ENCLOSURE 9-57889-6

TED WALKER

On June 20, 1974, copies of the above letter were furnished to Detective Sergeant [redacted] San Joaquin County Sheriff's Office, and Sergeant [redacted] Stockton Police Department, Stockton, California. b6 b7C

Sergeant [redacted] advised that Walker is well-known to their department as a mental patient. Their files reflect that he lives in the area within the county jurisdiction and he has no guns registered to him nor has he had a gun permit. He was last committed to the Stockton State Hospital on November 17, 1973, after he had gone to a Stockton Ford agency and demanded a car because he felt the State of California owed it to him for past mistreatment, and after his admission that he had telephoned the Stockton State Hospital that he was en route with a shotgun.

Sergeant [redacted] advised that his files also reflect the above committment to the State Hospital and that on November 10, 1973, a man using his name telephoned the State Hospital and said he was en route with a rifle and intended to shoot someone. In 1959 their files listed him as a janitor when he made a theft report concerning the loss of a radio.

The Stockton City Directory listed Ted Walker, and wife [redacted] from 1956 until 1965. His occupation was listed as a firefighter, U. S. Army, driver at Sharpe Army Depot, and his residence at 1721 South Sutter, Stockton. b6 b7C

The files of the Civilian Personnel Office, Sharpe Army Depot, Lathrop, California, reflect that Ted Walker, no middle name or initial, was employed by the Stockton General Depot and the Sharpe Army Depot as a firefighter and a motor vehicle operator. His Social Security Number was listed as 520-26-9317. The file concerning his employment has been forwarded to the Civilian Personnel Records Center, St. Louis, Missouri.

TED WALKER

The files of the FBI Identification Division, Washington, D. C., reflect no criminal record for Ted Walker. He was fingerprinted by the U. S. Army when he entered on April 6, 1942, under Army Serial Number 37087315, and listed his birth data as June 10, 1910, at Ketchum, Oklahoma; on June 28, 1947, as an applicant at Stockton General Depot, when he listed his birth as January 4, 1910; and at an unknown date by the Army Quartermaster Corps, Stockton General Depot, when he listed his birth as January 4, 1910, at Ketchum, Oklahoma.

On June 25, 1974, [redacted] Security, California State Governor's Office, was advised regarding the letter written by Ted Walker, and on June 21, 1974, [redacted] California State Governor's Office, was advised concerning the facts in this matter and given a copy of Walker's letter. [redacted] advised that it is his understanding that the U. S. Secret Service has interviewed Walker in the past. On June 21, 1974, Special Agent [redacted] U. S. Secret Service, Sacramento, California, was advised concerning this matter and furnished a copy of the letter written by Walker. b6 b7C

By report dated June 25, 1974, the FBI Laboratory advised that a search of the Anonymous Letter File revealed no similar letters.

By report dated July 2, 1974, the Latent Fingerprint Section of the FBI Identification Division, Washington, D. C., advised that the latent fingerprints of value located on the above letter and the envelope were not identical to fingerprints of Ted Walker, whose civil fingerprints were on file.

On June 26, 1974, [redacted] California State Department of Mental Health, [redacted] 31 East Channel, Stockton, California, telephone [redacted] advised that [redacted] for Ted b6 b7C

TED WALKER

Walker, 15954 5th Street, Lathrop, California. He has Social Security Number 520-26-9317. She was given a copy of the letter possibly written by Walker and she recognized it as his handwriting and indicative of his feelings toward the Government. He has been in the Stockton State Hospital, but she explained that present state law makes it impossible to keep such patients in the hospital on a permanent basis. Walker was born January 4, 1910, and he is separated from his wife, [redacted] He lives with [redacted] who try to see that he takes his medication. When he does not take his medication he gets very belligerent and threatening. State law prevents disclosure of his mental illness, [redacted] He is slightly paralized, due to a partial stroke, but he is able to get around. [redacted] Walker is being seen by [redacted] Stockton.

b6
b7C

On June 21, 1974, the California Law Enforcement Telecommunications System (CLETS) check revealed that Ted Walker has California driver's license Z670126 with mailing address of Post Office Box 692, Lathrop, California, which will expire on his birthday in 1977. He is described as a white male, American, born January 4, 1910, 5 feet 8 inches, 160 pounds, brown hair, and hazel eyes.

On June 27, 1974, Detective Sergeant [redacted] San Joaquin County Sheriff's Office, Stockton, advised that Walker was arrested that date for lunging at a store clerk

with a knife. The store clerk stated if he had not dodged, the knife would have entered his throat. Walker was jailed.

