that,
ah, would make you think about that; that way
I would say. So, ah, it might be your impres-
sion, but you have to understand that, ah, some-
times these things are really very hard and
they are not for women, for men - over.

UNFEMALE Yes, I know, I know, okay, ah, I'm trying to
just say what was said to me and ah, ah trying
to, ah, see what he had to say. So, ah, you
know, I, I, I don't want, I don't want that
either, not at all. Uhm, ah, okay ah, he'll
have to make sure and go and talk to DAVID - over.

UNMALE Whatever - over.

UNFEMALE Oh, okay, okay, ah, ah, uhm, I wish you would
please understand, I don't ever ah, uhm, I don't
know what to say; I know you are upset with me.
I, I, I didn't mean to do anything wrong - over.

UNMALE You are not, you are not; you must understand
that things are a little bit difficult sometimes.
I told you I did not (UN) understood it, but I
would talk to you some other time about that - over.

UNFEMALE Oh, okay, okay, ah, okay, ah, so does he, ah, ah,
find out about those, ah, (UN) - over?

UNMALE They are nowhere - over.

UNFEMALE You said they are nowhere - over?

UNMALE Yes - over.

UNFEMALE Okay, then I'll ah, ah, call them and, ah, see
what they have to say about that - over.

UNMALE Okay, don't worry about that, they will, they
will, ah, pass sometime and somewhere, ah don't
worry anymore about that. If they are not there--
you have always done your work, that's all right -
over.

UNFEMALE Well, they can always, ah, check again about
it and ah, maybe clear up some (UN) you know,
they could understand, so, ah, it might be help-
ful - over.

UNMALE Ah, okay, okay, whatever you want to, really.
Ah, I don't know, it's, I'll have to think about
it. I'll still ask him that, so ah, uhm -- As I
said, they will appear somewhere else - over.

UNFEMALE Ah, sometimes it seems to take them a little
while, ah, I often wonder if they, ah, take
those things to far away places before they
deliver them - over.

UNMALE Yes, that's right - over.

UNFEMALE Ah, I guess there's nothing I can say to still
make you happy with me, ah, ah, I'm really very
sorry about that, ah, uhm, and ah, today, ah,
(UN) I'm talking to you (UN) - over.

UNMALE Yes, ah, that's what I asked you before - over.

UNFEMALE Ah, okay, okay, ah, please forgive me - over.

UNMALE You haven't done anything wrong, ah, you must
understand, again as I tell you, sometimes those
things are very wrong and knowbody, ah, can (UN)
in fact, I'm not (UN) so, you have to understand
(UN). I would say that don't pay too much
attention to anybody, anybody that don't pay
too much attention. If they can do what is
right to do, do it. It's not what (UN) that's
all - over.

UNFEMALE Ah, okay, okay, ah, ah, okay then ah, uhm, how
is ah, how is (UN) - over?

UNMALE Well, we are doing pretty good - over.

UNFEMALE Ah, okay, okay, ah, ah, I would imagine so, ah
ah, well, always ah, ah (UN) always waiting -
over.

UNMALE Okay, ah, yes, ah, thank you very much, ah,
for waiting - over.

UNFEMALE Ah, okay, okay, but ah, that's not even so ah,
ha, ah, important I guess, ah, now, okay, ah,
ah. Is it all right if JOE's friend, ah, goes
to talk to (UN), ah, maybe ah, (UN) DAVID
staying there - over?

UNMALE Ah, yes ah, I think so, ah, yes; that could
be - over.

UNFEMALE Did you say that's up to me - over?

UNMALE What - over?

UNFEMALE Did you say that's up to me - over?

UNMALE No, that could be - over.

UNFEMALE Oh, okay, ah, I was gonna say, that's not up
to me, ah, I have nothing to say about that.
I was only trying to do what my -- I was only
trying to find out what, ah, would be the best
thing for you and DAVID. Does ah, (UN) - over.

UNMALE I'm sorry, I can't read you - over.

UNFEMALE I said that ah, I was only trying to ask, ah,
so that I'd do the best thing for you and DAVID -
over.

UNMALE Yes, Yes, ah, that will be all right. (UN)

Really, ah, that will be all right. So, ah, I will immediately report that to the salesmen - over.

UNFEMALE Okay, ah, uhm, I'll tell him that and ah, ah, (UN) - over.

