Included in the above material was the following item of correspondence and original minutes of a Berkeley meeting of the YSA held 8/23/64. The area report is being disseminated by separate memo. (The above material is being enclosed for the San Francisco Office for whatever action deemed adviseable.)

"1793 Oxford Street
Berkeley 4, Calif.
September 1, 1964

"Dear Betsy,

"Enclosed are the minutes of our last meeting and the Area Report that is mentioned in them. I am sorry that both are so late, but I hope the area report will still be of some value, at least to those of you in the N.O. There is so much more that should be said in such a report, but it is impossible. If you have any questions when the plenum is over, please ask.

"West Coast Vacation School started last week and it's going great. No one wanted to come home after hearing Cannon speak on Sunday afternoon--even despite the rain.

"The proposed resolution on political perspectives arrived yesterday and we both thought it was tremendous.

"Good luck at the plenum. Wish I could be there.

"Comradely,

"/s/ Mary-Alice

"P.S. I couldn't find a copy of the summer educational program, but we've sent one before and you should be able to dig it out.

"Berkeley Local--Business Meeting
August 23, 1964

"Present: Sally, Jack W., Steve, Mary-Alice, Sid, Beth, Jim, Richie, Alan
"Excused: Derrel, Helen Duncan, Andrea, Dan, Gene, Ernie, Carol
"Absent: Linda P., Linda C., Jack S.

"Chairman: Jack W.

"Party:

"The party last Sunday was not a success, partly because YSAers who agreed to come didn't. We lost $3.95. Proposal that YSAers who agreed to come and didn't each be accessed $1.00. Jim. T. volunteer to donate $2.00. Proposal withdrawn. Motion to take money for CABS phone bills from the treasury. Passed.

"Educationals:

"Monday night the educational will be on the third section of "The Third International After Lenin." There will probably be no educationals for the two weeks following due to the West Coast Vacation School.

"WCVS;

"Leaflets defining the educational program of WCVS are now available. Everyone should make sure that all contacts get one. A mailing has been sent out. For transportation to WCVS contact Sally or Mary-Alice.

"Area-2:

"On August 30, there was to be a community assembly, called by the residents of A-2 to present list of 18 demands to the city officials. This assembly has now been taken over by Willie Brown and a bunch of ministers who are calling the meeting and inviting the residents of

"A-2. As a small concession Bernard X and Aaron Chapman have also been invited. Since this is a complete sell-out and an attempt to make the Uncle Tom leadership legitimate the A-2 fraction has decided to do nothing to build or publicize the meeting. We are almost the only link between Freedom House and the community and we should be able to do a great deal to undermine the proposed meeting.

"Proposal that in the future there be at least one person from the Exec. sitting in on all A-2 fraction meetings (in case Gene can't make it) and that there be a full A-2 report at the next business meeting. Passed.

"Plenum:

"Report by Alan and discussion. Suggestion that Alan spend some time talking to Dan and other members of the Exec. before going back to the plenum in order to discuss more fully some of the specifics of civil rights movement and recruiting in relation to our local.

"Comments from those who have read the Negro Struggle document that it doesn't really deal with the problems that we are facing in this area (specifically a more concrete orientation toward white-student-integrationist groups) as completely as we would like.

"Motion to draw up an Area Report to be sent to New York prior to the plenum. Passed. Referred to the Exec.

"Civil Rights:

"Continuation of the discussion begun at the previous meeting.

"Motion to draw up a document for selected use among contacts stating our position on CORE as it came out of this discussion. The four main points to be included are:

"1. Endorsement of tactics which are aimed at involving the white community.

"2. Opposition to an orientation towards the ghetto.

"3. Necessity of continuously trying to politicise all the actions and discussions.

"4. Necessity for independent political action.

"Passed.

"Independent Political Action:

"Jim reported that he was in the process of finding an advisor so that CIPA could get campus recognition.

"Derrel and Ernie are in L.A. for the weekend to work on CIPA there.

"Youth for Jobs:

"Sid reported that he and Beth have been going to YFJ meetings for several weeks and that nothing is happening. Business meetings are never held and there are only a few people around whenever they go over to the fire house. Motion to drop out of YFJ with the understanding that we keep an eye on it in case things start to develop. Passed.

"Good and Welfare:

Reminder to everyone that plenum assessments should be gotten in immediately.

"Motion to Adjourn. Passed."

1. RECOMMENDATION

It is recommended that authority be granted to continue payments to SF 2496-S at the rate of up to $150.00 per month for services rendered and to continue payments up to $45.00 a month for expenses actually incurred. This amount is requested for a period of four months effective 11/15/64.

It will be noted under Section 5 that informant was last paid for the period 6/15/64 to 7/15/64. The leadership of this group is made up exclusively of members of these two organizations coupled with members of the YSA and SWP. DIRECTOR, FBI (134-10010) 10/28/64

SAC, SAN FRANCISCO (134-1929) (P)

SF 2496-S

Remylet, 7/7/64.

1. RECOMMENDATION

It is recommended that authority be granted to continue payments to SF 2496-S at the rate of up to $150.00 per month for services rendered and to continue payments up to $45.00 a month for expenses actually incurred. This amount is requested for a period of four months effective 11/15/64.

It will be noted under Section 5 that informant was last paid for the period 6/15/64 to 7/15/64. He was not paid for any additional periods in view of the fact that his current employment precludes his attendance at SWP and YSA membership meetings. It is felt that in the near future, he will once again be able to attend these meetings, therefore, it is felt that this authorization is necessary so that payments may commence immediately when justified.

2. RESIDENCE AND EMPLOYMENT

Informant continues to reside at 1623 Stewart Street, Berkeley, California, and is employed at California Ink Company, 711 Camelia Street, Berkeley, California, six days a week from 4:00 P.M. until midnight. He is enrolled as a full-time undergraduate student at Oakland City College, Oakland, California.

3. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

The informant is a member of the Oakland-Berkeley branch of the Socialist Workers Party (OB SWP) and the Berkeley local of the Young Socialist Alliance (YSA). He is serving on the Executive Committee of the Socialist Discussion Club, a student organization at Oakland City College for the Fall Semester of 1964.

