BOMBED- HOME
DOESN'T SCARE
NEGRO LEADER

Gasoline Bottles Set
Fire To House
Of Malcolm X

FORCED TO FLEE

New York (AP) - Malcolm X, controversial black nationalist leader, whose home was damaged by three gasoline bombs, says, "It doesn't frighten me; it doesn't quiet me down in any way or shut me up."

Malcolm X, who had advocated a doctrine of what he calls Negro self-defense against white supremacists, fled safely with his wife and four children early yesterday after the homemade bombs crashed through the living room window.

Damage was termed extensive, but the blaze was quickly extinguished. Police began an investigation.

Authorities believe the devices - bottles filled with gasoline with wicks - were hurled from a passing car into the apartment home in Elmhurst, Queens.

The house itself is controversial. Malcolm X began occupying it while he was a leader in the Black Muslim organization. He refused to leave after he broke with the Muslims last year and set up his own group.

Malcolm X left by plane for Detroit a few hours after the blaze to address an Afro-American rally. He said he would return to New York today.

Malcolm X said he had received anonymous telephone threats daily for some time.

Joseph X, self-described businessman in the Black Muslims, showed up at the house in Queens shortly after the fire.

He told newsmen:

"We own this place, man. He was going to be evicted tomorrow. We have money tied up here. We have to hear about it on the radio. He didn't even give us the courtesy of a phone call."

A Civil Court ruling gave Malcolm until January 31 to vacate the house, but he appealed for a stay. The Negro contended the dwelling was given to him.

Malcolm's wife, Betty, and their daughters - Attalah, 6; Qubilah, 4; Hysah, 2, and Gamilah, 5 months - were given shelter by residents in the racially mixed neighborhood.

TV Aides Rebutted for Tour
of Race-Friction Area

Special to The New York Times

LONDON, Feb. 13—The British
Broadcasting Corporation is
being criticized for conducting
Malcolm X, the militant Black
Nationalist, around Smethwick,
the town on the outskirts of
Birmingham that has become a
symbol of Britain's racial prob-
lems.

The former leader of the
Black Muslims, who now heads
a breakaway group, arrived in
Britain after he had been re-
fused entry into France last
Tuesday.

Just before he left for the
United States today, he said he
had “accepted the hospitality of
some Englishmen.” He added:
“Tt was incidental that they
were from the B.B.C. When I
was spotted in Smethwick with
my B.B.C. hosts, there were peo-
ple who tried to hang the
B.B.C.”

He spent nearly three hours
in Smethwick yesterday. He
was interviewed on the town
hall steps and then driven by a
B.B.C. television news team to
Marshall Street.

In an effort to curb the influx
of colored immigrants, town au-
thorities are buying up the de-
crepit terrace houses on this
street and selling them only to
white families.

“If colored people here con-
tinue to be oppressed, it will
start a bloody battle,” Mal-
colm X said. He added that he
would not wait until “Fascists”
had built the “gas ovens.”

Alderman Clarence V. Wil-
liams, Mayor Smethwick, pro-
tested that “these television
people and the whole of the
news getting side of the English
world” were “endeavoring to
turn Smethwick into a kind of
Birmingham, Alabama.”

Malcolm X’s comments also
drew a rebuke from Cedric Tay-
lor, chairman of the Standing
Conference of West Indian Or-
ganizations for Birmingham and
District, who said that “remarks
about gas ovens are, I feel,
the worst thing that anybody
could say.”

Malcolm X went to Birming-
ham, a major industrial center
about 100 miles northwest of
London, to speak at a private
meeting of Islamic students at
Birmingham University.

In Birmingham he arranged
to meet a B.B.C. television news
unit in Smethwick. The B.B.C.
had wanted him to confront
Peter Griffiths, the Tory who,
by capitalizing on the racial is-

due, defeated former Foreign
Secretary Patrick Gordon Walk-
er and now represents Smeth-
wick in the House of Commons.

Mr. Griffiths said he would
not be available and the news
team then drove Malcolm X
around the town. The B.B.C. de-

dies it acted as his host.

Malcolm X Returns
Malcolm X, the Black Nation-
alist leader, said yesterday on
his arrival at Kennedy Airport,
that “General de Gaulle had too
much gall in keeping me out of
France.”

Were Secret Muslim-KKK Talks Held in Atlanta?

By MAJOR ROBINSON AND CARL NESFIELD

NEW YORK CITY—Did Malcolm X, when he was in good standing as a Black Muslim leader Elijah Muhammad's top aide, sit in on a secret conference in Atlanta, Ga., with top leaders of the Ku Klux Klan who offered to donate land to the extremist organization?

