In the Case of Christine Margaret Blasey Ford and Brett Kavanaugh: SAC Susan Hanson: I have been looking at the issue of Christine Margaret Blasey Ford relative to the Brett Kavanaugh nomination to the Supreme Court. I will release information relative to Ms Blasey Ford's Background, her association with the Democrat Party and her Criminal History as well as her personal history with alcohol, Men, Sex and other shortcomings. Several weeks ago, I did a public files background with Nexus Lexus and two other public sources, At that time, Blasey Ford had a record of two Criminal Offenses and multiple traffic charges in Catawba County, NC. Since that time those charges have been erased or "disposed of on the traffic offenses" and no explanation on what happened to the two Criminal Charges (C). The Charges were still on the County web site the morning of July 18, 2018 at 0900-1000 hrs,,, But, by 1100 hrs they were erased. Unfortunately for Ms Blasey Ford and Catawba County, NC Court System, I have the Case file numbers on these cases. Because of the discourse in this country, clients,

I am not reporting a crime but I wanted to pass this on to the FBI's investigating Judge Kavanaugh. I listened to the testimony and something that Dr Ford said concerned me. She stated that because of the sexual assault trauma she insisted on having two front doors. But she followed up by saying that her graduate students use it now. This made me question if the second door was really installed because Dr Ford has an office there and didn't want students and any other business/school contacts coming through her house. If someone can get Dr Ford's renovation plans it might be explained on her house plans.

Judge Kavanaugh's July 1st entry calendar includes all of the relevant parties identified by Dr. Ford. The timing fits in with her recollection of the event being 6-8 weeks prior to her seeing Mark Judge at the Safeway. Judge's book states that he worked for a couple of weeks prior to the start of football practice. The timing of these events leaves July 1 - the start of the July 4th weekend - as a possible date for the event. Dr. Ford was going out with "Squi" at the time, which would explain why she was at that July 1st get-together before the party at Timmy's place. Sen. Whitehouse and Rachel Mitchell both asked questions about this July 1 event. See [https://www.washingtonpost.com/politics/2018/09/27/kavanaugh-is-pressed-key-july-entry-his-calendar-only-point/?utm\\_term=.0f3f4db9a1f6](https://www.washingtonpost.com/politics/2018/09/27/kavanaugh-is-pressed-key-july-entry-his-calendar-only-point/?utm_term=.0f3f4db9a1f6) More interesting was the research done by [REDACTED] one of the commentators to that WaPo article referenced above: "New information just came out: Mark

[Please see this Twitter thread for much more info on this tip as it is the product of much research, enough that I feel compelled to submit this tip to the FBI.] I strongly urge the FBI to follow up on these matters as they are can help to address the concerns raised by Dr. Ford's testimony - when and where and who. Judge Kavanaugh's calendar may actually help to corroborate and supplement Dr. Ford's account. I appreciate the Bureau's attention to this very important matter. [redacted]

No gurls.Whew, the difference between man and woman has been discovered, its in he digestive process.I don't know what people are thinking but "bastards" are for real is symptom of trouble.I would say they can be man or women who digest the food like the opposite sex.The way man digests food is different then the way a woman digests foods. What he gets comes the planet and what she gets comes from the earth or lands they originate on.So, what man eats is something from deep within the land; there is no excuse for women trying to be equal.This forces thyro toxciins to build up&alters metabolisms, what a bad thing to do.I never get into this sphere b/c man gets mad,but the woman is like an insane beast.Looking&moving around&finding new ways to combat the males,&who knows what the males do?I feel through observation that this is who becomes a murderer,but once again,I throw nobody out the door allowing individualism to see when they will come back around to be normal but the activities are so abhorrent that the old chemistries are almost impossible to get back. In comfution I am about properties

of the intellectual variety. When a new patent becomes known then sometimes people disagree on what the property is and to whom it belongs, I thought I could run around&throw things at govt&think he would take it&see it&register it. I did not expect to see my head near buried into someone else who does not wish to move or to see that my undertsanding differs. So, when the property is incomplete w/govt perview&study&the normal set of property engineers come along, then I see things are about to become wicked for me. Tonight I found 475 couples who exist together&the woman has a baby sitting job&they go and grab a heir or sorts, of most denominations little or small. Mostly in the North, I decided the play around w/alcohol&other items&then I say its just to much they keep grabbing the kid again after I get him or her back wit the families. So, I requested the gamete of the crook that starts out when they young learning how to steal wealthy people's possess w/o caught. So, the parents or gramps ate them lock stock&barrel. When they git tired of the kids they throw them in adoption or foster agencies perview&nobody knows a damn thing. So, the kids are back, but I am getting angrythat the mothers won't stay in the home and watch over their own children. This is a mens&mens day community issue. 475 fmailies one or more kids in five days over 40 years. This is how foreigners breached us&bgan profiteering in real estate management, bound to be hangables in there somewhere soon. BUtta I give it 5+ years development work. So, this will be a good place to press on soon. By the way Condolezza was stealing Chine's lumber to make rail car houses-so original for a freak of nature. They was ready to poach us until our hearts came out our hoses. Nothing but work wit 2"x4"'s &the music knows it too. How Kavanaugh gonna lie like that, how he gonna lie like that-where he think money come from-trees?