(INTERVIEW WITH SUBJECT) On 26 February 1957, Richard M. AOKI, Private (E-1), [redacted] Company C, Reserve Forces Act Regiment, Fort Ord, California, with permanent address at 1519 Stuart Street, Berkeley, California, after having been advised of the reason for the interview and of the effect of applicable regulations upon his status in the Army in the event he is processed under the provisions of Army Regulation 604-10, and after having read and stated that he understood the provisions of Article 31, Uniform Code of Military Justice, was interviewed under oath at Fort Ord.

SUBJECT states in substance the following, concerning the circumstances of his affiliation with the Labor Youth League (LYL), Berkeley, and concerning personalities known or suspected by him to have affiliation with the LYL. During 1956, at the time that he was attending the Berkeley High School, Berkeley, AOKI was a member of the Young Men's Christian Association in Berkeley, and held the position of secretary in the youth club of that organization known as the "Saints." SUBJECT first heard of the existence of an organization known as LYL during the Spring of 1956, exact date unrecalled. A friend of AOKI, Carl Napper, told SUBJECT that during a party in January or February 1956, sponsored by the Saints, at which SUBJECT was not in attendance, several adults attempted to recruit youths for membership in the LYL. Napper said that the adults were not known to him by name, and were not members of the Young Men's Christian Association. Most active of the adults was a negro woman, name and identifying data unknown, who was believed by Napper to be a communist. Prior to that time, AOKI had not had acquaintanceship with any person known to be or suspected to be affiliated with any subversive or communist organization.

In the late summer of 1956, exact date unrecalled by SUBJECT, AOKI was invited by Napper to attend a party sponsored by the LYL. SUBJECT attended the party with Napper despite Napper's comments that the LYL was believed to be a communist organization, and despite warnings by Napper that AOKI should not sign anything while at the party because of the reputation of the LYL as a subversive organization. Approximately two or three weeks later, SUBJECT attended a second party sponsored by the LYL, after having helped to decorate the house where the party was held.

AOKI2-318

In either late September or early October 1956, exact date unrecalled, AOKI attended a picnic sponsored by the combined youth groups of the LYL in Berkeley, Richmond, Oakland and Alameda, California. On a Sunday following the picnic, SUBJECT attended a meeting

of the LYL Berkeley group to discuss a free-for-all fight that had ended the picnic. During Christmas vacation, in December 1956, exact date unrecalled, AOKI attended a Christmas party at the home of Douglas Wachter, chairman of the Berkeley LYL group. Wachter lived in the immediate neighborhood of SUBJECT's residence, had attended school with AOKI's brother, Doris, and was seen on chance occasions often during the period September to December 1956. On 23 January 1956, AOKI took Cathy Brownell, a person known by SUBJECT on a personal basis prior to his association with the LYL, to the Senior Ball dance at Berkeley High School, and a few days later had another date with Brownell. Brownell is an active member of the LYL, but SUBJECT's dates with her were on a strictly personal basis.

AOKI can not recall that he attended any further social affairs, meetings or other activities sponsored by the LYL. Since entering on active duty with the United States Army on 3 February 1957, SUBJECT has had no contact with any of the members of the LYL, does not intend to maintain association with persons who are LYL members, and does not intend to attend further meetings, parties, or other activities sponsored by the LYL or any other communist subversive organization. He has never had in his possession literature published by the LYL or literature known to be or suspected of being communist in nature. AOKI does not consider himself to be or to have been at any time a member of the LYL, since he did not sign anything in connection with LYL activities.

SUBJECT does not know the organizational structure of the LYL or the names of leaders of the LYL. The LYL group in Berkeley has six members. AOKI knows of four members in the Richmond LYL group, two in the Alameda LYL group, and knows that a group exists in Oakland. Each group has adult sponsors at whose homes parties and meetings are held and who plan, organize and supervise group activities.

AOKI furnishes the following information concerning persons involved in LYL activities:

100-42909*

Douglas Wachter, mentioned previously, is chairman of the Berkeley LYL group. He is approximately sixteen or seventeen years of age, is Caucasian, and resides on Derby Street, number unrecalled, Berkeley. Wachter's residence is next door to a large apartment house and across the street from the Niehaus Funeral Parlor.

Cathy Brownell, mentioned previously, is an active member of the Berkeley LYL group. She is approximately sixteen or seventeen years old, resides at 1920 Grant Street, Berkeley, and is a student at Berkeley High School. Brownell is caucasian but associates freely with negroes and is convinced of the need for negro social equality in the United States.

Karl Kapper, mentioned previously, is not a member of the LYL, but attends parties sponsored by the LYL because he thinks that they are a lot of fun. Kapper is not sympathetic with the program of the LYL, and has never taken part in discussions sponsored by the LYL. Kapper resides in Berkeley and is a student at Berkeley High School. Kapper's exact address is unknown to SUBJECT.

Carolyn Dierup Pozos, approximately sixteen or seventeen years of age, is an active member of the Berkeley LYL group. She resides on Josephine Street, Berkeley, and is a student at Berkeley High School. Dierup's mother is believed to be a sponsor of the LYL group in Berkeley. Dierup is caucasian but has the same ideas concerning negro social equality as Brownell.

A. D. Barker, first name unknown, has been a member of the Berkeley LYL group for over two years. He is negro, and graduated from Berkeley High School in June 1956. Following graduation, Barker served with the United States Navy, and is now discharged from the navy because of disability. AOKI does not know Barker's address, but believes he resides in the vicinity of Berkeley.

Two other members of the Berkeley LYL group were Alex LNU and Bob LNU. SUBJECT can furnish no further information concerning them except that Bob LNU was a member of a gang in Berkeley called the "Knights." Alex and Bob are caucasian.

Beth and Cynthia LNU, sisters, address unknown, were members of the Oakland LYL and attended either Fremont or Oakland High School in Oakland. Beth was secretary of the Oakland LYL group. Beth and Cynthia are caucasian.

both of whom are members of the Saints, told SUBJECT that they had attended parties sponsored by the LYL, and warned AOKI that the organization was communist and subversive. Both Petry and Bayless informed SUBJECT that their parents had objected strongly to their participation in activities sponsored by the L L. AOKI knew this before he attended the first party with Tapper in the late summer of 1956.

