SUBJECT: Cassius Clay Makes One-Day Visit to Port Said, Ismailia

REF :

World heavyweight champion, Cassius (Mohammed Ali) Clay made a one-day surprise visit to Port Said and Ismailia July 9. His entourage filled five sedans.

Governorate officials were not informed of Clay's coming until after he had left Cairo. They were not able to make more than hasty preparations for his visit. They believed that Clay came here on his own initiative.

Clay and his party visited the 1956 War Memorial and Victory Museum and were given a launch tour of Port Said harbor. They were received by Port Said Governor Emad ad-Din Roushdy in his office and had lunch at the Suez Canal Authority's Port Said headquarters in the private dining room. Governor Roushdy presented Clay the Port Said medal and a copper and silver tray. Clay also received a silver tray later in the day from Major General Mustafa Hassan, Ismailia's Director of Security (the governor is in the United States), while visiting that city.

At the War Memorial Clay was shown a film depicting the 1956 attack on Port Said. The not too reliable Egyptian Gazette quoted him as saying that the U. S. press tried to make it appear as an Arab aggression against Israel and an attempt by Israel to defend itself against this aggression. "I have now understood the truth about the battle. I now know that it was an aggression against you. I wish such an aggression would take place now and I should have been pleased to fight on your side and under your flag."

COMMENT. The film that was shown Clay includes clips of street scenes after the invasion was over. Most of the action shots are excerpts from World War II movies and many show planes with Japanese insignia.

The Embassy forwards a translation from the Italian of an AFP dispatch on the remarks of Cassius Clay, which appeared in the May 21 issue of the Corriere della Somalia. Clay is traveling in the company of Malcolm X, leader of the Black Muslims, on a visit to Ghana. Analogous remarks by Malcom X previously appeared in an AFP Accra dispatch on the front page of the Corriere (see A-605).

"I believe that the programs of integration are useless," stated Tuesday the heavy-weight champion of the world, the negro-American Cassius Clay during a press conference held at Accra. "People are killed, children are shot down, even in churches, and for 410 years whites and negroes have not been able to show themselves together because in the United States the self-appointed master doesn't want his slave to be his equal."

6 JUN 1 1964

"We don't want integration, we want separation!" continued Clay.

"The civil rights bill," concluded the negro boxer, "is a swindle which won't change the hearts of the slave-trading masters."

Cassius Clay, heavyweight boxing champion, is a self-admitted member of the Nation of Islam. Recent newspaper reports state Clay may attempt to avoid being drafted into the Army by reason of his membership in the Nation of Islam, claiming to be a conscientious objector.

As a matter of possible interest, Mr. John Starkey, Office of the Assistant Chief of Staff for Intelligence, Department of the Army, advised that membership in the Nation of Islam, per se, is no bar to induction into the Armed Forces. Starkey added in those cases where members of the Nation of Islam are inducted into the Armed Forces, their files are annotated to preclude their gaining any security clearance.

Reference is made to Chicago teletype to the Director and SACs Louisville and Miami dated 4/22/66 setting forth information regarding a possible world tour by CASSIUS CLAY after his fight in London May 21 next.

[] on 4/26/66 advised as follows:

b7D

ELIJAH MUHAMMAD approved a tour of Asian-African countries by CASSIUS CLAY and instructed HERBERT MUHAMMAD to make appropriate arrangements. As of this date there is no indication that HERBERT MUHAMMAD has followed this matter through. It now appears CLAY will return to the United States after the fight although it is possible he may go to Cairo, Egypt, with HERBERT. At present, emphasis centers around obtaining a title fight with ERNIE TERRELL and HERBERT has discussed the matter with BEN BENTLEY, a Chicago promoter. It is hoped a September match can be arranged. HERBERT claims BENTLEY owns fifteen percent of TERRELL. As of this date [] will not go to London with CASSIUS and is no longer going to be a sparring partner for CASSIUS. ANGELO DUNDEE, CLAY's manager, wants [] out and CASSIUS himself feels [] is not "right in the head." Insofar as the NOI is concerned, [] is a "real nut" and a fanatic. The above ouster of [] has been discussed with ELIJAH MUHAMMAD and MUHAMMAD agrees..

Nation of Islam

Herbert Muhammad and John Ali, national leaders of the Nation of Islam, contemplate travel to London, England, via air, to attend a scheduled heavyweight title fight between Cassius Clay, a member of the Nation of Islam, under the name Muhammad Ali, and Henry Cooper on May 21, 1966, in London.

