PO SF 2496-S

Remylet 10/28/64.

I. Recommendation:

It is recommended that authority be continued to pay SF 2496-S at the rate of up to $150.00 a month for services and up to $45.00 a month for expenses actually incurred. Informant presently has limited contact with SWP members, due to the fact that he is working nights and attending school during the day. Until such time as he is able to resume full activities, he will be paid on a C.O.D. basis only for information of value that he furnishes. This amount is requested for a period of four months, effective 3/15/65.

II. RESIDENCE AND EMPLOYMENT:

Informant continues to reside at 1623 Stuart Street, Berkeley, California, and is employed by the California Ink Company, 711 Camelia Street, Berkeley, six days a week, from four p.m. until midnight. He is enrolled as an undergraduate student at Oakland City College, Oakland, California, which is now known as Merritt College.

III. CURRENT MEMBERSHIP IN SUBVERSIVE ORGANIZATIONS:

Informant is a member of the Oakland-Berkeley Branch of the Socialist Workers Party (OBBSWP). He is serving on the Executive Committee of the Socialist Discussion Club, a student organization at Merritt College, for the Spring Semester of 1965.

On or about 12/1/64, informant was confronted by several members of the Executive of the Berkeley Local of the Young Socialist Alliance (YSA). They explained to informant that they felt it was unfair to the other members

of YSA for him to enjoy membership in the Local, yet not attend meetings. Informant explained that for several months now he has been employed from four p.m. to midnight, six days a week, which has precluded him from attending meetings. YSA members stated that they were aware of this situation and the fact that he had continued to offer financial support, as well as paying his dues; however, they stated that it was the feeling among YSA members this was not enough; that if he were dedicated to the movement he would arrange somehow to attend meetings. A bitter dispute ensued, and the informant told the YSA Executive that he would resign from the YSA.

Informant has explained that he has been confronted with a similar situation by the executive members of the OBBSWP. He said that the Branch has put him on probation because he has not been attending meetings, and he is hoping that he will not be asked to resign, because he continues to pay dues and sustainers.

IV. SUMMARY OF INFORMATION FURNISHED:

Informant, even though he is not attending meetings of the OBBSWP, has maintained contact with SWP and YSA members, and has furnished information relative to individual employment and residence.

Through informant's contacts in the Socialist Discussion Club at Merritt College, he has been able to furnish information relative to the Afro-American Student Association, which is affiliated with the Revolutionary Action Movement (RAM), as well as the W.E.B. DuBois Club, Berkeley Chapter.

V. AMOUNTS PAID:

| | Services | Expenses |
|---|---|---|
| 10/15/64 - 11/15/64: | $125.00 | $30.00 |

VI. TYPE AND NUMBER OF MEETINGS ATTENDED:

SF 2496-S has attended no YSA or SWP meetings during the period 10/20/64, to date.

AOKI2-868

VII. REPORTS SUBMITTED:

Informant has submitted ten oral reports and no written reports.

VIII. APPROXIMATE NUMBER OF INDIVIDUALS ON WHOM INFORMANT HAS REPORTED AND THEIR IMPORTANCE:

Informant reports on approximately 55 security subjects in the San Francisco Bay Area. These subjects are members of the YSA and/or SWP, as well as individuals who are members of the W.E.B. DuBois Clubs and the Afro-American Student Association.

IX. INFORMATION FURNISHED OF UNUSUAL VALUE:

Not applicable in view of the fact that informant is unable to attend SWP or YSA meetings.

X. STEPS BEING TAKEN TO ADVANCE INFORMANT:

Due to informant's curtailed activities because of full-time employment six days a week, as well as his taking a full course as an undergraduate student at Merritt College, no steps have been taken to advance the informant. Every effort is being made on the part of informant to keep his membership in the OBBSWP, even though he is not able to attend meetings.

Informant feels that it will be necessary for him to continue his employment until May 1965. Informant has had to support himself for a number of years, and has had no family to turn to for any financial aid. He feels that his schooling should come first, because it is necessary for him to obtain a degree in order that he might look forward to elevating himself in the community. Informant is eager to maintain his relationship with the Bureau and to be of any service possible.

Informant claims that he is saving a considerable amount of money, which he is earning at the present time, and after another semester at Merritt College he hopes to be able to enroll at the University of California (UC), Berkeley, for his last two years of schooling. Informant feels that once he is enrolled at UC he will be in a good position to assist the Bureau in its investigation of any subversive organizations with contacts and/or activities on the campus.

Informant stated that in the past few months the leadership in the YSA Berkeley Local has been taken over largely by DAN and MARY ALICE STYRON. The STYRONs favor the recruitment of students from UC, and are making every effort to eliminate the non-UC student member. They feel that the YSA in Berkeley should be a UC student movement, and that the non-student member is not helpful and is sometimes considered unattractive to students. Informant said that he feels fairly certain this is the reason that he was asked to resign from the YSA.

XI. STABILITY AND RELIABILITY:

Informant shows no sign of instability, and is believed to be completely reliable in exercising his responsibilities to the Bureau. He continues to exercise good judgment in order not to embarrass the Bureau, so far as his relationship with this organization is concerned.

XII. INDOCTRINATION AGAINST DISCLOSURE:

Informant is constantly reminded of his responsibility as an informant and the confidential nature of such a relationship.

XIII. ACTION TAKEN ON INFORMATION FURNISHED:

All information furnished by the informant has been appropriately disseminated.

XIV. MISCELLANEOUS:

None.

CAROL SHELLY noted that this would be a pre-convention discussion and the reporter would be PAUL MONTAUK who would give the major viewpoint of the 33 pages of the discussion bulletin entitled "The Organizational Character of the SWP."

According to PAUL MONTAUK, the draft was adopted during the plenum discussion last January, 1965. During the years differences have developed within the Party governing democratic centralism. The SWP was founded in 1938 after a number of people had left the Socialist Party. The SWP is a revolutionary organization ever since it broke away from the Socialist Party. The SWP follows the Leninist viewpoint on the organization of the Party. The National Committeemen are CANNON, WARD, and DOBBS and they have made up a new set of organizational rules which will be discussed at the next convention. The aim of the Party is to abolish capitalism and organize America as a socialist country.

After MONTAUK's discussion, talks of ten minutes each were made by individuals on what they thought of the bulletin as reported by MONTAUK. Another round of talks of five minutes each were made followed by a 15 minute summary of them by PAUL MONTAUK.

KEN SHILMAN said that LESLIE EVANS would speak on the major viewpoints pertaining to the Negro movement in the United States as written up in the Party bulletin.

EVANS stated that the Negro movement and its revolution have not reached their peak and would have to fight much harder in order to win some of their rights, including housing, voting, employment, and education. The YSA has been instrumental in directing its publication "Young Socialist" to Negro ghettos in the South and on the East Coast. The YSA has also pushed "The Militant" newspaper in the South and it is the only socialist oriented newspaper that Negroes know about. "The Militant" has been printing up-to-date news on what is happening in the South.

EVANS also spoke about the late MALCOLM X. At present memorial meetings are being held for the late Negro leader and the audiences are predominantly Negro.

EVANS said that President JOHNSON's future in Vietnam is rather dense. The Negro people voted for JOHNSON rather than GOLDWATER because JOHNSON did not say anything about a full scale war. The two-party system in the United States exploits the working people. Today President JOHNSON is doing exactly what GOLDWATER would have done had he become President. There is a big build up of troop mobilizations in South Vietnam. JOHNSON is seeing that no new government takes over in the Dominican Republic. The teach-ins concerning Vietnam build up opposition to the imperialist war. EVANS said the SWP is predominantly a white Party and at present recruits very few Negroes into the Party. The SWP is not a Party in actuality but a revolutionary group.

There were two rounds of talks, first 10 minutes and then five minutes, for people to present short talks or short analyses of the political report and how EVANS reported on it. Later EVANS gave a summary of the report.

"July 24, 1965

"There was a joint meeting of the East Bay and San Francisco branches of the SWP at [redacted] The following b7D is the agenda of the meeting: KENT was the chairman he said that LES was going to give the majority report on the negro question. LES said "the negro movement has had its beginning with the fight for civil rights, this fight was started in Montgomery, Alabama in there it took the form of buses boycotts. to which we helped by donating money and also by donating one station wagon. As the boycotts proved to be very effective and successful, the churches of different denominations came to play a very important role in united to some extent the negro mass, specially in the South, but also as a product of this unity Reverend LUTHER KING came into the picture. Also the most militant group in this period the one organized by WILLIAMS was effective in organizing gun clubs that were isolated and very well completely. Then one find the Muslim movement come into being and trying to take over the whole movement, also the several students organizations began to play a very major role specially SNEAK with a full time cadre. In the South the movement is very well isolated and in the places where unions do exist they, the unions, are also very hostile to negros; then we have the two main doctrines in the negro movement the pacifism doctrine and the self defense one; to arm for self defense, but the basic step is to get the Federal Government to send Federal troops to the South to disperse all the ilusions the negros may have that the Government is doing all it can and will help them. ROBERT in the 1963 convention develops a thesis of the differences between the north and the south struggles; Black Nationalism is condemmed by everybody, the debate on the negro question began with the negros intelectuals writing writing in the left wing magazines and the result is that the negros are subject to a colonial state in this country, they are a nation inside the U.S. When we review nationalism we can say that its in an early state of developing, the gheto grew out of the Jim Crow period with a different kind of nationalism with no clear definition of what

AOKI2-901

institutes a negro in U.S. the negro nationalism versus the colonial separation in the countries can't be applied here, an all black organization to control all the votes in the south are using different tactics than CORE that is mixed organization with better results. The convention of '62 described the black nationalism as an empty vesel, the opresors being the opresed, the negro nationalism is an empty vesel with nothing definite, specially when they fail to put to a test the different organizationa; the Freedom movement versus the integrationist, so far no single nation wide mass movement of negros has taken form, there are thousands of thousands of negros in movement but they have not political organization, no single leadership, no political independence, they still have illusions of changes without direct social and economic changes, without a shift to the right and left; their aims in the movement can't be satisfied by the democratic party without having to make social changes.

"The muslims abstein (?) to a general direct action, the Bogalosa developments now has been a depening of the movement that WILLIAMS started here we have seen the negros organizing mass self defense movements not as in Birmingham, here in Bogalosa everything has been organize by the church, but they still face the problem of leadership, the LCSC and NAACP are losing people. KING is responsible only to the democratic party for the slow down of the negro movement, CORE has growth some and SNEAK is the vanguard of the movement, but SNEAK has devoted itself to the rural farms organizations in the South and they've by passed the big cities, but it's in the big cities were the struggle is and it's in the big cities that the struggle has to be won and now but not before SNEAK is beginning to organize the negro in self versus non violence, the muslims claim 100,000 members with a circulation of their press of 1/2 million. MALCOLM X their leader advocated self defense after his assasination the movements has turned to a more religious movement. MALCOLM X builded a mass organization but the mistake was that the leadership depended on MALCOLM X and when he was assisinated that was the end, he was assasinated just as he was

AOKI2-902

begining to build a revolutionary movement, a revolutionary party. In the west coast, the Afro-American group of WARDEN came out for separation and supported GOLDWATER because they agreed with him in that issue and accepted financial support from the extreme right group, then we have several small isolated for left group of negros. Where will they go? They've to become internationalists, support the colonial revolution, organize a political party. MALCOLM X after the split pushed for an anti-capitalism position and friendly with socialism. The weakness in the political arena is the coalition with the democratic party versus the direct action as the only means of equality, the Freedom Now party failed to get the mass of negros as oppossed to a block of opposion to the democratics, and now exact very demoralized, but it shows that it has to become a political party in order to get shape in '63 we talked about the transitional demands now it's about the organization of neighborhood defenses against white hoodlums and police violence in ghetos now being developed in Manhattan, also they have to have control of the schools, books, negro labor control of food prices all this by means of cooperation, in the north the official civil rights groups clash with the independent groups for black political control of the ghetos. MALCOLM X friendly relation with us indicated that our analysis was correct and the close collaboration with us we helped to build the freedom now party despite opositiion in the '64 elections our literature has increased in circulation among the negros in particular, we were the only ones that publized MALCOLM X pamphlet and over 1000 were sold at a rally in New York also in Mississippi. Our task is to recruit and train a negro marxist cadre and integrate it in our movement. After this a very long discussion took place and then the meeting adjourned. the following people were present at this meeting:

ReSan Francisco letter to Bureau dated 6/30/65.

