Update: The electronic attacks directed at me last night were quite vicious and spaced to achieve the maximum sleep loss. At 3:20 a.m. I was struck in the intestines by a super powerful electronic blast of electronic radiation from the west. At 7:13 a.m. I was hit in the sinuses by a powerful silent sonic bullet from Unit 3 south of me, apartment of cyber terrorist [REDACTED] and his thugs. at 8:13 a.m. I was hit by a massively powerful silent sonic bullet to my sinuses from Unit 3 that jolted me awake and kept me awake the rest of the morning. At 8:29 a.m. I was hit on my left shoulder as I was sleeping on my left side by a pinpoint electronic radiation shock from Unit 1 east of me. It takes a lot more out of me to keep exact times when I am hit by an electronic attack because I have to reach up and get the notepad, look at the luminous watch dial on my left hand and write down what happened. I have been staying away from blow by blow accounts to get more sleep but the ferociousness and relentlessness of the attacks were such that I felt you should know what is happening. I texted [REDACTED]

b6 -4
b7C -4

[REDACTED] and commended her on a commentary she wrote about County Commission Chairman John Meeks and his Vice Chairman Mike Joyner, his big buddy. [REDACTED] was aggressive in her commentary. She told me Meeks is very angry about what she wrote. I still believe Meeks is connected to the underworld that runs these attacks and is closely affiliated with Landmark Media Enterprises, LLC, which operates newspapers in Levy County and is my former employer that fired me in Citrus County. I am hoping the FBI is on top of this matter and is thoroughly investigating. We are approaching the 17th anniversary of these electronic attacks against me and the religious hate that drives the cyber terrorism. The 17th anniversary is Nov. 13. The fourth anniversary of my emails to the FBI concerning these attacks is somewhere between the 7th and 10th of December, just a couple of months away. I am going on memory. They are killing me with a thousand cuts. This is an aside, but I am happy that Judge Brett Kavanaugh has a reasonably good chance of becoming the next Supreme Court justice. He is Roman Catholic. As you know I have been highly critical of the Roman Catholics responsible for these cyber attacks on me, but I have been a staunch supporter of the Judge Kavanaugh's nomination and have advised by President of my support for him through emails. My family up north is filled with Roman Catholics. I have nothing against those Roman Catholics who don't support or condone what's happening to me. My focus is on the Roman Catholics who launched and funded this cyber terrorism and hate campaign and the people they hired to do their dirty work, and there's plenty of them. The cyber terrorism and hate campaign directed at me won't end until arrests are made and the guilty are put behind bars for their heinous crimes.

I want to report suspected criminal activity. Congress recently ordered the FBI to investigate a perspective candidate for the Supreme Court. The FBI completed their investigation without even interviewing the two key individuals of the case and did it in just days. This can't possibly be a serious investigation and is obviously a circus sham. I want to have faith in my government agencies and give them the benefit of the doubt but things keep coming up which cast serious doubt upon the integrity of the FBI. The sham Kavanaugh investigation is just the most recent example. I've put extensive time into studying 9/11. There is simply no way the government is telling the truth about that. The roof of the WTC makes it to the ground in 10 seconds. This isn't up for debate, even NIST lists 10 seconds as the official collapse time. So even though the tops of the buildings fall straight down into their own supporting structures, they pass through the structure at a rate of acceleration, which would suggest the structure is no longer there. If the falling mass began engaging and impacting into the lower building it has to slow down. At least a little bit. Also even if this point isn't true, what about the maximum operating speed of a Boeing Jet below 1000 feet. NIST says the planes hit targets at 500mph. Boeing says the maximum operating speed for a jet below 1000 feet is 250mph. That's sort of a problem. Then we have missing suspects from the OKC bombing, we have a missile shooting down TWA 800, The Kennedy Assassination, MLK. I've put a lot of time into studying these things and it can't all be false. No way, the odds that it's all untrue is about zero. No way that many people would be delusional or lying. It's pretty clear that the FBI is the liar and that there really is a curtain with men behind it. Anyone who is an FBI agent has to know this truth. The information is out there and if one studies it with honest objectivity there is no way to dismiss it all. 9/11 especially. I've studied that enough that I'm totally convinced there is enough evidence to prove the government is lying, in a court of law, beyond a reasonable doubt, if given the opportunity. Building 7 falling at free fall, no one wants to talk about that and I can see why. The laws of physics are irrefutable and you all know that any peer reviewed investigation that wasn't controlled by the government could only conclude demolition. It's the only explanation that stands up to scientific scrutiny. It's really sad to know that the FBI doesn't represent me or my fellow citizens. Well, just keep on serving your elite masters and betraying your country. You've gotten pretty good at it from all indications.

Tip:	Concerning Brett Kavanaugh, I should share the following with you: Brett Kavanaugh stated that he believed that there was someone whom he is mistaken for, whom I believe to possibly be A [redacted] [redacted] and whom has a tendency to hint of his pleasures being similar to those suggested at the hearing. I ask that the Senate not vote until after any investigation is complete by the FBI to assure lack of misuse of Federal Funds if the Department of Justice should find reason to not allow for any such appointment. I realize that I probably recognize Brett Kavanaugh from the Harvard area but I believe that he may be known from the Falmouth, Massachusetts area about 30 - 40 years ago, which would include 1982 and/or the time of the suggested incident spoken of at the hearing and possibly known to Stephen Colbert of Late Night close to the same age. I believe the area of the very small tennis club near Walker Street and Mill Road around the corner from what was then used by [redacted] also known for employment at "Cheers" on Beacon Street in Boston and [redacted] If Kavanaugh offers all prior addresses of use to the Department of Justice, the Cape may be the place to look into if he is whom I can slightly remember. It is his voice that reminds me of someone whom threatened a few people not to speak of some incident in a summer of that time period. The color and tone of color, of the tie used by Brett Kavanaugh during the hearing, is one associated to persons known to be members of what is known as the

Tyrrell AKA Tyrell AKA other misspellings and is used in what is considered properties and businesses in Massachusetts, (including overtaken) used in commercials and TV signifying the relationship of the properties and persons to that group of persons also known in Commonwealth vs. Tyrell (AKA Tyrrell). The Blue is often seen as the trim and shutters of this group known for loving their "Friends" sworn to the same Clan or group of family and/or friends. I believe Judge Sara Day O'Connor may be of that same family and I hope that the Senate does not allow any conflicts of interest within our Justice Department especially immediately following a request for a "mistrial" where a Judge may be of the same family or "friends" (as in those Brett Cavanaugh "loves") as the Defendant in the requested mistrial possibly based upon errors of the court.