UNMALE Yes, I, I (UN) the same time - over.

UNFEMALE Oh, okay, okay, ah, I'll ah, when I talked to JACK's (UN) they said that his condition is doing very well; so, they are very enthusiastic about that - over.

UNMALE Okay, okay, that's very good. Ah, say hello to MOM and I'll try and get something accomplished around here - over.

UNFEMALE Ah, okay, okay, ah, ah, I hope you are going to feel well today - over.

UNMALE Ah, okay, thank you very much; ah, I'll try my best - over.

UNFEMALE Ha, ah, I know, uhm, how is the house doing - over?

UNMALE The house, you say - over?

UNFEMALE How is the house doing - over?

UNMALE The house, you say - over?

UNFEMALE Ah, your home - over?

UNMALE Oh, oh, oh, (UN) ah, prettier and beautiful. Ah, ah, I am very happy with that - over.

UNFEMALE You'll be glad for having that - over.

UNMALE For having what - over?

UNFEMALE You'll be glad when, ah, that could be, ah, all the way accomplished - over.

UNMALE Oh, ah, there's no way, because, ah, ha. The way I want it, ah, you know, it's -- I want to change all the furniture, ah, my old furniture for a new, ah - I don't know if I'll be able to do it; but ah, yes, I would be, ah, very glad - over.

UNFEMALE Well, maybe ah, you could use the old for the time being and ah, have all the new, new ones done, ah, even as you're living there - over.

UNMALE Ah, yes, probably, yes. We will have -- that's not what I wanted, but ah, that's got to be done. I really had them (UN) - over.

UNFEMALE Ah, that's why I was asking you about those things, because ,ah, you know, he had planned on ah, ah, doing this work before too long - over.

UNMALE Yes, well, anyway, he could come , ah, he could come. He has some work to do, ah, on the (UN), so, but meanwhile I can get that -- I have to find somewhere that -- I'm really upset with that company. Ah, I'm holding my ah, temper right now because of that. I don't even want to think about that anyway - over.

UNFEMALE

Yes, he, ah, told me he had a few other things he had to do, you know, and it would take him a little while to do that; so that gave a little bit of extra time - over.

UNMALE

Yes, that's why on the eighth, the eighth we have ah, ah, the inauguration of the place for the new year, for the new ah, period. Ah, for friends ah, for those little animals, ah, you know, that he liked, I'll get them next month. We have the ah, beginning of ah, ah, you know, the new ah, ah, period and ah, anyway, they are already fighting him for that, and ah -- I don't know, I might say to that person what happened, that person has to go back and that person bought ah, all that stuff there that had, they already had sent, they had sent it. It was there. That's what happened with that company - over.

UNFEMALE

Oh my God, that, they have to be crazy - over.

UNMALE

Ah, well, that is what's, what's happening. It's a whole, they are a whole bunch of irresponsible (UN), they don't know, really, it's so bad. So, what can I do? I wish I could have that, the (UN) we want him to do that work because all the doors and windows are open. We have to put that (UN) we can't finish up. So, (UN) ah, and I called to OLD LADIE's neighbor. (UN) they have sent a message, nobody has answered. (UN) what else can

you do. They are very --

UNFEMALE Yes, I know, ah, they really are a problem
ah --

UNMALE There's nothing to be done --

UNFEMALE You would be surprised how many stories they
gave everybody. I called --
(Indicating unidentified male speaking over
unidentified female, which is inaudible)

UNMALE (UN) you know (UN)

UNFEMALE -- SULLIVAN called, the other company called
and they gave everyone a different answer about
all the different things. I can't believe a
company can be that stupid - over.

UNMALE Well, they can't know where that is, and that's
a bad thing. Ah, I've warned something would
happen to that. They say no, but ah, anyway;
probably I could know something today from the
OLD LADIE's neighbor. Ah, if not, I would just
ask to forget about it. It, it's impossible.
I've been asking that, day-after-day about that -
over.

UNFEMALE Well, I believe the, ah, number on that clock was
785 - over.

UNMALE What - over?

UNFEMALE I said I believe the number on that clock that
they were on was 785 - over.

UNMALE

I don't know, but they can't even say, where is it? It's, that's not the problem. Listen, how many packages were there one, two, or three - over?

UNFEMALE

Two, two of them - over.

