[REDACTED] THINKS THAT IS WHAT SHOULD HAVE HAPPENED AND WONDERS WHY IT DID NOT [REDACTED] BELIEVES THE DOOR HAD TO BE CLOSED SO THEY WOULD NOT BE SEEN, AND ACCORDING TO THE GIRLS TESTIMONY SHE KNEW WHO GRABBED HER. WHILE ON THE BED WITH KAVANAUGH'S HAND OVER HER MOUTH, SHE LOOKED AT MARTIN JUDGE, AND PLEADED WITH HER EYES FOR HIS HELP. HE, (MARTIN JUDGE), THEN LOOKED DOWN AND LAUGHED. HOW COULD SHE SEE ANYONE IN THE ROOM AND TELL WHO IT WAS IF THE LIGHTS WERE NOT ON. [REDACTED] WANTED TO POINT OUT THE FLAWS IN HER STORY.

Complaint Synopsis

LEVEL 1: HE HAS TOLD THIS TO TWO SENATORS. WE ARE DOING AN INVESTIGATION INTO JUDGE KAVANAUGH OF INVESTIGATION ON DR. FORD AND SHE'S MADE SOME INCONSISTENT STATEMENTS.

TIER 2:
ON 10/02/2018, AT 1:00 P.M. EASTERN TIME, THE FBI PUBLIC ACCESS LINE (PAL) UNIT RECEIVED THE FOLLOWING INFORMATION VIA TELEPHONE CALL. THIS INFORMATION IS BEING ROUTED TO A CRISIS INTAKE AS DIRECTED BY FBI SECURITY DIVISION. THIS DATA IS IN RAW FORM AS RECEIVED. CALL RECORDINGS ARE AVAILABLE UPON REQUEST.

[REDACTED] DATE OF BIRTH [REDACTED] HOME TELEPHONE NUMBER [REDACTED] HOME ADDRESS [REDACTED]
CALLED THE PAL TO REPORT INFORMATION PERTAINING TO NOMINEE JUDGE BRETT KAVANAUGH IN TUCSON, AZ.

PRESIDENT TRUMP ANNOUNCED THE FBI HAS FREE REIGN DURING THEIR INVESTIGATION INTO KAVANAUGH'S BACKGROUND. [REDACTED] FEELS IT IS UNFAIR TO ONLY INVESTIGATE ONE SIDE. INCONSISTENCIES IN DR. FORD'S STATEMENTS WARRANT AN INVESTIGATION INTO HER STORY. DR. FORD HAS MADE SEVERAL STATEMENTS SUCH AS SHE DIDN'T WANT TO TESTIFY IN WASHINGTON, DC BECAUSE SHE DOESN'T LIKE TO FLY WHEN, IN FACT, SHE FLIES FREQUENTLY FOR FAMILY VACATIONS.

[REDACTED] QUESTIONED STATEMENTS MADE BY DR. FORD REGARDING THE LOCKED BEDROOM DOOR THAT SHE LATER CLAIMS TO HAVE USED TO EXIT THE ROOM; HAVING A "WET" BATHING SUIT ON UNDER DRY CLOTHES; RUNNING INTO THE ADJACENT BATHROOM NOT KNOWING IF THERE WAS A LOCK ON THE DOOR INSTEAD OF DOWN THE STAIRS TO THE PEOPLE THERE FOR PROTECTION; AND WHY WAIT UNTIL HEARING HER ATTACKER GO DOWNSTAIRS AND THEN GO DOWN THE STAIRS ALSO?

[REDACTED] SUGGESTED THE INVESTIGATION OF KAVANAUGH WOULD BE INCOMPLETE AND "ONE-SIDED" WITHOUT INVESTIGATING DR. FORD'S STORY AND WHETHER ANY OTHER CLAIMS WERE MADE BEFORE OR AFTER THE ALLEGATION AGAINST KAVANAUGH?

[REDACTED] DESCRIBED DR. FORD'S DESCRIPTION OF THE INCIDENT OF WHAT HE BELIEVES SOUNDS LIKE HORSEPLAY.

Complaint Synopsis

TIER 1 - CALLER REPORTING HE WORKS FOR A NEWSPAPER, THE MONTGOMERY COUNTY SENTINEL AND THERE IS AN ARTICLE IN THE 09/27/18 EDITION TALKING ABOUT A WOMAN WHO HAS COME FORWARD TO THE PAPER STATING SHE SEEN HIM DRINKING TO A GREAT DEAL AND SHE DID NOT SEE THE THINGS TAKE PLACE THAT NIGHT. KAVANAUGH WAS RUDE AND OBNOXIOUS THOUGH.