SF 2496-S advised on 10/25/65 that he had contributed $100 to the SWP semi-annual fund drive for the Oakland - Berkeley SWP Branch. This informant is one of the few SWP members who is in a position to make a substantial contribution to this semi-annual drive and he stated that a substantial contribution was expected from him since he has a full-time job and has no family responsibilities.

Further, that he accepted the chairmanship of this semi-annual fund drive and in doing so he will be able to obtain a complete list and identification data of all current members of the Oakland - Berkeley SWP Branch.

Accepting the Chairmanship of this drive, plus the substantial contribution, will greatly enhance this informant's position with the SWP.

As noted in the 3/2/65 justification letter, the informant was having some difficulty with other SWP members. He has done a good job of fence-mending and now appears to be held in a very good light by the other members, otherwise they would not have offered him the chairmanship for this semi-annual fund drive.

Chairman for the meeting was MARJORIE COLVIN who announced that at the next branch meeting October 6, 1965 the branch will vote on tasks and prospectives, followed by nominations of a new Executive Committee. MARJORIE also stated that PAUL MONTAUK would present the main talk on the Berkeley Vietnam Day Committee, whose headquarters are at 2407 Fulton St., Berkeley, California.

MONTAUK presented a small memorial talk in regard to YETTA FINE who passed away in Los Angeles and who has been an active supporter of the SWP. MONTAUK spoke at length on the Vietnam Day Committee which is also holding a meeting this same night in Berkeley, discussing politics and independent political action and ideas to stop the war in Vietnam.

WEISSMAN of Berkeley had appointed a three member committee for the Vietnam Day Committee to discuss its role in politics and made it mandatory that one Trotskyist be on the committee, however, MONTAUK made a motion against WEISSMAN stating that this is sectarian. MONTAUK told the comrades this evening that to have such a three man committee in the Vietnam Day Committee would mean that the committee would fall within a few days, because the Stalinists are against the Trotskyists.

MONTAUK believed that the broader the Vietnam Day Committee, the more emphasis and impact it will have and the longer it will exist. The committee for Vietnam Day has discussed the Democratic Party and also the idea of becoming involved with it. However, the majority of the membership wants independent political action. There are some members who feel they could work in the Democratic Party because they feel they are flexible. At the present time the Vietnam Day Committee in Berkeley has $172 in their checking account. There have been as many as eleven people on its payroll at $100 per month. However, the past month about

five people have been receiving only $50 per month. The Vietnam Day Committee has collected way over $20,000 since it started.

A movie, which in reality is an art circus picture of the Berkeley campus during the demonstrations pertaining to the war cost $1,400.

The Peace Commandos is a private group within the Vietnam Day Committee which recently went to the Oakland Fairgrounds bearing"stop the war in Vietnam"on all the signboards, including the gate entering the Fairgrounds.

It is JERRY RUBIN's idea, according to MONTAUK, to have people protest all over the country October 15-16. During those two days the Oakland Supply Depot will be surrounded with sit-ins. A few of the Vietnam Day Committee people have gone so far as to figure out how much it would cost to bomb the channel going out of the Oakland Supply Depot into the ocean. Nitroglycerin was mentioned as a type of explosive, however, JERRY RUBIN, according to MONTAUK, felt that such would not end the war, but merely cripple the Vietnam Day Committee.

The Committee has both the magazine and book out now printed by Diablo Publishers. The book will be a good seller and sells for $1. Since each branch of the SWP, Cakland and San Francisco, have put up $100 to furnish their line on the Vietnam Day Committee magazine which will come out October 15-16, and if not enough of them are sold, the membership will have to make up the difference because the money is borrowed.

MONTAUK encourages all young socialists to enter into the anti-war committee because this is the only place you can have a discussion with people on the left.

KIPP DAWSON reported on the new San Francisco State College Vietnam Day Committee which was pushed onto the campus by the YSA. The Du Bois Club has done nothing until now on campus.

JIM NIXON, who formerly attended SWP branch meetings in San Francisco and is a member of the SWP is Vice President of the Associated Students at San Francisco State College.

According to KIPP, the new Vietnam Day Committee elected officers for a term of one month. Chairman of the Committee is KIPP DAWSON. Other members include DAVID CROOKS, who is not a YSA member, on the Executive Board; EUGENE ALEXANDER; STEVE CHERKOSS; STEVE MEISENBACH, who may be the brother of ROBERT MEISENBACH, who was popular during the City Hall riots here in San Francisco some time ago.

According to KIPP, any committee may have tables on campus and sell literature. Non-students are even allowed to have tables on campus.

KIPP is a student at San Francisco State College taking Business Administration and a course in Sociology. She has been working part time for a law firm in San Francisco.

KIPP read an editorial from the San Francisco State College student paper which supported the Committee's viewpoint.

At the first meeting of the Vietnam Day Committee on campus, 75 students showed up and all signed their names and stated they would participate in the four sub-committees, of which would be Finance; Publicity; Speech; Canvassing.

The San Francisco State College would not allow the Vietnam Day Committee from Berkeley to participate on campus because it would not be independent, as this committee is supposed to be separate and independent.

It is hoped that State College will have at least two delegates from the Vietnam Day Committee to attend the Vietnam Day Convention which will be held in Washington, D.C. this year during the Thanksgiving holidays. DAWSON will attend the Convention if there is enough money available for her to go.

HALKET ALLEN reported on Oakland City College which has a Vietnam Student Committee of about 20 members. The Committee has headquarters in a store front which is located across from the City College of Oakland. This office is open five hours a day. JAIMIE GOODMAN who lives in San Francisco and also is a student at Oakland City College, has been pushing the Vietnam Committee along. The Oakland Committee has meetings Monday and Wednesday nights. Oakland City College also has a free speech center called Hyde Park. This Park will be put to a test this week to see how far they can go.

The YSA has furnished the Oakland people with a pamphlet on Vietnam and this will be used to tell the history of Vietnam.

According to HALKET ALLEN, Oakland City College itself has a history because they have had the Moslems speak as well as many socialist-type speakers on the campus since the College originated.

JAIMIE GOODMAN plans to attend the Washington, D.C. convention during Thanksgiving. HALKET hopes that every YSA member east of the Rocky Mountains will attend the convention in Washington, D.C.

RICHARD AOKIE spoke on what he considered the 5th International.

The YSA faction has been working and writing letters to the liberal left people throughout the world asking support in stopping the war in Vietnam. They merely ask that letters be sent to the President of the U. S. protesting the war in Vietnam. Letters to China were finally routed through England with the help of the Du Bois Club who knew a few contacts, so stated AOKIE.

AOKIE stated he has received letters from all over the world praising the YS attitude in getting public interest aroused in order to protest the war in Vietnam. AOKIE stated he has a Venezuelan friend now in New York who will be in the Bay Area next month. AOKIE will arrange a private meeting between the friend and the SWP, who he believes has the same politics, where they will be able to ask questions pertaining to the crisis in Santo Domingo.

MANNY SUNSHINE reported that the SWP has been taking a back seat in the Vietnam Day Committee and the students are doing all the work while the adults just talk.

ANDREA reported she is coordinating Vietnam Day parade and that a Mr. LARRY LAUFLIN is the treasurer in the Vietnam Day Committee and that she is extracting the entire $200 from him in order to get the play started. This play will come off October 14, which will be a take-off for the sit-in at the Oakland Army Terminal.

PAUL MONTAUK reported that JERRY RUBIN has written Mr. M. S. ARNONI to lead marchers to the Army Terminal, however, ARNONI wrote back to the Committee that he was a victim of the Auschwitz Concentration Camp in Germany and could be deported back to Germany from the U. S. ARNONI will be at the march, but would lead it according to MONTAUK, however, RUBIN has decided that ARNONI will not lead it because they do not want him deported.

ASHER and MIKE WALKER reported that the SWP can get lost and finally accomplish nothing Partywise in this hassle that is going on within the Vietnam Day Committee.

HABER stated that during the 1940s here in San Francisco he was a member of the SWP and worked in a strike committee of the Longshore of which he was chairman. When it was all over the Party had left members and went afoul of its regular duties.

PAUL MONTAUK stated that if he had more time, he would have organized further the Vietnam Veterans (from World War II) Committee. Such people would come out for such an organization here in the Bay Area. He knows of 20 people already who would march for such an organization, including HAL VERB as an ex-military man who could get more people to join the organization, but for lack of time felt that was not a good idea to start.

According to MONTAUK, SID STAPLETON is now Editor of the Vietnam Day weekly paper and DUNCAN STEWART is his assistant. These two people are from the East Bay.

KIPP DAWSON announced that PLP is sponsoring MILT ROSEN, national president of PLP, at the Labor Temple, 2940 - 16th St., Friday, October 1.

The YSA will sell YS papers and LOUIS COBET will sell "Militants" outside the Temple.

MONTAUK reported that 100 people have been requested to speak at the five hour meeting which will be the 15th and 16th of October. From New York, CLIFTON DU BARY will come out and speak if the political climate is right and if the trip can be financed.

MONTAUK reported that the Du Bois Club is using the wrong approach by knocking on doors in the Haight-Ashbury District. He also mentioned that MARILYN GILLIGAN of Oakland stated that she was also working the whole thing wrong.

GILLIGAN said that you work within the anti-war movement because the students who come around the tables are the interested people. This week JERRY RUBIN was at a table each day getting information at UC campus in Berkeley.

MONTAUK reported that TED DENNIS, who works in the auto industry in Fremont, told him of a vote that his union membership took which was 2/3 in favor of halting the war in Vietnam.

MONTAUK announced that the East Bay Branch soon will open up new headquarters at 5704 San Pablo Avenue, Oakland.

# INTERNATIONAL PROTEST

by Richard Aoki

The United States, in agreeing to the Geneva Conference of 1954, purported to support the establishment of an independent and democratic government in South Vietnam. Instead, it fully backed seizure of power by the "provisional" Diem regime. Diem, with the U.S. government behind him, violated the Geneva agreements by refusing to hold free elections, and by persecuting the Viet Minh freedom fighters who had "liberated" Indo-China from Japan and France; Diem's dictatorship perpetuated the rape of the South Vietnamese people.

In the U.S., pro-Diem lobbies presented a false image of the situation in South Vietnam; in the rest of the world, the hope for peace in Vietnam tended to minimize Diem's dictatorship, to disregard U.S. intervention, and to consider the problem as an "internal affair".

Eventually, to combat the increasing popular support of the National Liberation Movement, the United States was forced to take overt military steps. Thus unmasked the U.S. found it necessary to justify its actions by inventing the story of an "invasion from the North". To give substance to this myth, the U.S. has been bombing North Vietnam for the past seven months. Massive preparations are taking place to send large numbers of American men and equipment to crush the struggle for self-determination by the Vietnamese people.

The war in Vietnam does not constitute "an unfortunate error" on the part of the capitalist State Department, nor is it an isolated incident.

In the past few months the International Committee of the VDC has sent hundreds of letters to foreign governments, political parties, trade unions, student organizations, peace groups and individuals, asking their support for the October 15-16 International Days of Protest. The following is a partial list of organizations which have definitely committed themselves to conduct protest demonstrations concurrent with the Days of Protest.

Japan Peace for Vietnam Committee, Japan-Vietnam Friendship

the VDC's International Call in their newspapers and magazines, circulating petitions, etc. The reason for this overwhelming response is deep-rooted.

Some of our correspondence with foreign organizations regarding the war in Vietnam graphically illustrates reasons behind the universal support of international protest against U.S. interventions. For example, the Japan Youth Committee Against War wrote to us about their struggle to "stop the ratification of the Japan Korea Treaty which has recently been reached negotiation (sic) between the two reactionary governments. It is well known that the Treaty is meant to establish NEATO (North East Asia Treaty Organization) with the U.S. government initiation..." In Uruguay, The Textile Workers' Congress appealed to us for support in their struggle against U.S. intervention. They exposed the creation of The Institute of Trade Union Education in Uruguay. The ITUE distributes its literature from the U.S. embassy, has as its headquarters the USIA office, and a U.S. embassy official holds a leading post in the Institute. In effect, they fear U.S. control of their presently independent trade unions. Incidents such as these point out that Vietnam is not the only "unfortunate error".

The war is a direct and glaring reflection of American foreign policy which is an organic outgrowth of the American system. This policy must crush national liberation movements and must also economically, politically and militarily support dictators of nations throughout the "Free World" such as South Korea, Formosa, Brazil, Haiti, Dominican Republic, Guatemala, Spain, Portugal, Saudi Arabia, Iraq, The Congo, Angola, Republic of South Africa, etc., and South Vietnam.

Revolutionary struggles for self-determination are sweeping the world against American neo-colonialism which is based upon economic exploitation, political ties with puppet governments, direct military interventions, and blatant creation of racism. Present U.S. foreign policy can only lead to a major thermo-

Japan Peace for Vietnam Committee, Japan-Vietnam Friendship Association, Japan Youth Committee Against War (a committee consisting of the youth sections of the Japan Socialist Party, SOHYO--the General Council of Labor Unions, Socialist Youth League, and other youth organizations of Japan), Union of Academic Staff and Employee Associations of Colleges and Universities in Kyushu District (Japan); Mouvement Senegalais de la Paix--a group consisting of political parties, women's movements, youth (Senegal); Student groups from the University of Morelos, Universidad Autonoma de Mexico, the Instituto Politecnico Nacional (Mexico); The Textile Workers' Union (Uruguay); British Council for Peace in Vietnam, War Resisters' League, Committee of 100, Vietnam Peace Committee (England); National Union of Teachers, National Students' Organization (France); National Committee of the Anti-Atomic March, International Movement of Reconciliation, Belgian Union for the Defense of Peace (Belgium); Socialist Action (Denmark); Internationale du Kreigsdienstgegner (W. Germany); Casa della Cultura (Italy); Comox Project, American Friends Service Committee, Women's International League for Peace and Freedom (Canada).

In addition to these definite commitments of demonstrations which will involve hundreds of thousands of people, other groups are actively showing their opposition through conducting "teach-ins", reproducing

Up to now the major role of the International Committee has consisted of disseminating information abroad and requesting support for the Oct. 15-16 Days of Protest. This initial major protest is just the beginning. From many nations, contacts have been made with groups indicating the need for continuing the anti-war struggle with a realistic long-range perspective, and at a higher political and organizational level. In essence, the war in Vietnam is an international war, and its opposition must be international.

SF 2496-S

Reurairtel dated 10/25/65.

Authority is granted to reimburse SF 2496-S a sum of $100 for expenses he incurred in making a contribution to the Socialist Workers Party (SWP) semiannual fund drive.

Although SF 2496-S' contribution has enhanced his position in the SWP to a great extent and has placed him in a position as chairman of the fund drive to obtain valuable information, impress upon him to obtain prior authorization whenever there is possibility of incurring unusual expenses. Furthermore, point out to him the risk of having suspicion cast upon him because of making a large contribution when requested to do so by the SWP.

the chairman; first she said that Paul Montock was going to speak, followed by Kip, Halcket Ritchie. Paul said: "The Vietnam day Comittee has conformed to other organizations across the country and now it's the center of all racial political organizations specially if they want to get in with the students. The Dubois club has launched in San Francisco a completing comittee called the Vietnam Comittee, not to be confused with the Vietnam Day Comittee, in Berkeley there are 2 or 3 duboisers that come in and out of the Vietnam Day Comittee but the most active of all are the old peace groups, while the Dubois have a total of 5 or 6 members active, and the old one (Dubois) are cought between Richmond and the Vietnam Day Comittee and now they have committed themselves deeper and deeper; out of the social democrats, the gypso has no participation only a few individuals to speak for them, from Draper down the line, other group as the CMVA sometimes are on top sometimes on bottom, and now they're dissapear, not anymore of the big push for civil disobedience from them. In this past period since May the comittee has raised $20,000 and also has spend it, as of yesterday there was only $172.00 left, at one time there were people working full time now there're only 6 suppose to get only $100 a month, the press bill has been running between $300-$400 a week, every body has been printing, leaf-leats on the comittee's money: the headquarters are located at 2407 Fulton St and everybody should go and visit it, and because of the Berkeley base, the comittee has national and international push, and they (the leaders)conceive to make it international after the Vietnam Day Comittee the SDS were it; but they defaulted because of internal fights and the Vietnam Day Comittee took over; the Vietnam Day

Comittee has between 50-100 full time workers, also the stearing comittee has a permanent emergency meeting going on and on; people come and go and so does the agenda, on and on. During the summer the community work was organized by the Vietnam Day Comittee, very much as the SDS fashion thats that questionaires were circulated in the community, but this kind of work we let the stationists and their friends do it, we want to work only in the existing organizations, such as civil rights, unions, Peralta community etc, etc, but by the community work as it was done it attrackted only the lower political people and this was bad because the students want support and they don't get it from this people, or this kind of work (community); most of the people who did the publicity work and community work aren't students. The Statinits wanted to capture the Vietnam Day Comittee and since they failed they tried to destroy it, sometimes by direct action sometimes by trying to cooperate and sometimes by sabotage so we've to be more concerned in the future. We've also tried to put out a magazine where 18-20 organizations were to put $100 each and out of the sales of the magazine this money was going to be refunded, but it hasn't caught on too well and unless we sell them (the magazine) we'll be out $200 (the SWP & YSA) also one of the reasons why the magazine hasn't sell is because the book "We Acuse" came out and now we'll have to sell the magazine and the book at the teach in, in Oct. 15-16.

"During the summer Jery Rubins was the head of the civil disobedience, throw your bodies in front of tanks, stop trains, climb fences etc; we don't support this kind of action, we give it a tactical consideration to the civil disobedience question, we don't support individual acts; but we do support mass civil disobedience, so we were discussing civil disobedience the comittee we were loosing ground, but then the students came back, most of them veterans of the FSM and with experience in arrests and trials and the Vietnam Day Comittee had to change the 'full protest meeting followed by Civil Disobedience', and also because of the students and

AOKI2-937

ourselves they find out that the civil rights movement and the Vietnam Day Comittee are two different things, now for the 15-16 of October there are two alternatives, one is to have a full teach-in at U.C. like the past one, the other one is to have a mass protest rally at U.C. at 9 A.M. then at 6-7 P.M. march down to the Oakland Army base and surround it and keep on having the teach-in at the base until the end; also make a call to all the other branches across the country to do the same and also overseas, as support of the demonstration here. About 100 people have been invited to speak, and we may get Debery to speak here, also we may bring Edwards from L.A. to speak. About electoral politics, everyone things that we'll have to run a condidate. Paul Avery wants to form a Freedom Democratic party, but we don't want coalition politics, neither other groups, so far there are about 3 or 4 freedom democratic parties in the east bay; the Vietnam Day Comittee has organized an election discussion; so we can decide what to do. Steve Weisman said to make a comittee of 3 one a Troskist to make recomendations, but we oposed this, we want an open discussion with the other groups this is our opportunity to get rid once and for all of the statinists and others then with Weisman opposing coalition and us in control, we should know if we run a candidate or not; the national office has told us that if we are in politics we have to join the Vietnam Day Comittee to make contact and recruiting work. The youth resolution says that every member of the Y.S. must join a war comittee, Doug says this is to build the Y.S. and the SWP thru contact work; also the youth conference over the thanksgiving weekend has been moved to Washington, D.C. and we're sending every available comrade and youth posible! -

"Next came the report by Kip on the State College of San Francisco, she said:'The Dubois club in spring tried to organized the Anti-war movement in the SF State, but when they failed, they organized the Vietnam Comittee, and launched the haught-Ashbury community work, and last saturday they called a meeting at state; but Steve Chrosky and Kip have

been authorized to organized the Vietnam Day Comittee so the first day of school we called a meeting, Rubins was supposed to speak instead the Vietnam Day Comittee send Mike Handlen to speak and he's a jerk, also Jeff Gordon spoke and Chrosky and myself and we got a list of 75 students for our mailing, and this week our first formal meeting was advertized in the front page of the school paper, all the present signed and organized four comittees, action, education, finance and publicity, the dubois had 3 people, the officers were elected for one month in a temporary basis, Kip Dawson is the chairman, Dave Cross secretary and Steve Misenback financial the collection taken was $15.00 the Y.S. maned a table from 10-2 for the Vietnam Day Comittee, then Kip read the editiorial on the school paper, and then Kip said that she believes that like in Berkeley the SF state can be organized by the 6 YSers in state!

"Next Halcket spoke he said that: 'at the City College of Oakland the state has hold the paper for two semesters, but the Vietnam Day Comittee is being organized around the editorial section in the paper; there are 5 statinists in the comittee of 16, and they want to split and organize a sub-comittee and they've rented a hall for $20.00 a month. They YSA pamphlet in Vietnam is going to be sold at OCC by the Vietnam Day Comittee; also we can sell all other Y.S. literature, 30 kids have signed up so far as active workers, and we've a sure platform for our speakers (SWP & YSA) Jimie is in the executive and it's probably that she gets elected as delegated to Washington, D.C. and also we may get support from some members of the faculty. -

"Then Ritchie spoke he said: '3 months ago the Berkeley V.D.C. (Vietnam Day Comittee) was elected to contact the rest of the world; 1100 letters were sent to including head of governments, ministers, unions, students organizations etc; etc; all over the world; from Europe the response wasn't too good; from Africa we've receive a good response from the Sengalese for Peace group; but this results not so good are because we started too late; the best responses came from Latin America but in special extra good from Japan, the comittee has 12 people.

