Subject : INQUIRY FROM THE HOUSE PERMANENT
SELECT COMMITTEE ON INTELLIGENCE
REGARDING JONESTOWN, GUYANA

PURPOSE: The purpose of this memorandum is to advise you of the receipt of a letter from Chairman Boland and a list of questions from the House Permanent Select Committee on Intelligence (HPSCI) and to recommend that the Records Management Division (RMD) prepare a response to both the letter and questions and coordinate this response with the Intelligence Division (INTD) and Criminal Investigative Division (CID). (u)

DETAILS: The HPSCI has previously advised us that they are conducting an investigation regarding allegations of possible Central Intelligence Agency involvement in the events that took place at Jonestown, Guyana, on 11/18/78. The Staff of the HPSCI has reviewed at FBI Headquarters a voice-enhanced tape recording of Jim Jones which was recorded on 11/18/78. On 10/3/80, the Committee was furnished with copies of all documentary material available to the public on this matter in the FBI Headquarters reading room. On 10/17/80, based on Department of Justice approval, SA Donald Hale of San Francisco was interviewed by the Committee Staff in their offices in the presence of Arden Schell, Deputy Assistant Attorney General, and SA [REDACTED] of the Congressional Affairs Unit. During this interview the Staff asked that the Department furnish them with answers to three questions. By a memorandum from Alan A. Parker, Assistant Attorney General, to Mr. [REDACTED] dated 10/20/80 (copy attached), the Department has requested that we provide them with answers to these questions for delivery to the Committee. No (7) FBI pre-tragedy knowledge of our investigation of the PT. (U)

Mr. Keuch made a commitment that the FBI would furnish this information to the committee which consists of one allegation of kidnapping which had no basis in fact. The identity of the complainant in this matter will be withheld from the committee. (U)

Dear Mr. Chairman:

Ryan

Per your request, FBI personnel at FBI Headquarters have reviewed all investigative files relating to Jim Jones, Jonestown and the People's Temple for any indication of Central Intelligence Agency (CIA) involvement in or with that organization or its members. Although these files did reflect interviews with People's Temple members, survivors, former members, certain of their associates and a few others who made allegations that the CIA was plotting or spying against Jim Jones and his followers, there was nothing in these files which could substantiate these allegations. To be specific, the review of these files did not show any involvement of the CIA from within the People's Temple nor did it substantiate any allegation of any CIA conspiracy against the People's Temple or its members. (u)

Further, a review of the criminal investigative files in the San Francisco Division, which was undertaken pursuant to the FBI's investigation into the death of Congressman Ryan, did not reflect any information that would substantiate any allegations of CIA involvement in or with Jim Jones, Jonestown or the People's Temple. (u)

If I can be of any further assistance in the above matter, please let me know. (u)

This review revealed no information which would substantiate CIA involvement in Jonestown, Jim Jones or the People's Temple. (u) 67C

Further, on 11/17/80, SA Donald Hale, San Francisco Division, who is the case agent in the RYMUR investigation advised SA [REDACTED], Congressional Affairs Unit, that a review of that Division's criminal investigative files does not substantiate any allegations of CIA involvement in or with Jim Jones, the People's Temple or Jonestown. PURPOSE: (u)

The purpose of this memorandum is to advise you of a request by the staff of the House Permanent Select Committee on Intelligence (HPSCI) for a briefing and to recommend that this briefing be conducted. (u)

DETAILS (u)

On 12/3/80, Mr. Herbert Romerstein, Professional Staff Member, HPSCI, advised SA [REDACTED], of the Congressional Affairs Unit that the Committee is aware that certain FBI documents were found in Jonestown during the investigation of the events which took place there on 11/18/78. Pursuant to the investigation which the Committee is conducting regarding these events, several Committee members have expressed an interest in the fact that FBI documents were found in Jonestown. Therefore, Mr. Romerstein advised that he is requesting that the FBI brief the staff of the HPSCI regarding these documents. Specifically, the Committee would like to know how the documents got to Jonestown and whether any FBI informants were identified as a result of these documents. Mr. Romerstein further advised that the Committee would not need the identities of any current Bureau employees who might have been involved in an illegal release of FBI documents if such is the case. (u)

Mr. Romerstein advised that he was making request pursuant to an ongoing request of the HPSCI for assistance from the FBI in their review of the events which took place at Jonestown in November, 1978. This request was most recently set forth in a letter from Chairman Boland to the Attorney General dated 10/6/80, (copy attached for CID). (u)

THOMAS K. LATIMER, STAFF DIRECTOR
MICHAEL J. O'NEIL, CHIEF COUNSEL

Honorable Benjamin R. Civiletti
The Attorney General
Department of Justice
Washington, D.C. 20530

Dear Mr. Attorney General:

I write you in an effort to clarify the interest of the Permanent Select Committee on Intelligence into the activities of Jim Jones, the People's Temple, Jonestown and the tragic mass suicide in Jonestown, Guyana on November 18, 1978.

