Just wanted to thank you all for making today happen. We worked through some curveballs, but by communicating and adjusting as a team, we made it happen. A good day.

To thank Hope for teaching Dimitri what a pool camera is, I am going to name her my Vice President since I also have no mathematical chance of being the Republican nominee!

Enjoy Indiana!

Dimitri has the latter part covered – he will get a lot of people to go on record after saying good things. He also might have an introduction by [REDACTED] who will say nice things. Stay tuned. He is working to confirm this.

I will have our communications director connect to organize. Rick Gates will be the internal point of contact for us. He and our Comm Dir will then interact with the National Press Club.

I am not envisioning any Q&A. there is the speech and then we move on. We will need to organize important FP experts to attend the speech and to comment on the contents.

Jared,

We have a hold on a room at the National Press Club, which can accommodate up to 120 people for lunch and obviously more when set up theater-style. We need to confirm with them by 11am Wednesday morning. Our Chairman, General Charles Boyd, and a few others on the board have signed up for the event, but I would still need to touch base with a couple of others. I will do that promptly once there is certainty on your end.

Incidentally, our thinking is that The National Interest magazine will serve as the inviting organization for the luncheon. The magazine covers the campaign extensively and it would be

quite appropriate for them. As you may know, the magazine is quite prominent and is published by the Center for the National Interest. It would in no way diminish the prestige and nature of the event.

Best,
Dimitri

Thank you so much. I am very appreciative for the effort and your continued willingness to help.

We will go through this right away and be back to you to review.

Any progress on securing a location and confirming the time?

Yours,

Dear Jared,

As we discussed, I have attached draft bullet points in the form of an outline produced by Rick Burt, Paul Saunders and me. Our objective was not to cover every single foreign policy issue, but rather to explain the core principles and approaches that are behind Mr. Trump's foreign policy vision. We tried to do this as much as possible using his language while incorporating some additional details.

Please let me know if you have any questions.

With kind regards,

Dimitri

Документ № 17-2010-16

Шановні пані та панове!

Щиро вітаємо в Україні! Дякую за згоду стати міжнародними спостерігачами на виборах Президента України 17 січня 2010 року. Участь груп українських і міжнародних спостерігачів, а також засобів масової інформації, надзвичайно важлива для забезпечення прозорості і справедливості виборів.

Президент Європейського Парламенту Сжи Бузек і Державний Секретар США Хіларі Кліnton з усію певністю заявили, що місце України в міжнародному співтоваристві та її здатність досягти важливих цілей у зовнішній політиці та зовнішній торгівлі залежатимуть від вільних і справедливих виборів. Вони також виразили свою готовність співпрацювати з будь-яким кандидатом, який переможе в ході справедливих виборів.

Декілька днів тому дипломати високого рангу з Франції, Великої Британії та Німеччини також зробили заяву про свою неупереджену позицію стосовно будь-кого з кандидатів на президентських виборах в Україні.

Громадяни України чекають на прихід політиків, які б дотримувалися найвищих етичних стандартів поведінки. Вони заслуговують на це. Без чесних виборів і поваги до верховенства права Україна не зможе досягти стабільності, необхідної для економічного зростання і розвитку зрілої демократії.

Саме тому я підписав Кодекс чесного ведення виборчої кампанії, який зобов'язав представників моєго виборчого штабу і Партію регіонів дотримуватися високих стандартів прозорості виборів. Я публічно заявив, що чекаю від усіх, хто працює від моєго імені, дотримання цього Кодексу. Я також закликав моїх суперників поважати Конституцію та закони України, а також демократичні норми, закріплені в Кодексі.

За допомогою цієї збірки, що містить інформаційні матеріали, сподіваюся зробити мою кампанію і процес виборів ще прозорішими. У ній представлені деякі ключові документи виборчої кампанії, матеріали останніх опитувань громадської думки, факти, що викликають занепокоєння моєго виборчого штабу, аналіз проблем, пов'язаних з прозорістю виборів.

Ці проблеми включають: необ'єктивність судів у справах, що мають політичне й електоральне підґрунтя, спроби обмеження свободи слова і зборів, підкуп виборців і зловживання адміністративним ресурсом, а також сумнівна точність Державного реєстру виборців. Прошу Вас ознайомитися з цими матеріалами та врахувати цю інформацію у Вашій роботі в якості спостерігачів.

