Interview of Walter Lones, Brookhaven National Laboratory, Upton, LI.

Mr. Walter Lones, who resides on Robinson St., Center Moriches, Long Island, and is employed as a Group Leader, Pile Instruments Section, Nuclear Reactor, Brookhaven National Laboratory, Associated Universities, Inc., Upton, Long Island, was interviewed on 2/20/51, at which time he furnished the following information.

He was born on 4/1/17, at Karcov, Russia, and while in that country, was known as Vladimir Lomonossoff. He immigrated to the U. S., aboard the SS Savoia, (Italian Line) and arrived at New York City, on 8/30/38. After his arrival in the U. S., he adopted the name of L. Walter, and at the time of his naturalization, in Oct. 1943, at Columbus, Ohio, while serving in the U. S. Army, where he had been assigned ASN 33446630, he changed his name to Walter Lones, as reflected by his naturalization certificate.

To the best of his recollection, his residences, and places and periods of employment, were as follows:

1. 11/30-3/40--? Minnesota Ave., SE, Wash. D. C., with uncle, Boris Lomonossoff, and brother bearing same name as uncle.
2. 3/40-9/40---? 16th St., NW, Wash. D. C., c/o ?, with brother Boris.
3. 9/40-9/42--2225 N St., NW, Wash. D. C., with brother Boris. Parents

of Lones resided with their sons for approximately a 6 months' period during 1940-41, after their arrival in the U. S. from Europe. Landlady

of the premises was known as Mrs. Montague.

Employment

1. 1939-40 (3 months) Beacon Electric Co., 77th St., NW, Wash. D. C.
2. Fluorescent Planned Light Co., 12th St., & ... Ave., Wash. D. C., during 1940-41.

Lones advised that he had attended the University of Michigan from Sept. 1938, until approximately Nov. 1939, when he became enrolled at Washington University, Washington, D. C., where he attended during 1939-40.

The files of the Brookhaven National Laboratory, Upton, Long Is and, reflect that Lones became employed at the site on 10/20/47, as an Associate Electrical Engineer, in the Accelerator Project, and at the present time is receiving a salary of \$ 450. per month.

Two photographs of subject, Morton Sobell, ~~were exhibited to Walter Lones~~, who formerly resided at 2225 N St., NW, Washington, D. C., were exhibited to Walter Lones, and he advised that Sobell is not known to him, nor could he recall ever having heard the name of the subject.

Re: MORTON SOBELL;
ESPIONAGE - R

I called Commanders John Grady and John Lenhart, DIO, this morning and advised them that we had requested the Naval Intelligence file of MORTON SOBELL yesterday and that we were photostating their file. I said the USA had specifically requested copies of ONI file. However, I said we were not going to furnish this to the USA until the Navy specifically authorized us to do so. I also pointed out that it is possible the USA might desire to introduce this file in evidence in the forthcoming trial of SOBELL. However, he would not know definitely until he examined the file.

Commander Lenhart stated he appreciated the call and would check with his headquarters in Washington, D. C. and let us know, if possible, sometime today whether there was any objection to this office furnishing photostatic copies of DIO file to the United States Attorney.

Re: MORTON SOBELL;

Commander John Lenhart, DIO, called at 2:10 P. M. today and advised it was satisfactory to furnish the United States Attorney photostatic copy of DIO report on MORTON SOBELL. He stated, however, before any thought is given to possible production of this into evidence or before any Naval personnel are to be subpoenaed, authority would have to be obtained from Naval Headquarters. He requested as much notice in advance of any contemplated action as possible in order that appropriate arrangements would be worked out. He pointed out particularly this were true if it were contemplated to use Naval personnel on the stand.

This matter should be brought to the attention of
USA Irving Saypol.