The Committee's attention to these matters was specifically drawn on April 3, 1980, when the Committee on Foreign Affairs urged that this Committee review allegations of possible CIA involvement therein. The Committee subsequently met on May 7, 1980 and instructed its staff to conduct a preliminary investigation of such allegations and report back to the Committee its findings and recommendations. A small staff investigatory group was formed and has been involved since in carrying out its inquiries to that end.

In the course of these inquiries, this staff group has made a number of requests for information in the possession of the Federal Bureau of Investigation. Difficulties have arisen in securing access to this information for two reasons -- an apparent lack of communication concerning these requests between the Department and the Bureau and the pendency of ongoing criminal proceedings stemming from the murder of Congressman Leo Ryan.

I wish to make clear that the Committee's interest in the information within the possession of the Department goes only to the question of CIA involvement in or with Jim Jones, the People's Temple, Jonestown and the Jonestown mass suicide.

The Committee wishes to acknowledge receipt from the Department of materials previously released pursuant to a request made under the Freedom of Information Act. The Committee understands further that information previously made available to the Committee on Foreign Affairs will also be made available to this Committee.

ENCLOSURE

On behalf of the Committee, I wish to repeat an earlier request that it be furnished with all information in the possession of the Department (and therefore the Bureau) bearing on the interests of the Committee in this matter. I request that a search be conducted to this end in consultation with this Committee's staff and, should the Department find material which it does not wish to provide to the Committee, that such material be identified to the Committee along with an explanation of why it has been withheld.

It is not the purpose of the Committee to burden the Department by this request nor to interfere with any criminal proceedings. Accordingly, I request that, should difficulties arise in meeting the request of the Committee, that appropriate officials work closely with the Committee's staff to resolve them expeditiously. It is the hope and expectation of the Committee to conclude the preliminary investigation before the adjournment sine die of the 96th Congress.

With every good wish, I am

Sincerely yours,

(8) Category E - "**RECOVERY AND LOSS PREVENTED**" - **Recoveries** - When stolen or illegally possessed items with intrinsic value are recovered as a part of an FBI investigation, the value of the item should be recorded. Restitutions will be recorded in this category when ordered as part of a sentence.

Potential Economic Loss Prevented - Record items such as counterfeit securities, money orders, Cashier Checks, Travelers Checks, and pirated copyright and patented material.

A justification airtel must be submitted with the FD-515 as an enclosure when the recovery or potential economic loss prevented exceeds \$1,000,000.

(9) Category F - "**CIVIL MATTERS**" - To record an entry in this category, it is necessary to conduct actual investigation in the matter. Both the original amount sought and the damages awarded by the court are to be recorded under amount of suit and settlement or award. Therefore, if numbers 1 or 3 are completed, it is necessary that number 2 and 4 also be completed even if by zero. The only exception would be when monies are paid by the subject in Ascertaining Financial Ability Matters wherein it is not necessary to record an entry in F3.

(10) "**REMARKS**" - Identify the name of the subject(s) and when reporting a conviction identify the Title, Section, and Code applicable to each count convicted.

(11) **Errors** - If a previously submitted FD-515 is determined to contain an error after verifying the statistic on the Monthly Statistical Results Report, submit an original only of the FD-515 clearly marking the top of the form in red ink with the word "**AMENDED**." Other than the title, FBIHQ file number (if known), field office file number, and date, only complete the category being corrected by a numerical entry representing the appropriate decrease or increase. If this entry represents a decrease, insert a minus " - " sign and if an increase, insert a plus " + " sign directly to the left of the numerical entries which will signify the type of correction.

