The following memo will provide background case summary and outline investigative action to date:

[redacted] aka [redacted] has been known to the New York Office (NYO) as a member of the May 19th Communist Organization (M19CO) and counsel for a number of defendants in prominent cases investigated by the Joint Terrorist Task Force (JTF-2). She again came to the attention of the NYO in January, 1985, through information provided from Legat, Bonn, that emanated from the West German Federal Criminal Police (BKA). b6 b7C

occasions and had visited convicted and incarcerated Red Army Faction (RAF) terrorist [redacted]

[redacted] again traveled to the FRG in 1986 and participated in a symposium at an International Congress of anti-imperialists and anti-resistance in West Europe.

The M19CO is characterized as a Marxist-Leninist group that advocates the overthrow of the United States Government with violence and armed struggle. The M19CO is the faction that split away from the Prairie Fire Organizing Committee (PFOC), which is the surface support group of the Weather Underground Organization (WUO) that promulgated the WUO philosophy.

Early in its existence, the M19CO began making alliances and ideological ties with other US terrorist groups, namely, the FALN, EPB-MACHETEROS and the REPUBLIC OF NEW AFRIKA. It appears that [redacted] acting on behalf of the M19CO, is currently attempting to expand ideological and operational ties from just the US terrorist groups, to include terrorist groups in Europe.

b6
b7C

When [redacted] met with convicted RAF terrorist [redacted] she gave him a brief description of the freedom fight in North America and spoke about the arrests of [redacted] and an unnamed male, probably [redacted] both of whom were arrested for possession of explosives, firearms, and false identification and convicted in Newark, New Jersey, United States District Court in 1985.

[redacted] asked [redacted] why North American Freedom Movements (NAFM) had not been included in RAF writings. [redacted] answered,"the RAF was aware of the NAFM in the US but that the conflict is a global point of view and the fight must first begin and be conducted (in Europe) where imperialism offers itself as the immediate enemy."

[redacted] then described incarcerated freedom fighters in the US, specifically referring to incarcerated Puerto Ricans.

She further stated that inmates in the US were strongly interested in the freedom fight and the status of prisoners in the FRG.

[redacted] further reported to [redacted] information about the maximun security prison in Marion, Illinois, and security measures. b6 b7C

[redacted] b1

[redacted] b7D

During the week of April 13, 1986, it was learned from monitored telephone conversations between incarcerated FALN leader [redacted] and the PUERTO RICAN CULTURAL CENTER that members of the MLN/FALN and members of the M19CO in Chicago were visited by two West German females who stayed at the PUERTO RICAN CULTURAL CENTER three days, and for the rest of the week stayed with M19CO members.

One of the females was identified as "the sister of the [redacted] woman," who was one of the founders of the BAADER-MEINHOFF terrorist group. This information is corroborated by the BKA who identified one of the four unsubs at the March 31, 1986 hearing of MARILYN JEAN BUCK and [redacted] as [redacted] sister. b6 b7C

Based on the documented visits with known international terrorists and the listing of subject's law office as a drop site, the Bureau approved a full field investigation on April 30, 1986. Additionally, the Bureau was requested to approve a mail cover on both the residence of [redacted] and her law office to cover only international mail. Although verbal approval of the mail cover has been received from SSA [redacted] the Bureau has not yet sent the necessary paper.

In a M19CO statement to the press, dated November 2, 1981, they said the M19CO is "committed to building a revolutionary movement that is part of the worldwide struggle to defeat US imperialism." The M19CO has a well documented history of violent activity. Their ideology calls for the continuance of armed struggle (bombings) to further their cause to defeat US imperialism. The M19CO regards US imperialism as a major enemy to be attacked and believes that armed struggle is the only way to achieve this goal.

The M19CO membership has done a great deal of travel both in the US and abroard, to include the FRG, Zimbabwe, Tanzania, Switzerland, Cuba and Nicaragua. b6 b7C

Most M19CO members live in residences using their true names; however, some including [redacted] live in apartments/residences after the tenant of record has moved, utilizing telephone subscribed to by other M19CO members. They utilize safe houses rented with false identification in which bombings, robberies and armed takeovers are discussed and planned, bomb and incendiary devices are manufactured, individuals are trained, and fugitives take refuge. Materials for these operations are also kept in safe houses. The M19CO members have been known to use pay telephones frequently and to employ the use of mail drops.

In NY, on March 31, 1986, four unsubs, three females and one male believed to be from the FRG, were observed at the hearing of MARILYN JEAN BUCK and [redacted] Both BUCK and

[redacted] participated in the Brinks Armored Car Robbery where two Nyack, NY, police officers and one Brinks Armored Car guard were killed. These four unsubs spoke with [redacted] the national leader of the JOHN BROWN ANTI KLAN COMMITTEE (JBAKC), and possibly with [redacted] an M19CO member.

On April 4, 1986, the following West Germans appeared at the court proceedings of BUCK and [redacted]

[redacted], DOB [redacted]
DOB: [redacted]
[redacted] DOB: [redacted]
[redacted] DOB:
[redacted] DOB:
DOB:

It is unknown if any of these were the same West Germans who appeared in court on March 31, 1986. It is believed that these six Germans met with [redacted] who is the one of the leaders of the FALN. A physical surveillance of the meeting at [redacted] residence confirmed that [redacted] attended with a number of unsubs, males and females. b6 b7C b7E

[redacted]

[redacted] requested permission to visit incarcerated prisoners [redacted] and [redacted] aka [redacted] for herself and [redacted] who is a German citizen and German attorney. They additionally visited three incarcerated female terrorists in Pennsylvania. The BKA has advised that [redacted] maintains contacts with the support circle of the RAF. She was also the attorney of record for RAF member [redacted]

Investigation to date has determined that a link between captioned subject and various international terrorist groups is

being established. It is believed that subject attempts to keep herself on the periphery of terrorist activities of the M19CO so as not to jeopardize her standing as an attorney and member of the New York State Bar Association.

Investigation to date has included CIA checks (not yet received), leads set to determine subscriber information on current toll calls, a request for financial records from the MANUFACTURERS HANOVER TRUST (MHT) bank for her law office bank records (MHT, to date, does not comply with NYO national security letters), and leads to Legats, Paris and Bonn, to continually evaluate contact with known RAF and GRAPO members.

As previously stated, [redacted] is beginning to make contact with known members of international terrorists organizations. Until the mail cover goes into effect, it will be difficult to determine the extent of her contacts as review of toll records for both her home and business only show limited international telephone calls.

b6
b7C

The following investigation has been conducted to date:

1) CIFU searches on selected individuals.

2) ISIS searches on selected individuals.

3) DMV checks on selected individuals.

4) ISIS computer check for reference between the domestic terrorist group and any international groups or known international terrorists.

5) Elsur checks for selected individuals.

6) Indices checks.

7) US State Department Passport Information requests (outstanding).

8) Bureau indices check.

9) US Customs Travel Stop.

10) Authorization for a full field investigation received 4/30/86.

11) Leads set from toll records of subject's home and business.

12) Current requests for new national security letter for both home and business telephones, to include a new telephone number that appeared after a review of toll records previously requested.

13) Outstanding leads with Legat, Paris, on toll calls and any additional information concerning both GRAPO and RAF connections to subject and her law office.

14) Obtain financial privacy letter to obtain American Express records for captioned subject and/or business.

15) Continued efforts to determine where subject maintains her personal bank account.

16) A complete review of all the domestic terrorism files on the M19CO and individuals involved with the M19CO.

[redacted] stated that a couple of years ago [redacted] lived with [redacted] for a short period of time at [redacted] apartment in [redacted] allowed [redacted] to stay with him inasmuch as [redacted] had no place else to go at the time. During his stay with [redacted] [redacted] placed and received many phone calls to and from Washington D.C. and New York, New York. [redacted] stated that he believed these telephone calls were from people involved with [redacted] leftist political movement.

Several years ago [redacted] stated, he learned from [redacted] that [redacted] had been placed in jail as a Grand Jury Resister in Washington, D.C. [redacted] told [redacted] this was due to his refusal to cooperate with the FEDERAL BUREAU OF INVESTIGATION(FBI) in some investigation.

Upon [redacted] release from jail, [redacted] telephonically contacted [redacted] from Washington, D.C. [redacted] indicated to [redacted] that he was extremely disenchanted and bitter with his movement due to the fact that while in prison he received absolutely no support from the other members of this movement. [redacted] indicated that he would soon

be leaving Washington, and relocate somewhere in New York.

[redacted] indicated that his last contact with [redacted] was sometime during January or February 1936. [redacted] indicated to [redacted] at that time that he had left the movement and was planning to get married soon. [redacted] has had no contact with [redacted] since that time.

During this interview [redacted] exhibited an honest and cooperative attitude, and attributed his past activities to youthful immaturity. [redacted] felt that [redacted] may be cooperative in an interview, due to his bitterness over lack of support he received from his fellow movement members during his incarceration as a Grand Jury Resister.

May 19th Communist Organization
Domestic Security/Terrorism

Full Domestic Security/Terrorism investigation authorized June 25, 1982, extended to November 9, 1986.

The May 19th Communist Organization in New York City continues to be headquartered at 326 Livingston Street, Brooklyn, New York (NY), telephone number (718) 522-7294, utilizing Post Office Box 3111, Cadman Plaza Station, Brooklyn, NY 11202. Front groups associated with the May 19th Communist Organization are the John Brown Anti-Klan Committee (JBAKC), 41 Union Square, NY, NY, telepone number (212) 989-8898, and the New Movement (NM) in Solidarity with Puerto Rican Independence and Socialism. The May 19th Communist Organization is a Marxist Leninist group that advocates the overthrow of the United States (US) Government through armed struggle--revolution. Members of the May 19th Communist Organization are linked through evidence to known terrorist organizations such as the New Afrikan Freedom Fighters (NAFF), a clandestine organization comprised primarily of black revolutionaries engaged in terrorist activites, and the Fuerzas Armadas De Liberacion Nacional (FALN), an armed clandestine Puerto Rican terrorist group dedicated to ending the US control of Puerto Rico.

Seized incidental to the above arrests were numerous weapons, hundreds of pounds of explosives, and a large volume of false identifications. Documentary evidence seized indicated that these arrests and seizures inflicted a devistating blow to the clandestine arm of the May 19th Communist Organization.

IT SHOULD BE NOTED THAT THESE NAMES WERE TAKEN FROM A PUBLISHED AGENDA DISTRIBUTED AT THE SAN JUAN MEETING. THEY DID NOT PROFESS TO BE OR GIVE AN INDICATION THAT THEY WERE CUBAN GOVERNMENT OFFICIALS.

NY WILL LEAVE TO THE DISCRETION OF THE SAN FRANCISCO OFFICE ANY INQUIRIES MADE WITH THE CIA.

UNDER THE NEW ATTORNEY GENERAL GUIDELINES, THESE MATTERS CAN BE

PURSUED AGGRESSIVELY WITH A CRIMINAL PROSECUTIVE THRUST. THIS TYPE OF APPROACH HAS CONTRIBUTED SIGNIFICANTLY TO THE SUCCESS IN THE DOMESTIC TERRORISM PROGRAM WITHIN THE PAST TWO YEARS.

FOR THIS AND OTHER REASONS OF BOTH A SUBSTANTIVE AND ADMINISTRATIVE NATURE, WHICH WILL NOT BE ENUMERATED HEREIN NY, WOULD RECOMMEND THAT SF NOT CHANGE ITS APPROACH IN THESE MATTERS FROM A CRIMINAL TO AN FCI THRUST.

OF COURSE, SHOULD LINKS BE ESTABLISHED BETWEEN INDIVIDUAL MEMBERS OF THESE GROUPS AND REPRESENTATIVES OF FOREIGN HOSTILE GOVERNMENTS, NY WOULD CONCUR THAT A SEPARATE FCI INVESTIGATION BE INITIATED AND IN FACT HAS DONE SO IN THE RECENT PAST. THESE ANCILLARY FCI INVESTIGATIONS, HOWEVER, DO NOT DETRACT FROM NOR DO THEY ACT AS SUBSTITUTES FOR THE PRINCIPLE INVESTIGATION OF THE CRIMINAL ENTERPRISE ITSELF.

NY WILL FORWARD TO SF, UNDER SEPARATE COVER, COPIES OF LHM'S AND OTHER MATERIAL WHICH DEALS WITH KNOWN CONNECTIONS BETWEEN THESE GROUPS AND FOREIGN COUNTRIES.

Area Organizer:

Special Work Brigades to Nicaragua!

Since December 1983, some 1,500 North Americans have traveled to Nicaragua as members of international work brigades. They have labored alongside Nicaraguans in the cotton and coffee harvests and worked on reforestation and construction projects. Together with other volunteers from around the world, they have contributed to the economic development of this small country, suffering severe hardships due to the U.S.-sponsored war and its accompanying policy of economic strangulation. These North Americans have gained first-hand knowledge of Nicaragua's achievements as well as its problems as they share the daily lives of the Nicaraguan people.

