IV. SUMMARY OF INFORMATION FURNISHED

During the past four months, informant has furnished a great deal of information concerning the activities of the SWP, YSA, SLATE, and the Berkeley Chapter of CORE.

Prior to the House Committee on Un-American Activities (HCUA) hearings in Los Angeles, California, 4/24-27/62 this informant was able to keep the San Francisco Office advised of YSA efforts to send demonstrators to oppose the HCUA hearings. This information was furnished the Bureau and Los Angeles Office.

On 4/17/62 this informant furnished the names of three persons planning to attend the Eighth World Youth Festival, Helsinki, Finland, during the Summer of 1962. He has followed the activities of these persons, all of whom are SWP members and advised of the departure recently of two of these persons and furnished their proposed itinerary.

This informant was recently very helpful in communist infiltration of the Congress of Racial Equality (CORE), Berkeley Chapter, and continues to be of assistance in this matter.

Informant continues to be a close personal friend of TED MELLOR, aka Ed, presently serving on the National Committee of the YSA in New York, New York. Informant corresponds with MELLOR regularly and on one occasion called him long distance.

VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

It is felt that the greatest value which might be placed on this informant at the present time is the information he is furnishing concerning efforts of the YSA and the SWP to recruit students at the University of California (UC), Berkeley. Within a very short time these students will be seeking employment in the business world and should they locate employment with the Government or contractors which are doing Government work it would be particularly important for this Bureau to be in a

AOKI2-435

position to furnish Government agencies with any previous subversive activity.

The informant is in a position and has started furnishing this office with the official minutes of the YSA, Berkeley, Executive Committee. He is also furnishing a running membership and officer list for this YSA Chapter.

In addition, he has furnished activity of twenty-seven members of the YSA in Berkeley.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

Every possible effort is being made to closely supervise, direct, and control this informant so that he might continue to advance in the YSA and to gain membership in the SWP. The informant has been advised by various SWP members that the Oakland-Berkeley Branch of the SWP considers him to be the best material they have in the YSA and that they are looking forward to working with him in the SWP.

Informant advised on 6/7/62 that since 5/26/62 he has spent more than thirteen hours in attending YSA meetings and approximately twenty-seven hours was devoted to YSA assignments which made a total of forty hours for that pay period. Considerable time is being spent with the informant in order that every area of his personal life might be discussed to preclude any situation from occurring which might be embarrassing to the Bureau.

XII. INDOCTRINATION AGAINST DISCLOSURE

This informant continues to be closely controlled and constantly reminded of his position as an informant and that his relationship with this Bureau must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMATION FURNISHED

All information furnished by this informant has been appropriately disseminated.

XIV. MISCELLANEOUS

The informant, upon request of Berkeley Chapter, YSA, compiled a basic reading list which is being recommended to all members of the Chapter. ReBulet 6/25/62.

Authority is requested to make a special payment to Informant in the amount of $125.00. This is to afford the Informant an opportunity to attend the West Coast Vacation School sponsored by the SWP 9/1-9/62 at Big Bear Lake, California. It is deemed desirable to make this payment on or about 8/27/62, which is the week prior to his proposed departure.

A request is being submitted at this time so that if approved, Informant will have the necessary time to make arrangements for leave from his employment. Any such request is supposed to be made four weeks in advance.

Informant has advised those persons urging him to attend the school that he is very anxious to go and will do so if the necessary leave might be obtained and financial arrangements worked out.

The exact nature of expenses expected to be incurred are as follows:

Registration, which includes room and board 9/1-9/62 at the school----------$58.00

Mileage - Berkeley, Calif. to Big Bear Lake, Calif. and return. 960 miles at 9¢ per mile---$86.40

Meals while traveling----------$12.00

this has been discussed with the Informant along with the fact that his expenses must be kept to a bare minimum.

On several occasions, the Informant has been questioned whether his economic situation would warrant his expenditure of such funds in the eyes of the YSA and/or SWP leadership. The Informant maintains that this is no problem because in reality he does not have very much money to spend at any time. His salary as a mail clerk at the State Department of Health plus what he is paid by this Bureau is all the income he has. This total amount barely enables him to maintain a small apartment in a low rent housing area and operate a second-hand 1956 Ford, which is in need of repair.

