A. (1.) Origin and Development

On January 3, 1952, there was announced the formation of the National Committee to Secure Justice in the ROSENBERG case.

A press release dated December 31, 1951, for release on January 3, 1952, announced that Mr. JOSEPH BRAININ, well known journalist and author, announced that 125 American men and women from all over the United States who represented many occupations and professions had joined with him in forming the National Committee to Secure Justice in the ROSENBERG Case. The release continued that JULIUS and ETHEL ROSENBERG were convicted in April, 1951, on a charge of conspiracy to commit espionage and sentenced to death. "To this day they continue to assert their innocence. They are now in Sing Sing awaiting appeal. The death sentence imposed upon them aroused shocked comment from all over the world."

In June of 1954 witness advised that the CP had been taking an extremely active part in assisting the NCSJRC in organizing meetings, selling tickets to affairs and collecting funds. With respect to the neighborhood meetings the witness noted that the CP actually ran the affair when the location of the meeting was in a strong CP area. In those areas where the CP was not strong, such meetings were run by the American Labor Party or other mass committees. The CP had some connection with the meetings regardless of where they took place.

"Do not forget the Rosenberg children. Their parents were killed to help create the official lie about 'stealing a secret' which the world now knows never existed.

"Vicious people want to kidnap them legally from those who love them.

"Surrogate William T. Collins, 31 Chambers Street, will hear the trial Monday morning. He has asked for people's opinions. Send messages urging that these cruelly hounded children be left in peace with their grandmother!"

NCSJRC Line

"On Wednesday night, February 17, six people entered the foster home of two orphan children and produced a court order demanding that they be 'forthwith removed.' These people, representing social agencies, flagrantly violated the most basic procedures of child care and simple humanity.

"Why did six adults and a cordon of policemen surround the home of ten-and six-year old brothers? Why was the order for removal made without prior investigation and psychological preparation of the children? Why this departure from the usual procedures?—On April 5 George Collins will conduct hearings on guardianship. We are sure that many will want to write expressing their belief that the best interests of the children require that this be taken out of the courts and that Mrs. Sophie Rosenberg's rights as grandmother be respected. Letters should be sent to Honorable William T. Collins, Surrogate Court, 31 Chambers Street, New York City."

Since its inception through August 21, 1953, the Washington Committee to Secure Justice in the Rosenberg Case had been controlled by the CP and had never disagreed with the CP line.

The "Daily Worker" of June 16, 1954, contained an article on page 8, captioned "Army-McCarthy Hearings Shed New Light on Rosenberg-Sobell Frame-up." It was stated in the article that the National Committee to Secure Justice for Morton Sobell alleged that the Army-McCarthy Hearings had shed new light on the frame-up of ETHEL and JULIUS ROSENBERG and MORTON SOBELL. The article reflected that the NCSJRC attacked Senator McCARTHY and ROY COHN for claiming that the ROSENBERGS and SOBELL had masterminded a radar spy ring at Fort Monmouth. The committee alleged that ROY COHN had failed to furnish any evidence to prove this statement. u

The "Daily Worker" of April 25, 1951, page eight, contained an article entitled "See Sobell Chance In Informer Expose." The article stated that the effect of granting new trials to the two Communist leaders, because of the government's perjured testimony against them, was pictured as throwing forth doubt on all Department of Justice stool pigeon witnesses by speakers at a conference on the Morton Sobell Case. u

The article continued that Professor EPHRAIM CROSS presented the main report of progress for the Committee to Secure Justice for Morton Sobell and cited Dr. HAROLD C. UREY'S statement in Chicago that without a reversal of the Rosenberg-Sobell verdict "on justice is possible at all." u

The "Daily Worker" of April 22, 1955, carried an article on page 8, captioned "Expose of Bentley Expected at Morton Sobell Conference." This article related that JOHN WEXLEY, author, was to attack the testimony of ELIZABETH BENTLEY at a New York Conference luncheon to be held in behalf of MORTON SOBELL, on April 23, 1955. It was stated that WEXLEY had uncovered perjury and fraud involved in the testimony of ELIZABETH BENTLEY and other witnesses. u

The "Daily People's World" of February 8, 1955, contained an article captioned "COHN and the SOBELL Case." The article stated that HARVEY MATUSOW described how ROY COHN manufactured evidence against the Communist leaders and pointed out that COHN prosecuted JULIUS and ETHEL ROSENBERG. The article also stated that MORTON SOBELL was paying with 30 years of his life for COHN's manipulations. u

DIRECTOR, FBI (100-301111)

Oct SAC, New York (100-107111)

NATIONAL COMMITTEE TO SECURE JUSTICE
IN THE ROSENBERG CASE, aka
IS-C
ISA OF 1950

Rebuletts 3/21/55 and 4/7/55.

Enclosed herewith are four copies of the supplementary
prosecutive summary report of SA RICHARD A. MINIHAN dated 6/21/55
at New York.

SA WALTER A. WANGENHEIM assisted the reporting agent in
the preparation of this report.

Set out below is additional background information concerning
witnesses utilized in this report and described by T symbols.

In order to facilitate the reading of this report in
conjunction with the investigative summary report of SA JOHN A.
HARRINGTON dated 4/28/53 at New York, T symbols have been
continued where the previous summary ended. Where a witness
covered by a T symbol appears in this report and the same
witness appeared in the previous summary report, the same T
number was assigned.

In some instances auxilliary offices did not furnish
background information concerning informants utilized in this
report. In order to avoid a delay, these offices are being
requested to furnish this background information and such data
will be furnished the Bureau when received by the NYO.

A witness appendix to be utilized in conjunction with
the investigative summary report of 4/28/53, as well as a cover
letter setting forth background information on witnesses
designated by a T symbol in that report, are being prepared and
will be submitted to the Bureau in the immediate future.

The witnesses referred to in paragraph seven of this
letter, for which insufficient background information is available,
are as follows:
