Tactics of the strikers continue to be "hit and run," however, violence during the period covered by the enclosed LHM escalated and some experienced police observers stated that the violence on 2/19 and 2/20/69 was the worst in any administration in Berkeley in recent years.

University officials at UCB have declined to publish any monetary estimation of damage, however, Vice Chancellor ROBERT JOHNSON advised that the business office at UCB is compiling a list of damage and he believes it to be close to \$30,000 to \$40,000 to buildings, loss of employees time, and about \$500,000 loss to Wheeler Auditorium which was burned on 1/22/69.

Further, for the Bureau's information the references to the National Guard in the enclosed LHM should be clarified by stating that the National Guard had approximately 1,000 troops in a staging area in Alameda, California, which is about 30 minutes away from UCB.

The LHM is classified Confidential because information from SF T-1 through SF T-19 could reasonably result in the identification of confidential informants of continuing value and compromise future effectiveness thereof.

1969 that the Third World Liberation Front (TWLF) strike at  
the University of California, Berkeley (UCB) continued on  
February 17, 1969 with 13 pickets at the Telegraph Avenue -  
Bancroft Way entrance to UCB at 10:25 a.m. These pickets  
distributed leaflets stating that the Sather Gate entrance  
to UCB would be picketed between 12 noon and 1:30 p.m.,  
February 17, 1969. This picketing was to be followed by a  
march to City Hall, Center and Grove Streets, Berkeley,  
California, where members of the American Federation of  
Teachers (AFT), Local 1570 (Teaching Assistants Union, UCB)  
were scheduled for court appearances resulting from their  
arrests on February 13, 1969. SF T-5 advised that only about  
50 persons appeared at the hearings at City Hall.

SF T-1 advised that three small explosions believed  
to be "cherry bombs" or large firecrackers were set off at  
UCB on February 17, 1969. One "cherry bomb" did slight damage  
to a telephone booth on the first floor of Sproul Hall and the

SF T-1, SF T-2 and SF T-3 advised that a passageway was kept open through Sather Gate by a squad of law enforcement officers. There were no injuries reported for February 17, 1969. However, strikers enroute to City Hall tipped over chairs and tables in lower Sproul Plaza and one false fire alarm was set off at the Golden Bear Cafeteria. SF T-1 advised that the following two individuals were arrested on February 17, 1969:

STAN G. ~~X~~ADANI, Oriental male, student,  
residing at 3629-23rd Street, San  
Francisco, charged with violation of  
State Penal Code 647c (blocking a  
passageway). ~~DAVID~~

DANIEL B. ~~X~~HALLINAN, white male, student,  
residing at 1533 Grove Street, Apartment  
2, Berkeley, arrested on a warrant charging  
violation of California Penal Code 647c.

SF T-1, SF T-2, SF T-3 and SF T-4 advised that the TWLF strike continued at UCB on February 18, 1969 with about 30 pickets marching at Telegraph Avenue - Bancroft Way entrance to UCB at 9:15 a.m. Periodically during the morning California Highway Patrol (CHP) squads were used to keep a passageway open at both Telegraph Avenue and Sather Gate entrances for non-strikers. SF T-1 advised that four "cherry bombs" or large firecrackers were thrown against windows from the outside of the buildings at about 9:10 a.m. One each was thrown at Birge Hall, LeConte Hall, O'Brien Hall and Wheeler Hall. Windows were broken in each of the buildings by the explosions. SF T-1 further advised that at least one "stink bomb" was placed in the basement of Sproul Hall at about 9:15 a.m. (It is noted Sproul Hall is not only an administration building at UCB but the UC Police Department is also housed in the basement of this building.) The picketing continued at Telegraph Avenue - Bancroft Way and Sather Gate until about 1:30 p.m. when the demonstrators formed into serpentine lines and began to march around the campus and through campus buildings chanting "On strike shut it down" and "Pigs off campus." At about 2:15 p.m. a major confrontation took place between law enforcement

officers and demonstrators when about 400 to 500 persons blocked the Sather Gate entrance and failed to disperse from Sproul Hall and Sather Gate area when commanded to do so by police officers. Demonstrators hurled rocks, bottles and clubs at police officers.

SF T-1 advised there were 14 persons arrested, two CHP officers were injured in the melee and several demonstrators received minor injuries. One CHP officer was taken to a local hospital with facial injuries after being struck by a rock. The injuries were treated and he was released.

Several windows were broken in Sproul Hall, the Student Union Building, the Golden Bear Cafeteria and surrounding buildings by rock throwing demonstrators.

SF T-8 advised about 3:15 p.m. a crowd of about 50 individuals roamed the campus and nearby business area throwing rocks and bottles and smashing windows. SF T-8 stated this occurred shortly after JIM NABORS, a TWLF strike leader was arrested.

SF T-1, SF T-2, SF T-3, SF T-4 and SF T-5 advised on February 19, 1969 that the TWLF sponsored strikers were joined at UCB February 19, 1969 by striking teaching assistants of AFT Local 1570. The Teaching Assistants Union voted on the evening of February 18, 1969 one hundred ninety for a strike 41 against a strike and 5 abstentions. CONN HALLINAN, AFT Local 1570 President led the striking teaching assistants on picket lines at Sather Gate on the morning of February 19, 1969. Above sources advised that picket lines began at UCB this date at 7:15 a.m. with about 40 pickets scattered at the various JC entrances. At about 11 a.m. approximately 200 pickets began

to block the Sather Gate entrance. CHP officers, Alameda County Sheriff's Officers and local police department officers were used periodically to keep passageways open to the campus. These sources advised that the demonstrators and pickets displayed a greater amount of hostility toward police than on previous days and the number of pickets and demonstrators increased to about 1200 and 1500 shortly after noon. Strikers and demonstrators began serpentine marches around the campus and through the buildings at about 2 p.m. chanting, "On strike shut it down," "Pigs off campus," and "Sig Heil." At about 2:30 p.m. pickets and demonstrators blocked passageway in most of the Sproul Hall Plaza and Sather Gate. Several squads of CHP, Alameda County Sheriff's Officers were dispatched to Sproul Hall to clear a passageway through the crowd. At this time a serious confrontation took place between officers and demonstrators when demonstrators began hurling rocks, chunks of concrete, tin cans, sticks, bottles and iron pipes at advancing police officers. The resulting melee lasted approximately 45 minutes to an hour when demonstrators were pushed back by police after several arrests were made. The demonstrators then reformed in serpentine lines and resumed marching around the campus. Several windows in Sproul Hall, the Student Union Building, Eshelman Hall and the Golden Bear Cafeteria were broken by demonstrators hurling rocks and other objects at police. Two officers were injured by flying objects and one officer was knocked to the ground by demonstrators and kicked in the head. At about 3:30 p.m. demonstrators and pickets were forced off campus by police and on to Telegraph Avenue at the Bancroft Way - Telegraph Avenue entrance to UCR. Demonstrators proceeded to block the entrance for approximately 30 minutes.

SF T-1 advised that 9 campus buildings had windows broken by demonstrators on February 19, 1969 and that 170 CHP and 20 Alameda County Sheriff's Deputies were needed to quell the disturbance on February 19, 1969. SF T-1 described the violence on February 19th as the worst in the current UC strike. Twenty four individuals were arrested as set out below:

DAVID G. CHASE, white male, age 18, student, residing 513 Ehrman Hall, 2650 Haste Street, Berkeley, charged with 647c PC.

SF T-1, SF T-2, SF T-3, SF T-4 and SF T-6 advised as  
follows on February 20, 1969:

The TWLF sponsored strikers were joined again today  
by approximately 50 pickets representing the AFT Local 1570.  
Sources also advised that ten to twelve persons were observed  
at UCB carrying picket signs supporting the oil workers' strike  
at Richmond, California. Law enforcement officers were used  
to keep passageways open at Sproul Hall Plaza and Sather Gate

area and pickets were peaceful until about 1:30 p.m. when approximately 1000 demonstrators marched to the vicinity of University Hall, University Avenue and Oxford Street, and blocked University Avenue and Oxford Street traffic blocking up vehicle traffic for several blocks. The Board of Regents, UC, was meeting at University Hall at the time of this demonstration. Squads of Highway Patrolmen, police officers and local police department officers were used to disperse the crowd blocking the streets. The officers were met by a hail of rocks, bottles and other debris thrown by demonstrators and several windows were broken in University Hall, the state-wide headquarters for UC. At about 2:15 p.m. 700 to 800 demonstrators returned to the UCB campus and began marching and chanting in the vicinity of Sather Gate. A line of Highway Patrolmen and Alameda County Sheriff's Officers were used to keep passageways to the campus open.

At approximately 3 p.m. an unidentified demonstrator threw a home-made tear gas cannister into a group of law enforcement officers in front of Sproul Hall. The officers were not wearing gas masks and the tear gas caused both officers and demonstrators to disperse quickly. At this time there were approximately 2000 demonstrators in Sproul Plaza chanting their usual slogans and a wild melee began when officers attempted to arrest the individuals who threw the tear gas. Large amounts of tear gas was used by officers in efforts to disperse the crowd. The tear gas cannisters used by the officers were picked up by demonstrators and thrown back at the officers on many occasions. At times a cloud of tear gas covered a great portion of the Sproul Plaza and surrounding areas. The demonstrators threw "everything that was loose" at police officers. Many windows were broken in nearby buildings and on several occasions demonstrators would throw tear gas cannisters through the windows into Sproul Hall, part of which had to be evacuated.

SF T-6 and SF T-7 advised at about 4:30 p.m. they were considering declaring a state of emergency on the campus and announce a riot condition over a public address system and then proceed to arrest anyone in the area. However, no

announcement was made due to the turmoil and the hazardous condition. At approximately 5:30 p.m. the demonstrators were forced off campus when they took up a stand on Telegraph Avenue across the street from the main entrance at Bancroft Way - Telegraph Avenue. Demonstrators set numerous trash cans afire and started a bonfire at the intersection of Telegraph Avenue - Bancroft Way.

SF T-5 advised that about 7:30 p.m. demonstrators had broken 13 large windows in business establishments on Telegraph Avenue, the largest of which was a window 14 feet by 8 feet; the smallest a two foot by two foot window. SF T-5 advised that demonstrators scattered bus benches and burned them in the bonfire at Telegraph Avenue - Bancroft Way.

At approximately 6:30 p.m. demonstrators tipped over two large police vans on their sides and smashed the window shields in both vans. These vans were parked immediately outside the UC Police Department in Sproul Hall, and were waiting to transport arrestees to Santa Rita Prison Farm.

SF T-4 and SF T-5 advised that the "mutual aid pact" had been invoked by the Berkeley, University of California Police Departments and Alameda County Sheriff's Office, and by 8 p.m. approximately 500 law enforcement officers from surrounding agencies were either on hand or standing by to cope with any disorder if directed. In the early evening hours officers used large quantities of tear gas to disperse crowds at Telegraph Avenue and Bancroft Way and Haste Street and Telegraph Avenue. During this confrontation officers were pelted with rocks, molotov cocktails, bottles and large "cherry bombs." Several officers advised that the "cherry bombs" were of such intensity upon explosion that they believed that it was possible that the demonstrators were using pieces of fused dynamite, however, this was not verified. Above sources advised on February 20, 1969 that Berkeley and the University of California was quiet by about 8 p.m. However, law enforcement officers continued to patrol the streets of Berkeley surrounding the University of California during the night. Night classes and

Sources who advised on February 20, 1969 as above stated that this was the worst day of violence in the history of administration at Berkeley and that 26 police officers were injured, some requiring hospitalization and 17 persons were arrested.

SF T-1 advised on February 20, 1969 Professor MARTIN O'KRUCH left the Earth Science Building through the main entrance at approximately 3:30 p.m. and a small explosion occurred. Professor O'KRUCH reported that the explosion appeared to be attached to the door. He was not injured, however, the explosion burned a large hole in the front of his suit coat.

Governor RONALD REAGAN's Press Secretary announced that at about 11 p.m. February 20, 1969 that the California National Guard had been alerted to be ready to cope with possible trouble at UCB on February 21, 1969. The University of California Board of Regents would meet at University Hall on February 21, 1969 and Governor REAGAN would attend the Regents meeting.

The following is a list of the persons arrested on February 20, 1969:

BERKELEY, CALIFORNIA (UCB) -  
THIRD WORLD LIBERATION FRONT (TWLF)

SF T-1, SF T-2, SF T-3, SF T-4, SF T-5, SF T-6 and SF T-7 advised that the TWLF and AFT Local 1570 continued their strike at UCB on February 21, 1969 following a day of violent confrontation between law enforcement officers and demonstrators. Governor RONALD REAGAN ordered the California National Guard to an alert basis to cope with any trouble at UCB on February 21, 1969 if they were needed. At approximately 10:30 a.m. pickets were marching at most entrances to UCB. Governor REAGAN arrived by limousine at 10 a.m. to attend the University of California Board of Regents meeting at University Hall. Approximately 500 law enforcement officers from the California Highway Patrol, Alameda County Sheriff's Office, Berkeley Police Department and surrounding law enforcement agencies stood by University Hall as Governor REAGAN arrived. Commanding officers of the California National Guard also observed from a parking structure across the street from University Hall, and approximately 1000 National Guard troops were standing by within a 30 minute drive to the University.

SF T-1, SF T-2 and SF T-3 advised that approximately 50 to 60 TWLF and AFT pickets marched at UCB entrances until about 12:30 p.m. At approximately 1 p.m. 2000 demonstrators assembled on the UC campus across Oxford Street from University Hall where the UC Regents were meeting. TWLF leaders JIM NABORS, SID MACIAS, JAMES SAGER, also known as JIM SOLIZ and others urged the crowd to "keep it cool," and avoid any confrontation with police and National Guard. Speakers noted that the "pigs had them outnumbered" and to avoid a confrontation at all costs. SAGER advised the crowd that if anyone is observed with "rocks" urge them to "keep it cool today." Speakers at this rally periodically led the crowd in chants of "F--- (obscenity) REAGAN" who was attending the Regents meeting. Observers state that the loud cheers were heard several blocks away. TWLF monitors were used to keep people off the sidewalks and there was no confrontation between demonstrators and police. At approximately 2:30 p.m. demonstrators left the area of University Hall after a cold rain began after announcing a meeting at 4 p.m. in 155 Dwinelle Hall, UCB. Governor REAGAN left the Regents meeting at about 3:30 p.m. without incident.

SF T-1 advised that the only incident which occurred on campus during the day of February 21, 1969 was a "cherry bomb" thrown into the main library at about 3:30 p.m. The "cherry bomb" caused little damage and no injury other than a temporary deafening of two employees. The only individual arrested on February 21, 1969 was GEORGE JOSEPH GORNER, white male, 25 years, residing 142 Henry Street, San Francisco, charged with violation of State Penal Code 415 and 311.6.

SF T-1 advised that the TWLF meeting was held from about 3 p.m. to 5 p.m. in 155 Dwinelle Hall which is the main auditorium in Dwinelle Hall.

SF T-4 advised that a custodian discovered a "fire bomb" at about 6:30 pm. on the stage between the curtains in the northwest corner of the auditorium in 155 Dwinelle Hall. The "fire bomb" consisted of a new blue canvas bag with a zipper top. Inside the bag were two quart size plastic clorox bottles filled with what appeared to be gasoline. The bag also contained a four inch alarm clock, two electric wires, a 1 1/2 volt dry cell Ray-O-Vac battery and approximately 1/2 cup of black granule powder resembling gun powder. The wires were attached to the clock, battery, clorox bottles and one end of a wire was situated in the black powder. Lieutenant [redacted] Navy explosives expert examined the "fire bomb" and declared it operable.

b6

SF T-4 advised on February 24, 1969 that the evidence from the above fire bombs would be submitted to the FBI Laboratory in Washington, D.C. No suspects have been developed to date.

SF T-1 and SF T-6 advised on February 24, 1969 that the TWLF and AFT strike has not developed any individual as a charismatic leader, however, the following individuals have been most prominent in the current strike and demonstrations at UCB.

SF T-6 advised that the strike has been virtually ineffective as far as shutting down the class room activity at UCB since classes have not been materially affected. SF T-6 also advised that several of the students who will be disciplined by UCB have also been arrested and are awaiting court action. SF T-6 stated that the District Attorney's Office in Berkeley has requested the University to hold in abeyance disciplinary action pending outcome of court action on students in question.

SF T-1 and SF T-4 advised on February 24, 1969 that the strikers and demonstrators at UCB plan to continue their "hit and run tactics" and will attempt to avoid confrontation with police, however, efforts will be made by the strikers to create a situation at the University where as many police officers as possible will be forced to stay in a stand-by status.

The following documentations for individuals and organizations are set out.

FAIR PLAY FOR CUBA COMMITTEE,  
BAY AREA CHAPTER, also known as  
Bay Area Fair Play for Cuba Committee  
(BAFPCC)

---

The "New York Times" newspaper on November 20, 1960 carried an article captioned "Pro-Castro Body Reports U. S. Gain," which reported that the Fair Play for Cuba Committee (FPCC) had 5,000 paid-up members in the United States. The article declared that the FPCC had headquarters at 799 Broadway, New York City, New York, and had chapters in other cities, including one in San Francisco.

A source advised in March, 1961, that the Bay Area Chapter of the FPCC (BAFPCC) began to be formed in San Francisco in November, 1960, under the direct guidance and leadership of ASHER HARER, who the source identified as a member of the San Francisco Branch of the Socialist Workers Party (SWP) and a member of the National Committee of the SWP.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

This source advised in March, 1963, that in the recent election of the BAFPCC the SWP continued its influence by having SWP members elected to the executive committee.

This source advised in May, 1963, that the BAFPCC included members in San Francisco and surrounding counties. He advised that the BAFPCC has no headquarters but received mail through Post Office Box 2615, San Francisco 26, California, which is a box maintained by ASHER HARER. He stated that the announced aims and purposes of the BAFPCC are to "spread the truth about Cuba and to prevent U.S. intervention in Cuba."

A second source advised on January 10, 1964, that at a BAFPCC meeting in Berkeley, California, in December, 1963, it was decided to dissolve the BAFPCC.

~~CONFIDENTIAL~~~~CONFIDENTIAL~~FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening in Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the aforementioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. This source added that during the past year there had been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that their influence as of May, 1963, was negligible.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On May 20, 1963, a second source advised that VINCENT "TED" LEE, FPCC National Office Director, was then formulating FPCC policy and had indicated that he had no intention of permitting FPCC policy to be determined by any other organization. This source stated that LEE believed that the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and should support the right of Cubans to manage their revolution without interference from other nations. LEE did not advocate supporting the Cuban revolution per se.

~~CONFIDENTIAL~~APPENDIX~~CONFIDENTIAL~~

~~CONFIDENTIAL~~FAIR PLAY FOR CUBA COMMITTEE (cont'd.)

The November 23, 1963, edition of "The New York Times" reported that Senator THOMAS J. DODD of Connecticut had called FPCC "the chief public relations instrument of the Castro network in the United States." It is to be noted that Senator DODD was a member of the Senate Internal Security Subcommittee which twice conducted hearings on the FPCC.

The December 27, 1963, edition of "The New York World Telegram and Sun" newspaper stated that the pro-Castro FPCC was seeking to go out of business and that its prime activity during its lifetime had been sponsorship of pro-Castro street rallies and mass picket lines, and the direction of an active propaganda mill highlighting illegal travel-to-Cuba campaigns. Its comparatively brief span of life was attributed to mounting anti-Castro American public opinion, the 1962 Congressional hearings which disclosed FPCC financing by Castro's United Nations Delegation, and ultimately, the bad publicity which the FPCC received from disclosure of activities on its behalf by suspected Presidential assassin LEE H. OSWALD.

On February 6, 1964, the previously mentioned second source advised that V. T. LEE had recently remarked that the FPCC was dead and that there were no plans to organize another similar organization.

On April 13, 1964, a third source advised that there had not been any FPCC activity in many months and that the FPCC had been dissolved.

MAY 2 MOVEMENT

A source advised on March 3, 1965, as follows:

The May 2 Movement (M2M), formerly known as the May 2 Committee, was organized on March 14, 1964, at New Haven, Connecticut, by a group of young people participating in a symposium "Socialism in America" being held at Yale University. The original aim of the M2M was to plan and execute a demonstration in New York City on May 2, 1964, demanding withdrawal of United States troops from Viet Nam.

The M2M was dominated and controlled by the Progressive Labor Party (PLP) and had for its aim and purpose the embarrassment of the United States Government by meetings, rallies, picketing demonstrations, and formation of university level clubs at which a Marxist-Leninist oriented approach and analysis was taken of United States domestic and foreign policies. This source advised on May 19, 1965, that the headquarters of the M2M was 640 Broadway, New York City, Room 307.

A second source advised on February 9, 1966, that the M2M was officially dissolved as an organization on February 6, 1966, at a meeting held on the same date in New York City, by the leadership of M2M and the Progressive Labor Party.

The "New York Times" city edition Tuesday, April 20, 1965, Page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP, which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's overall revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub, Fred Jerome, Jared Israel, William Epton, Jacob Rosen, Jeffrey Gordon, and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor," a bimonthly magazine; "World Revolution," a quarterly periodical; and "Challenge-Desafio," a monthly newspaper.

The August, 1968, issue of "Challenge-Desafio" sets forth that "above all, this paper is dedicated to the fight for a new way of life--where the working men and women own and control their homes, factories, the police, courts, and the entire Government on every level."

The source advised on June 3, 1968, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

SAN FRANCISCO SCHOOL OF SOCIAL SCIENCES, aka

San Francisco School of Marxism

A source advised on February 6, 1962, that the first class of the San Francisco Marxist Study Group (SFMSG) was held on February 5, 1962, at 345 Franklin Street, San Francisco, California, and that the instructor of this class stated that the main purpose of the SFMSG was to train young people for leadership of the people in the event the U. S. wakes up to the advantages of communism.

A second source advised on April 23, 1964, that the San Francisco School of Social Sciences (SFSSS), has been known as the "San Francisco School of Social Science," "San Francisco Marxist Study Group," "San Francisco School of Marxism-Leninism," and "San Francisco School of Marxism."

A third source furnished the Spring, 1964, Bulletin of the SFSSS on October 14, 1964, which reflected that TERENCE HALLINAN and J. P. MORRAY were Co-Directors of the SFSSS.

A fourth source advised on April 9, 1965, that in April, 1965, TERENCE HALLINAN advised that he was not a member of the Communist Party (CP), but considered himself a communist and intended to join the CP as soon as he passed his bar exams.

A fifth source advised March 1, 1963, that HERBERT APTHEKER, a member of the CP, USA, National Committee, advised in February, 1963, that he was to be the East Coast Chairman and JOSEPH P. MORRAY the West Coast Director of a new organization being promoted by the CP, USA, to teach and propagate Marxist theories.

The third source further advised on January 26, 1966, that due to the failure of the SFSSS during its Spring, 1965, term to raise support sufficient to continue all of its scheduled classes, no classes were organized for a Fall, 1965; term. The SFSSS no longer exists.

W.E.B. DU BOIS CLUBS OF AMERICA (DCA)~~CONFIDENTIAL~~

A source advised that on October 26-27, 1963, a conference of members of the Communist Party, USA (CP, USA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19 - 21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time, the name W.E.B. Du Bois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention.

The second source advised in September, 1966, that Mike Zagarell, CP, USA Youth Director, stated that in Negro communities the Party still supported the plan to build "left" socialist centers and to solidify the Party base through the DCA. This source also advised in September, 1966, that Daniel Rubin, CP, USA National Organizational Secretary, stated the Party believes the DCA should have a working class outlook and be a mass organization favorable to socialism, socialist countries and Marxism, and in April, 1967, Gus Hall, CP, USA, General Secretary, indicated that the DCA primary emphasis should be on developing mass resistance to the draft.

A third source advised in September, 1967, that Jarvis Tyner was elected Chairman of the DCA on September 10, 1967, near the conclusion of the Third National Convention of the DCA held in New York, New York, from September 8-10, 1967.

YOUNG SOCIALIST ALLIANCE  
(known in San Francisco Bay Area as  
Bay Area Young Socialist Alliance  
also known as  
Bay Area Committee of the Young Socialist Alliance,  
Bay Area Committee for the Young Socialist)

---

A source advised on May 16, 1960, that the Bay Area Young Socialist Alliance (BAYSA) was formed in February, 1958, as the Bay Area Committee for the Young Socialist (BACYS). At a later stage in its development prior to adoption of the name BAYSA, the organization was known as the Bay Area Committee of the Young Socialist Alliance (BACYSA).

The source advised that as a result of a national convention held April 15-17, 1960, at Philadelphia, Pennsylvania, the BAYSA became a branch of the national organization to be known as the Young Socialist Alliance (YSA) and will carry out in the Northern California area the policies of the YSA.

The source advised April 18, 1968, that the BAYSA is currently active and is composed of two locals: The San Francisco YSA and the Berkeley YSA.

The source advised on April 18, 1968, that the BAYSA, although ostensibly an independent organization, is in reality controlled by the San Francisco Branch, Socialist Workers Party (SWP) and the Oakland Branch, SWP.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

YOUNG SOCIALIST ALLIANCE

~~CONFIDENTIAL~~

The May, 1960 issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles of revolutionary socialism.

On March 10, 1967, a source advised that the YSA was formed during 1957, by youth of various left socialist tendencies, particularly members and followers of the SWP. The source further advised that the YSA has recently become more open about admitting that it is the youth group of the SWP and that an SWP representative has publicly stated that the YSA is the SWP's youth group.

The National Headquarters of the YSA are located in Rooms 532-536, 41 Union Square West, New York City.

On October 31, 1967, a second source advised that at the 22nd National Convention of the SWP held in New York City from October 26, 1967, to October 29, 1967, it was stated that the YSA remained as the main recruiting ground for new SWP members.

The SWP has been designated pursuant to Executive Order 10450.

A characterization of "Young Socialist" is set out separately.

The "Young Socialist" newspaper was formerly described as the official organ of the Young Socialist Alliance (YSA).

The "Young Socialist" maintains office space at the headquarters of the YSA, Rooms 532-536, 41 Union Square West, New York City, and has a mailing address of Post Office Box 471, Cooper Station, New York, New York 10003.

IV. GENERAL ACTIVITY

*member of Socialist Workers Party*  
At a meeting of the SFYSA held October 27, 1961, at 149 Detroit Street, San Francisco, THEODORE EDWARDS, Chairman *(af)* of the Los Angeles Local - SWP, spoke on the topic "The Permanent Revolution in Latin America". He stated that the Cuban revolution was the first breakthrough from a capitalistic state to a workers state in the Western Hemisphere. He stated that the Cuban revolution was a victory against the efforts of United States imperialism to reclaim Cuba, including the efforts of the middle class in Cuba, who had tried to organize opposition against the Socialist revolution within their country. He stated that in the underdeveloped Latin American countries labor is so cheap that automation cannot compete and added that as long as these conditions exist there is no hope for improved conditions for the working class. He stated that the peons produced the wealth for the landlord owners who throw it away on free and easy living with no thought for the workers who make their way of life possible.