The Informant contends that he is satisfied with his situation because he feels that his services are in the best interests of his country and that whatever service he is able to perform for this Bureau, he only expects a small amount of remuneration.

It is felt that the Informant should attend this school in order that he will be of more service to the Bureau. At the present time he is serving on the Executive Committee of the Berkeley YSA and is being groomed by SWP members Oakland-Berkeley Branch for membership in the SWP. The organizer of this branch has requested the Informant to make application for membership in the SWP in the near future. Attendance at this school would afford the Informant an opportunity to make the acquaintance of SWP national leaders and would enhance his position in the eyes of SWP leadership.

I. RECOMMENDATION

It is recommended that authority be granted to continue payments to the above informant of up to $65.00 per month for services, plus up to $35.00 a month for expenses incurred during the period of four months effective 11/15/62.

II. RESIDENCE AND EMPLOYMENT

No change.

III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

Informant is serving as Recording Secretary, an elective office of the Berkeley, California, Chapter of the Young Socialist Alliance (YSA) and on 10/23/62 furnished a complete list of chapter officers and members which total 29. He has a standing invitation to join the Oakland-Berkeley Branch of the Socialist Workers Party (SWP) and is being continually urged by numerous individuals of that branch to apply for membership. In discussing this with the informant, it is believed that he is holding this invitation in abeyance for two reasons: 1. He has been instructed to remain in a position to furnish information on the Berkeley Chapter of the YSA in view of the fact that he is the only source currently active in that chapter; and 2. He is an employee of the State of California and once he joins the SWP he feels that this is in violation of the State Loyalty Oath since the SWP has been designated by the Attorney General of the United States as a subversive organization, whereas the YSA has not been so designated.

IV. SUMMARY OF INFORMATION FURNISHED

During the past four months informant has furnished considerable information relative to the activities of the SWP and YSA, along with information concerning SLATE and the Afro American Association.

Informant attended the West Coast Vacation School (WCVS) 9/1-9/62 at Big Bear Lake, California, which was conducted under the auspices of the SWP. He not only gave a complete report on the school, but identified approximately thirty individuals who were in attendance.

This informant has been extremely helpful during the current Cuban crisis in identifying persons from the YSA and SWP who have been most active in opposing President KENNEDY's action in the Caribbean.

The informant maintains close personal contact with PAUL MONTAUK, Organizer, Oakland-Berkeley Chapter, SWP, and JIM PETERSON, Chairman of the San Francisco Chapter YSA. He also continues to correspond with TED MELLOR, presently serving on the National Committee of the YSA, New York, New York.

VIII. INFORMATION FURNISHED OF UNUSUAL VALUE

It is felt that the greatest value which might be placed on this informant at the present time is the information he is currently furnishing relative to efforts on the part of the SWP and YSA to oppose the action of President KENNEDY during the Cuban crisis. In addition to this, it is felt that information the informant is furnishing concerning efforts on the part of the YSA to recruit students at the University of California, Berkeley, is of the utmost importance.

The report that the informant furnished concerning the WCVS, 9/1-9/62, gave a very detailed account of the program which the SWP presented as well as identifying 30 persons who were in attendance. The informant gave a report on the Bay Area YSA Joint Conference which was held 8/18/62 at Oakland, California wherein he identified 22 persons who were in attendance.

ACTION:

[redacted] orally furnished the writer on 9/19/62 the following information regarding individuals in attendance at the WCVS:

HALKET ALLEN is reported to be a contact of NICK (LNU) from Vancouver B.C. and KEN ORCHARD from Vancouver. NICK (LNU) and ORCHARD reportedly met ALLEN and his parents while touring Latin America. ALLEN was permitted to return to the United States with NICK (LNU) and ORCHARD and has been converted to the Socialist cause by these individuals. [redacted] could not give any additional information regarding ALLEN's parents and does not know if they are aware of his conversion to Socialism. ALLEN is currently a member of the Young Socialist Alliance (YSA) in Los Angeles and is the YSA representative to the LSL-SWP Executive Committee though he is not a member of the SWP as of September, 1962. b7D

[redacted] described ALLEN as follows: White, male, American; 17 years of age; 5'9" - 10"; 180-190 pounds, fat build; medium brown hair worn long; brown eyes; fair complexion; usually wears tennis shoes without socks; residence address unknown; is expected to enter Los Angeles City College in the Spring 1963 semester. Denver and San Diego areas. He is currently considered to be only a contact of the LAL-SWP.