Through conversations with AOKI's former girl friend, Nancy Brown, who resides at 727 Contra Costa Avenue, Berkeley, SUBJECT believes that Mamie Kagan, operator of the Kagan School of Dance, Berkeley, may have some connection with the LYL. Kagan was described by Brown as having "queer ideas," and Brown stated to SUBJECT that she quit attending Kagan's school for that reason. AOKI is not able to explain the term "queer ideas," and is not able to recall what Brown said, specifically, that gave SUBJECT the idea that Kagan was affiliated with the LYL. To the best of his knowledge, neither Brown nor Kagan have been known to participate in any activity of the LYL.

[redacted] to sign a sworn statement containing information relative to his affiliation with the LYL. (See EXHIBIT _____). SUBJECT states that he has not withheld any information concerning his affiliation with the LYL and has always told the whole truth to military authorities concerning his activities with that organization.

AGENT'S NOTES: SUBJECT was cooperative during the interview and answered questions willingly after a period of hesitation in respect to involving other persons in LYL activities. He appeared to be immature and although he used terms and phrases intended to give the impression of an understanding of the terms communistic, socialistic and subversive, in the opinion of the interviewing Agent, SUBJECT has little or no understanding of the basic principles involved. In this regard, note SUBJECT's use of the word "socialogical" in his signed statement.

(MILITARY ASSOCIATES) On 27 February 1957, Master Sergeant [redacted] First Sergeant of Company C, Reserve Forces Act Regiment, Fort Ord, California, was interviewed concerning SUBJECT. [redacted] states that because of AOKI's lack of physical coordination and inaptitude for military duties, it is source's intention to initiate action for SUBJECT's discharge from the service per authority contained in Army Regulation 635-209, Inaptitude or Unsuitability for Military Service. Source states that such action will be taken against AOKI on or before 5 March 1957, although [redacted] can at the present time not ascertain whether such action will be approved by higher echelons of command. Under normal b6 per OGA circumstances, action on such a request is taken by higher echelons of command within two weeks, resulting in a board hearing, and as a usual occurance, within eight days of a board hearing, final action is initiated for discharge of the enlisted man from the service. [redacted] intends to appear as a witness against SUBJECT, and states that action under Army Regulation 635-209 against AOKI is both justified and necessary for the good of the service.

AGENT'S NOTES: Source was interviewed when contacted during routine attempts to locate SUBJECT for interview. The above information was unsolicited and was volunteered by [redacted] without knowledge of the reason for this investigation of SUBJECT.

STATEMENT BEGINS:

RMA The first time that I heard of the Labor Youth League (LYL) was in early 1956, January or February, when friend of mine, Jack Napper, told me that some adult members of the LYL had attended a party sponsored by the Black South group called the Saints. I was at the time secretary of the Saints, but had not attended the meeting. Napper told me that a negro woman, name unknown, had also tried to recruit members for an organization known as the LYL, and Napper said she was believed to be a Communist. Prior to that time I had experienced no acquaintanceship with any person RMA suspected to be affiliated with any subversive or communist organization. In the late summer of 1956, in either August or September 1956, exact date unrecalled, Napper and I attended a party sponsored by the LYL. On the way to the party, Napper told me that I should not sign anything at all because the organization, the LYL, was believed to be a communist organization. I attended the party purely for the pleasure of the party, inspite of full knowledge RMA that the sponsors of the party were described as communist. The party was held in the vicinity of Oakland Junior College, on 59th Street, Oakland, exact address unrecalled. It was in the home of a negro [redacted] married to a white woman, names unknown to me. At the party, I [redacted] teen-agers from Berkeley High School, including Douglas Wachter, Carl [redacted] and Carolyn [redacted] (phonetic spelling). Also present at that party was [redacted] and [redacted] attended Oakland High School, Oakland, named Beth, last name unknown, and a negro by [redacted] Preston, whether this is his first name or last name is unknown to me. The party lasted from approximately 2100 hours to 2400 hours, during which time I was asked by Member, Brownell and Dierup, and possibly others whom I can not recall, to join the LYL. I refused to join, and put them off. When I asked what the LYL was all about, and what its aims, purposes, and goals were, I was informed that the LYL attempted to help the cause of the negroes, especially in situations such as exist in Birmingham, Alabama, and assisted in furnishing help to the oppressed negroes of the south in the form of clothing, financial help and any other way they could. I saw nothing really wrong at that time with the program outlined by members of the LYL, and I'm in sympathy with the present

RMA negro program of passive resistance to gain their rightful place in society. Approxi-
two or three weeks following my attendance at that party, I was invited by Wachter to
assist in decorating for another party to be held at the home of a married couple, names
unrecalled, who lived on Addison Street or Allston Street, just of Sacramento Street,
Berkeley. At that time, I learned that Wachter was chairman of the teen-age group of
the LYL in Berkeley. He had attended classes with my brother at the Berkeley High School,
and had been known to my brother before I met him. In attendance at the second party
were myself, Napper, Wachter, Brownell, Ralston, Beth and her sister Cynthia and another
girl also named Cynthia. Conversation at the party centered around the negro situation
in the south. While in the house, I picked up and read literature which I consider de-
finitely of a communist nature, including one book that was pro-Communist written by the
wife of a candidate on the Progressive Party Ticket, Mrs. Vincent Hallinan. The party
lasted from 2000 to 2330 hours, and during the last hour a negro woman, name unknown,
came in and was pointed out by Napper as the same woman who had attended the Saints'
party and who had tried to recruit members for the LYL. During casual meetings from
September to December 1956 with Wachter, I asked him often about the aims of the LYL,
its organization, director, number of people in the LYL and similar questions, he was
evasive. He did not directly answer my questions, but spoke of the inequalities exist-
ing in the world today, and how it was necessary to have a socialist system which would
promote peaceful settlement of the world problems. Wachter pointed out to me that in
thirty years Russia had advanced its living standards and is an example of successful
application of the socialistic system of Government. When I brought up a subject which
he didn't seem to be able to defend, he changed the topic of conversation or became
evasive. Up to the time I talked with Wachter, I believed that the entire communist al-
legation against the LYL had been a joke or prank on the part of my friends. In appro-
ximately the middle part of October 1956, exact date unrecalled, I was invited by Napper RMA