LEVEL 2: WRITES A COLUMN FOR MONTGOMERY COUNTY SENTINEL IN MARYLAND, THERE IS AN ARTICLE IN THE 09/27/-10/03 EDITION TALKING ABOUT A WOMAN WHO HAS COME FORWARD REPORTING ABOUT KAVANAUGH DURING THE TIME IN QUESTION, THE WOMAN IS ANONYMOUS BUT THE ARTICLE STATES THE REPORTED AND EDITOR VERIFIED HER CREDIBILITY. SHE IS REPORTING "ONE NIGHT SHE RAN ACROSS AN APPARENTLY INEBRIATED BRETT KAVANAUGH AND THINGS WENT DIFFERENTLY THEN. PREVIOUSLY, HE HAD ALWAYS BEEN NICE TO HER BUT NOT THAT NIGHT. HE WAS DRUNK. HE WAS OBNOXIOUS AND CRUDE. I HAD A FRIEND WITH ME AND WE LEFT. HIS FOOTBALL BUDDIES WERE LAUGHING AT US. MAYBE THEY WERE LAUGHING AT HIM, BUT I DIDNT TAKE IT THAT WAY AND THEY DIDNT DO ANYTHING TO KEEP HIM FROM BEING A JERK." FROM THAT POINT ON ELIZABETH SAID SHE STEERED CLEAR OF KAVANAUGH AND DIDNT SEE ANY MORE SEXUALLY EXPLICIT BEHAVIOR BECAUSE, "I DIDN'T WANT TO BE AROUND THOSE GUYS." SHE WAS NOT PRESENT AT THE PARTY DESCRIBED BY FORD - OR DOESN'T BELIEVE SHE WAS. SHE ALSO SAID SHE NEVER SAW KAVANAUGH ASSAULT ANYONE. BUT, FROM HER EXPERIENCE, SHE SAID SHE HAS NO PROBLEM BELIEVING DR. FORD'S ALLEGATIONS AND SAID FORD SHOULD BE HEARD WITHOUT POLITICS BEING INVOLVED." CALLER SAID IT IS A SMALL PAPER WHICH IS PRINTED ON A WEEKLY BASIS AND HE WASN'T SURE THE FBI WOULD SEE THIS UNLESS SOMEONE REPORTED IT. CALLER ALSO SAID HE WAS LOOKING AROUND ONLINE AND FOUND KAVANAUGH'S YEARBOOK AND THERE IS A PICTURE OF KAVANAUGH WITH THE CAPTION "REHOBOTH POLICE FAN CLUB WITH SHORTY" AND CALLER FEELS THERE COULD BE SOME POLICE REPORTS OUT THERE AS HE FREQUENTED REHOBOTH BEACH DURING THAT TIME

CALLER REPORTING INFO ON THE KAVANAUGH CASE. LEVEL 2: SHE RECEIVED AN EMAIL FROM (LAST NAME REFUSED) ABOUT CHRISTINE FORD PUBLISHED A PAPER IN 2008 ABOUT SELF HYPNOTIZING TO CREATE FALSE SITUATIONS. HOW CAN THIS BE A CONSPIRACY THEORY. PEOPLE THINK KAVANAUGH IS GUILTY AND FORD IS INNOCENT. THE MEMORIES IF REVEALED THROUGH HYPNOSIS ARE INADMISSIBLE IN COURT. SHE CAN CREATE FALSE MEMORIES. THIS IS HANDY IF SHE VOLUNTEERED TO TAKE A POLYGRAPH. NO ONE PROMPTED HER TO TAKE THE POLYGRAPH. SHE WILL NOT TURN OVER THE THERAPIST NOTES TO THE SENATE. CALLER HAS NOT READ THE PAPER. THE EMAIL WAS FORWARDED TO SHE THINKS FORD IS NOT THE "FRAGILE FLOWER" EVERYONE THINKS SHE IS.

Complaint Synopsis

T1: REPORTING MISS FORD, THE ACCUSER OF THE JUDGE GETTING INTO THE SYSTEM.
LEVEL 2: SHE FEELS VERY UNCOMFORTABLE WITH THIS WOMAN FORD, A LETTER MIRACULOUSLY SHOWED UP. IT IS ALL A SET UP. THE AMERICAN PEOPLE ARE NOT TOO HAPPY. IT'S FUNNY, BECAUSE WHEN SHE HEARD THE FBI WAS INVESTIGATING WANTS THE FBI TO KNOW THAT THE AMERICAN PEOPLE ARE ON TO EVERYBODY. THE PEOPLE OWN AMERICAN. NOT THE FBI. NOT DOJ. NOT THE SENATORS. THE AMERICAN PEOPLE ARE GRACIOUS ENOUGH TO SHARE THE AMERICAN COUNTRY WITH "YOU FOLKS." HER FEDERAL TAX MONEY GOES TO PAY "YOU FOLKS." SHE IS ENTITLED TO HER OPINION. SHE IS PART OF THE TRUMP CAMPAIGN. SHE IS READY TO FIGHT. SHE WANTS THE SENATOR INVESTIGATED. SHE THINKS IT IS ESPIONAGE. THEY LIED UNDER OATH. IF IT WAS ONE OF "US," THEY'D BE DOWN IN 2 SECONDS. THE FBI NEEDS TO INVESTIGATE THE RIGHT PEOPLE LIKE OBAMA. "DO YOUR JOB."

Complaint Synopsis

LEVEL 1: CALLER IS REPORTING, HE'S REPORTING A VIOLATION OF SECTION2 OF THE 14TH AMENDMENT. ANY PERSON THAT IS UNDER OATH THAT FAILS TO SUPPORT THE CONSTITUTION BY GIVING ENEMIES IS VIOLATING THEIR OATH OF OFFICE AND COMMITTING TREASON. BRETT KAVANAUGH, THIS DISQUALIFIES FROM HOLDING ANY OFFICE UNDER THE UNITED STATES, WHICH INCLUDES A POSITION ON THE SUPREME COURT.