Herbert Muhammad contemplates travel to Cairo, Egypt, after the fight for the purpose of obtaining an Egyptian correspondent to present the viewpoints of Elijah Muhammad, the leader of the Nation of Islam, in Egypt. Herbert Muhammad claims United Arab Republic President Gamal Abdel Nasser would approve of this.

It is possible Cassius Clay will accompany Herbert Muhammad to Cairo, Egypt.

It is possible that Cassius Clay will accompany Herbert on this trip.

NATION OF ISLAM, Formerly Referred
to as the Muslim Cult of Islam,
Aka. Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 7, 1965, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 3, 1965, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

It is to be noted "Muhammad Speaks" (MS) is self-described as published weekly by Muhammad's Mosque No. 2, at 634 East 79th Street, Chicago.

[redacted], who has furnished reliable information in the past, advised on September 30, 1966, "Muhammad Speaks" continues to receive article dealing with activities of the People's Republic of China from that country and some are carried in "M.S." He advised such a communication as referenced to above, was received by "M.S." and was carried in a recent issue of "M.S." (Refer to "M.S.", Vol. 5, No. 48, dated August 19, 1966, page 2, titled "Chinese Voice Sympathy for Negro Struggle; Say West to be Defeated". This has been furnished the Bureau). Source added he knew HERBERT MUHAMMAD received a message from ROBERT F. WILLIAMS in August, 1966, but was certain MUHAMMAD had not answered since. Source continued Red China continues to send communications periodically to all of the Negro news media in the United States. (In effect this is the same data as reported in NOI Report of December 3, 1965 - see below.) Source added he knew of no other connections between the NOI and Red China. b7D

Previous information concerning past involvements between the NOI and ROBERT F. WILLIAMS and the Peoples Republic of China is set forth in the following reports by SA SHEA "Nation of Islam, IS-NOI" and dated as shown below at Chicago:

November 20, 1964, pages 175-178

In effect, this shows "M.S." published articles by ROBERT F. WILLIAMS about China and an interview by him of MAO TSE-TUNG; contacts by WILLIAMS with HERBERT MUHAMMAD; and the fact Chicago NOI sources report they knew of no contact between NOI officials and China and that pro-Chinese articles appearing in "M.S." probably came about because the NOI would consider the Chinese people as "brothers" as they are non-Caucasian.

May 28, 1965, pages 134-139

In effect, this reflects "M.S." carried articles about the activities of ROBERT F. WILLIAMS in China and Cuba; that HERBERT MUHAMMAD stated he is still receiving mail from China; and that "M.S." is considered a "Black Nationalist information and activity center" in America.

December 3, 1965, pages 149-150; 152-153

In effect, this reflects HERBERT MUHAMMAD continues to receive communication from ROBERT WILLIAMS in Cuba and they would appear in "M.S."; that "M.S." in its various issues has carried articles dealing with activities of the Peoples Republic of China and some are forwarded through the mails to the Negro newspaper media, including "M.S.", throughout the United States.

June 7, 1966, page 46

In effect, this reflects "M.S." has a policy of keeping its readers informed of important current issues and would, therefore present stories on China covering geographic facts and advances in science and other fields to show what a former enslaved people could do on a theory advanced by ELIJAH MUHAMMAD of "doing something for self".

Referenced communication dated September 19, 1966 (classified ~~Secret~~) reflected one [redacted] advised U.S. officials he could provide contact with one [redacted] described by him as a former Secretary to KWAME NKRUMAH, Deposed President of GHANA, who would be able to provide information regarding financial support given by the Black Muslims in the U.S. to further NKRUMAH's goal of a United Africa; that [redacted] suggested the Black Muslims were selling secrets to Communist China in return for monetary gains and a portion of the money was contributed to NKRUMAH. Of note regarding [redacted] was the fact he claims to have been intimate with [redacted] and an evaluation noted he may have been seeking funds to return to Ghana. S-2(S)