The Courier learned from confidential sources that such a meeting allegedly took place several years ago in the home of Jeremiah X, the Atlanta minister of the Muslim mosque.

The purpose of the confidential talks that took place was that the KKK was interested in helping Mr. Muhammad carry out his “give us a separate piece of land to settle on” theory which he preaches about.

The KKK heads of several Klan chapters from three states had already assembled a plot said to exceed over 20,000 acres in Georgia which they had expressed a desire to donate to the Muslims for their followers. They would work the land and attempt to become self-supporting from products they would grow on it. After this one meeting, Malcolm X, who was said to represent Ali

recent his leader, didn't take
part in any more discussions
between the two organizations,
both a contrast in extremists
one preaching segregation by
violence and the other preach-
ing segregation by choice.

An indication that he set
in on the meeting and had
knowledge of it was dropped
last Sunday by Malcolm X at a
meeting of his Afro-American
Unity Committee at the
Auburn Ballroom.

"The concepts and ideals of
the Muslims, under Elijah Mu-
hammad, have changed," he
said. "They are a violent group
and all of their violence is
against other black brothers.
They do not go to Mississippi
and shoot at the Klan. And
there's a very good reason
why they don't and when this
is explained, it will shock the
world."

One of his aids later told
The Courier that the main
reason why the Muslims never
attacked the KKK is that few
know of their alignment and
pact to never mention the other
group in their raving and
ranting.

Warning his audience that
"non-violence is out in '65," Mal-
colm said that he'll only be-
come non-violent when the
white man does." He added
that integration is a "world
problem" and that black peo-
ples outnumber whites
throughout the world. 

He also revealed that he had
been recently shot at in Chi-

cago and other cities on re-
cent visits. Since his break
with the Muslims in January,
1964, his followers and the
Muslims have waged a war of
nerves, blows and get tough
talk.

In a telegram to George
Lincoln Rockwell, white su-
premacist, he warned him
that maximum physical retali-
ation will result if Rockwell's
groups persist in its racist
agitation against Negroes in
Alabama. And this included
his KKK friends as well, Mal-
colm concluded.

Malcolm X Unwanted

The French government decided that Malcolm X was undesirable and put him on a plane for London when he arrived in Paris on his way to address an "Afro-American" rally there. X decided that the French government was undesirable, too, and left behind him the words: "I never go to any place where I am not wanted. They gave me no reason why I was barred and did not let me contact the American Embassy. I was shocked. I thought I was in South Africa. They let (Congoles Premier Moise) Tshombe in. He's the worst person on earth and he's de Gaulle's friend...." A French Interior Ministry spokesman said that the former Black Muslim leader could "provoke demonstrations that would trouble the public order."

MALCOLM X BARRED
BY FRENCH SECURITY

LONDON, Feb. 9 (UPI)—
Malcolm X, an American black nationalist leader, was refused entry by France today. He returned here and said defiantly, "I never go to any place where I am not wanted."

Malcolm flew to Paris today to speak to an Afro-American rally there but French officials met him with a Government order saying his presence was undesirable. He was back in London four hours after he had left it.

He said he had offered an English penny to French security men at Orly Airport in Paris and told them to "give that to de Gaulle because the French Government is worth less than a penny."

The 39-year-old former Black Muslim leader said nine policemen and officials had met him at the plane. "They gave me no reason why I was barred and did not let me contact the American Embassy," he said. "I was shocked. I thought I was in South Africa. They let [Congo Premier Moise] Tshombe in. He's the worst person on earth and he's de Gaulle's friend."

Malcolm said he planned to spend the rest of the week in London "if nothing else happens," then return to New York.
France Bars Malcolm X

London, Feb. 9 (AP)—Malcolm X, a former Black Muslim leader in the U. S., returned to London today from Paris, where French security officials had refused to allow him to enter.

He was to have addressed a rally tonight sponsored by American Negroes and whites in Paris.

He said he was given no reason why he was barred from France. As the security men put him on a London-bound plane, he offered a penny to a French security official and said:

"Give that to (President Charles) de Gaulle because the French government is worth less than an English penny." The Frenchman refused to take the coin, and Malcolm X said he flung it to the ground.

