Brian Shannon was elected chairman.

Pete Camejo reported on the Executive Committee meeting with only one announcement. There will be a joint bay-area anti-war fraction, with all other comrades invited, to be held at Stiles Hall at 8 pm on 23 May 1967.

Jaimey Allen and Tom Stockman reported on the WW Summer meeting held on the UC Campus on 16 May 1967. Pete Camejo reported on the Chicago conference. This conference called for a mass action in Washington on 21 October. The YSA had about 140 persons in attendance and was the majority in most of the meetings. The DuBois club members presnet split with the CP on almost every vote and on many votes the CP split with part of theirs members voting for the YSA position.

The prospects for the future in the anti-war movement depend upon whether the Washington Conference scheduled for May 19-21 also calls for a national action on 21 October. This will be the topic of discussion at Stiles hall on 23 May.

May 29, 1967

As of May 29, 1967, there have been no recent formal meetings of the Black Panther Party for Self Defense (BPPSD). The organization continues to attempt to raise money through the sale of the "Black Panther" tabloid. The finances of the organization are in very poor condition due to the heavy requirements for bail bond premiums. One of the immediate needs of the BPPSD is to raise money in order to bail out the member who is known as "Little Bobby." "Little Bobby" is in Juvenile Hall in Oakland at the moment.

On May 27, 1967, RICHARD AOKI was at the BPPSD headquarters on Grove Street and according to RICHARD the next formal meeting of the BPPSD will occur on June 3, 1967.

"Due to the amount of work required for the organizer, PETE CAMEJO, and his other work--in the anti-war movement etc.--it was felt that someone should be appointed to help the organizer with routine paper work. BRIAN SHANNON has agreed to take this position which is known as Branch Secretary.

"A SPECIAL REPORT
in connection with the Black Panther Party
Chairman HUEY NEWTON. Date November 11th 1967

"Principle Subject: a meeting was to be held at De Fremery Park at 18th & Adeline Street, for a special defense fund for HUEY NEWTON in reference to the recent shooting of two police in Oakland. The meeting was cancelled, because the police were circling the block, and immediate area, so it, the meeting that is, was put off until Saturday the 18th of November, at McClymonds High School in Oakland. It was learned from RICHARD AOKI, who seems to be the head of the group, at least verbally, anyway, who said, that, they would have retained DONALD WARDEN the noted attorney, and head of the A.A.A. Afro-American Association to defend HUEY, but AOKI said DON hated the black panthers, and would get HUEY hung purposely if he took the case, and this is why they have retained JOHN GEORGE and BEVERLY AXELROD, who is referred to as part of the 'New left.'

"People present who were known.

"RICHARD AOKI
SID WALTON, Professor Merritt College
JOEL DORHAM - Musician
LAVERN (TRIBBLE) WALTON, SID's wife.

BLACK PANTHER PARTY FOR SELF-DEFENSE (BPPSD)

A source advised that the Black Panther Party For Self-Defense (BPPSD) was formed by HUEY PERCY NEWTON, Minister of Defense, and BOBBY GEORGE SEALE, Chairman, in Oakland, California, in December, 1966, as a militant black nationalist political organization to combat "police brutality," to unite militant black youth, to determine the destiny of black communities, and to educate black people in African history. The political philosophy of the organization was taken from the writings of MAO TSE-TUNG of Communist China and black militant writers.

The official BPPSD publication "The Black Panther - Black Community News Service" indicates the leadership of the BPPSD advocates the use of guns and guerilla tactics in the violent revolutionary program to end oppression and to oppose the drafting of black men to fight in Vietnam.

A second source advised that in early 1967, SEALE, NEWTON, and their associates carried carbine rifles and holstered pistols in plain view on the streets of Oakland and elsewhere while on "defense patrols."

BOBBY GEORGE SEALE was one of the persons arrested by the Sacramento, California Police Department on May 2, 1967, when members of the BPPSD invaded the California State Legislative Assembly in Sacramento while in session, carrying loaded guns to protest restrictions on the carrying of guns.

A Grand Jury of Alameda County, California, Oakland, California, on November 13, 1967, indicted HUEY PERCY NEWTON on charge of murder of an Oakland, California police officer on October 28, 1967, in Oakland, California.