At a meeting of the BYSA held October 29, 1961, at 1941 Oregon Street, Berkeley, RICHARD AOKI reported on the "Facts About Communism" lectures given at the Berkeley High School. BETTY PETRAS stated that the BYSA had made a mistake by concentrating their efforts so heavily in SLATE, a student political group at the University of California (UC), Berkeley, inasmuch as they were finding it very difficult to get across their ideas in this organization. An educational committee report was given and the statement made that classes in Marxism were in preparation and would be given soon. (U)

(U) [(SF T-1, 11/4/61)] (X)

At a SFYSA class held October 29, 1961, at 1495 Golden Gate Avenue, San Francisco, YALE SHARIF gave a talk based on LEON TROTSKY's book "Revolution Betrayed". SHARIF stated that the true socialists are the followers of TROTSKY and LENIN and pointed out how the Soviet Union had degenerated into a bureaucracy and was perpetuating itself with lies. (U)

(U) [(SF T-3, 10/30/61)] (X)

At a membership meeting of the SFYSA held October 29, 1961, at 1495 Golden Gate Avenue, San Francisco, BARBARA VOLK stated that ASHER HARER would soon be available to deliver talks on philosophy and dialectical materialism for the YSA. YALE SHARIF stated that he was attempting to establish a unit of the Student Peace Union in San Francisco which he could control. Reports as to YSA representation on college campuses reflected that LEE GLASGOW at San Francisco State College and COREY HARER and RAY VALDEZ at San Francisco City College were the only SFYSA members on campus so far. JOHN SEVREN was accepted as a new member of the SFYSA at this meeting. SUE MATTINGLY advised those present that SEVREN had been a member of the SWP for five years and had been a charter member of the YSA. SEVREN stated that the YSA should spend its efforts on the formation of a third party and the bringing about of socialism rather than in attempting to establish peace groups on college campuses. (U)

At a meeting of the SFYSA held November 5, 1961, at 1495 Golden Gate Avenue, San Francisco, SUE MATTINGLY proposed that a political club be formed at San Francisco City College and suggested to COREY HARER she take immediate action to get something started. MATTINGLY suggested that one issue that could be raised by HARER to attract student attention would be an attack on the student newspaper for failure to publish ideas advanced by various students. LEE GLASGOW stated that nothing had been achieved as yet toward establishing a branch of the Student Peace Union at San Francisco State College. It was announced that the SFYSA had accepted a \$60.00 quota as its part in the National fund drive of the YSA. It was added that \$55.00 of this amount had already been pledged.

BOB MATTINGLY advised that GEORGE MYLAND would give a talk on the 22nd Congress of the Soviet Union at 150 Golden Gate Avenue, San Francisco on November 10, 1961.

At a meeting of the SFYSA held November 12, 1961, at 2331 Market Street, San Francisco, COREY HARER and LEE GLASGOW gave reports as to their efforts to establish relations with student groups at San Francisco State College and San Francisco City College. JOHN SEVREN was accepted as a member of the SFYSA Executive Committee despite the fact that technically he did not meet all the requirements for this position set forth in the YSA Constitution. BARBARA VOLK stated that many people who had attended a SFYSA social held November 11, 1961, had known nothing concerning the YSA previous to the party, and in this respect the party had been a great success. Subsequent to the meeting, the majority of those in attendance distributed copies of the "Young Socialist", official publication of the YSA, at Nourse Auditorium, San Francisco, where a meeting of a Negro civil rights organization was being held.

It was stated that the major questions up for discussion were those involving civil rights, the Cuban revolution, and campus affairs.

LEE GLASGOW reported that the SFYSA had \$34.00 in its treasury. It was announced that eleven new subscriptions to the "Young Socialist" had been obtained.

It was announced that the question of Cuba would be discussed more fully at a BAYSAs meeting to be held in the near future. BOB MATTINGLY stated that the YSA does not follow the SWP completely because many of the people in the YSA are not ready to become members of the SWP. He stated that if there were a revolution in the United States, the YSA would follow the actions of the SWP. JOHN SEVREN stated that although the YSA should support all united front groups, their first consideration should be given towards the policies of the SWP.

At a meeting of the SFYSA held December 3, 1961, at 2331 Market Street, San Francisco, discussion was completed by the Branch on the subject of whether Cuba is or is not a workers state. The majority viewpoint of the members was that Cuba is a workers state and that the viewpoint of the minority in the YSA that Cuba has reverted to a Stalinist type of bureaucracy was erroneous.

At a meeting of the SFYSA held December 10, 1961, at 2331 Market Street, San Francisco, a survey showed that only two persons, BARBARA VOLK and YALE SHARIF, could attend the National YSA Conference as delegates from San Francisco, although the BYSA hoped to send five delegates to the convention. SUE MATTINGLY proposed that the "Young Socialist" be distributed at San Francisco State College. The minority and majority viewpoints on the Cuban revolution were again brought up for discussion, and JOHN SEVREN gave background data on Russia and China comparing them with the state of affairs existing in Cuba. SEVREN pointed out that Cuba's isolated position necessitated that FIDEL CASTRO take certain measures that

violated the principles laid down by TROTSKY, but that this alone did not prove that Cuba was a bureaucratic state.

A meeting of the BAYSA was held December 17, 1961, at 1941 Oregon Street, Berkeley. This meeting was held to give the assembled members of the SFYSA and BYSA an opportunity to debate the Cuban question. JOHN SEVREN presented the majority viewpoint and JAMES PETRAS spoke for the minority. JOHN SEVREN stated that the Cuban revolution had come about only because of the fact that the workers themselves had supported CASTRO, and stated that the change from a state of affairs in which the land was owned by a few landlords to one in which the workers themselves had been given the land was in and of itself a sufficient change to make Cuba a workers state. PETRAS stated that Cuba had carried out economic progressive measures, but in the political field had not developed a proletarian type of affairs. He stated that the people were being suppressed, including the Cuban Trotskyites, and that in this respect CASTRO was setting up a bureaucratic form of government.

PETRAS stated that the workers were not participating in the affairs of the Cuban government and that actually what exists in Cuba is a small petty bourgeois which is controlling the Cuban state. He stated that a factional party is being built in Cuba which the Cuban Communist Party will control.

At a meeting of the SFYSA held December 17, 1961, at 1941 Oregon Street, Berkeley, the members voted on the resolutions to be advanced on Cuba at the National YSA Conference. Of the ten members present, seven voted for the majority resolution on Cuba, two for the minority, and one abstained. YALE SHARIF and BARBARA VOLK voted for the minority. BOB MATTINGLY stated that inasmuch as the SFYSA had no one going to the Conference representing the majority viewpoint, they could select two delegates from the BYSA to represent them.

At the December 30, 1961 session of the YSA Second National Conference held December 29 - 31, 1961, at 777 West Adams Street, Chicago, Illinois, JAMES PETRAS presented the minority resolution on Cuba. PETRAS stated that the Soviet Union aimed at bringing the Cuban revolution under control and using it to put pressure on the United States in order to gain more concessions in an eventual "peaceful co-existence" deal. PETRAS stated that the Cuban revolution has been marked throughout by the absence of a revolutionary Marxist political party and that there was also a lack of democratic structures whereby the government would be responsible to and controlled by the workers and peasants. PETRAS stated there was also a trend toward authoritarianism and bureaucratization in Cuba. He pointed out that the Trotskyist press had been closed in Cuba and certain Trotskyites had been arrested. ~~(S)~~

JIM PETERSON stated that the YSA was encouraged by its work on various campuses where they have chapters, and that greater emphasis would be given to campus activity in the future. TED MELLOR stated that JOHN SEVREN, JAMES PETRAS, JAMES PETERSON, and himself had been elected to the National Committee of the YSA and that LEE MAYFIELD, LOUIS COBET, MARVIN GARSON, and SUE MATTINGLY had been elected as alternates. This statement was to the effect that the BYSA considered it the responsibility of those interested in advancing the ideas of autocracy, socialism, or capitalism, whichever they might be, to communicate those ideas, and although the BYSA acknowledged that Soviet propaganda stood to gain by the 8th World Youth Festival as it has in the past, the BYSA considered that everyone, no matter what his viewpoint, stood

The members felt that this would be an excellent opportunity for them to unite various peace groups on the campus, and it was recommended that MARVIN GARSON be designated as the YSA member responsible to promote this work and to try to coordinate it through SLATE, a University of California student political group. If SLATE proved unwilling to sponsor this type of action, GARSON was to form an ad hoc committee to sponsor the program. It was suggested that the students picket and publicize their grievances against the KENNEDY administration, clearly indicating that President KENNEDY had not made good his campaign promises regarding civil rights and peace, as well as the students opinion that the Administration's actions against Cuba were intolerable. ~~(c)~~

The article stated that topics covered in the three hour discussion by JAMES PETRAS, MARVIN and BARBARA GARSON, LEONARD GLASER, and BRIAN SHANNON ranged from President KENNEDY's views on disarmament, discrimination against Negroes in the South, unfair distribution of unemployment insurance to the problem of wasted food surplus in the United States. Whether or not delinquency was a crime and whether Hitler was morally right in wanting to stamp out communism were also debated. JAMES PETRAS stated that the main purpose of the discussion had been to note internal domestic problems and to arouse curiosity and interest among students. ROBERT MATTINGLY advised CARL FEINGOLD in November, 1961, that the position of the San Francisco Branch, SWP, was that the YSA should not have the appearance of being merely a junior or student version of the SWP. MATTINGLY advised that while its program should be revolutionary socialism, the YSA should not require the same degree of political maturity and commitment expected of SWP members. It should be an organization of socialist youth who are at various degrees removed from and moving toward the full program of revolutionary socialism. He advised that, of course, the YSA should contain a considerable number of SWP members who would in effect constitute the basic core of the YSA. It was MATTINGLY's opinion that if the YSA and the SWP were to be twins in terms of political maturity and program of action, then there would be no justification for the separate existence of the YSA.

YOUNG SOCIALIST ALLIANCE (YSA)

The May, 1960, issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary Socialism.

A confidential source advised on May 11, 1960, that the original YSA was an organization formed during October, 1957, in New York City, by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised that the YSA is dominated and controlled in its leadership and ranks by members of the SWP. The source added that the SWP considers the YSA as the leading force in the radical youth field and its current and future hope in regard to recruits and the promulgation of the SWP movement throughout the United States.

The headquarters of the YSA are located at 10 East 23rd Street, New York City.

The YS is a monthly publication, self-described in the December, 1960, issue, as the official organ of the YSA.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

HOLLAND ROBERTS was a member of the Palo Alto Club of the Communist Party (CP) in 1959 and was a CP member at large in 1962. (X) U

SF T-4

The Fair Play for Cuba Committee (FPCC) contributed the sum of \$100 to CURT on December 3, 1963.

A characterization of the FPCC is contained in the appendix.

## III. ACTIVITIES

Representatives of CURT traveled to Los Angeles, California where they spoke on October 20, 1963 at 1528 North Vermont Avenue. The purpose of this trip was to tell the people in the Los Angeles and San Diego areas about conditions in Cuba and to publicize the plight of the students who are being prosecuted for exercising their right to travel.

SF T-1 on 11/1/63

A party was held on December 7, 1963 at 434 28th Street, San Francisco. The stated sponsor of the party was CURT but it was suggested and implemented by several other organizations. There were from 60 to 85 persons present.

SF T-2 on 12/20/63

CURT is no longer a formal organization, although the name CURT was used recently by the Permanent Student Committee for Travel to Cuba (PSCTC) as the sponsor of a meeting because the name CURT was more receptive to the public. This meeting

was held to generate applications for a 1964 trip to Cuba. This practice is expected to continue and CURT will become active again only as a defense committee for individuals against whom the U. S. Government contemplates action for having defied the ban on travel to Cuba.

SF T-1 on 4/9/64

A characterization of the PSCTC is contained in the appendix.

CURT is no longer functioning as an organization and does not meet together as a group.

1~~CONFIDENTIAL~~COMMITTEE TO UPHOLD THE RIGHT TO TRAVEL

A source advised on August 1, 1963, and October 4, 1963, that at a meeting sponsored by Progressive Labor and held on July 31, 1963, at Stiles Hall, Berkeley, California, it was decided that a committee be formed in behalf of the San Francisco Bay Area students who had traveled to Cuba in June, 1963, in defiance of the ban by the United States Department of State on travel to Cuba. The name decided upon was the Committee to Uphold the Right to Travel (CURT).

The same source and a second source advised that CURT, a non-membership organization, has as its principal and main purpose the directing of publicity toward the thought of freedom to travel. In the event of the prosecution of the students who traveled to Cuba, CURT will become a committee to aid in their defense.

The first source advised that of the twelve officers elected, five are currently members of the Socialist Workers Party and one was a member of the Socialist Workers Party until July, 1963. The current members are:

BAY AREA PROGRESSIVE LABOR, aka  
"Progressive Labor"

A source advised on December 12, 1962, that in the latter part of 1962 a group of former members of the San Francisco County Communist Party (SFCCP), who had split from the SFCCP during 1960 over a factionalist dispute, had grouped together to support and further the aims of "Progressive Labor" and reportedly had allied themselves with the Progressive Labor Party, which reportedly has been organized nationally.

The masthead in the September, 1963, issue of "Progressive Labor," Volume II, No. 9, reflects "Progressive Labor" is published monthly by the Progressive Labor Co., G.P.O. Box 808, Brooklyn 1, N.Y....San Francisco address listed....P.O. Box 843, San Francisco 1, California....West Coast Editor: LEE COE.

A second source advised on February 28, 1963, that leaflets and invitations were distributed in San Francisco, California, by the above-mentioned group during February, 1963, under the name Bay Area Progressive Labor (BAPL), P.O. Box 843, San Francisco, California, along with the name of LEE COE as one of two signatures appearing thereon.

A third source advised on November 1, 1963, that LEE COE is active in BAPL activities in the San Francisco Bay area and appears to be one of its leaders.

"PROGRESSIVE LABOR"

1

A source advised on July 2, 1962, that Progressive Labor groups held a conference in New York City on July 1, 1962, where MILTON ROSEN acted as chairman. He read a statement at this conference setting forth their intention to form a new Marxist-Leninist Party in the United States. ROSEN stated that a more formal organization was necessary, one which would provide a framework for all who wanted to join in a united effort to build an American vanguard. The functions of this new organization are to consolidate all existing forces around Progressive Labor and organize additional forces; expand and improve political activities; win additional forces to an outlook of Marxism-Leninism and increase the open advocacy of socialism; develop a significant Marxist-Leninist program for the new party; and organize a collective organization of leaders and members.

