items numbered EV1, EV2 and EV111 along with the chalked outline of victim number 1 which was located on the grass on the south side of the driveway leading to the parking lot. Chicago surveyed evidentiary items in the parking lot on 8/5/12. On 8/6/12, WSTTRU surveyed inside the temple for general layout and all evidence that was photographed and collected by MW ERT while Chicago surveyed the remaining evidentiary items on the exterior as well as trajectory evidence for TRU. At the conclusion of 8/6/12, WSTTRU provided electronic files of all survey data to SA [REDACTED] which was combined with Chicago's survey data and sent to OPU via e-mail.

On 8/7/12 and 8/8/12, Chicago surveyed evidence and trajectory data on both the interior and exterior of the temple. All data was transferred to OPU's [REDACTED] and Milwaukee's STI [REDACTED] [REDACTED] on 8/09/12 via e-mail. An original copy of all survey files were downloaded on a CD and are placed in Milwaukee's case file under 1B4.

Writer requests the Chicago Evidence Control Center transfer 1B4 to the Milwaukee division for chain of custody purposes.

On Sunday, August 5, 2012, at approximately 7:25 PM, Special Agents (SA) of the FBI's Milwaukee Field Office, Special Weapons and Tactics Team (SWAT), approached [redacted] Cudahy, Wisconsin, pursuant to a Wisconsin State search warrant. The exterior front windows of the residence were breached and remotely-controlled robots were inserted into the residence to facilitate reconnaissance. SWAT members then observed the interior of the captioned residence in an effort to detect subjects and/or improvised explosive devices (IEDs).

At approximately 7:51 PM, multiple SWAT SAs entered the structure through the front windows while announcing their presence and purpose. The SWAT team cleared and secured all but several small areas in the residence due to potential IED threat(s).

At approximately 8:35 PM, Milwaukee Police Department and Milwaukee County Sheriff's Office EOD personnel arrived at the residence and assisted in the clearing/securing of the remainder of the residence.

(U) On 08/04/2012, [redacted] was installing CAT 5E coaxial cable throughout the Sikh Temple at 7512 S. Howell Ave., Oak Creek, WI. [redacted] and [redacted] arrived shortly after 2:00 p.m. and began installing cable for flat screen televisions in the Prayer Hall and Dining Hall. They were there to also run cable for video feeds and computer service. There were not more than a dozen Sikhs there when they arrived. There were women in the kitchen area cooking food. Two priests were in the Prayer Hall, another was in the library and [redacted] noted someone else was in the bedroom section. An unknown white male (UWM) entered the Sikh Temple at about 4:30 p.m. [redacted] noticed this UWM was not wearing any head covering or covering on his shoes like everyone else in the temple including [redacted] and [redacted] said this UWM had a rigid and very aggravated expression on his face and didn't look at [redacted] who was sitting inside at the entrance to the temple. The UWM was average height, medium complexion, stocky in build. He wore a dark colored polo shirt with horizontal stripes with a pair jeans. [redacted] acknowledged that he glanced up to look at this UWM for just a moment and could not recall if the UWM had any tattoos or facial hair or glasses. THE UWM left the temple after five or ten minutes. It was observed by [redacted] that the UWM left in a hurried fashion. In retrospect [redacted] advised he had not paid any attention to what the UWM was doing or exactly what areas in the temple he may have wandered through. [redacted] did not see the UWM at any time.

(U) [redacted] followed media coverage of the shooting at Sikh Temple the following Sunday morning of 08/05/2012. When the media eventually provided the identity of and a photograph of the fatally wounded shooter, [redacted] immediately recognized the image was of the UWM he had encountered at the temple the day before. [redacted] articulated that, with almost absolute certainty, the UWM and WADE MICHAEL PAGE are one and the same person.

[redacted] date of birth (DOB) [redacted] was interviewed at the office of his attorney, [redacted]. [redacted] After being advised of the identity of the interviewing Agents and the nature of the interview, [redacted] provided the following information:

Attorney [redacted] telephonically contacted Special Agent (SA) [redacted] [redacted], earlier the same afternoon and advised his client, [redacted] wanted to cooperate with the FEDERAL BUREAU OF INVESTIGATION (FBI). [redacted] agreed to have his client available for interview at his office at 4:00 p.m., that afternoon. [redacted] asked if the agents would mind if he sat in on the interview. There was no objection to [redacted] presence.

At the beginning of the interview [redacted] explained that he was representing [redacted] in a [redacted] matter, and had instructed [redacted] to not give any statements without him present. [redacted] explained this was why his client would not talk to agents when he was approached on August 6, 2012 on [redacted]

[redacted] was shown a photograph of WADE MICHAEL PAGE and asked if he knew this individual. [redacted] identified him as WADE PAGE. [redacted] first met PAGE in late 1995 or early 1996 while [redacted] in the United States Army (USA), at Fort Bragg, NC. [redacted] While [redacted] their barracks rooms were [redacted] other. At the time, PAGE was a Specialist (E-4) and [redacted] was a [redacted]

[redacted] Again they were assigned barracks rooms [redacted] other. About that time PAGE was promoted to Sergeant and served as the Assistant Team Leader [redacted] advised that PAGE watched out for him, ensuring that [redacted] did the extra physical and academic work to advance and be successful in the Army.