~~TOP SECRET~~

~~TOP SECRET~~

[] advised on September 30, 1966, he has absolutely no information which would indicate the NOI is giving financial support to KWAME NKRUMAH of Ghana or is selling secrets to Red China in return for monetary gains and then giving a portion of the money to MUHAMMAD. He added he has absolutely no inkling of any rapport between NOI officials and Red China, other than that shown above, or NKRUMAH. He stated that if this is taking place, it certainly is one of the best kept secrets in history and he thoroughly doubts the allegations. He added further ELIJAH MUHAMMAD would be extremely happy if he knew he was being accused of such activities. (S)

b7D

Previous information concerning past contacts between NOI officials and KWAME NKRUMAH is set forth in the following reports by SA SHEA titled "NOI, IS-NOI", and dated as shown below at Chicago: (S)

November 20, 1964, pages 178-181

In effect, this reflects the Editor of the "Ghanian Times" and the Information Chief of Ghana had met with ELIJAH MUHAMMAD and CHRISTINE JOHNSON, Principal of the U. of Islam No. 2, and that the Editor commented Red China's denial of recognition by some Western Nations and denial of admittance to the UN was foolish that KWAME NKRUMAH had received CASSIUS CLAY and HERBERT MUHAMMAD at the official Ghanese residence warmly; that CASSIUS CLAY in visiting Ghana, had given credit for his chance to come to Africa to ELIJAH MUHAMMAD at every opportunity.

December 3, 1965, page 155

In effect, it stated the President of Ghana had sent greetings to ELIJAH MUHAMMAD.

For information of the Bureau, MARY CHRISTINE JOHNSON was Director or Principal of the University of Islam, No. 2, Chicago, from approximately February, 1961, to August, 1965, at

which time she was relieved of her position being charged a hypocrite in that she fought with ELIJAH MUHAMMAD.

Reference is made to the following reports titled "MARY CHRISTINE JOHNSON" dated at Chicago as follows:

June 21, 1962, page 81

In effect, she stated she has been a personal friend of KWAME NKRUMAH since 1935, when they met in New York City; that she travelled to Africa, including Ghana, and Russia in 1960.

July 3, 1963, page 58-63

In effect, she travelled to Ghana in 1962.

April 14, 1966, page 3

In effect, she travelled to Ghana.

The above is set forth regarding the NOI and CHRISTINE JOHNSON for purposes of showing how CHANNELLS could easily have been able to allege the NOI was tied in with NKRUMAH and Red China. CLAY's visit to Ghana was well publicized. JOHNSON's visits were also publicized. In addition, she wrote an article for a Ghana paper upon having one of these visits. It would be easy to infer from this, CLAY and JOHNSON were envoys for ELIJAH MUHAMMAD and rapport was established. (S)

As is noted, all of the above data with the exception of the current informant contact has been previously disseminated. Pertinent data in this letter will be included in the next Semi-Annual Report on the NOI which is due in December, 1966.

Such data will be forwarded the Bureau in form suitable for dissemination.

A meeting of MM 24 was held on 3/29/68 at 2116 North Avenue, Richmond, Virginia. Among those present were:

CASSIUS CLAY

XX

b6
b7C

Mostly all male members were present and [redacted] and [redacted]. Also many visitors and the Mosque was full.

b6
b7C

[redacted] opened the meeting and then turned the meeting over to CASSIUS CLAY. He talked at length on the war in Vietnam and said the reason the United States is not winning is because they are afraid to drop the bomb as they know that China would then bomb the U.S.

b6
b7C

CLAY said MARTIN LUTHER KING and [redacted] are "darned fools" and are completely wrong talking about integration of the races. CLAY said integration is wrong and that Islam is the religion of the black man. He talked about complete separation of the races.

b6
b7C

CLAY said the black man has built a civilization for the white man and now he can't do anything for himself as he is brainwashed.

CLAY said he mixes with white people only when he has to but said he hates white people since a white man forced his mother to go away with him.

He said he would return to Richmond in five weeks.

Enclosed for the Bureau are the original and one copy of a three-page letter and envelope addressed to Senator MONDALE.

It appears probable that the person who prepared this letter has prepared many previous letters referred to in Bureau file #9-44386. The Laboratory Division is requested to compare the handwriting with similar samples contained in previous submissions in referenced Bureau file number. It is also requested that it be examined for indented writing and that it be examined for latent fingerprints.

The receipt of the letter from Senator MONDALE has been acknowledged.

UACB no LHM has been prepared and Secret Service and local authorities have not been notified of the receipt of this letter, since both the Minneapolis PD and the USSS at Minneapolis have received many submissions in this case and it would appear that nothing would be served by making further recommendations.