L2: CALLER IS REPORTING A VIOLATION OF US CODE18 SECTION 31, WHICH IS TREASON, BY BRETT KAVANAUGH. BRETT WAS THE PRESIDENTIAL LAW CLERK FOR GEORGE W. BUSH. HE WENT EVERYWHERE WITH GEORGE W. BUSH. BUSH LEFT LAURA BUSH TO BE A SITTING DUCK IN THE OFFICE FOR 9/11 AND THEN WENT OFF TO FLORIDA TO LAUNCH AN EVENT THE NEXT DAY. HE THINKS THE PRESIDENTIAL LAW CLERK WOULD HAVE NOTES OF THIS EVENT. ONE OF THE ISSUES OF THE HANGUP OF THE SENATE PROVING BRETT IS THERE ARE OVER100,000 PAGES FROM THE WHITE HOUSE UNDER BUSH THAT ARE NOT BEING RELEASED. JEFF MERKLEY FROM OREGON IS PETITIONING THE COURT TO BLOCK SENATE VOTE ON BRETT UNTIL THESE NOTES ARE RELEASED. NOT ONLY ARE THESE NOTES IMPORTANT TO TALK ABOUT, BRETT SAID HE IS A COPIOUS NOTE TAKER. NOTES WILL CONFIRM THAT GEORGE BUSH LEFT LAURA BUSH TO BE A SITTING DUCK IN THE WHITE HOUSE, AND IT'S BEEN COVERED UP24,000 UNCLAIMED MURDERS ON 9/11. HE CAN SEND FURTHER INFORMATION. THE FBI HAS TO LOOK INTO THIS AND REPORT IT TO THE SENATE.

Dr. Ford apparently told friends from her high school that she was assaulted

(maybe even raped) by four boys in her junior or senior year of HS. Her

therapists notes also say mid 80s, putting her at 17. Kavanaugh was in college then. Hence, with this timeline, her comment that the first two

years of " college" were hard for her.

If it happened at 15 (1982),

why didn't she say last years of High school were hard for her?

This

is why she also changed the date from mid 80s to 1982.

This is also why

she changed the number of boys from four to two. Because she sought therapy

on the "real" assault by four boys. Hence no mention of kavanaugh in therapist notes.

I think indeed she was assaulted by four boys in her

jr or senior year of HS. Her liberal dem friends, knowing she was at some point in school with Kavanaugh told her to switch the date and a few details and frame him. Her Facebook and yearbook have disappeared from view. But if you search you'll see SHE had a drinking problem and even told friends she was an alcoholic at 15. This is online if you search deep. FBI needs to interview these HS classmates.

I understand that as part of the investigation the FBI is doing as regards the Ford-Kavanaugh hearing at the Senate Judiciary Committee, you are allowed to investigate incidents of lying to the US Senate Judiciary Committee. >From the transcript published by the Washington Post, Kavanaugh and Sen. I see a crime about to happen, but to the FBI: that the excessively restricted instructions from the White House Counsel McGahn about the Kavanaugh issue is going to result in the FBI being victimized as the scapegoat of the political controversy. For instance the object of the false excuse, "The FBI investigated and couldn't find anything!" If the Bureau is so untraditionally confined, such that the investigators cannot provide accurate and sufficient evidence that would contribute professionally and creditably to the purpose of the inquiry, the FBI is already being set up to politically support a skewed and irresponsible narrow order. But since the president of the United States has used "FBI has free rein" and other such expansive terms in public and on tweets (which are accepted as official executive statements), the FBI unit responsible has authorized backing to make as full an inquiry as time allows. Director Wray thus has official cover from a higher authority than White House Counsel. Best of luck in your work and undeserved political struggle [REDACTED]

I don't feel that Christine Blasey Ford was "credible" in Senate testimony. She's 51 and a world traveler with doctorate, yet in a whiny, little girl, voice she stated she was "terrified" (also of polygraph & flying). "One beer" statement didn't ring true. Didn't she drink at "country club"? Her school yearbook says she was "passed out" at a party. Were "four boys" at the alleged beer party? Who was the unnamed fourth? Was it his house, and did he take Christine home? Perhaps Mark Judge drove her. She stated that "six weeks" later they exchanged greetings at his workplace. That does not sound like an "attempted rape" victim "afraid" for her "life"! She had sharp memory of "laughter" on the stairs. Does that sound like frustrated "rapists" or more likely merrymaking teenage "pranksters". Suggest theory of case should be that of a drunken teenage "party girl" as victim of a drunken teenage prank.

I don't feel that Christine Blasey Ford was "credible" in Senate testimony. She's 51 and a world traveler with doctorate, yet in a whiny, little girl, voice she stated she was "terrified" (also of polygraph & flying). "One beer" statement didn't ring true. Didn't she drink at "country club"? Her school yearbook says she was "passed out" at a party. Were "four boys" at the alleged beer party? Who was the unnamed fourth? Was it his house, and did he take Christine home? Perhaps Mark Judge drove her. She stated that "six weeks" later they exchanged greetings at his workplace. That does not sound like an "attempted rape" victim "afraid" for her "life"! She had sharp memory of "laughter" on the stairs. Does that sound like frustrated "rapists" or more likely merrymaking teenage "pranksters". Suggest theory of case should be that of a drunken teenage "party girl" as victim of a drunken teenage prank.