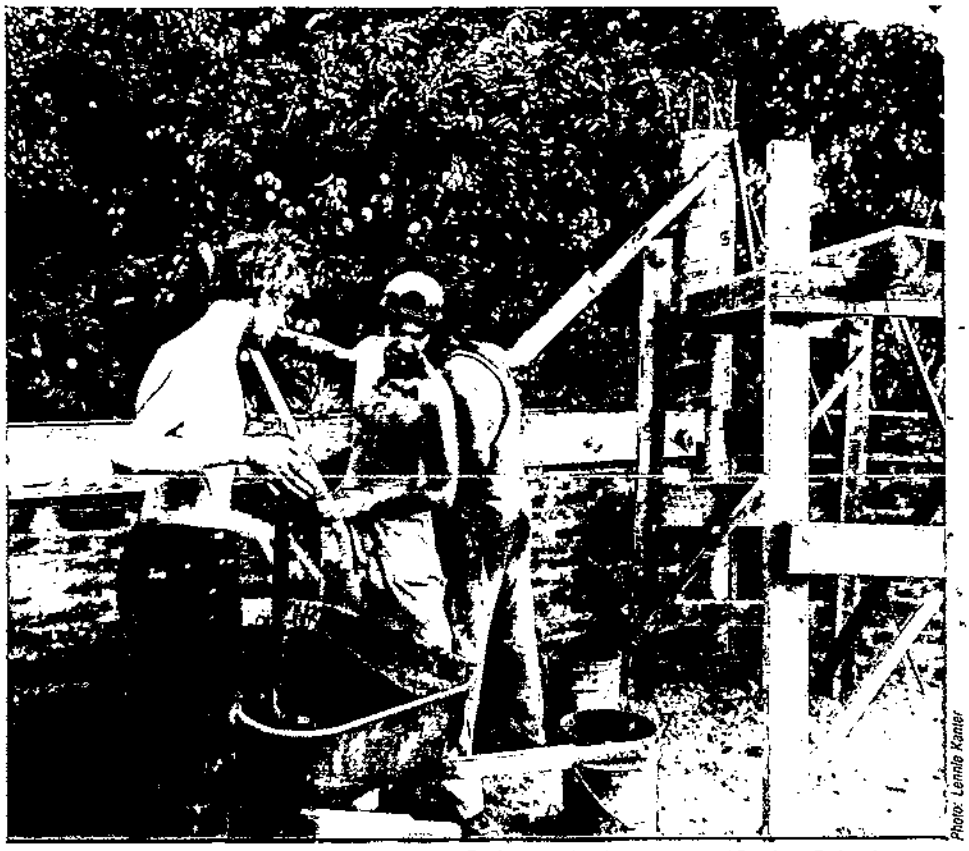

Photo: Lennie Kanter

*The Nicaragua Network organizes **Special Reforestation Brigades** and **Project Brigades.***

Join the Reforestation Brigades

The Special Reforestation Brigades are co-sponsored with the Environmental Project on Central America (EPOCA), formerly Environmentalists for Nicaragua, a group of environmentalists from a wide variety of organizations who are working together to forge a peaceful and environmentally sound solution to the Central America crisis.

Reforestation Brigades complement the long-range environmental plans developed by the Nicaraguan Institute for Natural Resources and the Environment (IRENA) in which tens of thousands of trees are being planted to provide windbreaks, and protect Nicaragua's precious farmland against flooding and erosion.

Brigades will go to Nicaragua during the months of June and August. Each fifty-member brigade will be comprised of a mixture of environmentalists and non-environmentalists. Participants are encouraged to organize fundraisers in order to bring equipment such as picks and shovels.

...or the Project Brigades

The Project Brigades are designed as an outreach to people with trade skills, and will be organized from a specific geographical area. Groups of ten to twenty-five will travel to Nicaragua to build schools, clinics, housing, or work on other projects. At the moment priority is being given to providing housing for Nicaraguans who have been dislocated by the war. Numerous families have been relocated in "asentamientos" (new housing) in safer areas of the country. North American volunteers would participate in the building of these new homes. Groups will include at least two persons with specialized skills for every five participants. They will be in Nicaragua for at least one month. Due to the enormous cost of the U.S.'s continuing economic and military war the cost of all needed tools and materials will be borne by the brigade.

*The Nicaragua Network is working to broaden participation in the solidarity and anti-intervention movement by reaching out to environmentalists and people with construction skills. Brigades, however, are open to people without specific skills. Brigades provide a concrete way to mitigate the effects of the U.S. embargo, and leave a lasting symbol of the U.S. people's friendship with Nicaragua. Brigade participants directly counter the violence and destruction resulting from U.S. policy and return well prepared to discuss a change in this policy. The work is demanding. Climate, food and living conditions are difficult for some Americans to adjust to. Brigades are not tours, but specific **people-to-people work projects.** For those who are willing to accept the rigor and self-discipline required, participation in a work brigade to Nicaragua can be a rewarding and unforgettable experience.*

*The Reforestation Brigades are of 4 weeks duration, usually during June and August. The approximate cost for individual participation in either type of brigade is $700 **not including transportation to Mexico.** Additionally, each Project Brigade must raise between five and ten thousand dollars for their project. To apply, contact the Area Organizer listed in this brochure. If there is no Area Organizer, contact the Nicaragua Network directly at 2025 I St. NW Suite 1117, Washington D.C. 20006. (202) 223-2328. For information on the Harvest Brigades, which will resume in late fall, contact the Nicaragua Exchange, 239 Centre St., N.Y., N.Y. 10013. (212) 219-8620.*

"They're tackling the huge task of basically trying to reforest a major part of Nicaragua which was deforested in the last 25 years...all the different areas of environmental concern are being addressed; their general program is based on this; not just individual projects."

Peter Goode—Horticulturist, San Francisco

"I would like to do something in which I am directly involved in...propagating a greener, more rooted Nicaragua. A Nicaragua so strong and stable in itself, that the Northern wind does not gradually erode it to the point of dusty barren fields..."

comments—1985 Reforestation Application Form

"It is clear to us that the Nicaraguan people want only what all reasonable and humane people want: to live in peace, to have friendly and honorable relations with other countries, to build a better society for themselves—one free of hunger, poverty, illiteracy, disease, brutality, and exploitation, and to contribute towards the building of a better world for all the world's people."

(Experiences of members of the Leonard Peltier Squad—January 1984, Punta Nata, Nicaragua)

Photo: Lennie Kanter

"Noting the fact that the Contras were destroying so much of what the Sandinistas had built—schools, health posts—we devised the notion of a Construction Brigrade, a counterforce to destruction."

CAPTIONED INVESTIGATION HAS, AND CONTINUES TO INVOLVE NUMEROUS SENSITIVE SOURCES. CONTENTS SHOULD NOT, REPEAT NOT, BE DISSEMINATED OUTSIDE FBI-TASK FORCE IN THAT SOURCES WOULD BE JEOPARDIZED.

COMMENT

NYO RECOGNIZES/APPRECIATES THE VALUE OF [redacted] SINCE POSITIVELY IDENIFYING [redacted] IN CUBA IN SEPTEMBER, 1985. THIS DIRECT CONTACT, WHETHER PERSONAL, OR THROUGH CONSENSUAL TELEPHONE MONITORING IS ESSENTIAL TO CAPTIONED FUGITIVE INVESTIGATON. UNLESS

SUCH CONTACT IS DONE ON A REGULAR BASIS NYO CAN NOT PROPERLY ASSESS SUCH INFORMATION AS RECEIVED IN THE BODY OF THIS COMMUNICATION, NOT TO MENTION WASTING RESOURCES. IT IS BELIEVED THERE HAS BEEN NO CONTACT FOR APPROXIMATELY THREE MONTHS BETWEEN SENSITIVE SOURCE AND FUGITIVE. THE MONITORING OF PEN REGISTERS (ONE TO EXPIRE ON DECEMBER 2, 1986); PHYSICAL SURVEILLANCES, TELEPHONE TOLL RECORDS, WORK RECORDS WILL BE FUTILE WITHOUT REGULAR CONTACT BY CG SOURCE AND FUGITIVE. WITHOUT SUCH COORDINATION NYO OR OTHER FIELD DIVISIONS MAY WASTE VALUABLE RESOURCES IN ATTEMPTING TO ASSESS SUCH RAW DATA. CG SOURCE IS, AND CONTINUES, TO BE AN INVALUABLE MULTIDIMENSIONAL ASSET THAT MUST BE FULLY UTILIZED IN ORDER FOR CAPTIONED MATTER TO RESULT IN THE ARREST OF [redacted]. b6 b7C

THE GROUP STARTED ASKING QUESTIONS ABOUT FBI INVESTIGATIVE PROCEDURES AND DEMANDING FBI FILES. ASAC [redacted] THEN ATTEMPTED TO ADDRESS THE GROUP'S CONCERNS, HOWEVER, SOON FOUND THAT THE PROTESTORS WERE NOT WILLING TO ACCEPT HIS STATEMENTS. INSTEAD THEY DEMANDED THAT [redacted] SUPPLY THEM WITH A WRITTEN STATEMENT FROM THE FBI RECOMMENDING THAT THE LEXINGTON PENITENTIARY BE CLOSED AND INDICATING THAT THE FBI WOULD INSTITUTE AN INVESTIGATION OF THE U.S. PRISON SYSTEM. AFTER TALKING WITH THE GROUP FOR OVER 15 MINUTES, ASAC [redacted] ASKED THE CONTINGENT TO LEAVE THE AREA. WHEN THE BULK OF THE GROUP REFUSED, ASAC [redacted] ASKED THE FEDERAL PROTECTIVE SERVICE TO HANDLE THE SITUATION. WHEN THE FPS ASKED THE GROUP TO LEAVE, SOME MEMBERS DID AS REQUESTED, HOWEVER, EIGHT INDIVIDUALS REMAINED AND WERE REMOVED AND ARRESTED BY THE FPS.

b6
b7C

IT IS NOTED THAT THE THRUST OF THE PROTEST INVOLVED THE PUERTO RICAN INDEPENDENCE MOVEMENT AND MORE SPECIFICALLY INCARCERATED FALN MEMBER [redacted] AND INCARCERATED MAY 19TH COMMUNIST ORGANIZATION MEMBER [redacted] BOTH OF WHOM ARE AT THE LEXINGTON FACILITY.

MANY OF THE PROTESTORS WERE MEMBERS OF THE M19CO. PRIMARY SPOKESMAN WAS [redacted] WITH [redacted] ALSO TAKING A LEAD ROLE. IT WAS APPARENT THAT THE GROUP ANTICIPATED ARREST INSOFAR AS THEY TELEPHONICALLY CONTACTED VARIOUS LOCAL MEDIA PRIOR TO THEIR ARRIVL AT THE FBI OFFICE. THEY ALSO BROUGHT THREE LARGE BANNERS WHICH THEY DISPLAYED SHORTLY BEFORE BEING REMOVED FROM THE BUILDING AND THEY LEFT COPIES OF A TYPEWRITTEN MESSAGE ENTITLED "STATEMENT OF OCCUPATION OF THE FBI OFFICE, CHICAGO, DECEMBER 16, 1986."

b6

THERE WAS NO VIOLENCE OR DAMAGE IN CONJUNCTION WITH THE PROTEST.

By airtel dated 11/15/83 under the NYFAL caption, New York advised that a highly confidential source had provided information indicating that [redacted] may be a member of the inner core of the FALN. in MLN activities in the New York area. Source information reflects that [redacted] was introduced to [redacted] New York MLN leader, by [redacted] subsequently introduced [redacted] to [redacted] for political education, and [redacted] became part of [redacted] and [redacted] study group.

[redacted] The above information regarding the introduction by [redacted] is made reference in this communication solely to highlight the obvious close ties that [redacted] has with the FALN. Investigators in the Sequel matter have previously suggested that the selection of [redacted] to purchase explosives for an FALN operation was based on his long time connections with FALN and M19CO members. b6 b7C

In an effort to locate the Sequel Six, Los angeles has targeted several Los angeles area PFOC members for investigation, to include surveillance, toll record check, and pen registers. [redacted] PFOC leader, and known associate of the Sequel Six has been the primary target in Los angeles. Investigation of [redacted] has not developed any significant information.

The purpose of this communication is to suggest that in view [redacted] frequent contact with BERKMAN, known past association with [redacted] and known association with FALN suspects, that she might at this time be targeted for extensive investigation. Based on the evidence located subsequent to the arrest of BERKMAN, indicating a link to the Sequel Six, it is evident that the Sequel Six and other possible underground cells maintain contact with above ground members. It is essential that in order to locate the Sequel Six and other underground cells that the conduit utilized by above ground members to communicate with the underground be identified. The identification of this conduit can only be accomplished by extensive monitoring of the activities of the hardcore above ground leaders with in the FALN, M19CO, and the PFOC.