D. On 10/2/80, two Special Agents, assigned San Francisco Division, traveled to Georgetown, Guyana, and negotiated arrangements and release of Subject Laurence John Layton. As a result of arrangements by FBI Agents, Layton was expelled from Guyana and arrested by U.S. Marshalls on arrival New York City, 11/21/80. (u)

E. During the course of FBI investigation of the assassination of Congressman Leo J. Ryan, the FBI received 26 crates of documents and evidence recovered by the American Embassy in Jonestown Guyana. These documents collected by the American Embassy were furnished to the FBI for review, identification, and duplication. During initial review of evidence, FBI located certain documents identifying cash deposits in the Union Bank of Switzerland, Panama, Central America. FBI also located negotiable bearer bonds in the amount of \$250,000 drawn on the Union Bank of Switzerland Account. FBI interviewed witnesses resulting in identifying bank account and responsible signatures on account. This information combined with documents located by the FBI, as well as negotiable bonds, were hand carried to the Department of Justice, Civil Litigation, and the People's Temple receiver in California who was subsequently successful in transferring \$5,526,958.64 from Panama Bank to the Superior Court, State of California. Memo Monroe to Mr. Young
Re: INQUIRY FROM THE HPSCI
REGARDING JONESTOWN, GUYANA

By teletype dated 1/28/81 (attached) ^{details - handle} the Los Angeles Office advised that a review of their files disclosed that on 12/14/78 a former FBI employee admitted taking certain documents from our Los Angeles Office while employed. The former FBI employee subsequently turned the documents over to an attorney. The attorney advised that one of his former employees, who was also a former People's Temple (PT) member, possibly copied the documents and caused them to be transported to Jonestown. A document found at Jonestown indicates that the attorney's former employee discovered where the attorney maintained the documents which he received from the former FBI employee and made photocopies. The recovered documents revealed the identities of nine FBI informants by name and referred to four FBI informants by symbol number. The informants were made aware by the FBI of the release of their identities to persons outside the FBI. The informants who were identified were not at that time furnishing information to the FBI. The U. S. Department of Justice was made aware of all details regarding this investigation. ^W

ADMINISTRATIVE CLAIM OF AUTUMN RYAN ARISING OUT
OF ALLEGED NEGLIGENCE OF THE FEDERAL BUREAU OF
INVESTIGATION RESULTING IN DEATH OF CONGRESSMAN
LEO RYAN IN JONESTOWN, GUYANA, NOVEMBER 18, 1978

RYAN, R

15

Enclosed is a copy of an administrative claim filed by the mother of former Congressman Leo Ryan, who was murdered during a visit to the Peoples Temple Colony at Jonestown, Guyana on November 18, 1978. Claimant alleges that Agents or employees of the Federal Bureau of Investigation (FBI) "had knowledge that Representative Ryan was likely to be the target of violence instigated by Jim Jones or other members of Peoples Temple, and such Agents or employees failed to warn Representative Ryan of the danger and failed to adequately insure his safety." Mrs. Ryan's administrative claim was filed on November 17, 1980, one day prior to the expiration of the two-year statute of limitations. (u)

It is the recommendation of this office that Autumn Ryan's claim be denied for the following reasons: (u)

1. The claim does not satisfy the requirements of 28 CFR Section 14.3(c), which requires that: (u)

"A claim presented by an agent or legal representative shall be presented in the name of the claimant, be signed by the agent or legal representative, show the title or legal capacity of the person signing, and be accompanied by evidence of his authority to present a claim on behalf of the claimant as agent, executor, administrator, parent, guardian, or other representative."

The instant claim provides no evidence of any authority on the part of David H. Schwartz to act as an agent or representative of Mrs. Autumn Ryan and therefore, is defective. There is substantial Ninth Circuit authority upholding the requirement of evidence of authority to make a claim under the Federal Tort Claims Act. Cf., House v. Mine Safety Appliances Co., 573 F.2d 609 (1978), Caiden v. United States, 564 F.2d 284 (1977). In Caiden, the court stated at page 286, "Since the major reason for

the administrative claim requirement is to facilitate settlement of cases, we feel it necessary to require that the existence of such authority be asserted contemporaneously with the filing of the claim by one who files on behalf of the claimant. In the absence of an assertion of such authority the ability of the United States to negotiate a settlement is impeded." (u)

2. Assuming, arguendo, that Agents or employees of the FBI did have knowledge that Congressman Ryan was likely to be the target of violence, (u)

(a) the administrative claim fails to show any duty owed by the Federal Bureau of Investigation to Congressman Ryan. The Courts have long held that in the absence of statute no substantive right exists to recover damages from the Government as a result of its failure to keep the peace, Turner v. United States, 248 U.S. 354, 358 (1919). Courts have also held that there is no actionable duty to warn victims of criminal activity. Redmond v. United States, 518 F.2d 811, 816 (7th Cir. 1975). (u)