to attend a picnic which had been arranged by adult members, names unknown, of the Berkeley, Oakland, Alameda, and Richmond, California, members of the LYL. The picnic was held at Lake Temescal, in north Oakland. I went to the picnic with Napper, Wachter, Dierup, Brownell, and a person named Bill, last name unknown, in a car belonging to and driven by the woman at whose home the second party I went to had been held. At the picnic, a group of six to eight girls from Brookfield or Brookville Village, West Oakland, California, became involved in a disagreement with Dierup. Girls from Alameda defended Dierup. The picnic broke up in a general fight and I went home. The next Sunday, I was called by telephone by Wachter who told me that a meeting would be held at a house owned by one of the sponsors of the LYL in Berkeley. He was named Bill, last name unknown, and lived in Berkeley at an address I can not remember. There at the meeting were Dierup, Wachter, Beth (the sister of Cynthia) and myself. After a general discussion of the events leading up to the fight at the picnic, Bill discussed the negro situation in relation to the Berkeley High School and other schools in the vicinity of Berkeley. He stated that he had graduated from Berkeley High School about twelve or fifteen years earlier, and that he was a teacher at a school, location unknown. Bill told of his experiences as a student and teacher, and comment on the need for social reforms. He advised me, since I had taken part in the discussion, that I should recruit people for the LYL through my position with the YMCA youth group. I didn't attempt to recruit any person, either before or after that for the LYL. I was driven home from the meeting by Beth, who informed me that the LYL was named on the Attorney General's list as a subversive organization, but that it really was not a communist organization advocating the violent overthrow of the Government of the United States, but a peaceful organization trying to attain peaceful relations between the different social classes and betterment of conditions in which negroes find themselves today. In late October I decided to join the Army, and when filling out the forms, I made a statement concerning my affiliation with the LYL, after receiving advice from a Major Thomas at the Recruiting Center, Oakland. During Christmas vacation of 1956 I attended a Christmas party with Napper at the home of Wachter, which is located on Derby Street off of Grove Street. The address is unknown to me, however it is next to a large apartment house and is directly across the street from a funeral parlor. Before attending this party I was convinced that the LYL was a subversive organization. I attended this party "just for the Hell of it," and cannot further explain my attendance. At the Christmas Party I met a person introduced to me as A.D. Barker. Napper stated that Barker had been a member of the LYL for as long as Napper had been attending meetings or parties at LYL. I don't know how long that would be, but I presumed it would be for over two or three years. Barker graduated from Berkeley High School in June 1956. He then entered the U.S. Navy, and when I met him at the party I had the impression that Barker had been given a disability discharge from the Navy. I do not know Barker's address or present whereabouts. On 23 January 1957, I took Brownell to the Senior Ball dance at Berkeley High School because she was a marvelous dancer. There was no other reason for our association at the time. I entered the Army on 3 February 1957, and have had no contact with any of the members of the Berkeley

RMA LYL or persons associated with that organization, including Kupper, since that date. I do not consider myself as being or as having been a member of the LYL. I do not sympathize with their methods of promoting communism. I see nothing wrong with the basic ideas of communism, social reform and other basic policies advocated by socialist parties, but I definitely am not in agreement with the methods used to promote such ideas. In my own opinion, I am not in direct sympathy with either the Communist Party or its socialogical doctrines. I do believe, as it should be, that persons should be able to believe in their own ideologies so long as it does not interfere with the well being of other persons. To the best of my knowledge, I have not attended any other social functions, meetings or activities whatsoever which were sponsored by the LYL or any other organization known to me to be communist or subversive. I do not intend to maintain any association with persons who are LYL members. I do not intend to attend further meetings, parties or other activities sponsored by LYL or any other communist subversive organization. I have never had possession of any literature published by the LYL or literature known to be or suspected of being communist in nature. RMA

AOKI was contacted by the writer on 11/9 and 10/60, at the home of his brother, DAVID AOKI, 1519 Stuart Street, Berkeley, California. He explained that he is acquainted with DOUGLAS WACHTER who is attending the University of California and is reportedly active in CP activity. He stated that he has purposely avoided any contact with WACHTER recently because of the adverse publicity WACHTER received from his participation in the student riots at the HCUA hearings in San Francisco in May of this year. AOKI states that he is currently employed at the California State Department of Public Health, 2151 Berkeley Way, Berkeley, California.

AOKI is pleasant, alert and exhibited a very friendly and cooperative attitude towards the FBI. It is felt that a fewmore contacts and the writer will be able to determine if AOKI is willing to renew his acquaintance with WACHTER in an effort to be of assistance to the Bureau and security investigations.

SF 2473 - PSI

The above captioned individual is currently being considered for development as a security informant by the San Francisco Office. He first came to the attention of the San Francisco Office in 1957, at which time CIC advised that AOKI, while serving as a Private, Company C, Reserve Forces Act Regiment, Fort Ord, California, gave a statement to the Army officials to the effect that he attended some Labor Youth League (LYL) sponsored socials while attending Berkeley High School, Berkeley, California in 1956, and was acquainted with several fellow students whom he considered to be LYL members.

AOKI was contacted and expressed a willingness to cooperate with the Bureau in any way possible, but stated that he has had no contact with the old LYL group since leaving Berkeley High, however, stated that if he should contact them in the future, he would notify the San Francisco Office.

On February 15, 1961, AOKI met JIM PETRAS at a publicly announced Young Socialist Alliance (YSA) function in Berkeley, who in turn invited AOKI to a Marxist Study Group on February 23, 1961. AOKI has attended this Marxist Study Group and submitted a report. In light of this development, AOKI has been designated SF 2473 - PSI and the code name of RICHARD FORD, which he will use in signing reports.

The following information concerning AOKI is being submitted as a basis for a request for Bureau authority to contact him as a PSI.

Re San Francisco letter to Bureau, dated 3/6/61.

A review on 4/5/61 by IC [redacted] of the military service records on file at the General Services Administration, Military Personnel Records Center, for RICHARD MASATO AOKI, Serial Number [redacted] indicated that he enlisted in the U.S. Army Reserve on 11/15/56, and entered on active duty in the U.S. Army for six months active duty training on 2/3/57 at Oakland, Calif.

b6 per OGA

The terminal date of his reserve obligation was shown as 11/14/64.

