BLACK PANTHER PARTY, aka
Black Panther Party for
Self Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by Bobby George Seale, BPP Chairman, and Huey P. Newton, BPP Minister of Defense. Newton is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, George Mason Murray, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

Re Buairtel to Albany, 3/3/69, entitled, "Security and Racial Informants."

It is recommended that this informant be continued.

Informant is presently a top level leader of the Asian-American Political Alliance at the University of California, Berkeley. He is the AAPA representative to Central Committee of the TWLF strike currently in progress at the University of California, Berkeley. He is one of three representatives of the TWLF who have engaged in negotiations with the Chancellor of UCB. Because of his present position and because he is a former Minister of Education of the BPP, he maintains contact with BPP leaders.

Informant provides coverage of AAPA, TWLF at UCB, and of the Black Panther Party (BPP). Coverage furnished is not presently available from any other source.

Informant is presently at the highest level attainable in AAPA and TWLF. As new activist subversive groups are formed and become active at UCB, this informant is in excellent position to keep the Bureau informed.

Informant has been furnishing information on a regular basis for several years. He is considered stable and reliable. He can be expected to keep his relationship with the Bureau confidential because if that relationship should be exposed, his personal safety would be endangered.

TWLF LEADER TELLS WHY HE'S WHERE IT'S AT

by Phineas Israeli

"As a child I was interned for four years in concentration camps in San Mateo and Utah."

Richard Aoki takes another drag on his cigarette and continues to carefully and unemotionally describe his life under the gun of American racism.

Richard Aoki is a spokesman for the Third World Liberation Front at UC Berkeley.

After WW II, the Japanese-Americans were liberated from the 'relocation centers' and Richard began his education in black ghetto schools in the Bay Area.

"Of my junior high graduating class, more than 50% have been in jail or are in jail now. I see this as a reflection of their being unable to achieve a standard of living through traditional means."

Richard attributes his schoolmates' alienation from traditional means to the West Oakland ghetto's "high rate of unemployment, sub-standard housing, inadequate educational institutions, inferior medical services, and constant police harassment."

One high school teacher advised Richard that "I'd end up in San Quentin five years after I got out of school.

"I took it on a very personal level when they vamped on me, but in retrospect," he says now, "I see they couldn't have acted in any other way because of the racist nature of the institution."

When he was 17 Richard signed up for the Army hoping to attain a measure of "vertical mobility." He was offered a commission "but I told them I wanted to do some other things."

After the Army Richard spent two years at a junior college in a pre-med program. But, "I gave that up upon being convinced of the racist nature of the medical profession. There is no institution in this country that doesn't have it.

"I started asking around about the medical schools and found that there was a quota system for Asian-Americans."

Having failed to find a racism-free zone in either the service or school, Richard went on the road. He spent six years "wandering about the country, just seeing what it's all about."

Along the way he worked as a truck driver, hospital orderly, clerk and factory hand. He learned two things: that there aren't any areas in this country really free of racism, and that his thing was to work for the Asian-American community.

"I became convinced that this is my country, and if it's going to become a more positive society then I have to stay here and help."

Leaving the road, he returned to school, graduated with honors in sociology, and is now a grad student at UC. The Third World Strike is his way of creating a racism-free zone for this country's Third Worlders.

"I think the strike's going on quite well. Morale's quite high, we still think we're going to win."

Richard believes the Third World College will help the minority communities by creating "a circular thing where the youth leaves the community, comes on campus, and then goes back to the community."

The TWLF has put a great deal of energy into building strike support in the Third World community. "If we convince them that we're fighting in their best interests, then there will be another dimension to the struggle."

The Front expects this support to materialize Thursday (BARB press time) on campus, and the future direction of the strike depends on Thursday's turnout.

"The Third World College will be instituted at UC," Richard says flatly, "it's just a matter of time. The strike is a manifestation of the question of who's going to control it."

Though the TWLF has received a favorable response from some faculty and administrators, "the main sources of power at the university have indicated an intransigent attitude of non-cooperation with the Third World Liberation Front."