GINGER SNIPES is described as a white, female, American; 26 years of age; 5'4" - 5'6"; 110-120 pounds; blue eyes; red hair; fair complexion; attractive; appears to be quite stupid; is believed to have recently married VON SNIPES; resides at same address as SNIPES mentioned above. DATE 07-26-2012 BY 65179 DMH/SIW

Memorandum

TO : SAC, San Francisco (134-1929) DATE: November 8, 1962

FROM : Director, FBI (134-10010)

SUBJECT: SF 2496-S

Reurlet dated 10-29-62.

A review of referenced letter and the Bureau file shows that you have paid this informant the maximum for expenses since 11-15-61. On the other hand, payments to him for services rendered have constantly been below the maximum authorized. It is unusual for the expenses incurred by the informant to amount to $35 each month. It is possible he has sustained expenses beyond that authorized and has willingly absorbed them. The Bureau does not intend to have the informant pay expenses out of money given to him for services or out of his own pocket.

Bureau authority is, therefore, granted to pay SF 2496-S at the rate of up to $55 per month for services rendered and up to $45 per month for expenses actually incurred. This authority is effective 11-15-62 for a period of four months. You will note that this authorization decreases payments for services in the amount of $10 per month but increases by $10 per month payments for expenses actually incurred.

Hereafter expense payments to this informant should not be set forth in round figures in your justification letters but should show total amount of expenses actually incurred by him. If his expenses at any time exceed the allowable amount, the Bureau should be advised and authorization to pay the excess obtained. Your letter requesting this should thoroughly explain the reason for the excess amount.

[redacted] b7D at which point the Socialist Worker's Party candidate for the U.S. Senate, Mrs. James, was making her statement of policy. This was followed by a talk on how the SWP in the U.S. Senate could achieve peace. That is, since the vast industrial-military complex could not be stopped by normal means within our present structure of communication between citizen and government representative, i.e. the citizens being the "workers" and the representatives the "tools of the capitalist", the only way to true peace would be to take the profit out of war with a 100% "war profits tax" and eventually take the power of industry to make war away from the capitalist and give it back to the people. Once the "people" have the powers to make war, there will be no war. etc.

An unimportant but interesting point was when she began to tell us of her last days in Cuba and speaking with the Cuban people. When she reached the point that the Cubans wished them luck and success with their revolution in the U.S.A., and when she quoted a Cuban saying "When this happens you too will have true democracy like we have now in Cuba"--Mrs. James was crying. She wiped her tears and shortly afterward went into the question period. Most, after this display, were only giving sympathetic response. She told the audience she wuold have to decline going to the coffee hour held later at 2444 Bowditch because she had to go home and take care of a small child.

The only person in charge was Petris. There were (sic) about 65 in attendance including Richard Aoki, Brian Shannon and a John Bolio b7D

The theme of their coming street meeting will be a critique of the Gov. Brown administration. It seems as though the noon street meeting held on Friday noons at the U.C. campus may become a regular event.

Next week the YSA forum will be in conjunction with the Afro-American Association in that two A .A. members will participate in a discussion with two YSA members on the subject "The Black Man in America".

During the last several weeks the members of SLATE have been working on either the Citizens for O'Connel Commitee or the Vote No on Prop. 24 Committee and therefore have had no or little activity as an official body of SLATE, therefore no SLATE meetings.

Sincerely,

25 October 62

October 25, 1962. (8:00 - 10:00)P.M.

Stiles Hall, Bancroft at Dana, Berkeley, California

Originally planned as a YSA meeting for discussing protest action against the President (U.S.) in general, it was due to the international situation that the purpose of the meeting on this night was changed to organize and plan the protest action of "The East Bay Committee for Protest Against the Blockade of Cuba"

In charge: Marv Garson, Chairman.