"I was shocked," he added. "I thought I was in South Africa. They let (Congolese Premier Moise) Tshombe in. He's the worst person I ever heard of. He de-Gaulles the Frenchman.

located 35 miles south of where he was, wants to interview
MUHAMMAD. He continued that what they did was to call a
university to have someone go and talk to MUHAMMAD and, if
MUHAMMAD was coming back to Phoenix, they would have someone
from the University of Arizona see him or, if he was going to
be in Chicago, they would have someone from Chicago see him.

stated this radio station comes out of Stanford
University and has contacts with universities all over the
country. MUHAMMAD stated he would be in Chicago until the
following Tuesday and seemed agreeable to an interview.

told MUHAMMAD he was preparing to write an answer to the garbage from MALCOLM. MUHAMMAD stated he had seen MALCOLM on TV and stated he was like a man coming down off the fence. MUHAMMAD told him to not spend too much time on it or to pay any attention to MALCOLM as he would come to nothing. MUHAMMAD stated that believers should just forget about MALCOLM as he was dying a natural death anyway. 

MUHAMMAD stated he had talked to the brothers yesterday (apparently from Los Angeles) and he thinks it will be different when they see them again. MUHAMMAD stated he thought they would come back pretty clean and commented they just did not understand like they should.

December 31, 1964

A man, believed to be talking to ELIJAH MUHAMMAD about obtaining radio time for him. He stated one station they had planned on using had backed out and he found out it was because it is controlled by Negro ministers and they are afraid of MUHAMMAD. He stated he has been in communication with a radio station in Toronto, Canada, and with CKLW in Detroit about time. He added he was on his way to Hammond, Indiana, to see about a contract.

January 1, 1965

MUHAMMAD then expressed concern about his ability to handle the responsibilities of a Temple. He stated he would like to have the Messenger go to a profit, so he can show what he has done there. He stated he feels they are
January 1, 1965

of Los Angeles, California) was in contact with ELIJAH MUHAMMAD, stating she did not know whether things had gone the way he wanted them to or not. She continued: **She** called a friend of hers and said she wanted to talk to her because her husband was supposed to have been set down or something was supposed to have happened to him on Wednesday but the Minister never mentioned his name. She thought MUHAMMAD had said all believers, both in and out, were to be there.

MUHAMMAD stated he had left this up to the Minister. **He** continued that they had and, when the believers who were out came they were turned around at the door. MUHAMMAD replied they should not be in on such business as this. He continued: Some of those that are out are poison and they cannot arrange their business with people that are half way with you. Only those that are with you should be there because they were taking care of very serious business. You should not invite any weak Muslims to sit in on something like that to keep a quarrel and dissatisfaction going on. **He** stated that what "he" covered with the body was that his name was on the title and it was in the process of being removed and he had talked MUHAMMAD into securing a loan to get the building. He quoted somethings out of the Koran that he said MUHAMMAD had told him to read.

MUHAMMAD replied that was the only thing he wanted him to do with the body and the other thing was not to be taken care of with nobody. He said it was dangerous to take every little thing to the body as with a business of importance you don't know where a hypocrite is sitting. **He** said that "he" told them he wasn't going into any details as there might be some stool pigeon there. MUHAMMAD said he had warned him and he did the thing he had told him to do. MUHAMMAD stated he had told him...
not to discuss what we had discussed around the others rather only those that are absolutely involved and those who will be taken care of by him and the captain, no other outsiders as it would start a lot of dissatisfaction.

MUHAMMAD continued that the main thing was to get this Temple over in the right, to the best of our interests, and the next thing was, since it already was solid, to keep it solid with the solid people. He continued that as far as the sister's husband goes she was sure she did not know what she was talking about as no one has dismissed no one. MUHAMMAD asked if he had said he was dismissed and replied he had not but his wife had. MUHAMMAD instructed to tell them that her husband had not been dismissed and he asked if he was on the post Wednesday night. stated he was and would also be on the post tonight. MUHAMMAD said "he" is a different man altogether now and had just lacked some knowledge, both of them lacked a lot of things they had to learn. MUHAMMAD opined that they were trying to go the way of peace now and can't have everybody just so as there are always some trouble makers in all the Temples we have.

The following ensued:

ELIJAH: As far as the two men, the fact about it is the Captain even sat here and shed tears over his mistakes and I think he will be a better man.

ELIJAH: It looked like he had been crying on Wednesday, too.

ELIJAH: He was very upset. He went out telling the laborers here that for the first time he actually saw 100 percent that GOD certainly had sent the Messenger because nobody could have taken care of things like he took care of them and shown the part we didn't understand. He actually was just breaking down here, not angry, but was sorry he was so dumb and had thought he was smart. This is something you have to forget and forgive.
ELIJAH: Her husband wants to know what he is supposed to do with the $100. Should he use it to come to Phoenix and show MUHAMMAD the plans which are all ready? Just hold it there until he gets word from him. Those people, some of them, haven't arrived yet. I haven't talked to them yet, only the teacher. The teacher I will talk to again. Tell him the main thing for his part is selling papers and he is to keep his actions and ideas before those who are sitting in the office ahead of him such as secretaries, captains and ministers. He can discuss these things with them as well as with him to make cooperation. I wouldn't like for him to be just unified with myself and have no other unity with the laborers in the immediate office. All we want to do is to get the papers to move and to get them in the hands of the public.