The Front is aware that many white strikers are dissatisfied with the strike's tactical pace, but "they haven't seen anything yet, we've just started.

"Multi-faceted systems of pressure will be exerted on the University.

"Nothing much has really happened here -- a few beatings, a few fights on the line, petty acts of vandalism which we disavow. I personally disavow petty acts of vandalism because they're petty."

Richard allows that the TWLF at Cal is not in the same place as the Front at State. He says that the Cal branch of TWLF still considers itself to be "responsible," and has been trying "to keep a lid on things."

But he warns that the powers in the University had better move quickly to meet the demands before the lid flies off and "everyone does his own thing."

SUBJECT: MARTIN NICOLAUS

On 1/24/69, [redacted] reported that MARTIN NICOLAUS b7D contacted a man named TOM at 655-4286 to state that he needed some people from TOM's side of the Bay to come on the show that evening to be held on KPFA. TOM reported that he had a series of meetings to go to which would conflict with his appearance on the show. TOM said he was supposed to be at STEW ALBERT's residence for some kind of a party that evening. He said he did not know whether he could find Third World people at this late hour. TOM suggested that MARTIN attempt to contact CHARLEY BROWN at 642-0110 or HARDY FRYE at 549-0860, or RICHARD AOKI at 843-3113, or ALLEN FONG at the Asian Students Office, 642-4216. FONG's phone number is 841-3475. The Chicano Office is 642-0802, and MARTIN might be able to reach MANUEL DELGADO at that office. MARTIN asked the name of the principal spokesman for TWLF and was told that there was no one, that there was not even a central committee, or if there was, the membership and structure of this committee was unknown. TOM suggested that MARTIN try HAWLEY first.

TOM then remarked that the Third World group at Berkeley was serious to the surprise of most of the people and that the strike led by TWLF at Berkeley would probably go along for a few days and then escalate.

MARTIN told TOM that TODD (GITLIN) had been arrested at State (SFSC) and that everyone was trying on the evening of 1/23/69, to arrange for a big show of strength on 1/24, but too few people showed up so there was no real show of strength. He mentioned that the weather had been atrocious and the pickets were soaked.

NICOLAUS also contacted an unknown man at 742-3728 who identified himself as BIDWELL (Ph.). MARTIN explained that he had a radio ~~station~~ program called Surplus Prophets scheduled to begin on KPFA about 11:45 p.m. that day and he would like some people from the TWLF to be on his program. BIDWELL said he would put out the word. MARTIN said that for the last six to eight weeks, they had people on this show from SFSC, TWLF, BSU, and others to speak for the strike, and they would like to do the same in support of the strike of the Berkeley students. MARTIN said the time of the show could go from 15 minutes to all night, whatever they wanted to make it. MARTIN gave his telephone number and asked that the other party call him back to let him know what to expect.

Strikers Proclaim Support!

Joe Brooks, a representative of the recently formed Black Community Caucus, declared the group's support for the Third World demands and strike in an early morning press conference yesterday.

At the conference, called by the TWLF Strike Support Committee, Brooks said his group "serves as on-going decision-making body for Berkeley Blacks."

The organization, which includes representatives of Berkeley's Black elected officials and other segments of the community, will meet again this Saturday.

Richard Aoki of the TWLF said, "There was no illegal activities which necessitated the invasion of police on the campus Tuesday."

He also asked why police, who cleared Wheeler Hall because of a bomb threat, failed to clear 11 Wheeler where 1000 strike supporters were meeting.

Aoki noted, too, that the fact that Chancellor Roger W. Heyns was out of town when TWLF representatives went to talk to him on Tuesday was "very strange."

Manuel Delgado, also of TWLF, called the strike "very successful." He also claimed that the administration is preparing disciplinary action against the strike leadership.

Carl Mann of the strike leadership said that the aim of the strike is to open up the University to Third World people.

The attached Items #2 and 13, in the amounts of $145 and $45, have been suspended from the captioned voucher.

Item #2 is suspended inasmuch as it appears the informant was changed from a Security to a Racial Informant and Federal Income Tax cannot be withheld from Racial Informants.