While the NYO does not conclude from this that there are no links, it does conclude that there is no purpose served in leaving this case in an open status. INDEPENDENCE (NM) HELD IN THE NEW YORK CITY AREA AND DURING THIS MEETING [redacted], LEADER OF THE NEW MOVEMENT IN NEW YORK CITY AND A M19CO ASSOCIATE, PLANNED AN ACTION, BELIEVED TO BE A SIT-IN DEMONSTRATION FOR MARCH 20, 1987, AT THE FBI FIELD OFFICE LOCATED AT 26TH FEDERAL PLAZA, NEW YORK, NY.

SOURCE STATED THAT THIS ACTION MAY BE HELD IN CONCERT WITH THE "SUPERWOMAN" GROUP BASED IN VERMONT THAT OPPOSES THE CONDITIONS AT THE WOMAN'S DETENTION UNIT IN LEXINGTON, KENTUCKY (A FEDERAL CORRECTIONAL INSTITUTION FOR WOMAN).

b6
b7C

SOURCE STATED THAT [redacted] WAS LOOKING FOR MEDIA COVERAGE OF THIS EVENT AND THAT THE ACTION WILL COMPRISED OF NO FEWER THAT 10 WOMAN, NO MALES.

AND HANGING BANNERS). SOURCE SAID THAT ON MARCH 12, 1987, [redacted] WILL DISCUSS WITH THE GROUP THE RESULTS OF HER RESEARCH.

BASED ON THE ABOVE INFORMATION, NEW YORK IS OF THE OPINION THAT THIS ACTION PLANNED BY [redacted] NEW MOVEMENT ORGANIZATION MAY TURN OUT TO BE SIMILIAR TO THAT EXPERIENCED ON DECEMBER 16, 1986, BY THE CHICAGO OFFICE, WHERE EIGHT INDIVIDUALS WERE ARRESTED FOLLOWING A TAKE OVER OF THE CHICAGO RECEPTION ROOM BY 15 OR 20 DEMONSTRATORS. b6 b7C

IT WAS APPARENT AT THAT DEMONSTRATION THAT THE GROUP ANTICIPATED ARREST IN AS FAR AS THEY TELEPHONICALLY CONTACTED VARIOUS LOCAL MEDIA, PRIOR TO THEIR ARRIVAL AT THE FBI OFFICE, AND ALSO THE FACT THAT THEY BROUGHT THREE LARGE BANNERS WHICH THEY DISPLAYED SHORTLY BEFORE BEING REMOVED FROM THE BUILDING. THEY ALSO LEFT COPIES OF A TYPE WRITTEN MESSAGE ENTITLED "STATEMENT OF OCCUPATION OF THE FBI OFFICE, CHICAGO, DECEMBER 16, 1986". THERE WAS NO VIOLENCE OR DAMAGE TO PROPERTY CONJUNCTION WITH THAT PROTEST.

FOR INFORMATION OF THE BUREAU, ON MARCH 9, 1987, NEW YORK OFFICE ENHANCED THE SECURITY OF THE OFFICE SPACE ON ALL FIVE FLOORS AND POSTED AN AGENT AT EACH STREET ENTRANCE INTO 26~~TH~~ FEDERAL PLAZA.

AT THAT TIME, [redacted] WAS APPROACHED AND ASKED WHY SHE WAS IN FBI SPACE AND SHE ADVISED THAT SHE WAS GATHERING INFORMATION REGARDING VARIOUS GOVERNMENT AGENCIES AND THAT THIS INFORMATION WILL BE USED IN A SOCIAL STUDIES CLASS SHE WAS TEACHING AT A UNIVERSITY NEAR HER HOME. 2. ONCE COMPLETED, ALL INDIVIDUALS THEN PROCEED TO THE 28TH FLOOR WHERE THE DEMONSTRATION BEGINS.

NEW YORK WILL MAKE EVERY EFFORT TO MONITOR THE PROGRESS OF THIS PLANNED DEMONSTRATION AND TAKE APPROPRIATE PREPARATORY STEPS AS NEEDED.

From : SA [redacted] III (JTF-2)

Subject : MAY 19TH COMMUNIST ORGANIZATION (M19CO);
DOMESTIC SECURITY/TERRORISM
(OO:NY)

THE FOLLOWING SOURCE INFORMATION, OBTAINED FROM NEW YORK CITY POLICE DEPARTMENT (NYCPD), IS CONSIDERED SENSITIVE IN NATURE AND SHOULD NOT BE DISSEMINATED OUTSIDE THE FBI, OR JOINT TERRORIST TASK FORCE.

Re memo of SA [redacted] on 3/9/87.

On 3/13 and 16/87 Detective [redacted] Intelligence Division, NYCPD, provided writer with the following information:

On 3/12/87 a meeting was held by the NEW MOVEMENT IN SOLIDARITY WITH PUERTO RICAN INDEPENDENCE (NM) in NYC. [redacted] the leader of the NM in NYC, discussed her visit to the FBI office, 26 Federal Plaza, NYC, on 3/10/87. She advised that all visitors to 26 Federal Plaza enter through one, of two, entrances and pass through security check points. Upon entering the elevator to the FBI office, [redacted] stated she was followed (in the elevator). [redacted] observed the FBI office on the 28th floor to be a secure space as access to the FBI space was closed off. [redacted] also commented on the FBI reception area as being closed off by "bullet-proof plastic" with no access to other areas. [redacted] mentioned she was surprised when confronted by two men, one with gray hair, who recognized her from upstate NY. [redacted] stated the gray haired man followed her down the elevator and out the building. b6 b7C

During the course of [redacted] reconnaissance, she stated she did not observe any surveillance from her residence to the FBI office, or surveillance once she departed the Federal building.

[redacted] stated plans to sit-in/demonstrate in the FBI New York office would be cancelled, in view of the tight security. However, [redacted] stated the demonstration at MCC on 3/20/87, at 12 noon, would be held as scheduled. The only change in this demonstration would be limiting participation to females, and not males. This is a last minute change and is not reflected on the flyer which was distributed amongst variou groups. These groups would probably include NM, JOHN BROWN ANTI-KLAN COMMITTEE, SUPER WOMEN and Puerto Rican groups, and the demonstration would include a "guerrilla theater". (Flyer for this demonstration is attached.)

There is a possibility that the "SUPER WOMEN", a female activist group in Vermont (not further described), may participate at the MCC demonstration. [redacted] (M19CO member), who has maintained contact with this group for approximately one year, has brought to the group's attention the FCI Lexington treatment of prisoners. "The purpose of the government's counter-insurgency strategy is to destroy the growth and support of our struggles for national liberation and social justice and to deter dissent and civil disobedience...We will continue...We must dare to struggle, dare to win."

*Alejandrina Torres, Puerto Rican Prisoner of War, HSU, Lexington

"The HSU [High Security Unit] belies the government's position that there are no political prisoners in the U.S....Our movements can, with dignity, demand that we be free and all the control units be closed...Defend us and we will defend you. Venceremos!"

*Susan Rosenberg, Northamerican anti-imperialist political prisoner, HSU, Lexington

In October, 1986, the federal Bureau of Prisons opened the first special prison-within-a-prison for 16 political women in Lexington, Kentucky. The purpose of HSU (High Security Unit) is explicitly political and explicitly designed to isolate and "break" the women. Conditions there include complete isolation from all prisoners in general population, no social visits with anyone except family, constant video surveillance, no educational programs, sub-basement cells painted glossy white with no natural light.

The U.S. government has housed women in HSU who it considers its biggest threat because they are uncompromising fighters. The government is afraid of the example these women provide and is holding HSU over the heads of all of us who are trying to fight racism, to work for justice and peace. They want to keep protest within acceptable, legal bounds. The women at HSU are a constant example of resistance. And RESIST we must!

May 19th Communist Organization
Domestic Security/Terrorism

For the purpose of background, in 1976 there emerged for the first time a group of individuals who had joined together for the purpose of committing, and who did commit, a series of armed robberies and attempted armed robberies, called "expropriations," and other terrorist acts. This group, known as "The Family" or "The Collective," was supported in these armed robberies and other terrorist acts by members of the May 19th Communist Organization.

According to [redacted] "The Family" consisted of former members of the Black Liberation Army and others. [redacted] stated "The Family" engaged in a series of armed robberies known as "expropriations" for the purpose of financing the activities of the Republic of New Afrika (RNA) which seeks the separation of the States of Alabama, Mississippi, Georgia, South Carolina and Louisiana from the United States.

On October 20, 1981, members of "The Family" robbed an armored truck in Nanuet, New York. In this robbery, known as the Brinks Robbery, they were armed with an M-16 automatic rifle, nine (.9) millimeter automatic pistols, and a shotgun. The robbery was successful, although two police officers and one security guard were murdered during its commission and ensuing escape. Several individuals were arrested at the scene and other locations which ultimately led to an indictment and trial in the Southern District of New York (SDNY). This indictment charged that this group of individuals committed a series of robberies and attempted robberies and also assisted in the escape in November 1979 of [redacted] also known as (aka) [redacted] a leader of the BLA, who was serving a life sentence for the murder of a New Jersey State Police Officer. [redacted] is still a fugitive and, according to [redacted] was assisted in her escape by [redacted] an admitted member of the May 19th Communist Organization. [redacted] was subsequently convicted relative to her part in the [redacted] escape and the attempted robbery of an armored truck in Danbury, Connecticut.

May 19th Communist Organization
Domestic Security/Terrorism

Approximately four months after the Brinks Robbery, on October 20, 1981, the FALN planted four bombs in New York City's Wall Street area. Between the hours of 11:25 p.m. and 11:45 p.m., on February 28, 1982, four bombs exploded outside the offices of Merrill Lynch, the Chase Manhattan Bank, the New York Stock Exchange, and the American Stock Exchange.

At approximately 12:17 a.m., about one-half hour after the last bomb detonated, an FALN communique was recovered from a telephone booth located on Riverside Drive and 91st Street in Manhattan. Police were led to the telephone booth by an anonymous call to Associated Press, New York City. The caller stated that he represented the FALN.

This communique made clear with the following words that the bombings of the FALN were made in support of the incarcerated Brinks defendants:

> "To the Black Freedom Fighters who are presently receiving the full weight of the Yankee repressive machinery and who are being killed and tortured by these agents of death, your strength, courage and will to fight has inspired us. We support your fight against the colonial enslavement of your people and for New Afrika and we are as certain of the inevitability of your victory as we are of ours.
>
> "We also wish to express our solidarity with the three North Americans captured in the Brinks expropriation. By linking up with your black comrades and making their struggle your own you have put into practice the Leninist principles which states that the duty of the working class and its advanced sectors in the imperialist countries is to actively assist and fight for the liberation of the colonies. Companeros, we salute you for your example, unselfishness and total commitment to national liberation and the international working class revolution."

The three North American revolutionaries referred to in this communique were none other than [redacted] national spokesperson for the May 19th Communist Organization, and [redacted] and [redacted] Weather Underground fugitives. All three were captured attempting to flee from police on October 20, 1981.

At the time of these bombings, [redacted] and [redacted], both of whom are leaders of the May 19th Communist Organization, lived together in an apartment at [redacted] in Manhattan, six blocks from the telephone booth where the communique was recovered.

On November 9, 1982, a search warrant stemming from the Brinks case was executed on [redacted] apartment, and recovered was an exact carbon copy of the communique which was found in the telephone booth on the night of the bombings. Examination by the FBI Latent Fingerprint Section revealed that the fingerprints of May 19th Communist Organization member [redacted] were found on the exact carbon copy of the FALN communique. The fingerprints of [redacted] were found on a draft of the FALN communique bearing handwritten corrections. All of these corrections were incorporated in the final draft recovered at the telephone booth.

[redacted] and [redacted] were subpoenaed to testify before a grand jury in the Eastern District of New York (EDNY) which was investigating the criminal activities of the FALN.

On February 2, 1983, both [redacted] and [redacted] refused to obey a court order to testify before the grand jury.

[redacted] and [redacted] were subsequently convicted of Criminal Conspiracy in United States District Court, EDNY, on January 20, 1984. [redacted] was released from prison on January 30, 1987. On September 26, 1981, a demonstration was held at John F. Kennedy International Airport in New York for the purpose of protesting the arrival of a South African rugby team. During the demonstration, May 19th Communist Organization members [redacted] and [redacted] were arrested, along with others, for throwing a caustic substance into the face of a police officer of the Port Authority of New York/New Jersey. According to Assistant District Attorney [redacted] of Queens County, New York, [redacted] pleaded guilty to a charge of riot in the second degree on June 14, 1982, as a result of this incident. [redacted] is a fugitive.

Following the October 20, 1981, Brinks Armored Car Robbery, the participants in the robbery returned to the safehouse located at [redacted] New York. This safehouse was rented by Marilyn Jean Buck, utilizing false identity. It was at this safehouse that May 19th Communist Organization member Dr. Alan Berkman treated Marilyn Buck for a gunshot wound.