UNMALE

Ah, okay, okay. Well, I did not know that. Okay, ah, I will try again this afternoon. But really, ah, I'm really upset about that, I'm starting to get upset about that. I don't (UN) spread them out with, ah, little (UN). So, ah, what else can I do with -- but I really want, ah, one of these days, ah, -- well, we should wait for the moment to have them in (UN) hands; so he can then decide to come - over.

UNFEMALE

Well, I could say this, the parts to go between the doors, ah, MOBILE MAN has got with him, he's going to take those. And, ah, I'm still going to go and, ah, talk to that company and have them start doing ah, ah, you know, a checking on that because sometimes maybe that helps in ah, you know, ah, realizing that people are very, very concerned about where that is - over.

UNMALE

Yes, that's right. Would you please wait a couple of minutes - over?

UNFEMALE

Oh, okay, okay - over.

UNMALE

Okay

(UN) talking with the OLD LADIE's neighbor and they are sending it to her today or tomorrow - over.

UNFEMALE

Oh, dear God, ah, thank goodness, ah, I have to take good care of those, ah ha, they are so fragile - over.

UNMALE

Okay, okay, ah ha, he was waiting, they have decided to (UN) or they haven't been able to talk to the right person. They're still waiting ah, I'm going to talk to (UN) at five; if you want to be there, that will be okay. If not, it would have to be on the fourth - over.

UNFEMALE

No, I'll be there. Ah, I talked to JACK and ah, you know, told him I hope he's, ah, feeling good; and ah, his condition is doing okay - over.

UNMALE

Oh, okay, okay, that's all right. Okay, about the other thing ah, ah, I would tell -- we'll just have to explain to you better - over.

UNFEMALE

Please repeat - over.

UNMALE

About JOE's friend. Ah, I need a better time to explain to you better - over.

UNFEMALE

Oh, okay, okay. I'm sorry, ah, I'm really very sorry about that. I just talked to him and uhm, I told him, ah, and ah, you know, he was going to have to be, I would have to talk to him again and ah, explain better, ah -- I just have, he

wants to ah, ah, discuss his ah, opening of his store, ah. Tomorrow I'll have to ah, put off a little bit, I think, of my, ah, holiday plans for that. It's not, it's nothing important; ah, don't take me wrong, please. I don't mean to (UN) by that. (UN) That's very good, I have to say this, he had also, he has a very good friend of his that ah, ah he was saying that they make very good (UN) that could take care of those art works very well. Ah, but again, I explained to him, I said, well, that will have to be something to talk to DAVID about because he could tell him exactly how to ah, ah, you know, those (UN) to put that art work in so it doesn't, ah, have any damage to it - over.

UNMALE

Yes, that's right, ah, you can tell him that there's no problem with nothing. There's no problem. But he has to talk to DAVID - over.

UNFEMALE

Yes, Oh, okay, okay. I understand. So, ah, ah, I think -- I'm sorry if I made a mistake; I really am. Uhm, I didn't mean to ah, make any kind of a mistake. I, I know that I really didn't, but ah, sometimes I think I say my thoughts in my head, only to you they don't come out, to other people; and uhm, I think, you know, too (UN) to you, ah, and I, I know, ah, sometimes I'm not saying it correctly and it's

misunderstood. So, ah, please don't misunderstand me - over.

UNMALE

Okay, okay. Well, ah, I will explain to you a little bit, you can talk to him up to one point, but after that it would have to be with DAVID. I'm sure that there's many things ah, many situations, conditions that have to be really, ah, put off over the table.

By the way, the little man came today, and I agreed to ah give him the ah last car that you have (UN) a lot of parts for him, so if you will (UN)

UNFEMALE

Ah, there was a big noise going by, probably he will what - over?

UNMALE

You won't have to buy any more parts for that, that car I have - over.

UNFEMALE

Oh, no, I, don't say it like that, ah, I, that's ah, you know, I explained to ah, JOE's friend that would really cause a big problem. That was the start of a lot of really big problems. It's funny how ah, ah, you know like, you and GRANDFATHER, and everybody complaining about their expenses. It's, I don't know, I've gotten to the point now when they say that, I think, you don't even know, ha, about expenses until you talk to DAVID - over.

UNMALE You don't know what - over?

UNFEMALE I said, you don't even know about expenses until you talk to DAVID - over.

UNMALE Okay, ah, what did they say about JOE - over?