In addition, contact has been made and is being maintained with USSS and Intelligence Division of the Minneapolis PD concerning this investigation.

The attached exhibits will be of value in preliminary handwriting examinations which may be conducted by Agents of your office in screening writings of possible suspects. It should be noted that the questioned handwriting and hand printing are quite distinctive and contain many characteristics which can be readily observed by a careful study of the attached exhibits. While those characteristics enumerated in the exhibits are prominent characteristics, many other characteristics also are present and the Agents who conduct the screening should study and compare the characteristics enumerated in conjunction with the other writings on the exhibits.

GUIDE FOR HANDWRITING AND HAND PRINTING COMPARISONS

1. D - This letter has a triangular formation in the lower left portion and terminates with a broad stroke extending beneath staff of letter.
2. S - Upper loop of letter is narrow and lower loop terminates with a flat stroke to right.
3. I - Upper loop is tall and narrow. Lower loop extends to left of lower loop and terminal formation tends to be narrow.
4. h - Upper loop is narrow. Hump of letter is pointed and separated from left portion of letter.
5. g - Upper loop is very small in comparison with lower loop and upper loop tends to be parallel to line of writing.
6. F - Upper portion of letter is slightly curved. Crossbar in center extends to right of staff.
7. y - Initial stroke extends upward. Trough of letter is narrow and deep. Tail is long and narrow.
8. f - Upper and lower loops are long and narrow.
9. T - Initial stroke in upper portion extends upward. Terminal stroke at base is slightly curved and extends to left of approximately same position as beginning initial stroke.
10. H - Two styles of letter are noted. One style reveals a wide initial upper curve and second style consists of a vertical line without initial wide curve. Second portion of each style in "H" is separated by wide margin from initial portion of letter.
11. p - Upper portion extends markedly above other portion of letter. Loop beneath line is long and narrow and small hump at base line is separated from lower loop.

12. w1 - Last portion of letter "w" constitutes first segment of letter "i."
13. r - Upper portion of letter is narrow and terminal stroke tends to form an angle at base line.
14. t - When letter appears as first letter in word, tendency of writer is to separate second stroke of letter from first leaving a tent-like appearance.
15. W - Initial stroke in upper left portion is narrow and slightly curved. Center portion of letter has narrow tent-like appearance.
16. t - When this letter appears at end of word, the writer either ends down stroke at base line without a terminal stroke to right or uses a long terminal stroke extending to right and upward.
17. m - Humps of letter are narrow. Terminal hump has marked separation from other two humps.
18. C - Letter characterized with narrow upper loop and downward curve tending to be flat with conventional arc at base of writing.
19. K - Initial down stroke terminates with slight upward pen motion leaving faint upstroke. Right portion of letter made with continuous writing having small eyelet or retrace at center.
20. E - Letter made with three separate strokes. Downward stroke forms sharp curve at base line and extends to right. This stroke is separated from the upper cross stroke. Center cross stroke is third distinct stroke of letter.
21. G - Left portion consists of long and relatively flat stroke in the upper area.
22. L - Lower stroke to right forms a small curve.
23. H - Center of letter is high with respect to base line of writing.

24. N - Letter is generally made with two strokes. First stroke is vertical stroke at left. Second stroke consists of diagonal line to right forming a retrace or eyelet at base line with final motion extending upward. Note that sometimes writer uses three separate strokes in formation of letter.
25. R - Upper loop is relatively narrow and generally parallel with base line. Terminal stroke downward is generally slightly curved.
26. P - Upper loop is long and narrow.
27. Y - Segments of upper portion of letter are almost as long as vertical down stroke of letter. Upper portion has relatively flat appearance.

It should be noted that there are variations in the questioned writings such as are present in the writing of every person. For the most part, the questioned writing appears to have been rapidly written but some of the specimens submitted for examination reveal a little better quality of writing disclosing that in some instances the writer may not have written so hurriedly. However, in all of the writings examined the individual features of the writing are readily distinguishable.

EXTORTION - RACIAL MATTER 650630073

As a result of stops placed at the Customer Service Division, Main Post Office, Minneapolis, Minnesota, the attention of the Minneapolis Office was directed to a case being worked by the Minneapolis postal inspectors involving [redacted] Hopkins, Minnesota.

