MEMO:

RE: VIVIAN GLASSMAN
ESP-R

During an interview with Mrs. NATHAN SUSSMAN, aka GERTRUDE EDELSTEIN, 56-55 205th Street, Bayside, Long Island, New York by SA BURT S. TAYLOR & the writer on the afternoon of 3-20-51, she advised the following pertaining to various contact which she and her husband have had with VIVIAN GLASSMAN. It is to be noted that both Mr. & Mrs. NATHAN SUSSMAN have admitted to having been members of the YCL, CP & CPA.

She identified VIVIAN GLASSMAN'S photograph and stated that shortly after her marriage on 12-2-43 to NATHAN SUSSMAN, she and her husband met ALFRED SARANT, JOEL BARR & VIVIAN GLASSMAN somewhere in the Greenwich Village area of NYC. Mrs. SUSSMAN believes that the purpose of this meeting was to discuss a girl friend of SARANT'S named GLADYS MEYER. Photographs of SARANT, BARR & MEYER were then identified by Mrs. SUSSMAN. She continued by advising that SARANT and GLADYS MEYER were dating and that their love cooled, therefore an alienation was effected by MEYER. She stated that this meeting was for the purpose of scientifically enacting an recconciliation. She also recalled that this meeting was resolved by all five going to the movies and having something to eat and drink afterwards.

FBI - NEW YORK
MAR 28 1951

Mrs. SUSSMAN stated that in the early part of 1944, she and her husband journeyed to JULIUS & ETHEL ROSENBERG'S 10 Monroe Street, NYC apartment during the evening hours and found VIVIAN GLASSMAN present in the apartment. She stated that this came as a surprise to her fore she had no previous

65-15385-252

knowledge that VIVIAN was a friend of JULIUS & ETHEL ROSENBERG. She indicated that she rationalized this discovery, in that she (VIVIAN) was a friend of JOEL BARR & ALFRED SAPANT, and they in turn were friends of JULIUS & ETHEL ROSENBERG. She recalls that later BARR & possibly SARANT joined them at the ROSENBERG'S. Shortly thereafter she recalls a telephone conversation with ETHEL ROSENBERG, in which ETHEL discussed with her the advisability of taking some courses in psychology, and if she decided to do so, then what type of courses should she take. Mrs. SUSSMAN recommended that she ~~xxx~~ should begin with courses in general psychology. ETHEL commented to her, "VIVIAN GLASSMAN said that she should take a course in child psychology."

Mrs. SUSSMAN recalls that in 1944, she and her husband attended a musical at JOEL BARR'S parents penthouse on West 97th Street, NYC. She advises that VIVIAN GLASSMAN was present, as was IRIS BARR, ALICE KATZ BARSKY, ALFRED SARANT, JOEL BARR and others. She stated that Mrs. BARR (JOEL'S mother) informed her that "I wish you could do something about VIVIAN GLASSMAN." This indicated to Mrs. SUSSMAN that Mrs. BARR did not approve of VIVIAN. She also recalls that the BARR'S paid $91.00 a month rent on their apartment. She also indicated that JOEL BARR'S sister IRIS was interested in ALFRED SARANT; however JOEL BARR discouraged this and bared his sister from running after SARANT.

She states that the last occasion which she and her husband saw VIVIAN GLASSMAN was in the HOrn and Hardart Restaurant on 14th Street, NYC in either 1944 or 1945. She stated that this meeting ~~xx~~ was casual in nature.

She indicated that she does not like VIVIAN GLASSMAN and believes that she was a communist party member during the time she knew she, however she had no independent proof to substantiate this belief.

A highly confidential source advised SOPHIE SALPETER was one of the signers of the NYC Communist Party nominating petition for BENJAMIN J. DAVIS, JR, 1943 candidate for the NYC Council.

[redacted] advised on 1/23/47 that SOPHIE SALPETER inquired at the NY State Communist Party as to how she could get in touch with J. B. S. SALPETER advised she could be reached at [redacted] listed to LEWIS RITTENBERG, [redacted] BK BTD

"The Worker" for 11/26/44 on page 9, columns 1 and 2, Section 2, carried an article captioned "Atom Smashers" by J. B. S. HALDANE described as a member of the Royal Society, London.