(b) this claim falls within at least two of the exceptions codified in Title 28, U.S. Code, Section 2860, which preclude suit under the Federal Tort Claims Act: (u)

- (1) Subsection (a) of Section 2860 precludes:
"Any claim based upon an act or omission of an employee of the Government, exercising due care, in the execution of a statute or regulation, whether or not such statute or regulation be valid, or based upon the exercise or performance or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the Government, whether or not the discretion involved be abused." (u)

Any acts or omissions on the part of Agents or employees of the FBI in this matter clearly fall within this "discretionary function" exception and no claim may be made based upon such act or omission. (u)

- (2) Subsection (k) precludes claims arising in a foreign country. Clearly, any acts or omissions on the part of the FBI, as well as the alleged failure to ensure Congressman Ryan's safety, must have occurred in (u)

Assistant Attorney General
Civil Division

Guyana. Therefore, the claim is barred. (u)

In addition, to stastics in catagory A and D, claim is being made for recovery in the amount of \$5,526.958.64 (u)

During the course of the FBI invesitgation of the assassination of Congressman Leo J. Ryan, the FBI received 26 crates of documents and evidence recovered by the American Embassy in Jonestown, Guyana. These documents collected by the American Embassy were furnished to the FBI for review, identification, and duplication. During the initial review of the evidence, the FBI located certain documents identifying cash deposits in the Union Bank of Switzerland, Panama, and Central America. The FBI also located negotiable bearer bonds in the amount of \$250,000 drawn on the Union Bank of Switzerland account. The FBI interviewed witnesses resulting in identifying bank account and responsible signatures on the account. This information combined with documents located by the FBI, as well as negotiable bonds, were handcarried to the Department of Justice, Civil Litigation, and the People's Temple receiver in California, who was subsequently successful in transferring \$5,526,958.64 from Panama Bank to the Superior Court, State of California (u)

 the following compelling reasons: (u)

The case is of major importance and the amount of media
 attention will be extensive. Agents serving these subpoenas in
 most instances will be Agents that have already developed ties with
 the witnesses. These witnesses have professed a confidence in
 those Agents. Some of these witnesses have fragile ties with the
 community already, and the appearance of a new face or agency, i.e.
 U.S. Marshals, could cause added hostility on the part of the
 witnesses. In addition, professional counseling people,

RE: SAN FRANCISCO TELETYPE TO DIRECTOR, DATED 5/5/81. (u)

AS A RESULT OF CONFERENCE WITH SAN FRANCISCO UNITED STATES ATTORNEY'S OFFICE PROSECUTION TEAM ON MAY 19, 1981, U.S. ATTORNEY HAS THE FOLLOWING MATTERS OF CLARIFICATION AND REQUEST FROM THE GOVERNMENT OF GUYANA (GOG). (u)

1. CONCERNING REFERENCED TELETYPE RE SUPPRESSION HEARINGS SCHEDULED FOR SAN FRANCISCO ON JULY 7, 1981. HAS THE DIRECTOR OF PUBLIC PROSECUTION (DPP) IN GUYANA RESPONDED AS TO HIS OPINION CONCERNING NECESSARY GUSANESE WITNESSES TO SUCCESSFULLY REFUTE LAYTON ALLEGATION. AT PRESENT, U.S. ATTORNEY HAS REQUESTED THAT (u)

SKIP ROBERTS, INSPECTOR JAGMOHAN, DETECTIVE SUPERINTENDENT ALVIN SMITH, AND SUPERNUMERARY CONSTABLE MORTIMER KASIN ALLY TO APPEAR. (u)

2. AFTER THOROUGH CONSIDERATION CONCERNING TRIAL STRATEGY AND MAXIMUM JURY IMPACT, UNITED STATES ATTORNEY'S OFFICE WOULD PREFER THAT THE GUYANESE WITNESSES TESTIFY TOWARDS THE END OF THE TRIAL. U.S. ATTORNEY REALIZES THIS MAY PUT A STRAIN ON SOME GUYANESE WITNESSES AND OF MAKING TWO TRIPS. U.S. ATTORNEY DESIRES GOG'S AND WITNESS AVAILABILITY CONCERNING TWO TRIPS THAT WOULD BE INVOLVED BY THOSE APPEARING AT BOTH THE SUPPRESSION HEARING AND TRIAL. (u)

3. CAN THE EMBASSY OR GOG FURNISH CERTIFIED COPIES OF DEATH CERTIFICATES FOR CONGRESSMAN LEO RYAN AND JONESTOWN RESIDENTS LISA PARKS. (u)