AOKI2-939

"Then came a brief discussion then the meeting adjourned. The following people were present at the meeting:

| | | |
|---|---|---|
| "MARGIE COLVIN | PAUL MONTOCK | PAUL COLVIN |
| "MIKE WALKER | LOUISE KOVENS | HALCKET ALLEN |
| "ANDREA | SUE (Y.S. from | DUNKIN |

"Paul Montock said that so few comrades have show up because a number of comrades had to go to the meeting in Berkeley.

On November 5, 1965, [redacted] furnished the writer with the following written report concerning the ab ove documented meeting of the San Francisco Branch of the SWP:

"Nov. 5, 1965 b7D

"There was a meeting of the San Francisco and East Bay branches of the SWP, at [redacted] on [redacted] the following is the agenda of that meeting. KENT was the chairman, he said that FARREL DOBBS was going to speak first; FARREL said " that thru his trips across the country, the most aparent in impact to the administration is the activities of the Vietnam Day Committee, the demonstrations of protest against the unjust war in Vietnam across the nation has made the government take measures and notice never done before; all this has taken place in Berkeley and since we're right here in the middle of all, we must discuss some of the tactics to be used; first we disagree with the burning of draft cards, by individuals, this was an stupid movement, cheap publicity and all it did was to alert the capitalists what was coming and they passed a law right away making it (the burning of draft cards) punishable by jail and fine, this was premature and we've to avoid this kind of mistakes, also with this violence that took place with the Hell Angels last time, it's bound to happen again and it's our duty to organize defense committees ; then FARRELL went on and on telling us how they have done the same. to organize defense committees back in 1934 for the Mineapolis strike; after long talk on past glories, where FARRELL didn't say a thing, a short intermission followed, then CID spike, he said that JERRY RUGINS is for sure going to the convention in Washington, also a few CPers are begining to appear in the Vietnam Day Committee meetings, also there has been a lot of power struggle inside the committee, there was a fraction that wanted to support a democratic

candidate (I forgot the name) but was defeated because we opposed to it, in principle if nothing else. Then KIP told us how great progress they are making at State College of San Francisco; then JAINE HALCKET said that she has been elected delegate to Washington by the Oakland City College fraction, they now have 300 active members; then the discussion followed, where everybody could speak, then it adjourned, the following people were present at this meeting:

Chairman - KEN SHILMAN

KEN SHILMAN announced that FARREL DOBBS from New York would present a talk on tactics pertaining to the anti-war movement.

DOBBS stated that being the grandfather to the MONTAUK children, he felt quite confortable while living with them for a few days. He talked about the anti-war movement, stating that it all started at the University of California campus at Berkeley ending up with 15,000 people marching up the streets of Berkeley protesting the war in Vietnam. Berkeley is the nucleus of a world-wide student movement to halt the war in Vietnam. In regard to the burning of draft cards, DOBBS believes that this is wrong because of the five-year jail sentence and because it is only a gain to the capitalist forces. He said it was a victory for the capitalists. DOBBS believes that students should not object going into the military service and that they cannot stop the war in Vietnam by being antagonistic to authorities.

DOBBS talked briefly about the Minnesota strike of the 1930s when labor disarmed policemen during the strike. Had they continued to do so, they would have ended up fighting a federal army and they would not have had a chance anyway. The same thing applies to picketing, marching, and also strikes. The SWP supports anyone who attempts to halt the war in Vietnam and will even go so far as to show what procedures to take. DOBBS believes that only one hurdle can be made at a time and the end result will be socialism, but it will not come about right now.

VIRGINIA KIEZEL announced that there would be a car caravan to Delano, California, starting from Fremont, California, sponsored by the United Auto Workers Union. They have collected $1,000 to support this caravan which will be on Saturday, November 6, 1965, at 8:00 p.m.

MANNY SUNSHINE said he could not understand the change in SWP tactics. He believes we should participate in labor disputes and cause trouble in the industry. DOBBS stated we support the students.

PETE CAMEJO said this is not the time to run socialist candidates for office and believes we must go along with the masses or else the SWP and the YSA will be completely isolated.

KIPP DAWSON reported on the San Francisco State College anti-war movement, stating that the YSA has managed to get more students interested in it.

JAIMIE GOODMAN reported on the new Vietnam Day Committee on the Oakland City College campus. She has attempted to get MIKE MYERSON to help her organize the campus committee.

PAUL MONTAUK reported that the Communist Party has been keeping low since the last demonstration. He called MICKEY LIMA and requested him to speak at the last demonstration, but LIMA said the CP would only blacken the Vietnam Day Committee. PAUL MONTAUK also called DOROTHY HEALY who said she would be delighted to speak, however, she did not appear to speak.

KEN SHILMAN announced that DOBBS would speak at Styles Hall, University of California, on Friday, November 5, 1965, at 8:00 p.m.

The first items on the agenda consisted of reports from various sub-committes of the VDC:

1. A report from the Program Comm.
2. Windy Smith requested trucks and drivers for the Supply Comm.
3. A report from the Campus Comm.
4. A spokesman for the Monitors' Comm. announced that those interested in serving on the Comm. report to Bob Horwitt.
5. A report from the Leaflet Comm.
6. A report from the Officei.e. Headquarters Comm.
7. A report from the Poster-making Comm.
8. A report from the Film Comm. announcing a party to be held at Steve Smale's house in Kensington on Oct. 16th.
9. A report from the Publicity Comm. announcing the establishment of contact with a local radio station, KYA, to publicize the forth-coming demonstrarion. (Several days later the radio station decided not to publicize the Oct. 15-16 Days of Protest sponsored by the VDC.-Apparently the managers of the station were "pressured" by the FCC and "Right-wing" organizations to cancel announcements paid for by the VDC).

A report was given by Ken Cloke on the legal implications of the forth-coming demonstration sponsored by the VDC. He elaborated on a number of possible complications which could result from such a project; he stated that a "criminal conspiracy" charge could be leveled against the VDC, "invasion of private property" charges might be used, possible involvement of U.S. Federal authorities because of the nature of the demonstration, possible charges of "sedition" etc.

A motion was passed which entrusted the responsibilty of the leadership of the VDC to nine (9) persons who would be elected on Oct. 13 (Wed.) and who would direct the operations of the VDC during the crucial Day of Protest, Oct. 15-16.

Jerry Rubin reported on a meeting held between the VDC and "power structure" of Oakland regarding a parade permit. He stated that the authorities indicated that the VDC would not be issued a permit to march in Oakland. He also stated that a formal request would be necessary but he doubted it would be issued. A discussion then took place on alternative plans for the march. It finally ended with an overwhelming vote to march regardless of a permit or not.

Comments:

This was the last general membership meeting held before the Oct. 15-16 Days of Protest, and it concretized what was to be done from the level of the general membership.

Jerry Rubin reported on the status of a parade permit from the city of Oakland. He stated that the VDC was not issued a permit. A motion was passed that the VDC should march regardless of the lack of an official permit. It was felt by those present that the right to march could be differentiated from support of the policies of the VDC, and because of this many persons who were not followers of the VDC could be persuaded to join the march which was now taking on a different character.

On the question of a possible direct confrontation with the Oakland Police Dept, many different actions were voiced by the VDC leadership. Steve Smale wanted to "compromise" and make the best appearence as possible, Jack Weinberg indicated the desire to push through the lines, Steve Weissman seemed to call for a "retreat" back into Berkeley etc.

A motion was overwhelmingly passed (79 to 5) to avoid mass arrest during the course of the Oct. 15-16 Demonstrations. It was generally felt that mass arrests would be "too costly" and would "cripple" the VDC.

An election was held to form a nine-person steering committee which would be the sole and final source of authority during the week-end of the "teach-in" and demonstrations. After that the steering comm. would dissolve automatically. Steve Weissman, Jack Weinberg, Jerry Rubin, Bob Hurwitt, Marilyn Milligan and Stapleton were elected on the first round of vote. In the middle of the second round the meeting was adjourned by the janitors of the building, and the task of counting the ballots to determine who the remaining three members of the comm. were to be was left to an improvised election committee.

January 20, 1966

Joint Meeting of the SWP
and the YSA, [redacted] b7D

LEW JONES was the main speaker at this meeting and announced that he was in San Francisco for the YSA National Office. JONES announced that the YSA collected $6,500 nationally on its national fund drive, and this will enable them to put out more pamphlets and one extra page in the YSA newspaper. There are 1,200 to 1,400 subscribers to the YSA newspaper nationally; there could be more subscribers, but the membership is too involved in Vietnam activities. JONES said that he came through Denver, Colorado, where there is only one member in the YSA in that area and 25 right-wingers working on the Vietnam program in that area. The San Diego YSA Branch has seven memb ers and is getting more contacts. The Los Angeles YSA Branch has 17 members and works in and around the college campuses.

JONES commented on the convention of the anti-Vietnam war committee in Madison, Wisconsin, and stated that the Du Bois Clubs of America is split down the middle over negotiations in Vietnam and stopping the war in Vietnam. JACK BARNES of the YSA plans to write the Du Bois Clubs of America to show them where they are wrong and that they should concentrate on stopping the war. JACK WEINBERG of Berkeley who attended the convention may stay in Madison if they pay him a large enough salary and if he becomes the main spokesman for the Vietnam Day Committee in Madison.

JERRY RUBIN wanted a National Committee and had ideas of working on a $100,000 budget with field offices throughout the country. It appears that this will not materialize. It seems that the Du Bois Clubs of America is against having a National Committee for the Vietnam Day Committee.

There was a question and answer period.

[redacted]

b7D

"There was a meeting of the San Francisco branch and East bay branches of the SWP at [redacted] on [redacted]. The following is the agenda of that meeting: Paul Montock was the chairman. [redacted] Lou Jones was talking: he was in the process of saying how good the YSA is for its activities in the anti-war movement_ especially at Wisconsin; the YSA at the present is running the show, but they want the CPers to take over, so that the people can find how bad the CPers run the show; they_ the CPers_ haven't been able to make any headway while the YSA has already been able to get away with the caucus results and are pushing the idea of stablishing branches of the anti war movements in different cities and schools with very good results in the middle west as the trail blazers have proved it; also_ Jack Weingberg is in Madison and he doesn't like it very well, but the anti_war movement there has been able to keep him there by paying him a large fee (wage)_ also_ the YSA has been able to push the idea of a newsletter which is a product of the caucus, also they're going to have 2 bottoms and 2 pamphlets dealing with the 'History of the scalation' and 'Bring the troops home' now'; for the time being the main goal is to build the demonstration of March 25-26, 1966 and all our efforts should be aimed to build this demonstration, and after a while on which Lou kept on stressing the need to build up this demonstration the meeting was open for questions; there were only 3 questions so the meeting adjourned very early. VDC Agenda

I. Announcements

A. BOB AVAKIAN stated that MRS. IRENE PAUL was in Kaiser Hospital for a cancer operation and had told all friends not to send cards, but to send money to VDC. A card was passed around for VDC member's signatures to be sent to MRS. PAUL.

B. BOB HURWITT proposed that the VDC lawyer staff be kept on a $125 a month retainer fee. VDC lawyer staff consists of PETER FRANCK, R. A. LINSKY and ART WELLS. HURWITT stated that this was especially important now since declaration of war was approaching and VDC would be in a very different position then. This proposal was adopted unanimously by the members.