I am concerned that there is a significant group of men whom torment women and others not showing sincerity to any member of their group and that the "Tone of Blue" such as in that tie signifies such relationships.

There is a need for Drug Tests ie Cocaine given the repeated movements of the nose area. The DNA of an [REDACTED] and those brought up by persons in Brett Cavanaugh's circle of "friends" also seeking to be Judges in the Federal or Supreme Courts may be of assistance if "friend" or relative of Cavanaugh.

Tip:	I think the formen leftist houses and now Nazi Punk houses attack the leftists now with attack dogs willingly. I thought it was an accident when first happening. The Nazis here celebrate the win of the men over the women by the Nazi Trump with quack quack shouting and duck walks. I think that Susan Collins just got Kavanaugh wrong. He said that not Roe v. Wade is given law that he will respect like she thought. But he said the supreme court's rule is given law that she will have to respect. And he will make it impossible to investigate president's crimes. That means Trump can than even shoot people at 5th avanue and can't be investigated nor can any future Communist who could become president.

Tip:	Here's a tip for you: attempted extortion through interstate means is a federal crime. Gasp! Who knew? I thought that's what you folks were supposed to be fighting, but that shows how much I know. And I'm fairly well-educated. Just think how deluded the great unwashed must be. But I guess you folks are too busy doing a sham job of investigating allegations against Brett Kavanaugh and trying to keep the Orange Clown from eliminating your jobs. Well, you're doing a bang-up job on both counts. I suppose the next time someone tries to blackmail me, I'll have to try to find a Boy Scout with a merit badge in law enforcement. Now, just to show that you're big boys and girls, I suppose you're going to want to come arrest me before I become sarcastic again. Have a good day now sitting on your hands, y'hear?

Tip:	Dear FBI,		
	has told me that a lot of you guys are upset with him that he didn't tell you guys about Brett Kavanaugh. Well, like everything he allows he has his reasons and we just must trust them. But I wanted to illustrate in scripture what I have found. Brett Kavanaugh is going to be very helpful when all this goes down. He is going to sing like a bird and kill them all with the sword of his mouth. This is what it says in Rev 19:21 Here is the scripture check it out https://www.biblegateway.com/passage/?search=rev+19&version=NIV So now we know why the timing of all of this is the way it is. The Lord planned it precisely. So please don't be mad at him ok Take care Everyone. God Bless You.

Tip:	I have reason to believe a major government agency has neglected its duty to investigate a case before the Senate Judiciary Committee. It's become clear that the FBI has NOT done the investigative work it was assigned to do regarding Mr. Brett Kavanaugh. I'm not paying my taxes so that a dirty dishonest bastard can be confirmed to the supreme court and make rulings that direct the nation backward! I've had it with dirty lawyers masquerading as politicians. The FBI has let The People of America down. This is unacceptable. The FBI needs major restructuring as it no longer has the integrity such an agency is supposed to embody. Shame on the FBI and its members! Resign and Retire, you stinking criminals.

PLEASE ADD TO MY FILES / RECORDS:

'You are a betrayer of women': Celebrities
react to Sen. Susan Collins's support of Brett Kavanaugh

Yahoo!
Raechal
Leone Shewfelt
Oct 5th 2018 9:39PM

“Sen. Susan Collins broke hearts
Friday in Hollywood and elsewhere around the country with the announcement
that she will vote for President Trump’s nomination of Brett Kavanaugh
to the Supreme Court. In a lengthy speech on the Senate floor, the Republican
from Maine ended speculation that she would dissent from the rest of her
party and block the nomination.
While the official vote isn’t expected
until Saturday, Kavanaugh now has a clear path to a lifetime appointment
on the highest court in the land, despite the sexual misconduct allegations
that have been brought against him by Christine Blasey Ford and two other
women.

Hollywood — and people everywhere else — lit up social media
with their reactions.”

3 Rapes, wow, now that is a good
background for this possible Supreme Court Judge.

Possible, he should
be background checked!

Tip:	Monica McLean is guilty of witness tampering and cheating on an FBI polygraph test for employment during the 1990s. According to sworn testimony by Ford witness, Leland Keyser, in the Brett Kavanaugh case,, Monica McLean, former FBI agent, tried to pressure her into giving false testimony in favor of Christine Ford in the sensational case. She bullied Leland, she would not stop. According to several witnesses who have given information under oath to the FBI, this same Monica McLean also bullied them, too, to give false testimony in favor of Christine Ford and against Brett Kavanaugh. In each case the witness refused Monica's illegal requests. Surely, Monica McLean deserves about 5 years in jail for each count of witness tampering. Second charge. The ex-boyfriend of Christine Ford asserted he lived with Ford for 6 long years in her home. He states that Christine Ford is an expert on how to cheat on polygraph tests contrary to her false testimony at the Hearing. The ex-boyfriend says that before Monica McLean was hired by the FBI, he saw Christine Ford spend several hours with Monica McLean, explaining how to cheat on the FBI polygraph employment test. I believe this a serious crime by both Ford and Monica McLean.

Tip:	Brett kavanaugh judge-decided many fates subject to blackmail from Blasey Ford not true than why didn't she tell someone about what happened before he decided serious fates peoples lives. Did she tell someone before? If not why not only when he can make a difference in abortion laws she cares about others? [redacted] is that who investigated them? says Scotland Yard- knew of it. Why FBI who has connection to Interpol not request new Pres? he is the Minister of Security not farming. same as can carry flimsy comm devices anywhere? using their code it's not hard to read. I may be the only one who cared to.