VIVIAN GLASSMAN

On 8/3/50, VIVIAN GLASSMAN was interviewed by SA'S ROBERT F. ROYAL & RICHARD T. HRADSKY at her residence, 131 E. 7th St., NYC, and she admitted she was a friend of JULIUS ROSENBERG and his wife, and that ROSENBERG had been inside her apartment, but denied he ever used her apartment for photography or anyother purpose or that she had been asked to do any work for him. She is the present subject of an actively investigated case in the NY Office entitled, "VIVIAN GLASSMAN, Was., Espionage - R."

JAMES FABER

[redacted] was advised that JAMES FABER of recent date has been associated with SIDNEY STEIN, Assistant Labor Secretary, Communist Party, USA. It is believed FABER is an B7D

assistant to STEIN.

During spot check physical surveillance conducted of subject during week of 3/12-16/51, SA JAMES T. O'BRIEN advised that at 12:45 P.M. on 3/15/51 he observed subject's sister ELEANOR GLASSMAN and an unknown man, described as 45 years of age, 5'8", 150 pounds, ruddy complexion and wearing a pearl-grey Homburg hat, black tight fitting overcoat and carrying a leather overnight suitcase, get out of a taxicab in front of VIVIAN GLASSMAN'S apartment building at 131 E. 7th St., NYC. They entered the apartment building together and remained inside for about five minutes. They then reappeared at the apartment building entrance and engaged in a few minutes of conversation. They then walked together west on E. 7th St. and were not observed to return. SA O'BRIEN has tentatively identified the unknown individual as ROY PINKSON, from photographs in possession of the NY Office.

The individuals attending the morning and afternoon sessions of the ROSENBERG trial were checked during the week of 3/12-16/51 court sessions as they were admitted to the courtroom but neither PINKSON nor ELEANOR GLASSMAN were noted among the spectators. It is to be noted that attendance was limited to courtroom capacity but that when initially admitted spectators vacated their seats during the session, other persons were permitted to enter the courtroom. PINKSON, however, was not observed in attendance by agents to sit in at the trial.

On 4/11/51, SA RICHARD HRADSKY interviewed DAVID GREENGLASS and exhibited the photo of PINKSON to him with negative results.

On the above date, SA VINCENT CAHILL interviewed the KLITCHERS and exhibited the photo of PINKSON to them with negative results.

Photographs of the subject were made available to the Newark Office. RUC

STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : SAC (NY 65-15385) DATE: 8/1/52

FROM : William A. Johnson, Mineola, N.Y.

SUBJECT: VIVIAN GLASSMAN was
ESPIONAGE - R

Reference memo of SA R.C. BRADSKY 7/23/52

On this date Mrs. HERBERT CANTOR nee MILDRED BLOCK was interviewed. She formerly lived at 41 Lilac Lane, Levittown, N.Y. and now resides at 78 Sprucewood Drive, Levittown, N.Y.

She stated that she knew the subject when they lived together in the house in New Jersey at which time she and the other six girls were employed by the U.S. Signal Corp.

She stated that to the best of her recollection she first met the subject in the Fall of 1942 because they worked for the same outfit but she had little or no contact with her at the place of employment as they worked in different sections.

She stated that the house was operated on a cooperative basis and the subject lived with her sister. She pointed out that there was not too much contact between the girls in the house themselves as they all had their own friends. She recalled that the subject acted as Treasurer for the house. Mrs. CANTOR stated that she did all of the shopping and the planning of the meals. She pointed out that the only collective social life at the house was the occasional musical that was held for the girls and some of their friends. These musicals were not too frequent.

She stated that she knew none of the subject's friends or activities and stated that the names of JOEL BARR and ALFRED SARANT meant nothing to her.

DANIEL MARIEN
SECURITY MATTER - C

Reference is made to the report of SA WALTER L. PARKER, dated August 15, 1952, at Cincinnati, in the case entitled MAXWELL FINESTONE, was., Espionage - R, Internal Security Act of 1950. This report sets forth information obtained from Mr. and Mrs. KENNETH WEBSTER MOORE, concerning Communist Party activities on the Cornell University campus from 1946 to 1951.

Mr. and Mrs. MOORE were jointly interviewed on August 12, 1952, at their residence, 165 Gatch Avenue, Milford, Ohio, by SAS ROBERT L. PAGE and WALTER L. PARKER. During the course of this interview, Mr. MOORE admitted being both a member of the American Youth for Democracy and the Communist Party while at Cornell University.

Mr. MOORE stated that at the invitation of LUCILLE OAKLANDER he attended a picnic type meeting of the Communist Party held at the residence of HUGH and ANNA CHAPIN in May, 1947. At this meeting MOORE joined the Communist Party, and he identified DAN MARIEN as being a Communist Party member present at the meeting. After officially joining the Communist Party, MOORE was assigned to a Communist Party group on the Cornell University campus, which group included in its membership DANIEL MARIEN.