On July 5, 1974, Deputy District Attorney [redacted] San Joaquin County, Stockton, advised that Walker has been bound over to Superior Court and will be examined to determine if he is able to stand trial for assault with a deadly weapon, a pocket knife. If he is determined to be mentally ill, he will be sent to the State Hospital at Atascadero or possibly released to a foster home where he will be forced to take his medication. b6 b7C

On July 5, 1974, the facts in this case were discussed with Assistant U. S. Attorney [redacted] Eastern District of California, Sacramento, and he declined prosecution of Walker as no federal violation.

405,19.3

DEAR SIR:

I called [redacted] at the Secret Service office here in San Francisco last week and asked the secretary to have him call me when I learned he was out. He chose not to call. Very well, if that is the way things are to be , so be it. Hereafter, you are to communicate only with me by letter as you expect me to do with you. The reason I called [redacted] was to inform the Secret Service that I am now, as of this July, in the process of applying pressure upon the Bank of America for the criminal activities they have been engaging against me since 1962, December five. Specifically this is: 1. Illegal confiscation of monies from my personal checking account. 2. Revealing the amount and nature of my commercial account to a party not an employee of the Bank and without due process of Law; and illegal both by Federal and State Statutes. 3. Revealing through a Bank of America Attorney, by telephone, the commercial checking account amount. 4. Refusing to provide me with a copy of the document by which they gave the money from my account over to a party from the Fresno County Sheriff's Office, by reason of being presented with a document illegal upon it's face and illegal upon it's action. 5. Refusal to summons a member of the Fresno County Sheriff's Office when demanded that they do so by me, [redacted] in person at the [redacted] Branch of the Bank of America. 6. Refusal to give me a letter stating that the Bank of America had obeyed a legal document in tendering over the proceeds of my bank account, commercial account then in the amount of Four Hundred and Fifty One Dollars and some few cents. 7. Illegally taking from my Commercial Checking Account an amount equal to the balance to become due at the end of the next calander month an amount of approximately twenty-eight dolla and applying that amount to the not-in-arrears account for an automobile I was

b6
b7C

purchasing for [redacted] 8. The Bank of America then did conspire to have removed from the Fresno County Court House the legal document by their account, yet in reality illegal both upon it's face and upon it's acti and said document has now been secreted by the Bank of America and this with the full knowledge of the Fresno County Sheriff's Office and the Fresno County Grand Jury of the year 1964. The Bank of American and the parties under the Sheriff of Fresno County, and the members of the Fresno County District Attorney's Office who had participated in this crime, did conspire to have me arrest in an effort to cause me great mental and physical harm, and if not to indirectl cause homicide, then to cause me reason to flee Fresno County in order that I not be around to jeapordize them by revealing their crimes. 9. The Bank of America then did conspire with the District Attorneys Office and the Sheriff's Office of Fresno County to remove from the State of California the individual responsible for the removal of the document from the Fresno County Courthouse. 10. The Bank of America then did conspire to bribe by virtue of a great political contribution to the Ronald Reagan political campaign for Governor, and was re-pa for this contribution by the refusal of the Governor of the State of California, Ronald Reagan, in 1968, 1969, 1970, 1971, and 1972, and the State of California Attorney General, Evelle Younger, in 1969, to prosecute the perpetrators of the above listed crimes committed in Fresno County and Fresno City, California. 11. The Bank of America did not ever return the cancelled and honored checks from my checking commercial account number [redacted] [redacted] Fresno 5, California, at th [redacted] [redacted] Fresno, California, and as of this date, July 13, 1974, havenot officia closed this account. 12. The Bank of America refused in 1962 and 1963 to reveal to me the individual and an attorney working for the Bank of America listed abov and that said individual, and those responsible for the conspiration following the initial violation of Federal and State Banking Law to further stand in viola of additional violations of the State Banking Laws, and do how harbor those

b6
b7C

persons who committed those serious and malicious crimes.

When talking with [redacted] of the World Headquarters of the Bank of America on July 2, 1974, he refused all knowledge of the violations of the law in Fresno County by the Bank of America, said that the matter had never come to the attention of the head-offices in San Francisco, said that the Bank of America could and would not reveal to me the name of the attorney in their [redacted] who revealed the nature of my commercial account number [redacted] to [redacted] nor was there any record of my account in existance at this time, nor was there any record that I had received the cancelled checks from the Bank of America branch at [redacted] California, nor did they have any record of the legal document upon which the payment of the confiscated funds were tendered to the representative of the Fresno County Sheriff's Office of Fresno California, and further, the request of myself, [redacted] to talk to either [redacted] of the Bank of America, or to any number of the Board of Directors of the Bank of America, was denied.