[redacted] In 1997 and 1998 PAGE

[redacted] PAGE would go out for a beer when they first met but that PAGE began to drink more. [redacted] advised that during this time frame, PAGE was sent to "Adaptsee" (phonetic), an USA drug and alcohol counseling program. [redacted] advised he believed [redacted] was referring to an USA drug and alcohol counseling program known as ADAPCP. PAGE told [redacted] that he did not have a drinking problem.

PAGE was reduced in rank to E-4 around this time, which coincided with [redacted] [redacted] PAGE, [redacted] [redacted] PAGE's chain of command. This change caused a few rough spots for their relationship, but they remained friends.

PAGE was discharged from the USA in approximately 1998. [redacted] does not know the circumstances surrounding PAGE's discharge or the type of discharge he received. [redacted] believes PAGE's discharge was related to PAGE's drinking.

After leaving the USA, PAGE traveled to the western United States and expressed an interest in becoming a mechanic. PAGE maintained contact with [redacted] via the mail during his travels.

[redacted]

From approximately 2002-2003 through approximately 2007-2008, PAGE [redacted] because of the money problems PAGE was having at the time. [redacted] [redacted] during this time period and as a result does not recall the exact periods PAGE [redacted]

In approximately 2007-2008, PAGE got his own house on Doc Bennett Road, Fayetteville, NC, near the Fayetteville Regional Airport and a racetrack. PAGE had obtained a job as a long haul truck driver around this time, which allowed him to purchase the house. [redacted] advised PAGE had [redacted] [redacted] when he first began working as a long haul truck driver.

Sometime between 2008 and 2010, [redacted] [redacted] PAGE got a DUI. [redacted] [redacted] PAGE [redacted] PAGE [redacted]

266N-MW-2440609

Continuation of FD-302 of [redacted] Interview of [redacted], On 08/08/2012, Page 3 of 7

[redacted] had told [redacted] that PAGE was really letting himself go and drinking a lot before the DUI arrest. She asked [redacted] to talk to PAGE about it. [redacted] talked to PAGE about his drinking more than once. Sometimes PAGE acknowledged he needed to slow down, other times he denied having a problem.

When asked if PAGE used other drugs, [redacted] replied, "Not that I know of." [redacted] then told of visiting PAGE [redacted] [redacted] began discussing getting high. [redacted] asked PAGE about it and PAGE told him that he didn't like it, but these guys might smoke dope. [redacted] told PAGE [redacted] [redacted] advised that PAGE expressed a dislike for drugs. He also advised [redacted] who brought up getting high, was not white. [redacted] believed he might have been part Indian (Native American).

PAGE always had musical equipment. He talked about all kinds of music and talked of wanting to make his own band. PAGE talked about the white power music scene. [redacted] believes PAGE would have played with anyone who would let him be in their band.

PAGE talked to [redacted] about the personal drama between white power band members. PAGE said that some white power band members were talented enough to play anywhere but because of the nature of music couldn't play elsewhere. He said other white power band members had no talent and could not play anywhere else.

[redacted] advised his interactions with PAGE were in person or by telephone. [redacted] did not have an E-mail address for PAGE, but advised that he probably had it in 2010. [redacted] was asked if he recalled an E-mail address using the name "jackboot." He did not.

[redacted] advised that shortly after [redacted] (which he recalled as occurring in [redacted] [redacted], he called PAGE and told he could not have any further contact with him. [redacted] explained [redacted] PAGE said he understood, told [redacted] to do what he needed to do [redacted] PAGE said not to feel bad. He told [redacted]

PAGE also told [redacted] during this call that he was losing his house because he could not make the payments. He said he lost his job because of a DUI. PAGE also talked about making his band, END APATHY. PAGE was

enthusiastic about the band and music, but he seemed depressed about his monetary situation.

[redacted] advised [redacted] last saw PAGE in August 2010. [redacted] advised that to the best of his knowledge he and [redacted] have had no contact with PAGE since then.

[redacted] did not know much about PAGE's [redacted] when he had his own house. [redacted] did not know her name.

Between 2003-2007 PAGE "hung out" with [redacted] last name unknown (LNU) who worked with PAGE at CAPE FEAR HARLEY DAVIDSON (CFHD); Fayetteville, NC. PAGE said [redacted] assumed [redacted] because they hung out a lot.

While PAGE was in the western United States, between approximately 1998 and 2002, PAGE said he was going to [redacted] whose name may have been [redacted] (phonetic) LNU. PAGE later found out [redacted]

PAGE worked at CFHD from approximately 2002 through 2005. He was not a mechanic but did do something in maintenance, possibly in the parts area. PAGE liked working at CFHD, until [redacted] over PAGE. PAGE was very upset about this. [redacted] does not know if PAGE quit or if something happened relating to the [redacted] over PAGE and PAGE was fired.