"The Worker," an east coast communist newspaper, issue of January 7, 1962, page 10, column 3, reported the expulsion of MILTON ROSEN, former labor secretary of the New York State Communist Party, from the Communist Party, USA.

A second and third source advised in February, 1963, that this new Marxist-Leninist Party had not yet been organized on a formal basis but that Progressive Labor groups had been formed in several localities in line with proposals of MILTON ROSEN. The sources advised as of February, 1963, that the leaders of this group were referring to it as the Progressive Labor Movement.

The "Amsterdam News," a daily New York City newspaper, dated July 27, 1963, page 22, set forth that the "Progressive Labor Party is a new political formation based on Progressive Labor Movement, a Socialist organization with groups in all parts of the United States. The organization publishes a monthly magazine called Progressive Labor."

The July-August, 1963, issue of "Progressive Labor" set forth that it is published monthly by Progressive Labor Company, G.P.O. Box 808, Brooklyn 1, New York.

A second source advised on October 26, 1959, that the name of the Oakland Branch of the SWP was changed to the Oakland-Berkeley Branch of the SWP.

A third source advised on April 30, 1963, that the San Francisco Branch and the Oakland-Berkeley Branch of the SWP follow the policies and directives of the National SWP with which they are affiliated.

FAIR PLAY FOR CUBA COMMITTEE,  
BAY AREA CHAPTER, also known  
as Bay Area Fair Play for Cuba  
Committee (BAFPCC)

---

The "New York Times" newspaper on November 20, 1960, carried an article captioned "Pro-Castro Body Reports U.S. Gain," which reported that the Fair Play for Cuba Committee (FPCC) had 5,000 paid-up members in the United States. The article declared that the FPCC had headquarters at 799 Broadway, New York City, New York, and had chapters in other cities, including one in San Francisco.

A source advised in March, 1961, that the Bay Area Chapter of the FPCC (BAFPCC) began to be formed in San Francisco in November, 1960, under the direct guidance and leadership of ASHER HARER, who the source identified as a member of the San Francisco Branch of the Socialist Workers Party (SWP) and a member of the National Committee of the SWP.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

A source advised in May, 1963, that the BAFPC is currently active in the San Francisco area and includes members in San Francisco and surrounding counties. He advised that the BAFPC has no headquarters but received mail through Post Office Box 2615, San Francisco 26, California, which is a box maintained by ASHER HARER. He stated that the announced aims and purposes of the BAFPC are to "spread the truth about Cuba and to prevent U.S. intervention in Cuba."

A source advised in March, 1963, that in the recent elections of the BAFPC, the SWP continued its influence by having SWP members elected to the Executive Committee.

~~CONFIDENTIAL~~1.FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned, "What Is Really Happening In Cuba?," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. Charles A. Santos-Buch identified himself and Robert Taber as organizers of the FPCC. He also testified he and Taber obtained funds from the Cuban Government, which were applied toward the cost of the aforementioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between the Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the Fall of 1962, and was filled by Vincent "Ted" Lee, who now formulates FPCC policy. This source observed Lee has followed a course of entertaining and accepting the cooperation of many other organizations, including the CP and the SWP, when he has felt it would be to his personal benefit as well as the FPCC's. However, Lee has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. Lee feels the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

1~~CONFIDENTIAL~~PERMANENT STUDENT COMMITTEE FOR TRAVEL TO CUBA (PSCTC)

"The Columbia Owl," a weekly student newspaper of Columbia University, New York City, December 13, 1962 issue, page 1, contained an article entitled "Students to Visit Cuba During Holidays." This article stated in part that the Ad Hoc Student Committee for Travel to Cuba was formed October 14, 1962, by a group of students from New York City universities, the University of Wisconsin, Oberlin College, and the University of North Carolina, who stated that as students they would like a chance to see and evaluate the situation in Cuba for themselves and had received an offer of transportation and two weeks stay in Cuba from the Federation of University Students in Havana as guests of the Federation. The committee accepted the offer and applied to the United States State Department for passport validation which was refused; however, over 50 students planned to defy the State Department ban and go to Cuba.

A source advised on December 6, 1962, that during December, 1962, it was learned that the Ad Hoc Student Committee for Travel to Cuba had recently been formed by the "Progressive Labor" group.

"Progressive Labor," Volume 11, Number 1, issue of January, 1963, page 11, in an article captioned "State Dept. Pulls Strings to Keep U. S. Students from Cuba," states that "For more information on the Cuban Trip contact the Ad Hoc Committee for Travel to Cuba, 42 St. Marks Place, New York 3, NY."

A second source advised on April 24, 1963, that a party sponsored by the Permanent Student Committee for Travel to Cuba was held on April 20, 1963, in New York City. At this party it was announced that the Ad Hoc Student Committee for Travel to Cuba is now known as Permanent Student Committee for Travel to Cuba.

The same source further advised that at this party it was announced that the committee had received a cable from the Federation of University Students in Havana inviting the students to spend the month of July, 1963, in Cuba, and a new trip was planned whereby the students would leave New York City the last weekend of June, 1963, for Canada and travel by plane from Canada to Cuba.

TRI-CONTINENTAL PROGRESSIVE  
STUDENTS COMMITTEE

Between late March and early April, 1968, SF T-1 furnished a series of reports concerning the dissension which had been created between the off-campus organization of Tri-Continental Progressive Students Committee (TCPSC) and the on-campus organization, Friends of Tri-Continental Progressive Students Committee (FTCPSC) at the University of California, Berkeley, California (UCB). According to this source, these troubles began with the appearance of information in the "Berkeley Barb" newspaper for the week of March 8-14, 1968, which had originated with Hadj Razavi of the off-campus branch to the effect that Tri-Con was sponsoring an event on April 1, 1968, to celebrate the recent victorious offensive in Vietnam by the National Liberation Front (NLF) and to gain support for the NLF from local radicals and black militants. A description of this activity and identification of the speakers who appeared there, as furnished by this source, have previously been reported. *CALIF.*

The same source advised that on March 24, 1968, the Executive Committee of Tri-Con met to discuss the fact that the Executive Committee of the on-campus group had been summoned to appear at the Office of the Dean of Students of UCB to discuss the fact that the student group was sponsoring the forum to be held on April 1, 1968. It was decided that the organization would take no responsibility for the misquotations which had been released by Razavi and that he would be required to deny his statements emphatically. *CALIF.*

On April 2, 1968, SF T-1 advised that a meeting of the on-campus group of Tri-Con was called by Carlos ~~Dias~~, *CALIF.*

*CALIF.*  
Fawzi ~~Kishk~~, and Richard ~~Aoki~~ on March 30, 1968, for further discussion of how to counter the irresponsible statements made by non-student members of the organization concerning the April 1 activity. It was decided that unless other members of the organization ceased to make such statements the contemplated forum would be cancelled. A statement of clarification for submission to the UCB student newspaper was drawn up.

The same source advised on April 11, 1968, that between 11:00 a.m. and 10:45 p.m. on March 31, 1968, five separate meetings were called to discuss the problems surrounding the aims and objectives of the NLF rally. At the first meeting, Hady Razavi and his faction agreed to sign a retraction of previous statements to the press, but insisted that the meeting should still be held in support of the NLF. A motion by Dias, Aoki, and Kishk to cancel the whole affair was narrowly defeated.

Later on the same date, the Executive Committee of the campus Tri-Con organization was advised by a representative of the University administration that approval of the April 1 activity had been suspended until the University General Counsel could provide a substantive ruling to determine if the affair would finally be approved or not. The officers of Tri-Con denied any responsibility for the statement to the effect that the gathering would be held to celebrate the NLF victory and presented their side of the story to the Dean's Office.

*X KHALILI*  
The student Tri-Con was next confronted by the Razavi faction, which also included one ~~Kalantary~~ and Farrokh Khalili, who charged that the students were "making a deal" *IRAD* with the campus administration. The students responded by accusing Razavi and his followers of "ultra-leftism" and *CALIF.* several fights almost erupted between the warring factions. The Razavi forces announced that they intended to call a meeting on the same night which would include all of the radical campus organizations at which the policy for the April 1 gathering would be determined.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

TRI-CONTINENTAL PROGRESSIVE  
STUDENTS COMMITTEE

Pursuant to the above announcement a meeting was held from 10:45 p.m. on March 31, 1968, to 12:45 a.m. on April 1, 1968, by a group of individuals calling themselves the "Ad Hoc April 1st Committee" at the headquarters of the Socialist Workers Party (SWP) and the Young Socialist Alliance (YSA), 2519A Telegraph Avenue, Berkeley. The gathering was attended by 45 to 50 persons who represented not only Tri-Con but other student organizations among which were the SWP, the YSA, and the Progressive Labor Party (PLP).

The SWP is an organization designated by the United States Attorney General as being within the purview of Executive Order 10450.

Information concerning the YSA and the PLP appears in the appendix pages.

At this meeting the student element of Tri-Con called for a moderate approach to the April 1 meeting while Razavi and his group asked for an extremist approach. It was finally decided that if the University granted the student Tri-Con group approval for holding the April 1 activity, everyone would follow the discipline of moderation advocated by this group. If, on the other hand, University approval was not given to the students, a new "Ad Hoc Committee For April 1" would be formed and would conduct the affair on the streets of Berkeley.

After the gathering was held on April 1 SF T-1 reported that at a general membership meeting of Tri-Con held on April 11, 1968, the left-wing section, led by Farrokh Khalili, and the "right-wing" group, led by Fawzi Kshk, clashed bitterly and the right-wing section of the organization's leadership, Kishk and Aoki, resigned from the Executive Committee in order to lay the groundwork for new leadership. Five members to represent both factions were selected to draft a new political program and to form a new organizational structure for Tri-Con. The individuals selected for this purpose were Tembedza ~~\*Chigovanyika~~, ~~Santiago~~ ~~\*Ramieriz~~, ~~Khalili~~, ~~Maurice~~ ~~\*Hoory~~, and Richard Aoki.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

TRI-CONTINENTAL PROGRESSIVE  
STUDENTS COMMITTEE

These individuals drew up a proposal for the re-organization of Tri-Con under which the organization would have an Executive Committee consisting of four members of the student faction "Friends of Tri-Con" and two members of the off-campus Tri-Con. This Executive Committee would consist of a chairman, who would be a student, a co-chairman, who would be a non-student, a communications secretary, a treasurer, an education secretary, and a propaganda secretary.

It was stipulated that majority rule would be carried out on each and every decision affecting the organization and that the Executive Committee would be bound by such rule. The members of the Executive Committee would be given the power of being exclusive spokesmen for the organization, but the members were requested to practice collective leadership so that they would not act as individuals in their contacts with the public.

In addition to the organizational program suggested, the above group submitted program proposals in which it was recommended that the organization should engage its members into a revolutionary educational program which would be permanently and consistently carried out. The members would be encouraged to read literature relating to the problems of revolution and national liberation. The Executive Committee would have the responsibility of organizing periodic discussion meetings for the purpose of increasing class consciousness and the ideological level of the membership. The program would include the distribution of revolutionary material and literature among the members insofar as economic circumstances permitted.

The organization would make a conscious attempt to contact and organize foreign students in order to recruit them as members of Tri-Con or to win them over to the Tri-Con way of looking at the revolutionary world outlook. As a result, such students, when they return to their home countries, would at least be able to point out the correct revolutionary line. Tri-Con would also have as an objective emphasizing to foreign students the necessity of combating

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

TRI-CONTINENTAL PROGRESSIVE

their superiority feelings as intellectuals and stressing the necessity to build ties and to struggle for the masses.

Another stated objective of Tri-Con was to bring its ideology and information concerning Third World movements to the attention of students from the United States by means of conferences, forums, and other public activities. This program would include talks about Third World countries and current issues and would be maintained within the "educational purposes of the University."

It was further proposed that Tri-Con should participate in activities which were politically feasible in meeting its aims and objectives. It was noted that the main objective of the members of Tri-Con was to earn an education in the United States and that the political activities of the organization should not purposefully subject its members to the risk of deportation or loss of their student status. On the other hand it was felt that the organization should retain its objective of exposing and criticizing imperialism, racism, colonialism, etc., and of exposing its members to revolutionary ideas.

It was noted that foreign students spend a rather long period of time obtaining their education in the United States and it was felt that part of this time should be spent in developing their political consciousness. This could not be achieved by reading books alone, and it was felt that the development of political consciousness is also attained through action. For this reason it was believed that Tri-Con should encourage all foreign students to participate in progressive movements in the United States. It was suggested that before participating in the activities of any progressive movements that members of Tri-Con should consult the general membership so that members would not unwillingly participate in any activities which might jeopardize their student status and so that the organization might become acquainted with the nature of the progressive movements in the area.

On April 2, 1968, SF T-1 advised that the YSA, Tri-Con, and the Iranian Students Association of the UCB had sponsored a gathering at Iran House, 2516 Durant Street, Berkeley, on March 29, 1968, to publicize the case of the Texas Southern

University students who had been indicted for murder as a result of a riot there the previous year. At this gathering Farrokh Khalili, a representative of the Iranian Students Association, spoke and expressed the solidarity of his organization with the defendants. Richard Aoki, represented Tri-Con and the YSA also had a speaker, Bobby Seale, Chairman, Black Panther Party for Self-Defense (BPP), compared the Texas case with that of Huey P. Newton. *CALIF*

SF T-1 has identified Huey P. Newton as the Minister of Defense of the BPP who is currently on trial at Oakland, California, for the killing of an Oakland policeman. *CALIF*

Information concerning the BPP is contained in the appendix.

SF T-2 has advised that the principal objective of the Iranian Students Association (ISA) is opposition to the government of the Shah of Iran, support of student radical movements throughout the world and support of national liberation movements wherever they occur.

The "Daily Californian," student newspaper of the UCB, in its issue of April 25, 1968, announced that the Students for a Democratic Society (SDS) would present a program on that date on the subject of "The Many Faces of U.S. Imperialism." Farrokh Khalili, an Iranian in the TCPSC, was identified in the announcement as a speaker on how U. S. imperialism manifests itself in the Middle East.