(The above tends to indicate ELIJAH MUHAMMAD called for selling "Muhammad Speaks" newspaper and Temple.)

January 1, 1965

ELIJAH MUHAMMAD was in contact with and they discussed property in Atlanta, Georgia. He stated he had just received a letter from Atlanta and added we guaranteed him "10" and he will see it goes through for "1". He stated he thought it was worth it, adding the building was built in the 50's and was in good shape and would seat about 300. He stated the classrooms adjoins the church building and the school holds 150 to 200 and there is plenty of ground for expansion. ELIJAH indicated he thought they should go ahead and see what they can do about the deal.

Re: Martin Luther King, Jr.
Security Matter - C

A confidential source, who has furnished reliable information in the past, furnished information on February 2, 1965, indicating that Bayard Rustin (Organizer of the March on Washington, D.C.) and one Cora (Last Name Unknown), were in contact on that date. According to the source, their contact was in regard to what Cora called the Poncheman Terrace (phonetic) Conference on February 18-20, 1965, at the Hilton Hotel, New York, New York.

Cora mentioned the fact that she had received Rustin's acceptance to be a speaker at the conference, which she said was being held for the benefit of "television", and was being produced by her. She said the conference proceedings would be on permanent tape, which will be divided into one half hour programs. National Educational Television has agreed to give 26 hours of coverage across the country on their fifty stations, Cora said. In addition, she said the British Broadcasting Company would run five hours of the proceedings of the conference and the United States Information Agency would also run some. She said the rest of the tape would be given to any station that wants to start a dialogue on peace.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Re: Martin Luther King, Jr.
Security Matter - C

Cora said that Martin Luther King (President of the Southern Christian Leadership Conference) had not responded to his invitation to appear and speak and unless he did agree, Rustin would not only be the only Negro, but the only spokesman for the "American Civil Rights - Peace Type Movement." She said King should be there for the good of everything concerned, especially him, because it (the conference) would be a fantastic international platform.

Rustin said King was in jail and there was a big debate as to whether he should come out of jail. Rustin said he was of the opinion that he should remain until the last of his followers were legally out on merit. Cora replied that she thought it would be very dramatic if he would fly here (New York City) from jail and he would fly right into the arms of the news media. Rustin said that if King got out of jail, he would spend Friday in New York City. Cora was encouraged by Rustin to wire King and request that he come to New York.

Cora, in continuing her remarks about the conference, said that King was scheduled to appear on a panel on February 20, 1965, chaired by Henry R. Luce (publisher of "Time - Life" Publications). This panel, Cora said, will be a mixed one, therefore, King would get terrific attention there.

According to the source, Cora requested Rustin to furnish the names of New York Negroes who should attend the conference. Rustin furnished the following:

The Reverend Milton Galamison (Chairman of the City-wide Committee for Integrated Schools); Thelma Johnson (Head of the Harlem Parents Committee); Jessie Gray; Reverend Richard A. Hildebrand, (President of the Manhattan Branch of the National Association for the Advancement of Colored People (NAACP)); Basil Patterson, new President of the New York NAACP; Joseph Overton (Chairman of the United Council of Harlem); Besse Buchanann (New York State Human Rights Commission); Benjamin J. McLaren (Member of New York

City Board of Education; Hope Stevens (New York City Attorney); (First Name Unknown) Davis of the Carver Bank; and Malcolm X.

In "The Saturday Evening Post", issue of July 11-18, 1964, page 76, Bayard Rustin is the subject of a feature article captioned: "The Lone Wolf of Civil Rights". In it, Rustin is said to have come to New York in 1938, as an organizer for the Young Communist League (YCL), and as such, he had the job of recruiting students for the "Party". Furthermore, the article reports that during his first years in New York, Rustin gave most of his earnings to the "Party". He reportedly left the "Party" in 1941, the article states.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker", February 11, 1957, page 1 column 2, reported that Bayard Rustin, Executive Secretary, War Resisters League, was an observer at the 16th National Convention of the Communist Party, United States of America (CP, USA), held in New York City, on February 9-12, 1957.

