SECURITY MATTER - C

Enclosed herewith are five copies of the Summary Report of SA JAMES D. HUPPERT in captioned matter dated July 18, 1952, at Washington, D. C.

The purpose of instant letter is to set out information regarding the subject in possession of the Washington Field Office which, though considered unsuitable for inclusion in details of enclosed report, is felt pertinent in that it gives further indication of past activities of the subject.

WFO 100-1631 is the case file on HELEN MILLER . . . Hatch Act. Serial 75 sets forth names of 81 persons who sent a telegram to the Secretary of Labor on October 3, 1941, demanding HELEN MILLER's reinstatement and that she be given an impartial hearing. Among the senders of this telegram was listed the name of ABE SUROVELL.

WFO 100-18486-5 containing Military District of Washington report dated August 5, 1947, regarding GERALD L. K. SMITH's "Christian Nationalist Rally" held August 3, 1947, at monument grounds, Washington, D. C. The report reads in part as follows: "The comrades and members of its Washington 'red front' organizations, not content to join in 'the silent treatment' of SMITH, decided to go all out and oppose him in true militant revolutionary style." According to this report, a meeting was called thirty minutes before SMITH's speech and approximately 100 Communists and their followers met at 718 Fifth Street, Northwest, for instructions. The Washington Police Department furnished the Military District of Washington with the license numbers of automobiles which brought people to the meeting at 718 Fifth Street, N.W. Included was an automobile registered to ABE J. SUROVELL, 247 Delaware Avenue, S.W.

WFO 100-17070 is the COGOG file in the Washington Field Office. Serial 302 contains a memorandum written by SA WILLIAM R. CORNELISON on March 23, 1948. It states that the agent had examined the address book and calander of ELEANOR CULIEN BELSER, 121 Joliet Street, S.W., on December 23, 1947. Included on the calander, under the unexplaining head, W.C.C.P., was the name ABE SUROVELL. ELEANOR and JOSEPH BELSER are known to the Washington Field Office as quite active in affairs sponsored or dominated by the Communist Party in Washington, D. C.

On the evening of April 6, 1951, Special Agents JOHN B. VAN ETTEN and JOSEPH E. KELLER conducted a surveillance in the vicinity of 125 Joliet Street, Southwest, where a social affair sponsored by the Southwest Branch of the Progressive Party, District of Columbia, was in progress. It was noted that this affair was being held in the apartment of ELEANOR and JOSEPH BELSER. Among the automobiles which were parked in the vicinity and whose occupants entered the above address was an automobile registered to ABE JACK SUROVELL of 1102 46th Street, S.E.

On the evening of June 16, 1951, SA VAN ETTEN and GILBERT G. BENJAMIN took up a surveillance in the vicinity of 4863 Potomac Avenue, Northwest, where the Progressive Party was sponsoring a social function. Observed in the vicinity of the above address was an automobile registered to ABE JACK SUROVELL of 1102 46th Street, S.E., but the occupants of this automobile were not observed.

On December 8, 1951, the Washington Committee to Defend the Bill of Rights held a bizarre at 1867 Kalorama Road, N.W. Special Agents VAN ETTEN, CRAWFORD F. WILLIAMS and WINFRED H. ANDERS observed persons entering and leaving this affair. At 1:18 p.m., an unidentified white man parked his automobile and entered 1867 Kalorama Road, Northwest, and departed at 2:07 p.m. It was found that this automobile was registered to ABE J. SUROVELL, 1102 46th Street, S.E.

It should also be pointed out with reference to information furnished by MAX and HELENE ELITCHER that HELENE ELITCHER has gone into some detail in explaining the workings of the Communist Party group of which she was a member while in Washington, D. C. (This group was the Navy Department cell of the Communist Party which was not identified in the details of enclosed report to avoid possible disclosure of informant's identity.) Mrs. ELITCHER has advised that no Party membership cards were issued and dues were collected by the chairman who was elected for a period of one year. He would then turn the money over to another person who was known to the chairman to be in contact with Communist Party headquarters.

In addition to information reported as coming from MAX ELITCHER, it is further noted that his membership was also in the Navy Department cell of the Communist Party and was continuous from around 1943 to the spring of 1946 or early summer. At that time he advised the chairman of the cell that he was discontinuing his Communist Party membership and returning to New York. The chairman

WFO 100-5587

to whom MAX ELITCHER gave this information was ABE SUROVELL and SUROVELL's membership in the Communist Party was still in effect when ELITCHER left Washington, D. C.