Tip:	I believe the White House has limited the Brett Kavanaugh investigation. I am requesting that witnessess, all potential witnesses be interviewed before a possible felon is placed on the Supreme court for LIFE. I am a survivor. I even surprised myself when I abruptly said. Now, I have the courage to admit what happened to me and feel relief that I finally accepted the truth. Please do a thorough investigation that leaves no dought whether Kaavanaugh is guilty or not.Thank you.

Tip:	I believe that during his nomination process for the position of justice of the supreme court of the United States that Brett Kavanaugh repeatedly perjured himself for the purposes of securing said nomination. On a number of occasions he stated that his drinking had never caused him to "black out". This statement has been shown by several statements of previous associates to be blatantly false. He also lied repeatedly about his past statements concerning his own sexual conduct. When questioned about the meaning of a "devil's triangle" he falsely stated that this was a drinking game. This has long been known to be a sexual act between two men and a woman. For these lies, where were told under oath and to retain a position in the nation's highest court, Brett Kavanaugh deserves to be thoroughly investigated for perjury at the very least. Please do your sworn duty as federal officers and look into this matter. Thank you.

The supreme court pick was also telling.
The GOP really believes now that
all
partisan issues are more important than upholding
law and order or
believing in the truth.
So a right wing culprit can do what he wants
like
Arpaio and now soon even Trump without any
sentencing. And because Brett
Kavanaugh was ultry right
he can not be a sex offender. Thats why you never
payed me
my reward that I earned. You never charged my attackers
who tried
to kill me and injured me life threatening.
And why you think merkel has
no V2s.
Because I am left the suspects are right and you are
a partisan
branch of government.
Now Trump can jail Clinton, hang Obama at the white
house
flag pole unpunished. Because Brett Kavanaugh will
make all presidents
to come standing above the law
with your fake investigation into Brett
Kavanaugh aleged sex crimes
against children and because you allowed a
Nazi to become president.
The most funny part is that Fred Trump really
tried to overthrow
your government as a Nazi but Trump falsely accused
Cruz father of having
attempted to assassinate the US president. That is
called Freudsche Fehlleistung.
And I believe that the DEMs will win next
election or your country splits and
Trump and Brett go to jail perhaps. Because
they have probably Michael Avenatti against them.
And thats what happens
to a Nazi terrorist like Trump. The Nazis all fall.

Tip:	I found a "News" article written by a woman named Jennifer Wright. In her article she has broken hate crime laws for sexism, which is not covered by the first amendment, and is illegal. She has also attempted to incite a female rebellion, which is a felony according to 18 U.S. Code, Section 2383. I am submitting this tip so you can investigate her further, as she is attempting to cause chaos among the American population by violating the law, in the process. This is a link to her article: https://www.harpersbazaar.com/culture/politics/a23509937/brett-kavanaugh-confirmation-rebellion/ Please make sure she is aware what the first amendment does NOT protect against, and/or punish her for her crimes!

Eisenhower maintains non-bloodied hands,said "You did it"talkin to Kavanaugh walkin thru me to Supreme Court,he says it was so simple,easy,effortless.It's better to wait a while to see how this conflict/w developed.To get to a cure I watched [redacted] that could perform rebirth/incarnation in others&force them to do her bidding&got caught in nature. So,personally debilitating charges that cause a lot of death/bloodshed,arise when caused by their children practicing witchcraft&not revealing what they did to authorities.Taboos are not corrective in public.If a man's family practice witchcraft outright-then they will eventually be killed.It is possible that Ivanka made Korea extend itself by pressing up on a Korean man that could pass for a white man who had the ability to force others to do her will for recompense.Ivanka is such a savage.I decided it was mass suicide of cultures via Brett K the Ovate

But,the Shah of Iran govt was being dragged into cultural death spiral&wanted out,I wanted him to stay home when he came here&his grp was ousted&moved in retroactivity to encumber&subsume L.B.J. Presidency,w/Kennedy Dad job offer @1942.So,I move him to pay on smuggling charges.He actually ran LBJ after the elections out of the Pres'cy on paper,but realtime can't be undone over&he moved Kennedy beyond the Korean conflict which was just pure hell,by instalnSingapore starvin by virtue of an insane Vietnam/Indo-China whom killed itself through treasons&orgies. So,this kind of death by genitals is very unusual&depraved.He made a heaven(hell actually for easterners to climb into-this goes back into the Hobbs theme)&that heaven somehow assaulted Wallace a politician,throwing his family into some sort of weird contortion but the insert of a young wily woman who would later reuse her body to show us how you can get killed by interfering w/a man's wife,he still married her 1st&through the pain&travails of an interlopment the culprit had to relinquish those babies to father,so Iran shot him in an attempt to remove him from the public b/c the reminder allowed people to express their guilt staining their bones for yet other processes.The RAW goes molecular&I spend a great deal of time watching gametes perpetrate on us trying to figure out how to get born all over again;meanwhile the semblance of who they are was still walking abroad,so one of the paired gametes missing. The part at home does not acknowledge it until they can get born,then they secret themselves&go back whole on the new continent. So,these idiots wanted us to stand still&play 3rd leg while they used us as rags that they tried on&then put in the ground where it was convenient. That is what they Brett&co did. So,I saw where the Marsha Clark sorcery was&it was lodged in an Iota increment which I saw developed&then I removed the whole episode thru the Iota.I figured she was allowed to marry into a killoff to ceasing her evil&Brett Kavanaugh's too,they will be two eggs only.

Cont from pg1

The intended targets of these unhinged, radical Leftists obviously include:

Conservative U.S. Senators and House Representatives

Conservative

radio personalities such as Alex Jones, Michael Savage, Sean Hannity and

Rush Limbaugh

President Donald J. Trump

Conservative authors and speakers

such as Ann Coulter or Greg Jarrett

I have recorded and published a warning

to all Americans, detailing the plans of unhinged, deranged Leftists who

continue to be driven to insanity by a lying, dishonest left-wing media

which “feeds the frenzy” on a daily basis. With USA Today now printing

columns that essentially declare Brett Kavanaugh to be a pedophile who

should never be allowed near children, the so-called “media” in America

has jumped the shark, abandoning anything resembling the First Amendment

role of reporting the news and now resorting to smearing innocent people

while encouraging mass hysteria and violence among left-wing lunatics.