I'm an architect and just wondering if this could help corroborate Ford's testimony. Ford said she could draw the floor plan of the rooms and house where the incident took place. Couldn't her drawings be compared to the floor plans of the homes of the friends of Kavanaugh that Ford said was there - and the townhouse he purported to be at July 1st in his calendar? She also mentioned narrow stairs - which is more often the case in a townhouse - not a large family house, which is the location from the July 1 entry as I understand. She said she could draw the layout of the living room and details about the bathroom, bedroom, and stairs. This hard evidence could be more credible in verifying they were in the same location than any one person's memory of an otherwise uneventful get-together in high school - or relying on someone to testify against their lifelong friend.

Not a tip, just a (probably dumb-ass) speculation re Christine Ford Brett Kavanaugh investigation, trying to imagine what could possibly provide compelling physical evidence after all this time. So for what it's worth, here goes . . . IF you can find the house where the assault allegedly took place (IF it still exists), and IF the bedroom still has its original flooring, and IF that flooring comprised wooden floorboards, and IF DNA evidence in the cracks (hair follicles, skin

Brett Kavanaugh Investigation: Possibly helpful; article in SLATE touching on Judge Kavanaugh's lying under oath during the Senate Judiciary hearing this past week: "Before the hearing I wrote about what Kavanaugh's lie about the "Renate Alumni" caption under a photo of himself and some other football players said about Kavanaugh's relationship to male networks. To my astonishment, he lied about that stupid ugly joke again, under oath. He got choked up during his opening statement--tears as sincerity--as he blamed everyone for misunderstanding what was, he insisted, a sweet gesture of inclusion. "That yearbook reference was clumsily meant to show affection, that she was one of us," he said. Curiously, he and his friends never showed this touching homage (which shows up over a dozen times) to the person for whom it was allegedly intended. Renate did not know about the entry when she signed the letter of support affirming Kavanaugh's respectful treatment of women. And she was understandably horrified when she did learn, because another guy in the group had included this

poem in the yearbook: "You need a date/ and it's getting late/ so don't hesitate/ to call Renate." Hardly a sweet gesture of inclusion. I hadn't expected Kavanaugh to double down on this particular lie because it was just so dumb. Yes, his strategy up to that point had been to overshoot with his denials, but at least he admitted (many times) in the hearing to "liking" beer. There were signs, in other words, that he was willing to abandon at least some of his virtuous fictions about himself. I was wrong. Kavanaugh did not admit that he and his buddies made a cruel dumb joke. Instead he lied. And cried about it. And railed against the injustice of being so maliciously misunderstood. That tells us something about how much we can trust the relationship between his emotional displays and his truthfulness".

ABC News story shows additional evidence that Ford, unless she had a driver's license at age 13, is about ten years older than her stated age: The Mercury News also reported that her "claim to fame," according to one of her friends, was when she drove diver Greg Louganis to the White House in 1980 when President Jimmy Carter invited Olympians to discuss the boycott of the Moscow Games. <https://abcnews.go.com/Politics/christine-blasey-ford/story?id=57989558> The attack was in 1982 when she was 15. Her CV from her high school alumni paper reports that she was a professor of both Psychology and Statistics working at Stanford in 1988 - what an achievement for a 21 yr old! Come on FBI!

Re: Judge Kavanaugh investigation There is a Twitter conversation dated June 27, 2018 between Mark Judge (@markgjudge) and Virginia Hume (@virginiahume) at 3:55 PM on June 27th - the same day Justice Kennedy announced his resignation. I saw this not first hand, but on a Twitter feed Ms Hume says to Mark Judge "Good to get it out now. You have time to make the case that you knew even then to keep business out front, party in back" there was another "reply to Mark Judge" "Haven't you

In my opinion the entire exchange and any DM's between Ms Hume and Mr. Judge should be examined, and Ms Hume and Mr. Judge should be interviewed about that exchange after the FBI has reviewed the Twitter transcripts.