4. OUR RECORDS INDICATE THAT INSPECTOR JAGMOHAN SUBMITTED BULLETS REMOVED FROM MONICA BABY IN TRIAL AT GUYANA. RECORDS INDICATE THAT DOCTOR OLIVERIO AGRAMONTE AND DOCTOR WINSTON GOBIN OPERATED ON MONICA BABY AND FURNISHED PROJECTILES TO POLICE OFFICER EUSTACE LAM, ASSISTANT SUPERINTENDENT OF POLICE, LINDEN POLICE STATION. RECORDS INDICATE THAT EUSTACE LAM THEN FURNISHED PROJECTILES TO JAGMOHAN. QUESTION BY U.S. ATTORNEY IS THIS CORRECT (u)

PAGE THREE

SF 89-250

UNCLAS

AND SECONDLY WOULD EUSTACE LAM BE AVAILABLE FOR TESTIMONY AT TRIAL IN SAN FRANCISCO? (u)

5. INFORMATION SAN FRANCISCO INDICATES THAT GUYANESE DOCTOR WINSTON GOBIN PERFORMED OPERATION ON MONICA BABGY AND EXTRACTED TWO BULLETS, GUYANA EXHIBIT K1-K2. WOULD DOCTOR WINSTON GOBIN, BE AVAILABLE FOR TESTIMONY IN SAN FRANCISCO AT TRIAL? (u)

FOR INFORMATION OF AMERICAN EMBASSY, POSSIBILITY ALSO EXISTS THAT DEFENCE MAY ATTEMPT TO DELAY TRIAL THROUGH LEGAL APPEALS AND CHANGE OF VENUE. NO MOTIONS HAVE BEEN FILED TO DATE AND USA CAN ONLY ASSUME TRIAL WILL PROCEED AS SCHEDULED BUT EMBASSY AND GOG SHOULD BE AWARE OF POSSIBILITY. PRE-TRIAL SUPPRESSION HEARING WOULD NOT BE EFFECTED BY SUCH MATTERS. (u)

SAN JUAN IS REQUESTED TO COORDINATE WITH AMERICAN EMBASSY GEORGETOWN CONCERNING ABOVE REQUEST AND QUESTIONS. (u)

Enclosed for Bureau is letter from Lloyd Rodney to
 Special Agent Donald R. Hale, dated 5/27/81. (u)

For information of Bureau, Special Agent Hale met Lloyd
 Rodney during crime scene trip to Jonestown, Guyana, South America,
 in April, 1979. At that time, Rodney requested Legat (Caracas)
 Robert Oglesby (retired) to furnish him Bureau material on finger-
 print examination. (u)

At the time of this visit by FBI Special Agents, Rodney
 identified himself as a fingerprint expert for the Guyana Police,
 North West District, and was temporarily assigned as the legal
 assistant to the Government of Guyana (GOG) Administrator (receiver)
 of Peoples Temple property and assets in Guyana. His specific
 responsibility was to oversee operations and property in Jonestown
 in behalf of the GOG. Rodney acted as escort and guide for the
 FBI Agents and was courteous, helpful, and complimentary towards
 Agents and the FBI. (u)

Special Agent Hale has sent a personal note to Rodney
 acknowledging his letter and advising him that it has been for-
 forwarded to FBI HQ to more properly assist in his request. (u)

Bureau is requested to assist in request by Rodney (u)

Don Hale,
Special Agent,
Federal Bureau of Investigation,
450 Golden Gate Ave.,
San Francisco, CA,
U.S.A.

Dear Sir,

During my temporary assignment in Jones Town as an assistant administrator for the Guyana Government, immediately after the massacre, we spoke concerning my doing a research in finger prints, in U.S.A. I inquired about the possibility of visiting the F.B.I.

It is important that I give a brief rundown about my background. I am a graduate of the Institute of Applied Science U.S.A., and was a finger print expert attached to Demba Constabulary Guyana. I am now a law student at U.W.I. Barbados, and I will be doing my LL.B Finals in the academic year 1981-1982, I will be offering a special Thesis on the subject "Law in Society 11" under the caption of "Law and System of finger printing in Barbados and Guyana with special references to U.S.A."

I will like to visit the Federal Bureau of Investigation and other finger print agencies in order to complete my research. Please inform and advise as to what necessary approach to be adopted in order to obtain the relevant travelling document in this connection.

I anxiously await your reply.

Yours truly,

LLOYD RODNEY (NR.)