The

media is deliberately driving America into a bloody civil war in a desperate

attempt to destabilize the nation, invoke shooting in the streets and ultimately

call in United Nations “peacekeeping” troops that will depose President

Trump and attempt to disarm the entire U.S. civilian population. (Fortunately

for America, the people own 100+ million firearms and have a Second Amendment

right to defend their nation against foreign invaders.)

Things are collapsing

rapidly. Watch my video for full details, and note that I was forced to

build and launch an entirely independent video platform just to be able

to broadcast such videos. YouTube would have banned this in five minutes.

You can only see such videos on REAL.video, now featuring over 5,000 channels

of patriots and independent media personalities:

Tip:	I haven't heard anything about security issues for Kavanaugh as I have had a chest cold and have been resting more, but it does seem that protestors may try to assault him and those who know him given the emotional nature of the dialogue, suggesting that protestors do not believe in rising ideas going through a process and in politics being a process. Many seem to have recently only received bolstering training in all parties with real political minds feeling assigned to develop only those of talent, possibly because there is so much brainwashing and assaulting and stealing and blackmailing seen generally with poorly vetted persons. I wish I could see peaches and sunshine, but a present fascination with political violence and political terror seems predominate everywhere. It seems like security should be high at events temporarily if Javanaugh and the President are both present. If nothing else, disgruntled byskering talent may feel like event crashing and tussling with door security. There may also be more complex plots to infiltrate the event to cause a scene. Scenes being what protestors like those in D.C. recently seem to crave. While I wasn't there and media coverage may have been slanted, little dialogue seemed to have taken place in general in how tape victims are treated when they report immediately. The talent in D.C. may have been sent to only cause scenes and should probably not be confused with persons who will lead on future dialogues. I am sorry to have found the protesting so depressing, but women's rights did not seem advanced by "Bite Brett in the leg!" Header - So, again, protestors in D.C. will probably try to rush and ruin celebrations and formal events.

He’s sent me direct messages on twitter via [REDACTED] He’s picked up on your twitter messages. He doesn’t want to meet by chance or get together unless we’re going to have sex. Of course, he didn’t say any of that directly. That’s simply the distillation of my understanding. I will send a copy of the messages in a minute.

I think someone should check in with Kiera Knightley carefully and perhaps look into the financing for the movie Colette. Given everything, I don’t think it’s happenstance. Also, perhaps someone should look into my family’s home sale at [REDACTED] the buyers and then also the buyers of their home in FL.

b6 -3
b7C -3

At this point, I think he’s just trying to set up his smear campaign on me. I think he knows that I’m too unpredictable for him to continue with his prior plan of us being a couple.

More Facebook friends/family that have been hacked: [REDACTED]

b6 -4
b7C -4

I’m signing my new apartment lease on Friday. The moving company will be arriving at 9am on Saturday. I will not be moving anything on Friday, so that they won’t know until Saturday. However, I think they know my move is imminent, as I suspect they came into my apartment yesterday when I was at the grocery store. I couldn’t get my video camera setup. It wouldn’t connect with my phone app although I did set it up as if it worked on my bookshelf. Most of my stuff is packed already, so they would have seen that.

Also, at one point when I followed [REDACTED] I noticed that Barack Obama followed him as well. I don’t know if he still does. I looked at the profiles of several other Democrats in the region and Obama didn’t follow them, so I don’t know if this means anything. I’ve read that Obama has been playing an influential role in advising potential presidential candidates for the Democratic Party. The DNC also made changes recently to their rules regarding who could be eligible. This potential connection is one of the reasons that I didn’t reach out to the FBI sooner.

PLEASE ADD TO MY FILES / RECORDS:

At White House ceremony, Trump says
Kavanaugh was 'proven innocent'
Yahoo News
David Knowles
Oct 8th 2018
8:33PM

“I would like to begin tonight’s proceedings differently perhaps than any other event of such magnitude,” Trump began. “On behalf of our nation, I would like to apologize to Brett and the entire Kavanaugh family for the terrible pain and suffering you have been forced to endure. Those who step forward to serve our country deserve a fair and dignified evaluation, not a campaign of political and personal destruction based on lies and destruction. What happened to the Kavanaugh family violates every notion of fairness decency and due process. Our country a man or a woman must always be presumed innocent unless and until proven guilty. And with that I must state that you, Sir, under historic scrutiny were proven innocent”

and President Trump states (Since he's an incompetent that can't speak for himself):

I would like to begin tonight's proceedings differently perhaps than any other event of such magnitude, Trump began. On behalf of our nation (and Earth Governments, including the United States Government, Alien Gods, and Aliens), I would like to apologize to [REDACTED] for the terrible pain and suffering you have been forced to endure. Those who step forward to serve our country deserve fair and dignified evaluation, not a campaign of political and personal destruction based on lies and destruction. What happened to [REDACTED] violates every notion of fairness decency and due process. Our country a man or woman must always be presumed innocent unless until proven guilty (Message for Montefiore Nyack Hospital, the Clarkstown Police, and New York State Department of Health who are not qualified to investigate Ufology, Evolution, Religion, Psychology / Psychiatry, FBI Schizophrenia, Mental Hospitalization, and many things). And with that I must state that you, Sir, under historic scrutiny were proven innocent.

