Dear Sir or Madame:

You said you submitted a report and I also submitted my statement through the website you provided. Is there anything else I need to do? I have still not heard back from anyone at the FBI.

Sincerely,

[redacted]

On Mon, Oct 1, 2018 at 3:15 PM [redacted] wrote:

Sir - I have attach your letter to this inquiry and will submit this information for additional processing.

Thank you.

Below is a letter written by [redacted] as reported by the N.Y. Times. [redacted] can be contacted by the FBI via [redacted] [redacted] phone [redacted] (protect) and a request received October 1, 2018 via the [redacted]

"I have been contacted by numerous reporters about Brett Kavanaugh and have not wanted to say anything because I had nothing to contribute about what kind of justice he would be. [redacted]

[redacted] and Brett enjoyed socializing with athletes. Indeed, athletes formed the core of Brett's social circle.

In recent days I have become deeply troubled by what has been a blatant mischaracterization by Brett himself of his drinking at Yale. When I watched Brett and his wife being interviewed on Fox News on Monday, and when I watched Brett deliver his testimony under oath to the Senate Judiciary Committee on Thursday, I cringed. For the fact

UNCLASSIFIED

Re: 77N-HQ- [redacted] SubPal, 10/03/2018

is, [redacted] Brett was a frequent  
drinker, and a heavy drinker. [redacted]

[redacted]

I do not believe that the heavy drinking or even loutish behavior of  
an 18- or even 21-year-old should condemn a person for the rest of his  
life. I would be a hypocrite to think so. [redacted]

[redacted]

And I do believe that Brett's actions as a 53-year-old federal judge  
matter. If he lied about his past actions on national television, and  
more especially while speaking under oath in front of the United  
States Senate, I believe those lies should have consequences. It is  
truth that is at stake, and I believe that the ability to speak the  
truth, even when it does not reflect well upon oneself, is a paramount  
quality we seek in our nation's most powerful judges.

I can unequivocally say that in denying the possibility that he ever  
blacked out from drinking, and in downplaying the degree and frequency  
of his drinking, Brett has not told the truth.

[redacted]

[redacted] I have no desire  
to speak further publicly, and nothing more to say to the press at  
this time. I will, however, take my information to the F.B.I."

entered my apartment yesterday without permission and (1) entered my bedroom and placed a penny in a roll of quarters I use for laundry; (2) turned off the heat to the hot water to the laundry so it would fill cold; (3) turned off the pump to the washer that enables it to fill; and (4) turned the temperature of my air conditioner from "cold" to 75 degrees. Since my first name has 7 letters and my last 5, "75" reduced me, personally, to a number. THESE ACTIVITIES VIOLATE MY LEASE, MY PRIVACY, AND MY DIGNITY. THESE FOUR PEOPLE OUGHT TO BE ARRESTED AND CHARGED WITH CRIMINAL TRESPASS. Why criminal? Because my impression of events in Washington, DC, including the nomination of Kavanaugh, is sought by Congress and the television media. [redacted]

Please take emergency action to detain and remove Donald Trump from the White House. He is admitted life long sexual predator and hater of women. He is actively committing human rights violations at this very moment by his policy of abducting children at the boarder, after lying in wait for them. He is detaining parents then moving them all around the country for financial and political profit. His attack last night on Dr. Ford was not only an act of extreme abuse and depravity that places her in more danger and obstructs an active FBI investigation, it was an incitement of violence towards women and children and anyone who will speak the truth. He is inciting fear and distrust between men

and women. He is sounding the alarm to men that they need to stop women from speaking out, or they could be falsely accused. He is openly inciting and promoting violence towards women and children. He is using presidential power to attempt to criminalize, denigrate and control women, their bodies and their lives. Today we know that more women and children are at risk for assault,rape and murder than yesterday. He is skilled at manipulating human vulnerabilities at a presidential level. He is doing it. We must stop him. He is an imminent danger to all women and children today. he is a danger to our country and our democracy. If there is no other way to stop him now, please consider a legal plea to the Supreme Court for emergency removal of this person from the office of the presidency due to the harm being inflicted on millions of US citizens and all human beings. This is an emergency. Please help.

ref: Kavanaugh FFFFF : when I was in school in the 60s, someone explained the "5Fs" to me as "Find-em, Fool-em, Feel-em, Fuck-em, Forget-em". Surely you can ask classmates to determine that meaning was understood. The "making fun of stuttering classmate" is lame. cell

The following affidavit contains information I believe shows unethical and possibly criminal actions taking place in front of Congress. Please view <https://wellaware1.com/ford/> There you will see the evidence that shows the actor Amy Schumer (cousin of Senator Chuck Schumer) is the person playing the role of Dr. Christine B. Ford. I have done the forensic examinations that include teeth, palms of the hands, facial landmarks, and voice. There is additional evidence that confirms this information including her spouse is the same as Ford's, and Amy's mother is playing a role as Ford's Sister-in-law. The fact that Chuck Schumer clearly states he will, "Do whatever it takes" to disrupt the Supreme Court Nomination, is unethical but what is more alarming is the cost to the taxpayers who will be footing the bill for this scripted out circus. I hope you take this seriously. I am away they are doing this within the law and I understand the loopholes they use, but there has to be something we can do to stop this due to