Private-1 RICHARD MASA AOKI, [redacted] Fort Ord, Calif. The letter states as follows:

"a. Synopsis of allegations: On 15 November 1956, Aoki qualified DD Form 98 by stating 'I've attended one meeting, two house dances, and one picnic of the teen-age branch of the Labor Youth League. These attendances occurred in the summer of 1956. I stopped attending these functions when I became convinced that it was a subversive organization.' Aoki further stated in the Remarks Section of DD Form 398 as follows: 'I have attended a few dances and parties of the teen-age branch of the Labor Youth League. This was in the summer of 1956. When I was finally convinced of the fact that it was a subversive organization, I stopped attending their functions - however - I've taken one girl (Cathy Brownell) out on dates; this was during the month of January 1957.'

"b. Subject enlisted man was interviewed under oath and stated as follows:

"(1) That he first became aware of the Labor Youth League (LYL) during the spring of 1956 when he was informed by a friend that the LYL had attempted to recruit youths for the LYL during a Young Mens Christian Association party at which Aoki was not in attendance. This friend informed Aoki that the recruiters for the LYL were believed to have been Communists.

"(2) In the late summer of 1956, exact date unrecalled, Aoki stated that he attended a party sponsored by the LYL. That he attended this party despite the warnings of a friend, with whom he attended, that the LYL was believed to be a Communist organization. Aoki was warned by this friend not to sign anything while at the party because of the reputation of the LYL as a subversive organization.

"(3) Subject enlisted man attended a second party sponsored by the LYL after helping decorate the house where the party was to be held. This party took place approximately two or three weeks after the party mentioned in 2a above. In late September or early October 1956, Aoki attended a picnic sponsored by the combined youth groups of the LYL in Berkeley,

Richmond, Oakland, and Alameda. This picnic had ended in a 'free-for-all-fight.' On the Sunday following the picnic, Aoki attended a meeting of the LYL Berkeley group to discuss the 'free-for-all-fight.' During the Christmas vacation, December, 1956, exact date unrecalled, Aoki attended a Christmas party at the home of the Berkeley Chairman of the LYL.

"(4) On 23 January 1957, Aoki took Cathy Brownell, a person known to him as an active member of the LYL, to the Senior Ball dance at Berkeley High School, and a few days later had another date with Brownell. Subject enlisted man sates his dates with Brownell were on a strictly personal basis.

"(5) Aoki claims that since his call to duty with the military, he has had no contact with the LYL nor does he contemplact future contact. Enlisted man states that he does not consider himself as being or having been a member of the LYL and that he does not sympathize with their methods of promoting Communism. Aoki stated that he could see nothing wrong with the basic ideas of Communism, social reform and other basic policies advocated by socialist parties, but that he definitely is not in agreement with the methods used in promoting such ideas. The individual states that it is his opinion that he is not in sympathy with the Communist Party or its sociological doctrines and that he does believe that a person should be able to believe in his own ideologies so long as he does not interfere with the well being of other persons."

The Department of the Army Security Screening Board considered AOKI's case and determined that he did not engage in subversive activities during his period of service nor falsification in connection with a security matter occurring during period of service or pertaining to his entry into the service.

DIRECTOR, FBI (134-10010) 7/18/61

SAC, SAN FRANCISCO (134-1929)

RICHARD MASATO AOKI, aka
Richard Ford
SF 2496 - PSI

Reurlet 3/21/61, and St. Louis letter to Director, 4/10/61.

AOKI, since original contact, has attended and reported on public meetings sponsored by Young Socialist Alliance (YSA), "People's World" (PW) and Fair Play for Cuba Committee (FPCC), as well as developed a personal friendship with JIM PETRAS, YSA organizer for the Socialist Workers Party (SWP), San Francisco East Bay Area, and DOUG WACHTER, Communist Party (CP) youth leader, San Francisco Bay Area.

The above named person has been assigned the designation of SF 2496 - PSI and the code name of RICHARD FORD, which he will use in signing reports.

Information set out below concerning AOKI is being submitted as a basis for a request for Bureau authority to contact him as a PSI.

A. San Francisco indices reflects no information in addition to that which has been set forth in referenced letter dated March 6, 1961.

B. Discreet canvass of other informants indicates that they know of no CP, SWP or related activity on the part of AOKI.

C. Confidential inquiries have been made to verify AOKI'S background, including checks of former employments and education with present business connections, and each person contacted never had reason to question his reliability, stability, patriotism or integrity and all stated that he had a good reputation.

D. AOKI'S name was searched through the files of the Credit Bureau of the Greater East Bay, Oakland, California which also covers Berkeley, and nothing of an unfavorable nature disclosed.

Records of the Oakland, California Police Department contain no information which could be identified with AOKI.

Records of the Berkeley, California Police Department, as searched on June 27, 1961 by IC [redacted] indicated that RICHARD M. AOKI, 19, 1519 Stuart Street, Berkeley, California, was cited for a speeding violation on March 28, 1958, and for running a stop sign after being involved in a non-injury accident. On April 18, 1958, he was cited and received traffic school on a speeding charge and also cited for running a stop sign. b6 b7C

E. On the basis of information furnished by General Services Administration, Military Personnel Records Center, St. Louis, Missouri, AOKI was enlisted in the United States Army Reserve on November 15, 1956, and entered on active duty in the United States Army for six months training on February 3, 1957, at Oakland, California. He was honorably released from active duty and transferred to the United States Army Reserve to complete his military obligation, on August 2, 1957, as a Private at Fort Ord, California. The terminal date of his reserve obligation was shown as November 14, 1964. His character and efficiency ratings were not shown and there was no record of a courts-martial or absence without official leave. There was no record of treatment for nervous or mental disorders, however, according to his own statement, he developed "excessive loss of health, cronic weariness and nervousness" after entering on duty.

This record, as previously reported in referenced letter dated March 6, 1961, set forth confidential information concerning AOKI'S relationship with the Labor Youth League (LYL) in 1956 and 1957.