Tip:	This message is to be added to FBI Director, Christopher Wray's Investigation of The United States Supreme Court Justice Brett Kavanaugh's Confirmation and its validity. I have some items of information that should really push the investigation over the top if they're honed. Those items against U.S. Supreme Court Justice Brett Kavanaugh's Confirmation list as follows: Last Friday, October 5th, 2018, I sent Senator Chuck Grassley of Iowa, who was the Republican Head of The Senate Judiciary Committee Confirmation Hearings, a Stay on the hearing. It included much information that you could definitely use to reinstitute the confirmation process of Justice Brett Kavanaugh. There were fifteen (15) designations in the stay that would be just fantastic to open a more thorough and full investigation against Judge Kavanaugh. And, of course, it can be used to get the Stay we I speak of. I left "Stay" about the hearing in Senator Grassley's 'Questions and Comments' section at his personal Congressional website. I provide you with the information to contact Senator Chuck Grassley as follows: - Official Website: "https://www.grassley.senate.gov" - Washington D.C. Office: Senator Chuck Grassley, Iowa 135 Hart Senate Office Building Washington, D.C. 20510 Phone: 202-224-3744 Fax: 202-224-6020 - Des Moines Office: Senator

As mentioned, you would want to contact Senator Grassley of Iowa and ask him to view a copy of the stay that I sent in my name [REDACTED] In that stay, that again I left in the 'Questions and Comments' section of his official website, I provided a great number of items that would gain stay, or, that can be used to blow the investigation that you are conducting wide open.

Also, other evidence was found that should contribute to the investigation. Justice Brett Kavanaugh's identification as a previously walking illegal multiplicity of the Core Danish Criminal of the same sounding name (Brett Kavana), not to mention that my research revealed that he also has multiplicities from the past, that are mostly still alive, is proving evidence that he is a TOC criminal. Those other identities would include: Brett Butler - Racketeering Criminal from The State of Georgia in The Confederate States of America (During the Civil War Period); Brett Butler former Cleveland Indians and San Francisco Giants Center Fielder; Glenn Danzig of Metal Rock Band - Danzig; And, Roger Clemens - Former Boston Red Sox and Toronto Pitcher. You can look into your long file about the above listed other identifications of Justice Brett Kavanaugh. I know that most of these names had law records

I give you information to be given to FBI Director Wray, or, whatever Agent handles the continuing investigation of the sexual offenses by Judge Brett Kavanaugh. Also, as I did give to you yesterday, I have a list that I give today that shows other allegations and crimes that Judge Brett Kavanaugh, and his conjured multiplicity segment have committed.

To tell you who

I am [REDACTED] and I'm a celebrity. My celebrity status, that I ask that you at The FBI record, comes from being the most extremely published person in The History of The U.S.A. With all of that publication, with a lot of the publication coming from being the current hottest musician, and, the biggest musician in The History of The U.S.A., and, also, very possibly the very biggest musician in the history of the world, I would have a status that would equate myself as Primary of All Time in The U.S.A.

I ask that The FBI please recognize that PAT Status that I truly claim.

Also, if you were reasonably educated in politics, you would know that my rank in The American Government is quite high - being in the top 10 ranking officials in The U.S.A., if not the top two, because of my extreme PAT fame. So, this information that I submit to you about the illegal acts and wrongdoings of the highly contested recent confirmation of Justice Brett Kavanaugh of The U.S. Supreme Court should be taken with high validity.

So, I give you more information that I have compiled about Justice Brett Kavanaugh and his wrongs.

>From what I've heard about Justice Brett Kavanaugh, and some of his multiplicities, they worked with a activist group called "The Other 98". "The Other 98" is a liberal, anti-elitist political group that works questionable influence on government, if not illegal activity.

You can view them on the web by searching "The Other 98" on any search engine - i.e., google.com. Most specifically, Glenn Danzig - a multiplicity of Kavanaugh, of the 1980's and 1990's known Heavy Goth Metal Act - "Danzig", was a member of "The Other 98" and raised funds through this group. Using those funds, along with 94% of his own money, he paid for lobbying and legislation to have most of the sexually related Ohio Revised Codes, and, Federal Statutes repealed. Some of those codes would include, "RAPE", "SODOMY", "CHILD MOLESTATION", and, "PANDERING", not to mention other domestic relations, and, any and all sexually related law. Other illegal multiplicities of his that worked documentation and funds to have sexually related codes repealed that are related to Justice Brett Kavanaugh would include: Former MLB Boston and Toronto Pitcher - Roger Clemens, and, Former Cleveland and San Francisco Outfielder - Brett Butler. If you look into the code, mainly The Ohio Revised Code, you can see when these codes were repealed, and, investigate if Brett Kavanaugh or the above mentioned multiplicities of him were involved in the illegal, targeting of sexual codes and repealing of them, as I say.

But

he said in a Fox News interview last month that he wasn't even sexually

Hello Admin
I'm wondering if you are open to paid advertisement.
You
accepted [REDACTED] request.

b6 -4
b7C -4

Thanks for accepting my request
Let me know
if you are interested in providing sponsored ads on right side of your
page
certainly

Have you ever done sponsored ads before?
We are interested
in providing sponsored ads on right side of your page.
Each ad will be

targeted ad and ad will appear only on right side of your page
I personally
haven't.

Aha
We are offering you \$75 to \$150 for each ad
you can post
two ads everyday
Each ad will be for 24 hours it will remove automatically
after 24 hours
Well, let's talk about getting them on

ok let's set it
I can walk you through to set it up for first few ads and then you can
post ads on your own
ok. no prob.

There are two phases involved in
setting things at your end, one is between you and Facebook and other is
between you and us.

1
First step you need to take is create sponsored
ads account, you visit this to create that

Business Manager

Manage ad

accounts, Pages, and the people who work on them all in one place. It's
free.

after creating sponsored ads account you can find option of add
page and add your pages to apply for monetization.
I've signed up and I'm
looking at the business manager page

Now you can see add page option
on business homepage
click on that and add your page
done

Which page
you have added?
which page would you like?