Information concerning the SDS appears in the appendix pages.

Concerning Farrokh Khalili, mentioned above, the 1967-1968 student directory for the UCB lists him as a Senior who is majoring in Economics. BLACK PANTHER PARTY, aka  
Black Panther Party for  
Self Defense

A source advised that the Black Panther Party for Self Defense (BPPSD) was formed by HUEY PERCY NEWTON, Minister of Defense, and BOBBY GEORGE SEALE, Chairman, in December, 1966, as a militant black nationalist political organization to combat "police brutality," to unite militant black youth, and to determine the destiny of black communities. The political philosophy was taken from writings of Chairman MAO Tse-tung of Communist China and black militant writers.

In March, 1968, the name of the organization was changed to Black Panther Party (BPP).

The official BPP publication, "The Black Panther Party - Black Community News Service," states that the BPP advocates use of guns and guerrilla tactics in their violent revolutionary program to end oppression of black people.

On February 17, 1968, ELDRIDGE CLEAVER, Minister of Information, announced merger of the BPP and Student Nonviolent Coordinating Committee (SNCC) and bestowed title of Minister of Justice, BPP, upon H. RAP BROWN, Chairman of SNCC.

SNCC is a militant Negro organization  
which preaches black supremacy.

NEWTON, aforementioned, is incarcerated in the Alameda County Jail, Oakland, California, awaiting trial on charge of murder of an Oakland police officer.

Headquarters of BPP and Huey P. Newton Defense Fund are located at 4421 Grove Street, Oakland, California.

PROGRESSIVE LABOR PARTY

A source advised on April 20, 1965, that the Progressive Labor Party (PLP), formerly known as the Progressive Labor Movement (PLM), held its first national convention April 15, - 18, 1965, at New York, New York, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

The "New York Times" City Edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York, President, and WILLIAM EPTON of New York, and MORT SCHEER of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention:

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. ROSEN and Mr. SCHEER after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line".

The PLP publishes "Progressive Labor," a bi-monthly magazine, "Challenge", a monthly New York City newspaper, and "Spark", a West Coast newspaper.

The April, 1967, issue of "Challenge", page 14, states that, "This paper is dedicated to fight for a new way of life-where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level".

A second source advised on September 26, 1966, that the PLP utilizes the address of General Post Office Box 808, Brooklyn 1, New York, but also utilizes an office in Room 617, 1 Union Square, West, New York City, where PLP publications are prepared.

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam and to "radically transform" the university community, and provide for its complete control by students. GUS HALL, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965 SDS National Convention, an anti-communist proviso was removed from the SDS constitution. In the October 7, 1966 issue of "New Left Notes," the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The National Headquarters of this organization as of April 18, 1967, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

YOUNG SOCIALIST ALLIANCE (known in the San Francisco Bay Area as the Bay Area Young Socialist Alliance, aka the Bay Area Committee of the Young Socialist Alliance, Bay Area Committee for the Young Socialist)

---

A source advised on May 16, 1960, that the Bay Area Young Socialist Alliance (BAYSA) was formed in February, 1958, as the Bay Area Committee for the Young Socialist (BACYS). At a later stage in its development prior to adoption of the name BAYSA, the organization was known as the Bay Area Committee of the Young Socialist Alliance (BACYSA).

The source advised that as a result of a national convention held April 15-17, 1960, at Philadelphia, Pennsylvania, the BAYSA became a branch of the national organization to be known as the Young Socialist Alliance (YSA) and will carry out in the Northern California area the policies of the YSA.

A second source advised May 1, 1967, that the BAYSA is currently active and is composed of two locals: The San Francisco YSA and the Berkeley YSA.

The first source advised on May 1, 1967, that the BAYSA, although ostensibly an independent organization, is in reality controlled by the San Francisco Branch, Socialist Workers Party (SWP) and the Oakland Branch, SWP.

The May, 1960 issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles of revolutionary socialism.

On March 10, 1967, a source advised that the YSA was formed during 1957, by youth of various left socialist tendencies, particularly members and followers of the SWP. The source further advised that the YSA has recently become more open about admitting that it is the youth group of the SWP and that the SWP representative has publicly stated that the YSA is the SWP's youth group.

The headquarters of the YSA are located in Rooms 532-536, 41 Union Square West, New York City.

Since this individual is obtaining and furnishing current information of value based upon his membership in the Bay Area Young Socialist Alliance, his designation as security informant has been made a matter of record in the Bureau. Based upon your recommendation, authority is granted to initiate payments to him up to \$50 per month for services plus up to \$35 per month for expenses actually incurred for a period of four months, effective 11-15-61.

local student matters at the University of California, Berkeley, as well as concentrated effort by the SWP to infiltrate and dominate campus activities through recruiting and indoctrinating students who are in a position of leadership, as well as placing Young Socialist Alliance (YSA) and SWP student members in various organizations. Informant's place of employment is across the street from the campus of the University of California and most of the members of the YSA are students at the university. In addition to furnishing membership lists and detailed information concerning membership meetings of the YSA, he has also furnished information regarding the Fair Play for Cuba Committee (FPCC) and classes on Marxism.

VI. TYPES OF MEETINGS ATTENDED

This informant has attended the following meetings through 10/22/61:

Marxist class	3
YSA-SWP lectures	
and/or forums	8

VII. REPORTS SUBMITTED

Informant has submitted current, concise and complete reports, usually typewritten by him, as well as literature, pamphlets and leaflets distributed through the above organizations.

Oral reports submitted	6
Written reports	26

VIII. INFORMATION FURNISHED OF  
UNUSUAL VALUE

It is extremely urgent in view of the Bureau's responsibility in the security field that the efforts of the SWP to deeper penetrate the student body at the University of California, Berkeley, be given as complete coverage as possible, and in this light the informant is of unusual value. Although not a student himself, he is employed across the street from the campus and is in a position to attend many of the YSA-sponsored student activities, as well as report on student active in the YSA as members.

IX. APPROXIMATE NUMBER OF PERSONS ON WHOM  
INFORMANT HAS REPORTED AND THEIR IMPORTANCE

Approximately 85 persons reported on by this informant which included such security subjects as DOUGLAS WACHTER, member of the Communist Party (CP) Youth Commission, Northern District of California CP; CARL BLOICE, reporter for the "People's World" and also member of CP Youth Commission; JIM PETRAS and PAUL MONTAUK, SWP functionaries in the San Francisco East Bay Area, in addition to various other SWP members and 19 members of the YSA in Berkeley, Calif.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

This informant is being closely guided and controlled in an effort to advance him in the eyes of the officials of the SWP in this area. His move to his current address and the fact that informant recently secured an automobile has enhanced his potential for advancement, enabling him to maintain close contact with SWP functionaries. This move has also placed the informant in more difficult financial straits in that he was formerly residing with his mother. JIM PETRAS, SWP member and organizer of the YSA, on several occasions praised the informant for the work he is doing in the YSA. PETRAS also told the informant that he, PETRAS, likes the way the informant handles other people and has "big things planned for him."

XI. STABILITY AND RELIABILITY

Informant is a stable young man, showing traits of maturity and poise. He handles himself as an intelligent, trustworthy individual.

XII. INDOCTRINATION AGAINST DISCLOSURE

This informant is closely controlled and has constantly been reminded of his position as an informant and that this relationship must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMATION FURNISHED

All information furnished by this informant has been appropriately disseminated in San Francisco Office files.

SF 2496-PSI

Reurlet 7-18-61 and previous correspondence concerning subject.

As you were previously advised, Bureau files contain no information identifiable with PSI and authority is granted to take steps to develop him as an informant. Make certain he understands his cooperation must be strictly voluntary, confidential, and even though he may furnish information and assistance, he cannot consider himself a Bureau employee. Use caution in your contact with him to be certain he is not a plant and otherwise follow instructions contained in Section 107 of the Manual of Instructions. Keep the Bureau advised by submission of progress letters at least every four months.

NOTE ON YELLOW:

PSI is 20 years old, born in California of Korean descent and is employed as a clerk in the mail room of the California State Department of Public Health in Berkeley. Bufiles and SF files negative except for the fact that in 1957 CIC advised that PSI, while serving as a Private in the Army, gave a statement to Army officials that he had attended some LYL sponsored socials while at Berkeley High School in 1956 and was acquainted with several fellow students whom he considered to be LYL members. SF contacted PSI and he expressed willingness to cooperate with the Bureau and said he had no contact with the old LYL group since leaving high school. On his own he met Jim Petras, YSA Organizer for the SWP, and is also attending and reporting on public meetings of the Fair Play for Cuba Committee. In view of his previous LYL association and the acquaintances he has been developing, he can produce information of value on subversive matters.

I recommend that authority be granted to increase payments to the above informant of up to \$65 per month for services plus up to \$35 per month for expenses occurred for a period of four months effective 3/15/62. *\$15 per month (justified) JER*

## II. RESIDENCE AND EMPLOYMENT

No change.

## III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

Informant is currently a member of the Bay Area Young Socialist Alliance (YSA). He has been invited to join the Socialist Workers Party (SWP), but is holding this invitation in abeyance due to his employment by the State of California and the fact that he feels at this time that his name should not appear on public mailing lists which might come to the attention of California State authorities. Informant is well respected by all members of the YSA and they have allowed him to sit in on several YSA Executive Committee meetings.

## IV. SUMMARY OF INFORMATION FURNISHED

Informant continues to furnish considerable information concerning the roles played by the SWP and YSA in local student matters at the University of California, Berkeley. Most recently he advised that the YSA held an Executive Committee meeting, which he attended on 2/20/62 at YSA Headquarters, 1941

VI. TYPES OF MEETINGS ATTENDED

This informant has attended the following meetings through February 18, 1962:

SWP Functions	3
YSA Membership Meetings	12
YSA Executive Committee Meetings	3
Joint Bay Area YSA Meetings	1
YSA Socials	2

VII. REPORTS SUBMITTED

Informant has submitted thorough, concise and complete reports, usually typewritten by him, as well as literature and leaflets distributed through the above organizations:

Oral Reports Submitted	16
Written Reports Submitted	16

VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

In view of the Bureau's responsibility in the security field, it is imperative that the YSA and SWP be given extensive coverage in view of their efforts to recruit students at the University of California at Berkeley. Especially important is this coverage, since it is likely that these students in a very short period of time will go out into the business world and probably attempt to secure employment with a Government

agency or contractor which has Government contract under AEC. Additional information of unusual value furnished by informant was set out under Section IV, where it was reported that he advised concerning formation of picket line when President KENNEDY appears at the University of California, 3/23/62; delegates to the YSA National Convention in December 1961; and recently furnished names of three new recruits who were voted into the YSA.

IX. APPROXIMATE NUMBER OF PERSONS ON WHOM  
INFORMANT HAS REPORTED AND THEIR IMPORTANCE

Approximately 75 persons reported on by this informant, which include Security Index subjects such as PAUL MONTAUK, SWP organizer, San Francisco East Bay Area; JIM PETRAS, YSA organizer and SWP member, and TED MELLOR, member of the National Executive Committee of the YSA, in addition to various other SWP members and 21 members of the YSA in Berkeley, California, including YSA Executive Committee members.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

This informant is being closely guided and controlled in an effort to advance him in the eyes of the officials of the SWP and YSA. Informant advised on 2/20/62 that since 2/3/62, he spent approximately 19 hours attending forums, classes and business and executive meetings of the YSA. In addition, more than 23 hours were devoted to studying LENIN and Marxist theory, social functions and visiting with various members at their residences. As mentioned in referenced letter, informant makes his automobile available to various SWP functionaries, as well as his apartment, which he maintains himself. Both have placed the informant in difficult financial straits, but he is willing to pay additional expenses in order to advance in the SWP movement. JIM PETRAS, SWP member and organizer of the YSA, continues to praise the informant for his work in the YSA and has given the informant several assignments, such as contacting potential members to encourage them to join the YSA.

SF 134-1929

BT:rap

Informant was contacted by three SWP members who are active in the YSA in December 1961, and was invited to join the SWP. Informant is holding this offer in abeyance because he feels that his place of service at this time is the YSA and that he wants to be better indoctrinated along the line of SWP philosophy before moving ahead. The informant has been encouraged in view of the fact that he is the only source presently reporting on YSA activities.

XI. STABILITY AND RELIABILITY

Informant is a stable young man showing traits of maturity. He handles himself as an intelligent, trustworthy individual. No personal weaknesses have been noted. Considerable time is being spent with the informant in order that every area of his personal life might be discussed in an effort to preclude any situations from occurring which might be embarrassing to the Bureau.

XII. INDOCTRINATION AGAINST DISCLOSURE

This informant continues to be closely controlled and constantly reminded of his position as an informant and that his relationship with this Bureau must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMATION FURNISHED

All information furnished by this informant has been appropriately disseminated in the San Francisco Office files.

IVX. MISCELLANEOUS

There are no additional matters concerning the informant's operation which should be brought to the Bureau's attention.

Authority is not granted to make this special payment to informant at this time. It is pointed out that the School is not being held until September and your request should be submitted approximately two weeks prior to the commencement of the School. Informant should be instructed to advise those urging him to attend this School that he will possibly attend based on his ability to finance his attendance and obtaining permission to be absent from his employment.

In resubmitting your request you should furnish the Bureau information indicating the exact nature of the expenses expected to be incurred in the amount of \$125. You should also advise the Bureau whether the informant's economic situation would warrant his expenditure of such funds in the eyes of the Young Socialist Alliance and/or SWP leadership.

It is also pointed out that in view of the fact that the requested authority was not of an urgent nature since the School is not being held until September, your request should not have been submitted by airtel which requires special handling at the Bureau. In the event this authority was necessary at this time, the specific reasons therefor should have been furnished to the Bureau.

#### IV. SUMMARY OF INFORMATION FURNISHED

During the past four months, informant has furnished a great deal of information concerning the activities of the SWP, YSA, SLATE, and the Berkeley Chapter of CORE.