Reference is made to the report of SA RICHARD T. HABADSKY in the case entitled VIVIAN GLASSMAN, was., Espionage - R, Internal Security Act of 1950. This report sets forth an interview of the Subject at 207 Clinton Avenue, New York City, and also a description and background information pertaining to the Subject.

In addition to the information contained in above-mentioned report, a review of the files of the Albany Office reflects the following information relative to Subject's activities while a resident of Ithaca, New York:

The May 17, 1947 edition of the Cornell Daily Sun, a student newspaper of Cornell University, contained an article concerning a meeting of the Cornell Chapter of the American Youth for Democracy held on May 16, 1947. It was reported in this article that DANIEL MARIEN was elected Representative at Large. (The Albany reference in this matter is 100-4912 serial 165.)

In January, 1948, FRANK BALDWIN, Dean of Men, Cornell University, advised SA DONALD E. ROHEY that DANIEL MARIEN was elected to the Executive Committee of the Cornell Chapter of the American Youth for Democracy for the school year 1947 - 1948. (The Albany reference in this matter is 100-4912 serial 209.)

On May 5, 1949, LEON MILMED, Assistant to Governor ALFRED E. DRISCOLL, Trenton, New Jersey, made available to SAS JOHN R. LYON and JOHN W. POWELL of the Newark Office a telegram forwarded to Governor ALFRED E. DRISCOLL on March 9, 1949, stating "I urge you to take action on the illegal conviction of six Trenton Negroes charged with the murder of WILLIAM ROEMER" signed DAN MARIEN, Cornell University. This telegram was one of numerous communications received by Governor ALFRED E. DRISCOLL in behalf of the convicted men. This conviction was reversed on appeal to the New Jersey State Supreme Court on June 30, 1949. (The New York reference in this matter is 100-32926-1B1, serial 716.)

On November 8, 1949, a manila envelope belonging to ROBERT C. JOHNSTON, Communist Party Organizer for the Southern Tier Section, New York State, Binghamton, New York, was left in a public telephone booth and subsequently turned over to the Binghamton Police Department who made it available to SA DAN J. SULLIVAN on November 15, 1949. Among other material contained in this envelope was a small white envelope which was marked "To Buffalo." This envelope contained six slips of paper torn from a notebook and contained on one slip thought to be in the handwriting of JOHNSTON, was the following "DANIEL MARIEN, to Calif., Berkeley from Cornell University." (The Albany reference in this matter is 100-0-15911-A4.)

(The apparent transfer of the Subject referred to in above paragraph was not verified by the Albany Office. Nor has Albany received any additional information relative to this alleged move.)

[redacted] who is acquainted with members of the Communist Party and Communist front groups in the Ithaca area, when contacted by SAS PETER F. WILSON and GERARD J. O'BRIEN on October 16, 1952, stated that he was not acquainted with the Subject and could furnish no information relative to any Communist Party activities on the part of the Subject. (b)(7)(D)

The records of the Registrar's Office, Cornell University, reflect that the Subject entered Cornell in September, 1946, from City College of New York. His birth date was reflected as August 19, 1925, in New York City and his father's name was listed as LEO MARIEN, 1916 Grand Concourse, New York 7, New York.

These records reflected that the Subject received a Bachelor of Science Degree in Agriculture from Cornell University on September 20, 1949.

The last known address available to the Alumni Office of Cornell University, reflected the Subject to be residing at 1916 Grand Concourse, Bronx, New York.

PERL TRIAL OPENS IN SPY CASE LYING

Prosecution Reads Grand Jury Testimony on Secret Orders to Columbia Ex-Teacher

The Government charged in Federal Court yesterday that William Perl, 34-year-old authority on aerodynamics, lied deliberately and knowingly when he told a Federal grand jury here in 1950 that he did not know Julius Rosenberg and Morton Sobell, convicted atom spies, and three other persons.

Taking issue with this, Raymond L. Wise, defense attorney, asserted that the former Columbia University physics instructor had not lied intentionally, but that he had told the truth as he knew it and as it appeared to him as he sat in the witness chair during his three appearances before the grand jury.

Mr. Wise told a jury of eleven men and one woman and two male alternates at the opening of Perl's trial on a four-count perjury indictment that to understand what happened, it would have to realize that Perl was no ordinary person, but the No. 2 authority on aerodynamics in this country.