The "Daily Worker" was an East Coast Communist publication until it ceased publication on January 13, 1958.
Another confidential source, who has furnished reliable information in the past, advised on February 19, 20, 1964, that Bayard Rustin contacted Benjamin J. Davis on those dates and sought his advice as to how he could escape from a speaking engagement to which he was committed. On the latter contact, Davis told Rustin that he was working on his request and had contacted friends who had contacts with the group to which Rustin was to speak.

On November 28, 1964, a confidential source, who has furnished reliable information in the past, advised that Jesse Gray is a former organizer of the Harlem Region of the Communist Party, United States of America (CPUSA).

On January 24, 1964, the source advised that according to William Patterson, Jesse Gray is no longer a CP member, but is friendly to the CP.
Re: Martin Luther King, Jr.
Security Matter - C

On July 13, 1964, the same source advised that William L. Patterson was chairman of the New York District CP.

A confidential source, who has furnished reliable information in the past, advised on August 6, 1964, that Malcolm X is the founder and President of the Muslim Mosque, Incorporated.

A characterization of the Muslim Mosque, Incorporated, is attached.
The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

which indicated that MALCOLM would visit a State Attorney General when he arrived in Chicago. When Chicago was notified that two Muslims kept MALCOLM under observation and of the precaution taken against the planting of a bomb on the airplane, that department said they would increase their guard detail from two to six officers.

In addition to the information furnished by (redacted) in the LHM, he emphasized his belief that MALCOLM is really scared and that he feels one of MUHAMMAD's devoted followers will kill him. He also mentioned that MALCOLM was very talkative even though he knew him as a former policeman, and he said he believes that MALCOLM will talk to FBI agents.

Organizations of Afro-American Unity (OAAU), Muslim Mosque, Incorporated (MMI) and the Nation of Islam (NOI) are attached and all sources therein and herein have furnished reliable information in the past.

A source advised that Malcolm X Little arrived at the Los Angeles International Airport, Los Angeles, California, at about 3:00 PM, on January 28, 1965, aboard Trans World Airlines, Inc., TWA, Flight Number 9. He stated that at 2:00 PM, the Airport Detail of the Los Angeles Police Department received a telephone call from Jamahl X, who stated that his brother-in-law, Malcolm X, was arriving on Flight 9. Jamahl X said that Malcolm's life had been threatened and because of the threat he (Jamahl) wanted policemen to stand by at TWA to protect Malcolm.

Officers of the Police Department met Jamahl X, who was identified as Edward Smith, and Mr. Edmund Bradley, who were at the airport to meet Malcolm at about 2:30 PM. Smith was very un-cooperative and refused to answer any questions regarding Malcolm's business in Los Angeles. Bradley said that he is the publisher of a small newspaper named "The Roll Call." Bradley told officers that Malcolm would stay at the Statler Hilton Hotel in Los Angeles, and he said he did not know his itinerary.
The above source related that Bradley telephoned the Police Department at 10:30 AM, on January 29, 1965, and stated he had an interview scheduled with Malcolm in about 30 minutes at the hotel and then arrangements would be made for Malcolm's departure. Bradley commented that Captain Edward 2X (Edward Sherrill) of Muhammad's Temple of Islam #27, Los Angeles, was at the hotel on the evening of January 28, 1965, and met Malcolm on the first floor near the escalator. He believes the meeting was accidental and Bradley does not know if they spoke. He also said that Malcolm had observed two Muslims on the evening of January 28, 1965, on the 6th Street side of the hotel. Bradley advised that Malcolm's reason for being in Los Angeles was to talk to the two Muslim women involved in the paternity suits which were filed in Los Angeles against Elijah Muhammad. Malcolm told him that one of the Muslim teachings is morality and that many Muslims are unhappy that Elijah has had 12 children by five wives.

The same source said that Malcolm left Los Angeles on TWA Flight Number 25, which was scheduled to depart at about 12:30 PM on January 29, 1965, for Chicago. Two Muslims were observed in the TWA terminal and they stood at opposite ends of the building while keeping Malcolm under observation. They were described as following the "usual Muslim plan of intimidation." One Muslim was Robert 2OX Buice and the other person was not identified. Due to the close surveillance by the Muslims, Malcolm was placed aboard the airplane unobserved by the Muslims by going through the baggage room. The other passengers on the flight were asked to disembark at the last minute and they were requested to identify their luggage. When all pieces of luggage had been accounted for, the plane was re-loaded. This procedure was followed as a precaution to prevent the possibility of Muslims or other persons putting dangerous material on the flight. The plane departed about two hours late for Chicago.