На закінчення хочу запевнити Вас у тому, що рішуче виступаю за чесну передвиборну боротьбу та вибори, що відображають волю народу України. В ході виборчої кампанії я окреслив своє бачення майбутнього України, нагадав про те, що мною зроблено як керівником, здатним ефективно управляти країною, та навів приклади невиконаних обіцянок і некомпетентності нинішнього Уряду. Справедливі та прозорі вибори необхідні для одержання мандату на проведення реформ в Україні. Я надзвичайно вдячний Вам за Ваше сприяння проведенню виборів відповідно до найвищих демократичних стандартів.

Я бажаю Вам всього найкращого у день виборів і дякую за Ваш постійний інтерес та підтримку демократії в Україні.

З повагою,

**Кандидат на пост
Президента України**

Dear Sir/Madam

Welcome to Ukraine! Thank you for agreeing to serve as an international observer for the 17 January 2010 Presidential Elections. The participation of domestic and international observer groups and the mass media is essential to safeguarding the transparency and accountability of our elections.

The Honorable Jerzy Buzek, President of the European Parliament, and U.S. Secretary of State Hillary Clinton have clearly conveyed the message that Ukraine's place in the international community and its ability to achieve key aims of foreign policy and international trade will be contingent upon a free and fair election. They have also affirmed their willingness to work with whichever candidate wins an honest election.

A few days ago, high representatives of France, Great Britain, and Germany also issued a statement declaring their impartial position toward every candidate in Ukraine's presidential election.

I understand that our citizens expect and deserve politicians and activists who will honor the highest ethical standards of conduct. Absent integrity and respect for the rule of law, Ukraine will not be able to achieve the stability that is required for economic growth and the development of a mature democracy.

This is why I signed a Code of Conduct that holds representatives of my Campaign and the Party of Regions to high standards of election integrity. I have publicly communicated my expectation that everyone working on my behalf will comply with the Code. I have also challenged my competitors to honor the Constitution and laws of Ukraine and the democratic norms outlined in the Code.

Through this briefing book, I hope to bring greater transparency to my campaign and the electoral process. Herein, I have provided several key campaign documents, copies of the latest public opinion polls, and evidence and analysis of election integrity issues of concern to my Campaign.

These issues include bias of the courts in cases with political and electoral implications, attempts to restrict the freedoms of speech and assembly, vote buying and abuse of administrative resources, and questions about the accuracy of the State Voter Registry. I ask that you review these materials and factor this information into your monitoring activities.

In closing, I want to assure you that I strongly support a campaign fairly fought and an election that reflects the will of the Ukrainian people. Throughout the campaign I have laid out my vision for the future of Ukraine, highlighted my record as a leader capable of effectively governing our country, and presented examples of the current Government's broken promises and inept policies. A fair and transparent election is vital to deliver the mandate that I seek in order to bring reform to Ukraine. I am very appreciative of your commitment to assist in ensuring that the election meets the highest democratic standards.

All the best on Election Day and thank you for your on-going interest in and support of democracy in Ukraine.

for President of Ukraine**

Уважаемые дамы и господа!

Добро пожаловать в Украину! Благодарю вас за согласие стать международными наблюдателями на выборах Президента Украины 17 января 2010 года. Участие групп украинских и международных наблюдателей, а также средств массовой информации, чрезвычайно важно для обеспечения прозрачности и справедливости выборов.

Президент Европейского Парламента Ежи Бузек и Государственный Секретарь США Хиллари Клинтон со всей определенностью заявили, что место Украины в международном сообществе и её способность к достижению серьезных целей во внешней политике и внешней торговле будут зависеть от свободных и справедливых выборов. Они также выразили готовность сотрудничать с любым кандидатом, который победит в ходе справедливых выборов.

Несколько дней назад высокие представители Франции, Великобритании и Германии также сделали заявление о непредубеждённости их позиции в отношении любого из кандидатов на президентских выборах в Украине.

Наши граждане ожидают прихода таких политиков, которые бы придерживались самых высоких этических стандартов поведения. Они это заслужили. Без честных выборов и уважения к верховенству права Украина не сможет обрести стабильность, необходимую для экономического роста и развития зрелой демократии.

Именно поэтому мою подпись подписан Кодекс честного ведения избирательной кампании, обязывающий представителей моего избирательного штаба и Партию регионов придерживаться высоких стандартов прозрачности выборов. Я публично заявил, что ожидаю от всех, кто работает от моего имени, соблюдения этого Кодекса. Я также призвал моих соперников уважать Конституцию и законы Украины, демократические нормы, отраженные в Кодексе.

При помощи этого издания, содержащего информационные материалы, надеюсь сделать мою кампанию и процесс выборов еще более прозрачными. Здесь представлены некоторые ключевые документы избирательной кампании, материалы последних опросов общественного мнения, факты, вызывающие обеспокоенность моего избирательного штаба, анализ проблем, связанных с прозрачностью выборов.

Эти проблемы включают: предвзятость судов в делах с политической и выборной подоплекой, попытки ограничения свободы слова и собраний, подкуп избирателей и злоупотребление административным ресурсом, а также сомнительная точность Государственного реестра избирателей. Прошу Вас ознакомиться с этими материалами и учесть данную информацию в Вашей работе в качестве наблюдателей.

В заключение хочу заверить Вас, что решительно выступаю за честную предвыборную борьбу и выборы, отражающие волю народа Украины. В ходе избирательной кампании я высказал свое видение будущего Украины, напомнил о том, что сделано мною в качестве способного эффективно управлять страной руководителя, привёл примеры невыполненных обещаний и некомпетентной деятельности нынешнего Правительства. Справедливые и прозрачные выборы необходимы для получения мандата на проведение реформ в Украине. Я чрезвычайно признателен Вам за содействие проведению выборов в соответствии с самыми высокими демократическими стандартами.

Желаю Вам всего наилучшего в день выборов и благодарю за Ваш постоянный интерес и поддержку демократии в Украине.

С уважением,

Кандидат на пост
Президента Украины

(2) Should Client be prosecuted, no statements made by Client during the meeting will be used against Client in the government's case-in-chief at trial or for purposes of sentencing, except as provided below.

(3) The government may use any statement made or information provided by Client, or on Client's behalf, in a prosecution for false statements, perjury, or obstruction of justice, premised on statements or actions during the meeting. The government may also use any such statement or information at sentencing in support of an argument that Client failed to provide truthful or complete information during the meeting, and, accordingly: (a) that under the United States Sentencing Guidelines, Client is not entitled to a downward adjustment for acceptance of responsibility pursuant to Section 3E1.1, or should receive an upward adjustment for obstruction

of justice pursuant to Section 3C1.1; and (b) that Client's conduct at the meeting is a relevant factor under 18 U.S.C. § 3553(a).

(4) The government may make derivative use of any statements made or other information provided by Client during the meeting. (6) Neither this agreement nor the meeting constitutes a plea discussion or an attempt to initiate plea discussions. In the event this agreement or the meeting is later construed to constitute a plea discussion or an attempt to initiate plea discussions, Client knowingly and voluntarily waives any right Client might have under Fed. R. Evid. 410, Fed. R. Crim. P. 11(f), or otherwise, to prohibit the use against Client of statements made or information provided during the meeting.

(7) The government reserves the right to argue that neither this agreement nor the meeting constitutes the timely provision of complete information to the government concerning Client's involvement in an offense, within the meaning of Section 3El.1(b) of the Sentencing Guidelines.

(8) If and when required to do so by a court, the government may disclose to the Probation Office or the court any statements and information provided by Client during the meeting.

(9) The government may disclose the fact of the meeting or the information provided by Client during the meeting to the extent the government determines in its sole discretion that disclosure would be in furtherance of its discharge of its duties and responsibilities or is otherwise required by law. Such disclosure includes disclosure to a local, state, federal, or foreign government office or agency, including but not limited to another prosecutor's office, if the recipient of the information agrees to abide by the relevant terms of this agreement.

(10) The terms and conditions set forth in this agreement extend, if applicable, to the continuation of the meeting on the dates that appear below.

(11) It is understood that this agreement is limited to the statements made by Client at the meeting and does not apply to any oral, written or recorded statements made by Client at any other time.

(12) This document embodies the entirety of the agreement between the government and Client to provide information and evidence. No other promises, agreements or understandings

exist between Client and the government regarding Client's provision of information or evidence to the government.

(13) Client and Client's attorney acknowledge that they have read, fully discussed and understand every paragraph and clause in this document and the consequences thereof.
