ROBERT E. ALLEN
 (DOE# AB 197990)
 GENERAL BACKGROUND INVESTIGATION
 DEPARTMENT OF ENERGY - (GBI-DOE)
 BUDED: 3/31/87 (21-DAY DEADLINE)
 OO BUREAU

Attached for each receiving office is a copy of PSQ and appropriate forms.

Captioned individual is a candidate seeking an appointment from the U.S. Department of Energy or a new employee of a DOE contractor. In most instances the candidate must also be required to obtain a security clearance in order to be employed. The candidate may now be serving with the Department of Energy on a provisional basis. The information gathered by virtue of this background investigation is an integral part in the determination of the candidate's suitability for a career appointment but more importantly be a major factor in determining access to classified information. Accordingly this investigation will be disseminated to the U.S. Department of Energy.

Prior to submission to the FBI of the request to conduct a full background investigation, the employing entity in DOE was expected to "pre-screen" the candidate and therefore you may encounter individuals who have already been asked telephonically about the candidate. The candidate has been informed by DOE that the FBI will be conducting this background investigation. The candidate accordingly submitted to DOE (1) a Personnel Security Questionnaire and (2) a FD-406 form entitled "Authority to Release Information."

RE: ROBERT E. ALLEN

Upon receipt of this airtel the Special Agent should familiarize him/herself with the Manual of Investigative Operations and Guidelines, Part II, Section 17 and Part I, Section 116. It would also be helpful to be conversant with MIOG, Part II, Section 23-6.

Upon receipt of the DOE investigative request and the PSQ forms for the candidate a review was made at FBIHQ to insure all the required information was provided. Begin your investigation with a review of the attached forms.

If in the course of the investigation derogatory information is developed, DOE has asked and FBIHQ concurred, a confrontational interview with the candidate is not to be conducted. DOE will conduct such an interview after the FBI has concluded the investigation and reported the results.

All investigation required is outlined in the MIOG. Interviews relating to derogatory information must be recorded on FD-302 forms (MAOP, Part II, Section 10-13.3.5). The candidate should be checked through indices in the offices covering all places of residence, employment, or education. Close family members, cohabitants and business entity or affiliation, and references/associates should be checked through indices in the offices covering their current residence and/or employment. The indices to be checked are: general, confidential, electronic surveillance (ELSUR) and any specialized indices unique to your division (such as Woodmur). You need not check OCIS, IIS, or ISIS which are now checked at FBIHQ. Offices conducting indices checks only may transmit results to FBIHQ by airtel or teletype. All other investigation must be transmitted in report format. Those offices submitting reports should include results of indices checks in the administrative section of the report. Current cohabitants not related to the candidate must be interviewed as close personal associates.

Refrain from sending the results of investigation by teletype to save typing in the field and at FBIHQ. Each office should consider sending reports to FBIHQ via an overnight package express company in lieu of teletypes, attention to GBI, Room 5136.

RE: ROBERT E. ALLEN

Major issues developed that require FBIHQ participation for resolution should be communicated in writing but preceded by telephone discussion (FTS 324-3863).

When a field office determines the Bureau deadline cannot be met due to circumstance beyond their control, FBI Headquarters should be contacted immediately and an FD-205 submitted. An extension will be sought from the client agency by FBIHQ.

NEW YORK: Interview applicant to determine if he has had any military service. If so, set leads for SL to review file at FRC-M and BA to review DCII records. Include interview in report.

In the appointee's FD-302, it is noted that he has had frequent contact with foreign dignitaries, in both the private and public sector. It is the opinion of the interviewing agent that the Administration is aware of these contacts since that is a primary goal of the Advisory Committee for Trade Policy and Negotiations. The appointee began to furnish names and countries; however, it was decided that this was not necessary at this time. The interviewing agent and the appointee concurred that if a complete list is required, that he will go back through his appointment calendar and provide a list in sequence.

The appointee is accorded an earned reputation at AT AND T and with others in the professional community. They all stated that he is a person who would manage his pecuniary affairs in a prudent fashion. They all exclaimed that the appointee is devoid of any bias or prejudice. They all have no knowledge of any use of drugs of abuse or abuse of alcohol by the appointee.

All of the interviewees affirmed that the appointee is the ideal person for the stated position. The appointee has the perfect temperament, thinks very highly of the President, his Administration, and its trade objectives. In summary, he will give the Advisory Committee for Trade Policy and Negotiations his years of experience as an administrator and as a person skilled in international trade affairs.

In addition, [redacted] noted as the appointee's executive secretary, did verify the given dates of employment on the SF-86, including his promotion to Chairman and Chief Executive Officer in April, 1988. She added that the appointee is an exceptional human being, that he has total respect for his support staff, and that he is a clear, concise thinker, and in her opinion, is an outstanding executive.

[redacted] as AT AND T's General Counsel, affirmed that the appointee has never been personally named in lawsuits as an employee of AT AND T.

Date of transcription 1/30/90

On this date, ROBERT EUGENE ALLEN, Chairman and Chief Executive Officer, AT AND T, was contacted by the interviewing agent, who properly identified himself and stated the purpose of the interview. ALLEN then provided the following information:

He said that the information on the SF-86 was complete, accurate, and current. His personal affairs are void of anything that would adversely affect his work for the Advisory Committee, to include personal business credit loans and any civil suits, past or present. He said that he has never been arrested nor been a suspect in criminal proceedings. ALLEN said his entire professional life has been spent as an employee of AT AND T and that he has never been dismissed from, nor denied employment.

ALLEN said that he has had countless contacts with representatives of foreign countries, particularly in his present and most recent positions with AT AND T. If needed, he could obtain a complete listing, but he added that the BUSH Administration is aware of his many dealings with foreign dignitaries in both the public and private sector. Most recently, AT AND T has been meeting with, and hosting representatives from the Peoples Republic of China (PRC), in relation to AT AND T's presence in the telecommunications area as it regards Mainland China.

ALLEN knows of nothing in his personal life that could be used to embarrass or coerce him. In terms of professional complaints or nonjudicial disciplinary action it should be noted that the appointee, as iterated to the interviewing agent, did note as a supplement to the SF-86 the parameters of AT AND T's legal scope and did furnish an encompassing statement. He said that his business interests will not involve conflict of interest allegations.

ALLEN said that he has never had dealings with psychiatrists or those in allied fields. He also stated affirmatively that he has never abused the use of alcohol or used drugs of abuse.

ALLEN said his membership at the BURNING TREE club in Bethesda, Maryland, is noted on the SF-86, as an organization that once restricted membership. ALLEN said he knows of nothing else in his background that would be a barrier to his pending appointment.

ALLEN said that he resigned from the Board of Directors of CITY FEDERAL SAVINGS AND LOAN in 1984. This is noted in view of CITY FEDERAL's recent failed/insolvent status that occurred in December, 1989.

ALLEN could add nothing else to this interview and said if needed, he will provide the complete listing of the pertinent foreign dignitaries he has been in contact with as a ranking executive with AT AND T.