<https://www.facebook.com/101KXL/>

KXL
The
Most News, Traffic and Weather 24/7

We need to proceed with that page
do
you know how to add this page or you need me to guide you?
Id have to ask
my boss on that one....all of our traffic comes from the posts shared from
my page tho. I do have a page i can sell tho... Groundzero with clyde lewis
6 million listners per night

you just need to apply for monetization
first
it will take 24 hours to get approved from Facebook
you can simply
go to business setting from your business home page
no problem. Ill also
ask about the kxl site. I have been trying to get it sold
Ill get back
to you tomoro

Sure
take your time
FRI 8:56 PM
Hey [REDACTED] i will still
get back to you with high generating pages to put ads on.. I have a concern...after
we spoke...i entered my page in the business manager and then i recieved
a noticed i was removed... And now...i can not access my page.

listen

this page is primary page with your other one

The page

I sold access to was the only page that I have created and owned apart from my profile/timeline. Do you know how I go about regaining access?

*lost

Yes

do you have access to that on page?

KXL

The Most News, Traffic and
Weather 24/7

i am only isted as an editor for that page. any access to that would have to go through corporate here on 5th and Madison in downtown Portland.

Let me ask you a direct question. did you steal my page? Are you attempting to steal KXL's page? Because we are a very large corporation. And I am a news guy with direct line to the FBI

No gurls.Undigested Pre-digest!Don't b/l maj wrong on Kavanaugh
British
r aggitated/upfront&personal as they came thru the households from
w/in the Middle East.Someone allowed the Easterners an entrances into their
govt,but it was an outsider.The outsider then allowed the foreigners to
burden in the locals&removed them quickly from power.Allowing themselves
access again to the Egyptian tombs that they were prev experimenting w/&one
of their men's woman into the royalty bwn grps of Egypt.One they did that,there
were many many wars in this govt Narmer. That was almost 5k yrs ago.Knowing
what we now know,if the time came where these people wished to know the
right prayers then maybe the memories of their losses would be on the bones.When
they prayed to their gods,the bones stored the genetics of the invaders.When
the tombs open up,everybody is put on notice that someone w/an axe to grind,is
on the loose.I guess nobody thinks of the Brit's as a Roman body's threat,but
it is&they keep Svengalis to mind em.They went out&extended themselves
b/f retracting&foreigners breed in them&ran amok on some children/young/families
of the people w/o anyone noticing or being able to send for assistance
took em out.Since its the Monsters Ball&soon the the Monster's Mash
I believe that Kavanaugh does have the liklihood of being the sorceror&sword
handler&expert.Since,I had to stop the harm to our future from the
past,all I could do was to remove myself from the several meetings at Hilltop
w/the guys move away from Brett by goin.The woman he scored is awfully
witch like&venomous to me.She tried to touch me&I wanted her to
leave.She&all his pals&I mean the evil deviant ones that would
hurt people were dismissed from travel&had to be born overseas.I tried
to lock Korea out of him but he must have had their soul&maybe he does
not have one anymore,but he did register last as just European,but if he
was touching one,then I would have mis-identified,but he looks strongly
oriental like Korean&some other group.

That gal that got Roseanne
Barr disfigured on the Roseann Show is technically the kind of mousey woman
I was mentioning that gets people into employment trouble for no real cause
feint&has them dismissed.Ea x more&more foreigners jump on the
boat&they nay say/hem/haw until all Americans are removed from the
site.This nasty British stuff I mentioned.Its very dangerous to have the
actors kill her character,its like a covert war b/g&all the casts started
to lie on Roseanne giving the whole production the tinge of hatefulness
beyond conceivability it is just the worst occurrence of Bias Crime I know.I
feel they are out to make a non-verbal verbally activated kill on her life
w/o touching her&its going to hurt a lot of people.The girl is not
strictly identified by myself as being a known group.More so,like the girl
Millicent from class,she is too dangerous to be in the presence of b/c
she is making someone die via homogeniety homicidal cult killers killin
Roseanne Baar&her e

Tip:	could be nothing but a person made a strange threat in the comment section of this news report earlier today https://www.usatoday.com/story/news/2018/10/25/brett-kavanaugh-senator-asks-justice-investigate-avenatti-swetnick/1762989002/ his profile that he posted from [redacted] b6 -4 b7C -4		
	Might be nothing but with the bombs that are being mailed I thought it was strange that he would be posting a veiled threat such as that one. plus I was suspicious considering that he worked for the postal service but the media said the bomb sent to cnn was by courier making me wonder if it was someone knowing it would be easily tracked by the usps. Just in case its deleted before this is read the exact quote he posted was "Greg Allen Eff you, goosestepping fascist...may a pipe bomber lay waste to your worthless carcass...."

Complaint Synopsis

L1-CALLER REPORTED THAT HE SAW AN ARTICLE ABOUT TWO MEN WHO HAD A SEXUAL RELATIONSHIP WITH CHRISTINE FORD, THE WOMAN ACCUSING BRETT KAVANAGH OF SEXUAL HARASSMENT AND ASSAULT. HE SAW THIS ON USATODAY. HE BELIEVES THAT THESE MEN ARE INTERFERING WITH THE CONFIRMATION PROCESS AND WANTED TO REPORT IT.

L2: THE CALLER'S FRIEND SENT HIM AN ARTICLE THAT WAS BROKEN TONIGHT IN THE USA TODAY. TWO MEN SAY THEY, NOT BRETT KAVANAUGH, HAD THE ALLEGED ENCOUNTER WITH DR. FORD. THE CALLER'S FRIEND SAID ON TWITTER HE WONDERED HOW MUCH THE MEN WERE GETTING PAID AND ASKED IF THE MEN GET A BONUS IF THEIR NAMES ARE REVEALED.

SENATOR CHUCK GRASSLEY PUT OUT A "LATE NIGHT NEWS DUMP" THAT HIS STAFF HAS BEEN IN CONTACT WITH THESE TWO GUYS WHO ARE SAYING THEY ATTACKED DR. FORD.

THE CALLER'S FRIEND SAID IT MAY BE ENOUGH TO TRIGGER AN FBI INVESTIGATION.

THE CALLER BELIEVES THERE MAY BE SUBVERSION OF TESTIMONY HAPPENING. THE CALLER DOES NOT KNOW ANY INFORMATION ABOUT THE SITUATION THAT IS NOT IN THE NEWS.