Item #13 is suspended because the authority 7/3/68 is effective for four months beginning 7/18/68. The next authority dated 12/31/68 is effective 1/18/69, causing a two month lapse in authorities. A payment for 11/18-12/17/68 was inadvertently passed. Additional authority must be obtained for both payments.

After the necessary action has been taken, these items should be submitted on a subsequent voucher accompanied by this routing slip.

[redacted] stated that the Third World Liberation Front at UCB is not a registered student organization and is made up primarily of three groups which are registered campus organizations with the Dean of Students Office, UCB. These organizations and their current strike leaders, according to [redacted] are (1) Asian American Political Alliance with three persons as primary leaders, JEFFREY LEONG, ALLEN FONG and RICHARD AOKI. The second organization is the Afro-American Students Union with two leaders, CHARLES BROWN and CHARLES JACKSON as the principal leaders. The third organization is the Mexican American Student Confederation sometimes referred to as the Mexican American Student Committee with two principal leaders and spokesman, YSIDRO MACIAS, also known as SID MACIAS and MANUEL R. DELGADO.

On 1/22/69 [redacted] advised that picketing began b6 b7C at 8:00 AM at Sather Gate and Bancroft Way at Telegraph Avenue, the main entrance to the University of California, Berkeley, with about 100 pickets total. At 8:41 AM, 1/22/69 CONN HALLINAN and BRAD CLEVELAND were observed on the picket line Bancroft Way and Telegraph.

WILLIE BROWN, from San Francisco, was observed in the area of Sather Gate with the pickets at about 11:26 AM.

At 11:32 AM the log shows that a press conference was completed and it was announced at the press conference that the strike would continue with non violence and no confrontation as the aim of the striking students. The press conference wasppresided over by YSIDRO MACIAS, CHARLES JACKSON, AND JEFFERY LEONG. JACK WEINBERG was observed at Sather Gate at about 11:32.

At 2:44 PM about 200 pickets on the lines and CARLTON GOODLETT from San Francisco was observed with the pickets at Sather Gate.

At 1:30 PM the pickets began to disappear with only about 75 remaining.

Inspector [redacted] also furnished a log of events for 1/22/69 which was maintained at the switchboard for the UCPD. This log will be filed in the 1A envelope also with the above mentioned intelligence log and no exerpts are being made from this log since no mention is made of individuals of interest to the FBI on this particular telephone log. b6 b7C

Inspector [redacted] stated that he is of the opinion that the strike at UCB will be ineffective since the strikers do not have the support of the majority or even a small minority of the masses of students at UCB and further [redacted] pointed out that Chancelor ROGERSHEYNS had held a press conference on 1/21/69 at which time he released a lengthy statement listing the efforts over the past six months on his part and the part of the UC Board of Regents and the UC Faculty and Students at UCB to improve the opportunities for minority group students. Strike Gets Alliance Backing

George Field, representing the steering committee of the 150 member Berkeley Faculty Alliance (BFA), read the group's strike support statement at yesterdays noon rally which was transferred, due to rain, from Sproul Plaza to Pauley Ballroom where the Third World Liberation Front (TWLF) convocation was being held.

Field emphasized the danger that the approved Black studies program would be forced to conform to present academic standards that would "destroy its uniqueness and innovative character."

Field then stated the eight proposals of the steering committee:

- The proposal or proposals for a Black Studies Department or program being considered by the administration and the committees of the Senate should be made public, and open discussion should be encouraged.
- The Implementing Committee should be reconstituted to include representation of those Black faculty members and administrators who were instrumental in shaping the idea and substance of a Black Studies Department.
- The Implementing Committee should be enlarged to include three students selected by the Dean from a list of six nominated by the Third World Liberation Front.
- An advisory committee drawn from the Black community should be constituted to consult the Implementing Committee.
- The criteria to be used in establishing the Black Studies Department shall not necessarily be those applying to established departments. On all matters, including curriculum, recruitment and appointment of faculty, and student admissions, there should be sufficient flexibility to enable the new Department to meet the felt needs of its constituency.
- Accordingly, it should be acknowledged at the outset that community-action programs will be an important part of the new curriculum.
- The New Department should not necessarily be integrated into the traditional structure of the College of Letters and Science, but should possess the independence and autonomy required to make its program meaningful. The way should be prepared for the Department to evolve in a different direction.
- We urge that the Chancellor immediately establish a Select Committee composed predominantly of ethnic minority students, faculty and administrators who have been actively involved in the issues, to investigate the possibility of creating additional academic structures, including new departments and a college for ethnic minority studies.