If you have not learned of the accusation that the charges against Judge Brett Kavanaugh are part of a Democrat's strategy to defeat his nomination, please visit (<https://www.youtube.com/watch?v=Ix1MS1Tra9I>). There is an audio saying that a Democratic operative, Ricki Seidman, explains to the Democrats' leadership that a strategy to defeat his nomination was planned. Shortly after that, Christine Ford sent a letter to Diane Feinstein. She sat on it until after the Judicial Committee hearing for Judge Kavanaugh was completed. Step 2 was the attempt to delay Ford's testifying before the Judicial Committee until after the November mid-term elections. That failed. So, step 3, to leak unsubstantiated and increasingly ugly accusations of sexual behavior by Judge Kavanaugh, began. This July conference call with the leftist American Constitution Society is believed to have been made by Ricki Seidman, who advised Justice Clarence Thomas' accuser, Anita Hill, in 1991. Seidman is now advising Ford, according to The "Daily Caller". If you feel there is a chance that this is a valid accusation, I hope you will put the following under oath and interview them: Ricki Steidman; the recipient of her call at the

Please forward Letter To Director Christopher Wray Re FBI Kavanaugh investigation: Dear Director Wray, The integrity of the FBI is at risk. You will politicize the FBI, and severely damage its integrity and reputation, if you permit the political arm of our government to limit your background investigation to interviewing a limited number of witnesses named by it, whom it likely expects will either be helpful to Mr. Kavanaugh, or inconclusive. All the charges against Mr. Kavanaugh center on his acts while in a state of partial or complete drunkenness. Therefore discovering evidence that was indicative of a lifestyle given to drunkenness would be highly corroborative of the claims of his accusers. While Mr. Kavanaugh was vague and highly

evasive when answering questions about the level of his drinking, he clearly sought to leave the impression that the accusations of heavy drinking and drunkenness were false, precisely in order to evade admission of this type of circumstantial corroborative evidence. The reports in the media are that there are plenty of credible witnesses who knew Mr. Kavanaugh who could resolve this conflict, so critical to an evaluation of the credibility issue between him and his accusers. Besides the issues which I am raising, I am confident that you are able to identify additional matters of importance to a complete background investigation of the charges against Mr. Kavanaugh which could not be addressed by limiting it to a predetermined and limited number of witness interviews. It is the duty of the FBI to pursue all issues relevant to this background investigation. Limitation of the investigation to an arbitrarily predetermined list of witnesses expected to produce no significant additional evidence would involve the FBI in a sham of an investigation, and a charade. Your failure to conduct a full and thorough investigation of all the matters relevant to the controversy because of limitations placed upon you by the other parts of the executive branch would do grave damage to reputation of the FBI. As I said, it would politicize the FBI. I hope you will not permit the FBI to be abused in such a manner, for its own institutional integrity. Very truly yours, [REDACTED]

I HAVE TO TELL THE FBI SOMETHING TO THEIR BENEFIT. I've watched 1000's of hours of crime documentaries featuring the FBI and the world respects you for solving 100' of 1000's of crimes. However, your reputation is about to go down the toilet globally if you do not resolve this Kavanagh issue. Irrespective of Kavanagh's accuser's credibility, you must know he has lied multiple times to the FBI and senate which are gaolable offences. And he has already confessed and given you the evidence in that calendar and yearbook. He has documented and bragged in laddish 'student speak' to: • A 100 keg drinking challenge when he was under drinking age

• Boofing (Performing anal sex on someone) • A Devils Triangle (Having a threesome with another male and a female) • FFFFFFing (Find a girl, french them, feel them, finger them, fuck them and forget them) • Girl Alumini (You

can only 'join' an alumni if you have been there and done that)

- Being the biggest 'ralpher' during beach week (Being the biggest puker during a week of partying) Now, 30+ years later when life has caught up with him, he gives fantasy explanations to those terminologies while claiming to have been a sober, church going virgin with a weak stomach! Now I am not in the FBI, I just have ultimate respect for the FBI, but if you cannot solve this one with his documented confessions alone, let alone accusers, witnesses, lie detectors etc then your reputation as a professional, ethical, non-partisan body is about to go down that global toilet. The FBI will have undone all its great historical work and be known herein as incompetent, farcical and in Trumps pocket! I suggest you educate that ignorant committee and get them to ask Kavanaugh live on TV: "Judge Kavanaugh, DO YOU THINK WE ARE STUPID? We know what the 100k challenge, boofing, devils triangle, FFFFFFFing and the alumni are, as detailed in your calendar and year book! Do you want us to tell you, or would you like to tell us before we remind you live on the TV with the world watching?" They should have done this on Friday!! Or is it simply a case that the multi-bankrupt, racist, alleged sex-pest president and his republican committee members simply wants to make America an even bigger laughing stock than it already is, AND SO WILL THE FBI IF YOU DON'T NAIL THIS. The fact is that he has broken the FBI and committee laws with his lies. This is irrespective of any sex crimes, including the almost ignored fact that the accuser was only 15 year sold. (Why is that not a reason for an FBI investigation alone?) I am not partisan, or American and have no interest in US politics, but I believe Dr Blasey Ford will go down as THE woman who changed the course of history and protected potentially millions of people from future abuse, unless the FBI fails. And that Kavanaugh may be reminded of what boofing is when he is in his new prison cell shower room!