Complaint Synopsis

L1-CALLER REPORTED INFORMATION ON THE KAVANAUGH CASE, CALLER [REDACTED] CALLER HAS A LARGE AMOUNT OF RELEVANT INFORMATION PERTAINING TO THE CASE. CALLER IS IN POSSESSION OF EMAILS AND OTHER FORMS OF INFORMATION REGARDING THE CASE. LEVEL 2: WAS A MEMBER OF THE JUDICIARY STAFF CALLING TO PROVIDE INFORMATION REGARDING THE DEBBIE RAMIREZ INVESTIGATION HAVING TO DO WITH THE ALLEGATIONS AGAINST BRETT KAVANAUGH. HE WANTS THE FBI TO KNOW HE HAS EVIDENCE HIGHLY RELEVANT TO THE INVESTIGATION. HE HAS EMAILS THAT ENABLE HIM SOME OF THE CLAIMS MADE BY DEBBIE RAMIREZ. OTHER PEOPLE HE KNOWS HAVE INFORMATION TO SHARE AS WELL. HE CAN IDENTIFY THE LOCATION OF THE INCIDENT. THE DEBBIE RAMIREZ ACCUSATIONS CAME TO LIGHT IN THE NEW YORKER MAGAZINE. HE WAS QUOTED IN THE NEW YORKER ARTICLE. HE HAS ADDITIONAL INFORMATION HE WANTS TO PROVIDE. HE SPENT THE MORNING TRYING TO WRITE DOWN THE INFORMATION. HE WOULD PREFER TO BE CONTACTED. THERE IS A LOT OF DETAILS AND HE HAS NOT WRITTEN EVERYTHING DOWN. HE WOULD HAVE TROUBLE TALKING ABOUT UNTIL HE GOT THE TIMELINE RIGHT. HE KNOWS THIS INFORMATION BECAUSE [REDACTED] [REDACTED] SAW KAVANAUGH REGULARLY [REDACTED] KNEW KAVANAUGH. IN JULY 07/2018, 07/09/2018, [REDACTED] WAS IN EMAIL CONTACT WITH ONE OF KAVANAUGH'S ROOMMATES WHO ELUDED TO BAD STORIES ABOUT KAVANAUGH. A LITTLE BIT AFTER THAT, A DIFFERENT FRIEND OF [REDACTED] MENTIONED HE HEARD OF A SEXUAL ASSAULT INSTANCE INVOLVING KAVANAUGH. [REDACTED] DIDN'T DO ANYTHING ABOUT THAT. AND THEN, ON 09/13/2018, [REDACTED] SAW AN ARTICLE IN THE NEWS TITLED "BRETT KAVANAUGH HAS A MYSTERIOUS ME TOO PROBLEM." [REDACTED] CONTACTED THE FRIEND WHO KNEW SOMETHING ABOUT THE SEXUAL ASSAULT INCIDENT. [REDACTED] FORWARDED THE ARTICLE TO THE FRIEND. THROUGH SERIES OF EMAILS, THE FRIEND, [REDACTED] [REDACTED] SPOKE OF KNOWING OF AN INSTANCE THEIR FRESHMAN YEAR OF COLLEGE [REDACTED] THE NAME DEBBIE RAMIREZ. THERE ARE DIFFERENT VERSIONS OF THE STORIES. THE STORY PROGRESSED IN TIME AS PEOPLE LEARNED ABOUT IT. [REDACTED] LIVED NEXT DOOR TO KAVANAUGH. [REDACTED] ASKED TO START THE STORY OVER AGAIN AND PROVIDED THE FOLLOWING INFORMATION: THERE ARE TWO CLASSMATES FROM YALE INVOLVED [REDACTED] IN JULY, NOT COMPLETELY SURE OF THE DATE, BELIEVE IT WAS 07/17/2018, BEST GUESS THROUGH VERIZON PHONE RECORDS. HE SPOKE TO [REDACTED] ON 07/09/2018, 07/17/2018, AND 08/13/2018. ON A PARALLEL CONVERSATION [REDACTED] HAD WITH [REDACTED] THROUGH EMAIL BACK AND FORTH WITH [REDACTED] ON 07/09/2018. IN THE 07/09/2018 EMAIL WITH [REDACTED] HAD TO DO WITH THE POSSIBILITY OF KAVANAUGH BECOME THE SUPREME COURT NOMINEE. AT THE END OF THE EMAIL CHAIN, [REDACTED] SAID THERE WERE PLENTY OF STORIES ABOUT KAVANAUGH THAT WOULD BE A PROBLEM. [REDACTED] DID NOT HAVE CONTACT WITH [REDACTED] UNTIL SEPTEMBER. [REDACTED] DID NOT TALK TO [REDACTED] AGAIN UNTIL SEPTEMBER. ONE OF THE THREE DATES [REDACTED] SPOKE TO [REDACTED] [REDACTED] MENTIONED STORIES AS WELL. GUESS IS ON 07/17/2018, IN THE COURSE OF THE PHONE CALL, [REDACTED] SAID HE HEARD THERE WAS A STORY ABOUT KAVANAUGH TRYING TO PUT HIS DICK INTO A GIRLS MOUTH AT A PARTY. [REDACTED] TOOK NO ACTION, BUT THOUGHT IT DID NOT SOUND VERY GOOD. THEN ON 09/13/2018, AT 1:07 PM, MOUNTAIN TIME, THERE WAS AN ARTICLE IN THE NEWS "BRETT KAVANAUGH HAS A MYSTERIOUS ME TOO PROBLEM" [REDACTED] EMAILED [REDACTED] WHO WAS THE PERSON WHO TOLD [REDACTED] ABOUT THE PARTY. "I HAD HEARD SOME RUMORS ABOUT BRETT AT YALE. DO YOU KNOW (LINK FOR THE ARTICLE PROVIDED)" [REDACTED] REPLIED BACK AT 1:16 P.M. "I HAD HEARD FROM YOU AT THE TIME ABOUT AN INCIDENT INVOLVING DEBBIE RAMIREZ, BUT I WASN'T THERE." [REDACTED] REPLIED TO [REDACTED] "YOU HEARD SOME FROM ME? I DON'T REMEMBER THAT. AND WHO IS REMEMBER DEBBIE RAMIREZ? I DON'T REMEMBER THAT NAME. WAS SHE IN STILES?" AT 10:29 PM MOUNTAIN TIME [REDACTED] SAID "I HEARD IT FROM ONE OF YOU GUYS. THOUGHT IT WAS YOU. LIKE I SAID, I WASN'T THERE. IF THERE IS ANYTHING TO IT, I SUSPECT [REDACTED] WOULD KNOW." CALLER ASKED FOR [REDACTED] NAME TO BE LEFT OUT OF THIS REPORT FOR NOW. AT 10:31 P.M. [REDACTED] REPLIED "HMMMM... WASN'T ME, BUT I HEARD IT FROM [REDACTED] VIA YOU, I THINK. BUT, WHO IS DEBBIE RAMIREZ? WAS SHE IN STILES? I HAVE NO IDEA." SKIPPING A FEW EMAILS, ANOTHER IMPORTANT EMAIL - 09/14/2018, 9:36 A.M. MOUNTAIN TIME, "... I WISH I KNEW WHO TOLD ME THE STORY ABOUT BRETT THOUGH. IF TRUE, IT WOULD EASILY QUALIFY AS SEXUAL ASSAULT. EVEN ATTEMPTED RAPE. AND IT WAS SAID TO HAVE HAPPENED IN ONE OF THE 3RD FLOOR COMMON ROOMS IN LAWRENCE IN FRONT OF 10 TO 20 PEOPLE. SO IF THERE'S ANYTHING TO IT, PLENTY OF PEOPLE COULD COME FORWARD WITH IT. WHOEVER TOLD ME DID SO RIGHT AFTER IT HAPPENED AND I BELIEVED IT. IF IT WASN'T YOUR OR [REDACTED] IT MAY HAVE BEEN [REDACTED] OR SOMEONE WHO LIVED WITH US." [REDACTED] WROTE BACK, "INTERESTING." SOME OF THE OTHER INFORMATION IN HIS POSSESSION IS MUCH MORE IMPORTANT THAN WHAT HE HAS PROVIDED SO FAR. SOME OF THE INFORMATION IN HIS POSSESSION AND SOMEONE ELSE'S POSSESSION WOULD CLEARLY BACK UP SOME OF THE DEBBIE RAMIREZ'S CLAIMS. [REDACTED] HAS ALSO BEEN ABLE TO IDENTIFY PROPERLY THE LOCATION OF THE INCIDENT. [REDACTED] ALSO HAS NAMES OF PEOPLE WHO WOULD BE HELPFUL FOR THE INVESTIGATION. CALLER SAID HE ONLY PROVIDED