C. VDC will have a bookkeeper come in and straighten up their books in a legal status. It was pointed out by BILL MILLER that this is especially necessary as VDC's books are in very bad shape legally, and no deductions are ever made from VDC staff member's checks.

D. RICHARD AIKA, a member of the VDC International Committee, read a letter from the Argentina Peace Council which requested VDC to sign the letter backing an NLF victory. This created a big political hassle among the members as to whether VDC backs an NLF victory. A majority of the members agreed that

VDC backs and hopes for an NLF victory but can't say this per se publicly because VDC will lose a lot of its broad base support. Consequently, the VDC voted that it should send a letter back stating why the VDC can't sign the letter from the Argentina Peace Council, but the VDC supports its campaign to obtain this backing. Many people disagreed with this as they thought it was time VDC came out and stated it supported a victory by the NLF. Those who stated they supported an NLF victory over the U. S. were:

1) Bob Avakian
2) Roger Huet
3) Steve Cherkoss
4) Sid Stapleton
5) Bob Hurwitt
6) Marilyn Milligan
7) Bill Miller
8) John Seltz
9) Paul Ivory
10) Gene Eagle
11) Rich Cowan
12) David Friedman
13) Jack Weinberg

II. Showing of a film documentary on the VDC demonstrations from park rallies last summer through November 20th march and demonstration. Four of these films were bought by VDC for $25 each (cost of making film) from HARVEY RICHARDS who made the film. This will be used as a propaganda film.

III. BOB SCHEER campaign

A. Proposals on Scheer campaign made by:

1) ? Stern
2) Joel Gaier
3) Rich Cowan
4) Sid Stapleton
5) Jack Weinberg (written statement drawn up by Weinberg, Garsen, and Friedman handed out to VDC membership). Copy to Intelligence.

It was brought out by MR. STERN, possible campaign

manager for Scheer, that BOB SCHEER will be running not only as a peace candidate but also on a domestic platform including such issues as anti-poverty war, police brutality, etc.

The main objection to Scheer running as a candidate is that he wants to run on the Democratic ticket. Most people want him to run as an independent, but Scheer disagrees because he feels he can use the Democratic ticket for broad base support.

No final decision was made as to the Scheer campaign.

April 7, 1966

Joint Branch Meeting
of the SWP [redacted] b7D

ASHER HARER reported on the Northwest conference held last week at Seattle, Washington. KIPP DAWSON attended this conference with ASHER HARER. Representatives from SDS and the SWP were also present along with the SHACKMAN people. The Seattle SWP branch is no longer in existence because the members were unable to go along with Party lines. The National Office in New York has sent Mr. and Mrs. TOM LEONARD to Seattle to organize a new SWP branch in that area. Mrs. LEONARD attends college and is trying to organize a new YSA chapter at that college.

KIPP DAWSON elaborated on the Seattle conference with regard to the YSA and the youth. YSA members from the Northwest were unable to agree with KIPP's proposals on the anti-war movement. JOHN STYRON of Seattle told the people at the conference that if there were 10,000 people at one demonstration, it still would not have any effect in ending the war in Vietnam. LARRY SCHUM advocated that the National Liberation Front put American troops into the sea to die.

Recent members of the Seattle branch will create a new Washington State SWP unaffiliated with the SWP that exists across the country. It is the belief of the Seattle people that the new SWP will work and strive for the interests of the working people and not just for the college students.

PETE CAMEJO presented a report on the Berkeley Vietnam Day Committee which has not been active for the past eight weeks. According to CAMEJO, JERRY RUBIN has returned to the Bay Area and is organizing a street demonstration to take place on Telegraph Avenue in Berkeley on Monday, April 11, 1966, from 5:00 to 9:00 p.m. The Vietnam Day Committee hopes to have a city street blocked off for the demonstration which will be in protest of the war in Vietnam.

DOUG JENNESS talked about the anti-war movement in the United States and in Europe. He said that there will be comrades running for public office throughout the United States. The Vietnam Day Committee has lost many members since they are now involved in the ROBERT SCHEER campaign.

JENNESS said that the mass student demonstrations have had a tremendous effect on the American people. He said he had had an interview with Army Lieutenant HAWE, a pacifist, who while in the Army was outspoken and advocated that the United States military be removed from Vietnam. HAWE supports the Bloomington, Indiana case and the JOE JOHNSON deportation procedures. HAWE will be available for lectures and tours.

CARL ZURCHTER announced that on Easter Sunday, April 10, 1966, there will be a demonstration in Sacramento by the Delano farm workers. ASHER HARER will attend this demonstration.

HAL VERB stated to JACK KATZ that he is still unemployed. KATZ said he attended the march in Delano last week and is preparing a story for "The Militant" concerning the situation in Delano.

JERRY RUBINS knows that the VDC is the only ___ that can offer something to him and therefore has come to us so now we've the VDC.

"Then DON JENKINS (sp) talk_, he just said that the peace demonstrations are growing more and more every day all over the world, and that we must work to help organize this demonstrations, the meeting was very short, then came good and welfare a party for DON on Saturday night at JIM KENDRICK's home and we'll go to the demonstration on Sunday at Sacramento for the Delano strikers, then the meeting adjourned, the following people were present at this meeting:

VDC Meeting, 7/21/66

On Friday, July 22, 1966, there will be a rally at 2400 Telegraph Avenue in Berkeley. Judge GEORGE BRUNN said that the city sound permit ordinance under which speakers were arrested on April 12, 1966, was unconstitutional. Dance bands are to be invited so people can dance in the streets of Berkeley and express free speech. The rally will be held to protest the war in Vietnam and to advertise the rally in San Francisco on August 6, 1966.

According to PETE CAMEJO, the Berkeley Police Department has given permission to the VDC for the rally on July 22, 1966, and the VDC filled out a form stating that they are the VDC. Any money obtained from the rally in excess of fifty per cent will go to the San Francisco August 6th Committee.

The Publicity Committee consisting of five people will take care of radio, television, and newspaper coverage. Heading the staff to put out press releases is PAUL MC KNIGHT from San Francisco, telephone number 552-2838. The Publicity Committee will have a meeting at 2001 Milvia Street, Berkeley, on July 24, 1966.

The VDC received a permit to distribute leaflets at the Berkeley Co-op. Anyone wishing to distribute leaflets at the University of California at Berkeley may call 849-2070. A leaflet will be made up to send out in order to raise money. CAROL LIEBERMAN suggested that a leaflet be made up on black power and be distributed in San Francisco and Oakland.

KGO-TV has agreed to announce press releases on the march on August 6, 1966, in San Francisco. They will also have a story on the three soldiers arrested in New York for protesting the war in Vietnam.

MARY ANN EDMONDSTON is in charge of publicity and has contacted JACK SMITH, a member of the faculty at the University of California, who will handle University of California news.

VDC Meeting, 7/21/66

JUDY EASTON reported on finances and said there is approximately $500 in the VDC's bank account in San Francisco. Anti-Vietnam buttons which have been ordered will sell for 35 cents and the cost for 2,500 buttons is $150. JUDY EASTON said that the Finance Committee will meet at her home, 2478 Telegraph Avenue, Apartment 6, Berkeley, on July 24, 1966, at 7:00 p.m. About forty organizations, including Women For Peace, the Black Muslims, the College of San Mateo, the Haight-Ashbury Vietnam Committee, the Stanford League, and the Committee For Independent Political Action have pledged $10 each for the support of the August 6th Committee.

CAROLYN JOHNSON reported on the program for the march in San Francisco. It will start at 11:00 a.m. on August 6, 1966, and arrive at the Civic Center Plaza at 1:00 p.m.

It was announced that $25.01 was collected at this meeting.

A letter written to KIPP DAWSON from the San Francisco Park Commission was read. It was sent by a Mr. STENDELL who approved of the VDC's use of the Civic Center Plaza from 10:00 a.m. to 7:00 p.m. on August 6, 1966. Five people will be appointed to speak at the rally and tables will be set up at the plaza.

LAURA KLEIN stated that two folk-singing groups will be contacted for entertainment.

CAROL LIEBERMAN stated that JEFF FREED is the chairman of the VDC but was unable to attend this meeting. She said that only one-half of Market Street will be used for the march.

The Eureka-Noe Valley peace center in San Francisco will have a workshop on special effects for the August 6th march on July 24, 1966, at 1:30 p.m.

The class, conducted by PETE CAMEJO, dealt with reasons for a proletarian party and state. The core of CAMEJO's speech, the Marxist "Communist Manifesto," was extensively quoted. CAMEJO raised the point that the capitalists pit the working class against itself and that this capitalist class must be destroyed. He made the distinction between state and government as being the difference between workers and capitalists. Workers make up the state and the capitalists, who are now no longer necessary to the productive capacity of the state, control the government and, therefore, are the government. They gained control of the government because they set up its structure before the working class gained the power and, therefore, the government which is a tool of the capitalists must be destroyed.

[redacted] joint caucus of the San Francisco and Berkeley locals of the YSA [redacted]. The purpose of this caucus was to discuss the August 6th Committee meeting to be held at [redacted] at 7:30 p.m. b7D

This caucus was chaired by PETE CAMEJO and the issues to be discussed were those associated with implementing the YSA/SWP decision to convert the August 6th Committee into a new coordinating committee that will assume the role of the Stalinist Bay Area Coordinating Committee. The new organization is to be named the "United Committee" with the words "to end the war in Vietnam" to be added to the title on its letterhead. It was not announced when this decision was made or by whom it was made (see report of the San Francisco local YSA meeting, August 7, 1966).

CAMEJO stated that the ultimate goal of the newly-organized YSA/SWP controlled committee will be to convert now independent organizations, such as the San Francisco State College and Berkeley VDCs, into local chapters of the United Committee (the San Francisco State College VDC would be the San Francisco chapter, the Berkeley VDC would be the Berkeley chapter, etc.). CAMEJO also stated that this committee must be formed at all costs and that the independent members of the August 6th Committee must not be made aware that they are being manipulated. He emphasized and illustrated this point by telling all comrades (approximately 40 persons) at the caucus to be at the Thursday meeting and to use the majority that the faction would have at the meeting to swing votes on issues to the favor of the YSA.

CAMEJO directed the comrades to come into the meeting in small groups and not to sit together but instead spread themselves among others attending this meeting. He further stated that comrades should attempt to sit next to key opposition members so that the conversations of such opponents could be overheard and acted upon.

[redacted] b7D

San Francisco, California
August 11, 1966

CAMEJO stated that it is necessary that all proposals of the independents should be implemented regardless of their merit so that the enthusiasm and support of such independents can be gained.

The most important function of the newly-formed committee, in the words of CAMEJO, will be to "reach the soldiers." This will initially be accomplished by distributing leaflets at transportation points in the Bay Area, such as the airport, bus station, train station, etc. As the state of operation gains momentum, attempts will be made to "reach into the barracks."

It was announced that the existing committee has a surplus of $1,100 and that all efforts should be made to keep these funds in the treasury of the new organization. It was also stated that the existing Steering Committee (which the YSA controlls) will retain leadership of the new organization.

On August 11, 1966, a meeting of [redacted]
was held at 8:00 p.m. at [redacted]

The first point on the agenda was to decide whether or not the August 6 - 9 Committee would dissolve or continue to operate under the name of the United Committee which would in effect put it into competition with the Bay Area Coordinating Committee.