Presummary of points of information:

a) A protest action of rather considerable size will commense in Union Square, San Francisco at 11:00 am., Saterday October 27.

b) A smaller protest will be demonstrated Wednesday October 24.

c) Groups participating in the Saterday demonstration include:
Veterens for Peace
Women for Peace
CNVA
YPSL
YSA
Socialist Party
Socialist Worker's Party
Berkeley and San Francisco chapters of Anarchists
Five chapters of Fair Play for Cuba
A requested but unconfirmed support of CORE chapters

d) A proposal to send wires to various Neutral Nations of the world encouraging their condemnation of "American Aggression".

e) The headquaters of this East Bay Commitee will be 2245 Dwight Way, but most of the physical work (sign painting party etc.) may be accomplished in the parking lot under the Student Union this Thurs.

Starting almost exactly at the planned hour with over 150 people in the room the meeting got off to a fast start. There was a feeling of tension and urgency that tended to scatter the purpose and slow down the progress of the meeting, the chairman (Garson) did a good job of sharply cutting off debate of anything that was not immediately pertinent to the purpose of the meeting. This was no small problem due to the fact that there was a cross section of various factions that could have caused enough inner conflict that may have undermined the progress of the meeting. This was not the case however. They organized quickly into committees through the guidence of Garson, Brian Shannon, James Petris and SLATE's Sue Kaiser who was responsible for drafting

the content of the leaflets that will be used to recruit members to the October 27th protest in San Francisco. Although Sue Kaiser played a rather helpful part in the informal "steering committee" that worked hard to keep the group as a whole on the track (referring to the numerous times when someone would get up and start speaking in protest of the Blackade but would be getting off on a tangent as to making suggestions for immediate protest action), there was no indication of what offical part if any SLATE would play.

Organization took on the part of committee delegated responsibility as well as authority. In this way they were able to get past a lot of details by having them worked out by the responsible committee, refferring all further questions to this or that committee and advance rapidly to the next issue. First the committee for drafting the wording of the leaflets that will be passed out to other schools of the East Bay with special mention going to Oakland City College. The term "schools" applies mainly to colleges and city colleges but a few of Berkeley's high schools will also be approached. The publicity committee who's final action is known only to themselves will in addition to setting up posters calling for individual protest en masse, may try also to use the facilities of KPFA and approaching members of the U.C. faculty to sponser a $250.00 add in the western branch of the New York Times.

Transportation will be mainly in the form of car pools leaving from Berkeley Saterday morning. Also there is consideration of the proposal for chartering a bus. A seperate committee is arranging this.

Other college campuses will be visited by speakers to request support for the Union Square Demonstration by the "Speakers Committee".

And there is the coordination committee for coordination with the San Francisco demonstration groups.

A question was put to the floor asking if there would be an attempt to refrain from any violence. This was answered with "yes, always". Another question and then a proposal that pregnent women and women with small children stay away from this Saterday demonstration should there be any violence. Another question was made to the floor and then a proposal that there should be a "plan of action" should there be any violence by "hostile elements". No vote was taken on this but Garson said that he thought that it was a good idea. This proposal like many others was not discussed in detail. It would seem that it may be possible that such a "plan of action" may be concieved by the group and later passed among the members on the day of the protest.

In the initial stages of the meeting when cutting through inter group conflicts for solidarity, it was agreed that rather than allienate any group or individuals by restricting what was to be said on the signs, it was better to have "anything goes" except obscenity. "Print anything! Just so long as you demonstrate!"

Richard Aoki was also there. He seemed to be looking over the shoulders of people (just 2 or 3) who were taking notes. I spoke to him, he pointed out to me the two plainclothes policemen of Berkeley that were monitering the meeting.

ASHER HARER was the first person to speak, stating that PAUL BORAN of Palo Alto suffered a bad heart attack and would not be able to chair tonights meeting, however ALEXANDER SAXTON would take over the chairman's job. SAXTON was late in arriving at the hall because he had to pick up WILLIAM WORTHY.