Philosophy Professor Richard Lichtman addressing the group, said the issues are mainly concerned with justice or "whether one group can circumscribe another and self-determination."

He said, "The roots of justice lie in equality, but equality is not synonymous with identity. Justice dictates that if groups in society are given equal respect and consideration, they must be treated differently."

The speaker implied that a reparations concept is

necessary to compensate for previous injuries. "The principle of justice requires that special consideration be given to those groups who have faced continued malaise in society," he said.

Speaking on the responsibility of the University, Lichtman said the precedented "neutral" stand whereby all students are judged and taught on an equal basis only perpetuates the differences and disadvantages.

"The maljustice in applying the 'neutral' stand isn't easy to see. Some people are not given the opportunity to develop those skills which would enable them to compete freely against established norms," said Lichtman.

In reference to self-determination, Lichtman said all students should have the right to plan their own studies. "The white students should demand a department of white studies—that would be the University as it ought to be," commented Lichtman.

Jim Hawley of the SSSC, who spoke first, explained why white students should support the strike: the TWLF demands related to the peoples' needs because they provided a means to institutionalize anti-racism and would establish a niche of student power and control in University affairs.

Richard Aoki of the Asian-American Political Alliance (AAPA) reiterated the importance of the Third World demands.

He said that the implementation of the Third World College would create a cohesiveness among Third World people in the hope of creating an international racial brotherhood.

After a brief plea for more white pickets, Ysidro Marcias of the Mexican American Student Confederation (MASC) rebuked the white portion of the audience for siting "on their a--- and not doing a g---d---- thing" about the strike.

He accused the white organizations of "fighting in little factions," and accused the University of blatant discrimination in order to protect its "lily white image," summing the University situation as being "screwed up."

Citing the first four days of the strike as "political education week," he stated that the Third World had only played a "pair of deuces" but had "five aces in the hole." He declined comment on just what the "aces" meant.

The rally was sponsored by the Third World Liberation Front and the Student Strike Support Committee.

SUBJECT: BLACK PANTHER PARTY (BPP)

The following is a compilation of individuals who, from a review of the files of the San Francisco Office appear to be members of, or affiliated with the BPP in the San Francisco Area. Many of the names mentioned hereafter were obtained from [redacted] and it appears that because of the nature of their contact with BPP-National Headquarters, they are closely affiliated with the BPP. b7D

It appears that membership in the BPP is not of a formal nature. Sources have advised the BPP have conducted recruiting drives to obtain new members, and at the same time, they have held rallies and demonstrations. In this respect they approach spectators and present them with applications which are immediately executed and returned along with the $1.00 initiation fee. Investigation has disclosed that some of the individuals who have executed applications in this manner have had no subsequent contact with the BPP. All the applications for membership in the BPP which have been obtained by the San Francisco Office from various sources such as those which have been recovered by local Police Departments incident to the arrest of BPP members, appear to pertain to only the vast general membership. On no occasion has an application been uncovered pertaining to an important figure in the BPP.

It is felt at this time that the execution of an application for membership in the BPP applies only to the unimportant rank and file membership who have no voice in carrying out the BPP activities.

Nevertheless, the identity of all individuals reported to this office as being in close contact with the BPP, reported by informants as being members of the BPP, as well as those who have executed applications will be submitted to the Bureau. As data pertaining to the addition or deletion of identities contained in this list are received, the Bureau will be appraised.