I think there are some important questions that should be asked of Christine Blasely Ford that I have not heard anyone ask. I am sure FBI investigators are smarter than I am.. .but in case those questions have not been thought of, here is what I wonder... If I understood what I remember was said at the hearing combined with news reports... Christine Ford says that Brett Kavanaugh groped and tried to rape her. I think she is lying through her teeth.. Christine Ford says she was at a party about 8 miles or so from her house... with 4 other people.. one of them her girl friend/best friend Leland. She does not know the date of the party. She does not know where the party was. She does not know who drove her there.. The 4 or 5 other people at the supposed

party say the party never happened or they don't remember being at such a party. Two of the people at the party were upstairs trying to rape her.. with her girlfriend/ best friend Leland downstairs with another guy, PJ.. Then Christine leaves the party without saying anything, leaving her girlfriend/best friend, Leland, there alone with 3 guys, including the 2 that supposedly tried to rape her, and goes home.. BUT does not know how she got the 8 miles home or who drove her home. She didn't tell her girlfriend/best friend that she was leaving. Who does that? If Leland drove, she probably brought her there. Wouldn't Leland have wondered where her friend Christine went? Wouldn't Leland wonder what happened to her best friend or where she was, or if she was safe or got home safe? Wouldn't Leland have remembered a party that her best friend left without telling her she was leaving? Wouldn't Leland remember being left alone as the only girl at a party with 3 guys, with one of them being Brett Kavanaugh? That girlfriend/best friend, Leland, says she does not remember such a party and was never at a party where Brett Kavanaugh was present. Again, Christine does not know who drove her the 8 miles home after she left the party. There were no cell phones in 1982. Wouldn't Leland have called her later to find out where she was or why she left the party without saying anything? Wouldn't Christine have called her girlfriend, Leland, later, or the next day to let her know she was okay and got home safe and how she got home. These are some unasked unanswered questions that should have been asked of Christine Ford in the hearings.. And hopefully, the FBI will pursue these questions this week when they interview everyone supposedly involved with that imaginary party. None of this story adds up..

class for many years so as to preserve the school's goal of producing "1,000 male leaders" every year. In the current Supreme Court, every Justice went to either Harvard or Yale Law Schools. That, in itself, is horrifying. Above and beyond that, that means that all the men on the Court were in an environment where Kavanaugh-type behavior was enabled for people like themselves, and all of the women on the Court went to the exact same law schools having to manage their feelings and fears around such behavior from their male peers. It casts conference deliberations in a whole new light for me to focus on this aspect of the experiences of each of the humans in that room, having all traveled through the toxic petri-dish in which elites replicate and preserve their own power and license. The men and women having had such opposite experiences of those places."

KAVENAUGH/JUDGE. I am an attorney, graduate of Yale Law School, 9th Circuit Clerk, former employee at the Community Relations Service and graduate of Jesuit High School, Bellarmine. Mark Judge, per Ford, urged Brett on at first, but then asked him to stop, and jumped on them, ultimately halting the assault. Ford testified Judge froze when she met him weeks later. Ford must have used her free hand to try to remove the hand over her mouth during the assault. Judge may have realized her terror and flailing and tried to stop it. As students in a Jesuit high, Judge and Kavanaugh would have confronted the need to

confess their sins and been anxious that Ford would disclose the event and Judge's role. Whether Kavanaugh had alcoholic amnesia or not, Judge would have discussed his concerns about Ford's reporting the assault with Kavanaugh after the event and after Ford confronted Judge at the supermarket. Judge is more likely to confess his involvement in the assault if presented with the proposition that he tried to stop the assault by jumping on Kavanaugh--and succeeded. Judge has confessional books he wrote on his alcoholism and high school misconduct--giving him the cover of his efforts to stop Kavanaugh may lead him to disclose the event and the discussions he must have had with Kavanaugh about the risks that Ford would complain and that they both might be expelled and end their academic careers. Given frequent attendance at Mass at a Jesuit School, both would have faced the need to go to confession or stand out by not going to communion. They would both have a serious concerns about mortal sin at their age and their religious environment. I have taken hundreds of depositions--Kavanaugh appears to have two tells when not telling the truth--he moves his right hand on the table to the right and back--as he decides how to respond. The video of his initial testimony shows this gesture. There is also some micro gestures with his head as he answers (after his hand movement)--however I did not see this enough to confirm this "tell."

Purely suggestions, re: supplemental fbi backgnd investigation of Kavanaugh accuser Dr. Ford. THE MAIN QUESTION: Who is lying? There have been numerous far-reaching investigations of DOCUMENTARY background material on Ford, her atty's and her story. None of this, it seems, has been of interest. >From this DOCUMENTARY material there is obvious fact pattern suggesting that the Ford story can conceivably be an orchestrated fraud. 1. Increasingly it seems that Ford is suffering from poor recognition of people and events as would be common if she were treated for PTSD with tranquilizers and psychotropic medications like Seroquel. Some people also have scrambled recollections after only a few episodes of over drinking. The type of confused recollections that are common are seen in the James Blunt video in which he goes for ect treatment and sees his ex-lover walking straight up a tall building. She also goes for treatments in the video, not greeting him in the lobby because she temporarily does not recall him, perhaps. A lot of highly competent people have at times had extreme memory disorders, even like those seen in the music video, and no one knows because sufferers stay in the moment and accept that some things are better not recalled, for whatever exact reason. Ford may not understand how much care she may

have had and how in the moment she must remain in order to stay decent. Unlike some who only have a few things they shoukdn't discuss, Ford may need to ho no further back than last week. But this is not for me to determine. Exactly, however, very few journalists have been able to assemble questions of a decent sort about her daily functioning. There seems some evidence that she is not fully recovered and is being abused. Right now no one can say, at this juncture in the public dialogue.

