Sincerely yours,

With respect to the meeting between the government, Client and yourself on November 14, 2017 (hereinafter "the meeting"), the government will be represented by individuals from the Office of the Special Counsel and the Federal Bureau of Investigation. The terms of this letter do not bind any office or component of the U.S. Department of Justice other than those identified in the preceding sentence. The following terms and conditions apply to the meeting:

(1) THIS IS NOT A COOPERATION AGREEMENT [Redacted]

[Redacted] the government does not agree to make any motion on Client's behalf or to enter into a cooperation agreement, plea agreement, immunity agreement or non-prosecution agreement with Client. b6 per DOJ/OIP
b7C per DOJ/OIP

(2) Should Client be prosecuted, no statements made by Client during the meeting will be used against Client in the government's case-in-chief at trial or for purposes of sentencing, except as provided below.

(3) The government may use any statement made or information provided by Client, or on Client's behalf, in a prosecution for false statements, perjury, or obstruction of justice, premised on statements or actions during the meeting. The government may also use any such statement or information at sentencing in support of an argument that Client failed to provide truthful or complete information during the meeting, and, accordingly: (a) that under the United States Sentencing Guidelines, Client is not entitled to a downward adjustment for acceptance of responsibility pursuant to Section 3E1.1, or should receive an upward adjustment for obstruction

of justice pursuant to Section 3C1.1; and (b) that Client's conduct at the meeting is a relevant factor under 18 U.S.C. § 3553(a).

(4) The government may make derivative use of any statements made or other information provided by Client during the meeting. Therefore, the government may pursue any investigative leads obtained directly or indirectly from such statements and information and may use the evidence or information subsequently obtained therefrom against Client in any manner and in any proceeding.

(5) In any proceeding, including sentencing, the government may use Client's statements and any information provided by Client during or in connection with the meeting to cross-examine Client, to rebut any evidence or arguments offered on Client's behalf, or to address any issues or questions raised by a court on its own initiative.

(6) Neither this agreement nor the meeting constitutes a plea discussion or an attempt to initiate plea discussions. In the event this agreement or the meeting is later construed to constitute a plea discussion or an attempt to initiate plea discussions, Client knowingly and voluntarily waives any right Client might have under Fed. R. Evid. 410, Fed. R. Crim. P. 11(f), or otherwise, to prohibit the use against Client of statements made or information provided during the meeting.

(7) The government reserves the right to argue that neither this agreement nor the meeting constitutes the timely provision of complete information to the government concerning Client's involvement in an offense, within the meaning of Section 3E1.1(b) of the Sentencing Guidelines.

(8) If and when required to do so by a court, the government may disclose to the Probation Office or the court any statements and information provided by Client during the meeting.

(9) The government may disclose the fact of the meeting or the information provided by Client during the meeting to the extent the government determines in its sole discretion that disclosure would be in furtherance of its discharge of its duties and responsibilities or is otherwise required by law. Such disclosure includes disclosure to a local, state, federal, or foreign government office or agency, including but not limited to another prosecutor's office, if the recipient of the information agrees to abide by the relevant terms of this agreement.

(10) The terms and conditions set forth in this agreement extend, if applicable, to the continuation of the meeting on the dates that appear below.

(11) It is understood that this agreement is limited to the statements made by Client at the meeting and does not apply to any oral, written or recorded statements made by Client at any other time.

(12) This document embodies the entirety of the agreement between the government and Client to provide information and evidence. No other promises, agreements or understandings

exist between Client and the government regarding Client's provision of information or evidence to the government.

(13) Client and Client's attorney acknowledge that they have read, fully discussed and understand every paragraph and clause in this document and the consequences thereof.

Memo

1. The meeting with the minister took place in Cairo while I am on a trip in Egypt to meet religious leaders

2. They have several scenarios:
 - A. One on One meeting in a hotel
 - B. A visit to the Tower
 - C. A follow up meeting between teams

3. The Head of the Coptic Church whom I met "urges DJT to meet President Sisi as the best ally for the protection of Christian minorities in the region"

☞ The Minister of Religious affairs and top Islamic scholar will support such a meeting and would be even ready to come to the US later and support moderates

Urgent and sensitive Request for meeting

I received a request for a meeting between President Sisi of Egypt and Presidential candidate Donald Trump via a member of his cabinet while on a visit in Cairo. The minister transmitted the unofficial inquiry via myself addressed to the HQ of the campaign for a meeting that would take place in New York between September 18 and 22, during the UN General Assembly at location and under frameworks to be discussed, once the principle is agreed upon by the two parties

1. They expressed interest in the fact that DJT mentioned President Sisi in his speech
2. They wish to listen to his views on future US relations with Egypt, the Middle East, and joint fight against terrorism
3. They wish to communicate views on future relations between Egypt and the Middle East

They have made several suggestions for scenarios for the meeting and would submit them once there is an agreement on engaging in that direction

5. They have designated a minister to conduct the preparations for such meeting if agreeable

Feel free to ask further questions on the context and details. They would be ready to engage with any person(s) appointed from your side to discuss the potential meeting.

Best