The first source advised that the headquarters office of the BPPSD at 5624 Grove Street, Oakland, California, is closed and that no membership meetings have been held since August, 1967.

The November 4, 1967, issue of "The Sun Reporter," a San Francisco, California Negro community newspaper, states that a HUEY PERCY NEWTON defense fund has been established and that the Student Non-Violent Coordinating Committee (SNCC) and the Congress on Racial Equality (CORE) through the national offices have pledged their complete and continuous support to the defense of HUEY PERCY NEWTON.

June 11, 1968

As of June 11, 1968, the Tri-Continental Progressive Students Association has fallen apart and is presently inactive. This is a result of the April 1, 1968 affair at the Pauley Ballroom, University of California, Berkeley, which split the organization into radical and moderate factions. This split has not held in spite of subsequent meetings and the result is current total inactivity.

It is estimated that there will be no effort to resume activity as an organization until the beginning of the fall quarter in approximately late September, 1968. The two factions are as follows:

Radicals:

HADG RAZAVI (non-student)

SHOKAT PARLAVI (non-student)

TEMBEDZA CHIGOVANYIKA (student)

MAURICE HOORY (student status unknown)

SANTIAGO RAMIREZ (student)

(first name unknown) KALLANTARI (non-student)

Moderates:

TO : Director, FBI (100-447047)

FROM: SAC, Columbia (100-182) (P)

CATHERINE LOUISE RAY, aka
SM - SWP
CO: CO

ReCOlet to Bureau 5/31/68.

Subject RAY was interviewed by BuAgents 7/26/68. RAY related that she began going to Young Socialist Alliance (YSA) functions in early fall of 1964, following a lecture announcement in the college paper at University of California at Berkeley, Calif. (UCB), where she and two acquaintances, having nothing else to do that night, decided to attend the lecture; and the lecture turned out to be connected with YSA. At the time RAY admits being very idealistic, being against wars and violence, and having a great compassion for her fellow man in not wanting to see people hurt, hungry or unable to find jobs. She admits that initially the revolutionary ideals expressed during this lecture sounded promising and the lecture was interesting and different, with the YSA being described by her as an "organization for the underdog".

She attended no further meetings of YSA until after she met RICHARD AOKI, who she dated and lived with for two years beginning about October or November, 1964. AOKI had been a member of YSA before she met him, and he was still sympathetic to YSA but could no longer be a member of YSA because of his age. She didn't get involved in anything political until becoming involved with the Vietnam Day Committee (VDC), she believes in November, 1964. She began attending VDC meetings on campus, UCB, sometimes with AOKI and sometimes alone. Occasionally, VDC had membership drives,

which involved the selling and issuing of VDC membership cards to raise money. The VDC was very disorganized. Its members were mostly students, some of whom were liberal, some of whom were radical, and probably some of whom were Communists. The organization went bankrupt several times. She attended many of the VDC meetings, mostly because it was amusing. Everyone was shouting at the others, expressing their varying opinions. She engaged in a number of projects of VDC. Examples of projects of VDC were troop train demonstrations, marches with signs expressing views against the war in Vietnam and demonstrations on Vietnam Day.

RAY declined to say specifically whether or not she ever attended any YSA meetings or to say if she was ever a member, stating that she did not want it on record that she had said she had attended meetings or was a member. She related that she would say that YSA professed Marxism and other revolutionary doctrines and professed that Communism and Capitalism could never successfully coexist. RAY did state that she was never a member of the Socialist Workers Party (SWP).

Regarding AOKI, who was of Japanese ancestry, she said that AOKI considered himself a Black Nationalist and often talked of violence as a means of accomplishing a revolution in the United States. Most of AOKI's friends were Negro Black Nationalists. To a degree she agreed with AOKI that something needed to be done for the Negroes and other underprivileged, and at first agreed that violence was necessary to achieve this goal; however, when the riots began occurring, people were being killed and she better knew the aftermath of riots, "she backed out of going along with violence". But by this time she was in deep "personal involvement" with AOKI, who was a lonely person, and she is the "type of woman who needs a man for whom she can be his backbone".

After living with AOKI about one year, she realized he was irrational. She became frightened of AOKI, but knew it was going to be extremely difficult to break off from him. That was the reason it took her about another year before she finally made the decision to quit her job at UCB and leave Berkeley, Calif. After leaving, she began thinking of the YSA movement and this frightened her. She began changing her thoughts of agreement with what YSA professed.