Subsequent interviews were conducted of the [redacted] positively identified a photograph, from a photo spread, of [redacted] as having been in the building in the spring of 1981, prior to the Brinks Armored Car Robbery. He also identified a photograph of May 19th Communist Organization member [redacted] an attorney who works closely with [redacted] as having been in the safehouse building.

On January 31, 1983, agents and detectives of the New York Joint Terrorist Task Force searched an apartment located at 210 Taafe Place, Brooklyn, New York, known as the Madame Binh Printing Collective, pursuant to a search warrant. This apartment contained printing and photographic equipment, including a negative plate from which posters were reproduced. One poster bore the picture of [redacted] and the words "Traitor," "Wanted Dead or Alive." [redacted] was a cooperating government witness in the Brinks Armored Car Robbery trial in the

SDNY. The Latent Fingerprint Section of the FBI determined that the negative plate bore the fingerprints of May 19th Communist Organization member [redacted] Also found in the apartment were countersurveillance photographs of members of the New York Joint Terrorist Task Force consisting of FBI agents and New York City Police Department detectives. b6 b7C

On December 16, 1982, at approximately 7:38 p.m., an explosive device detonated at the rear of an office building at 600 Mamaroneck Avenue, Harrison, New York. The device has been placed against the exterior wall at the rear of the building behind a hedge. Damage to the building was superficial and consists mainly of broken windows at the rear of the building.

The building is a five-story office building of which four floors are occupied by IBM as a marketing and sales services office. The fifth floor is occupied by General Electric and also contain attorneys' offices.

Prior to the bombing at approximately 7:00 p.m., December 16, 1982, a telephone call was received by "Gannett-Westchester Newspaper," White Plains, New York, by an anonymous male (sounded like a white male), with no noticeable accent, stating:

> "Listen very carefully. I'm only going to say this once and fast. There is a huge bomb at the IBM Headquarters at 600 Mamaroneck Avenue in Harrison. You have thirty minutes to get everybody out. It's a huge bomb that will destroy the whole building. We also did the same thing to the South African Airlines."

The above call was again made at approximately 7:05 p.m., stating the same message.

During January, 1983, a confident source within the Federal Correctional Institution provided a communique from the United Freedom Front (UFF) taking credit for the bombing of the

South African Purchasing Office and the IBM Corporate Office Complex. This communique was received by mail and attached to it was a cover transmittal letter, dated December 30, 1982, from the Coalition to Defend the October 20th Freedom Fighters (CDO20FF).

Witnesses provided descriptions of two suspicious white males in the office building just prior to the explosion. With the aid of these descriptions, two composite sketches were made.

On January 28, 1983, a bombing attack took place at the FBI office, Staten Island, New York. This attack was claimed by a group calling itself the Revolutionary Fighting Group in a telephone call to United Press International (UPI) after the explosion. The recipient of the call stated the call was a tape recorded message.

On April 26, 1983, a bombing occurred at the National War College, Fort McNair, Washington, D.C. The bombing was claimed by a group calling itself the Armed Resistance Unit (ARU) in telephone credit calls and communique.

On May 12, 1983, at approximately 11:17 p.m., an explosive device detonated at the Theodore Roosevelt Junior Army Reserve Center, 101 Oak Street, Uniondale (Nassau County), New York. The device was placed in front of the premises and the explosions caused extensive damage to the building but no injuries.

Prior to the bombing, at approximately 10:50 p.m., May 12, 1983, a telephone call was placed to a volunteer suicide hotline center, Middle Earth Crisis Center, 2740 Martin Avenue, Bellmore, New York. The caller was an unknown female who stated, "I have reached the Middle Earth Crisis center? This is very important. Write this down because I'm only going to say this once. A bomb has been placed in the United States Army Reserve Center on 101 Oak Street. Please call the Hempstead Police and have them evacuate the building and surrounding area. The bomb has been placed by the United Freedom Front and is set to go off in 25 minutes. Viva El Salvador."

The caller then immediately hung up. The female caller was described as having good grammar and speech with no detectable accent.

At approximately 10:52 p.m., a second telephone call was received at a Dunkin Donuts Shop, 976 Hempstead Turnpike, Uniondale, New York, which is only blocks away from the United States Army Reserve building. The caller was again an unknown female who stated, "There is a bomb at the United States Army Reserve on Oak Street and it's going to explode in 25 minutes, call the Hempstead Police." The female caller had mentioned some organization, but the two individuals at Dunkin Donuts who received the call could not understand the name.

On May 13, 1983, at 12:30 a.m., an explosive device detonated at the Naval Reserve Center, 150-74 Sixth Avenue, Whitestone (Queens), New York. The device was placed against a garage door of the premises and subsequent damage was slight. No warning telephone call was received in regards to this device.

On August 18, 1983, a bomb exploded at the Navy Computer Center, United States Navy Yard, Washington, D.C. This bombing was claimed by the ARU.

On August 21, 1983, at approximately 10:24 p.m., two explosive devices detonated at the Sergeant John Muller United States Army Reserve Center, 555 East 238th Street, Bronx, New York.

On August 21, 1983, at approximately 10:50 p.m., an anonymous call was placed to the "New York Times" by an unknown female. This female advised a night reporter that a communique could be found in a mailbox in front of a United States Post Office on Philips Street. Shortly thereafter, two Xerox copies of a communique from the UFF were recovered from a mailbox at the Throgs Neck Post Office, 3630 East Tremont Avenue, Bronx, New York, claiming responsibility for the two bombings.

May 19th Communist Organization
Domestic Security/Terrorism

On November 7, 1983, a bombing occurred in the United States Capitol Building, Washington, D.C. An unidentified caller to the "Washington Post" claimed credit on behalf of the ARU.

On December 17, 1983, "Newsday," a Long Island newspaper, received a call from an individual claiming to represent the UFF. The caller stated that three bombs were placed in the Navy Recruiting Office, 1975 Hempstead Turnpike, East Meadow, New York. The Nassau County Police Department responded and evacuated the building. At approximately 11:48 a.m., two bombs detonated in the stairwells just outside the recruiting office. A subsequent call was placed to UPI, New York City, advising that a communique could be found in a United States Postal mailbox in lower Manhattan. The communique was recovered and claimed credit for the East Meadow bombing on behalf of the UFF.

On December 14, 1983, UPI, New York City, received an anonymous call warning of a bomb set to explode at Honeywell Corporation, 2430 Skillman Avenue, Queens, New York. Upon arriving at Honeywell, New York City police officers observed two briefcases outside the building. One briefcase had the word "BOMB" printed in white tape on the outside. The briefcases were transported by the New York City Police Department Bomb Squad to the demolition range, Bronx, New York, and were opened with a water cannon. One briefcase contained an explosive device. The second briefcase contained a communique, number five, from the UFF. A second call was received at UPI and the caller advised that a UFF communique was placed in a United States Postal mailbox at 60th Street and Amsterdam Avenue, New York City. The communique was recovered from the mailbox, along with a copy of the communique found in the briefcase.

On January 12, 1984, UPI, New York City, received a call from an individual representing the UFF. The caller stated that a communique could be found in a United States Postal mailbox at Eastern Parkway and Washington Street, Brooklyn, New York. Three copies of the communique were recovered from the mailbox. The communique warned of future acts by the UFF. The targets were described as private corporations having military contracts, the military and law enforcement.

May 19th Communist Organization
Domestic Security/Terrorism

On January 27, 1984, UPI, New York City, received a call from the UFF warning that a bomb was placed at the Motorola Corporation, Whitestone Expressway, Queens, New York. Police responded and observed a duffle bag hanging from the garage door at Motorola. The word "BOMB" was printed on the bag.

A short time later, the bomb exploded. Recovered in the Motorola parking lot were three copies of a UFF communique.

On March 19, 1984, Stouffers Inn, White Plains, New York, and the Hilton Hotel, Rye, New York, received telephone calls warning of a bomb at the IBM Building, 300 Westchester Avenue, Harrison, New York. The bomb subsequently detonated causing extensive damage to the building. Five copies of a UFF communique were recovered at the scene.

The communiques issued by the ARU which claimed credit for the three Washington, D.C., bombings demand an end to United States military involvement in Central America. The communiques issued by the UFF are varied in protest and demand. Issues ranging from United States military involvement in Central America, Grenada and Lebanon as well as issues concerning United States corporations having military contracts are addressed. United States corporations involved in South Africa (Apartheid Policy) is also protested in some communiques. Other issues such as grand jury resisters and "locked down freedom fighters" are applauded in some communiques.

It is noted that all of the ARU and UFF communiques, as well as some of the FALN communiques, have been reprinted by the May 19th Communist Organization.

Also, investigation has determined that the May 19th Communist Organization, the UFF, and the other groups have banded together in a loose coalition to further their causes.

The Explosives Unit, FBI Laboratory, has conducted examinations of evidence recovered at the scene of the explosions claimed by the UFF, ARU and Revolutionary Fighting Group.

May 19th Communist Organization
Domestic Security/Terrorism

The explosive device components recovered following the ARU claimed bombings of the National War College, Washington, D.C., April 26, 1983, and the Navy Yard, Washington, D.C., August 18, 1983, are similar. Both devices employed a dual firing system utilizing two Westclox pocket watches, two Dupont instantaneous blasting caps, Radio Shack pin-socket connectors and two nine-volt batteries. Both devices employed high explosives as the main charge.

The explosive device components recovered following the Revolutionary Fighting Group claimed bombing of the FBI office, Staten Island, New York, January 28, 1983, also indicate a dual firing system. This device employed two Westclox pocket watches, two nine-volt batteries and a high explosive main charge.

The Explosives Unit has advised that in the cases described above where the back portion of the pocket watch was recovered, there exists a scratch mark above the timing regulator. This indicates that the bomb maker disassembled the back of the watch to prepare it as a time delay switch. The scratch mark was placed above the timing regulator to insure that the watch would be reassembled in the same position as it was originally in.

On November 29, 1984, May 19th Communist Organization members [redacted] and [redacted] were arrested in Cherry Hill, New Jersey, as they were unloading explosives and firearms from a vehicle and U-Haul trailer into a public storage facility. Subsequent search of vehicle, trailer and storage facility revealed 640(+) pounds of explosives, weapons, ammunition, false identification (including federal and local law enforcement business cards/stationery, blank identification and numerous documents/papers). At time of arrest, [redacted] and [redacted] were wearing wigs and produced false identification. b6 b7C

In September 1984, two white males posing as Drug Enforcement Administration agents with identification produced a search warrant to the manager of a Stop and Shop grocery store in Cromwell, Connecticut, and once inside, robbed this store of approximately $20,000-$30,000.

In their haste to get away, the robbers left the search warrant behind. An examination of this search warrant identified a latent print of Alan Berkman (member of May 19th Communist Organization and founder of JBAKC).

Additional investigation revealed that [redacted] was the second male involved in this robbery. As stated above, [redacted] is a known member of the May 19th Communist Organization.

On May 5, 1985, Baltimore initiated a surveillance of then fugitive Marilyn Buck and [redacted] as they drove from Baltimore to New York City, stopping at an apartment in the Bronx, New York. After leaving the apartment, Buck and [redacted] drove to Ardsdale, New York, where they rented a motel. On the morning of May 11, 1985, they were arrested in Dobbs Ferry, New York. At time of arrest, [redacted] was carrying a 9mm. Browning pistol, and Buck was carrying a S&W .38 revolver. Both were using false identifica- tion and were wearing wigs when arrested. b6 b7C

On the same date, as Buck and [redacted] were arrested, Baltimore entered the apartment where Buck and [redacted] were staying in order to locate fugitive Berkman. Berkman was not in the apartment, however, it was occupied by [redacted] (May 19th Communist Organization member/associate), who at the time was destroying evidence. [redacted] was arrested and the apartment was searched. Search revealed weapons/ammunition, documents, false identification and bomb paraphernalia. (FBI Identification/Latent Fingerprint Section has since identified latent prints of [redacted] Buck, [redacted] Berkman, [redacted] (May 19th Communist Organization/JBAKC member/associate in Austin, Texas) and [redacted] May 19th Communist Organization member/associate and FBI fugitive).)

From this search, evidence led New Haven to the location of a garage in Cheshire, Connecticut, wherein a 1984 Ford LTD bearing a New York license was located. This garage was rented by Buck. Also located was a second garage in West Haven, Connecticut, wherein a 1983 Ford Fairmont bearing a New York license was located. This garage was also rented by Buck.

The above cars were determined, through New York investigation, to have been stolen from a car rental agency in Queens, New York, where [redacted]

Also found in the Baltimore search were documents indicating the occupants were identical to groups known as the Revolutionary Fighting Group, Red Guerilla Resistance and Armed Resistance Unit. As stated earlier, these groups are responsible for bombings in New York City and Washington, D.C.