Prior to the House Committee on Un-American Activities (HCUA) hearings in Los Angeles, California, 4/24-27/62 this informant was able to keep the San Francisco Office advised of YSA efforts to send demonstrators to oppose the HCUA hearings. This information was furnished the Bureau and Los Angeles Office.

On 4/17/62 this informant furnished the names of three persons planning to attend the Eighth World Youth Festival, Helsinki, Finland, during the Summer of 1962. He has followed the activities of these persons, all of whom are SWP members and advised of the departure recently of two of these persons and furnished their proposed itinerary.

This informant was recently very helpful in communist infiltration of the Congress of Racial Equality (CORE), Berkeley Chapter, and continues to be of assistance in this matter.

Informant continues to be a close personal friend of TED MELLOR, aka Ed, presently serving on the National Committee of the YSA in New York, New York. Informant corresponds with MELLOR regularly and on one occasion called him long distance.

Oral reports submitted: 8  
Written reports submitted: 25

VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

It is felt that the greatest value which might be placed on this informant at the present time is the information he is furnishing concerning efforts of the YSA and the SWP to recruit students at the University of California (UC), Berkeley. Within a very short time these students will be seeking employment in the business world and should they locate employment with the Government or contractors which are doing Government work it would be particularly important for this Bureau to be in a

SF 134-1929  
BT/CJS

position to furnish Government agencies with any previous subversive activity.

The informant is in a position and has started furnishing this office with the official minutes of the YSA, Berkeley, Executive Committee. He is also furnishing a running membership and officer list for this YSA Chapter.

Other information of extreme value furnished by the informant already been set out under Section IV. relative to demonstrations against the HCUA hearings recently in Los Angeles, California, and persons attending the Eighth World Youth Festival.

IX. APPROXIMATE NUMBER OF PERSONS ON WHOM  
INFORMANT HAS REPORTED AND THEIR IMPORTANCE

Informant has reported on approximately seventy security subjects, including PAUL MONTAUK, SWP organizer, and his wife MARY LOU DOBBS MONTAUK; JIM PETRAS, YSA organizer, and wife BETTY PETRAS, both of whom are SWP members; and TED MELLOR, member of the National Executive Committee of the YSA.

In addition, he has furnished activity of twenty-seven members of the YSA in Berkeley.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

Every possible effort is being made to closely supervise, direct, and control this informant so that he might continue to advance in the YSA and to gain membership in the SWP. The informant has been advised by various SWP members that the Oakland-Berkeley Branch of the SWP considers him to be the best material they have in the YSA and that they are looking forward to working with him in the SWP.

Informant advised on 6/7/62 that since 5/26/62 he has spent more than thirteen hours in attending YSA meetings and approximately twenty-seven hours was devoted to YSA assignments which made a total of forty hours for that pay period. Informant is willing to devote this time in order to be a more effective source for the Bureau.

#### XI. STABILITY AND RELIABILITY

Informant gives every appearance of being completely stable and very mature for his age. He handles himself in a very intelligent manner and no personal weaknesses have been noted. Considerable time is being spent with the informant in order that every area of his personal life might be discussed to preclude any situation from occurring which might be embarrassing to the Bureau.

#### XII. INDOCTRINATION AGAINST DISCLOSURE

This informant continues to be closely controlled and constantly reminded of his position as an informant and that his relationship with this Bureau must remain absolutely confidential.

#### XIII. ACTION TAKEN ON INFORMATION FURNISHED

All information furnished by this informant has been appropriately disseminated.

ReBulet 6/25/62.

Authority is requested to make a special payment to Informant in the amount of \$125.00. This is to afford the Informant an opportunity to attend the West Coast Vacation School sponsored by the SWP 9/1-9/62 at Big Bear Lake, California. It is deemed desirable to make this payment on or about 8/27/62, which is the week prior to his proposed departure.

A request is being submitted at this time so that if approved, Informant will have the necessary time to make arrangements for leave from his employment. Any such request is supposed to be made four weeks in advance.

Informant has advised those persons urging him to attend the school that he is very anxious to go and will do so if the necessary leave might be obtained and financial arrangements worked out.

The exact nature of expenses expected to be incurred are as follows:

Registration, which includes room and board 9/1-9/62 at the school-----	\$58.00
Mileage - Berkeley, Calif. to Big Bear Lake, Calif. and return. 960 miles at 9¢ per mile---	\$86.40
Meals while traveling-----	\$12.00

Total-----\$156.40

\*It is noted that the above expenses exceed \$125.00, and

this has been discussed with the Informant along with the fact that his expenses must be kept to a bare minimum.

On several occasions, the Informant has been questioned whether his economic situation would warrant his expenditure of such funds in the eyes of the YSA and/or SWP leadership. The Informant maintains that this is no problem because in reality he does not have very much money to spend at any time. His salary as a mail clerk at the State Department of Health plus what he is paid by this Bureau is all the income he has. This total amount barely enables him to maintain a small apartment in a low rent housing area and operate a second-hand 1956 Ford, which is in need of repair.

The Informant contends that he is satisfied with his situation because he feels that his services are in the best interests of his country and that whatever service he is able to perform for this Bureau, he only expects a small amount of remuneration.

It is felt that the Informant should attend this school in order that he will be of more service to the Bureau. At the present time he is serving on the Executive Committee of the Berkeley YSA and is being groomed by SWP members Oakland-Berkeley Branch for membership in the SWP. The organizer of this branch has requested the Informant to make application for membership in the SWP in the near future. Attendance at this school would afford the Informant an opportunity to make the acquaintance of SWP national leaders and would enhance his position in the eyes of SWP leadership.

(U) PAUL MONTAUK, Organizer, Oakland-Berkeley Branch of the Socialist Workers Party (SWP), his wife, MARY LOU MONTAUK, and his three children, JACK, age 15, KENT, age 13, and PAULIE, age 8, accompanied by RICHARD AOKI and JACKIE MILLER, age 12, arrived at Camp Akela, Big Bear Lake, California at approximately 2:00 p.m., September 1, 1962, and registered for the West Coast Vacation School sponsored by the SWP. (X)

(U) At 9:30 a.m., September 2, 1962, WILLIAM F. WARDE spoke "The 30's and the 60's - What Can The Two Generations Learn From Each Other." WARDE explained that the youth of today, upon whom rests the fate of the world, can "develop and realize what has been left undone" by avoiding errors committed by the socialists of the 30's and by learning from the positive experiences of those involved in the struggles of the 30's. At 3:30 p.m., BRIAN SHANNON, Chairman of the Berkeley Young Socialist Alliance (YSA), spoke on the current developments in the student movement and gave particular emphasis to what the students at the University of California, Berkeley are doing in civil rights and peace movements. During SHANNON'S presentation, RICHARD AOKI, PAUL and MARY LOU MONTAUK drove to Los Angeles and visited JAMES P. CANNON and his wife ROSE at their residence, 2401 Hyperion Street. At 7:30 p.m., THEO EDWARDS spoke of the American labor movement today and its prospects. (X)

(U) On September 3, 1962, at 9:30 a.m., a symposium lead by WENDELL PHILLIPS entitled "Struggle For Academic Freedom." One of the speakers was MIKE WALKER from the San Francisco Bay Area, a member of the YSA, who related a student's view and what the student can do in this movement. At 3:30 p.m., HAYDEN PERRY, San Francisco SWP member, spoke concerning present conditions in Yugoslavia which was documented by his recent visit to Yugoslavia. At 7:30 p.m., MAX GELDMAN spoke on morality and politics under capitalism. (S)

(U) On September 4, 1962, at 9:30 a.m., lecture given by WILLIAM F. WARDE. The topic was "Democracy and Its Development From the Ancient Greece to Socialism." This was the first of six lectures to be given by WARDE on this subject. In this lecture he presented a scientific socialist concept of democracy as practiced in Ancient Greece. It differed somewhat from the usual "pedantic bourgeois" interpretation of Athenian democracy. Democracy existed only for one class, that is freeborn Athenians, for those who comprised a minority of total population. (S)

(U) On September 5, 1962, at 9:30 a.m., second lecture by WARDE on democracy. He summarized his concept on Ancient Greek democracy and concluded that democracy in Athens was a "slave - democracy." At 3:30 p.m., DICK MC BRIDE spoke concerning a trip he made to Monroe, North Carolina recently. At 7:30 p.m., ELEANOR BROADY was introduced as a former Communist Party (CP) member. She spoke on "Negro Struggle in America." BROADY presented the historical development of slavery in this country and its impact on present day race relations. (S)

(U) On September 6, 1962, at 7:30 p.m., ELEANOR BROADY presented a second lecture in which she discussed the present racial conflict here in America and how it serves the economic ends of the monopoly capitalists, in that it is providing a cheap source of wage slaves. (S)

(U) On September 7, 1962, WILLIAM F. WARDE presented his fourth lecture on democracy at 9:30 a.m., and at 7:30 p.m., EVELYN REED, the wife of WILLIAM F. WARDE, gave a lecture on capitalism and human psychology. (S)

According to WESTON, throughout the countries south of our border, there is unrest due to extreme poverty created by the vested business interests of the United States of America. The revolution in Cuba will probably be repeated in other Latin American countries in spite of the severe oppressive methods being undertaken by both United States military forces and native dictatorships. (c)

(U) On September 9, 1962, at 9:30 a.m., WARDE presented his last lecture on democracy, at which time he summarized the entire series. He stated that true democracy will flourish only in a socialist state devoid of class conflict. (c)

YOUNG SOCIALIST ALLIANCE (Known in the San Francisco Bay Area as the Bay Area Young Socialist Alliance, aka The Bay Area Committee of the Young Socialist Alliance, Bay Area Committee for the Young Socialist)

A source advised on May 16, 1960, that the Bay Area Young Socialist Alliance (BAYSA) was formed in February, 1958, as the Bay Area Committee for the Young Socialist (BACYS). At a later stage in its development prior to adoption of the name BAYSA, the organization was known as the Bay Area Committee of the Young Socialist Alliance (BACYSA).

The source advised that as a result of a national convention held April 15-17, 1960, at Philadelphia, Pennsylvania, the BAYSA became a branch of a national organization to be known as the Young Socialist Alliance (YSA) and will carry out in the Northern California area the policies of the YSA. The BAYSA is divided into two working units, the San Francisco YSA and Berkeley YSA.

The source advised that the BAYSA, although ostensibly an independent organization, is in reality controlled by the San Francisco Branch, Socialist Workers Party (SWP) and Oakland Branch SWP.

The source advised on April 17, 1962, that the BAYSA is currently active.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

#### YOUNG SOCIALIST ALLIANCE

The May 1960 issue of the "Young Socialist" (YS), page 1 column 3, disclosed that during April 15-17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA), was established at Philadelphia, Pennsylvania. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 10, 1962, that the original YSA was an organization formed during October 1957, in New York City, by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised on May 10, 1962, that the YSA is dominated and controlled on a national basis by the SWP through having SWP members comprise, almost exclusively, the national leadership of the YSA. The YSA, in reality, is the youth section of the SWP and the main source of new SWP members.

The "Young Socialist", a monthly publication self-described in the April 1960 issue as the official organ of the YSA, discloses the headquarters of YSA as 10 East 23rd Street, New York City.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

REC-125  
Director, FBI (134-10010) - 11

1 - Mr. Lenz

SF 2496-S

Reurlet dated 10-29-62.

A review of referenced letter and the Bureau file shows that you have paid this informant the maximum for expenses since 11-15-61. On the other hand, payments to him for services rendered have constantly been below the maximum authorized. It is unusual for the expenses incurred by the informant to amount to \$35 each month. It is possible he has sustained expenses beyond that authorized and has willingly absorbed them. The Bureau does not intend to have the informant pay expenses out of money given to him for services or out of his own pocket.

Bureau authority is, therefore, granted to pay SF 2496-S at the rate of up to \$55 per month for services rendered and up to \$45 per month for expenses actually incurred. This authority is effective 11-15-62 for a period of four months. You will note that this authorization decreases payments for services in the amount of \$10 per month but increases by \$10 per month payments for expenses actually incurred.

Hereafter expense payments to this informant should not be set forth in round figures in your justification letters but should show total amount of expenses actually incurred by him. If his expenses at any time exceed the allowable amount, the Bureau should be advised and authorization to pay the excess obtained. Your letter requesting this should thoroughly explain reason for the excess amount.

## I. RECOMMENDATION

It is recommended that authority be granted to continue payments to the above informant of up to \$65.00 per month for services, plus up to \$35.00 a month for expenses incurred during the period of four months effective 11/15/62.

## II. RESIDENCE AND EMPLOYMENT

No change.

## III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

Informant is serving as Recording Secretary, an elective office of the Berkeley, California, Chapter of the Young Socialist Alliance (YSA) and on 10/23/62 furnished a complete list of chapter officers and members which total 29. He has a standing invitation to join the Oakland-Berkeley Branch of the Socialist Workers Party (SWP) and is being continually urged by numerous individuals of that branch to apply for membership. In discussing this with the informant, it is believed that he is holding this invitation in abeyance for two reasons: 1. He has been instructed to remain in a position to furnish information on the Berkeley Chapter of the YSA in view of the fact that he is the only source currently active in that chapter; and 2. He is an employee of the State of California and once he joins the SWP he feels that this is in violation of the State Loyalty Oath since the SWP has been designated by the Attorney General of the United States as a subversive organization, whereas the YSA has not been so designated.

Informant attended the West Coast Vacation School (WCVS) 9/1-9/62 at Big Bear Lake, California, which was conducted under the auspices of the SWP. He not only gave a complete report on the school, but identified approximately thirty individuals who were in attendance.

This informant has been extremely helpful during the current Cuban crisis in identifying persons from the YSA and SWP who have been most active in opposing President KENNEDY's action in the Caribbean.

The informant maintains close personal contact with PAUL MONTAUK, Organizer, Oakland-Berkeley Chapter, SWP, and JIM PETERSON, Chairman of the San Francisco Chapter YSA. He also continues to correspond with TED MELLOR, presently serving on the National Committee of the YSA, New York, New York.

#### VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

It is felt that the greatest value which might be placed on this informant at the present time is the information he is currently furnishing relative to efforts on the part of the SWP and YSA to oppose the action of President KENNEDY during the Cuban crisis. In addition to this, it is felt that information the informant is furnishing concerning efforts on the part of the YSA to recruit students at the University of California, Berkeley, is of the utmost importance.

The report that the informant furnished concerning the WCVS, 9/1-9/62, gave a very detailed account of the program which the SWP presented as well as identifying 39 persons who were in attendance. The informant gave a report on the Bay Area YSA Joint Conference which was held 8/18/62 at Oakland, California wherein he identified 22 persons who were in attendance.

## III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

The informant is a member of the Young Socialist Alliance (YSA) at Berkeley, California. He is currently attending membership meetings of the Oakland-Berkeley Branch SWP on a probationary period which commenced in December 1962. It is anticipated that this probationary period will conclude within the next two weeks at which time informant will be admitted as a member. Informant explained that his chief reservation against joining the SWP has been the fact that he is an employee of the State of California and such membership will be in violation of the State Loyalty Oath; however, the informant feels at this time that in order to be more effective he is willing to join the SWP. He feels that after several conferences with the organizer of the branch that once he is admitted he will be assigned to youth work and this will afford him an opportunity to continue in the YSA.

## IV. SUMMARY OF INFORMATION FURNISHED

SF 2496-S furnished a lengthy political statement compiled by the Berkeley Chapter of the YSA which set forth nine points on which their program is based. The informant also furnished a

This informant identified a considerable number of persons who were photographed during a picket demonstration at the Subversive Activities Control Board meeting, San Francisco, California, 11/13/62. LEROY MC RAE, National Organizational Secretary of the YSA recently completed a tour of the San Francisco Bay Area. The informant was the coordinator for this tour and maintained a close contact with MC RAE while he was in the Bay Area. He also continues to maintain close personal contact with PAUL MONTAUK, Organizer, Oakland-Berkeley Branch, SWP; ROSE JERSAWITZ, Organizer and Chairman of the Berkeley YSA. #### VIII. INFORMANT FURNISHED OF UNUSUAL VALUE

Through informant's attendance at the Bay Area Joint YSA meetings he has been able to furnish information concerning the San Francisco YSA its proposed program as well as activities of its leadership. Informant, who is taking one evening class at Oakland City College, Oakland, California, has been able to use this in order for the YSA and SWP leadership to keep him informed of their plans to recruit students at Oakland City College. This SWP leadership feels that Oakland City College has more students from labor families than the University of California at Berkeley in view of the fact that there is no tuition at Oakland City College and they feel that these students might be better reached with their message. The informant continues to furnish information concerning efforts of the YSA to recruit students at the University of California at Berkeley and identify these students through his position as recording secretary of the Berkeley YSA.

#### IX. APPROXIMATE NUMBER OF PERSONS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE

The informant reports on approximately 75 security subjects including RAYMOND SPARROW, Organizer, San Francisco Branch SWP; PAUL MONTAUK, Organizer, Oakland-Berkeley Branch SWP; ROSE JERSAWITZ, Chairman and Organizer, Berkeley YSA; JIM PETERSON, Chairman and Organizer, San Francisco YSA. He also continues to correspond with TED MELLOR a member of the National Committee of the YSA, New York, New York.

#### X. STEPS BEING TAKEN TO ADVANCE INFORMANT

Informant has been cautioned to cultivate personal friendship with PAUL MONTAUK, Organizer, Oakland-Berkeley Branch SWP along with other leaders of the branch. He also has been instructed to support the SWP in every way possible in his YSA activities. This has proven to be very important recently in view of the fact

SF 134-1929

that a factional dispute disrupted at the Berkeley YSA which precipitated action by the SWP leadership in which approximately nine members of the YSA were asked to resign because they had not supported the SWP. At the present time informant is serving a probationary period in the SWP expecting to be taken in as a member within the next two weeks.

XI. STABILITY AND RELIABILITY

The informant has exhibited no signs of instability or unreliability. He appears to be a very mature individual with a keen mind and very alert. He has never indicated any type of personal weakness. Considerable time is being spent with the informant in order that his personal activities might be discussed to avoid any situation from occurring which might embarrass the Bureau.

XII. INDOCTRINATION AGAINST DISCLOSURE

The informant continues to be closely controlled and continually reminded of his position as an informant and that this relationship with the Bureau must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMANT FURNISHED

This information has been appropriately disseminated.

XV. MISCELLANEOUS

The informant has been requested by leaders of the Oakland-Berkeley Branch SWP to share an apartment with MARK SIPOREN, a member of the Berkeley YSA. Informant was told that the branch would like to draw SIPOREN in a little closer and prepare him for membership in the SWP. The informant was selected as a person who might best accomplish this. The informant has been cautioned that he must be extremely careful in this relationship with SIPOREN in order that SIPOREN might in no way suspect informant's connection with the FBI.

The informant continues to furnish information relative to YSA and SWP recruitment of students at the University of California, Berkeley, and Oakland City College, Oakland, California. As Recording Secretary of the Berkeley Local YSA, informant has been able to furnish a copy of the minutes of most of the meetings and some correspondence to the National Office. He has developed contacts in the Permanent Student Committee for Travel to Cuba and furnished information concerning students who are considering making a trip to Cuba under the auspices of this committee during July 1963. The informant reports on approximately 75 security subjects including RAYMOND SPARROW, Organizer, San Francisco Branch SWP; PAUL MONTAUK, Organizer, Oakland - Berkeley Branch SWP; and LARRY SHUMM, Chairman and Organizer, Berkeley Local YSA.

10. STEPS BEING TAKEN TO ADVANCE INFORMANT

Since referenced letter, informant was admitted to the Oakland - Berkeley Branch of the SWP and assigned to youth work through the Berkeley Local of the YSA. Steps are continuing to advance informant in this area. He is being encouraged to have the Berkeley Local YSA send him to the National Convention of the YSA in Chicago, Labor Day weekend September 1963. It is believed that through contacts, which he made at the West Coast Vacation School, September 1962, at Big Bear Lake, California, that he will have a good opportunity being elected to the National Committee of the YSA while at the convention. To further enhance his position as youth leader, informant recently moved to a larger apartment so that he might have two or three members of the YSA living with him. This move was taken enthusiastically by the leaders of the Oakland - Berkeley Branch SWP. Informant is serving on the Executive Committee of the Berkeley YSA, and is the YSA civil rights faction leader as well as their Oakland City College, Oakland, California, contact.

11. STABILITY AND RELIABILITY

The informant continues to exhibit a mature approach to his responsibilities with the Bureau. He has shown no signs of instability or unreliability. He is a keen and alert young man. Last paragraph of referenced letter indicated that there are now five security informants in the Oakland - Berkeley Branch of the SWP, which has approximately 33 members. This information was inadvertently reported in San Francisco letter to the Bureau, dated 6/12/63, entitled Security Informants Semi-Annual Report of San Francisco Division (Bureau file 66-2542).

This report has since been corrected in reality there are [redacted] in the Oakland - Berkeley Branch of the SWP. They are [redacted] SF 2496-S. The three other informants are members of the San Francisco Branch of the SWP and from time to time report on members of the Oakland - Berkeley Branch of the SWP, when there are joint meetings and/or socials.

Payments to these [redacted] are carefully evaluated to determine that full value is received for the payments made to them.

Relet reports that SF 2496-S recently became a member of the Oakland-Berkeley Branch of the Socialist Workers Party (SWP) and was assigned to youth work through the Berkeley local of the Young Socialist Alliance (YSA) of which he is recording secretary. NOTE:

SF 2496-S has been a security informant since 11/8/61 and is paid up to \$100 per month for services and up to \$45 per month for expenses incurred. He is a member of the Socialist Workers Party (SWP) (designated pursuant to Executive Order 10450) and has been assigned to youth work in connection with the SWP youth affiliate, Young Socialist Alliance (YSA). He is acting as temporary chairman of the Berkeley Local YSA. This informant is being considered for an election to the National Committee of the YSA and his attendance at the convention will greatly enhance his position. Since informant has been steadily employed up to 7/31/63, no suspicion should be cast by his ability to make this trip. Chicago will have 1 and possibly 3 other informants providing coverage of this convention.

Chicago has been furnished the code name of the informant and has been requested to furnish San Francisco the name and telephone number of the Agent to be contacted by the informant.

Bureau authority is requested for SF 2496-S to attend the YSA National Convention, Chicago, Illinois, 9/1-2/63.

Meals while travelling by Greyhound to and from Chicago, five days @ \$7.00	\$35.00

Informant will be made to understand that his expenses must be kept to a bare minimum and any unused portion of the above amount must be returned to the Bureau.

LARRY SHUMM, who is reportedly visiting in Cuba as the guest of Cuban Government Officials.

Informant states that PAUL MONTAUK, Organizer, Oakland - Berkeley Branch, SWP, along with the Executive Committee of the YSA have selected informant to attend the convention if he can do so at his own expense. The YSA is in a financial bind and do not have the funds to pay informant's expenses.

The informant feels that if he attends the convention he will be elected to the National Committee of the YSA because of previous contacts he has made.

It is the consensus of opinion among YSA and SWP members that since informant is one of few members who has been steadily employed over the past few years, that he should be willing to make the financial sacrifice to pay his own way to the convention.

Informant terminated his employment with California State Department of Public Health, Berkeley on 7/31/63. The reason for termination of the employment was to have a short vacation period before enrolling full time in undergraduate studies in Oakland City College, Oakland, California for the Fall Semester of 1963.

Chicago is requested to advise the Bureau by return airtel what coverage is anticipated of this convention and whether it would be desirable for SF 2496-S to provide a portion of this coverage.

In the event authority is granted for informant to attend, he will <sup>BE INSTRUCTED TO</sup> use a code name RICHARD FORD, should it become necessary for him to contact a Special Agent of the Chicago Office.

Chicago is also requested to furnish San Francisco, the name and telephone number of the Special Agent to be contacted.

It is requested the above matter be given expeditious handling in order the decision could be reached as to whether or not informant should be encouraged to attend the convention.

SF 2496-S would attend only the 9/6-8/63 sessions of the WCVS inasmuch as he is not due to return to San Francisco until 9/4/63 from the Young Socialist Alliance (YSA) National Convention meeting at Chicago.

A review of Bufiles discloses that in the past the Los Angeles Office has been able to provide coverage of the WCVS with its informants and no particular problem is involved at the present time concerning coverage. In regard to SF 2496-S, there is likelihood that SWP members would become suspicious of him if he attended the WCVS since the SWP is not paying him anything to attend the YSA National Convention at Chicago and the WCVS. Furthermore, this informant would be able to provide coverage of only a few sessions of the WCVS. Therefore, authority is denied to send SF 2496-S to the WCVS or to pay any expenses in that connection.

SF 2496-S EX-102 REC-138

Reurairtel dated 8/27/63 requesting the Bureau to reconsider its decision denying authority to send SF 2496-S to the West Coast Vacation School (WCVS).

The Bureau has carefully reconsidered your request. Available information indicates that attendance of SF 2496-S at the WCVS is unwarranted and could jeopardize his security informant status. Therefore, authority is denied to send SF 2496-S to the WCVS.

NOTE:

SF 2496-S is a member of the Socialist Workers Party (SWP) and the Young Socialist Alliance (YSA), which is the youth group of the SWP.

SF 2496-S is scheduled to attend the National Convention of the YSA at Chicago, Illinois, during 8/31 - 9/3/63. Upon return to San Francisco on 9/4/63, he desires to leave on the following day to attend the 9/6 - 8/63 sessions of the WCVS which is to be held by the SWP during 9/30 - 9/8/63, near Los Angeles.

A review of Bufiles discloses that in the past the Los Angeles Office has been able to provide coverage of the WCVS with its informants and no particular problem is involved at the present time concerning coverage. It is to be noted that SF 2496-S would cover only a few days of the WCVS. Since he is traveling to Chicago, Illinois, without any financial support of the YSA or the SWP and plans to immediately go to Los Angeles to attend the WCVS, suspicion may be cast upon him in view of his eagerness to attend both events at considerable cost to himself. In this connection it is noted that he has been unemployed since 7/31/63.

SF 2496-S

Re San Francisco airtel dated 8/19/63 and Bureau airtel to San Francisco 8/23/63.

SF 2496-S was interviewed on 8/26/63, at which time he advised that he is being expected to attend the West Coast Vacation School (WCVS), during the 9/6-8/63 session by the Berkeley Local of the YSA in order that he might lead a discussion on civil rights for the entire west coast. He stated that he feels this will enhance his chances of being appointed to the national committee of the YSA and further advised that the members of the local branch have indicated that they will help him with his expenses on this trip.

The informant expects to leave for the WCVS immediately upon returning from the YSA National Convention although he is not yet certain as to the method of travel from Chicago back to the west coast.

Bureau authority is requested to allow SF 2496-S to attend the WCVS in view of the importance of his attendance in relation to his future position within the YSA. Inasmuch as he will probably be helped on his expenses by the YSA, no request for funds is being submitted at this time.

8. INFORMATION FURNISHED OF UNUSUAL VALUE

The informant continues to furnish information relative to YSA and SWP recruitment of students at the University of California, Berkeley and Oakland City College, Oakland, California. Informant was designated by the Oakland-Berkeley Branch SWP to organize a local of the YSA at Oakland City College, Oakland, however, to this date nothing has been accomplished along this line. Informant has furnished information concerning FPCC and CURT relative to their efforts to defend students who traveled to Cuba during the past summer in defiance of State Department regulations.

The informant attended the National Convention of the YSA in Chicago, Illinois, September 6-8, 1963, and furnished a comprehensive report which was set forth in a 16-page letterhead memorandum disseminated by letter to the Bureau dated September 18, 1963.

Informant has been extremely helpful in furnishing information of an intelligence nature relative to Progressive Labor, Nation of Islam and "Youth For Jobs."