SF 134-1929
BT:lms

The Department of Army, Security Screening Board, considered AOKI'S case and determined that he did not engage in subversive activities during his period of service nor falsification in connection with a security matter occurring during period of service or pertaining to his entry into the service.

F. AOKI is in the United States Army Reserve - inactive.

G. AOKI is single and claims never to have been married.

H. There are no known problems.

AOKI has impressed the interviewing Agent as being sincere and generally interested in cooperating with the government, and it is felt that consideration should be given to him for development as a PSI.

In view of the foregoing, Bureau authority is requested to contact AOKI as a PSI on CP, SWP and related matters.

On 10/2/61, PSI was interviewed, at which time it was again discussed with him that he is not an employee of the FBI and that all activities on behalf of this bureau are entirely voluntary on his part. The Bureau policy regarding labor unions was discussed and he was cautioned to keep his relationship with the FBI completely confidential. He was instructed inot to retain copies of his notes or reports which are submitted under code name in third person. In discussing payments, PSI was also cautioned that it must be reported as income. He was warned not to make any personal appearances at the FBI office and to use public telephones in contacting any Agent. PSI was previously instructed on using the confidential Post Office box and he was given the number in the event he should mail the report in. However, it is very unlikely that he will ever have occasion to use themmail for submitting report.

local student matters at the University of California, Berkeley, as well as concentrated effort by the SWP to infiltrate and dominate campus activities through recruiting and indoctrinating students who are in a position of leadership, as well as placing Young Socialist Alliance (YSA) and SWP student members in various organizations. Informant's place of employment is across the street from the campus of the University of California and most of the members of the YSA are students at the university. In addition to furnishing membership lists and detailed information concerning membership meetings of the YSA, he has also furnished information regarding the Fair Play for Cuba Committee (FPCC) and classes on Marxism.

VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

It is extremely urgent in view of the Bureau's responsibility in the security field that the efforts of the SWP to deeper penetrate the student body at the University of California, Berkeley, be given as complete coverage as possible, and in this light the informant is of unusual value. Although not a student himself, he is employed across the street from the campus and is in a position to attend many of the YSA-sponsored student activities, as well as report on student active in the YSA as members.

IX. APPROXIMATE NUMBER OF PERSONS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE

Approximately 85 persons reported on by this informant which included such security subjects as DOUGLAS WACHTER, member of the Communist Party (CP) Youth Commission, Northern District of California CP; CARL BLOICE, reporter for the "People's World" and also member of CP Youth Commission; JIM PETRAS and PAUL MONTAUK, SWP functionaries in the San Francisco East Bay Area, in addition to various other SWP members and 19 members of the YSA in Berkeley, Calif.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

This informant is being closely guided and controlled in an effort to advance him in the eyes of the officials of the SWP in this area. His move to his current address and the fact that informant recently secured an automobile has enhanced his potential for advancement, enabling him to maintain close contact with SWP functionaries. This move has also placed the informant in more difficult financial straits in that he was formerly residing with his mother. JIM PETRAS, SWP member and organizer of the YSA, on several occasions praised the informant for the work he is doing in the YSA. PETRAS also told the informant that he, PETRAS, likes the way the informant handles other people and has "big things planned for him."

XI. STABILITY AND RELIABILITY

Informant is a stable young man, showing traits of maturity and poise. He handles himself as an intelligent, trustworthy individual.

XII. INDOCTRINATION AGAINST DISCLOSURE

This informant is closely controlled and has constantly been reminded of his position as an informant and that this relationship must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMATION FURNISHED

Chairman was LAWRENCE SCHUM. This was a joint branch meeting where a debate was held between the majority and minority picture on Cuba---as to whether Cuba is a workers' state or a state that is in a transitional stage going into socialism.

JOHN SEVERN, speaking for the majority viewpoint, which is the same held by the SWP, somewhat modified his position more than the SWP and his analysis was much more extensive on the Cuban Revolution.

JIM PETRAS, spoke on the minority point of

view of the Cuban Revolution. Each speaker talked about thirty minutes. JOHN SEVERN spoke first and JIM PETRAS followed. There were about four rounds of discussion from individual speakers in the audience who wanted to talk. The summation of the two debaters took twenty-five minutes each.

Voting on the resolutions will take place later in each YSA branch.

JOHN SEVERN stated in his opening remarks that when CASTRO came to power, he came through the action of the workers themselves and because of this, standards of living were raised in Cuba. The CASTRO regime went so far as to cut rents in half and do away with all capitalist enterprises. This shows the workers building the economy. The Cuban Revolution was not a degenerated one like the one occurring in the Soviet Union. The farmlands and industries have become nationalized in Cuba. The mere change in property forms makes Cuba a workers' state.

JIM PETRAS stated in his opening remarks that between the capitalist and Communist societies there will be a revolutionary transformation of one into the other. The result will be a dictatorship of a proletariat. Cuba will be the forerunner of crushing capitalism in the United States. PETRAS contends that Cuba is a bureaucratic government going through a transitional phase. In six months from now we may be calling for a revolution of the Cuban regime. However, no one knows what will come about just yet. Cuba has carried out economic progressive measures but has failed in the political arena. A proletarian type of democracy has not developed in Cuba. Instead, you have a suppression of the peoples, as well as the Cuban Trotskyites.

After the pros and cons were presented by SEVERN and PETRAS, there was open discussion on the floor. At this time TED MELLOR and JIM PETERSON voiced their opinions on the Cuban Revolution. They have prepared a document on Cuba to present at the convention in Chicago. MELLOR supported the SWP line that Cuba is a workers' state.

JOHN SEVERN's concluding remarks were to build a vanguard Marxist mass party in the ex-colonial countries that are going through the process of revolution.

JIM PETRAS concluded that there is an absence of workers' participation in the affairs of the Cuban government. Actually, what exists in Cuba is a small, petty bourgeoisie which is running the Cuban state. The proletariat has no control in the Cuban government. A single party is being built in Cuba which the Cuban CPers will control.

Cuba is a deformed workers' state. What Cuba needs is a mass revolutionary Marxist party under the direction of U. S. Trotskyites.

LEE MAYFIELD will have a party at her home in Berkeley Christmas night.