Be it hereby known by you, Mr. Director of the Secret Service of the United States of America, that the above stated crimes did occur, that attempts to cover them by the District Attorney's Office of Fresno County, that attempts to cover them by the Grand Jury of Fresno County of Fresno, California, that attempts to cover them by the California Attorney General, Evelle Younger , and the Governor of the State of California, Ronald Reagan, that attempts to cover them by the United States Justice Department in Washington, D. C. and by all those persons involved in this conspiracy, that all the above stated concerns, are in violation of my Constitutional Rights, my State Constitutional Rights, and of American Indian Law, of which I rely upon when all the laws of the State of California and the laws of the United States are denied me by the officials of those governing bodies. In short, I now consider myself

San Francisco Federal Bureau of Investigation (FBI) files reveal the following information:

[redacted] San Francisco, California, telephone number [redacted] telephonically advised on May 1, 1974, that [redacted] is operated from the room he rents in a downstairs flat at [redacted], San Francisco. He advised that [redacted] is a new organization. It is not incorporated, has no funds or insurance, has no regular officer, and no official membership, and he would describe it as "not really organized at this time." He stated that the purpose of the organization as he plans it at present, is to interest Indians in joining it and to do something for themselves by attempting to see that an Indian is named as a candidate for president. He stated at the present time the contemplated organization has no set principles and its only plan was to attempt to hold their first political

convention and exposition at Tuolumne Meadows in Yosemite National Park. He stated that he hoped he could interest Indians from all over the United States to come to Yosemite for this exposition. He advised that he had contacted numerous individuals by mail but much of the response he had received to date indicated that this was not the year for such a convention, and many of the people contacted had already made plans for June and probably would not attend. At the present time, he had only indications of about ten people that might attend the first national convention of [redacted] He stated that if there is a continued lack of interest in his idea, he probably would cancel the gathering.

He advised that he had talked to the Secret Service in San Francisco on another matter.

[redacted] advised that he knew of no individuals or groups within [redacted] that might engage in any violations of Federal statutes while in attendance at a convention of [redacted] but that if he suspects any, he would notify the FBI. b6 b7C

The files of the U. S. Secret Service, San Francisco office, show that that agency in 1973 had an interest in [redacted] because of a letter he had written which contained possible derogatory remarks regarding the President of the United States and the Governor of California. [redacted] was interviewed by the U. S. Secret Service, at which time he was described as rational and not considered aggressive, and they have no continuing investigation on [redacted] The files of the U. S. Secret Service describe [redacted] as follows:

White, Male, born [redacted] at [redacted], fair complexion, unemployed [redacted] California State Bureau of Criminal Identification and Investigation (CII) Number [redacted] divorced, with former addresses at [redacted] California, and [redacted] New York City, New York, Military Service Number [redacted] Education: [redacted] State Police File Number: [redacted] August arrest record: [redacted]

The only additional description obtained at the time of interview by the FBI was that [redacted] stated his mother was [redacted]

[redacted] San Francisco, California, advised on April 30, 1974, that [redacted] had resided in one of the five rooms she rented out in an old flat at [redacted] that he sometimes was employed [redacted] and that he writes a lot of letters, although she had never heard of [redacted] at that address. She stated that he does not associate generally with the other four people living in the same flat, but in her opinion was definitely a pleasant and stable individual, especially for that neighborhood.

The records of the Pacific Telephone and Telegraph Company show that [redacted] of [redacted] San Francisco, had established service at that address with telephone number [redacted] in July, 1973, at which time he described himself as a [redacted] b6 b7C

The American Indian Center at San Francisco advised on April 30, 1974, that while they maintain lists of all Indian organizations and individuals active in Indian affairs in the San Francisco area, they had no record of [redacted] and [redacted] was unknown to them.

On February 12, 1976, a check of San Francisco Police Department (SFPD) records revealed that [redacted] has SFPD Number [redacted] was arrested by the SFPD on [redacted]

SFPD records describe [redacted] as follows:

Name: [redacted] white male American, born [redacted] at [redacted] blue eyes, gray hair, SFPD Number [redacted], CII Number [redacted] FBI Number [redacted] Social Security Account Number [redacted]

On February 12, 1976, [redacted] SFPD Intelligence Division, was notified of the threat in the letter which was enclosed in referenced Washington Field Office (WFO) airtel.

On February 12, 1976, U. S. Secret Service Agent [redacted] San Francisco, was notified of the threat in the letter which was enclosed in referenced WFO airtel. b6 b7C

On February 12, 1976, Assistant United States Attorney [redacted] was presented with the facts, and was shown a copy of the threatening letter. Assistant United States Attorney Ward declined Federal prosecution in view of the fact that no direct threat was evident.