UNFEMALE Oh, he's a mess, he's a really big mess. Do you know -- Listen to this, JOE told, ah, his friend that he went to see DAVID ah, ah, with his ah, car that he had gotten from the brochure on the fourth, and that he had a big accident with that, he had a big bruise all over his chest and he said that that happened when he went to see DAVID and had an accident, with that vehicle - over. (u)

UNMALE Ha, ha, ah funny (UN); okay, listen to this, ah, listen to this ah -- Anyway, well, that's okay, that's -- I, I had to go ahead and offer to the little man, my (UN), my car, and some other things I have, ah, ha. The good, he's a really good man, he can't wait any more (UN) really, he's just having a big trouble. So, ah, that's it. One of these days I will be in a real bad situation, even worse than yours. I'll have to ride a bicycle probably - over.

UNFEMALE Ah, I know what that feels like, I know what that feels like. Something ah, I, something has to change about that. Ah, it's so exasperating.

)
Ah, I understood, ah, before, I have never really forgotten about the little man and ah, I always knew that ah you ah would be honest and uhm faithful with him about that and responsible, and it sits in the back of my head all the time. It's really ah -- just the same, I think maybe that's why I was trying to avoid you or DAVID having to make any extra expenses or efforts; and in doing that I have to admit I have talked to DAVID enough about understanding that and, of course, it is not my position. And I've always explained that to everyone, so please understand, I've always explained that to everyone. But in warning about, uhm, DAVID, ah, having to do so many things, and you, and running that big office, uhm, maybe I was just too optimistic in hoping that something could be easy, ha. That is a laugh, that's really a laugh. So, uhm, please excuse my failures, really, I, ah, maybe ah, I'm a little too upset - over.

UNMALE

Listen, It's all right, forget about it. Ah, We'd always get along finally - over.

UNFEMALE

Ha, ha, ha, uhm, that's because a certain person has enough personality in the world - over.

UNMALE

Ha, ha, probably. Okay, listen, how about one after the four - over?

UNFEMALE Ah, okay, okay, ah, uhm, okay, then uhm, I'll
be ah talking to you later and still missing
a lot - over.

UNMALE Ah, okay, okay, one after the four - over.

UNFEMALE Oh, okay, okay, I'm glad you said that again,
I thought you said one after the third - over.

UNMALE No, (UN) that - over
Oh, oh, no, no, I'm sorry. One after the third,
that's all right - over.

UNFEMALE Ha, ha, ah, okay, okay. I thought maybe I was
going deaf - over.

UNMALE No, no, that's all right. Okay, if you agree,
if you will be there, I want to know - over?

UNFEMALE Yes, ah, I, I will be. I will - over.

UNMALE (UN)

UNFEMALE (UN)

UNMALE (UN)

UNFEMALE (UN)

I hope you have very good luck with those (UN) -
over.

UNMALE Oh, okay, yes, ah, I really want that, ha, okay
thank you. Ah, over and out.

UNFEMALE Ah, okay, okay, I'm (UN) over and out.

UNFEMALE

(UN) tried to call JOE's friends, there not
ah, in the office so ah, I'll ah keep trying,
I probably won't be able to speak to him until
ah, Monday, and ah, ah, I said they thought
they were taking ah, a little ah trip for
the weekend or something, so... I don't know,
I called ah, also I called JACKIE's house I got
no answer. But ah, it's just a matter of keeping
on trying, over.

UNMALE

Oh sure, oh sure yeah (UN) ya know (UN), uh
meanwhile I can hold up here with you. Over.

FEMALE

Meanwhile you can hold up what? Over.

UNMALE

Here with you, over.

UNFEMALE

Oh, ha ha ha, yes ah, I wish I had extra long
arms - over.

UNMALE

You have ah, you always have long say, the long
(UN), the long delays (UN). Over.

UNFEMALE

Long delays? Ah, ha, well I not know of her.
Ha ha.

UNMALE

Oh, let's see here, who was (UN)

UNFEMALE Yes ah, of course um, I meant to ask you to about
ah, you little piece of ground, if ah you were
growing those vegetables. Over.

UNMALE Ah, please repeat, over.

UNFEMALE I've been meaning to ask you if you were
growing vegetables. Over.