Complaint Synopsis

L1: CALLER IS REPORTING IS CALLING ABOUT RECENT EVENTS IN THE MEDIA REVOLVING AROUND JUDGE BRETT KAVANAUGH. CALLER [REDACTED] KAVANAUGH WAS UNDER THE INFLUENCE ON THURSDAY. b6 -3 b7C -3

TIER 2:  
CALLER DOES NOT HAVE PERSONAL EXPERIENCE WITH PEOPLE INVOLVED IN KAVANAUGH. KAVANAUGH IS A SEVERE ALCOHOLIC AND SHE BELIEVES HE WAS UNDER THE INFLUENCE IN THE THURSDAY HEARINGS. SHE'S BETTER THAN A POLYGRAPH AND CAN TELL HE IS A LIAR. THE PERSON WE SAW ON THURSDAY SHE BELIEVES WAS UNDER THE INFLUENCE. DR. FORD WAS TRYING TO REPORT INAPPROPRIATE BEHAVIOR AND NO ONE IS TRYING TO CONVICT HIM OF SEXUAL ASSAULT FROM 30 YEARS AGO. "JUST TO MAKE IT EASY, SINCE YOU AREN'T PROSECUTING HIM..." IT'S WAS STILL GOING ON IN HIS 30'S AND IT'S STILL GOING ON NOW. SHE KNOWS PEOPLE WHO HAVEN'T HAD A DROP OF ALCOHOL AND THEY'RE WONDERFUL  
  
TAKE AN EXPERT IN SEVERELY ADDICTIVE BEHAVIOR AND COMPARE DIFFERENT CLIPS FROM PREVIOUS HEARINGS AND THURSDAY HEARING. THE EXPERTS WILL CONCUR WITH CALLER. REFUSES TO TAKE RESPONSIBILITY FOR OWN ACTIONS, ETC. HE HASN'T COME TO THE POINT WHERE HE REALIZES THIS IS AN ISSUES. HE KEEPS MAKING EXCUSES, WHICH IS COMPLETELY EXPECTED. HE LIED AND SAID HE GOT INTO YALE ON HIS OWN MERIT BUT HIS GRANDFATHER WAS A ALUMNI. HE WRIGGLES HIS NOSE WHEN HE LIES LIKE THE WITCH IN BEWITCHED. WE DON'T NEED PEOPLE LIKE THIS ON SCOTUS. WILL TAKE YEARS TO GET HIM OUT OF THE DENIAL PHASE.  
  
CALLER NOW TALKING ABOUT BASEBALL TICKETS AND HOW KAVANAUGH SPENT 200K ON BASEBALL TICKETS. HAS SEVERELY ADDICTIVE PERSONALITY.  
  
WHEN HE SAID "THIS IS REVENGE BY THE CLINTONS" SHE SAID "OH MY GOD HE'S DRUNK."  
  
FOR OUR DEMOCRACY, IT'S CRITICAL TO TRY AND KEEP IT AS MUCH ON THE UP AND UP AS WE POSSIBLY CAN.  
  
IF WE DISCRETELY TALK TO HIS WIFE, SHE WILL PROBABLY EVENTUALLY ADMIT HE IS AN ALCOHOLIC. [REDACTED] AND DOESN'T KNOW KAVANAUGH PERSONALLY. b6 -3 b7C -3