She said she regrets her involvement in YSA and with AOKI, and wants to forget about it. She wants to live a normal life and never become involved in such activities again. She never intends going back to Berkeley, Calif., or around any YSA members. She presumes that the fact she is three years older now has caused her to realize that Marxism and Communism will not work and will never solve the ills of the United States.

RAY said that it had been such a long period of time since her association with YSA members she finds it difficult to recall any names. During her association with members, first names were mostly used. She does recall one PETE CAMEJO, who was a member of YSA and was still active when she left. The only other name she can recall was a boy named LARRY (LNU) who was also a member of YSA.

RAY said that to her knowledge there is no YSA or SWP activity in the area of Myrtle Beach, S. C. She concluded that she would prefer not to be called upon to testify to her knowledge of YSA and SWP, and that she could not decide at this time whether or not she would refuse such testimony.

A description of RAY, obtained during interview, is as follows:

SUBJECT: INTENSIFICATION OF INFORMANT COVERAGE IN BLACK MILITANT ORGANIZATIONS AND GROUPS

ReBulet to Albany dated 7/11/68.

Information requested by referenced Bureau letter is furnished hereinafter under the same numerical headings as utilized by the Bureau.

(1) The following ghetto informant is considered to have the potential, is amenable, and will be afforded necessary guidance to place him in contact with the Black Panther Party (BPP) looking toward his membership in the organization:

[redacted] b7D

PRI

(2) Among the informants who furnish information on the NOI, the only one who would be suitable for directing toward more militant organizations is [redacted] He has been approached about this matter, and is not unwilling to try to penetrate the Black Panther Party. [redacted] will be directed accordingly.

(3) The following rank and file member informants of black militant organizations appear to have the potential to advance to top level positions in their organizations:

(a) [redacted] already is an officer of Black United Front. He is being afforded close supervision and guidance in an effort to attain a top level position in the organization.

(b) At present, there is no active CORE organization in the San Francisco area. However, [redacted] reports that efforts are being made to re-activate CORE at San Francisco, which would be on a more militant basis consistant with CORE national policy. [redacted] a former CORE member at San Francisco, has been approached to assist in the re-activation of San Francisco CORE. If CORE is re-activated at San Francisco, informant will be guided toward a top level position in the organization.

(c) [redacted] has been designated drill instructor for BPP at Oakland, California. He has the potential for advancing to a top level position and will be afforded appropriate supervision and guidance.

(4) The following Negro informants plan to enter college this fall, as indicated, and will be in a position to infiltrate black power groups on the campuses:

[redacted] SF 2496-S	Stanford University
[redacted]	University of California at Berkeley
[redacted]	University of California at Berkeley
[redacted]	San Francisco State College
[redacted]	San Francisco State College
[redacted]	College of San Mateo

b7D

(5) The only black militant organization within the San Francisco Division evidencing indications of possible influence by a foreign power is the Black Panther Party.

[redacted] reported that at a meeting of the San Francisco Branch of the Black Panther Party held at the Buchanan YMCA in San Francisco on July 6, 1968, that GEORGE MURRAY, who was introduced as Minister of Education of the Black Panther Party, conducted the educational part of the meeting. He announced that every Black Panther Party member must have a Red and a Black Book.

[redacted] b7D

RNB/rb

The Red Book is a book of "Quotations from Chairman MAO Tse-tung," published by the Foreign Language Press, Peking, China, 1966.

Also, leaders of BPP have had numerous contacts with the Cuban Government.

Efforts are being made to develop informants withing, and to guide quality informants into positions, in the BPP to report on any foreign involvement. (See item 3c above.)

(6) The only known black power activity within the San Francisco Division involving prominent athletes at the present time is by HARRY THOMAS EDWARDS, former professor at San Jose State College, San Jose, California. EDWARDS is the publicized leader of the Black Athletes' Boycott of the 1968 Olympics.

Efforts are being made through established sources in college athletics to identify logical individuals among Negro athletes for development as sources and/or informants to report on the activity of EDWARDS and his associates.

PERSONAL ATTENTION

SUBJECT: DEVELOPMENT OF RACIAL INFORMANTS IN THE BLACK PANTHER PARTY (BPP) RACIAL INFORMANTS

b7D

Reurairtel dated 9/9/68. Your comments in relet have been noted.

