I'm glad to hear from
you about Juncos & Mary,
I am doing O.K.
I am on a diet together
with Bonnie over here it's not
everything they has
some strange filler. Well
he must have over
got natural food
lucky you Bonnie to
be in church not long ago
interesting interview with a
fellow telling all about the love
of young & young, also about
with a rich young picture book.
It all sounds like a dream to me and
others. I'll bet those puppies are just
dying and I can't wait to see the
pups and chicks. The animals here are
like Pat Keeler does a great job
working at the church. He takes them
all to the park and lets them run
around for several hours, so very
early in the morning that no one
is there it's 11.

current agreement. Soviet will refuse to suspend
assistance in arms. Effect is US break of all arms
negotiations. More reactions being placed in place.

But they would be no nuclear weapons plan.
SA countries are now under the gun of

Pastor Jones' deepest love and most sincere wishes for your well-being come to you and your loved ones with this letter. He hopes you are in the best of health and prosperity, and hopes even more that he will be able to see you personally.

This coming weekend, on Sunday, May 15, at 11:30 AM Pastor Jones will conduct a very special service. He is sending this notice to you as a special invitation to be there, for he feels that a very high anointing of the Spirit will be present. The anointing brought untold miracles this past week-end in San Francisco where many were called out and blessings were manifestly abundant.

Pastor Jones has just returned from our Agricultural Mission where he was busily planning and coordinating the work and crop production to insure that the greatest benefit is reaped by all. Many varieties of crops are providing food for hungry people, and the constructive mission environment has proved to be the turning point in the lives of several dozen young people who were considered beyond help in this society.

Pastor Jones is hoping to see you this Sunday. He wants you to share in this joyous spiritual healing service. Know that Pastor Jones' thoughts are with you.

DIRECTIONS

ADULTS: When you feel sluggish, headachy, lory or out-of sorts due to irregularity, take 1 to 3 Carter's Pills for the gentle, effective, temporary relief you want.
 Most people begin with 2 pills. However, if you find your system requires more or less pills—change the dosage one pill at a time. Thereafter, take Carter's Pills only as needed, using the dosage you found most satisfactory.
 Carter's Pills will act in 8 to 12 hours, every time you take them. And Carter's exclusive formula causes no digestive upset . . . no embarrassing urgency.
 No medicine, however mild, should be given to very young children without the advice of a doctor.

Italy's former President, Aldo Moro
smuggled out of Italy is a capitalist

not pay to defend Capitalism

Still did not
succeed in obtaining the release
of a political prisoner which
was their objective purpose was
to achieve socialism through
socialist demand. The USSR is now
siding with the Red Brigade
Based on the fact that revolution
is only accomplished
