

DEAR Friend,

I wish that I had words to tell you how grateful I am to you for taking my children with you.

I also wish my vocabulary was large enough that I could find the right words to tell you how sorry I am about what my oldest son has done and is doing.

If there is anything that I can do for you ever, the pleasure would be mine.

Since my children are there and as soon as I get mono there, I am willing to do anything to help. I am willing to give my life, if it takes that to repay the harm and hurt my son has caused. Not only him, but all the ones have said or done any negative thing, has made me want to do whatever I CAN to prove to you that some of us are grateful for everything you

have done, not only for me and mine,  
but you have done everything possible  
for so many.

I owe you my all, including  
my life.

Thank you my very best friend

Sincerely With Love

+ Appreciation

Christine Young

Dearest Dad,

May 17, 1978

This is long overdue, so I would like to thank you for the love and concern + toleration that you have expressed always. True this new crisis - the defector, I noticed that you took yourself into the movies and their laughed with the people, though I know you were dying as you are daily, inside. Still you went on giving encouragement to those who needed it. I know that we will one day not come thru - but I consider walking with you, the most courageous, compassionate Marxist-Leninist that existed, and that's a victory. It never ceases to amaze me, of the power you have to go on, to fight with especially those inside or who were. I apologize for being one of the people who were so messed up with dope, sex, clothes etc. that I didn't educate myself after you so I could be of help. I feel alot of guilt for the shit that I have done. Spending thousands of \$ that was church money, but I never turned in. All that has helped kill and mame innocent people in oppressed 3rd world countries. What a fool I was! & self-centered and insensitive. It's not pleasant to know as I know how I contributed. All the years of following you and I was definitely led astray. I thank you - for taking my child here and

going thru the love that he wasn't getting, because  
of my neglect. Dad, thank you!! Anyone that wants to  
leave are sick & don't face that they too are a "nigger".  
You have done far too much & I will never turn back!!!  
Thank you for the women's meetings & brothers. We have  
to realize without liberating ones self, how can you ex-  
pect to liberate others? I detest the states because there  
is nothing there - we are not wanted - it's only filled  
with deep, deep hate. There is too much here of just opposite  
I apologize for messing up our men. I feel guilt for  
Paul Flowers leaving, because while in relations w/ him  
for almost 2 yrs. from age 15-17 I could have been  
stronger and therefore he might've realized that he too  
was homosexual & needn't try to prove he was such a big  
lover. Now he's gone. I am sorry for Tom's ego having  
sex with Joe Wilson - only to prove that he was not as  
~~strong~~ strong as he pretended to be. We agreed that's all it  
would be - it took place twice - but I cut it loose.  
He can't even be loyal to Robin Telleter his so-called "girl-  
friend". I did it also to get back. Thank you for taking the  
time to talk to me a couple months after I was here, you  
saw me in tears - hearing Robin was pregnant. I shouldn't  
been stronger but I wasn't. Unliberated then I  
think Joe should be made to stay with Robin if they  
mess her, because he needs to either settle down or

give it up altogether. He is inconsistent with Gokari, &  
 that I detect. I know I neglected him in the states but  
 He'll be damned if he'll be here. I out of 4x I'll walk  
 with me to put Gokari to bed. He's got his ~~head~~<sup>head</sup> up his  
 butt. But also I have seen him sensitive & gentle. He  
 puts on a act. He's a age 12 in mind & maturity but  
 I can't downgrade him completely. He stood by me  
 when I was pregnant at 16 with Paulo's baby &  
 took my urine to get it tested etc. finding out it  
 was positive but thanks to you - labored. So, he really  
 isn't as bad as he plays. He just likes white ass  
 to build his ego. I've dealt with that. Now all I  
 want from him is to care for his child. So, I  
 am getting ready to hopefully have the right  
 qualifications of being a true revolutionary.  
 I VOLUNTEER to OFF Tim Stoen, Richard  
 Wagner or anyone else. Richard would never  
 suspect me. I VOLUNTEER to give my body as  
 ugly as it is. I VOLUNTEER to help in any  
 liberation forces to free oppressed countries.  
 I VOLUNTEER to work harder. Thank you for  
 your supreme example. Dad, no other  
 would do it to give up the millions, I  
 repeat the millions that you could've kept  
 for yourself. Thank you for caring

This is Christine Young, Jim Cobb's  
oldest son. I am not his daughter  
so he apparently along with his other  
mixed up ideas seems to think that  
I am. I have always known  
that along with the violent streak  
that has always had he has a  
lot of nerve. It takes a lot of  
nerve to even think that I would  
return from beautiful Guyana  
where I am totally happy with my  
five lovely children and why do  
they think I would want to be with  
him and his unstable violent ideas  
Peoples Temple harassed Jim Cobb  
financially through over 4 years  
of college. He promised to repay  
the money instead he joined  
a ~~Peoples Temple~~ Peoples Temple  
gang. Jim's gang is  
typical of Jim Cobb. While in  
college he joined a guerilla  
type gang. They stole guns and  
rifles and manufactured  
ammunition. <sup>when we heard about this</sup> we reported ~~it~~ to the  
County Sheriff ~~as soon as we heard~~  
about it and he suddenly left.

CE-1-41N7E-112

Now he is requesting  
that I return. I would  
like to ask the question  
you want me to return  
Jim Cobb to where  
and for what?

Mother,

I stayed home tonight to be with Mona. She has a very bad cold. I am keeping her home to give her medicine. I thought it best she stay out of the night air.

When you talk to Father, please tell him that I am grateful beyond words that he healed Brenda from Kidney disease.

Her dad's youngest sister, died because of Kidney Disease. She was only 21, or 22. She was married & had 2 small babies. She had a portable Kidney machine after having one Kidney removed. Several months later, she developed pneumonia. Following that the second Kidney had to be removed and she died.

When Kidney trouble was diagnosed <sup>with</sup> for Brenda, I naturally thought about her aunt.

Please thank him for Johnny's healing also. Jim lost part of his hearing in one ear as a result of a mastoidectomy.

Words cannot sufficiently express my gratitude.

I have known Father since 1957 and he has never failed or forsaken me and my children.

I shall be grateful & praise his name forever.