Los Angeles, advised he rode with Malcolm Little on Flight Number 26 to Chicago. Malcolm gave him a card showing that he is a representative of the OAAU. He did not indicate his reason for being in Los Angeles, and he did not say anything about starting a chapter of the OAAU in Los Angeles. Malcolm remarked that he had left the NOI because he had talked to a son of Elijah Muhammad who had broken away from him and the son told Malcolm about the illegitimate children Muhammad had fathered. Malcolm wrote to Muhammad asking about the son's charge, and Muhammad replied that he did not want to discuss it in a letter, and that he would tell him about it when they saw each other. Malcolm talked to a former secretary of Muhammad who was in New York, and she told him about having a child by Muhammad and mentioned other women who had Muhammad's children. Malcolm said he then took a trip to the east and studied Islam and found that Muhammad was using it to further his own selfish purposes.

Malcolm asked Malcolm about reports that the Muslims have been arming themselves, and he replied that up until June, 1963, they had not acquired arms, but since then they have been arming themselves. He said the reports he received have been only rumor and in material he has read. He also stated that Malcolm did not furnish any specific information about the obtaining of firearms by Muslims. Malcolm declared that the teaching of Islam in the NOI is becoming less and less and that it is becoming a hate organization. He alleged that the word has been sent out to the Muslims by Elijah Muhammad that they are to get him, and Malcolm expects to be killed by one of them. He stated that Malcolm seems very fatalistic about his future and he said that the Muslims do not care what happens to them. He remarked that if 200 people were guarding him they will still try to kill him because they are so devoted to Elijah Muhammad they would jump into fire if he ordered it. The source mentioned that Malcolm is very frightened and he is appreciative of any protection given him. During the flight to Chicago, he talked very freely to even though had introduced himself and informed Malcolm that he is a former police officer. Malcolm did not state his reason for
the trip to Los Angeles; however, he said that he was going to Chicago to appear on a television program and because the State Attorney General wished to talk to him.

The "Herald-Dispatch" which is a weekly newspaper published in Los Angeles, printed a photograph of Malcolm X in its January 28, 1965, edition. The following article appeared below the photograph:

"MUSLIMS ABC'S FOR X---Malcolm X above left announced this week that Sheikh Ahmed Hassoun has arrived in America from the Holy City of Mecca in Arabia, to teach Islam at the Muslim Mosque, in Harlem, which Malcolm heads. In a press release, Malcolm X declared that the Sheikh, sent by Grand Sheikh Muhammad Sarur Al-Sabban, Secretary-General of the Muslim World League, will 'help Malcolm X in his present efforts to correct the distorted image that the religion of Islam has been given by hate groups in this country.' Mr. X will establish Mosques through the nation. One will open in Los Angeles in February."

The above publication also printed an article date lined Cairo, Egypt (ANPI), which reads as follows:

"Elijah Muhammad's son, Akbar Muhammad, told the press here that he was no longer to agree with 'my father's concocted religious teachings, which are far from and in most cases diametrically opposed to Islam, and secondarily because of his politically sterile philosophy of the Afro-American struggle.' He announced that he had quit the Black Muslim movement in the United States.

"Akbar said in a statement he was not joining any other movement. But he made it clear that his sympathies lay with efforts of Malcolm X and others to establish an orthodox Muslim movement among American Negroes.

"Events leading to his break were revealed in an interview here at a downtown Cairo hotel. Mr. Muhammad said
"the actual break had come on December 5, during a visit to the United States, after fruitless arguments with his father over doctrine. He said that he had not planned to announce the rupture in relations, but had changed his mind when he saw the January 1, edition of the Black Muslim newspaper, MUHAMMAD SPEAKS, in which his father denounced him as a "hypocrite."

Akbar was described as a 25-year-old student of Islamic law at the Al Azhar University in Cairo, and the youngest of Elijah's six sons. The article stated he is the second son to leave the Muslim movement and mentioned that another son, Wallace Muhammad, left the organization shortly after Malcolm X was removed. Akbar estimated the Muslim membership at about 7,000 and said that about 3,000 had left the organization. He remarked that he knows there are members of the top echelon who do not go along with his father's teachings and leadership, but they stay because they are getting good salaries.

Akbar rejected the idea of separate black states for American Negroes or returning them to Africa. He also refused to accept his father's teaching that "the whole race are devils." The son said he will cooperate in many ways with various civil rights groups, but that he does not believe in the doctrine of non-violence. He does not believe in starting violence; however, he said he does not believe we should turn the other cheek. The article concluded by stating that Akbar will teach Islam in Malcolm's Mosque in Los Angeles.