On May 23, 1985, Berkman and [redacted] were arrested in Doylestown, Pennsylvania, while driving a vehicle. Both were armed with handguns. A search of the vehicle revealed additional weapons, totaling four, and also found were documents (including handwritten letters from Buck and [redacted] and false identification. Of importance are the letters from Buck and [redacted] believed to have been written on or about May 13, 1985, while they were incarcerated in the Metropolitan Correctional Center, New York. In these letters they describe in detail the circumstances under which they were arrested, including what was on their person and in the safehouses in New York City and Baltimore. b6 b7C

Philadelphia investigation also located a garage in the Doylestown, Pennsylvania, area utilized by [redacted] and Berkman. A search of the garage revealed 100(+) pounds of dynamite and documents.

Baltimore investigation also revealed [redacted] and possibly Berkman, had an apartment in the vicinity of the apartment where [redacted] was arrested. This apartment had been abandoned by [redacted] just prior to her arrest with Berkman on May 23, 1985.

Through investigation and reliable source information, it has been determined that the May 19th Communist Organization's present objectives are to provide support for those members and associates incarcerated, and to recruit new members.

These charges stem from Buck's involvement in the October 20, 1981, Brinks Armored Car Robbery. Trial for these charges is tentatively scheduled for September 1987.

Washington Field Office is presently preparing a Bombing Conspiracy case against the above individuals.

May 19th Communist Organization
Activities Within the Past Six Months

The members of the May 19th Communist Organization maintain contact with and provide support for not only incarcerated members of this organization but also incarcerated members of other left wing revolutionary groups. These groups include the EPB-Macheteros, which is a group of Puerto Ricans who advocate the independence of Puerto Rico. Eighteen members were indicted for participation in the robbery of a Wells Fargo depot in September 1983 in Hartford, Connecticut, and are presently awaiting trial.

On January 30, 1987, [redacted] was released from federal prison after a two-year term. [redacted] was one of ten activists who refused to testify before a Federal Grand Jury and was convicted of criminal contempt. On January 31, 1987, a rally to celebrate the release of [redacted] was held at Earl Hall, Columbia University, 116th Street, New York, New York, and a donation of four dollars was charged.

Fliers put out to announce this celebration billed the celebration as a welcome home party for grand jury resister [redacted]. It also espoused solidarity with Puerto Rican independence. Source information estimated that approximately 300 people attended this celebration with numerous groups and individuals presenting Miller with money to assist her.

b6
b7C

On November 18, 1986, a confidential source who has provided reliable information in the past advised that the May 19th Communist Organization, in conjunction with other organizations, sponsored a benefit on November 21, 1986, for the purpose of raising money to support Marilyn Buck and [redacted] in their upcoming trial in New York.

Source stated that the benefit was held at their Cuando located at Second Avenue and Houston Street, New York, New York, and that three dollars per person was charged. Source reported that approximately 70 to 80 people attended this meeting which included members of the May 19th Communist Organization, New Afrikan Peoples Organization (NAPO), and Black Panther Party.

May 19th Communist Organization
Domestic Security/Terrorism

On December 16, 1986, approximately 15 to 20 individuals arrived in the reception area of the Chicago Division of the Federal Bureau of Investigation (FBI) demanding that the maximum security prison at Lexington, Kentucky, be closed and that various reforms in prisons be instituted.

This group also demanded information regarding FBI investigative procedures and FBI files.

After an attempt by the FBI to address the group's concern was met with additional demands and refusals, the FBI summoned the Federal Protective Service to handle the demonstrators.

When the Federal Protective Service asked the group to leave, eight refused and were arrested by the Federal Protective Service.

It was apparent that the group anticipated arrest insofar as they telephonically contacted various local media prior to arrival at the FBI office and that they brought three large banners which they displayed shortly before being removed from the federal building. They also left copies of a typewritten message entitled "Statement of Occupation of the FBI Office, Chicago, December 16, 1986." There was no violence or damage in conjunction with this protest.

In December 1986, a second confidential source who has provided reliable information in the past advised that on December 12, 1986, information was received from [redacted] (leader of the May 19th Communist Organization) indicating that [redacted] sister of FBI fugitive [redacted] traveled to Nicaragua for an unspecified reason.

b6
b7C

It should be noted that it was previously reported that federal fugitive [redacted] was residing in Nicaragua.

May 19th Communist Organization
Domestic Security/Terrorism

On March 6, 1987, a confidential source of the New York Office advised that on March 5, 1987, there was a meeting of the New Movement in New York City and that the New Movement leader, [redacted], discussed a plan to stage a sit-in demonstration on March 20, 1987, at the New York FBI field office located at 26 Federal Plaza, New York, New York. Also discussed at this meeting were plans to gain entry to FBI space for the purpose of destroying property and files.

This demonstration was to be held in concert with the "Superwoman" group based in Vermont that was scheduled to demonstrate against the women's detention unit in Lexington, Kentucky.

On March 9, 1987, [redacted] was observed in the reception area of the New York Office of the Federal Bureau of Investigation in an apparent attempt to survey the security procedures and layout of the FBI office in order to facilitate the planned demonstration.

b6
b7C

At this time, she was confronted by FBI personnel and asked the reason why she was in FBI space, to which she responded that she was doing research for a school project.

It was subsequently learned that [redacted] reported that a takeover of FBI offices was unfeasible due to the stringent security procedures, and an alternate site for the demonstration was planned and carried out on that date. This alternate site was in front of 26 Federal Plaza, New York, New York, and the Metropolitan Correctional Center, New York, New York.

On March 21, 1987, an activity was held at the Casa De Las Americas (CDLA), 104 West 14th Street, New York, New York, commemorating the anniversary of the Ponce Massacre.

At this activity, guest speaker [redacted] a professor of history at the University of Puerto Rico, stated that "the United States was the real terrorist throughout history and that they are the ones that committed the real atrocities.

The only way the United States will learn is to hurt them where it hurts most." This activity was attended by Puerto Rican independence groups and May 19th Communist Organization members.

On March 20, 1987, a confidential source of the New York Office whose reliability has not been determined but who is in a position to know advised that [redacted] (founder and former leader of the May 19th Communist Organization), recently made the statement that the "movement" is not dead and that some type of action will be taken in the near future to show the "pigs" that this is the case. b6 b7C

This confidential source stated that what particular action [redacted] intended was not clear but the connotation was that some type of violent action would occur. [redacted] stated that this action would be targeted against both government and corporate entities.

As reported previously, the government has struck a severe blow against the Underground apparatus of the May 19th Communist Organization and associate organizations and that they are in a process of recruitment/rebuilding.

Recent investigation as well as source information indicates that one area where the movement is recruiting new members is within the federal prison system. It was explained to one source that this is done because (1) the individuals being recruited are, in all probability, not government plants because they are already within the prison system and would most likely have a grudge against the government, and (2) because they have the expertise to commit criminal acts which the movement desperately needs. On at least two recent occasions incarcerated felons have been successfully recruited.

Also, recent surveillance of May 19th Communist Organization and others indicates that they continue to utilize countersurveillance techniques for the purpose of eluding law enforcement. This type of furtive conduct has been well documented in the past as being associated with ongoing criminal activity.

Based on investigation of the M19CO and in particular Title III overhears in the SEQUEL investigation, a picture of the M19CO's structure has developed.

This structure consist of three different levels within the organization, those being the "Builder's Level," the "Middle Level," and the underground.

The "Builder's Level" consists of those individuals involved solely in the public activities of the group.These activities include public protests, distribution of fliers, and fund raising activities.

The "Middle Level" would consist of those individuals who not only participated in public activities, but will maintain contact with, and provide support to the underground cell. This group would also serve as a conduit between the underground and the public operation.

Given the above, a list of M19CO members was made of those individuals believed to be members of the "middle level". This list is not indended to be the all inclusive list, but only a starting point for future investigations.

On April 4, 1987, M19CO members demonstrated at Chicago O'HARE AIRPORT. There they blocked various road access in an attempt to prevent Illinois National Guard personel enroute to El Salvador, South America, from entering the facility. This demonstration was to have involved the chaining of gates, the utilization of flares in conjunction with a human blockade. This demonstration was co-ordinated thru the use of Citizen Band Radios between protestors and individuals watching the Armory for National Guards departure from same.

It is the opinion of Chicago that the background information obtained by [redacted] may be in preparation for a similar demonstration in the Twin Cities, however, the potential for terrorist acts remains outstanding. Chicago requests that logical sources be tasked in an effort to monitor this situation. b6 b7C

Chicago appreciates Minneapolis efforts in the coverages given to M19CO subjects while in the Twin Cities. As forthcoming travel to the Twin Cities appears likely, Chicago would request a discreet surveillance of M19CO's subjects in an effort to determine the purposes of this travel. While fundraising and speaking engagements are held, coverage of the significant periods of unoccupied time may provide additional insight if covert activity is present.

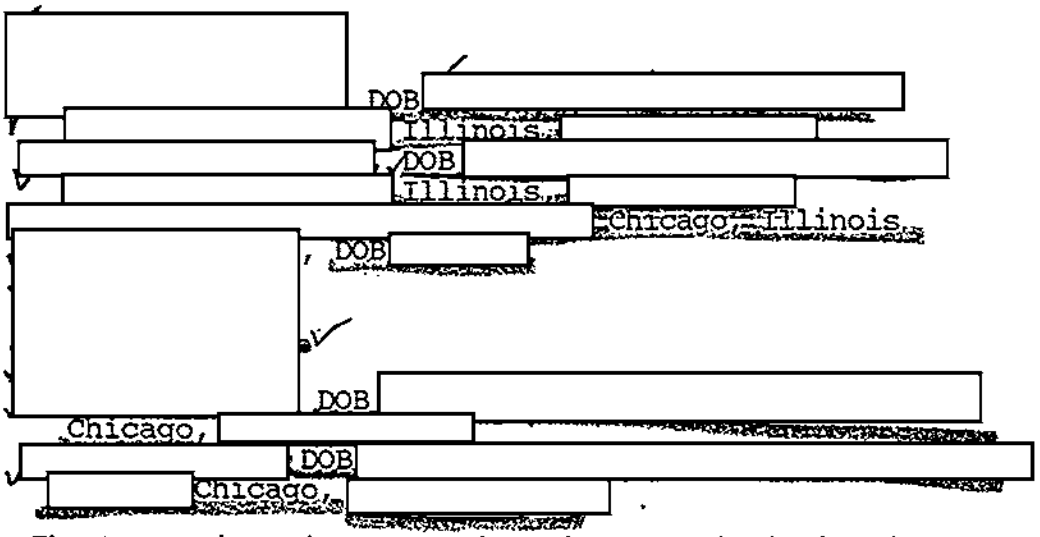
Peripheral members/supporters/sympathizers of Chicago M19CO include the following:



The M19CO in Chicago remains virtually indistinguishable from groups calling themselves the JOHN BROWN ANTI-KLAN COMMITTEE (JBKAC), the NEW MOVEMENT IN SOLIDARITY WITH PUERTO RICAN INDEPENDENCE AND SOCIALISM (NMS), the PRAIRIE FIRE ORGANIZING COMMITTEE (PFOC) and the COMMITTEE TO END THE MARION LOCKDOWN (CEML).

b6
b7C

The JBAKC continues to utilize P.O. Box 7239, Chicago, Illinois 60680, which was initially opened on 8/24/79. The JBAKC in Chicago uses telephone #312/989-2991 on JBAKC pamphlets and flyers as its Chicago contact number. This telephone number is an answering service.

The NMS in Chicago utilizes Box 295, 2520 North Lincoln Avenue, Chicago, Illinois 60614, which is a private lockbox service. Box 295 was opened on 7/14/79. The NMS utilizes telephone [redacted] which is subscribed to by [redacted] Chicago, which is the law office of Chicago M19CO member [redacted]

The PFOC utilizes Box 253, 2520 North Lincoln Avenue, Chicago, Illinois 60614. This lockbox was opened on 2/12/81.

The CEML's mailing address is listed as 343 South Dearborn Street, Suite 1607, Chicago, Illinois, telephone #312/663-5046, which is the office number for the PEOPLES LAW OFFICE, a law firm which is consistently used by FALN defendants.

During the past seven months, the M19CO in Chicago, utilizing its synonymous names of JBAKC, NMS, PFOC and CEML, continued to sponsor numerous lectures, forums, conferences films, and demonstrations. The M19CO in Chicago remains particularly supportive of activities which are sponsored by the MLN. Chicago M19CO members regularly frequent the MLN operated PUERTO RICAN CULTURAL CENTER (PRCC) in Chicago.

In addition to being supportive of the MLN, the M19CO in Chicago is supportive of the philosophy espoused by the REPUBLIC OF NEW AFRIKA/BLACK LIBERATION ARMY/NEW AFRIKAN FREEDOM FIGHTERS. The M19CO in Chicago appears to be supportive of activities promoting the Sandinista Government in Nicaragua, promoting the armed clandestine movement in Puerto Rico, detesting apartheid conditions in South Africa, detesting racism in the U.S., promoting the PROVISIONAL IRA, detesting U.S. policy and actions against Libya, detesting treatment being afforded "political prisoners" in U.S. prisons, promoting activities which are anti-U.S. military and anti-nuclear power and promoting gay rights activities. Chicago M19CO members are heavily involved in a group called DISARM NOW ACTION GROUP, which frequently conducts demonstrations directed against the U.S. military. Chicago M19CO is supportive of the WOMAN TO WOMAN CAMPAIGN, an organization which sponsored several pro-Nicaraguan government functions in Chicago.