UNMALE Ah yes, a little but ah it's been raining
too much, it's too bad for that. Ahhh I've
been growing some rice, corn, (UN) ah a
few little things, ya know. Ah potatoes,
and ah a few things. I even planted some
really nice fruit trees, about a hundred fruit
trees about (UN) and there doing pretty well. (U)
Over.

UNFEMALE Ha, ha, you'll have plenty of fresh juices.
Over.

UNMALE Ah yes I do, yes I do. It's costing me a
lot of money really. For what it costs. Over.

UNFEMALE Oh I know, it costs a lot to buy them, the
fertilizer, ah and if you end up getting all
the bugs on them, you have to ah spray them
all the time ah. They're quite a lot of work,
but ah, once you get them established in a good
organization though it's worth, ya know, it's
worth it - over.

UNMALE Ah ya know that's a fact, ah especially if
you have (UN) like me. Ah (UN)
UNFEMALE Oh ok, ok, over.
UNMALE Ok.
UNFEMALE (UN) over.
UNMALE (UN) ok (UN) for a while um, (UN) Over
UNFEMALE Ok, ok, over.
UNMALE Ok thank you.

(U)

UNMALE: And ah, ah, he's not, ah, looking for that, over.
UNFEMALE: Can you please wait a minute, over.
UNMALE: Okay.
UNFEMALE: (UN)
UNMALE: Okay.
UNFEMALE: Okay, I'll, ah, was just trying to say this (UN)
is everywhere so, ah, you know, I can imagine that
ah, David is having a problem with that and, ah,
(UN) it has to be, ah, either grandpa, he's sure
that this is causing a bit of a problem. David
hasn't mentioned it yet, but ah, ah, everybody has
always thought that, a long time ago, and, ah,
so that's why he kept saying ah, well, if, you know,
it would probably be better for David even in the
long run to um, ah, give his preference and think
along a different line (UN). Oh, and he does,
that's the only other thing that he thought of,
he even asked me today about that um, that little
baby project that, ah, he mentioned, um, anything
at all that would save a lot of problems there,
because it's really starting to find, it's getting
very difficult for Jack and then there's going to

(U)

be a really big problem, all this time that's been wasted when, ah, it could have been, ah, maybe a little bit more enjoyable for everyone ah, so ah, I don't know, I we'll just hope and wait for that. Ah, this way, you sitting there, David sitting there and waiting for all their lawyers and all those things, and ah, there are other people in the company that ah, want to, they would rather take (UN) new energy and start with a different type of thing, ah, you know, where they knew more about what they were actually being able to get into. It doesn't sound silly (UN) that sample you had (UN) something different from a very different viewpoint, over.

UNMALE:

Oh, yes, yes I have to accept that. All this was, you know, planned because of all this (UN) on the (UN), because it's detailed too, there's a lot of time that was wasted too. All that time, ah, I don't know, really I understand that. Think about that. We all know there has been there, when I get thinking about it, I really feel bad. I have

a feeling that just like taking a vacation and not to think anymore. Ah, ah, I have a different attitude on that. I don't want to think about ah, the past. I like to think about the future. I always done that. The past is in the past. I don't like it at all. Even if it's been good, and it's been good, it's already gone. Ah, I swore by that. I'll be always working for the future. Ah, (u) I have lost and David has lost a lot of time, I'm sure (UN) that I remember talking about that and, ah, (UN) people that really have, make me happy (UN). I have to repeat, it's ah, the reason why I say that, Dave had this experience before, he has, he was put in a situation where he was in the middle of the situation, we're talking about losing time, it's a, that's why I would have to go back to the figure on everyone of, you know, yourself and that's why I don't want to remember that at all. It's a, it's a kind of situation everybody has lived. So ah, ah, I have to talk to ah (UN) and send it to (UN) to see it and after that I imagine will, ah, he be willing to (UN).

UNFEMALE

Ah, yes, I know and, and, I don't know everybody (UN) cause they understood that Father Jim, Father Joe, Father McBride, all of those things have fallen on David and that was understood and understanding is a big problem so it is from different viewpoints. This particular case really makes everybody upset with that other company because, ah, it's very well understood.

SECOND FEMALE: Your David cannot stay with that kind of a thing. It's just impossible.