9. APPROXIMATE NUMBER OF PERSONS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE

The informant reports on approximately 85 security subjects in the San Francisco Bay Area. This includes RAYMOND SPARROW, Organizer, San Francisco Branch SWP; PAUL MONTAUK, Organizer, Oakland-Berkeley Branch SWP; LARRY SHUMM, Chairman of FPCC Student Council; and JOHN BELISLE, Chairman and Organizer of the Berkeley Local YSA.

10. STEPS BEING TAKEN TO ADVANCE INFORMANT

Informant attended the National Convention of the YSA at Chicago, Illinois not only to furnish vitally needed coverage, but to meet YSA national leaders and to become personally acquainted with them in order that he might be elected to the National Board. Informant was not elected to this board, however, it is felt that attendance at the convention put him in line for a leadership position. This also improved informant's position as youth leader in the San Francisco Bay Area as far as YSA and SWP functionaries are concerned. Informant discontinued his employment and enrolled full time at Oakland City College, Oakland, California, and hopes to be in closer contact with the student activity conducted by YSA and SWP. Informant was designated by SWP to organize YSA local at Oakland City College, however, no affirmative steps have been taken to date.

11. STABILITY AND RELIABILITY

Informant gives every indication of being completely responsible in his responsibilities to the Bureau. He has given no indication of any unreliability or instability. He appears to be a very alert individual and is extremely cautious in avoiding any situations which might embarrass the Bureau so far as his relationship with the Bureau is concerned. 1-

12. INDOCTRINATION AGAINST DISCLOSURE

The informant is closely controlled and constantly reminded of his responsibility as an informant, and that his relationship with the Bureau remain confidential. 2-

SF 2496-S

Reurlet dated 2/27/64 recommending increase in payments to SF 2496-S from a maximum of \$100 per month for services rendered to up to \$150 per month.

Relet reports that SF 2496-S, who is a member of the Oakland-Berkeley Branch of the Socialist Workers Party (SWP), is now also organizer for the Young Socialist Alliance (YSA) at Oakland City College, having been so designated by the Oakland-Berkeley Branch of the SWP. Relet points out he has kept your office advised of new recruits into the Berkeley YSA who are students at the University of California, Berkeley, and Oakland City College, Oakland.

In view of this informant's new position as organizer of the YSA at Oakland City College, you should afford him careful supervision to make certain he does not expand activities of the YSA on his own volition. Furthermore, in connection with any members he may be responsible for recruiting in the YSA, complete details should be obtained in each case in the event questions arise at some future date concerning their recruitment in the YSA.

A review of Bufile and relet indicates that the amount recommended in relet for increase in payments to SF 2496-S for services is not warranted at this time. Therefore, the amount is not being approved in full. Authority is granted, however, to make payments to SF 2496-S up to \$120 per month for services rendered and up to \$45 per month for expenses actually incurred. This authorization is for a period of four months effective 3/15/64.

VIII. Information Furnished of Unusual Value

The informant was in contact with TOM MORGAN from Bloomington, Indiana YSA, who recently toured the San Francisco Bay Area on behalf of the Committee to Aid the Bloomington Students. He has kept this office advised of new recruits into the Berkeley YSA who are students at UC, Berkeley, and Oakland City College, Oakland. This information is considered vital in view of the fact that these students within a very few years will be in the business world and in the event that they should apply for work with the government or contractors handling assignments by the government. Informant

has been most useful in furnishing detailed information concerning Progressive Labor activities in the San Francisco-East Bay area which is in the early organizational stages at this time. It is felt that this information can be used to properly infiltrate this movement at this early stage. He continues to furnish information of an intelligence nature relative to Du Bois Club at UC, Berkeley, Youth for Jobs and Student Committee for Travel to Cuba. Informant has been requested to go to Cuba this summer on behalf of the Student Committee and his name has been submitted by the committee to the Cuban Embassy in Mexico City for clearance. At this time informant does not know if he will be available to make the trip to Cuba. However, as soon as he is able to reach a decision on this matter, the Bureau will be advised and authority requested for informant to make such a trip.

Informant furnished information relative to top level meetings between Progressive Labor and YSA officials to formulate basis on which YSA and Progressive Labor could function as a united front in Oakland City College.

Recently informant identified a person in attendance at an Oakland-Berkeley Branch SWP closed meeting as a member of the Armed Forces on leave from Fort Lewis, Texas, and reported member of New Haven, Connecticut SWP.

IX. Approximate Number of Persons on Whom Informant has Reported and Their Importance

Informant reports on approximately ninety security subjects in the San Francisco Bay Area. These subjects include organizers of the San Francisco and Oakland-Berkeley Branches of the SWP, the Executive Committee members of the Berkeley Chapter and San Francisco Chapter of the YSA and leaders of the Progressive Labor in the Bay Area as well as leaders of Student Committee for Travel to Cuba.

X. Steps Being Taken to Advance Informant

Informant is serving on the Executive Committee of the Berkeley Chapter of the YSA and is Organizer for the YSA at Oakland City College. He has not advanced in leadership in the SWP because the Oakland-Berkeley Branch is in a state of confusion because of the many factions and divisions among members. Informant in turn has branched out into Progressive Labor and Student Committee for Travel to Cuba realizing that these two organizations are playing a more important role in pro-CASTRO activities and pro-Marxist activities as demonstrated by Red China respectively.

8. INFORMATION FURNISHED OF UNUSUAL VALUE:

In 2/64, informant was elected temporary chairman of the new Socialist Discussion Club at Oakland City College, Oakland, California. The stated purpose of this club was to discuss the principles and ideas of socialism in the contemporary world and to present informative speakers. Membership in the club was open to all students at Oakland City College and meetings were held each Tuesday on campus. Membership in this club placed informant in a position to determine activities of JOHN THOMAS, student leader for PLM and various other students active in a leadership capacity for civil rights groups. Informant was extremely helpful in keeping the San Francisco Office advised of activities relative to students planning to go to Cuba during the Summer of 1964 and allowed his name to be submitted by the Oakland - Berkeley Branch of the SWP as one such person being designated by the SWP to go to Cuba, realizing all the time that he had no intentions of going. However, this afforded him an entry into various groups discussing these plans.

Informant has furnished the names of students at the University of California, Berkeley, who have been recruited into the YSA during the past spring semester of 1964 and also names of new members in the Oakland - Berkeley Branch of the SWP.

As set forth in relet 3/4/64 informant has been cautioned that he should not expand activities of the YSA on his own volition. He has also been instructed that for any person he may be responsible for recruiting in the YSA such recruitments should be furnished in complete detail. Informant explained that even though he has been designated as YSA organizer for Oakland City College, he has not actually recruited anyone. Anyone who shows a real interest in the YSA is referred to other members for recruitment.

Informant further explained that he accepted this position strictly as an opportunity to secure information from the Executive Committee of the YSA, so that he might attend Executive Committee meetings and be present when policy is being formulated.

9. APPROXIMATE NUMBER OF PERSONS ON WHOM INFORMANT REPORTED  
AND THEIR IMPORTANCE:

Informant reports on approximately 90 Security Subjects in the San Francisco Bay Area. These Subjects include the organizers for the San Francisco and Oakland-Berkeley Branches of the SWP and both chairmen of the San Francisco and Berkeley locals of the YSA. Informant has reported on JOHN THOMAS, one of the leaders of the PLM, as well as student leaders of SCTC.

10. STEPS BEING TAKEN TO ADVANCE INFORMANT:

Informant has served on the Executive Committee of the Berkeley YSA and as organizer for the YSA at Oakland City College during the spring semester of 1964. In view of shortage of funds informant recently took a job at the California Ink Company and is working from 4:00 p.m. to midnight daily, except Sunday. This will cause the informant to curtail his activities; however, he is maintaining membership in the YSA and SWP and even though he cannot attend meetings frequently he has made arrangements to be briefed by Executive Committee members on activity of both groups.

BY ORGANIZER OF BERKELEY YSA  
Informant has been promised that he will be considered as a delegate to the YSA National Convention in 12/64 and will make every effort to secure this appointment if encouraged to do so by the Bureau.

11. STABILITY AND RELIABILITY:

Informant gives no signs of instability and appears to be completely responsible in exercising his responsibilities to the Bureau. He continues to appear very alert and an extremely level-headed individual who is careful to avoid any situation which might embarrass the Bureau so far as his relationship with this organization was concerned.

It will be noted under Section 5 that informant was last paid for the period 6/15/64 to 7/15/64. He was not paid for any additional periods in view of the fact that his current employment precludes his attendance at SWP and YSA membership meetings. It is felt that in the near future, he will once again be able to attend these meetings, therefore, it is felt that this authorization is necessary so that payments may commence immediately when justified.

## 2. RESIDENCE AND EMPLOYMENT

Informant continues to reside at 1623 Stewart Street, Berkeley, California, and is employed at California Ink Company, 711 Camelia Street, Berkeley, California, six days a week from 4:00 P.M. until midnight. 4. SUMMARY OF INFORMATION FURNISHED

Informant is unable to attend meetings of the Oakland-Berkeley Branch SWP and the Berkeley YSA in view of his current employment. However, he continues to maintain membership in both organizations and is in contact with members of both groups who brief him on pertinent activities. As a leader in the Socialist Discussion Group at Oakland City College, he works closely with members of the W.E.B. Du Bois Club of Berkeley, as well as those persons who are interested in the Progressive Labor Movement in the San Francisco-East Bay Area. The leadership of this group is made up exclusively of members of these two organizations coupled with members of the YSA and SWP. During the past four months, informant furnished membership letters for Oakland-Berkeley Branch SWP, San Francisco Branch SWP, Berkeley local YSA, and San Francisco local YSA.

Not applicable in view of the fact that informant is unable to attend SWP or YSA meetings.

10. STEPS BEING TAKEN TO ADVANCE INFORMANT

As mentioned in referenced letter, informant has to curtail his activities in view of his full-time employment as well as taking a school course at Oakland City College. However, in view of this, he is still able to maintain close liaison with SWP and YSA members and has been promised by leaders of both groups that he will be chosen to the YSA National Convention which is slated for December, 1964. It is felt that in the event he is able to attend this convention, he will have enough influence to be elected to the National Board of the YSA.

11. STABILITY AND RELIABILITY

## III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS:

Informant is a member of the Oakland-Berkeley Branch of the Socialist Workers Party (DBBSWP). He is serving on the Executive Committee of the Socialist Discussion Club, a student organization at Merritt College, for the Fall Semester of 1964.

On or about 12/1/64, informant was confronted by several members of the Executive of the Berkeley Local of the Young Socialist Alliance (YSA). They explained to informant that

they felt it was unfair to the other members of YSA for him to enjoy membership in the Local, yet not attend meetings. Informant explained that for several months now he has been employed from four p.m. to midnight, six days a week, which has precluded him from attending meetings. YSA members stated they were aware of this situation and the fact that he had continued to offer financial support, as well as paying his dues; however, they stated that it was ~~causing~~ the feeling among YSA members that this was not enough; that if he were dedicated to the movement he would arrange somehow to attend meetings. A bitter dispute ensued, and the informant told the YSA Executive that he would resign from the YSA.

Informant has explained that he has been confronted with a similar situation by the executive members of the OBBSWP. He said that the Branch has ~~put~~ him on probation because he has not been attending meetings, and he is hoping that he will not be asked to resign, because he continues to pay dues and sustainers.

#### IV. SUMMARY OF INFORMATION FURNISHED:

Informant, even though he is not attending meetings of the OBBSWP, has maintained contact with SWP and YSA members, and has furnished information relative to individual employment and residence.

Through informant's contacts in the Socialist Discussion Club at Merritt College, he has been able to furnish information relative to the Afro American Student Association, which is affiliated with the Revolutionary Action Movement (RAM), as well as the W.E.B. DuBois Club, Berkeley Chapter.

VII. REPORTS SUBMITTED:

Informant has submitted seven oral reports, and no written reports.

VIII. APPROXIMATE NUMBER OF INDIVIDUALS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE:

Informant reports on approximately 55 security subjects in the San Francisco Bay Area. These subjects are members of the YSA and/or SWP, as well as individuals who are members of the W.E.B. DuBois Clubs and the Afro American Student Association.

IX. INFORMATION FURNISHED OF UNUSUAL VALUE:

Not applicable in view of the fact that informant is unable to attend SWP or YSA meetings.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT:

Due to informant's curtailed activities because of full-time employment six days a week, as well as his taking a full course as an undergraduate student at Merritt College, no steps have been taken to advance the informant. Every effort is being made on the part of informant to keep his membership in the OBBSWP, even though he is not able to attend meetings.

Informant feels that it will be necessary for him to continue his employment for another six months. Informant has had to support himself for a number of years, and has had no family to turn to for any financial aid. He feels that his schooling should come first, because it is necessary for him

SF 134-1929

to obtain a degree in order that he might look forward to elevating himself in the community. Informant is eager to maintain his relationship with the Bureau and to be of any service possible.

Informant claims that he is saving a considerable amount of money, which he is earning at the present time, and after another semester at Merritt College he hopes to be able to discontinue his current employment and enroll at the University of California (UC), Berkeley, for his last two years of schooling. Informant feels that once he is enrolled at the UC he will be in a good position to assist the Bureau in its investigation of any subversive elements attempting to recruit students.

Informant stated that in the past few months the leadership in the YSA Berkeley Local has been taken over largely by DAN and MARY ALICE STYRON. The STYRONs favor the recruitment of students from ~~the~~ UC, and are making every effort to eliminate the non-student member. They feel that the YSA in Berkeley should be a UC student movement, and that the non-student member is not helpful and is sometimes considered unattractive to students. Informant said that he feels fairly certain this is the reason that he was asked to resign from the YSA.

XI. STABILITY AND RELIABILITY:

Informant shows no sign of instability, and is believed to be completely reliable in exercising his responsibilities to the Bureau. He continues to exercise good judgment in order not to embarrass the Bureau, so far as his relationship with this organization is concerned. 1 -

XII. INDOCTRINATION AGAINST DISCLOSURE:
