Office Memo • UNITED STATES GOVERNMENT

TO : Director, FBI

DATE: August 25, 1950

FROM : SAC, Los Angeles

SUBJECT: ENRIQUE RICART, alias Enrique Ricart Corts G. I. R. -2
ESPIONAGE - R

Remytel 8/21/50 setting forth information concerning the above individual.

As stated therein, ANDREW ELSNER, 560 S. San Pedro St., Los Angeles, a realtor, is also assistant "DX" editor of "CQ Radio Magazine," which latter position is more or less of a hobby. "DX" is the abbreviation for distance, but usage has made the term mean contact by amateur radio operators with distant stations, usually in foreign countries. "CQ Magazine" is one of the magazines devoted to amateur radio as a hobby.

Inasmuch as one phase of amateur radio is the contacting by amateurs of "DX" stations, and because credit is allowed for the number of countries contacted as a part of the hobby, it is often necessary to check up on some station which is allegedly in a rare location to determine whether or not it is actually being operated in that country. In addition, it might be noted, some foreign countries do not allow the operation of amateur stations, with the result that anyone following the hobby of amateur radio must operate under cover in that country. In doing so, and if he desires to receive what are known as QSL cards, which are cards confirming the two-way radio contact, the operator will often receive and send such cards through someone in another location.