Chicago M19CO members are regular participants in demonstrations which are being held outside the U.S. District Court in Chicago during trial proceedings against FALN members [redacted] and others who were arrested on 7/3/86 for engaging in a conspiracy to break out incarcerated FALN leader [redacted] from the Federal Prison at Leavenworth, Kansas. Chicago M19CO member [redacted] was initially involved in this conspiracy, however, there was not enough evidence to arrest her.

During the past seven months, Chicago M19CO members have made several trips. Chicago M19CO joined Chicago MLN in sponsoring/promoting a rally which was held at the Federal Women's Prison in Lexington, Kentucky, on 3/8/87. This rally was attended by virtually all Chicago M19CO members.

b6
b7C

[redacted] travelled to Libya the week of 4/12-18/87 to reportedly participate in some type of international peace gathering to commemorate U.S. bombings in Libya in 1986. The Libyan government reportedly paid for [redacted] expenses.

[redacted] and [redacted] and [redacted] travelled to Washington, D.C., over the 4/25-26/87 weekend where they passed out CEML materials at a major demonstration being held in Washington, D.C. This demonstration was called the APRIL 25TH MOBILIZATION FOR JUSTICE AND PEACE IN CENTRAL AMERICA AND SOUTHERN AFRICA.

[redacted] travelled to Minneapolis, Minnesota, during the week of 4/22-29/87 to promote CEML at several local colleges.

During the past seven months, several M19CO members relocated to Chicago. [redacted] and [redacted] left the Los Angeles, California, area during 1/87 and left forwarding addresses in Chicago. Investigation confirmed these relocations at the residences set out above. The relocation of these three individuals to Chicago is the latest of several recent relocations of Los Angeles PFOC members to Chicago. [redacted] and [redacted] moved to Chicago in 8/86. [redacted] moved to Chicago circa 8/1/85.

Chicago has been unable to ascertain why these six Los Angeles PFOC members have moved to Chicago. One very plausible theory is that the SEQUEL 6 subjects have relocated to the midwest which caused their surface support people to relocate to Chicago.

As receiving offices are aware, on 5/4/85 PFOC member [redacted] purchased over 36 pounds of ersatz C-4 plastic military explosives from an undercover FBI Agent in Baton Rouge, Louisiana, in a deal arranged by the FALN. The explosives were purchased as part of an ongoing escape plot to free FALN leader [redacted] from the Federal Prison at Leavenworth, Kansas. After purchasing the explosives, [redacted] was joined by PFOC member [redacted] who subseqeuntly accompanied [redacted] and the explosives to the Los Angeles area of California. Investigation disclosed PFOC members [redacted] and [redacted] were functioning clandestinely with [redacted] and [redacted] in California (henceforth referred to as the SEQUEL 6.)

b3
b6
b7C

Coverage on the SEQUEL 6 terminated on 6/7/85 when [redacted] fled from their two safehouses. Subsequent investigation at the SEQUEL 6 safehouses disclosed fingerprints of PFOC member [redacted] on items recovered at these locations.

Former Chicago M19CO member [redacted] DOB [redacted] FBI [redacted] has not been observed in Chicago since 1/86. She left her Chicago employment on 12/19/85. Chicago has no idea as to [redacted] whereabouts despite continued efforts to locate her. It is conceivable that [redacted] could be underground.

Former Chicago M19CO member [redacted] DOB [redacted], FBI [redacted] who relocated from Chicago to New York in 8/86, was in Chicago to help organize the aforementioned 3/8/87 rally at the Federal Women's Prison in Lexington, Kentucky. b6 b7C

Chicago will furnish New York Office profiles on Chicago's members of the M19CO for New York's bi-annual LHM on the M19CO by separate communication.

Copies of this communication are being directed to all offices which have an investigative interest in the M19CO.

REFERENCE BUREAU TELETYPE ALSO REQUESTED CHICAGO, LOS ANGELES, SAN FRANCISCO AND NEW YORK DIVISIONS TO SUBMIT TO THE DOMESTIC TERRORISM UNIT, FBIHQ, PROPOSALS AND/OR COMMENTS ON INVESTIGATIVE PLAN AND DIRECTION OF PFOC BY CLOSE OF BUSINESS 8/10/87.

BY AIRTEL DATED 4/7/87, LOS ANGELES OFFERED COMMENTS AS TO POSSIBLE REASON WHY PFOC MEMBERS HAVE RELOCATED TO THE CHICAGO AREA. IN ADDITION, LOS ANGELES REQUESTED BUREAU AND RECEIVING OFFICES TO CONSIDER SEVERAL POSSIBLE AVENUES OF INVESTIGATION TO

BE PURSUED IN AN EFFORT TO LOCATE THE SEQUEL SIX AND TO IDENTIFY OTHER UNDERGROUND CELLS LINKED TO THE FALN, PFOC AND M19CO. THE AREAS OUTLINED ARE RESTATED AS FOLLOWS:

1. INVESTIGATION OF THOSE INDIVIDUALS WHOSE ACTIVITIES DATE BACK TO THE WEATHER UNDERGROUND ORGANIZATION (WUO) HAS INDICATED THAT MONITORING MEMBERS OF THEIR NATURAL FAMILY HAS PRODUCED INFORMATION OF LITTLE VALUE IN DETERMINING THEIR ACTIVITIES OR LOCATION IN THE CASE OF WUO FUGITIVES. IT IS OBVIOUS THAT THE CONTACTS WHICH ARE MAINTAINED BY THESE ACTIVISTS ARE WITHIIN THEIR "REVOLUTIONARY FAMILY" AND TARGETS OF FUTURE INVESTIGATION SHOULD BE CONCENTRATED AT MEMBERS OF THIS FAMILY. IT IS SUGGESTED THAT THE FOLLOWING INDIVIDUALS CONTINUE TO BE PRIMARY TARGETS IN CONNECTION WITH PFOC/M19CO ACTIVITIES:

[redacted] SHOULD BE THE PRIMARY TARGET OF INVESTIGATION. LOS ANGELES IS OF THE OPINION THAT [redacted] WILL EVENTUALLY HAVE DIRECT OR INDIRECT CONTACT WITH THE SEQUEL SIX. THE ADDITIONAL TEN PFOC MEMBERS IDENTIFIED IN SAN FRANCISCO AIRTEL DATED 3/9/87 ARE CONSIDERED KEY MEMBERS OF THE "REVOLUTIONARY FAMILY" AND THEIR ACTIVITIES SHOULD BE CLOSELY MONITORED.

b6
b7C

[redacted] SHOULD BE AND HAS ALREADY BEEN IDENTIFIED BY CHICAGO AS THEIR PRIMARY TARGET. LOS ANGELES IS OF THE OPINION THAT [redacted] WOULD NOT MAKE DIRECT CONTACT WITH THE SEQUEL SIX, BUT THE CONTACT WOULD BE THROUGH A LESS PUBLIC PFOC/M19CO MEMBER WHO IS NOT CONSIDERED TO BE UNDER CLOSE OBSERVATION BY THE FBI.

b6
b7C

[redacted] IS A LONG TIME ASSOCIATE OF [redacted] DATING BACK TO THE EARLY 70'S WHEN THEY TRAVELLED TO CUBA AS PART OF THE VENCEREMOS BRIGADE. LOS ANGELES IS OF THE OPINION THAT [redacted] WOULD MAKE DIRECT CONTACT WITH [redacted] DUE TO THEIR CLOSE ASSOCIATION OVER THE YEARS.

2. CURRENT DOMESTIC TERRORISM REPORTING GUIDELINES REQUIRE THAT EACH FIELD OFFICE SUBMIT UPDATED INSERTS EVERY SIX MONTHS SETTING FORTH DETAILED INFORMATION REGARDING MEMBERS OF ORGANIZATIONS UNDER FULL FIELD INVESTIGATION. IT IS SUGGESTED THAT EACH FIELD OFFICE HAVING FALN/MLN, PFOC, AND M19CO ACTIVISTS RESIDING IN THEIR DIVISION PREPARE A COMPLETE LIST OF ALL MEMBERS AND VERIFY THEIR PHYSICAL PRESENCE WITHIN THE DIVISION. FOLLOWING THE IDENTIFICATION OF ALL MEMBERS AN EFFORT SHOULD BE MADE TO DETERMINE THE EXTENT OF THEIR PARTICIPATION OR NON-

PARTICIPATION IN OVERT ORGANIZATION ACTIVITIES. DEPARTMENT OF MOTOR VEHICLE RECORDS WOULD BE PERIODICALLY REVIEWED TO DETERMINE IF THESE PERSONS HAVE ALLOWED THEIR DRIVER'S LICENSES TO EXPIRE. IT IS NOTED THAT, WITH THE EXCEPTION OF [redacted] ALL OF THE SEQUEL SIX HAD ALLOWED THEIR CALIFORNIA DRIVER'S LICENSE TO EXPIRE.

b6
b7C

UPON RECEIPT OF UPDATED INSERTS FROM ALL FIELD OFFICES, THE BUREAU WOULD COORDINATE THE COMPUTERIZATION OF THE DATA AND PROVIDE A LIST TO EACH INTERESTED FIELD OFFICE SETTING FORTH DESCRIPTIVE DATA, EXTENT OF OVERT ACTIVITY DURING PREVIOUS SIX MONTH PERIOD, AND ANY INFORMATION INDICATING THAT THE SUBJECT HAS RELOCATED TO ANOTHER CITY OR HIS/HER WHEREABOUTS ARE UNKNOWN. THIS TYPE OF INFORMATION WOULD GREATLY ASSIST THE FIELD IN IDENTIFYING POSSIBLE UNDERGROUND CELL MEMBERS OR INDIVIDUALS THAT MAY BE RELOCATING TO THEIR AREAS.

3. IN VIEW OF REFERENCES MADE BY THE SEQUEL SIX TO HOUSTON, IT IS RECOMMENDED THAT ALL OFFICES REVIEW TOLL RECORDS AND PEN REGISTER RECORDS FROM PREVIOUS INVESTIGATIONS OF FALN, M19CO, AND PFOC SUSPECTS FOR TELEPHONE CALLS TO TEXAS AREA CODES 713, 409, 214, AND 512. IN THE EVENT THAT CALLS ARE IDENTIFIED TO THESE

AREA CODES, THEN THE SUBSCRIBERS SHOULD BE FULLY IDENTIFIED AND AN EFFORT MADE TO DETERMINE THE NATURE OF THEIR INVOLVEMENT WITH THE FALN, M19CO, AND PFOC.

ADDITIONALLY, THOSE OFFICES HAVING KEY LEADERS OF THE M19CO, FALN, AND PFOC RESIDING IN THEIR TERRITORIES MAY WISH TO CONSIDER REQUESTING REVERSE TOLLS FROM THE ABOVE NOTED TEXAS AREA CODES. LOS ANGELES IS OF THE OPINION THAT HOUSTON IS A KEY LINK TO THE UNDERGROUND NETWORK IN WHICH THE SEQUEL SIX OPERATED.

INVESTIGATION CONDUCTED BY SA [redacted] AT LOS ANGELES DURING THE PAST MONTH, REGARDING THE TRUE NAME BANK ACCOUNTS OF THE SEQUEL SIX, HAS INDICATED A VERY CLOSE ASSOCIATION WITH OTHER KNOWN PFOC ACTIVISTS, BUT LIMITED OR NO ASSOCIATION WITH THEIR NATURAL FAMILIES. THE NAMES OF [redacted] AND [redacted] ALL CURRENTLY RESIDING IN THE SAN FRANCISCO AREA, AGAIN APPEAR AS THE CLOSEST ASSOCIATES TO THE

ARMED AND DANGEROUS

ON JULY 17, 1987, THE SAN FRANCISCO BASED GROUP CALLED "WOMEN AGAINST IMPERIALISM" (A PFOC FRONT GROUP) CONDUCTED A SURPRISE DEMONSTRATION AGAINST THE UNITED STATES ARMED FORCES RECRUITING STATION, 21ST STREET AND TELEGRAPH, OAKLAND, CALIFORNIA. THE INTERIOR OF THE ARMED FORCES RECRUITING STATION

WAS TRASHED, PAMPHLETS AND PAPERS WERE STREWN ABOUT, FURNITURE AND OTHER ITEMS WERE TURNED OVER. THE OUTSIDE OF THE BUILDING AND WINDOWS WERE PAINTED WITH RED PAINT CAUSING CONSIDERABLE DAMAGE. NO ARRESTS WERE MADE AND NO CHARGES WERE FILED AGAINST THE PARTICIPANTS.