UNFEMALE:

And to tell you the truth, sometimes I don't want to be upset in talking to you and explaining how (u) upset everyone is because I don't want you to be upset but the consideration is a fact of understanding so well, now you and David work and want to give and work together with the company so well. And, ah, (UN) all those things are a waste of, no, and it could have been if they didn't really care, they would try to go to another company. But that's not at all what had happened, because I explained every single time, you remember they said you and David and you are having interference all the time, and they sort of had it and if anything, if it's a question of doing work because you and David are having to take on many responsibilities.

So the first thought was forget the things in the past and go to find something else in the future with a difference of what you're doing bad and that's why every time I start to say there's a little problem, they say, oh, I just wish we could have the chance to go ahead and do something better as a favor to David and take care of all those problems and, um, you know, it also helps everybody out. So, ah, nobody wants to look back, everybody's really wanting to look forward. It's just that all the things that can go to ah, back as far as, um, his ability to work you know, with his medical problem and condition may be getting a little bad, everybody is wanting to really pick that up a little bit, so, um, it's going to have to be a whole new fresh idea. A different way of presenting and a different idea of working so that all those kind of (UN) what everybody has learned from it to the point of ah, not being able to give any instructions to that point, where everybody is back to back. It's going through everyone's mind so much but, ah, you figure you learn something different where every company (UN) be able to tell also David on you or anybody should be on hand.

UNMALE: (UN) Okay, well, ah, so when, ah David will be talking to you later on, over.

UNFEMALE: Okay, I have my nephew (UN) and I'll be talking to you - did you want ah, um, the favor later, over.

UNMALE: I'd like you to, ah, talk to me around four, over.

UNFEMALE: Okay, okay. Okay, that's fine. If he's a little late, he might be here about five, and I'll explain to him that ah, how I want you know, that like that, over.

UNMALE: Okay, alright, well anyway, say hello to the family and, ah, take care of yourself and I'll talk to you some other time. Thank you and over and out.

UNFEMALE: Okay, okay. Ah, I hope ah, I haven't said anything wrong have I, over.

UNMALE: No, why, over.

UNFEMALE: Okay, okay. I just wanted to make sure. Hm, let's tell David that everyone here is always saying please tell him how much we are concerned about him and ah, so far, tell David I love him, ah, anyway, I'll be talking to you then and ah, miss you a lot but I'm doing the very best, ah, really. I have to say this, I have a good feeling that um,

something new is coming over the horizon, as they say, and ah, I hope that's true. So I'll be talking to you then, and wish you a very good evening, and um, please have a lot of faith, over.

UNMALE: Um, yes I have it, okay. Talk to you then, and ah, smile, and ah, well you know.

UNFEMALE: Okay. Okay. Over and out.

1041 [redacted]
[redacted] having been located at her residence in [redacted]
[redacted] was advised of the identity
and official duty capacity of SA [redacted]
who was interviewed in the presence of her son, [redacted]
[redacted] furnished the following information: (u)

[redacted] In about
1965 she became aware of the Reverend JAMES JONES at
Indianapolis, Indiana. JAMES JONES came to her attention
since he had a reputation as a very good preacher. She
attended services conducted by JONES on a regular basis
and became one of his followers at Indianapolis. While
at Indianapolis, JONES convinced [redacted] to stay at a
nursing home operated by JONES. While at the home he
attempted to obtain increased welfare payments so that she
might be better able to contribute to his cause. The
Welfare Department declined the attempt to obtain increased
payments, however. (u)

When JONES traveled to San Francisco with his
followers, [redacted] remained behind. (u)

After a short time, she traveled to California
with [redacted]
[redacted] At California, JONES again invited her to stay
at the nursing home but she declined in favor of living
with her brother-in-law and sister, [redacted]
She remained in California for about two months, taking
the first opportunity to leave. The opportunity arose
when she received a letter from Florida advising her that
[redacted] was seriously ill with cancer.
She showed the letter to JONES and JONES advised her that
she ought not to leave California. She stated she recalled
JONES stating that "his spirit was grieved". She advised
however JONES took a collection among his followers to
obtain money for her to travel to Florida with the under-
standing that she would return. (u)

Interviewed on 12/3/78 at Inglis, Florida File # 89-96

by SA [redacted] /dph Date dictated 12/12/78

[REDACTED] advised that after she left California she knew she would not return because she was not happy with the treatment she was receiving in California. She stated however, that she was not mistreated in any way. (u)