Fair Play For Cuba

To the Editor: Your recent editorial and the letter by Mr. Stephens reveal a serious misunderstanding of the Fair Play for Cuba Committee, Fidel Castro, and the Cuban Revolution, a misunderstanding riddled with superficial analysis and unquestioning acceptance of the chilean propaganda which passes for the truth about Cuba in a large section of the American press.

You state that Castro's popularity has been on the downgrade through Cuba's present alignment with the Soviet Bloc. His popularity with whom? Standard Oil? The State Department? The middle and upper classes of Cuba and Latin America? The fact is that Castro's popularity among the workers, peasants, students, and intellectuals, who constitute the overwhelming majority of the population, remains very high. Fidelismo is a driving, pounding force in Latin America and is seriously challenging the exploitation of Latin America, the crude oppression of the Latin American people by the American capitalist class. In Latin America, if you stand with Fidel, you believe in land for the peasants, bread for the hungry, work for the unemployed, equality for the Indian and Negro, schools for children, medical care for the sick, in short, the right of human beings to live in a society of economic justice and social equality. On this basis, and only on this basis, will a democratic socialist society be built in Cuba and Latin America. If you stand against Fidel, you stand for the robbery of Latin America's resources by American capitalism, the right of the U.S. and its satellites to crush popular governments, disease, filth, illiteracy and hunger. It is not hard to understand why the workers and peasants of Latin America are with Cuba and will soon be voting for Cuba with their own blood in the coming revolutions in Latin America.

You mention Castro (perhaps one should say the Cuban people) kicking the United State's interests out of Cuba. When you mention United State's interests you should realize you are talking about Standard Oil and United Fruit. Anyone who can defend these corporations, knowing the crude exploitation they practice in Latin America, can hardly be said to believe in human decency. The Cuban Revolution means that the wealth of Cuba shall be owned and used by the Cuban people in their own interests, rather than enriching land-owners, corrupt politicians, an aristocratic upper class, and the U.S. corporation. I submit to you, Mr. Jeans and Mr. Stephens, that if you are concerned about the closeness of Cuba to the Soviet Bloc, then the thing for you to do is not to join forces with those who want to crush the essence of the Cuban Revolution, the right of the Cuban people to a better life, but rather, to fight against the attempt of the American ruling class to crush the heroic struggle of the Cuban people. Your support of the invasion of last April 17, Mr. Jeans, puts you in opposition to

a revolution which has the support and enthusiastic participation of the overwhelming majority of the Cuban people. Can it be believed that an intelligent, sensitive person can side with those Cubans who find segregated Miami more congenial than integrated Havana? In spite of all the State Department talk about bringing democracy back to Cuba, it is interesting to note that the U.S.-controlled counter-revolutionary forces are a motley, despicable collection of thugs, gangsters, sons of aristocrats, batistianos, international adventurers, and some misplaced idealists.

These are the people the U.S. opposes to the popular Revolutionary Government of Cuba, the forces which are about to launch a second attack on Cuba with full American support. At over 25 bases in the United States and Central America, a second criminal and sadistic attack is being planned. Gerry Reichaud of the Chicago Daily News reports in the San Francisco Chronicle that a force of 800 men is being secretly trained in Guatemala under General Pedraza, one-time right-hand military and intelligence aide of former Cuban dictator Fulgencio Batista. I submit to you, that if you opposed the rape of Hungary by the Soviet Union, the Anglo-French-Israeli invasion of Egypt, the continuing dirty war of France in Algeria, then how can you support or sympathize with those forces, supported and controlled by the U.S., which want to drown the right of the Cuban people to self-determination in blood.

The Cuban Revolution, its

(Continued on page 13)

(Continued from page 12)

achievements and objectives, deserves to be supported: complete equality of White, Indian, and Negro; a planned, socialist economy which means that the wealth of Cuba is used in the interests of the entire people, which means that instead of building a palatial mansion for a wealthy family, you spend the money in building twenty homes for families which formerly lived in outrageous hovels; a Popular Militia of 500,000 men and women which literally gives power to the workers and peasants; the large-scale construction of homes, schools, and hospitals; an ambitious industrialization program which will make Cuba by 1965, in relation to its population the most industrialized nation in Latin America. The negative aspects of the Cuban Revolution, such as the present lack of formal democratic institutions, are over-shadowed by the extraordinary advances of Revolutionary Cuba in the realms of economic justice and social equality, and are largely due to the backwardness of pre-revolutionary Cuba and the savage pressure of American imperialism.

In light of the truth, I find there is great validity for the Fair Play For Cuba Committee. Therefore, Mr. Jeans and Mr. Stephens, I challenge both of you or one of you to a public debate on the Cuban Revolution, Fair Play, and Fidel Castro. This time, Mr. Jeans, I hope that you will agree to a public debate, not hiding within the four walls of the editorial office of the Daily Californian.

Remylet, 11/8/61.

I. RECOMMENDATION

I recommend that authority be granted to increase payments to the above informant of up to $65 per month for services plus up to $35 per month for expenses occurred for a period of four months effective 3/15/62.

II. RESIDENCE AND EMPLOYMENT

No change.

III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

Informant is currently a member of the Bay Area Young Socialist Alliance (YSA). He has been invited to join the Socialist Workers Party (SWP), but is holding this invitation in abeyance due to his employment by the State of California and the fact that he feels at this time that his name should not appear on public mailing lists which might come to the attention of California State authorities. Informant is well respected by all members of the YSA and they have allowed him to sit in on several YSA Executive Committee meetings.

IV. SUMMARY OF INFORMATION FURNISHED

Informant continues to furnish considerable information concerning the roles played by the SWP and YSA in local student matters at the University of California, Berkeley. Most recently he advised that the YSA held an Executive Committee meeting, which he attended on 2/20/62 at YSA Headquarters, 1941

Oregon Street, Berkeley, California, to discuss plans for the formation of a picket line to demonstrate against the appearance of President JOHN F. KENNEDY at the University of California, scheduled for 3/23/62. The Berkeley YSA, through its members in SLATE, University of California off-campus political group, expects to coordinate the demonstration and secure the efforts of all liberal student peace groups. The picketing is to be predicated on the basis that President KENNEDY has not lived up to campaign promises on civil rights, efforts to achieve peace, and U.S. relations with Cuba.