PETE CAMEJO made the proposal to continue the work of the committee under the new name and opposition was voiced by ED VICKERY. Debate on this question centered around the joining of the United Committee with the Bay Area Coordinating Committee which would be better able to do the best job in organizing both the region-wide demonstrations and individual group protests (such as the anti-HUAC group, Port Chicago vigil, etc.). The Stalinist forces contended that the United Committee had only geared itself to accomplish those objectives. The YSA/SWP forces countered that the Bay Area Coordinating Committee could only coordinate such groups as Women For Peace and the concerned citizens of various small communities, but failed to reach major VDCs and independent leftists. Debate lasted for approximately one hour and when called to vote, the motion to approve the United Committee passed unanimously.

The remainder of the meeting was taken up by requests from the Port Chicago faction and the Peace Activist Defense Committee (reference HUAC) for funds to carry out their functions. The United Committee passed a motion to institute a mailing for the two committees and for the Council For Justice, the purpose of which is to raise funds for the many needs of these organizations. In addition $50 was voted to the Peace Activist Defense Committee to assist in its own fund-raising efforts. The motion followed the plan of the YSA/SWP to prevent them from getting funds to carry out their activities directly from the United Committee treasury [redacted]

A small demonstration to further aid the Peace Activist Defense Committee was planned for August 18, 1966, at 5:30 p.m. in front of the Federal Building in San Francisco.

The committee will maintain contact with the Finance and Steering Committees until such time as elections could be held.

The next meeting of this committee will be held on August 25, 1966, at 7:30 p.m.

On Sunday, August 21, 1966, at 1:15 p.m., there was the fourth in a series of five classes based on JAMES CANNON'S book, "The Struggle for a Proletariat Party." The class was held at Gipsy Lane in the Oakland-Berkeley hills. The class was followed by a Bay Area faction meeting. Both events were chaired by PETER CAMEJO.

The class was devoted to a study and explanation of the Socialist Party in the 1940's and the reasons the YPSL followed SCHANAN rather than BUVAR or ABRAMS. The underlying theme of the communist operation was that the rank and file members of the party cannot argue against the party's organization without also indicting the program of the party and that any argument against the organization of the party is bureaucratic and bourgeois.

> This train of thought (i.e., the comrades cannot be against the leadership of the party or the leadership methods without being disloyal) has been an extremely strong underlying theme throughout this series of classes. It is my opinion, after taking into consideration the forth-coming CP National Committee, that comrades are being conditioned to accept and support more militant and radical demands that will be made of them by involving the present leadership of the YSA.

The lecture period was followed by different group discussions of questions posed by CAMEJO relating to splits within the party that occurred in the past and the lessons communists learned from them.

The faction meeting that followed the class consisted of a report from the San Francisco local's anti-war faction meeting and a similar report from the Berkeley local. The first point of discussion was on who should be elected to the United Committee steering committee. CAMEJO stated that there should be 21 members of the committee with nine being YSA, two from the opposition, and the remaining ten from the rank of independents (half of the independents should be close YSA contacts). A list of names was read and comrades were instructed to vote for these people only and if they themselves were nominated they should decline.

[redacted] b7D

San Francisco, California
August 22, 1966

CAMEJO said that the first action of the United Committee will be to get under way a program of reaching the soldiers. Secondly, the comrades should set about getting recruiting procedures for the upcoming semester prepared and any efforts in this direction should be geared to affiliate potential recruits as members of the United Committee first and as members of the individual VDCs second. CAMEJO also pointed out that an effort must be made to affiliate as many groups as possible on both sides of the bay to the United Committee and if there are no groups to be found comrades should go out and form such groups.

PETE CAMEJO made the motion that the August 6 - 9 Committee continue in a unified body and help the anti-war groups who have been associated with the August 6 - 9 Committee.

There was some discussion between HALKET ALLEN and ED VICKERY. VICKERY stated that the August 6 - 9 Committee was only an ad hoc committee of the Bay Area Coordinating Committee and that the August 6 - 9 Committee has served its purpose. VICKERY's motion was overruled by the majority who believe that the August 6 - 9 Committee has been effective in helping the Port Chicago vigils which are going strong.

JED GLADSTEIN made a financial report on the August 6 - 9 Committee which has a balance of $1,140.86 in its checking account.

MERRY SAFIER introduced JEAN PIERRE CROCHET who has just arrived from France. CROCHET spoke a few words on behalf of the August 6 - 9 Committee. He also stated that in France they have similar demonstrations.

CHARLES RUTNICK spoke on behalf of an anti-HUAC committee which will hold a meeting at 1703 Grove Street, Berkeley.

AOKI2-1096

San Francisco, California
November 14, 1966

On Sunday, November 13, 1966, at 11:00 a.m., there was a joint SWP/YSA Bay Area meeting at [redacted] b7D

The meeting was chaired by ASHER HARER and consisted of anti-war reports from San Francisco and Berkeley (PAUL MC KNIGHT and PEER VINTHER respectively); SWP branch and YSA local reports from San Francisco and Berkeley (LOUIS COBET and ERNIE ERLBECK respectively); a general political summary of the organizations' present standing and objectives (BOB HIMMEL); a discussion of all reports presented (open to all members); and a summary of the proceedings (BOB HIMMEL).

San Francisco Anti-War Report: This report was presented in three sections--High School Students Against The War, City College Students Against The War, and the San Francisco State College VDC.

Under the high school heading, the report stressed the point that although no comrades were involved, the group was under the complete control of the YSA. It also stated that KATHY HARER was the liaison between the group and the Party and that besides this group's United Committee activities, the majority was becoming involved with the YSA. The report went on to say that the YSA/SWP headquarters was now regarded by the high school students as a desirable place to spend their free time and as a result of this attitude, a number of these students will be recruited. It was also stated that opponents within the anti-war movement consider all present high school activists as YSAers because of the positions taken by such activists.

Under City College, it was stated that CAROL BODINE was the liaison between the Party and the campus group and that BODINE would soon be recruited into the YSA. The group was also said to be still operating "underground" because of the college regulations but was gaining strength.

[redacted] b7D

San Francisco, California
November 14, 1966

Under the San Francisco State College segment, it was announced that the Du Bois Clubs would most likely throw off from VDC activities now that it was no longer in control and that the prime opposition within the group will now be the PLP. It was also stated that of the six members on campus, four were on the Steering Committee and the remainder of the Steering Committee was composed of three independents, one PLP member, and one SDS member. The report concluded by stating that the finances of this group (YSA) were controlled by a comrade.

Berkeley Anti-War Report: It was announced that the attempt to create a non-campus anti-war group was for all practical purposes a failure and that this was caused by a general lull in the movement. It was also stated that the main anti-war group in the East Bay Area was still the Berkeley VDC, but that this burden would probably be shifted to the United Committee if the activists in the VDC shifted their energies to a new Free Speech Movement. It was assumed that because of the new campus regulations regarding the speakers' area, a student movement similar to the Free Speech Movement would develop and that the YSA must be prepared to intervene and take control of the movement should it emerge. The YSA/SWP perspectives on such an occurrence, according to the report, is that should a new Free Speech Movement develop, the VDC will temporarily lapse into a period of inactivity and that the YSA within the VDC during this lapse should develop cadres while at the same time prepare participants of the Free Speech Movement to assume an active and militant role in the VDC when it again would bloom.

It was announced that the VDC would hold a rally under the new regulations (Monday, November 14, 1966) and that a confrontation with the college administration would probably occur.

Summary of Anti-War Reports: It was stated that the YSA had an unchallenged control of the anti-war movement in the Bay Area and that because opponents of the YSA did not know how to act as a minority, they would eventually be forced to accept YSA leadership or would separate themselves from the movement.

[redacted] b7D

AOKI2-1098

It was further stated that the anti-war movement in general was in a lull because of the liberal element within it and would probably remain in this state until further escalation of the war in Vietnam. The duty of the YSA during this time was stated as being to build militant cadres and to conduct activities on a smaller scale until the lull ends.

Under the branch report, it was stated that in San Francisco the membership was 33 in the SWP and 17 in the YSA with 14 persons being in both the SWP and the YSA. In the East Bay, the figures were 27 in the SWP and 27 in the YSA with 14 persons being in both. It was also announced that the profit from the West Coast Vacation School was $1,500 and that the amount had been equally divided between the two branches. The remainder of the branch report was devoted to a comparison of membership, sustainers, book store sales, etc., to past years.

Political Summary: In addition to summing up the anti-war reports, the lecture under this heading covered the question of recruiting and elections. In reference to recruiting, the organization reactivated its goal to use the anti-war movement as a breeding ground for revolutionary socialists and it was stated that every effort should be made at this time to take advantage of the lull in the movement by talking socialism to each and every potential member.

In reference to elections, the organization stated that a decision would soon be made as to whether or not to attempt to run candidates in the Bay Area but that will be put up before the voters in the spring. An advantage of this action was stated as being an opportunity to acquaint a group of student workers as was done in the BOB SCHEER campaign and mold them into a cohesive militant unit. It was stated in the discussion that the YSA/SWP would no longer support a political party just because it worked outside of the Democratic Party. In order to receive support, such a party would have to be a socialist revolutionary one.

11/13/66

This report is based on information gathered from 35 hours contact with party members from 11/7 through 11/13/66. The major portion of the report pertains to the joint meeting held on 11/13; the personal items about party members, the San Diego information, and the item on the Presidio came from individual discussions during the week.

A joint meeting of the San Francisco SWP-YSA and the Berkeley SWP-YSA was held in Stiles Hall from 11 a.m. to 4:30 p.m. on 11/13/66. Asher Harer chaired this meeting. All speeches and comments were tape recorded by Harer.

The Bay Area SWP-YSA have a total membership of 78 persons.

Seventy-two persons were present at this joint meeting. Four: Ken and Donna Evenhuis, Julius Snipper and Milt Alvin are from the Los Angeles SWP Branch. Others known at this meeting were: Pete and Debbie Cameo, Tony and Marta Cameo, Derrel and Elizabeth Meyers, Asher and Ruth Harer, Paul Montauk, Suzie Montauk (?), (She is probably Paul's step-daughter.) Jack S and Ken (?) (possible step-sons of Paul's), Ken Shulman, Hal and Jaimey Allen (phone 845-2149), Bob Himmel and his wife, Sue Smith, Ernie (?), Ed DiTullio, Bob and Andrea (?), Louis Cobet, Jack Thompson, Nate and Sylvia Weinstein, Ricky Okie, Paul and Margo Colvin, Ray Plemmens, Bryan (?), Tom (?) San Francisco Branch, Ove Asboy, Dennis (?), Tom S (A new berkeley YSA member; he sets at the YSA table on campus.) Pier and Angi (?).

Ken and Donna Evenhuis plan to move to Berkeley next June. Donna's appointments run through May at the dental office where she works as a dental hygienist. Ken will graduate from the flying school he is attending, and he wants to teach flying in Los Angeles for a few months so that he will have a reference for similar employment when he arrives in Berkeley.

Jack S. has processed a letter he has received from some Maritime union, through the Coast Guard here for his seaman's papers. Paul Montauk made the arrangements for this deal with someone he knows in one of the maritime unions. This union gave Jack another letter to take to the Coast Guard to get him special clearance to sail before he receives his seaman's document from Washington.

Jack stutters quite frequently and his brother Ken has a similar but milder disorder. Their father is either mentally ill or an alcoholic who was recently given group therapy treatments by the State of California.