Nearly everyone I know has increasingly been getting VERY VERY upset (putting it very mildly) since the 2016 POTUS Primaries & Election. Its getting worse. We need neutral law enforcement to investigate fairly ALL people involved in alleged crimes. Most are tired of the Mueller Investigation from A to Z but that's not why im writing. Ive heard Christine Ford was quite a frisky young girl and that the 6 week delay to reveal her letter was time necessary to set up attorneys, their scheme & legal plan & scrub the internet of Fords background including her H.S. and College yearbooks which some people claim would

Ive spoke with people who claim Kavanaugh's [REDACTED] that was [REDACTED] Christine Fords [REDACTED] So many other things I wont bother you with. PLEASE help to unite our Nation by investigating HER as much, or more, because she is an ACCUSER without corroboration. Id hate to see Kavanaugh's life, career and family implode because Christine Ford and the Democrats have unfairly disgraced him over a 36 year old uncorroborated groping incident when they were teens. I trust you will be fair in this case as you are with the Mueller Investigation. Our nation needs to unite. We need to heal. If Democrats & Republicans know the FBI is independent, not biased and investigates ALL sides to a complaint with fairness, perhaps adults can accept your findings and move on. Further, its too bad Ex FBI agents are allowed to show their bias on ALL cable TV networks. Wont mention names. Thank You. Peace Out.

Brett Kavanaugh---See informative article for followup leads. David Brock on NBC: "I used to know Brett Kavanaugh pretty well. And, when I think of Brett now, in the midst of his hearings for a lifetime appointment to the U.S. Supreme Court, all I can think of is the old "Aesop's Fables" adage: "A man is known by the company he keeps." And that's why I want to tell any senator who cares about our democracy: Vote no. Twenty years ago, when I was a conservative movement stalwart, I got to know Brett Kavanaugh both professionally and personally. Brett actually makes a cameo appearance in my memoir of my

time in the GOP, "Blinded By The Right." I describe him at a party full of zealous young conservatives gathered to watch President Bill Clinton's 1998 State of the Union address — just weeks after the story of his affair with a White House intern had broken. When the TV camera panned to Hillary Clinton, I saw Brett — at the time a key lieutenant of Ken Starr, the independent counsel investigating various Clinton scandals — mouth the word "bitch." But there's a lot more to know about Kavanaugh than just his Pavlovian response to Hillary's image. Brett and I were part of a close circle of cold, cynical and ambitious hard-right operatives being groomed by GOP elders for much bigger roles in politics, government and media. And it's those controversial associations that should give members of the Senate and the American public serious pause. Call it Kavanaugh's cabal: There was his colleague on the Starr investigation, Alex Azar, now the Secretary of Health and Human Services. Mark Paoletta is now chief counsel to Vice President Mike Pence; House anti-Clinton gumshoe Barbara Comstock is now a Republican member of Congress. Future Fox News personalities Laura Ingraham and Tucker Carlson were there with Ann Coulter, now a best-selling author, and internet provocateur Matt Drudge. At one time or another, each of them partied at my Georgetown townhouse amid much booze and a thick air of cigar smoke. In a rough division of labor, Kavanaugh played the role of lawyer — one of the sharp young minds recruited by the Federalist Society to infiltrate the federal judiciary with true believers. Through that network, Kavanaugh was mentored by D.C. Appeals Court Judge Laurence Silberman, known among his colleagues for planting leaks in the press for partisan advantage. When, as I came to know, Kavanaugh took on the role of designated leaker to the press of sensitive information from Starr's operation, we all laughed that Larry had taught him well. (Of course, that sort of political opportunism by a prosecutor is at best unethical, if not illegal.) Another compatriot was George Conway (now Kellyanne's husband), who led a secretive group of right-wing lawyers — we called them "the elves" — who worked behind the scenes directing the litigation team of Paula Jones, who had sued Clinton for sexual harassment. I knew then that information was flowing quietly from the Jones te

Trying to get up something online called "fact check" that notes that Gord claimed to call a friend on a cell phone even though almost no one had a cell on them in 1982 in high school. I know I waited until about 1995 because my building had no wiring and the salesman wanted to help me and people like me. While Ford may have made a slip of the lip when she mentioned cell phone, she may have literally crossed several incidents in her head, including events after the 82 party at which she felt Kavanaugh was present and could be accused. I hate to be crass but is she actually the victim of a bad gay relationship in which her lover wore things to ridicule a man and traumatized Ford? Possibly no way of knowing but then it might make sense that she was seeing Kavanaugh and cell phones and other strange things.

This is an idea rather than a tip regarding the Kavanaugh investigation. It seems to me that the girls/women who may have been sexually abused by Brett Kavanaugh and his friends may have been considered 'beneath' these men in social class. Perhaps this is why female friends from certain schools have a positive opinion of him whereas females from less prestigious schools didn't rate his respect, and thus he felt entitled to abuse them. Thank you.

LastThurs. PBS News Hour reported a H.S. classmate of Dr. Ford who recalled a lot of grape vine talk at school about the alleged attack on Dr. Ford, shortly after the party Dr. Ford has reported. This classmate was deluged by reporters and then refused all attempts of contacts. Since the FBI is reported to be investigating the issue privately regarding Judge Kavanaugh & Dr. Ford, it would be beneficial, perhaps, to look into this apparently contemporaneous source. Thank you for all of your service to our country.

Please find PJ and question him, including WHICH Brett was in the house that July or August 1982.

Also please subpoena [redacted] as he may go State's evidence to tell the truth as well.

I would never accuse anyone of something he or she hasn't done. However, I have been reading about mistaken identity, and Ford's family background. Why haven't her parents and two brothers signed the statement of support? Why haven't they come forward to support her?