Assistant United States Attorney Robert Martin said in his opening statement that Perl lied when he denied knowing the five persons mentioned in the indictment and that he did not tell the whole truth when on subsequent appearances before the grand jury he modified his statements regarding Rosenberg and Sobell.

He said Perl had attended ten or twelve meetings of the electrical engineers section of the Young Communist League at City College when Rosenberg was its president and Sobell an active member and all three were classmates. Mr. Martin described this as "a striking instance" of where Perl knew the two men and said it supplied a motive as to why he denied knowing them.

In addition to Rosenberg, who with his wife, Ethel, is under sentence of death, and Sobell, who is serving a thirty-year prison sentence, the others whom Perl denied knowing were Helene Elitcher, whose husband, Max, was a Government witness against Rosenberg and Sobell, and Michael and Ann Sodorovich.

Perl, who is tall, thin and dark-haired, was arrested by agents of the Federal Bureau of Investigation on March 14, 1951, at 104 East Thirty-eighth Street, where he lives with his wife, Henrietta, and 10-month-old son. He and his wife listened intently during the proceedings yesterday and both looked relieved when Judge Sylvester J. Ryan continued his $20,000 bail.

Most of the afternoon session was taken up by Mr. Martin reading from Perl's grand jury testimony. The highlight of the testimony was Perl's account of a mysterious visit to him of a woman named Vivian Glassman when he was doing aerodynamics work in Cleveland for a Government agency.

He said the woman, whom he had known here, slipped into his apartment in July, 1950, after the arrest of the Rosenbergs and Sobell, picked up a piece of paper and wrote out that she had received money and instructions from a person unknown to her, for an aeronautical engineer and another person. The instructions were for the two men to leave the country.

The trial will be resumed at 10 A. M. today.

Scientist Told To Flee A-Quiz, Trial Discloses

U. S. grand jury that a woman came to his apartment in July, 1950, with money and instructions on how to flee to Mexico, jury minutes read in court yesterday disclosed.

the trial of Perl before Judge Sylvester J. Ryan on an indictment charging that he lied under oath when he told the Federal grand jury in August, 1950, that he did not know Julius Rosenberg, Morton Sobell, Helene Elitcher, and Michael and Ann Sidorovich.

Sobell is serving a 30-year term in connection with atomic spying. Mrs. Elitcher is the wife of a witness in the Rosenberg trial. The Sidoroviches were mentioned in testimony in the same case.

"I didn't let her tell me (how to get out of this country)," Perl told the jury. "I told her she'd better go. I asked her how she had found me, and I told her to give my regards to her sister."

Perl told the jurors he advised his caller, Vivian Glassman, that her call "was all a mistake of some kind." She showed up, Perl conceded, some weeks after he had been questioned by the FBI about Rosenberg, the atom spy, who now is awaiting execution with his wife, Ethel, in Sing Sing.

Jury Picked Quickly.

The Government contends that Perl, of 104 E. 38th St., a former physics instructor at Columbia University, knew them all.

A jury of 11 men and one woman quickly was selected, with the defense using eight and the Government four peremptory challenges.

Assistant U. S. Attorney Robert Martin gave the prosecution's opening.

He told the court the Government would prove that Perl attended 10 to 12 meetings of the Young Communist League at City College of New York when Rosenberg was president and Sobell was an active member of the group.

Defense counsel Raymond L. Wise said that Perl's defense would be a "complete refutation of the charges."

Presentation of evidence began with a stipulation by opposing counsel that grand jury minutes of the three occasions on which Perl testified in 1950 were accurate. It was on the first occasion that Perl said he didn't know Rosenberg, Sobell and the others. A month later he returned and remembered acquaintance with Sobell. The next month he went back again and said he knew Rosenberg.

Vivian Glassman
"Mistake of some kind."

Preparing for Picnic.

As quoted from the record, Perl related that he was in his apartment in Cleveland preparing for a picnic when Miss Glassman suddenly showed up. He recognized her as a friend of a Joel Barr. They sat down together. She wrote on a paper that she had instructions from unnamed persons to find an aeronautical engineer identified through a shipboard incident involving Barr, and was to give him money and instructions on how to flee.

Perl told the jurors he explained to Miss Glassman her call was a "mistake" and that he thought friends of the Rosenbergs were trying to "trap" him into fleeing.

Asked if he linked Miss Glassman's call with the Rosenbergs' arrest, Perl said he did. A few days later, Perl related, he voluntarily told the FBI about her visit.

The trial will continue at 10 A. M. today.