Sue Smith and Ernie (?) have some form of marital relationship. This could be a legal or a party marriage.

AOKI2-1118

Ernie (?) reported that publication sales in Berkeley gross about $500 a month. These sales come through the Pioneer Bookstore, the YSA table on campus and sales at rallies, demonstrations, etc.

For all practical purposes, the United Committee and the VDC are one organization. Bills are paid by either organization. These committees have a cash surplus of $400. Both are completely controlled fronts of the SWP-YSA.

The monthly dues and sustainers in the Berkeley SWP Branch averages $15 a month. One year ago this average was $4.50. As an example, Ove Aspoy pays a $45 monthly sustainer. He belongs to both the SWP and YSA, and the distribution of this sustainer is not known.

Bryan (?) said that the present plans being discussed on the campus to counter the University proposal to shorten the Sproul noon rallies and lower the sound on the University furnished PA system are: 1) To rent a PA system to use on the day that the University proposal goes into effect. 2) On that day to start the rally at noon instead of 12:10 p.m. 3) To continue the rally past the 12:50 p.m. time limit, and 4) To call for a student strike until the University promises to allow the rallies to continue as before. Himmel said that the SWP-YSA would not try to force a plan on the students, but would wait to see what plan was popular with them. The SWP-YSA will then take over the leadership of implementing this plan, and try for undisputed control of the campus. Presently, Himmel believes that the student strike will be the most popular idea. They realize that the organization that attempts such a plan could, with its leaders, be thrown off the campus. They don't believe however, that this will happen. They believe that the University will capitulate and give them no further problems.

The anti-war work of the past year was viewed strictly as a vehicle for recruiting. Contacts are made during actions, and recruiting is done during lulls in the actions. Anti-war work brings SWP-YSA members into contact with non-radicals who would not normally be compatible with radical ideas. (Recently some religious students have participated in the United Committee's actions.) This initial antagonism subsides by constant contact and by cries of red-baiting whenever someone mentions the radical elements in these committees. This is an ideal situation for the SWP-YSA to recruit from; they have no desire to recruit everyone, or to build a mass organization. They are interested only in a highly trained cadre saturated with Fourth International politics. All new members recruited during the past year have been anti-war contacts.

Nate and Sylvia Weinstein were two of the six persons who were sent to Seattle by the SWP national office to rebuild the branch there shortly after the previous Seattle Branch resigned from the party. The national office felt that these two would serve the party more advantageously here in the Bay Area. Sid Stapleton was sent to Seattle to replace them.

Ove Aspoy has been deserted, temporarily at least, by both Candy (?) and Marlene Samas. The girls objected to sharing Ove with each other. Marlene has removed her luggage and Candy has removed her TV from his apartment. Ove boasts about sexual relationships with both girls. Jack S. also lives in this apartment, but was not invited to share in this amour.

Dennis (?) was mentioned in the BARS as the East Bay dispatcher for the 11/5/66 leaflet campaign.

Pier believes he will be drafted in the near future. The SWP is suspicious, but not certain, that this is a government plan to destroy the YSA by drafting its members. What confuses them is that two YSA members and a party member were recently drafted in the East (Ove is not certain, but believes that this happened in Detroit.), but the two YSAers were newly recruited and the SWP doesn't believe that the government has had time to identify them with the YSA as yet. If they were certain that the government knew these two individuals were YSA members, then the SWP would believe that the government was making a national attempt to destroy the YSA.

Asher Harer reported that this year's WCVS netted $1600 against a $400 net two years ago.

At the joint meeting, members from both sides of the Bay made reports on what has transpired during the past year. After these reports were concluded, Bob Himmel, San Francisco organizer, gave a speech emphasizing anti-war work as the most important item for the future. Following this speech, approximately 20 persons made five minute statements about past or future proposals. The meeting was concluded after Himmel gave a thirty minute summary.

An unknown individual from San Francisco said that the successful United Committee at Mission High was the result of the work that Cathy Harer, a student there, has done. This Mission High Committee has a cash surplus of $30. He also reported that the United Committees at City College and Cal State had needed help on fund raising projects.

The San Francisco YSA has been selling publications on the campuses there only three days a week. They will follow the Berkeley YSA example and sell on campus five days a week.

AOKI2-1120

Bob Himmel, during his speech, emphasized anti-war work as the major project for the near future. Because the SWP plenum will be held early next year, and the party leadership will decide then what areas of party work should be emphasized, Himmel, for these reasons, said that he would speak about anti-work work in a general manner. He felt that taking a specific stand prior to the plenum would not be the correct thing to do.

Ed DiTullio advocated that the SWP-YSA take a more militant role in the leadership of the anti-war movement. He feels that anti-war forces should be lead into direct confrontation with law and military authorities. He said that the party shouldn't concern itself with what happens to the non-party forces as the result of such confrontations. If they are arrested or otherwise incapacitated, to forget them and get new forces. Himmel, in his summary, criticized these views. Himmel stated that the SWP national office was not interested in participating in actions that would lead to arrests of local SWP leadership. Himmel further stated that DiTullio's views are opportunistic and very similar to the thinking that PL gets involved in. He said that the party does take any necessary action and the chance of being arrested doesn't deter them. As an example, he referred to the action on Telegraph last April when Jack S held the door to delay officers from reaching Pete Cameo broadcasting with a bullhorn from the top of a building. In reference to this action, the SWP had prior legal advice that the ordinances violated would not stand up in court.

Pete Cameo said that labor was beginning to become active again. On any issue the SWP-YSA and their fronts will take the rank and files side either against the employers or the union bureaucracy. Cameo said that the party will speak out even if the rank and file rejects them. These rejections will subside if the party ignores them and doesn't desert the workers. (This tactic is used now in the party press with the Negro and also in anti-war actions.) Cameo described the party as a working class organization without a base in the working class. This will change, however, when the unions become more active in strikes and politics. At this point, Cameo believes that communist controlled campus fronts can be turned into actual campus communist organizations. These ties between the student communists and the rank and file union members will be the beginning of socialism in this country.

Cameo has received pay as a full time YSA organizer in Berkeley.

A male Jewish student from Chico State rode his motorcycle to Berkeley to purchase (at a discount) some publications from

AOKI2-1121

the Pioneer Bookstore. He purchased publications before through Pete Cameo. This individual says that he is starting a new anti-war committee at Chico State. He said that there will be a teach-in at Chico State 12/8/65. Fifteen professors have agreed to participate so far.

There has been no recent discussion for any action from Berkeley for a demonstration against General Ky in San Diego. Originally they had planned to charter a bus or a plane and send forces to the demonstration. They are now going on the assumption that Ky will not appear there on 11/16. Some believe that the date has been changed to 11/20, but also feel now that he will not appear. Any mobilization from Berkeley would have to be done at the last moment, and would probably be a motorcade. It is doubtful that Ed DiTullio would have a free rein in planning this trip to San Diego. His name, to my knowledge, has never been mentioned here in connection with this San Diego demonstration.

No further mention has been made of any action to take place at the Presidio. It is not likely, however, that an action there would be given much advance publicity. If an action does happen, it will probably be executed by a small number of leaders in the United Committee.

The following names are from a list of what the SWP feels are close contacts.

P. Minkwitz, 2014 Channing Way #2, Berkeley
Leslie Martin, 2724 Channing Way, Berkeley
Cris and Dee Kinder, 1942 Channing Way, Berkeley
Allan Kochler, 2708 Channing Way, Berkeley
Paul Clussman, 2035 Channing Way, #305, Berkeley
Vernon Edgar, 2212 Channing Way, Berkeley
Dan Siminoski, 2724 Channing Way, #105, Berkeley
M. Quinn, 2717 Channing Way, Berkeley
Alex Muldavin, 2010 Channing Way #1, Berkeley

No close follow up should be made on this list. The SWP could easily trace the source of information if these individuals were contacted.

# Japanese Community Blasts GOP's Agnew

By GEORGE CANT
Gazette Staff Writer

The Japanese American community of Berkeley last night blasted Republican Vice-presidential candidate Spiro T. Agnew for the "fat Jap" comment he made about a Japanese reporter covering his campaign.

"Spiro Angew has accomplished his goal," said Richard Aoki of the Asian-American Political Alliance. "His name is now a household word—in all Japanese-American homes."

AOKI SAID it "is a sad commentary when a man running for the second highest office in the country has such a low-level of sensitivity."

He concluded with the suggestion that, if elected, Nixon should send Agnew on good will visits only to Rhodesia and South Africa.

Aoki's comments were made at a "Speak to Nixon - Agnew" meeting at the San Francisco Federal Savings building here. The comments of the 13 people who spoke were taped and will be edited—to avoid repitition, said one Nixon worker—and sent to the candidate.

ABOUT 42 people attended the meeting—including 22 Japanese-Americans—to either speak or lend support to speakers eager to tell the Republican candidate what they think.

The recorded comment idea—conceived by Nixon and Charles Rhyne, one of his aides—is intended to show the candidate and his policy makers what the people are thinking about.

About 15 young Japanese-Americans walked out of the meeting after Aoki made his remarks. One of them expressed the opinion that the comments would never reach the candidate.

Ray Okomura, of the Berkeley Japanese-American Citizens group, lead the meeting off with a protest on the "fat Jap" remark—reportedly made by the Maryland Governor about a sleeping reporter on the candidate's plane.

OKOMURA SAID Agnew's explanation (that the remark was only in jest an dthat he himself, as a Greek-American, had been called similar names) was not sufficient.

He asked for an "unconditional apology" from Agnew and that if that were not forthcoming, a reminder from Nixon to Agnew "that he is not a street hoodlum."

Mrs. Calvin C. Steimetz tearfully spoke to the audience and the microphone, saying that she had spent her early years in an American Nisei contentration camp and that she didn't think the term "Jap" was "nice."

Former U.S. Senator William F. Knowland, appearing on the panel at the recording session, said he was sorry for the remark and said he was sure Agnew had no prejudices. "The damage has been done," he said. "We have to move on from there."

Other speakers commented on Nixon's record, his plans for office and on the general state of affairs in the country.

SUBJECT: ASIAN AMERICAN POLITICAL ALLIANCE (AAPA)
IS-AAPA

On 11/26/69, [redacted] advised he has noted that recently the energies of the leaders of the AAPA have been directed into the Ethnic Studies Program at the University of California and that the AAPA leaders have not been speaking on behalf of the AAPA but have been claiming more official status as members of the Asian Studies Department at the University. b7D

Source said he has observed AAPA members participating in protest demostrations, during Japan Week in September, 1969 during the Vietnam Moritorium march and rally on 11/15/69, ~~XXX~~ and during the visit of the Japanese Premier, SATO, on the weekend of 11/23/69, but added that this participation seemed to appear peaceful in nature. Source said he did not attend the rally at Sproul Plaza of the Univ. of California at Berkeley, on 11/21/69, when FLOYD HUEN reportedly read a report from a Japanese newspaper in which Japanese militants called on their "brothers" in the United States to act against SATO. Source said that from his association with HUEN, he knows him to be one of the principal leaders of the AAPA, but added he considers HUEN to be strictly non-violent in his approach to problems. Source said HUEN is a prime example of a person who has diverted his energy into the Asian Studies Program, pointing out that HUEN has resigned from his position as Executive Vice-President of the Associated Students of the Univ. of Calif. at Berkeley, in order to devote more time to his position as an Administrator in the Asian Studies Department. Source said that he believes HUEN was also influenced to take this step by a desire to more-or-less disassociate himself from ~~XXX~~ close relationship with DAN SEIGAL, the President of the Associated Students, who was charged with inciting to riot in connection with the People's Park disturbances at Berkeley.

Source said that other persons from the AAPA who are in the Asian Studies Department at Berkeley include WAI KIT QUAN who is

teaching a course on the Chinese Youth Movements; BING THOM (or BING TOM) who is teaching a course on Chinatown Community Affairs; and PAUL WONG who is a Teaching Assistant in Sociology at the University. Source stated that WAI KIT QUON is very anti-United States and has indicated that when he completes his graduate studies in Biochemistry, he intends to move to Hong Kong. Source added that he feels it is the attitude of WAI KIT QUON which has influenced his younger brother, SHIH SHUNG QUON to join in AAPA activities, since the latter does not seem to be anti-United States like his older brother. Source stated that BING THOM and his wife are from Canada and that BING is a graduate student and/or teaching assistant in architecture. He said he feels that BING THOM is not particularly militant like WAI KIT QUON and FLOYD HUEN, but simply wants to participate in an Asian-oriented Studies program. [redacted] b7D remarked that PAUL WONG, a graduate student and teaching assistant in Sociology ~~XX~~ resides in Kensington and is a typical "revolutionary sheik". Source said that by that term, he meant that PAUL WONG is obviously upper middle class in his attitudes and background and would be completely horrified if the revolutionary ideas he dabbles with ever came to control life in the United States.

Source mentioned that one member of the AAPA at Berkeley, whom he has known for a long time, is ALVIN JA, whose father, JA Kew-yuen owns the M & J Clothing Store in San Francisco Chinatown. Source identified ALVIN JA as one of the persons who participated in demonstrations during Japan Week and other occasions, such as in the Vietnam Moritorium ~~M~~March on 11/15/69. Source said that ALVIN JA's father is reportedly sympathetic toward Communist China, and this may influence ALVIN's viewpoints. However, source added that ALVIN JA has never said anything in his presence to indicate he harbors such sympathies.

[redacted] said that one of the more militant of the AAPA leaders is a Japanese-American named RICHARD AOKI. Source said he has not b7D become very close to AOKI, but from what he has seen and heard of him, he feels he may be potentially dangerous to the United States, since he has Black Panther Party associations and therefore may condone violence.

[redacted] said that a group in which the AAPA is influential is the Asian Coalition, which does not appear to be an organized group, but rather a loosely organized coalition of students of Asian descent and others who are interested in minority rights and in the cessation of hostilities in Vietnam. Source said that persons who have been vocal on behalf of the Asian Coalition and who do not seem to be a part of the AAPA include NEIL GOTANDA, BARRY CHAN, and GERALDINE KUTAKA. Source remarked that BARRY CHAN is chiefly active in operating a Draft ~~XXXXXXXX~~ Counciling office located above the old Hungry I in San Francisco. He added that CHAN dresses very expensively, drives a new Volkswagon, and is obviously from a wealthy background. Source said that KUTAKA is originally from Hawaii, but lives in Oakland, Calif. at present. Source added that KUTAKA has applied for a job as a youth counselor under the San Francisco Human

Rights Commission, at or in the Chinatown North Beach Youth Council. Source added that KUTAKA is presently in touch with a young Chinatown photographer, who otherwise is oriented toward the establishment, but who has accepted KUTAKA's interest in him as a photpgrapher as an evidence of her interest in him as a person. Spurce said it would be useless at this point to warn this young photographer about KUTAKA, but added he is waiting until the youth will realize he is simply being used by KUTAKA.

Source remarked that PENNY NAKATSU, who has been a leader of the AAPA at San Francisco State College, has been silent and studious for some weeks now, ever since she appeared on a panel at the United Front Against Fascism Conference which the Black Panther Party sponsored in the East Bay some weeks ago. Source said he has heard that PENNY NAKATSU's parents heard of her action at that United Front Conference and raised so much fuss that PENNY decided to stay out of political activity at least for a while.

RECOMMENDATION: ~~XXXXXXXXXXXX~~ File copies as indicated, Posting as warranted. Open 105-25153 on BING THOM and 105-25159 on PAUL WONG to further identify them.

NOTE: Regarding Asian Coalition mentioned above, Source was asked whether this grouping was also called Asian American Coalition. [redacted] said that in differing situations the group might use differing names, since it is not an organization as such but simply a convenient title to use and around which Asian Americans and others can rally to make some protest.

SDS Regional Conference - August 2 and 3, 1969

On August 2, 1969 at 8 a. m., approximately 12 individuals were observed at 520 Bissell, Richmond. At 9 a. m. surveillance began. During the morning hours approximately 100 individuals were observed on the sidewalk and in the yard next to the church at 520 Bissell, Richmond. The representatives of the RYM Group, those holding the conference, were wearing red arm bands. They had spotters positioned on the roof of the building. They appeared positioned to observe and relay information to the inside of the building. In front of the door were guards. During the morning hours, individuals were allowed in, in groups of four and five, single file. Later reports indicated people were shaken down.

Early in the afternoon, around 1 p. m., the conference began to break up. Approximately 55 to 60 individuals came out. Many of those coming out may have been PLP. After a number had left the building, a rally was called. A hand-held bullhorn was used by the speakers. At this time a comment was heard by an observer that 150 people had been inside. Statements from speakers indicated dissatisfaction with RYM and the goon squad tactics used to keep opposing political discussion out of the conference. After the rally ended, it was suggested that PLP people should leave, to meet later at 1739 Rose St., Berkeley. The conference apparently continued until later in the afternoon. The estimated total attendance was 200-250.

On 7/29/69, a leaflet was distributed at the Sproul Hall Plaza, University of California, Berkeley (UCB), entitled, "SDS Regional Conference This Weekend - All to Attend". A copy of this leaflet is attached to this memo. The leaflet states that a SDS Regional Conference has been called for 10:00 AM, Saturday, 8/2/69, at 520 Bissell Street, Richmond, this being a closed conference sponsored by the Revolutionary Youth Movement (RYM). Another leaflet describing this conference and setting forth background of the struggle by the RYM and PLP in the SDS was distributed at 520 Bissell Street, Richmond, on 8/1/69, and is entitled "Build a Worker-Student Alliance." A copy of this is also attached to this memo in 100-52152 and 100-50255.

During the afternoon of 8/1/69, the writer observed individuals carrying material into the First Christian Church, 520 Bissell Street, it being noted this church has not functioned as a church for some time but has been the headquarters of the BPP, the Peace and Freedom Party and several other militant groups. A physical and photographic surveillance was conducted from a Richmond fire hall about 350 feet from 520 Bissell Street on Saturday, 8/2/69, by the writer, Officer [redacted] Richmond Police Department, [redacted] Contra Costa County District Attorney's Office, and [redacted] University of California Police Department. People began gathering in front of 520 Bissell Street shortly after 8:00 AM. By 10 AM, the group had grown to over 100 people. A line was formed in front of the entrance and about 10 people were allowed to enter with identification only, this being presented to those at the door. Only 1 incident was noted, that being the forcible expulsion of a Negro male at about 10:10 AM. The meeting inside lasted until about 1:00 PM. During the entire time there were 2 and sometimes 3 males on the roof top above the entry doorway to 520 Bissell. The crowd in front, consisting of individuals who wanted to enter the conference but were not permitted, varied from about 50 to over 100. At about 12:30 PM, a bull-horn appeared and 2 or 3 individuals spoke from this horn protesting the meeting inside. One individual called for everyone to come to a meeting to which all would be admitted that night at 1739 Rose Street, Berkeley, California, the residence of DAVE WOLFINSHON, according to [redacted] As the individuals inside were leaving, the person manning the bull-horn requested those on the outside to approach those leaving that they knew, asking them to lunch to learn what went on inside and also inviting them to the meeting to be held on Rose Street in Berkeley that night. There were no other incidents.

Attached hereto is a list of individuals identified by the 4 conducting the surveillance, it being noted almost all were identified by [redacted] The times appearing on this list reflect the times which those indicated entered.

"Carlton Goodlett: also spoke head of the 'Sun Reporter' newspaper, cited mostly Rheotric, stated that this conference should be held on a regular basis to determine the destiny of Fascism and then destroy it.

"Comment: It was learned that Ronald Dellums, Berkeley City Councilman, would speak Saturday, July 19th 1969, topic 'Pseudo Bravado', 'Fake Bravery'. Of course this was not learned from the rostrum, it was learned from Ron Dellums, P.R. Representative Joel Dorhan Bandleader, who was also present at the conference. Dorhan has been instrumental in benefit activities for Huey Newton. Dorhan a musician bandleader. Another incident occurred at the Auditorium, two policemen attempted to come in. They were asked for a registration card, they didn't have one. Panther guards said they couldn't come in, police attempted to come in anyway, but were shoved back & out. The second night of a U.F.A.F. will be Saturday with the principle speaker Ronald Dellums.

"in reference to the Black Panther Party Chairman Bobby Seale.

"Subject: United Front Against Fascism
Friday Date - July 18th 1969

"Bobby Seale, principle speaker, said, and these were the highlights of his keynote address, that the people who say the Black Panther is being controlled by white radicals, or the New Left, have been misinformed. Comment - It was evident that Seale was referring to Stokely Carmichael's recent resignation letter, referring to the New Left. Bobby Seale said that the United Front Against Fascism's purpose mainly is to decentralize the Police Department, nationwide, to set up organizations, committees, etc., to stop Fascism in its early stages. We do not intend to let Fascism get to concentration camps, we will keep the gun at our ready. Seale said Huey Newton started carrying guns open when the Party started, now the gun is not carried openly. Seale said that 'the U.F.A.F.,United Front Against Fascism, would not be an annual entertainment event but would most likely be held again in four months here in Oakland, in November.

"Those present of any notoriety: attendance approximately 3,500 people.

RACIAL MATTERS

Those offices which are currently operating racial informants in extremist racial organizations should immediately review the files of these informants to determine if they hold significant leadership positions or are activists in the organizations to which they belong.

In order to more fully protect the identities of key informants, investigative reports should be submitted and disseminated on those informants who fit into the latter category in the same manner in which investigative reports are submitted and disseminated on other racial matter subjects.

At 3:31 PM on May 26, 1969, CHARLES BURSEY at Headquarters asked DAVID HILLIARD, Chief of Staff about a man named AOKI. BURSEY said that ALEX KING (phonetic) wanted to know if AOKI was a panther. HILLIARD told ALEX that AOKI was with the Asian Political Alliance and was okay although he was not a Black Panther. Attention is called to a call on the other line which indicated that the man described as TOMCAT with the Red Guards had asked BURSEY about AOKI. It may that TOMCAT is an alias for ALEX KING.

Summary of information furnished: *(If more space needed, add addendum.)*

Informant has attended and reported on meetings and other activity related to the Third World Liberation Front and the strike staged by that organization at the University of California, Berkeley in January and February of 1969. Informant maintains contact with leaders and individual members of the Black Panther Party. Informant has recently been contacted by representatives of the Red Guard and it appears that he may be requested to serve as a liaison man operating between the Red Guard and the Black Panther Party.

Informant is scheduled to appear in Municipal Court at Berkeley, California on 7/14/69.