It was learned from [redacted] has been engaging in a great deal of eccentric and partially obscene correspondence with such recipients as radio station WLOL and a law firm in Chicago. Through this source, it was also learned that recently, a large package of mail forwarded by [redacted] to the White House was intercepted at the Main Minneapolis Post Office and sent to the U. S. Secret Service in Minneapolis. Representative examples of [redacted] hand-writing, printing, and typing were obtained and are attached, as described.

(1) Xerox copy of a handwritten letter, "Dear Sir, Postmaster: Please deliver this communication directly into the hands of RICHARD M. NIXON, President of the United States." With this, is a Xerox copy of a two-page flyer wherein [] is apparently attempting to get people interested in the Eucharist Corpo'real Christian Society.

b6
b7C

(2) A communication written on both sides of what appears to be a piece of cardboard used to pack a laundered man's shirt which was meant to be delivered to station WLOL, Minneapolis. It will be noticed that one side of this is essentially in hand printing, and the other side in handwriting. It is also noted that this is partially obscene.

(3) Xerox copy of an envelope addressed to the Postmaster, Post Office, St. Paul, Minnesota, the reverse side of which envelope contains considerable handwriting of []. There are also attached Xerox copies of both sides of the enclosure which consisted of a greeting card entitled "You under the weather Sweetie-Poo?" which contains some handwriting and typing of [].

b6
b7C

(4) A greeting card entitled, "Rip it up! Twist it! Shake it! But don't break it!" It will be noted this contains considerable hand printing of []. It also bears a six-cent U. S. postage stamp and was meant to be delivered to radio station WLOL in Minneapolis.

b6
b7C

(5) A greeting card entitled, "This is a love bug," which contains handwriting and hand printing of [] and a six-cent U. S. postage stamp, also intended for radio station WLOL in Minneapolis.

b6
b7C

It is requested that the handwriting and hand printing of [] be compared with the previously submitted handwriting and hand printing in this case. There appear to be certain similarities in the handwriting, but also dissimilarities.

b6
b7C

MP 9-1449
MP 9-1459

For the information of the Bureau, both the postal inspectors and the U. S. Secret Service intend to interview [] for the purpose of attempting to get him to desist in this type of correspondence. However, they are not going to conduct these interviews until it is determined whether or not [] is the writer of the previously submitted correspondence in this case. It is, therefore, requested that the Bureau advise as soon as possible of the conclusion as to [] handwriting.

b6
b7C

[] moved into the Hopkins, Minnesota area approximately six weeks ago and has been very active in this type of correspondence. It would be logical to assume that this is not the only correspondence that he has engaged in and the Bureau may desire to record the writing and printing and typing of [] for possible future reference purposes, in case it is decided that he is not the subject in instant case.

Remarks:

A number of differences were found in the questioned writing and in the writings on K11 through K15 which indicate that the writers of K11 through K15 did not prepare the questioned writing attributed to the unknown subject. Nothing of particular significance was noted which would suggest that additional known handwriting samples prepared by these writers should be obtained.

FBI LABORATORY REPORT
Q20 through Q23

FEDERAL BUREAU OF INVESTIGATION

1

May 7, 1969

Date

[redacted] Minnesota State Department of Human Rights, Room 60, State Office Building, St. Paul, Minnesota, made available a threatening letter and envelope received by him on April 28, 1969. This letter was handled by Miss [redacted] on April 28, 1969; by [redacted] on April 30, 1969, and by Miss [redacted] on May 2, 1969. All of these people are employees of the Human Rights Department. It was handled on May 2, 1969, by [redacted] of the Attorney General's office of the State of Minnesota, who suggested that Mr. [redacted] call the communication to the attention of the Federal Bureau of Investigation.

b6
b7C

Mr. [redacted] stated that the current threatening letter appeared to be in the same handwriting as a letter which he received in September or October, 1968, which communication he discarded after determining its nature. Both that communication and the current one arrived at his office shortly after he made a television appearance in Duluth, Minnesota. In each instance a statement appeared in the Duluth papers concerning his remarks on the particular occasion.

b6
b7C

Aside from this, Mr. [redacted] stated he had no idea of who might have sent the communications and that he had delayed reporting the matter to the Federal Bureau of Investigation because he wanted to talk to someone in the Attorney General's office prior to contacting the Federal Bureau of Investigation.