SAXTON stated that the FPCC would have a distinguished panel of speakers discussing Latin America, the socialist countries and the Government ban to travel to China and Cuba.

MARJORIE MORRAY, one of the first speakers, who is the wife of a Stanford professor, told of her family experiences in Cuba during 1960 and 1961. Mrs. MORRAY was a supervisor for English teachers in Cuba. She also told how her husband was engaged in research at the University of Havana. She believed that the U. S. State Department policy on Cuba is bad because it holds up the good relationships between the two countries which they very well could have.

Mrs. MORRAY also made a pitch for the Bay Area medical aid to Cuba. There is a shortage in medical supplies in Cuba. She requested people to send contributions to the Medical Aid Committee, 2963 Magnolia Avenue, Berkeley 5, California.

ASHER HARER stated that STERLING HAYDEN was in New York completing a book he has just written reviewing it with publishers and would not be able to be here tonight. Instead Mr. HAYDEN sent a special delivery letter which ASHER read. ASHER stated that STERLING HAYDEN, who is an actore, is also a writer. HAYDEN supports the Cuban Revolution and as usual attacked President KENNEDY's past blockade of Cuba.

FPCC sponsored meeting at 12/13/62
California Hall, Polk and Turk Streets,
San Francisco, California 12/7/62

ASHER HARER made a pitch for funds and stated that they have to have $00 to pay WILLIAM WORTHY's expenses.

Dr. CARLTON GOODLET spoke briefly on his trip to Sweden and Moscow where he attended the World Peace Congress. His talk concerned mainly the need for peace for all nations and raising the cultural level of Negroid people throughout the world. GOODLET felt bad this evening because his discussion had no connection with Cuba or WILLIAM WORTHY.

WILLIAM WORTHY came to the platform and stated that this meeting is the second largest FPCC meeting he had attended in the United States. Back in Harlem he presented a talk on Cuba and the audience was told even before the meeting by the Police Department not to support the FPCC with money. However; the money did roll in three times the amount than that originally expected from poor Negroes. WORTHY supports the Cuban Revolution, but did not support President KENNEDY's blockade of Cuba.

WORTHY worked for an Afro-American newspaper in Baltimore and was recently sentenced last September for three months in a Federal prison for coming into the United States without a passport. WORTHY originally lost his passport when he went to Red China some months ago. WORTHY believes that the CIA is involved in every trouble spot the world over, particularly when communism enters into the picture.

WORTHY branded the United States Government as an imperialist nation out to undermine the Latin American countries from all of their natural resources. WORTHY believes that the Belgian Congo is the place where TSHOMBE will head the government which favors capitalism. Cuba is a small country. When you look upon the map to find it you sometimes have to look twice, yet this Latin American country is showing the rest of the world what socialism can produce without the help of imperialist countries.

Remylet, 10/29/62 and Bureau letter dated 11/8/62.

I. RECOMMENDATION

It is recommended that authority be granted to pay SF 2496-S at the rate of up to $85 per month for services rendered and up to $45 per month for expenses actually incurred. This authority is requested for a period of four months effective 3/15/63.

II. RESIDENCE AND EMPLOYMENT

No change.

III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS

The informant is a member of the Young Socialist Alliance (YSA) at Berkeley, California. He is currently attending membership meetings of the Oakland-Berkeley Branch SWP on a probationary period which commenced in December 1962. It is anticipated that this probationary period will conclude within the next two weeks at which time informant will be admitted as a member. Informant explained that his chief reservation against joining the SWP has been the fact that he is an employee of the State of California and such membership will be in violation of the State Loyalty Oath; however, the informant feels at this time that in order to be more effective he is willing to join the SWP. He feels that after several conferences with the organizer of the branch that once he is admitted he will be assigned to youth work and this will afford him an opportunity to continue in the YSA.

