political, social, and economic condition in North Africa, the
west coast, the east coast, South Africa and in Kenya. She
stated that Africa is in tumult and the Natives are on the
march for freedom from their oppressors.

The Council on African Affairs is attempting to help Africa in her struggle by distributing accurate information and to help economically. Also to fight for Africa in the United Nations, for freedom is Africa goal! Funds were solicited by Mr. Nelson for the Council on African Affairs by raffling off of 2 books, and the sales of Council Literature and pins "Africa must be Free." Funds also were solicited for a weiny roast on Sat. night after midnight, which did not turn out right, due to too many activities for one night, however it was announced at breakfast those persons donating, see Mr. Nelson for refund.

Re memo of SA THOMAS J. CROKE, 4/8/55.

On 4/7/55 [redacted] National Bank of Pawling, Pawling, NY, advised SA HEINZ H. EISELE that the Wingdale Lodge, Inc. had leased the property presently occupied by Camp Unity. The NYO of the Wingdale Lodge was located at 202 West 40th St., NY, NY. The General Manager is KEN FRIEDMAN. b7d

[redacted] advised that the Wingdale Lodge, Inc. uses the Trade Bank and Trust Company, 7th Avenue and 38th Street, NY, NY.

On 4/12/55 [redacted] County Building, Poughkeepsie, NY, advised that normally leases are not filed in the Dutchess County Clerk's Office. He stated that the office will not accept the filing of leases unless the lease is for a period in excess of three years. He stated that he had previously received a ruling from one of the New York State Administrative Officers in Albany, NY, that leases for a period of less than three years is not such a property interest as should be filed in the County Clerk's office. b7d

On [redacted] Poughkeepsie, NY, advised that he had gone to the property of Camp Unity on [redacted] and while there had met two persons who purported to be presently operating the camp. One of these persons was named FRIEDMAN and he was described as follows:

Build	Stocky
Age	35 - 40 years
Height	5'6"
Weight	170 lbs.
Complexion	Fair
Hair	Brown - balding.

The second owner was described as follows:

Race	White
Age	40 - 45 years
Height	6'
Build	Slender
Hair	Light Brown
Eyes	Wears glasses

[redacted] advised that there was a woman with these two men, but that he did not know what connection this woman had with the men or with the camp. He described this woman as follows: b7d

Race	White
Height	5'4"
Build	Heavy
Age	47 - 50 years
Hair	Dark Brown
Complexion	Dark
Peculiarities	Wart on tip of nose.

[redacted] advised that from statements made by the persons he met it would appear that they were contemplating operating a "day camp" for children at the present grounds of Camp Unity. [redacted] advised [redacted] that disclosure of his name would jeopardize his business. He requested his identity be kept confidential. b7d

On 4/13/55 [redacted] Dover Plains National Bank, Dover Plains, NY, advised that he had talked to LOUIS PASTERNAK, a few days before the interview. The specific date was not recalled. [redacted] stated that PASTERNAK appears to be extremely anxious to sell the property occupied by Camp Unity. PASTERNAK is reported to have stated that the quota of the present mortgage on the camp property is "being difficult" in regard to settling the mortgage. PASTERNAK stated that he could compel the present mortgage holder to continue with the mortgage if the property was sold by instituting a court proceeding against the mortgage holder. b7d

MEMO
NY 100-79725

5/4/55

PASTERNAK stated, however, that he did not desire to institute legal proceedings. According to [redacted] the mortgage holder desires that the mortgage be "paid" in the event that the property is sold. PASTERNAK stated that the mortgage was in the amount of approximately thirty-three thousand dollars, according to PASTERNAK'S statement. b7d

[redacted] advised that PASTERNAK or any other owner would undoubtedly have difficulty obtaining a mortgage as large as the present mortgage. He stated that inasmuch as the property is a summer camp that it is considered to be a "high risk" and it is doubtful that any bank or normal source of funds would issue a mortgage in that amount. He stated that for this reason PASTERNAK apparently wants the present mortgage continued inasmuch as it would aid in the resale of the property if the new owner could assume the present mortgage. b7d

[redacted] also stated that he has been told by [redacted] Insurance Broker, Pawling, New York, that [redacted] is no longer writing the insurance for Camp Unity. [redacted] stated that [redacted] indicated that [redacted] did not want to be in a position of being criticized by the residents of Pawling for having written insurance on a Communist dominated camp. [redacted] stated that it would appear that PASTERNAK would have difficulty in obtaining insurance coverage for the camp inasmuch as many insurance agents and companies would refuse to write insurance on a camp that has a reputation of being a Communist dominated camp. b7d

PASTERNAK stated to [redacted] that he, PASTERNAK, has no connection with the group that has leased the camp. The terms of the lease are not known to [redacted] nor does [redacted] know whether a lease has definitely been entered into. [redacted] stated, however, that if there is a lease that it is probably of a short term duration inasmuch as PASTERNAK has stated that he has a prospective buyer. b7d

MEMO
NY-100-79725

5/4/55

PASTERNAK advised that JULIAN HUNT, who has been mentioned in previous memorandums was attempting to arrange for the purchase of Camp Unity. [REDACTED] stated that HUNT was attempting to arrange for this sale so that, HUNT, could collect the real estate commission. b7d

[REDACTED] advised that the Loujack Camp Corp. account is still maintained at the Dover Plains Bank. He advised that the present balance of the account is \$1,581.18. He reiterated, as has been previously reported, that the Lake Ellis Camp Corp. paid rent to the Loujack Camp Corp. on a yearly basis. b7d

[REDACTED] stated that PASTERNAK has indicated that the camp has not been operating at a profit for the last couple of years. [REDACTED] stated that PASTERNAK does not appear to have any cash reserves at his command and that he apparently spent his available surplus when he built the social hall on the camp grounds in 1954. [REDACTED] stated that the social hall, while it used PASTERNAK'S cash reserves, was necessary inasmuch as the property could not be operated adequately as a camp without such a social hall. b7d

[REDACTED] quoted PASTERNAK as having stated that it was believed that the camp would be operated during the coming summer to handle children as well as adults. It is to be noted that this tends to confirm the information reported by [REDACTED] as advised that the camp might be operated as a "day camp". In the area the expression "day camp", [REDACTED] means that children are taken care of at the camp on a short term or daily basis. b7d

[REDACTED] both requested that their identities be kept confidential. They stated that information in their possession, has obtained from records, is protected by state law. They also stated that disclosure of their identities would injure their social and business positions in the community. b7d

MEMO
NY-100-79725

5/4/55

[REDACTED] Dover Plains, NY, on 4/13/55 advised that he could furnish no information regarding current activities of the camp. b7d

[REDACTED] advised that he anticipated that the camp season would commence around the first of July. b7d

It is suggested that a lead be set forth for the writer, after the camp season commences, to search the records of the county clerk's office in the name of the organization that is to operate the camp during the summer season. It is possible, after the camp season starts, that the company that will operate the camp will file various documents at the county clerk's office in order to facilitate their doing business with local merchants. It is not anticipated that those documents will be filed until they are actively engaged in business in the area.

On that date, SAS EUGENE F. FITZPATRICK and EDWARD J. KARNIS observed WOFSY leave his residence in the Bronx at about 8:44 A.M. and proceed to 56 Seventh Avenue, New York City. After entering the building at that address, WOFSY proceeded by elevator to either the tenth or the eleventh floor.

The informant in a handwritten report dated 10/8/56 furnished some of the details of a symposium held at the JSSS on the draft resolution for the 16th National Convention of the CP. The report, as written by the informant, is herein set forth in its entirety: (C)

On October 5 8p.m. at the Jefferson School Sixth Ave. at 16th Street there was a symposium on the Draft Resolution for the 16th National Convention of the Communist Party. The panel of speakers were: John T. Mc Manus, General Manager of the National Guardian, Joseph R. Starobin ex communist and ex foreign editor of the Daily Worker, Sydney Stine of the National Committee of the Communist Party, Dr. Howard Selsam director of the Jefferson School was the Moderator.

Mc Manus opened the discussion. He said he was opposed to the Communist changing into a less radical and more of a liberal party. He said the C.P. must remain a revolutionary party. He said he felt there was a tendency at this present time in the C.P. away from its revolutionary past and towards liberalism. This he was definitely against. Mc Manus gave the impression that his fears were that the C.P. might become so liberal as to usurp the place in society held by the "Guardian" and the group around it.

Starobin said he left the C.P. because long before this discussion started in the C.P. he wanted to express some contrary views but he found no place

~~CONFIDENTIAL~~

NY 100-51820

to air his views. He thinks the C.P. as constituted has outlived its usefulness and should be reconstituted or drastically changed.

Sid Stine assured them that there would be a C.P. regardless of the name. A broad party and taking in many points of view maybe but definately a party of Socialism. He rejected all ideas of disbanding or liquidating the C.P. but would settle for a an organization that would take in all who wanted and was willing to work for Socialism.