You are again reminded of the urgent need to develop informants in the Black Panther Party immediately. In addition, to the steps being taken by you to develop informants in the Black Panther Party, you should give consideration to selecting present ghetto informants who may be qualified for Black Panther Party membership and direct them to becoming members of this group.

In view of the critical need to develop informants in this group the limited number of individuals presently being directed towards the Black Panther Party by you does not appear to be sufficient. You must step up your efforts in this regard.

Concerning the informants you advised who are presently active in the Black Panther Party you list ~~SF 2496-S~~ and [redacted] In view of the fact that these individuals will be principally furnishing information concerning racial matters, you should submit your recommendation to convert these individuals to racial informants.

b7D

134-1929-458

You listed [redacted] as informants active in the Black Panther Party. Bureau records do not show that these individuals are current racial informants. Furnish full details concerning the identities of these individuals and the appropriate recommendation to designate them as racial informants.

Letter to SAC, San Francisco
RE: DEVELOPMENT OF RACIAL INFORMANTS
IN THE BLACK PANTHER PARTY (BPP)

I cannot emphasize too strongly the necessity for you to develop informants in the Black Panther Party at a regular rate. In your position as office of origin of the Black Panther Party investigation, you should be in the position to advise the Bureau and pertinent field divisions of the identities of those individuals who are sent throughout the United States to organize new branches of the Black Panther Party. This can only be accomplished when you have full informant coverage of this group.

A Special Report in reference to the Black Panther Party for Self Defense.

August 25th, 1968

BOBBY SEALE said that if HUEY NEWTON is found guilty or convicted, "there will be a cataclysmic political consequence against the White powere structure". He went on to say this would be the last scheduled rally before the trial would end. BOBBY added that "KNOULAND, head of the Tribune, J. FRANCES COAFLEY, District Attorney, Chief GAINS and LOWELL JENSEN, DOROTHY REAGEN, have a conspiracy against convicting HUEY, we are going to disrupt that conspiracy. "ELDRIDGE CLEAVER said that he went to Omaha, Nebraska. Said they told him not to use profane language in Omaha because it was against the law. ELDRIDGE said he slept on it, and the next day he said when he opened his address, the first thing he said was fuck the chief of police in Omaha. STOKELY CARMICHAEL said he wanted to teach from an educational standpoint, rather than the fiery approach, that he is famous for. He admitted that it may be boring. STOKELY define the difference between a Black Militant and a Black Revolutionary. The difference between Capitalism, Communism, & Socialism; between revolution & counter-revolution. STOKELY elaborated on the fact that Black Militants will die fighting and Black Revolutionarys will kill to live and that's what the Black Panther Party is. STOKELY ended by saying if HUEY is convicted the sky's the limit.

Present were:

STOKELY CARMICHAEL, Prime Minister of Black Panther Party
ELDRIDGE CLEAVER, Minister of Information
BOBBY SEALE, Chairman of the Black Panther Party
DAVID HILLIARD, Captain, BPPFSD
RICHARD ANTI, Young Socialist at University of California
MELVIN NEWTON, Finance Secretary
JOEL DORHAM, Bankleader
SANDRA HAGGERTY, Oakland Tribune

YOUNG SOCIALIST ALLIANCE

"A World to Win!"

Card No. 1359

Local Unit ~~Berkeley~~

Date June 28, 1961

Lee Mayfield
Local Unit Secretary

Sharon Fiser
National Secretary

Federal Bureau of Investigation
San Francisco

The Young Socialist Alliance is founded in response to the need for a nation-wide youth organization capable of bringing revolutionary socialist ideas to a new generation. This is necessary for building a revolutionary movement which can lead the working class to socialism. The YSA bases itself on the traditions of Marxian socialism as developed by Lenin, Trotsky, Luxemburg and Liebknecht. We believe that socialism can be initiated only as the result of struggle, international in scope, of the working class against the capitalist class and its allies—the struggle culminating in the creation of a new type of state, a workers' state. Socialism means that for the first time in history man will control his own creation—society—rather than be controlled by it. The dynamic of socialism is of a continual expansion of human freedom in *all* spheres: in politics, economic, culture and in every aspect of personal life.