Files of the Washington Field Office also reflect that on October 27, 1950, the subject, ABRAHAM JACOB SUROVELL, testified before the Southern District of New York Grand Jury which was considering the allegations of espionage brought against one MORTON SOBELL. At this time SUROVELL refused to answer any questions of the Grand Jury on grounds of possible self-incrimination.

T-8, of known reliability, advised in early 1943 that SIDNEY KATZ was a leader in the formation of the United Federal Workers of America, CIO. T-8 [REDACTED] and knew him as a close associate of several individuals known to T-8 as members of the Communist Party. T-8 further advised that Communists who had talked with T-8 about Communist matters had admitted the connection between SIDNEY KATZ and the Communist Party. T-8 stated that this statement also applied to Mrs. KATZ, JULIA SERGOVICS KATZ. b7D

The "Daily Worker" (East coast Communist newspaper) of November 14, 1942, identified JULIA KATZ as a newly elected national director of the CIO Women's Auxiliaries and listed her among the women who had, under Communist auspices, signed and sent a telegram of encouragement to the women of Russia, England and China.

T-9, of known reliability, advised May 23, 1945, that JULIA KATZ's name appeared on a memorandum, headed Unity Club, in the CPA (Communist Political Association), headquarters at 201 West Franklin Street, Baltimore, Maryland. T-9 could not attach special significance to this information.

T-10, of known reliability, advised in early 1944 that A. J. and E. S. SUROVELL moved from 2408 57th Avenue, Tuxedo, Maryland, to Washington, D. C., approximately June 1, 1943. T-11, of known reliability, advised at the same time that T-11 remembered ABRAHAM SUROVELL having lived with Mr. and Mrs. SIDNEY KATZ at the Tuxedo, Maryland, address. T-11 stated that all of these individuals moved from that address in June or July, 1943.

The Credit Bureau Report on the SUROVELLS reflects they resided at 247 Delaware Avenue, Southwest, upon their return from Tuxedo, Maryland. The City Directory for 1948 lists this as their street address and their apartment number as 305. The Credit Bureau information further indicates that the SUROVELLS lived on Delaware Avenue, S.W., for five years prior to moving to 1102 - 46th Street, S.E., in June, 1948. The subject advised in August, 1950, that he resided at 247 Delaware Avenue, Southwest, from August 1943 to May 1948, at which time he moved to 1102 - 46th Street, Southeast. This latter address is subject's present place of residence.

T-2 had previously furnished pertinent information regarding subject on September 7, 1950. The informant attended many Communist Party meetings in Washington, D. C., during the period 1943-46 and remembered definitely that ABE and ESTHER SUROVELL were members of T-2's particular group. T-2 could not furnish the exact dates of their membership, but believed they were affiliated with this group throughout the 1943-46 period.

According to T-2, all members of this group were affiliated with the United Federal Workers of America and affairs of the Union were frequently discussed at the meetings. However, T-2 stated there was absolutely no possibility that a person could presume that these were Union meetings and not meetings of Communist Party members. T-2 did not provide specific dates on which meetings took place but stated that the meetings occurred normally every two weeks.

T-3 has advised that T-3 joined the United Federal Workers of America in Washington, D. C., in 1942 or 1943 and was active in Communist Party work, Washington, D. C., until 1948. T-3 knew ABE SUROVELL as a Communist Party member throughout the above period.

Reference has been made to information supplied by the subject on August 28, 1950. The following is quoted as a portion of a voluntary statement made by the subject at that time:

" . . . I have never been and I am not now a member of the Communist Party. My wife is not and has never been a member of the Communist Party . . . I have no friends or acquaintances who are members of the Communist Party, as far as I know. I have never attended a meeting of the Communist Party."

As previously mentioned, T-4 furnished information on the SUROVELLS on June 5, 1952. Although T-4 had no information revealing subject to be a member of the Communist Party, informant stated that SUROVELL and his wife have been sympathetic with Communist Party policies and programs.

I did this because I read in the paper that it was a Communist organization. I also recall attending a meeting of the American Youth Congress sometime in 1940 or 1941. . . . I did not attend as a delegate or an official but merely at the invitation of someone I cannot now recall. I was never a member of the American Peace Mobilization or any other organization of this kind as far as I can remember."

In December, 1951, the captioned committee was organized in Washington, D. C., to assist in MARIE RICHARDSON's defense. On February 8, 1952, T-4 advised that the majority of the members of this committee were Communists and that the committee was controlled and dominated by the Communist Party.

On January 12, 1952, this committee gave a benefit party at 641 Fourth Street, Northeast. The affair was raided by officers of the Washington Police Department because liquor was being illegally dispensed. The Washington Field Office obtained a photograph of a person believed to be the subject on December 8, 1951. A copy of this picture was displayed to Mrs. JOHN KNOY, 1100 46th Street, S.E., on February 15, 1952, who identified it as APE SUROVELL of 1102 46th Street, Southeast.

Information has been reported in the details of instant report as furnished by the subject. An explanation of the circumstances which brought about his being interviewed by Bureau Agents follows herewith:

These interviews were conducted in connection with the investigation of MORTON SOBELL, was., Espionage - R, WFO 101-2316. SUROVELL was first interviewed at the Washington Field Office on August 28, 1950, at which time he stated he had never known MORTON SOBELL. It was also at this time that he made his voluntary statement denying any Communist Party affiliations whatsoever on the part of himself and his wife.

SUROVELL was re-interviewed at the Washington Field Office on September 21, 1950, and repeated he had never known MORTON SOBELL. He added that he did not care to discuss membership in the Communist Party at that time.

SUROVELL's wife was contacted on October 2, 1950, and had no comment to make to representatives of the FBI. She suggested that her husband be consulted and upon recontact with subject, SUROVELL stated he could offer no further information and again declined to discuss membership in the Communist Party.

SECURITY MATTER - C

Abraham Jacob Surovell was born on March 2, 1920, at Brooklyn, New York. He presently resides at 1102 46th Street, S. E., Washington, D. C. He has been the subject of a security investigation since July, 1952, and is on the Security Index. A summary report was prepared by the Washington Field Office on July 18, 1952, and a supplemental summary was prepared on June 22, 1953. The case is now in a closed status.

Investigation reflects that subject was a member of the Communist Party, Washington, D. C., from 1943 to 1948. He has been closely associated with the following Communist Party-sponsored groups: American Youth Congress, American Peace Mobilization, Town Meeting of Youth, Washington Book Shop Association, Progressive Party, Washington, D. C., Emergency Committee To Defend Marie Richardson, and the Washington Committee To Defend The Bill Of Rights.

During an interview with Max Flichter, Flichter identified Surovell as a member of the Navy Department cell of the Communist Party in Washington, D. C., from 1943 until 1948. Flichter ceased his Party activities in August, 1948, and moved to New York City. He believed that Abraham Surovell was Chairman of the Navy Department cell at that time.

A review of subject's personnel file maintained by the Navy Department disclosed that Surovell was employed by the Navy Department on February 9, 1942 as an engineer. He was granted military leave on December 1, 1942, and he returned to his position with the Navy on February 18, 1946. He resigned his employment with the Navy on June 27, 1947, to accept a position in private industry. He is presently employed at Federal Graphics, 1129 Vermont Avenue, Washington, D. C.

On August 28, 1950, Abraham Surovell was interviewed by Agents of the Washington Field Office. He said that he was not at that time and had never been a member of the Communist Party. He added that his wife, Esther, was not and had never been a member of the Communist Party. Surovell testified before the Southern District of New York Grand Jury, which was considering the allegations of espionage brought against one Martin Sobell. At that time, Surovell refused to answer any questions of the Grand Jury on grounds of possible self-incrimination.

In view of subject's Security Index status, copies of all investigative reports have been furnished to the Department. Reports were not previously disseminated to ONI as the subject has not been employed by the Navy since 1947, and ONI had no apparent interest.

Subject's identity and a synopsis of his activities, as well as his employment by the Navy were furnished to ONI in a report entitled "Communist Party, USA, District #4, Washington, D. C., (Navy Department cell) Internal Security - C." This report was dated May 22, 1953, and was furnished to ONI June 5, 1953. This report was also furnished to the Department.

and his wife, ESTHER SUROVELL, reside next door to her at 1102 46th Street, S. E. Mrs. KNOX advised that during the past year she has learned of no activity or statements on the part of the subject or his wife which would indicate any adherence to Communist ideology or which would indicate any attitude contrary to the best interests of the United States.

B. Employment

[REDACTED] b7E on November 9, 1955, it was established that ABRAHAM SUROVELL is employed at the Atlantic Map Company, Room 1101, Warner Building, 13th and E Streets, N. W., Washington, D. C.

C. Credit

The files of The Credit Bureau, Incorporated, 1221 G Street, N.W., Washington, D.C., as reviewed by SE NICHOLAS R. MANFREDA on November 9, 1955, reflected that the subject and his wife had a satisfactory credit rating as of January 14, 1954, and contained no additional information.

II. CONNECTIONS WITH COMMUNIST FRONT ORGANIZATIONS

T-1, who has furnished reliable information in the past, advised on February 10, 1955, that the subject was registered as a member of the Progressive Party in the District of Columbia (PP DC) in 1954.

The National Committee, Communist Party, USA, in issuing its final text of the "Resolution Growing Out of the Presidential Elections" in "Political Affairs," issue of July, 1953, states in substance that in 1948, the Communist Party helped stimulate the formation of the Progressive Party and correctly supported the Progressive Party through the 1952 elections. It then states:

"However, the mistake our Party made was to confuse this task with the historical task of forming a new mass party of the people. As a consequence, there existed the wrong estimate that the formation of the Progressive Party represented something more than the simple emergence of an important fighting force for peace; that it represented the emergence of a mass people's Party."

WFO 100-5587

As a result of this reasoning, the resolution concludes that the "Progressive Party, the Communist Party and other Communist forces" must unite in a broad mass-front coalition.

Concerning "Political Affairs," mentioned above, ELIZABETH GURLEY FLYNN, a convicted party functionary, testified in the case entitled "United States versus ELIZABETH GURLEY FLYNN, et al," on October 20, 1952, that "Political Affairs" has been the theoretical organ of the Communist Party since the publication's beginning in 1945.

The Communist Party (CP) has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

T-1 advised on January 31, 1955, that the leaders of the PP DC were either CP members or sympathizers, who never, to the informant's knowledge, opposed any CP issue or program, and who have on occasion adopted resolutions introduced at the direction of the CP.

On the evening of April 16, 1955, Special Agents of the Federal Bureau of Investigation observed two couples emerge from the subject's automobile, a 1953 Plymouth bearing Washington, D.C. license AJ 1506, in the vicinity of 8321 Tahona Drive, Silver Spring, Maryland. The two couples were observed to enter the residence at 8321 Tahona Drive, Silver Spring, Maryland. During the course of the evening, more than twenty other persons were observed entering the same residence.

[REDACTED]

b7D

On May 23, 1955, T-2 advised that ABE SUROVELL attended a "hoedown" on Wednesday evening, May 18, 1955, at Odd Fellows Hall, 9th and T Streets, N. W., Washington, D. C., sponsored by the PP DC.

WFO 100-5587

W., Washington, D. C., in honor of HELEN and BILL SHONICK and FLORENCE and SOL TABOR, both of which couples were planning to leave Washington, D. C., in the near future.

HELEN and IRVING WINIK and HELEN and BILL SHONICK were identified by T-1 in February, 1953, as current members of the CP in the Washington, D. C. area at that time.

T-3, who has furnished reliable information in the past, advised in March, 1953, that SOL TABOR was known to him in approximately 1951, as a member of the CP in the Washington, D. C. area.

HERBERT FUCHS, 2220 49th Street, N. W., Washington, D. C., an admitted former member of the CP and the Communist Political Association (CPA), 1934-1946, who was active in secret U. S. Government CP groups in a leadership capacity in Washington, D. C., and in Denver, Colorado, 1936-1946, advised on August 23, 1955, that DAVID REIN, mentioned above, was a member of the Secret U. S. Government CP group at the National Labor Relations Board (NLRB) during the period October, 1937, to mid-summer, 1942. FUCHS was unable to give the exact dates of REIN's CP membership, but stated that it comprised almost the entire period that REIN was employed by the NLRB.

REIN's personnel file at the NLRB indicates that he was employed by that agency from March 16, 1938, to July 20, 1942.

The CPA has been designated by the Attorney General of the U. S. pursuant to Executive Order 10450.

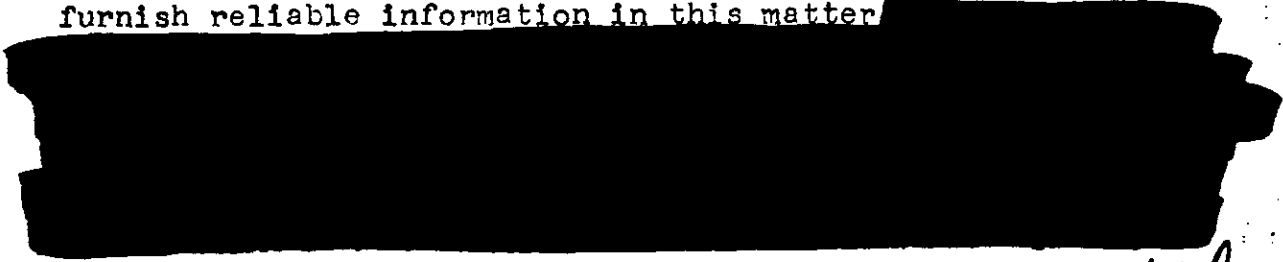

At 8:35 p.m. on January 6, 1956, a Special Agent of the FBI observed MEYER SAMOLS, identified by T-3 on February 12, 1954, as a current CP member, enter subject's residence at 1102 46th Street, S. E.

APPENDIX

WASHINGTON SOBELL COMMITTEE, also known as, Sobell Committee of Washington, Committee to Secure Justice in the Rosenberg Case, Rosenberg-Sobell Committee of Washington, D. C., Committee for the Release of Morton Sobell

An informant, who has supplied reliable information in the past, on March 7, 1952, reported that the Washington, D. C., chapter of the National Committee to Secure Justice in the Rosenberg Case was at that time operating in the District of Columbia. The informant subsequently identified this group as the "Washington Committee to Secure Justice in the Rosenberg Case."

An informant, who has supplied reliable information in the past, in September, 1953, reported that the District of Columbia group of the National Committee to Secure Justice in the Rosenberg Case, known as the "Rosenberg-Sobell Committee of Washington, D. C.," was becoming active in the District of Columbia for the purpose of vindicating the Rosenbergs and obtaining the release of MORTON SOBELL.

The informant noted above, who reported on March 7, 1952, again reported on December 30, 1954, that the Washington, D. C., Group of the National Committee to Secure Justice in the Rosenberg Case was known at that time as the "Committee for the Release of Morton Sobell."

An informant, who is in a position to supply reliable information, on May 21, 1956, made available information reflecting the name of the District of Columbia group of the National Committee to Secure Justice in the Rosenberg Case at that time to be "Sobell Committee of Washington."

A previously referred to informant on August 21, 1953, reported that of eighteen persons making up the "working" members of the Washington Committee to Secure Justice in the Rosenberg Case who took part in arranging the activities of this group, ten were known to the informant as being members of the CP. Informant added that the activities of this group were controlled by the CP. This informant reported on December 30, 1954, that the Rosenberg-Sobell Committee of Washington, D. C., must receive approval for its present activities from the National Headquarters of the National Rosenberg-Sobell Committee.

WFO 100-5587

An informant, who has supplied reliable information in the past, on September 25, 1956, reported that the Sobell Committee of Washington continues to function in the District of Columbia. This informant on the same date made available information reflecting that this organization currently used the name, "Washington Sobell Committee."

The National Committee to Secure Justice in the Rosenberg Case (NCSJRC) maintains national headquarters in Room D, 940 Broadway, New York City, and the mailbox servicing this office is labeled "Sobell Committee."

JULIUS and ETHEL ROSENBERG and MORTON SOBELL were convicted in the United States District Court, Southern District of New York, on March 29, 1951, of conspiracy to commit espionage on behalf of the Soviet Union. The ROSENBERGS were sentenced to death on April 5, 1951, and MORTON SOBELL to thirty years imprisonment on the same date. JULIUS and ETHEL ROSENBERG were legally executed at Sing Sing Prison, Ussining, New York, on June 19, 1953, and MORTON SOBELL is currently serving his sentence at the United States Penitentiary, Alcatraz, California.

HOWARD RUSINGRE, a newspaper reporter with the "New York Journal American," advised in January, 1952, that the NCSJRC was formed on January 2, 1952, for the purpose of obtaining a new trial for the ROSENBERGS.