Investigative cases on all those listed have been or are being opened. Where there is corroboration of BPP membership a letterhead memorandum or report will be submitted and consideration given for inclusion in the Security, Reserve or Agitator Index. Interviews of subjects will be conducted, with Bureau authority where appropriate, unless some reason exists to not do so. Because of the large number involved, primary attention will be given to subjects of primary importance--officers, activists, those employed in critical jobs and the more violent prone.

SAC, SAN FRANCISCO (134-1929)

SF 2496-S

ReButel to all SACs 3/30/67 and SAC Letter 67-20.

Captioned informant has been furnishing information to the San Francisco Division since approximately September, 1960. During most, but not all of this period, SF 2496-S has been enrolled as a student at the University of California, Berkeley (UCB) and at the Merritt Campus of Peralta College, Oakland, California.

Informant is presently enrolled as an undergraduate student in the Sociology Department, UCB. He hopes to obtain an A.B. Degree in June, 1968 and then plans to pursue a course of graduate study aimed at a Masters Degree in Sociology.

This informant's principal value lies in his membership in the Oakland-Berkeley Branch of the Socialist Workers Party (SWP) and his present status as a member of the Executive Committee of that branch. There is no other source who can presently duplicate the information furnished currently by SF 2496-S.

His membership and status in the SWP has no connection with the fact that he is a student.

As a student and member of the University community, however, this informant is able to recognize and report on the constant efforts of the SWP and the Young Socialist Alliance (YSA) to infiltrate and control student organizations and to otherwise influence opinions and attitudes within the University community.

More than 6 years of time and expense have been invested in order to place this information in the position he now occupies in the SWP. If he were discontinued he could not be replaced without a similar expenditure of time and money. Without the coverage furnished by SF 2496-S, this Division would

SF 2496-S has always been scrupulously cautious in his relationship with the Bureau. There is no apparent abnormal risk nor any forseeable reason to expect that this particular informant would become a source of embarrassment to the Bureau.

It is earnestly requested that Bureau authority be granted to continue contact with and guidance of this informant.

SF 2496-S

Remylet 4/12/67 and Bureau airtel to San Francisco dated 5/2/67.

Captioned informant has become a member of and currently reports on the Black Panther Party for Self Defense (BPPSD).

In attending meetings of the BPPSD, SF 2496-S has worn a personally-owned .38 caliber revolver, as have the other members. Public exercise of their right to openly bear arms has been the most prominent "trademark" of the BPPSD.

On 5/2/67, at Sacramento, California, one WARREN TUCKER, a member of the BPPSD, was among the group arrested and charged with conspiracy to interfere with the state legislature. Informant advised that TUCKER had in his possession at the time of his arrest the personally-owned .38 caliber revolver of the informant. Informant had loaned this weapon to TUCKER. This weapon was confiscated by the Sacramento police and is being held as evidence. It is registered to one GROVER SALADO of El Cerrito, California, and is not directly traceable to the informant.

This matter is being closely followed in order to protect the Bureau's interest. The Bureau will be promptly notified of pertinent developments.

On 10 May 1967 a rally was held on the Sproul Steps, UC Campus, Berkeley, at noon. The rally was sponsored by the YSA and Pete Camejo was the chairman. Speakers included Barbara Arthur who was introduced as co-chairman of the Black Panther Party for Self Defence (BPPSD) (NOTE: She is not cochairman but is a member of the steering committee arroding to Rich Aoki) She spoke about the facts surrounding the death of Denzil Dowell who was killed while committing a robery in Richmond.

The second speaker was Bobby Seale, Chairman of the BPPSD. He stated that the BPPSD was designed to protect black people from racist cops and that if he saw a cop hit one of his black brothers he would kill him. The basic ideas Seale projected were those of 1. keep the police out of the black areas, 2. Black people should carry arms to protect themselves. 3. The BPPSD did not hate whites but did hate racists.

The last speaker was Marie Johnson, BUMP organizer. She spoke concerning the advances that the black people had made and would make in the futre and supported the BPPSD position of carrying arms.

Approximately 300-400 persons were in attandance at the rally,