IV. SUMMARY OF INFORMATION FURNISHED

SF 2496-S furnished a lengthy political statement compiled by the Berkeley Chapter of the YSA which set forth nine points on which their program is based. The informant also furnished a

suggested reading list which listed various books on Marxism dealing with six different phases of Marxists philosophy. This informant identified a considerable number of persons who were photographed during a picket demonstration at the Subversive Activities Control Board meeting, San Francisco, California, 11/13/62. Informant also identified from photographs a large number of persons from the SWP, YSA and CP who participated in a peace rally held in the San Francisco Civic Center Plaza 10/24/62 protesting the blockade of Cuba. LEROY MC RAE, National Organizational Secretary of the YSA recently completeted a tour of the San Francisco Bay Area. The informant was the coordinator for this tour and maintained a close contact with MC RAE while he was in the Bay Area. He also continues to maintain close personal contact with PAUL MONTAUK, Organizer, Oakland-Berkeley Branch, SWP; ROSE JERSAWITZ, Organizer and Chairman of the Berkeley YSA. In addition to the above, informant furnishes considerable information relative to the activities of the Berkeley YSA, Oakland-Berkeley Branch SWP, Fair Play for Cuba Committee and the Student Non-violent Coordinating Committee.

VIII. INFORMANT FURNISHED OF UNUSUAL VALUE

Through informant's attendance at the Bay Area Joint YSA meetings he has been able to furnish information concerning the San Francisco YSA its proposed program as well as activities of its leadership. Informant, who is taking one evening class at Oakland City College, Oakland, California, has been able to use this in order for the YSA and SWP leadership to keep him informed of their plans to recruit students at Oakland City College. This SWP leadership feels that Oakland City College has more students from labor families than the University of California at Berkeley in view of the fact that there is no tuition at Oakland City College and they feel that these students might be better reached with their message. The informant continues to furnish information concerning efforts of the YSA to recruit students at the University of California at Berkeley and identify these students through his position as recording secretary of the Berkeley YSA.

IX. APPROXIMATE NUMBER OF PERSONS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE

The informant reports on approximately 75 security subjects including RAYMOND SPARROW, Organizer, San Francisch Branch SWP; PAUL MONTAUK, Organizer, Oakland-Berkeley Branch SWP; ROSE JERSAWITZ, Chairman and Organizer, Berkeley YSA; JIM PETERSON, Chairman and Organizer, San Francisco YSA. He also continues to correspond with TED MELLOR a member of the National Committee of the YSA, New York, New York.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT

Informant has been cautioned to cultivate personal friendship with PAUL MONTAUK, Organizer, Oakland-Berkeley Branch SWP along with other leaders of the branch. He also has been instructed to support the SWP in every way possible in his YSA activities. This has proven to be very important recently in view of the fact

AOKI2-557

that a factional dispute disrupted at the Berkeley YSA which precipitated action by the SWP leadership in which approximately nine members of the YSA were asked to resign because they had not supported the SWP. At the present time informant is serving a probationary period in the SWP expecting to be taken in as a member within the next two weeks.

XI. STABILITY AND RELIABILITY

The informant has exhibited no signs of instability or unreliability. He appears to be a very mature individual with a keen mind and very alert. He has never indicated any type of personal weakness. Considerable time is being spent with the informant in order that his personal activities might be discussed to avoid any situation from occurring which might embarrass the Bureau.

XII. INDOCTRINATION AGAINST DISCLOSURE

The informant continues to be closely controlled and continually reminded of his position as an informant and that this relationship with the Bureau must remain absolutely confidential.

XIII. ACTION TAKEN ON INFORMANT FURNISHED

This information has been appropriately desseminated.

XV. MISCELLANEOUS

The informant has been requested by leaders of the Oakland-Berkeley Branch SWP to share an apartment with MARK SIPOREN, a member of the Berkeley YSA. Informant was told that the branch would like to draw SIPOREN in a little closer and prepare him for membership in the SWP. The informant was selected as a person who might best accomplish this. The informant has been cautioned that he must be extremely careful in this relationship with SIPOREN in order that SIPOREN might in no way suspect informant's connection with the FBI.

To: ALL REGULARLY PAID SECURITY INFORMANTS, PSIs AND SOURCES (134-1929)

Date: 4/5/63

From: SUPV. ~~HARRY~~ F. CLIFFORD, JR.