ADDITIONAL DEROGATORY INFORMATION IN NEWARK FILES:

1. On Associates

JOEL BARR

BARR was a member of the Soviet Espionage apparatus in which JULIUS ROSENBERG functioned.

JULIUS ROSENBERG and ETHEL ROSENBERG

On 10/10/50, the Federal Grand Jury, Southern District of New York, indicated JULIUS ROSENBERG, ETHEL ROSENBERG, ANATOLI A. YAKOVLEV, MORTON SOBELL, and DAVID GREENGLASS for conspiracy to violate the wartime espionage statute, Sub-section A, Section 32, Title 50, USC. On 3/29/51 SOBELL and the ROSENBERGs were found guilty by a Federal Jury in the Southern District of N.Y. On 6/19/53 the ROSENBERGs were executed in accordance with their sentence.

DAVID GREENGLASS

A self-admitted espionage agent in the ROSENBERG apparatus, who was a Government witness against SOBELL and the ROSENBERGs. He received a 15-year sentence for his part in the conspiracy.

WILLIAM PERL

PERL was an associate and acquaintance of JULIUS ROSENBERG, who was tried, convicted and executed for espionage. He has been involved with and associated with many of the persons included in the ROSENBERG apparatus. PERL was indicted for perjury in connection with his testimony in the ROSENBERG case, and he is presently serving five years for perjury.

JUDITH GROLLMAN

Alleged to have been engaged in activities strongly evidencing CP membership while serving as shop steward in Communist dominated Monmouth County chapter of UFWA. Many of her associates were associates of ALFRED SARANT, who was reliably reported to be engaged in espionage with JULIUS ROSENBERG.

Document 2
65-15385

ESTHER LUTTAN, aka. Esther Bulcan, nee Luttan

LUTTAN was the subject of an SI-C case instituted in the Newark Division in 1943 on the basis of her suspected membership in the Shore Branch of the CP from March to August, 1943. New York was designated as office of origin in this case by the Bureau in July, 1944.

CIC files reflect LUTTAN was a member of Local 238, UFWA.

ERNEST J. PATAKI

Employed at FTL from 1944 to 1950. A permissive search of his apartment by Bureau Agents revealed a large quantity of Communist literature which PATAKI described as union literature. While at FTL, he was steward of the UOPWA, which was alleged to have been Communist dominated.

MILDRED BLOCK

She has been reported as a member of the Monmouth County CP; however, this information was discredited when it was learned that the membership list bearing her name was actually the list of UFWA members. CIC files reflect she has associated with numerous references and associates who have been connected with subversive activities at Ft. Monmouth.

STEPHEN L. JAVEN

During an interview on 8/13/53, JAVEN admitted he applied for membership in the CP using the name STEPHEN LOUIS. He also advised that in 1946 to 1948 he was the owner of a company which sublet some of his work to JULIUS ROSENBERG, who operated the G and R Engineering Co. in N.Y.C.

ALICE KATZ

She was active in the UFWA while employed at Ft. Monmouth in 1942-1943. She was a member of the Executive Committee and Chairman of the Education Committee of the Monmouth Chapter of the UFWA, and it was doubtful that she could have held such offices if she had not been in sympathy with Communist principles. In 1943 she was known to have been the girlfriend of JOEL BARR, suspected espionage agent mentioned above.

LEONARD BOUDIN

BOUDIN is a CP functionary in the N.Y.C. area. He has been described by a Newark Informant as a dangerous Communist.

VIVIAN FRUCHTBAUM

She was interviewed on 3/13/53, at which time she refused to furnish information concerning individuals she had known and who were employed at Ft. Monmouth. During that interview, she stated she was unable to give any information concerning one VIVIAN GLASSMAN on the grounds it had been too long since she associated with GLASSMAN. It is noted that at the time of the above refusal, VIVIAN GLASSMAN is known to have visited her approximately five months before.

LEONARD S. BELLER

BELLER was registered as a foreign agent under the Foreign Agents Registration Act while he served as editor for "The Week". This publication was identified as a "British publication which was suppressed by the British Government because its editor was associated with the British Daily Worker".

GLADYS GLASSMAN

She was registered with the ALP in N.Y.C. in 1943. Her sister, VIVIAN, is married to ERNEST J. PATAKI, a close friend of JULIUS and ETHEL ROSENBERG. CIC files show she was a supervisor of an ALP club in Los Angeles, Calif.