A confidential informant, who has furnished reliable information in the past, advised on May 9, 1956, that the NCSJRC was attempting to keep alive the Rosenberg Case and to fight for the release of MORTON SOBELL. He stated that the CP took an extremely active part in assisting the committee.

THE PROGRESSIVE PARTY OF THE DISTRICT OF COLUMBIA (PPDC)

On January 15, 1948, Mrs. MARY STALCUP MARKWARD, an admitted member of the CP and CPA in Washington, D. C., 1943-1949, advised that at a meeting of the City Committee of the CP of the District of Columbia on January 11, 1948, motions were passed to set up a Political Action Committee in Washington, D. C., for the purpose of coordinating all activity with regard to the "Third Party Movement." It was decided to set up "Wallace for President Clubs" in Washington, D. C. These groups subsequently became the PPDC. On December 17, 1951, Mrs. MARKWARD advised that the PPDC during the years 1948 and 1949 was dominated and controlled by the CP of the District of Columbia.

An informant, who has furnished reliable information in the past, on February 25, 1952; November 14, 1952, November 27, 1953; and January 31, 1955, identified the leaders of the PPDC, as of the above dates, as either CP members or CP sympathizers. This informant added that the PPDC has never opposed the CP on any issue or program.

It is noted that an informant, who has supplied reliable information in the past, on February 8, 1956, reported that the PPDC was dissolved on February 7, 1956.

Regarding the National Progressive Party, it is noted that the National Committee, CP, USA, in issuing its final text of the "Resolution Growing Out of the Presidential Elections" in "Political Affairs," issue of July, 1953, states in substance that in 1948 the CP helped stimulate the formation of the Progressive Party and correctly supported the Progressive Party through the 1952 elections. It then states:

"However, the mistake our Party made was to confuse this task with the historic task of forming a new mass party of the people. As a consequence, there existed the wrong estimate that the formation of the Progressive Party represented something more than the simple emergence of an important fighting force for peace; that it represented the emergence of a great mass people's Party."

~~CONFIDENTIAL~~

WFO 100-5587

As a result of this reasoning, the resolution concludes that the "Progressive Party, the CP and other progressive forces" must unite in a broad, mass-front coalition.

Concerning "Political Affairs," mentioned above, ELIZABETH GURLEY FLYNN, a convicted CP functionary, testifying in the case, "U. S. vs. ELIZABETH GURLEY FLYNN, ET AL," on October 20, 1952, stated that "Political Affairs" has been the theoretical organ of the CP since the publication's beginning in 1945.

T-1 stated that subject would reside as of April 15, 1957 at 76-12 166th Street, Flushing, Queens Borough, New York, but had retained the right of occupancy to his residence in Washington, D. C., until May 1, 1957.

T-2 continued that subject's wife, ESTHER SUROVELL would remain in Washington, D. C., with their children until April 30, 1957, at which time she would join her husband in New York City.

ESTHER SUROVELL, mentioned above, was identified during the late 1940's by T-3 as a member of the Navy Yard Department Cell of the Communist Party at Washington, D. C., during the period 1942-1948. On April 12, 1957, T-2, described above, advised that subject's Washington, D. C., employer, the Atlantic Map Company, Warner Building, had sold this business and was moving its office and staff to New York City.

II. MISCELLANEOUS

On December 13, 1956, T-4, who has furnished reliable information in the past, reported that subject had been among the 55 people present at a social affair held at the residence of IRVING and HELEN WINIK, 3900 McKinley Street, N.W., on December 8, 1956. T-4 continued that Dr. ANNETTE T. RUBENSTEIN, the featured speaker, spoke concerning her recent book "I Vote My Conscious" about the life of the late VITO MARCANTONIO.

On February 26, 1953, T-5 identified IRVING and HELEN WINIK, mentioned above, as current members of the Communist Party. T-5 has furnished reliable information in the past.

On December 10, 1956, T-6 identified Dr. ANNETTE T. RUBENSTEIN, mentioned above, as a member and one-time candidate of the American Labor Party. T-6 has furnished reliable information in the past.