Subject: WITHHOLDING FEDERAL INCOME TAX ON PAYMENTS FOR SERVICES

SF-2496-6

The Bureau has worked out a system for withholding federal income tax payments in the amount of 20% for certain security informants, PSIs, and sources who are regularly paid with Bureau authority.

Note well that this system DOES NOT apply to the following:

(1) To other than security informants and sources

(2) For reimbursement of expenses

(3) Under the authority of the SAC

(4) To informants who have been able to report Bureau income on their Federal tax returns without jeopardizing their security or without challenge from IRS. In the latter instance, the Bureau must be advised as to the identity of each informant and the method used by him to report his Bureau income.

The way this system works is that 20% of payment for services is to be withheld by this Office and deposited in a special account. Since one-fourth of the year has already passed, for the next nine months 25% rather than 20% will be deducted in payments for services. Agents handling regularly paid informants who are not excepted from this program should take the following steps beginning with any payments for services during April (payments made at end of April or first part of May):

(1) Notify Confidential Fund Clerk [redacted] how much money they want
   (a) For expenses (itemize)
   (b) For services
   (c) What is 25% (1/4) of amount requested for services. For example, if Agent wants $100.00 for services he would show $100.00 under b. and $25.00 under c.

b6
b7C

(2) [redacted] will then make out the receipts and other necessary forms. The new receipt will show right on it that so much is being paid for expenses, so much for services, of which so much has been deducted for federal income tax withholding.

(3) [redacted] will then draw a check for the total amount and either give or send it to the Agent.

AOKI2-564

(4) The Agent will cash the check.

b6
b7C

(5) The Agent will pay the informant the total amount for expenses and 75% of the total amount for services, withholding the 25%.

(6) The Agent will return to [redacted] by cash, check, or money order, the 25%.

(7) [redacted] will then deposit that 25% in a special account.

Under this system at the end of the year the Agent handling the informant will obtain from him his completed federal income tax return based upon his regular employment and income exclusive of the amounts paid to him by the Bureau for services. The Agent will not question the accuracy of the return. Either the Agent himself or a Special Agent Accountant will figure what tax bracket the informant's total income (regular employment, plus payments for services) puts him in and the accountant will compute the tax owed by the informant on the combined earnings. The accountant will then prepare a supplemental return which will be handled in accord with SAC Letter 63-E, the details of which will be reviewed at the end of the year by the various Agents concerned and the accountants concerned.

Each Agent receiving a copy of this memorandum should fill in one of the following blocks:

(1) This informant or source comes under this program and the Bureau should be so notified by Security Informant Clerk [redacted] b6 b7C in one overall letter which will include this informant: ✓

(2) This informant or source comes within one of the four exceptions to the program and a letter has been prepared on this source advising the Bureau how this informant reports his Bureau income. _____

THIS IS A COMPLICATED SYSTEM AND WE SEEK YOUR WHOLEHEARTED COOPERATION AND PROMPTNESS IN CARRYING OUT THESE INSTRUCTIONS.

Remylet 10/28/64.

I. RECOMMENDATION:

It is recommended that authority be continued to pay SF 2496-S at the rate of up to $150.00 a month for services and up to $45.00 a month for expenses actually incurred. Informant presently has limited contact with SWP members, due to the fact that he is working nights and attending school during the day. Until such time as he is able to resume full activities, he will be paid on a C.O.D. basis only for information of value that he furnishes. This amount is requested for a period of 4 months, effective 1/15/65.

II. RESIDENCE AND EMPLOYMENT:

Informant continues to reside at 1623 Stuart Street, Berkeley, California, and is employed by the California Ink Company, 711 Camelia Street, Berkeley, six days a week, from four p.m. until midnight. He is enrolled as an undergraduate student at Oakland City College, Oakland, California, which is now known as Merritt College.

III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS:

Informant is a member of the Oakland-Berkeley Branch of the Socialist Workers Party (OBBSWP). He is serving on the Executive Committee of the Socialist Discussion Club, a student organization at Merritt College, for the Fall Semester of 1964.