It leaked from then on & loosened plaster board on all 3 rooms on N. side and some leaks on S. side. I had to stay at Jackson hotel in Anoka for 3 wks as heat was out, drive way plugged with 5 ft of snow & I couldn't get it plowed out. They had changed the dog ordinances & I deposited \$25 for the license they required me to have but they refused to give one till Dist court Judge Keyes told them to give one to me. I was lodged in jail on false pretenses of going to see Judge (C. Rs) & never told reason why. They stole my dead husband's pets (had just died) and sold them to W of M because they said they had no place to keep them. FEDERAL BUREAU OF INVESTIGATION

Date July 9, 1969

Mrs. VELVA ROSVALL, 413 Northwest Main Street, Coon Rapids, Minnesota, (Highway 242, one and one-half miles west of Highway 65), was interviewed concerning the letter which she had directed to the FBI, dated June 23, 1969. At this time, Mrs. ROSVALL was also reading a signed statement (attached) which she furnished to Special Agents of the FBI on July 10, 1962.

Mrs. ROSVALL advised that since she was last interviewed in July, 1962, she has received settlement in the amount of \$655.00 in payment for the loss of her dogs; however, she has continued to attempt to obtain payment for damage to her property, resulting from cold weather and snow after her house was improperly cared for during the time of her arrest and confinement, which was about January, 1962.

In reviewing her signed statement of July 10, 1962, Mrs. ROSVALL was unable to recall the specific dates and incidents as set out at that time, and she further advised she had no additional specific information to furnish. She noted she currently has employed an attorney, [redacted] Hopkins, Minnesota, however, she has never been satisfied with the legal proceedings in this matter, being unable to refer to specific incidents with which she is unhappy.

b6
b7c

Mrs. ROSVALL advised she has written a number of offices in the state concerning this matter and additionally, frequently writes to various public offices, commenting on her approval and disapproval of actions taken by them.

Mrs. ROSVALL commented that since 1962 she has been in receipt of a kennel license and continuously has in excess of three dogs on her property.

"I, Mrs. VELVA M. ROSVALL, make the following voluntary statement to [redacted] and [redacted] whom I know to be Special Agents of the FBI concerning what happened to me on or about January 29, 1962. No threats or promises have been made me and I have been advised of my rights to have an attorney.

"I have lived at this address for more than twelve years. My husband RUSSELL, who died in August 1961, and I have been raising dogs here since we came here. We had a kennel license until about 1957 when we let it lapse for several years. After the death of my husband I reapplied for a kennel license in September 1961 after I received a notice to appear in court for operating a kennel without a license.

"When I got in court I told them I had reapplied for a license and the Judge, FORSBERG, then said he would wait and see what action was taken in my license application.

"About December, 1961 I was denied my license and I received a notice from Judge FORSBERG to get rid of my dogs. I then moved my dogs to Blaine Village but a disease broke out there and I was advised by Dr. ERICKSON of Anoka, now deceased, to bring my dogs back so the sickness they had would not spread and he told me not to sell any of my dogs until they were over their sickness.

"I called Judge FORSBERG at Coon Rapids and told him ~~I had brought the dogs back. I did not talk to Judge FORSBERG but told his wife.~~

"A few weeks later about January 29 or 30, 1962, the Coon Rapids Dog Catcher Mr. [] Mr. [] the Building Inspector and a young Coon Rapids policeman came to my home and told me they came to take the dogs. I said that they were my personal property and they couldn't take them. I said that I would like to talk to Judge FORSBERG and they said I could and they would take me there, the police officer and the building inspector took me in the police car at about noon to the Anoka County Jail. The dog catcher remained at my home.

b6
b7c

"When the men came to my home they showed me a paper which they said was a search warrant; it was then that I said I wanted to see Judge FORSBERG.

"I was put behind bars in the Anoka County Jail and then they brought me before Judge FORSBERG and he then asked me if I was guilty or not guilty of resisting an officer and I said I was protecting my personal property and if you call that guilty, I'm guilty. He did not reprimand me or fine me but called the next case.

"The Chief of Police of Coon Rapids then told one of his policemen to take me back to the Anoka Jail which he did. They had taken me from my home without me being able to get my glasses or medicine for my nerves.

"After spending a night at the Anoka County Jail, the matron at the jail said they would take me to Dr. [] to get my medicine but instead the matron and a Mr. [] took me to the Anoka State Hospital. This was about 2 PM that day.

b6
b7c

"Apparently someone unknown to me had signed papers committing me to the Anoka State Hospital. I had to stay at the hospital until February 19, 1962 even though I had my release on February 15, 1962.