T-7, who has supplied reliable information in the past, advised on September 9, 1954, that from the time of its inception in 1936 there existed within the American Labor Party (ALP) a struggle for power among three groups. These were the Communist Party, the Socialist Party, and the Social Democrats. By the early 1940's the Communist Party emerged as the controlling force within the ALP in the major industrial area in New York State. Generally these were the areas around Albany, Buffalo, Jamestown, Rochester, Schenectady, Syracuse, Troy and the Hudson River Valley; Columbia, Dutchess, Nassau, and Westchester Counties; and New York City with the exception of Brooklyn. In 1942 the Communist Party was able to capture the ALP in Brooklyn. Informant knew this situation to continue up until at least 1949. The ALP never developed into an organization of any real consequence in the nonindustrial areas of the New York State.

WFO 100-5587

T-8, who has furnished reliable information in the past, advised on May 4, 1956, that the Communist Party then as in the past through its members in key positions in the ALP constituted the force that controlled it.

On October 7, 1956, PETER HAWLEY, New York State Chairman, ALP, announced the ALP State Committee unanimously approved a resolution dissolving the organization and ordering the liquidation of its assets.

LOUIS F. BUDENZ, former Managing Editor of the "Daily Worker," an east coast Communist newspaper, advised on August 8, 1950, that "as early as the late 1930's I was advised by EARL BROWDER that VITO MARCANTONIO was a close friend of the party but it was not until the early 1940's that I was definitely advised by JACK STACHEL that VITO MARCANTONIO had agreed to be under Communist discipline."

EARL BROWDER was the former General Secretary of the CPUSA; JACK STACHEL was a former CP functionary in New York.

On February 5, 1957, T-9, who was in a position to furnish reliable information in the past, related that ABE and ESTHER SUROVELL, 1102 46th Street, S.E., Washington, D. C., were among the individuals who forwarded Christmas greeting cards during 1956 to MARIE RICHARDSON HARRIS at the Federal Reformatory, Alderson, West Virginia.

MARIE RICHARDSON HARRIS, noted above, was convicted on February 28, 1952, in the United States District Court for the District of Columbia for violation of Section 1001, Title 18, United States Code. Following appeals she was committed to the District of Columbia Jail on July 1, 1954, and on September 13, 1954, was transferred to the Federal Reformatory for Women, Alderson, West Virginia.

On February 26, 1953, T-5, described above identified MARIE RICHARDSON HARRIS as a current member.

On March 5, 1957, T-6, described above, reported that a

III. RESULTS OF INTERVIEW

Subject was contacted without prior notice in the vicinity of 13th and F Streets, N.W., on April 12, 1957, by SAs DAVID P. HURLEY and G. MAYLON MILLER. Upon being advised of the identity of the interviewing agents subject stated that he had "nothing to say to the FBI." Upon being further advised that he was as yet unaware of the nature of the agents inquiry SUROVELL indicated that it made no difference. SUROVELL was then informed that the interview was in connection with his affiliation with certain organizations which had been designated by the Attorney General of the United States pursuant to Executive Order 10450. He immediately replied that he did not care to discuss these affiliations. Inquiry was then made as to whether he was desirous of further considering this matter and being contacted at a later date. He then stated categorically that he had nothing to say at this time and that he would have nothing to say to this Bureau at any future time. Further attempts to engage him in conversation resulted in his repeating "I have nothing to say. I don't care to talk to you." At this point the interview was terminated.

BACKGROUND

Residence and Employment

On July 22, 1957, Mrs. DOROTHEA SMITH, 76-18 166th Street, Flushing, Long Island, New York, advised SA TOY J. FUSON, JR., that she did not know the subject by name. However, Mrs. SMITH did state that the owner of the house at 76-12 166th Street had related to her that a family who had formerly resided in Washington, D.C., had moved into the second floor apartment at 76-12 166th Street, Flushing, Long Island, New York.

On July 24, 1957, HUGH MALLARD, 76-12 166th Street, Flushing, Long Island, New York, advised SA FUSON that ABE SUROVELL resides at that address with his wife, ESTHER, and children. MALLARD said the subject had recently moved from Washington, D.C. *MRS. DE KATHLEEN SUROVELL*

SUROVELL
Mr. MALLARD further related that the subject was employed in Brooklyn, however, he did not know the name of the company.

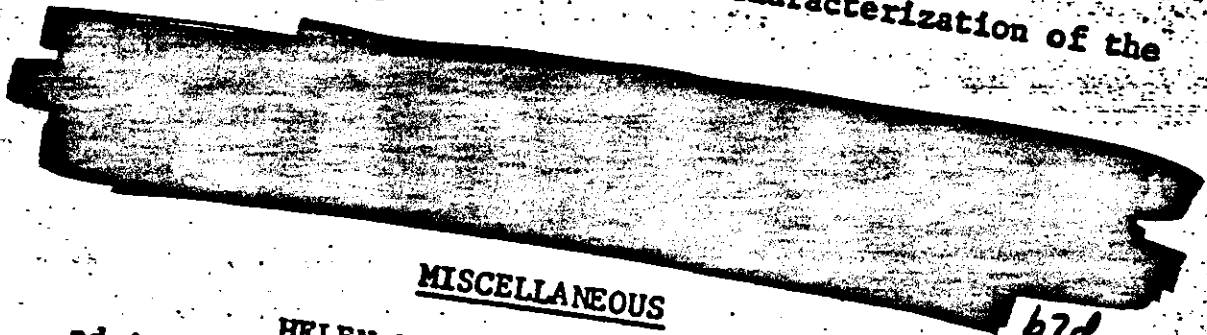

Mr. MALLARD revealed that the subject obtained the apartment at that address through some relatives in the neighborhood, names not recalled. He explained that the business was transacted over the telephone and he knew none of the subject's relatives or associates.

 67E
A person who identified himself as Mr. ROTTENBERG, the owner, revealed that SUROVELL was employed by that company as a salesman. Further, he related that the subject was formerly employed by their company in Washington, D.C., for two years.

APPENDIX

The Rosenberg-Sobell Committee of Washington, D.C.

An informant, on March 7, 1952, reported that the Washington, D.C., chapter of the National Committee to Secure Justice in the Rosenberg Case was at that time operating in the District of Columbia. The informant subsequently identified this group as the "Washington Committee to Secure Justice in the Rosenberg Case."

An informant, in September, 1953, reported that the District of Columbia group of the National Committee to Secure Justice in the Rosenberg Case, known as the "Rosenberg-Sobell Committee of Washington, D.C.," was becoming active in the District of Columbia for the purpose of vindicating the Rosenbergs and obtaining the release of MORTON SOBELL.

The informant noted above, who reported on March 7, 1952, again reported on December 30, 1954, that the Washington, D.C., Group of the National Committee to Secure Justice in the Rosenberg Case was known at that time as the "Committee for the Release of Morton Sobell."

An informant, on May 21, 1956, made available information reflecting the name of the District of Columbia group of the National Committee to Secure Justice in the Rosenberg Case at that time to be "Sobell Committee of Washington."

A previously referred to informant on August 21, 1953, reported that of eighteen persons making up the "working" members of the Washington Committee to Secure Justice in the Rosenberg Case who took part in arranging the activities of this group, ten were known to the informant as being members of the CP. Informant added that the activities of this group were controlled by the CP. This informant reported on December 30, 1954, that the Rosenberg-Sobell Committee of Washington, D.C., must receive approval for its present activities from the National Headquarters of the National Rosenberg-Sobell Committee.

~~CONFIDENTIAL~~

NY 100-131534

An informant, on September 25, 1956, reported that the Sobell Committee of Washington continues to function in the District of Columbia. This informant on the same date made available information reflecting that this organization currently used the name, "Washington Sobell Committee."

The National Committee to Secure Justice in the Rosenberg Case (NCSJRC) maintains national headquarters in Room D, 940 Broadway, New York City, and the mailbox servicing this office is labeled "Sobell Committee."

JULIUS and ETHEL ROSENBERG and MORTON SOBELL were convicted in the United States District Court, Southern District of New York, on March 29, 1951, of conspiracy to commit espionage on behalf of the Soviet Union. The ROSENBERGs were sentenced to death on April 5, 1951, and MORTON SOBELL to thirty years imprisonment on the same date. JULIUS and ETHEL ROSENBERG were legally executed at Sing Sing Prison, Ossining, New York, on June 19, 1953, and MORTON SOBELL is currently serving his sentence at the United States Penitentiary, Alcatraz, California.

HOWARD RUSHMORE, a newspaper reporter with the "New York Journal American," advised in January, 1952, that the NCSJRC was formed on January 2, 1952, for the purpose of obtaining a new trial for the ROSENBERGs.

An informant advised on May 9, 1956 that the NCSJRC was attempting to keep alive the Rosenberg Case and to fight for the release of MORTON SOBELL. He stated that the CP took an extremely active part in assisting the committee.