On or about 12/1/64, informant was confronted by several members of the Executive of the Berkeley Local of the Young Socialist Alliance (YSA). They explained to informant that

(3)

AOKI2-856

134-1721-239

they felt it was unfair to the other members of YSA for him to enjoy membership in the Local, yet not attend meetings. Informant explained that for several months now he has been employed from four p.m. to midnight, six days a week, which has precluded him from attending meetings. YSA members stated they were aware of this situation and the fact that he had continued to offer financial support, as well as paying his dues; however, they stated that it was ~~causing~~ the feeling among YSA members that this was not enough; that if he were dedicated to the movement he would arrange somehow to attend meetings. A bitter dispute ensued, and the informant told the YSA Executive that he would resign from the YSA.

Informant has explained that he has been confronted with a similar situation by the executive members of the OBBSWP. He said that the Branch has put him on probation because he has not been attending meetings, and he is hoping that he will not be asked to resign, because he continues to pay dues and sustainers.

IV. SUMMARY OF INFORMATION FURNISHED:

Informant, even though he is not attending meetings of the OBBSWP, has maintained contact with SWP and YSA members, and has furnished information relative to individual employment and residence.

Through informant's contacts in the Socialist Discussion Club at Merritt College, he has been able to furnish information relative to the Afro American Student Association, which is affiliated with the Revolutionary Action Movement (RAM), as well as the W.E.B. DuBois Club, Berkeley Chapter.

V. AMOUNTS PAID:

	Services	Expenses
10/15/64 - 11/15/64 -	$125.00	$30.00

VI. TYPE AND NUMBER OF MEETINGS ATTENDED:

SF 2496-S has attended no YSA or SWP meetings during the period 10/20/64, to date.

YELLOW

SF 134-1929

VII. REPORTS SUBMITTED:

Informant has submitted ~~seven~~ oral reports, and no written reports.

VIII. APPROXIMATE NUMBER OF INDIVIDUALS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE:

Informant reports on approximately 55 security subjects in the San Francisco Bay Area. These subjects are members of the YSA and/or SWP, as well as individuals who are members of the W.E.B. DuBois Clubs and the Afro American Student Association.

IX. INFORMATION FURNISHED OF UNUSUAL VALUE:

Not applicable in view of the fact that informant is unable to attend SWP or YSA meetings.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT:

Due to informant's curtailed activities because of full-time employment six days a week, as well as his taking a full course as an undergraduate student at Merritt College, no steps have been taken to advance the informant. Every effort is being made on the part of informant to keep his membership in the OBBSWP, even though he is not able to attend meetings.

Informant feels that it will be necessary for him to continue his employment for another six months. Informant has had to support himself for a number of years, and has had no family to turn to for any financial aid. He feels that his schooling should come first, because it is necessary for him

YELLOW

to obtain a degree in order that he might look forward to elevating himself in the community. Informant is eager to maintain his relationship with the Bureau and to be of any service possible.

Informant claims that he is saving a considerable amount of money, which he is earning at the present time, and after another semester at Merritt College he hopes to be able to ~~discontinue his current employment and~~ enroll at the University of California (UC), Berkeley, for his last two years of schooling. Informant feels that once he is enrolled at the UC he will be in a good position to assist the Bureau in its investigation of any subversive ~~elements attempting~~ to recruit ~~students.~~

Informant stated that in the past few months the leadership in the YSA Berkeley Local has been taken over largely by DAN and MARY ALICE STYRON. The STYRONs favor the recruitment of students from ~~the~~ UC, and are making every effort to eliminate the non-student member. They feel that the YSA in Berkeley should be a UC student movement, and that the non-student member is not helpful and is sometimes considered unattractive to students. Informant said that he feels fairly certain this is the reason that he was asked to resign from the YSA.

XI. STABILITY AND RELIABILITY:

Informant shows no sign of instability, and is believed to be completely reliable in exercising his responsibilities to the Bureau. He continues to exercise good judgment in order not to embarrass the Bureau, so far as his relationship with this organization is concerned.

XII. INDOCTRINATION AGAINST DISCLOSURE:

Informant is constantly reminded of his responsibility as an informant and the confidential nature of such a relationship.

XIII. ACTION TAKEN ON INFORMATION FURNISHED:

All information furnished by the informant has been appropriately disseminated.

XIV. MISCELLANEOUS:

None.