RE: Kavanaugh hearing. I have no connection other than as a concerned citizen. For whatever reason, the Phoenix area was thrust into the national spotlight. It appears a political flavor exists. The governor appointed KYL, who, was Kavanaugh's " handler ". The county attorney appointed a special sex crimes prosecutor. That investigator, has valuable, internal insight. At any point, was there any undo " pressure " to influence the outcome & etc. ? I trust my observations may warrant further inquiry. Respectively submitted, THANK-YOU !

Overlooked facts to consider re: Ford/Kavanaugh testimony: 1. Dr. Ford testified that she is a swimmer and practices diving. 2. Dr. Ford testified that she was wearing a one piece bathing suit under her outer garments at the time of her allegation. Why would a teen-ager wear a bathing suit as an undergarment when going to a party? Question: Did she go to the "party" directly after being in a swimming pool? Is wearing a wet or damp bathing suit as an undergarment a reasonable expectation when going to a party? 3. Why didn't she go home to change into more appropriate clothing as might be expected from a peer sensitive teen-ager? 4. If her memory is not correct, and she did go home to change, how did she get the 6-7 miles from her home to the alleged incident location? Does she remember anyone who drove her (she didn't have a drivers license)? Credibility and accurate memory are issues in this controversy! Thank you for your attention.

Now that you are moving forward with an investigation of the sexual allegations by Dr. Ford against Brett Kavanaugh, I wanted to suggest being in touch with a psychologist/psychiatrist (as an expert witness) who specializes in shadow work (revealing/understanding the role of shadow in the psyche, or areas one hides from their awareness) as an explanation for the Dr. Jekyll/Mr. Hyde characteristics that Brett Kavanaugh displayed at the Senate Judiciary Committee hearing on Thursday, and his staunch defiance/refusal to acknowledge/evasiveness. He truly believes himself incapable of doing what Dr. Ford alleges, despite his display of aggression during the hearing. I can only imagine the level of anger he displays when intoxicated. This level of denial is characteristic of shadow - what we push out of our awareness, but lurks right beneath it. It could help bridge the credibility gap between Dr. Ford's and Mr. Kavanaugh's testimony. A psychologist in L.A. who specializes in this work and helped define the field is Dr. Connie Zweig. I just wanted to mention this because

this possible explanation was so striking to me, yet I did not hear it raised in any of the commentary, and I think it needs to be considered as part of the discussion. It would be remiss on my part not to mention it. Thank you. [redacted]

<https://michaelsavage.com/is-dr-ford-deeply-tied-to-cia/> Is this possibly true? I am sure you are possibly already aware of this as fact or fiction. If so, it should be investigated. Michael Savage is not an ordinary citizen and has exposed a lot of corruption. This should be part of the Dr. Ford and Brett Kavanaugh investigation in my humble opinion. I wish no harm to anyone, only the truth to be told. It seems that Mr. Savage has been right before. I am sure I won't be the only one asking for it to be considered as part of the investigation. If this is not true then I sincerely apologize. Kindest

Now she is attempting to organize violence in the US remotely. Thanks.

I have no first (or second) hand knowledge of CBF's claims about Kavanaugh, but some details on her tale seem questionable: * CBF remembers their laughter, but doesn't remember the music. One would think that would be seared into her memory. If I had a bad experience during Rhiannon, I'd associate that song & FM with the incident. Yet, she only referred to "music". * One might think a teenage party would have just one source of music and it'd be loud. Yet, she claims they pushed her into the room and increased the volume. Why wasn't the music for the party coming from the ground floor? If they had two music sources, wouldn't the others at the party complain? * She claims the stairway was narrow. And, as a teenage girl, that means it was fairly narrow. Aren't such narrow stairways fairly rare? You might find them in old houses (such as for servants), yet if it was an old house you'd think she'd mention that. You wouldn't expect a narrow stairway in a house built in the 50s-80s. You might expect it in a (possibly illegal) addition (such as to fit around existing walls). If

There could have been a bathroom on the ground floor that wasn't working or was for residents only, with the guests bathroom upstairs. Isn't that rare? Wouldn't you expect the guest bathroom on the ground floor, and the residents-only bathrooms upstairs? * She claims both Kavanaugh & Judge were outside the upstairs bedroom, and one of them or someone else pushed her into the bedroom. Wouldn't you expect her to spot Kavanaugh & Judge lying in wait while she was climbing the narrow stairs? * With her, Kavanuagh, & Judge upstairs that would seem to leave only 2 or 3 people downstairs. Were they making out or similar? If not, you might expect them to wonder where the party had gone (and why the music was suddenly muffled by a closed door).

Judge Kavanaugh's original notebooks should be viewed by the FBI to see if he did have such all those years, to address time frames of all three accusers, and to determine through ink, writing style, paper, etc. that such notebooks of his daily life were of the years, completed by him, and and written at the period of time specified. Dates of Dr. appointments and family appointments should be verified against those listed in his father's notebooks to see if such were copied as well. These notebooks were his defense that he 'wasn't there' at the time of Dr. Ford's accusation, so his veracity related to the notebooks, which the FBI can determine, is one piece of evidence that can be scrutinized. I believe the notebooks weren't written back then and certainly not over the years, and the 3 pages of xerox copies provided the committee were recently completed to provide support for his denial. PLEASE refer this on to the FBI for investigation to find out if the notebooks are genuine and support /deny his position. Thank you. P.S. If this isn't the correct place to