"When I got home I found that all my dogs had been taken and none of them have ever been returned. I had ten adult dogs and five pups. I valued these at \$675.00.

"I have referred this matter to an attorney,
Mr. [REDACTED], Minneapolis.
Mr. [REDACTED] has advised me the city attorney for
Coon Rapids would pay me \$200.00 and that the city
officials were wrong in taking my dogs.

Mrs. ROSVALL advised that at the time the Coon Rapids
city officials came to her home she did not forcibly resist
them and claimed that she did nothing except to state that
she had promised her husband on his death bed that she would
keep these dogs and that they were her personal property and
that these men had no right to take them from her. She
advised that while the men allowed her to go into her home
to change her overshoes, they did not let her get her glasses
or her medicine which she has been required to take for her
nerves since the death of her husband.

She stated that when the two men took her in their
car from her home she thought they were taking her to Judge
FORSEBERG to discuss this matter but instead they took her to
the Anoka County Jail, Anoka, Minnesota.

It is noted that Mrs. ROSVALL was unable to furnish
a coherent account of what exactly transpired at the time the
three Coon Rapids city officials came to her residence. She
would become very emotional and repeat time after time that she
had promised her husband on his death bed that she would keep
the dogs. She advised that since her release from the Anoka
State Hospital, she consulted one attorney concerning her plight
but upon determining this attorney was a Coon Rapids resident

she refused to consult further with him feeling that he possibly may be connected some way with Coon Rapids city officials and she has since placed the matter in the hands of a Minneapolis attorney Mr. [REDACTED]. She advised that any attempts by her to locate the dogs taken from her residence have met with completely negative results. However, she stated her attorney has informed her that the Coon Rapids city attorney has indicated a willingness to settle for the loss of the dogs in the amount of \$200, and further has made the statement that the Coon Rapids officials were wrong in taking her dogs in the first place.

b6
b7c

It is further noted at the time of interview four small dogs were observed by agents in the ROSVALL house and yard and Mrs. ROSVALL advised that she is currently maintaining four dogs which were given to her by friends since her release although she advised it is her understanding that a resident of Coon Rapids is allowed to keep only two dogs.

The following is a description of Mrs. VELVA PEARL MC CARTHY ROSVALL as obtained through interrogation and observation:

Re Bureau 0-1 dated 12/17/69.

As this file indicates, this matter has been under investigation by the Minneapolis Office, U. S. Secret Service, U. S. Postal Inspectors, and the Intelligence Division of the Minneapolis Police Department for several years. There have been no letters of consequence in several months.

The person responsible for writing the letters has been very careful to conceal his identity, and the only things of any consequence that have been learned by review of the letters is that the writer is from Tennessee and he is 58 years old.

The handwriting of all logical suspects has been submitted to the Laboratory without effecting an identification.

In the time since the last report was submitted by the Minneapolis Office, an exhaustive review has been made from the files of the U. S. Secret Service, postal inspectors, and the Minneapolis police intelligence division using the handwriting guidelines prepared by the Laboratory and forwarded to the Minneapolis Division.

The files of the Minneapolis Office have also been reviewed in the areas of threatening letters, racial matters, etc., and this review has not been completed.

Since the subject has written no letters for several months, the review of the files in the Minneapolis Office will be completed, and if the results are not positive, the matter will be closed administratively until further communications are received UACB.

Remarks:

The majority of the questioned writing attributed to the unknown subject in this matter consists of handwriting. Very little hand printing appears in the questioned writing. The majority of the writing on K17 and the writing of [redacted] in Bureau file 100-422071 (referred to in Minneapolis letter of 8/26/69) consists of hand printing. While resemblances in some hand printed letters were found in the purported writing of [redacted] and the questioned writing, certain differences were found which indicate that the questioned writing may not have been written by [redacted]. This can best be resolved by the submission of additional known handwriting and hand printing samples prepared by [redacted] which are comparable with the questioned writing. Any additional samples of writing should contain a majority of handwritten specimens.

but if you have a
daughter, hope she marries
some filthy Nigger pimp.
You are far lower than
a Nigger pimp, for your
likes help, to produce
more of them.

Malcolm X was a
low Nigger pimp. Cassius
Clay, a yellow, bubble
headed Nigger draft dodger.

Blood will flow, in

that's right White cock sucker.