ELEANOR GLASSMAN

Sister of the above GLADYS and VIVIAN. She is the subject of an SE-C case, New York origin. One PEREZ ZAGORIN visited ELEANOR's residence in Long Branch, N.J., where he gave instructions to civilian employees of the Signal Corps, who were organizing the UFWA. CIC files indicate that the UFWA was Communist dominated.

Miss W. FORSYTH

The name Miss WINIFRED M. FORSYTH, 620 Plymouth Rd., Clairmont, Calif., appeared on a list of voters in the Socialist Party in Los Angeles in 1941.

RECOMMENDATION:

GLASSMAN is the subject of a pending Espionage - R investigation, New York origin.

DEROGATORY INFORMATION IN NEWARK FILES

1) ON SUBJECT

VIVIAN GLASSMAN is the subject of an ESPIONAGE - R, ISA-50 investigation of which the New York Division is the office of origin. New York, therefore, will report the derogatory information in FBI files on subject and her relatives, references and associates. There is no derogatory information in the Newark files which is not in the possession of New York.

2) ON ASSOCIATES

JOEL BARR

Was a member of the Soviet espionage apparatus in which JULIUS ROSENBERG functioned.

JUDITH GROLLMAN

Alleged to have been in 1943 a CP member or engaged in activities strongly evidencing CP membership. GROLLMAN was a shop steward in the Communist-dominated Monmouth County Chapter of UFWA in 1934.

ESTHER LUTTAN

Subject of an SM-C investigation instituted in the Newark Division in 1943 on the basis of her suspected membership in the Shore Branch of the CP from March to August, 1943. New York was designated as office of origin on 7/19/44.

VIVIAN FRUCHTBAUM

Interviewed by SAs on 3/13/53. Declined to furnish any information regarding individuals she had known and who were employed at Ft. Monmouth during period she worked there. Investigation disclosed VIVIAN GLASSMAN had spent the day at FRUCHTBAUM's home on 10/14/32.

DAVID GREENGLASS

On 6/15/50 DAVID GREENGLASS gave a signed statement to FBI Agents at NYC admitting that he was recruited for Soviet espionage by his wife, RUTH GREENGLASS, about 11/29/44, at the request of his brother-in-law, JULIUS ROSENBERG. GREENGLASS stated he gave HARRY GOLD, in the summer of 1945, a sketch of a high explosive experimental lens mold then being used for experiments in arriving at critical uranium mass at Los Alamos atom bomb project and information regarding personnel at Los Alamos. GREENGLASS was indicted by USGJ, SDNY, on 10/10/50 for conspiracy to violate the Wartime Espionage Statute, Sub Section A, Section 32, Title 50, USC. JULIUS ROSENBERG, ETHEL ROSENBERG, ANATOLI A. YAKOVLEV and MORTON SOBELL were named as co-defendents. HARRY GOLD and RUTH GREENGLASS were named as co-conspirators. GREENGLASS plead guilty on 10/16/50 in the USDC, SDNY. He was sentenced to 15 years imprisonment on 4/6/51.

STEPHEN L. JAFFA

JAFFA and his wife, CARLA SMALL JAFFA, are the subjects of a pending investigation, ESPIONAGE - R, of which Newark is the office of origin. This investigation was based upon information that JAFFA and his wife were associates of subject and ELEANOR GLASSMAN. JAFFA was a classmate of JULIUS ROSENBERG at CCNY. From 1946 to 1948 JAFFA had business dealings with the G & R Engineering Co., ROSENBERG's and DAVID GREENGLASS' firm. The name "JAFFA" appeared in the address book of ALFRED SARANT. JAFFA was interviewed 6/13/53 by FBI Agents and advised he had a CP membership card under the name, STEPHEN LOUIS, and had attended a few open CP meetings. JAFFA insisted he is not and never has been a Communist or a CP member, except as related above.

LEONARD B. BOUDIN

BOUDIN is a CP functionary in the New York City area. The only information in the Newark files which does not appear to be in the possession

of New York is that Mr. HENRY J. SENDER, Jr., a Union City, N. J. attorney, advised Agents of the Newark Office that he represented the CIO in an action against the UOPWA. SENDER stated that SOUDIN represented the UOPWA and described him as "a most dangerous Communist".

WILLIAM PERL

Was an associate of JULIUS ROSENBERG and of many of the individuals included in the ROSENBERG Soviet espionage apparatus. PERL was indicted on four counts of perjury in connection with his denials of knowing MORTON SOBELL, HELEN KLITCHEA, JULIUS ROSENBERG, MICHAEL and ANNE SIDOROVICH.