Informants generally familiar with NOI activity in the Los Angeles area advised that they have not received any information that a chapter of the OAAU has been established in Los Angeles.

Three copies are being furnished to Chicago for their information since one of the group with MALCOLM X was a WILLIE LNU from Chicago, who may be identical to WILLIE 19X WYTCH from Chicago (see information below in airtel).

A copy of this LHM is being disseminated to G-2, First Army and Secret Service in NYC in view of the fact that some member in both groups were armed.

The confidential source is [redacted] and this LHM is classified "Secret" to protect this source. Revelation of this information could compromise this source thus having an adverse effect on the National Defense interests.

[redacted] furnished his information to [redacted]. Full details of the incident including the identity of those with rifles was furnished to [redacted]. He advised that [redacted] had no knowledge that weapons were present during the incident. In light of this information he advised that in future similar situations [redacted] will give consideration to approaching NMI and NOI members present and searching their cars in an effort to locate loaded rifles or other weapons. It is noted that possession of an unloaded rifle does not constitute a violation of local laws.

[redacted] also advised that the WILLIE LNU from Chicago may possibly be identical to one WILLIE 19X WYTCH. WYTCH is a former NOI member in Chicago and information has come to the attention of [redacted] that WYTCH has, during the past two months, attempted to contact MALCOLM X.

Source further advised that he could not state that the rifle in possession of DAVIS, who was at MALCOLM X's residence, was in fact his rifle. It is noted that MALCOLM X has previously stated publicly that he kept a rifle at his home and it is possible that this is the rifle which DAVIS had.

For the information of the Bureau, NOI members JOHNS and STEELE are on the SI, while EVANS and RICHARD BX are subjects of inactive cases. None of these four appear to be the NOI members in the car with the rifles since these four were apparently on the street.

MMI members ABDULLAH, DAVIS, FRANCIS, SNEED, TAYLOR and WALLACE are currently subjects of active MMI investigations by the NYO. MMI member GRANT is on the SI. MMI members JOHNSON, who has just recently become an MMI member and was only known to source as ALBERT LNU prior to this incident, was not previously the subject of a case file; however, an active MMI investigation will be opened on him.

The NYO will continue to follow the MMI and NOI closely and will remain particularly alert for any potential incidents between the two groups.
Characterizations of the Muslim Mosque, Incorporated (MMI), Nation of Islam (NOI), NOI Mosque #7, New York City, and the Organization of Afro-American Unity (OAAU) are attached hereto and all sources therein have furnished reliable information in the past.

The February 2, 1965, edition of the "New York Daily News", a daily newspaper published in New York City, contained an advertisement on page 21 for the television program "Hot Line" which reflected that (MMI and OAAU leader) Malcolm X would be one of several guests on the program scheduled for February 2, 1965. "Hot Line" is a live panel type program where the guests answer questions called in by the viewing public. It is shown over WPIX-TV Channel II, New York City, at 9:30 p.m., and is moderated by television personality David Susskind.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
Muslim Mosque, Incorporated

On February 3, 1965, a confidential source, who has furnished reliable information in the past, advised that eight MMI members escorted Malcolm X on the evening of February 2, 1965, to the WPIX-TV studio located in the Daily News Building, 220 East 42nd Street, New York City.

These eight MMI members were:

Hassan Abdullah
Reuben Francis
Earl Grant
Albert Johnson
Wilbert Moore
Leonard Sneed
Abraham Taylor
Roland Wallace

Also escorting Malcolm X was a Willie (last name unknown) from Chicago, Illinois, who is visiting in New York City, and is an admirer of Malcolm X although he is not known to be a member of the MMI.

In addition to the above nine individuals, two other unknown Negro males were in the party according to source. These two individuals have recently come to New York City from Mississippi and have attended several OAAU meetings in New York City. They are not MMI members and were not a part of the escort for Malcolm X on February 2, 1965. They accompanied the group merely to observe the television program.
Muslim Mosque, Incorporated

This source advised that when Malcolm X and the above individuals arrived in three cars at the Daily News Building shortly after 9:00 p.m., February 2, 1965, approximately nine or ten members of NOI Mosque #7, New York City, were observed in the area and at the entrance to the building along with a large number of New York City police officers. The NOI members appeared to be attempting to block the entrance to the building, and there was some confusion and concern among the party escorting Malcolm X as they stood in the street as just what to expect or do. In the confusion, one of the unknown Negro males mentioned above, entered a car occupied by two unknown NOI members parked on the north side of East 42nd Street opposite the building, apparently under the mistaken impression that the car belonged to one of the followers of Malcolm X. He left the car almost immediately and later stated that the two NOI occupants of the car had rifles.

Source advised that the group escorting Malcolm X then accompanied him into the Daily News Building and to the WPIX-TV studio without incident, arriving about 9:15 p.m., for the 9:30 p.m. program.

Source stated that among the NOI members observed on the street in front of the Daily News Building were Lieutenant Clarence (Johns), Assistant Minister Louis (Betsill) and Henry Evans.

Source further advised that following the "Hot Line" program which ended at 11:00 p.m., Malcolm X and his party departed the building without incident and without seeing any members of the NOI. Malcolm X was escorted by this group to his residence at 23-11 97th Street, East Elmhurst, Queens, New York, without incident. At Malcolm X's residence another MMI members, John D. X Davis, was on "guard duty" inside and was carrying a rifle. Also at Malcolm X's residence Hassan Abdullah, Abraham Taylor and Reuben Francis produced loaded rifles that they had been carrying in the cars in which they were riding. The escorting party and John D. X. Davis then dispersed to their respective homes.
Muslim Mosque, Incorporated

On February 2, 1965, it was advised that officers of the NYPD were on duty in front of the Daily News Building on the evening of February 2, 1965, in anticipation of the arrival of Malcolm X to appear there on the "Hot Line" television program. He advised that when Malcolm X and a group of his followers arrived shortly after 9:00 p.m., there were several NOI members present on the street in front of the building. At least two of these NOI members, Lieutenant Clarence John X and Richard 8X, were standing in the doorway of the building. However, Malcolm X and his group entered the building without incident. At 9:45 p.m., Richard 8X was overheard telling the other NOI members that they should get away from there in order to avoid trouble, and all the NOI members left at that time.

It was advised that there were no incidents and no arrests were made. He stated that no member of either group was observed carrying a rifle or any other weapon, and if such were present they were concealed in automobiles.

Characterizations of the Organization of Afro-American Unity (OAAU), Muslim Mosque, Incorporated (MMI) and the Nation of Islam (NOI) are attached hereto and all sources therein have furnished reliable information in the past.

On January 27, 1965, NY T-1, who has furnished reliable information in the past, furnished a copy of an OAAU news release dated January 27, 1965, captioned "Malcolm X Predicts Longest, Hottest and Bloodiest Summer of the Black Revolution." This news release read in part as follows:

"Malcolm X, chairman of the OAU will address the public Sunday, January 31 at 8:30 p.m. at the Audubon Ballroom at 166th Street and Broadway. The title of his lecture is Bullet or Bullet. Malcolm will contend that the current struggle for voter registration rights by the Afro-American will lead to the longest, hottest and bloodiest summer in the current freedom struggle."

On February 1, 1965, NY T-2 and NY T-3, both of whom have furnished reliable information in the past, advised that the OAU held a public rally on January 31, 1965, from 8:15 p.m. to 10:15 p.m. at the Audubon Ballroom, Broadway and 166th Street, New York City. There were approximately 550 persons in attendance.

Malcolm X spoke at length on the civil rights movement in the United States. He outlined the history of the rights struggle by stating that promises were made to the Negro in 1953 and all "we" got was the murder of National Association for the Advancement of Colored People (NAACP) leader Medgar Evers and of President John F. Kennedy. In 1964 more promises were made to the Negro and all "we" got was the murder of three civil rights workers in Mississippi and of a Negro educator in Georgia.

Malcolm X stated that so far in 1965 the Mississippi Freedom Democrat Party has been rebuffed in their effort to unseat the illegally elected United States Congressman from Mississippi and Negroes are being denied their right to register to vote in Alabama. Malcolm X states that unless something is done for Negro voter registration "we" must take "drastic steps", and he predicted the "longest, hottest, bloodiest summer ever". He further stated that the Negro youth of today will not submit to these wrongs but will "take action", and he claimed that the present mood of the Negro is away from non-violence.

Both NY T-2 and NY T-3 advised that Malcolm X was extremely careful in making the above remarks and made absolutely no mention of possible future violence in the civil rights field by himself or anyone else, nor did he encourage any specific action.
According to these two sources Malcolm X stated that the Negro masses have been deserted by the white liberals and that the Negro must look elsewhere for allies. He suggested that it was only natural to look to Africa and indicated that the Africans are ready and willing to assist the American Negro. He also referred to the Chinese Communists as "600 million dark people" who are not afraid of the United States and are willing to help the American Negro.

Malcolm X also remarked that recently he has purposely refrained from commenting about Elijah Muhammad and the NOI, but he plans to expose Muhammad's affiliation with the Ku Klux Klan.