Attn: Delaware FBI regarding the Investigation of Brett Kavanaugh as ordered by President Trump today. Over ten (10) years ago, I documented for law enforcement a very violent event I endured while a college student in Bloomington, Indiana in the 1980's. I wrote down everything that I could remember about the words spoken during that violent event by my captors. This incident involved an older man who was instructing two (2) younger men. Today, that violent crime consists of at least one (1) felony. Detective [REDACTED] [REDACTED] has the information in his files from my meetings with him over ten years ago. Many of the words that I overheard were related to physical locations in the Chevy Chase Maryland area. I allege that [REDACTED] of Springboro Ohio was involved in, at a minimum, planning that violent crime. I suspect that [REDACTED] has known the father of Brett Kavanaugh and his family and/or friends for many years because of [REDACTED] work with a Cosmetics & Toiletries industry association. It is very probable that

[redacted] knows the identity of this older man and the two (2) younger men as outlined in my paragraph one (1) of this correspondence. My concern is that this older man may have been an elder Kavanaugh and the two (2) younger men may have been his family member(s) and/or friends or people associated with the elder Kavanaugh. Yesterday, Dr. Ford stated that she felt it was her civic duty to come forward. Today, I know it is my civic duty to write to you about this violent experience years ago. There was another unusual event that I witnessed in the late 1980's in Atlanta GA. I strongly suspect that [redacted]

1. [redacted] being over the age of 18, of sound mind, and competent to testify in a court of law, do declare under penalty of perjury under the laws of the United States the following:

b6
b7C

1. I watched Judge Brett Kavanaugh's sworn testimony of September 27, 2018 before the U.S. Senate Committee on the Judiciary. Judge Kavanaugh was obligated to tell "the truth, the whole truth, and nothing but the truth." From my personal knowledge, Judge Kavanaugh did not tell the whole truth about his drinking in high school or about the possibility that his heavy drinking contributed to memory loss.

2. [redacted]

b6
b7C

Through [redacted] and neighborhood events, I had friends in the Class of 1983 at Georgetown Preparatory School ("Prep").

3. I met Brett Kavanaugh at a get-together hosted by Prep students either in the Fall of 1980 or the Spring of 1981. I was the guest of one of my friends from the Chevy Chase, DC neighborhood who attended Prep with Brett. My first impression of Brett is one that I have kept. I entered a basement rec room from a back yard through sliding glass doors. The parents of the student who lived in this home were out for the evening. Once situated with a beer and after initial introductions, I was talking and drinking with a small group of Prep students. Brett Kavanaugh was lying on the couch when I first entered and he remained lying on the couch, seemingly unconscious, during the initial part of my conversations with others. Suddenly, he bolted up and stumbled to his feet. I realized he was completely and totally wasted -- "stupid" drunk, i.e. stumbling/swaying, glassy-eyed, and slurring his words. He did not know me and asked others who I was. When he found out that I [redacted] and not Prep he became pugnacious and confrontational. He drunkenly, angrily and loudly demanded that I leave. He had to be held back by others in the room. I was not happy about how Brett treated me but I attributed his behavior to the fact that he was sloppily drunk and probably did not know what he was doing.

b6
b7C

4. I was invited to and attended other Prep gatherings. For the most part these were amicable get-togethers wherein we drank, shared small world connections, and told funny stories, and laughed. However, these gatherings were not fun for me when Brett Kavanaugh attended. He was regularly stupid drunk, aggressive, and confrontational towards me because I did not attend Prep. The cycle of Brett's questioning who I was, and his drunken hostility to the fact that I [redacted] at a Prep gathering seemed to repeat itself like (to use a current idiom) "Ground Hog Day." I expressed the view to those who I knew from my neighborhood that I thought this was a deliberate effort by Brett to belittle me and make me feel like the outsider that I was in these Prep settings. However, I was assured that Brett would never be intentional in this way -- that he probably and genuinely had no memory of meeting me because he had been so intoxicated on the occasions when he had been told who I was.

b6
b7C

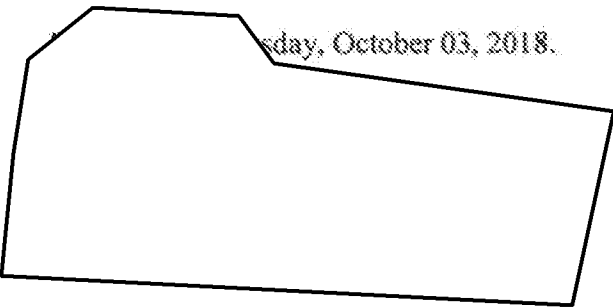

5. I could not understand why those who I called friends could choose to spend time with Brett. In my narrow range of exposure to him -- when a bunch of guys got together to drink and hang out -- he was an habitually stupid, pugnacious drunk. When I questioned my Prep friends about him, they said I did not know "the real" Brett Kavanaugh. I was

told that Brett was someone to be admired -- he was a nice guy, super-smart, and a great athlete. I was told that should "give him a chance" and try to get to know him.

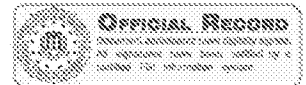

6. I could not develop a friendly relationship with Brett. It reached the point where, if I was asked if I wanted to go to a Prep gathering, my only question was "will Brett Kavanaugh be there?" If the answer was "yes" or "likely," I would make other plans.

7. I declare state under penalty of perjury that the foregoing is true and correct to the best of my recollection.

day, October 03, 2018.