PFOD MEMBERS INVOLVED IN THIS DEMONSTRATION INCLUDE [redacted]

[redacted]

b6
b7C

THIS DEMONSTRATION IS OF PARTICULAR INTEREST TO THE SAN FRANCISCO OFFICE BECAUSE IT IS THE FIRST PUBLIC DEMONSTRATION HELD SINCE [redacted] AND [redacted] WERE GRANTED [illegible] STATUS. OF ADDITIONAL INTEREST IS THE FACT THAT THIS EVENT WAS NOT ADVERTISED, NO POSTERS WERE PUT OUT, NO STATEMENTS WERE MADE OVER LOCAL RADICAL RADIO STATIONS, AND NO INFORMATION WAS OBTAINED DURING OUR NORMAL TRASH COVERS. IT APPEARS THAT INFORMATION ABOUT THIS DEMONSTRATION WAS TRANSMITTED VIA WORD OF MOUTH AND THAT ONLY TRUSTED MEMBERS WERE INFORMED OF THE

DEMONSTRATION'S TIME AND LOCATION. THIS IS CONTRARY TO WHAT SAN FRANCISCO HAS EXPERIENCED OVER THE PAST SEVERAL YEARS WHEREIN EACH CASE DEMONSTRATIONS WERE WIDELY PUBLICIZED. IT MAY MEAN BECAUSE OF THE RECENT ATTENTION BROUGHT ON BY THE SEQUEL INVESTIGATION THAT THIS GROUP HAS BECOME VERY PARANOID AND THAT WE WILL SEE MORE OF THESE TYPES OF DEMONSTRATIONS WHERE ONLY LONG TERM MEMBERS WILL TAKE PART.

RECENTLY THE TRASH WAS COLLECTED AT A PFOC RESIDENCE LOCATED AT 4400 MORAGA, OAKLAND, CALIFORNIA. LOCATED IN THIS TRASH WAS AN EIGHT BY ELEVEN SHEET OF WHITE PAPER WHICH HAD AT THE TOP OF IT ON ONE SIDE PRINTED OUT IN BLOCK LETTERS "THE REAL DRAGON PROJECT 3543 - 18TH STREET #14, SAN FRANCISCO, CALIFORNIA 94110." ON THE BACK SIDE WERE SEVERAL HANDWRITTEN NOTES WHICH TALKED ABOUT THE LEXTON CONTROL UNIT AND ABOUT THE SEVERE PENALTIES THAT MEMBERS OF THE MOVEMENT RECEIVED IN THE COURTS. IN ADDITION, THE WORDS DEVELOPMENTS - QUANTICO, VIRGINIA. 65 LBS. WHY ANYONE IN THIS GROUP WOULD HAVE ANYTHING TO DO WITH QUANTICO, VIRGINIA IS UNKNOWN TO SAN FRANCISCO. IT SHOULD BE NOTED HOWEVER THAT CONVICTED BRIGGS BOMBER [redacted] RESIDES AT THIS RESIDENCE.

Subject : MAY 19TH COMMUNIST ORGANIZATION (M19CO);
DOMESTIC SECURITY - TERRORISM
(OO:NY)

On 7/17/87, a San Francisco, Calif., group called "Women Against Imperialism", a front group for the PFOC/M19CO, conducted a surpirse demonstration against the U.S. Armed Forces recruiting station, 21st Street and Telegraph, Oakland, Calif. The interior of the recruiting station was trashed and considerable damage was sustained. This demonstration is of particular interest since it was not advertised, no posters were sent out and no statements were made. Information about this demonstration was transmitted by word of mouth and only tursted members were informed of the demonstration's time and location. This behavior is contrary to past experiences wherein each demonstration was widely publicized.

b6
b7C
b7D

On 8/24/87, Det. [redacted], Intelligence Unit, NYCPD, telephonically advised SA [redacted] that a source of the NYCPD observed [redacted] approximately 4, or 5, weeks ago (July 1987) in the vicinity of [redacted] NYC (residence of [redacted] and [redacted] - all prominent members of the M19CO). [redacted] and after exchanging greetings quickly departed the area. Source indicated [redacted] appeared to have lost approximately 40 pounds.

Prior to the above citing of [redacted] she had not been observed for approximately one year. This information was provided by the Chicago Office where [redacted] activities were monitored, as she [redacted] was a prominent leader of the M19CO in Chicago. It wasn't until NY surveillance, in early 1987, located the residence of [redacted] (friend of [redacted] and prominent leader of the M19CO in Chicago) at [redacted] New York, NY, and observed on the mailbox at this apartment the names [redacted] and [redacted] It should be noted that [redacted] has not been observed by agents/detectives of the NYO during coverage of local demonstrations. It was the opinion of the Chicago Office that [redacted] had gone underground.

Investigation conducted by Chicago Office and NYO determined [redacted] moved to New York City in 8/86, where she continues to reside allegedly with [redacted]

Source further advised that [redacted] and [redacted] will be leaving New York City on 8/28/87 enroute to the White Mountains, New Hampshire, for a 10-day working vacation. They will be travelling by car. Source unable to provide any details of this trip, but indicated the trip was made known to other members of the M19CO.

On 8/24/87, source recontacted Intelligence Unit, NYCPD, and advised plans for trip were changed. Departure would be 8/26/87 for [redacted] and [redacted] leaving in the morning by car. As for [redacted] and [redacted] they will be leaving on the morning of 8/28/87 by car. Source also stated [redacted] will be travelling to Maine where she will rent a place to stay. [redacted] indicated her mother who resides in Maine will have guests staying with her, therefore, preventing [redacted] from staying with her mother. [redacted] and [redacted] will meet with [redacted] and [redacted] in New Hampshire.

b6
b7C

Inasmuch as, there are six fugitives in the SEQUEL case (OO:CG) and two fugitives from the New York City/Philadelphia area [redacted] and [redacted] currently on the run, or possibly regrouping underground, it is believed the above trip could be a ruse to meet with these fugitives to discuss further actions (i.e., violent demonstrations, robberies, prison break-outs, and/or, bombings.

FOR INFORMATION OF THE BUREAU AND RECEIVING OFFICES, A PHYSICAL SURVEILLANCE WAS CONDUCTED ON FRIDAY, AUGUST 28, 1987, BY THE NEW YORK DIVISION ON [redacted] AND [redacted] KNOWN MEMBERS OF THE MAY 19TH COMMUNIST ORGANIZATION.

CONFIDENTIAL SOURCE INFORMATION REVEALED THAT [redacted] AND [redacted] WERE PLANNING TO TRAVEL ON AUGUST 28, 1987, TO THE WHITE MOUNTAINS IN NEW HAMPSHIRE (NOT FURTHER DESCRIBED) ON WHAT WAS DESCRIBED AS A "10-DAY WORKING VACATION". IT WAS ALSO REPORTED BY THIS SOURCE THAT ANOTHER M19CO MEMBER, [redacted] WAS SCHEDULED

TO DEPART FOR THE SAME LOCATION ON WEDNESDAY, AUGUST 26, 1987, AND TRAVEL TO THE STATE OF MAINE (NOT FURTHER DESCRIBED).

SURVEILLANCE OF [redacted] AND [redacted] WAS INSTITUTED BASED UPON THE TRAVEL INFORMATION FURNISHED BY SOURCE, AND THE POSSIBILITY THAT THEY MAY BE IN CONTACT WITH THE SEQUEL SIX FUGITIVES AND FUGITIVES [redacted].

THE FOLLOWING IS A SYNOPSIS OF THE SURVEILLANCE COVERAGE GIVEN [redacted] AND [redacted] ON AUGUST 28, 1987, BY THE NEW YORK DIVISION, WHICH WAS INSTITUTED AT 5:45 AM AT [redacted], NEW YORK, NEW YORK: b6 b7C

IT SHOULD BE NOTED THAT DURING THIS FISUR, [redacted] AND [redacted] APPEARED TO BE SURVEILLANCE CONSCIOUS AS THEY VARIED THEIR RATE OF SPEED ON THE INTERSTATE HIGHWAYS AT TIMES FROM 75 M.P.H. TO AS LOW AS 45 M.P.H., PARTICULARLY IN NORHTERN MASSACHUSETTS AND IN VERMONT WHERE INTERSTATE 91 NORTH WAS NOT HEAVILY TRAVELLED. b6 b7C

[redacted] WHO WAS DRIVING, STOPPED ON FOUR OCCASIONS BEFORE REACHING THE LITTLETON DINER, LITTLETON, NEW HAMPSHIRE, AT APPROXIMATELY 8:05 PM. [redacted] WAS OBSERVED STOPPING AT A MC DONALD'S RESTAURUANT, SOUTHBERRY, CONNECTICUT; A TEXACO GASOLINE STATION, SPRINGFIELD, MASS.; A VERMONT WELCOME CENTER AND REST STOP

A CHECK OF PENNSYLVANIA MOTOR VEHICLE INFORMATION REGARDING LICENSE PLATE [redacted] (USED BY [redacted] REVEALED THE FOLLOWING AS TO ITS REGISTRANT.

[redacted]

[redacted] PENNSYLVANIA

VEHICLE: 1973 SUBARU, TWO-DOOR, BROWN

b6
b7C

[redacted] IS A KNOWN M19CO MEMBER WHO HAS UTILIZED [redacted] NEW YORK CITY, AS HER ADDRESS. SHE FORMERLY HAD AN ADDRESS OF [redacted] PORTLAND, OREGON.

[redacted] IS DESCRIBED AS: FIVE FEET FOUR INCHES IN HEIGHT;

BROWN/GRAY HAIR; MEDIUM BUILD; DOB [redacted]

ON SATURDAY, AUGUST 29, 1987, CONTACT WAS MADE WITH THE OWNER OF THE LITTLETON DINER, LITTLETON, NEW HAMPSHIRE, WHO WAS ADVISED OF THE NATURE OF THE AGENTS' INQUIRY REGARDING [redacted] AND [redacted]

[redacted] OWNER OF THE LITTLETON DINER, TELEPHONE [redacted] WAS SHOWN PHOTOGRAPHS OF THE TWO ABOVE NAMED SUBJECTS AND ADVISED THAT THEY HAD EATEN AT THIS ESTABLISHMENT ON FRIDAY EVENING (AUGUST 28, 1987). [redacted] RECALLED THAT [redacted] AND [redacted] STAYED OVER AN HOUR AND REQUESTED IF THEY COULD SPEND A LITTLE EXTRA TIME, ALTHOUGH THE DINER WAS ABOUT TO CLOSE. [redacted] NOTED THAT THEY APPEARED TO BE FAMILIAR WITH THE AREA ALTHOUGH SHE HAD NEVER SEEN THEM BEFORE. [redacted] COMMENTED THAT SHE THOUGHT FROM THE WAY THE TWO FEMALES ACTED THAT THEY WERE CLOSE TO THEIR DESTINATION.

b6
b7C

[redacted] WAS ALSO SHOWN PHOTOGRAPHS OF THE SEQUEL SIX FUGITIVES WHICH SHE REVIEWED AND SUBSEQUENTLY IDENTIFIED [redacted] AND [redacted] S HAVING STOPPED TO EAT AT THIS DINER ON THURSDAY EVENING. [redacted] WAS ADAMANT REGARDING [redacted] APPEARANCE, BUT

STATED THAT [redacted] PHOTOGRAPH (ONE PORTRAYING HER WITH GLASSES AND LONG HAIR) WAS NOT AS ACCURATE BECAUSE THIS INDIVIDUAL HAD SHORTER HAIR AND WEIGHED ABOUT 150 POUNDS.

[redacted] WAS THEN SHOWN PHOTOGRAPHS OF OTHER FUGITIVES, [redacted] AND [redacted] PHOTOGRAPH MORE CLOSELY RESEMBLED THE SECOND INDIVIDUAL WHO HAD ACCOMPANIED [redacted] AT THE DINER ON THURSDAY EVENING. [redacted] REMAINED ADAMENT THAT [redacted] AND [redacted] WERE THE INDIVIDUALS WHO SHE IDENTIFIED AS HAVING STOPPED THERE ON THURSDAY EVENING. b6 b7C

[redacted] NOTED WITHOUT HESITATION THAT THESE TWO FEMALES GAVE THE IMPRESSION OF BEING "LESBIANS", AND THAT [redacted] APPEARED TO BE THE DOMINANT PERSONALITY FROM CONVERSATION WHICH WAS OVERHEARD.

[redacted] ALSO RECALLED THAT THE TWO HAD REQUESTED ASSISTANCE WITH DIRECTIONS FROM ONE OF HER WAITRESSES IDENTIFIED AS [redacted] N.H. [redacted] WAS NOT AVAILABLE ON SATURDAY, AUGUST 29, 1987, BUT COULD BE CONTACTED AT THE DINER ON MONDAY WHEN SHE RETURNS TO WORK.

[redacted] STATED THAT THE TWO FEMALES WHO STOPPED IN ON THURSDAY EVENING WERE DRIVING EITHER A CAMPER OR A VAN WHICH THEY HAD PARKED ACROSS THE STREET AT THE POST OFFICE.