[redacted] which was the same time he ended contact with PAGE. [redacted] with PAGE. [redacted] provided PAGE's cellular telephone number as [redacted]

[redacted] advised PAGE's mother died of Lupus when PAGE was a young teen. PAGE "freaked out" about hospitals because of the time he spent in the hospital with his mother. [redacted]

[redacted] PAGE called [redacted]

PAGE's [redacted] was unknown to [redacted] PAGE did not get along with [redacted] (name unknown). As a teenager PAGE stayed outside the home because he was not wanted in the house. PAGE did not like [redacted] PAGE never married, and had no kids. PAGE loved [redacted] PAGE talked about [redacted] could not recall if [redacted]

PAGE had [REDACTED]. He thought [REDACTED] name may have been [REDACTED] (phonetic). PAGE had an uncle he liked (name unknown). The uncle died in approximately 2005 - 2006.

[REDACTED] advised a lot of times you could tell stuff bothered PAGE and he would get agitated and say I don't want to talk about it.

PAGE did talk with [REDACTED] about politics. PAGE did mention racist views. He disliked Blacks and Jews. PAGE felt both the Israelis and the Palestinians were bad, but felt the Israelis were more heavy handed and did not use proportionality in fighting on the West Bank. PAGE felt the Palestinians were brave for standing up to the Israelis, but were bad for killing Americans. PAGE felt Muslims were not appreciative of American assistance to Afghanistan to defeat the Soviets.

When [REDACTED] first met PAGE, it seemed PAGE could interact with people of other races, but by the 2007 to 2008 time frame, PAGE would shut down socially in the company of other races.

PAGE had never mentioned Sikhs to [REDACTED] said PAGE would have known the difference between Sikhs and Muslims because of his PSYOPS training and because of PAGE's general reading.

PAGE was generally against immigration. He felt America did not need more immigrants. PAGE felt that everyone who had immigrated to America after a certain time (perhaps the Civil War) should return to their native lands. PAGE felt Liberia was a good political entity and would be preferable for African American relocation.

PAGE's military duties were in PSYOPS. Previously he had a job in the USA which had to do with missiles. The missile system was changing and therefore PAGE moved to PSYOPS. PAGE received only the standard weapons training for a PSYOPS soldier.

PAGE went to USA language school for Spanish. Following the school he had only limited Spanish ability which [REDACTED] evaluated as "1+, 1+."

PAGE had a familiarity with White Supremacist (WS) groups. PAGE liked Skinhead organizations but did not like the NA. [REDACTED] thinks the NA may have turned PAGE down as a member possibly because of PAGE's drinking. PAGE felt the NA was too academic. He made negative comments about the NA being too academic or too "egg head." [REDACTED] was not familiar with skinhead groups, but PAGE did talk about the differences between skinhead sub groups.

When asked about PAGE's ideologies or beliefs, [REDACTED] responded by

saying PAGE wanted to be around white people, more accurately, PAGE did not want to be around people who were not white. He liked to be by himself.

When asked about PAGE's WS associates, [REDACTED] advised PAGE had mentioned [REDACTED] a guy named [REDACTED] LNU. [REDACTED] also knew PAGE associated with skinheads but did not know the names of any of these skinheads. [REDACTED] had heard PAGE mention the Hammerskins, but had no additional information regarding the Hammerskins.

[REDACTED] could not think of any reason why PAGE would attack the Sikh community or any other group. PAGE had expressed dislike of Blacks and Jews before, but had never expressed violent ideation toward them.

[REDACTED] advised PAGE had a lot of tattoos. PAGE told him the tattoos were associated with an 80's punk rock band, "Gore."

The only other military person [REDACTED] was aware of who might have an association or relationship with PAGE was [REDACTED] (phonetic). PAGE knew [REDACTED] in the USA. [REDACTED] does not know where [REDACTED] is now. PAGE visited [REDACTED] before September 11, 2001. [REDACTED] did not think [REDACTED] was a WS.

[REDACTED] has no idea why PAGE attacked the Sikhs. They had previously talked in the context of their military service that to shoot a woman or to shoot anyone in the back was unmanly. [REDACTED] heard reports that PAGE had shot a Sikh woman in the back during the attack, and he was having a hard time understanding PAGE's actions. In addition, PAGE had previously expressed to [REDACTED] his respect for people who protect others to include police. [REDACTED] cannot square that PAGE shot a police officer helping a victim during the attack. [REDACTED] does not know what could have caused PAGE to do what he did.

[REDACTED] advised that on Saturday, August 4, 2012, he was at his residence in [REDACTED]

[REDACTED] advised his neighbor, [REDACTED] who lives across the street may be able to verify he was home. On Sunday, August 5, 2012, [REDACTED] was with [REDACTED] telephone number [REDACTED]

[REDACTED] has never been to Wisconsin. His most recent trip [REDACTED]