Over 200 people attended this meeting and among those present were noted:

Starobin was attacked from the floor by Esther Carrol but several people came to his defense.

On November 14, 1958, the National Council of American Soviet Friendship held a Rally for Peace at Carnegie Hall, New York City. The orchestra section was completely filled and the balcony was partially filled. An estimate of the number of people present would be 1200 to 1400.

Chairman of the meeting was Rockwell Kent.

The first speaker was Eslanda Robeson who was introduced by Kent as the wife of Paul Robeson. Her speech dealt primarily with her recent trip to the USSR. She expressed the love the the Russian people manifested towards her and her husband. She also indicated that the people in England have accepted them with open arms. She stated that she brought a message from Paul Robeson to the effect that his home will always be in the USA even though he is presently making his headquarters in England. She stressed the fact that the Russian people want peace and she claimed that the Russian Government also wants peace.

The next speaker was a Professor Schuman of Williams College. He spoke at length about the history of US-USSR relations. He stated that he did not agree that the Communists are trying to conquer the world and he claimed that if the United States had listened to Russia in 1933 there would not have been World War II. His prime contention was that if we do not develop a policy of exchange of ideas, "both cultural and scientific", the cold war will continue and culminate in a thermo-nuclear warfare which means complete annihilation of mankind. Professor Schuman stated that the Russian people want peaceful co-existence. He also urged the recognition of Red China.

Following Schuman's speech, a collection was taken up and this lasted approximately 1/2 hour. The collection speech was made by Rev. Morford and the amount collected was not announced. After the collection the Ukrainian chorus sang a series of Russian songs.

According to the program of the meeting, the next

~~CONFIDENTIAL~~

speakers were Dr. Corliss Lamont and Boris Krylov of the Russian Embassy. Lamont's remarks were primarily on criticism of US foreign policy. Krylov spoke in English expressing greetings to the audience. He stated that the people of the USSR want peace and he urged peaceful co-existence between the US and the USSR. (U)

Description of Info: Activities at reception in honor of WILLIAM WEINSTONE, 5/15/59

Date received: 5/20/59

Received by: SAS JOHN A. HAAG (NYO)
and R. H. HORNER (Newark)(oral)

Original location: [REDACTED] b7d

Utmost care must be used in handling and reporting the following information to protect identity of informant.

Information received from informant, as indicated above, was reduced to writing by SA HAAG on 5/21/59 and authenticated by informant on 5/28/59.

A copy of informant's oral report is as follows:

NY 100-9595

5/20/59

On May 15, 1959, a reception was held in honor of WILLIAM WEINSTONE at the Hungarian House, 2141 Southern Blvd., Bronx N. Y. Between 100 and 125 persons attended and among those present were:

[REDACTED]

b7d

(U)

The actual organizing and putting on of this reception was done by EDDIE ROGIE, JULIUS HYMAN and CHARLES DIRBA. LOUIS WEINSTOCK was toastmaster.

(U)

The speakers were PATTERSON, FLYNN, STACHEL, NESIN, PAT

NY 100-9595

TOOHEY and an organizer from Queens County and others. The speeches all followed the same vein, all laudatory of WEINSTONE and all wishing him good health and good luck. A long letter from WILLIAM Z. FOSTER was read. It praised WEINSTONE. (U)

A collection was taken up at this reception [REDACTED]

[REDACTED] WEINSTOCK announced that a total of \$1200 would be needed for WEINSTONE's trip and that efforts would be continued to get this total. (U) b7d

Over 90% of the people in attendance were the old hard-boiled CP members with 25 to 35 years in the Party. Only 2 or 3 young people were present. This represents the type of audience the CP can attract to its functions--the oldest group in the CP. It reflects the lack of youth or even people under 45 years of age. (U)

It is believed that WEINSTONE is not seriously ill and in need of a long vacation in the Soviet Union. He simply wants an 8 month or so leave. Also a trip to the Soviet Union will bring WEINSTONE some fame and prestige in the CPUSA as he had been drifting into obscurity in the Party. (U)

LOUIS PASTERNAK was last interviewed on 10/15/58, at which time he informed the agents that although the United States was good to him and he had prospered in the United States, he knew of no way in which he could be of any assistance to the United States.

On 2/4/60, it was ascertained that PASTERNAK was alone, he was interviewed at his residence 56 7th Avenue, New York City, by SAS [REDACTED] and [REDACTED] under SAC authority. b7c

PASTERNAK acknowledged his identity when addressed by name. The agents thereafter identified themselves by exhibiting credentials. PASTERNAK stated that he had been previously contacted by SAS of the FBI and that he has not changed his position since that time. The agents informed PASTERNAK that this visit was strictly confidential and that they desired to afford him an opportunity to cooperate with the United States government in the field of internal security which is by law the responsibility of the FBI. PASTERNAK stated that he understood the FBI's jurisdiction and that again he had not changed his mind and was very busy cooking his lunch. The agents sought a future appointment with PASTERNAK who refused saying he had no information for the FBI. At this point PASTERNAK closed the entrance door to his apartment and the interview ended. Report

Worker Advisory
Council Activities

May 21, 1960
New York

A meeting of the "Worker Advisory Council" was held on May 26th, 1960 at the Polonia Club in New York.

About 18 communists attended this meeting. (LOU WEINSTOCK told the meeting that EETTY ("D", from Brooklyn) couldn't come to this meeting. She had a nerous breakdown and is in the hospital).

Food, cold drinks and coffee was served before the meeting stated for which "The Worker" will pay.

AL NAIDICH, as chairman of the Advisory Council, chaired the meeting.

LOU WEINSTOCK reported.

He told the meeting that in connection with the building of The Worker the press directors of the New York area (CP) are now meeting regularly twice a month and that "some good decisions came from these meetings in connection with the building of The Worker. He said that "the press directors elected a sub-committee to act between the meetings. The sub-committee consists of AL/GAY and FANNY." (HECHTMAN) ^{HARRY}

LOU said that he just came from a visit to Chicago, Detroit and Cleveland. He said that he cannot "make a happy report" on the press activities in the cities he visited. "Everyone agrees and understands the importance of the building of our press, but there, as in New York, they haven't enough forces to work with." He stated that "we will build up The Worker and we will start the Daily Worker but it will take time."

LOU said that it is planned to call a press building conference in the midwest and that "we should start planning of calling here an Eastern seaboard conference for the building of our press."

NY 97-169

LOU WEINSTOCK claimed that the fund and sub drive which stands now at about "40%" (fund drive) and "50%" (sub drive) isn't going well. "We decide that no matter how much money we will raise the fund drive will end on July 4th. We can continue the fund drive indefinitely. We must start concentrating on the Daily Worker."

LOU claimed that he is "confident" that "we could raise the necessary funds for the reestablishing of the Daily Worker." DAVE, (or DAVID) a lawyer, read a paper, which he prepared for this meeting, suggesting to establish a special fund for the Daily Worker. The money collected for this purpose cannot be used the work nor for any other purpose. A committee of trustees should be in charge of this funds.

During the discussion of the question of the Daily Worker, ALEX TRACHTENBERG, EDDIE ^{ROYCE} and HARRY GAY spoke in approval of the suggestion made by DAVE.

AL NAIDICH said that he is for the plan but he cannot see how "we can raise at present \$100,000 to start publishing the Daily Worker. JACK STACHEL claims that \$50,000 would have saved the D.W. from being closed. At that time the Party (CP) was about 5 times bigger than today and we couldn't raise \$50,000. How can we expect to raise \$100,000 today? We cannot even bring to a successful conclusion the present fund drive. It is not a question of desire. Everyone here wants to have back the D.W. The question is can we do it with our limited forces?"

BOB said that he agrees with AL.

LOU claimed that he knows many people, some of them his personal friends, who are willing to give money "and I don't mean 10 dollars, or 25 dollars, one friend told me that he has \$1,200 in stocks and he asked me to take it for the Daily Worker."

NY 97-169

FANNY HECHTMAN claimed that she has \$1,000 for the D.W.

CARL BRODSKY claimed that a lot of money could be raised for the D.W. by organizing picnics, boat rides and to have a dinner charging from "25 to \$100 a plate." "We can do it. People will come and bring money."

LOU said that this organization (the Advisory Council) "which is going to be national in scope will be able to raise enough funds to afford the reestablishment of the Daily Worker."

AL NAIDICH remarked: "OK. Let's try."

The meeting elected as trustees of the Daily Worker Fund a committee of 3: CARL BRODSKY, FANNY HECHTMAN and ALEX TRACHTENBERG. All 3 will sign the checks.

It was also elected an "affairs committee consisting of JULIUS HEIMAN, LOU PASTERNAK, and LUEEROW-a house painter.

JAMES JACKSON, AL NAIDICH and HARRY GAY were elected as the committee on Editorial and Management.

It was decided to hold the next meeting of the Advisory Council "in about a month." The sub-committees will meet before the meeting of the "A.C." in bring their reports to the general meeting of the A.C.

JESSIE set up a bazaar, with various items for sale. Admission charge was \$1.00. (National Committee members did not pay admission [REDACTED])

[REDACTED] EVELYN WEINER, too, was a guest of the Village Section. ETHEL presented her with some perfume and a pocketbook atomizer, as a gift to the guest of honor. b7d

Mr. and Mrs. MANSFIELD had brought what purportedly to be a special film of Cuba. They said they had recently been there, and planned to take up residence in Cuba in the near future. The film, after breaking several times, turned out to be a routine film of the type sold to tourists, and had nothing to do with the Revolution. The MANSFIELDS, therefore, decided to give a talk about the Cuban Revolution (they had brought posters and pictures of CASTRO and hung them on the wall).

NY 100-80641

It was a lengthy talk, in which they spoke of the gains in education, living conditions, and working conditions made by the people in Cuba under CASTRO. There were many questions and, despite requests from the hostesses, the MANSFIELDS went on talking for almost two hours. JACK SHULMAN, who had come primarily to see the films and meet the MANSFIELDS, finally asked them to stop talking so the party could proceed.

SYMBOLS

The last line of the subscribers stencilled name and address indicates:

1. Date of expiration
2. Length of subscription
3. New-straight renewal or old renewal
4. Name of paper.
5. Whether direct or through an agent.

To determine length of sub we use A thru M (Omitting I)

A - 1 mo.	H - 8 mos.
B - 2 "	J - 9 "
C - 3 "	K - 10 "
D - 4 "	L - 11 "
E - 5 "	M - 1 year
F - 6 "	2M - 2 years
G - 7 "	

"F" (6 months) and "M" (1 year) are most often found on THE WORKER subs, also "K" (10 months).

For fractions of a month, $\frac{1}{2}$ is used.

EXAMPLE: 5-11-59 M W refers to a Sunday Worker Sub for one year, expiring May 11, 1959.

5-11-59 F $\frac{1}{2}$ W refers to a 6 mo. Worker Sub which will run for an extra week over 6 months, and which expires May 11, 1959.

For subscriptions that are renewed within two weeks after expiration, the symbol "R" is used, to show that no copies are missed, e. g., 5-11-59 FR.

For subscriptions that were renewed after the date of expiration and the two weeks of grace, the symbol appears as RS, e. g., 5-11-59 RS which signifies that the subscription was renewed after expiration.

If the subscription is received through an agent of any kind, the symbol "A" is found at right of the plate, e. g., 5-11-59 M W A ~

If THE WORKER subscription was a combination sub, the symbol D is included, e. g., 5-11-59 MW D.

RICHARD MORFORD introduced JESSICA SMITH, Chairman for the evening. Election returns were read from time to time, without comment.

SHIRLEY GRAHAM spoke about the "Liberation Movement." She said that dark-skinned citizens in the Soviet Union walk with dignity. JESSICA SMITH, in introducing her, said that Dr. DU BOIS had said that, on their recent trip, SHIRLEY had caught "liberation fever", which is probably contagious.

The ballerina from the Bolshoi had been invited to this country, according to JESSICA SMITH, by the Washington School of Ballet. Unfortunately, she could not dance at Carnegie because the floor had just been waxed and was too slippery. Two girls, about 8 and 10, presented her with bouquets.

JACK SPIEGEL, trade union leader from Chicago, Director of Organization, Chicago District of the United Shoe Workers of America, AFL-CIO:

The trade union policy now is encouraging the Cold War, but the workers do not share the leaders' policies.

NY 100-7518

CURRAN in NY and GORMAN (?) in Chicago have taken the first steps to dislodge the present policy of the trade union leadership. The Embassy in Moscow said we would not be permitted to go where we wanted, but this was absolutely untrue.

Recently in Russia, the workers' hours were cut, but wages were raised in Textile. 88 willion new housing units will be built by 1965. The trade unions are assigning the people to these new houses . 5% of weekly wages go for rent. Rent is practically free. Education is free, hospitalization is free. Men retire at 69; women at 55. Pensions are from 55 to 100% of wages. There is no closed shop, but 99% of workers are in unions. Let us get people from every union to go to the Soviet Union to see what is going on.

MORFORD: We need information. I have been traveling, trying to get trade unionists to go to the Soviet Union. We need direct action for peace. We must see that our country is willing to negotiate. The Soviet Union is prepared for inspection and control. We are not doing enough here. We need money to carry on our work.

STEVE FRITCHMAN, Minister, First Unitarian Church in Los Angeles, said he recently returned, in August, from this summer's conference against the A and H bombs in Tokio. He said that everyone should fight for peace. He spoke of the movie, Spartacus, by "My friend, DALTON TRUMBO"----however, Spartacus was written by HOWARD FAST, it should be noted.

There was a final speech of greeting from a member of the Soviet Union Mission to the UN.

It was agreed to close the meeting at 10, so that everyone could get home to watch the election returns.

Readers' Conference on the WORKER
Adelphi Hall, NYC, Thursday, 11/17/60,
7:30-10:00 p.m.

Present: Approximately 100, among them:

LOUIS WEINSTOCK introduced AL, the Chairman for the evening, who introduced HATHAWAY, for the main report, on the elections.

HATHAWAY:

In view of the fact that LOU has called this meeting primarily to deal with the question of the WORKER, the fund drive and everything related to the building of the WORKER, it is not my intention to hog the meeting by making a prolonged and exhaustive report on the question of the election campaign. I am going to try, however, to deal with the high points of the campaign and primarily in terms of the tasks that we are now confronted with. At the outset, we should emphasize the fact that there are no grounds for complacency in estimating the outcome of the election, and neither should we overlook the very positive factors that give us an opportunity of increasing all phases of our mass work.

We can state at the outset that the judgment of the Party in connection with the events leading up to the election were correct. Already, after the national conventions of the two parties, the NC emphasized the fact that our position against boycott was correct. It was not correct to urge people to vote for socialist or Trotzkyite candidates. In the elections, despite the fact that both parties represent the position of monopoly capitalism and that all candidates were committed to a program, so far as foreign policy is concerned, that in no way was associated with effective struggle for peace and disarmament, nevertheless the people expressed themselves as they did by defeating NIXON, and with an overwhelming majority in the industrial centers, and particularly among the Negro people, who cast their votes for KENNEDY. Also, for example, here in NY State, whereas four years ago EISENHOWER carried the State by 1,600,000 votes, this year KENNEDY carried the state by over 400,000 votes, a shift of almost a quarter of the votes from one party to the other. As compared with two years ago, ROCKEFELLER, in NYCm received 43% of the vote, this year NIXON received only 33%. Two years ago, ROCKEFELLER carried the entire upstate NY, including Buffalo, Schenectady, etc. This year KENNEDY carried them both by large majorities. In the Negro sections, according to figures published in this morning's Tribune, in four key Negro districts in Harlem, some 78% of the vote was cast for KENNEDY in the campaign. The entire country, in all the industrial centers, the workers and Negro people voted largely for KENNEDY.

The headlines tonight said that the US Navy has moved into the Carribean. This is an act of provocation to pave the way for an attack against the Cuban Revolution. We must raise the question of "Hands Off Cuba!".

NY 97-169

We must take the commitments of the Democrats and arouse the workers to fight on those issues.

(At this point, LOU WEINSTOCK was called to the phone; returned and sent ED ROYCE out, with his hat and coat. ROYCE returned about 30 minutes later)

HATHAWAY:

The elections show that, with all sorts of conflicting pressures, with unfit candidates and the limitations of the two-party system, with the injection of religious issues, and other things that made the elections complex, the people have nevertheless expressed themselves and have shown a beginning of struggle that, if understood and appreciated and developed by us, can become a very powerful movement that will lead in directions that are in keeping with our aims and purposes.

We have to build our own Party and strengthen our position among the masses of the Negro and Puerto Rican people in NY.

WEINSTOCK:

These readers' conferences are called once a month, ever since last March. We have not discussed finances at these meetings in the past, but tonight I am going to discuss circulation, building the press, and finances, too. JOE NORTH, ERIC BERT and myself spent a weekend in Chicago. The mid-west edition of the Worker called a mid-western conference. Minnesota, Wisconsin, Missouri, Indiana, Ohio and Michigan sent delegates. Saturday and Sunday we discussed only the importance of the Worker, its editorial policies, criticizing the paper and the mid-west edition, with constructive criticism. It was a very successful meeting and it gave us an idea that a similar conference could be called in NY, covering New England, Connecticut, Pennsylvania, New Jersey, and New York, to discuss the same problems. We could have it in a month or two, and work towards a national WORKER builders' conference sometime next year. First we must build a broader foundation for the WORKER.