[redacted] ALSO ADVISED ALTHOUGH NOT AS ADAMENTLY THAT THE PHOTOGRAPH PORTRAYING [redacted] RESEMBLED AN INDIVIDUAL WHO STOPPED IN FOR TEA AND TOAST ON WEDNESDAY AFTERNOON. SHE DESCRIBED THIS PERSON AS TALL (APPROXIMATELY SIX FEET) SLENDER AND WEARING GLASSES. SHE COULD NOT RECALL WHAT TYPE OF VEHICLE THIS PERSON UTILIZED, BUT DID MENTION THAT HE HAD BEEN THERE ALONE. b6 b7C

ANOTHER WAITRESS, [redacted], WAS ALSO SHOWN PHOTOGRAPHS OF THE SEQUEL SIX FUGITIVES AND MI9CO FUGITIVES. [redacted] CONFIRMED THAT SHE WORKED ON FRIDAY EVENING AND [redacted] AND [redacted] THEIR FOOD. [redacted] IDENTIFIED THESE TWO FROM PHOTOS, AND SUBSEQUENTLY ALSO IDENTIFIED [redacted] AS HAVING BEEN THERE ON THURSDAY EVENING.

[redacted] WAS FURNISHED THE BOSTON DIVISIONS TELEPHONE NUMBER AND SUPERVISOR [redacted] NAME IN EVENT THAT ANY OF THESE INDIVIDUALS WER SPOTTED AGAIN.

THE LITTLETON POLICE DEPARTMENT WAS ALSO CONTACTED REGARDING THIS MATTER AND FURNISHED PHOTOGRAPHS OF THE SEQUEL SIX FUGITIVES.

A CANVASS OF CAMPGROUNDS IN THE NEARBY AREA (CRAZY HORSE, MT. DECEPTION, SUGARLOAF, AND ZEALAND) WAS CONDUCTED WITH NEGATIVE RESULTS. EMPHASIS WAS GIVEN TO THOSE SITES WHICH REQUIRED NO PHYSICAL REGISTRATION AND AS LITTLE SCRUTINY AS POSSIBLE.

NEW YORK IS OF THE OPINION THAT THIS TYPE OF SETTING (WHITE MOUNTAINS, NEW HAMPSHIRE) IS A VERY LIKELY PLACE FOR SEGUEL SIX FUGITIVES TO MEET THEIR CONTACTS.

ADIMINISTRATIVE:

NOT GO INTO DETAIL. SHE STATED THAT PREVIOUS ATTEMPTS TO
SUPPRESS SUCH GROUPS WERE UNSUCCESSFUL ON THE PART OF THE
GOVERNMENT OR POLICE BECAUSE OF OUR "NAIVETE", INDICATING THAT
SUCH GROUPS ARE NO LONGER NAIVE. SHE STATED THAT SINCE 1972
THERE HAS BEEN DOCUMENTATION OF SUCH SUPPRESSION WITHOUT
INDICATING EXAMPLES OR NAMING AGENCIES OR STATING TECHNIQUES OF
METHODS. SHE REFERRED TO A SUPPORT NETWORK THAT HAD BEEN IN
1966, TO FIGHT THIS KIND OF SUPPRESSION, BUT AGAIN, QUITE IN
GENERAL TERMS. SHE STATED THAT SINCE JULY OF 1972, THIS KIND OF
"HARASSMENT" BY AGENCIES WAS INTENSIFIED. SHE DID NOT NAME THE

SHE SUGGESTED CALLING A LAWYER IF APPROACHED AND SPECIFICALLY THE NATIONAL LAWYERS GUILD.

THE IMPLICATION WAS THE INABILITY OF THE FBI TO FOCUSED IN THEIR EFFORTS BECAUSE OF THE PROBLEMS OF COVERING SO MANY PERSONS AND GROUPS WITH LIMITED PERSONNEL.

MAY 19TH COMMUNIST ORGANIZATION (M19CO);
DOMESTIC SECURITY/TERRORISM (DS/T)
THREAT ASSESSMENT
FULL DS/T INVESTIGATION EXPIRES NOVEMBER 4, 1987
OO: NEW YORK

For the information of recipients, the Terrorist Research and Analytical Center at FBIHQ is producing a continuing series of short, informative articles on a variety of topics relating to FBI terrorism investigations. The following addresses information relating to the May 19th Communist Organization.

The May 19th Communist Organization (M19CO) has been one of the most criminally active domestic terrorist groups in the United States. It is a Marxist-Leninist group that advocates the overthrow of the U.S. Government through armed struggle and violence. Since 1976, members of this organization have participated in several illegal activities, either alone or in concert with other left-wing terrorist groups. These acts have included armored truck robberies and assisting in the prison escapes of Black Liberation Army (BLA) [redacted] and Fuerzas Armadas de Liberacion Nacional (FALN) [redacted]

Some members of the M19CO were also implicated in bombings claimed by the Armed Resistance Unit (ARU), the Red Guerrilla Resistance (RGR), and the Revolutionary Fighting Group (RFG). These three groups were responsible for bombing activities in the New York and Washington, D.C., areas, from 1983-85. The U.S. involvement in Central America and South Africa's apartheid policy were some of the issues used to justify their attacks.

RE: May 19th Communist Organization (M19CO);
Domestic Security/Terrorism (DS/T)
Threat Assessment
Full DS/T Investigation Expires November 4, 1987

Evidence recovered from a Baltimore, Maryland, safehouse following the May 11, 1985, arrests of M19CO members Marilyn Jean Buck and [redacted] in New York City and [redacted] in Baltimore, Maryland, indicated that the RGR, RFG, and ARU were, in fact, one and the same and made up primarily of M19CO members. Other M19CO members believed part of this group were [redacted] and [redacted], arrested in Cherry Hill, New Jersey, on November 24, 1984, and Alan Berkman and [redacted] arrested in [redacted] Pennsylvania, on May 23, 1985. [redacted] jumped bail and is currently a fugitive. Since these arrests, no bombings have been claimed by either the RGR, RFG, or ARU.

Although these arrests have undoubtedly hurt the organization, the M19CO could still pose a threat. Within the past few years, some members of the organizations are believed to have gone underground, while others utilize counter surveillance techniques. Past investigations have shown that M19CO members believed to be underground often become members of clandestine cells that are capable of carrying out terrorist operations. Because of the recent disappearance of some M19CO members, including two who are fugitives, the possibility exists that an infrustructure capable of carrying out armed actions against the United States may exist within the organization.

b6
b7C

Included for recipients, therefore, are brief write-ups of [redacted] and [redacted] who are believed underground, and M19CO fugitives [redacted] and [redacted]. Also, since some recipients are unfamiliar with the M19CO, a brief history of the group has been included. Finally, because of a possible resurgence of M19CO activities, a threat assessment has been provided.

The origins of the M19CO can be traced back to the Weather Underground Organization (WUO), a violence prone group which periodically staged bombing attacks from 1969-75, and its support group, the Prairie Fire Organizing Committee (PFOC). In 1976, the WUO began to experience internal disagreements between various leaders and members. At the same time, the organization was being severely criticized by black and Puerto Rican independence groups for failing to logistically support their movements. The WUO became increasingly aware that it would have to change if it was to survive. This resulted in the WUO splitting into two factions: the Central Committee and the Revolutionary Committee. The Central Committee favored assisting members of other leftist groups, both philosophically and logistically. To accomplish this, the Central Committee advocated aligning with these groups. It was felt that by supporting other movements with more than just rhetoric, a strong

movement against the United States Government would be created. The Revolutionary Committee; however, wanted to continue the WUO philosophy of functioning alone as a clandestine organization. As a result of these differences, the WUO began to split apart and eventually ceased to exist.

These differences also surfaced in the PFOC. The West Coast faction wanted to follow the Revolutionary Committee's philosophy and kept the PFOC name. However, the East Coast faction followed the Central Committee's philosophy of striving for unity among all leftist groups. It later changed its name to the May 19th Communist Organization.

The group chose the name May 19 in honor of the anniversary date of the birthdays of Ho Chi Minh and Malcolm X and death of Cuban leader Jose Marti. The M19CO participates in demonstrations and rallies in support of various groups and causes; however, some members feel that violent activity is the only way to bring about change.

Following are brief write-ups of two individuals who may be underground. Although this does not indicate their involvement in covert operations, past investigations have shown that some M19CO members who have disappeared, have become involved in the organization's underground operations.

-- [redacted] also known as [redacted] date of birth, [redacted] Her occupation is a lithographer. According to FBI New York, [redacted] disappeared three years ago. Her most recent address was [redacted] New York, New York. She formerly resided with M19CO member [redacted] who was arrested on November 9, 1982, for racketeering and bank robbery charges stemming from her involvement with a group of individuals known as "The Family." This group was made up of members of the M19CO and Republic of New Afrika, and former members of the BLA and WUO, who engaged in criminal activities from 1976-81. Source reporting also indicates that [redacted] frequently attended M19CO activities in New York and Chicago.

b6
b7C

On September 26, 1981, [redacted] and M19CO members [redacted] and [redacted] were arrested during a demonstration at John F. Kennedy International Airport in New York. The purpose was to protest the arrival of a South African rugby team. On June 14, 1982, [redacted] pleaded guilty to second degree riot.

b6
b7C

-- [redacted] According to FBI New York, [redacted] disappeared five years ago. He left the New York area, telling his co-workers that he was going to Washington, D.C. [redacted] When [redacted] left New York, he sold his car, and his departure was not discussed among M19CO members. He later sent a post card (date unknown) to his co-workers from Puerto Rico; however, he has not been seen since his departure from New York.

Following are brief write-ups of M19CO fugitives [redacted] and [redacted]. Past investigations have shown that M19CO members, despite their fugitive status, continue to engage in terrorist activities. For example, [redacted] Alan Berkman, and Marilyn Jean Buck, although wanted by Federal authorities, continued their criminal operations as alleged members of the ARU, RGR, and RFG. Additionally, [redacted] was also one of their associates.

-- [redacted] is a New York M19CO member who disappeared sometime after the September 26, 1981, M19CO demonstration protesting the arrival of the South African rugby team at John F. Kennedy International Airport. During the demonstration, [redacted] whereabouts are unknown; however, source information

has indicated that she may be residing in Nicaragua. Also, [redacted] to whom she is very close, allegedly travelled to Nicaragua in June, 1984, and December, 1986. b6 b7C

-- [redacted] also known as [redacted] and [redacted] date of birth [redacted] is a member of the Austin, Texas, M19CO. Her fingerprints were identified on paper items found at the residence of [redacted] following [redacted] November 9, 1982, arrest. [redacted] last known address was [redacted] Austin, Texas, where she lived with M19CO members [redacted] and [redacted] disappeared from Austin sometime in the spring of 1984. Her whereabouts remained unknown until May 23, 1985, when she was arrested with M19CO member Alan Berkman at [redacted] Pennsylvania. She and Berkman were indicted on June 30, 1985, in the Eastern District of Pennsylvania for false identification and firearms violations. [redacted] was released on bond on July 24, 1985. She became a fugitive on October 13, 1985.

Threat Assessment

The M19CO has consistently stated that United States imperialism is a major issue to be attacked. The group, moreover, believes that armed struggle is the only way to achieve its goals. In the past, foreign policy issues such as the U.S. involvement in Central America, and domestic issues such as Puerto Rican independence, have been used as ideological underpinnings for a hard-core revolutionary movement dedicated to the overthrow of the United States Government. Past participation in criminal activities by some M19CO members indicates the group's willingness to use violence to achieve its goals.

Airtel to All SACS and LEGATs
RE: May 19th Communist Organization (M19CO);
Domestic Security/Terrorism (DS/T)
Threat Assessment
Full DS/T Investigation Expires November 4, 1987

Despite the arrests of M19CO members, including key leaders, the threat of the M19CO's participating in a terrorist operation, either alone or with other left-wing terrorist groups, has not been eliminated. The chance for renewed criminal activity will always exist as long as the location of members such as [redacted] a close associate of the more militant M19CO members, remains unknown. Also its membership still consists of individuals who have been associated with the left-wing terrorism movement for many years. A certain amount of trust and comradeship has probably developed between many M19CO members. These loyalties will continue to provide greater strength to the group. b6 b7C

The M19CO still appears to be a group bound together by an ideology rooted in the perceived need to support national liberation movements. The involvement of the United States in Central America could likely provide the catalyst that will encourage further acts of violence by the M19CO. Although group members will be cautious because of past arrests, the knowledge gained from these and other experiences will enable the group to be more tightly disciplined and capable of carrying out clandestine activities. Whether actively involved in terrorist incidents or furnishing support in the form of material and guidance to others, the M19CO is still a dangerous terrorist group by any standard. The elements necessary for carrying out a successful campaign of terrorism--technical skills, experience, motivation, and an established infrastructure--may once again be present.

Questions or comments concerning this report may be directed to FBIHQ, Terrorist Research and Analytical Center, Room 4266, Extention 2064.