Informant on 12/21/61 furnished the names of delegates to the National Convention of the YSA held in Chicago, Illinois, 12/29-31/61. This enabled San Francisco to advise Chicago prior to their arrival.

Informant is a close personal friend of EDWARD MELLOR, aka., TED, who was elected to the National Committee of the YSA at the Chicago Convention and who left Berkeley, California, recently to take up his duties as a member of the National Committee in New York, New York. Informant corresponds personally with MELLOR to keepabreast with National YSA policy.

Informant advised on 2/21/62 of three new members recruited into the YSA, two of whom are freshmen at the University of California, Berkeley. In addition to furnishing information concerning SWP, YSA and SLATE, he has also furnished a considerable amount of material regarding the Fair Play for Cuba Committee and the Committee to Aid the Monroe Defendants.

V. AMOUNTS PAID

Period	Services	Expenses
11/15/61 - 12/8/61	$50	$35
12/15/61 - 1/15/62	$50	$35
1/15/62 - 2/15/62	$50	$35
Total	$150	$105

AOKI2-413

It should be noted that informant's expenses exceeded $35 for each of the above periods.

VI. TYPES OF MEETINGS ATTENDED

This informant has attended the following meetings through February 18, 1962:

SWP Functions	3
YSA Membership Meetings	12
YSA Executive Committee Meetings	3
Joint Bay Area YSA Meetings	1
YSA Socials	2

VII. REPORTS SUBMITTED

Informant has submitted thorough, concise and complete reports, usually typewritten by him, as well as literature and leaflets distributed through the above organizations:

Oral Reports Submitted	16
Written Reports Submitted	16

VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

In view of the Bureau's responsibility in the security field, it is imperative that the YSA and SWP be given extensive coverage in view of their efforts to recruit students at the University of California at Berkeley. Especially important is this coverage, since it is likely that these students in a very short period of time will go out into the business world and probably attempt to secure employment with a Government

AOKI2-414

agency or contractor which has Government contract under AEC. Additional information of unusual value furnished by informant was set out under Section IV, where it was reported that he advised concerning formation of picket line when President KENNEDY appears at the University of California, 3/23/62; delegates to the YSA National Convention in December 1961; and recently furnished names of three new recruits who were voted into the YSA.

IX. APPROXIMATE NUMBER OF PERSONS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE

Approximately 75 persons reported on by this informant, which include Security Index subjects such as PAUL MONTAUK, SWP organizer, San Francisco East Bay Area; JIM PETRAS, YSA organizer and SWP member, and TED MELLOR, member of the National Executive Committee of the YSA, in addition to various other SWP members and 21 members of the YSA in Berkeley, California, including YSA Executive Committee members.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

This informant is being closely guided and controled in an effort to advance him in the eyes of the officials of the SWP and YSA. Informant advised on 2/20/62 that since 2/3/62, he spent approximately 19 hours attending forums, classes and business and executive meetings of the YSA. In addition, more than 23 hours were devoted to studying LENIN and Marxist theory, social functions and visiting with various members at their residences. As mentioned in referenced letter, informant makes his automobile available to various SWP functionaries, as well as his apartment, which he maintains himself. Both have placed the informant in difficult financial straits, but he is willing to pay additional expenses in order to advance in the SWP movement. JIM PETRAS, SWP member and organizer of the YSA, continues to praise the informant for his work in the YSA and has given the informant several assignments, such as contacting potential members to encourage them to join the YSA.

AOKI2-415

SF 134-1929
BT:rap

Informant was contacted by three SWP members who are active in the YSA in December 1961, and was invited to join the SWP. Informant is holding this offer in abeyance because he feels that his place of service at this time is the YSA and that he wants to be better indoctrinated along the line of SWP philosophy before moving ahead. The informant has been encouraged in view of the fact that he is the only source presently reporting on YSA activities.

XI. STABILITY AND RELIABILITY

Informant is a stable young man showing traits of maturity. He handles himself as an intelligent, trustworthy individual. No personal weaknesses have been noted. Considerable time is being spent with the informant in order that every area of his personal life might be discussed in an effort to preclude any situations from occurring which might be embarrassing to the Bureau.

XII. INDOCTRINATION AGAINST DISCLOSURE

This informant continues to be closely controled and constantly reminded of his position as an informant and that his relationship with this Bureau must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMATION FURNISHED

All information furnished by this informant has been appropriately disseminated in the San Francisco Office files.

IVX. MISCELLANEOUS

There are no additional matters concerning the informant's operation which should be brought to the Bureau's attention.

OFFICE MEMORANDUM -
U. S. GOVERNMENT

TO: ALL 134 FILES DATE: 6/19/62

FROM: SUPV. HARRY F. CLIFFORD, JR.

RE: UTILIZATION OF SECURITY INFORMANTS AND
POTENTIAL SECURITY INFORMANTS AS WITNESSES

SF-2496-S

At the Internal Security-Espionage Conference held in May, 1962, the various Bureau officials involved made it quite plain and indicated that no Agent handling security informants or potential security informants should have any doubt about it that EVERY SECURITY INFORMANT AND POTENTIAL SECURITY INFORMANT IS A POTENTIAL WITNESS.

They pointed out that this has been the continuous Bureau policy since the first Smith Act cases in 1948 and it has been reiterated over and over again at Security In-Service, Security Informant Conferences and other conferences ever since that time. It is the current Bureau policy that every security informant and potential security informant is potentially a Government witness and HE MUST NOT ONLY UNDERSTAND BUT MUST BE AGREEABLE TO THIS FACT.

They pointed out that in the case where many years ago an informant was developed and certain promises might have been made to him by the developing Agent, such promises are no longer binding on the Bureau and the Agent currently handling the informant is duty bound TO SO EDUCATE THE INFORMANT THAT HE WILL BE A WILLING WITNESS WHEN CALLED UPON BY THE GOVERNMENT.

The Agent to whom this case is assigned should certify that he is taking the appropriate action with regard to the informant or potential informant concerned.

* * *

I understand the Bureau's policy and I am educating the informant so that when he may be eventually called upon he will be willing to be a Government witness.