[REDACTED] advised that she recalled in Indianapolis one incident which did upset her but which did not cause her to stop following JONES. She described the incident as having involved the statement made by JONES to the effect that the Bible was not fit for children to read. JONES then introduced a different book, which would be "their Bible". She does not recall the nature of the book or did she destroy her Bible as she was instructed and as other followers did. (u)

While in California she received her Social Security payments and maintained her own account. She advised she did not give any funds to JONES at that time. While in California she did attend meetings conducted by JONES with her sister and brother-in-law. (u)

At no time was she ever aware of the use of drugs at any of the meetings nor had she ever heard of any relocation site such as Guyana or any information concerning a suicide act or such philosophy. (u)

[REDACTED] was not familiar with DON SLY. (u)

She was not familiar with any sporting teams operated by the Peoples Temple nor was the term "angels" a significant term regarding JONES or his followers.

[REDACTED] stated that she was not familiar with an inner-circle or any men who were selected to mete out discipline for JONES. (u)

She stated that EVA POUGH was an individual who was very close to JONES being in charge of the Sunday School. (u)

[REDACTED] advised that she received a letter from [REDACTED], which was of a very harsh tone in which [REDACTED] stated that "You should have told me your daughter died". Although the letter called for an answer, [REDACTED] did not furnish one. She advised she also received a letter (u)

from JONES in which he stated that he was looking forward to her return. (u)

[redacted] advised that since she had heard of the tragedy in Guyana, she began to write down some of the names of the people whom she recalled being part of the JONES followers. (u)

The following is a list as compiled by [redacted] (u)

MARY STALL
EVA POUGH
EDITH CARDELL
JAMES HINES (a black male)
JACK BEAN
ROSS CASE
Sister EDISON or ADDISON
Brother and Sister RICHARDSON, a black couple with two female children
Sister JOAN (last name unrecalled) and ISRAEL (no further name recalled), who were two individuals who returned from California to Indianapolis before [redacted] made her trip to Florida. (u)

[redacted] residing at [redacted] telephone number [redacted], traveled to California during 1978 and visited the Peoples Temple there taking photographs of [redacted] and others. (u)

[REDACTED] having been advised of the identity and official duty capacity of SA [REDACTED], furnished the following information (u)

[REDACTED]

[REDACTED] advised that he did not travel from Indianapolis to California as his mother did when JIM JONES left Indianapolis. He advised he stayed behind since he had a good job and was not going to leave. He recalled attending meetings conducted by JONES and considered him to be a very good preacher until he spoke poorly of the Bible. [REDACTED] recalled one particular meeting at a congregatin as to whether or not they would lie on the floor if he asked them to. JONES then paused and after a short period of time requested everybody in the church to lie on the floor. [REDACTED] stated that he remained seated in his chair for several seconds and watched everybody in the church lie down. He then stated that he thought himself to be no better than anyone else and also layed down on his chest on the floor until JONES told everyone there to rise. (u)

[REDACTED] reiterated what his mother had stated in regard to the use of force or firearms and drugs by JONES and the followers of the Peoples Temple in regard to the fact that he never became aware of anything of an unusual nature concerning the activities conducted by JONES other than the incident described. He advised that he was attracted to JONES because he considered him to be a very good preacher. (u)

Sometimes he would ask if we were afraid to die and by what means would you like to die. She stated that at one meeting, we practiced dying by drinking punch and then closing our eyes. [REDACTED] could not clarify these statements. (u)

BQ 89-495

Regarding oaths signed by members of the People's Temple, [REDACTED] indicated that she had signed a blank piece of paper on several occasions. She advised that the following individuals would keep the oaths: MARIA KATSARIS, TERRY BUFORD, CAROLYN LAYTON, and DEBBIE BLAKELY. She said he would often talk about conspiracy against the People's Temple. [REDACTED] advised that toward the "end", it was getting really "heavy". Alerts at this time were called just about every night. Often, they were kept up all night and still had to go to work the next day. (u)

[REDACTED] stated that of the 1200 people in the Jonestown settlement, approximately 75% were Blacks. She did indicate that the leadership of the People's Temple was mostly White. She explained this by saying that the Whites had the best educational backgrounds. (u)

[REDACTED] said that during the last several months, JIM JONES had been very sick, with cancer and a lung ailment, and that he was on a lot of drugs. JONES seemed to be very irritable and that he expected too much out of them. She related that JIM JONES never allowed anyone to smoke, drink, use drugs, or wear beards.