Re: Kavanaugh sexual abuse investigation information Judge Brett Kavanaugh, while under oath, stated that the term "Devil's Triangle" (a term he included in what he wrote for his own high school year book entry) referred to "a drinking game" involving quarters. THIS IS DEEPLY TROUBLING. According to the online "Urban slang dictionary", the ACTUAL principal definition of this slang term is "A THREESOME WITH 1 WOMAN AND 2 MEN". There is no mention of a definition involving drinking games. Here's the link - <https://www.urbandictionary.com/define.php?term=Devils%20Triangle> According to the Wikipedia

"disambiguation" page, "devil's triangle" has associations with many subjects, none of them (also, see footnote), involve drinking games. It DOES include "A sexual threesome, consisting of one woman and two men". Here's the link [https://en.wikipedia.org/wiki/Devil's\\_Triangle\\_\(disambiguation\)](https://en.wikipedia.org/wiki/Devil's_Triangle_(disambiguation)) Here's what troubles me. 1. Dr Ford (a woman) described being sexually set upon by Brett Kavanaugh and Mark Judge (two men). Sounds like the most commonly used definition of "devil's triangle". 2. Judge Kavanaugh denies this and deflects the definition of "devil's triangle" to something which sounds credible (given his admitted propensity for drinking alcohol, especially beer) yet that definition is not supported by common, credible online sources. Respectfully, may I suggest the following lines of enquiry:- 1. What is the consensus of opinion of Judge Kavanaugh's school friends regarding their understanding of the term "devil's triangle" back in school days? How did they interpret the most common usages of these words back then? 2. Gain an understanding of why Judge Kavanaugh might have chosen to mislead regarding the meaning of the term he wrote for his year book entry. 3. Track down the person who hacked the Wikipedia page mentioned in the footnote below, and establish motive. (The key to answering this is the IP address of the computer used in the member's office, which is recorded by Wikipedia in the edit log) Footnote Shortly after Judge Kavanaugh's testimony, a member of congress (or staffer) changed the Wikipedia disambiguation page to include his false testimony. Here is the wording that was added:- \*\* "Devil's Triangle", a popular drinking game enjoyed by friends of Judge Brett Kavanaugh. \*\* Prior to this hack, the Wikipedia page did not mention "drinking game". This hack has subsequently been removed, and the page no longer includes any reference to "drinking game". Here's one instance of the widely reported hack - <https://thenextweb.com/insider/2018/09/27/devils-triangle-wikipedia-entry-edited-by-anonymous-member-of-congress-after-kavanaugh-hearing/> Please feel free to contact me. I doubt that I can add any more since I was not involved in any of the past or current events, and have never met any of the participants of this drama. I'm just a concerned citizen.

This tip is in regard to the Brett Kavanaugh investigation: Last night (Friday 9/28/18) I found a Twitter conversation thread between people who claimed to be associated with the private school peer group that included Brett Kavanaugh and Christine Ford. They were theorizing and connecting dots about the who, what, where, when, why, and how of July 1, 1982 on Kavanaugh's calendar, and contextualizing the information against a backdrop of sexual abuse by teachers at Kavanaugh's all-boys

[redacted] Last week I was puzzled by 3 things: Why Kavanaugh was so  
over the top in his testimony? 2. Why Judge jumped on the bed and 3.  
How anybody could think that Blasey and Kavanugh both gave convincing  
testimony. Answers -- he was over the top because he couldn't argue  
the facts or law, so he had to attack and scapegoat Democrats. And the  
truth was so much worse than any of us could conceive of because we'd  
kicked over green sod to discover a cult's dirtiest secrets. He knew  
how bad it was and he knew his life could blow up in infamy and shame.

2. Judge jumped on the bed, because he was going to rape Christine from the other side, it was a maneuver their little cult cherished called the Devil's Triangle, where some poor weak, naive or drunk girl, was vaginally and anally raped. During testimony he chided a senator's question claiming that Devil's Triangle was a drinking game. No fucking way. You can read what it was in the urban dictionary. Only recently a new definition was listed that it was a drinking game, but that was submitted from a republican computer in congress in the last two weeks. Kavanaugh and Judge had set up a trap for sweet little Christine and were in the midst of their Devil's Triangle maneuver of raping a girl from front and back when their drunken fumbling allowed the athletic Blasey to escape and live to tell the tale last Thursday. Kavanaugh and Judge were so proud of the Devil's Triangle experience that they listed it in their high school yearbook credits. As the Watergate burglary was not an isolated incident, but part of a pattern, so Blasey's experience must have been duplicated many times with survivors like the last woman to come forward with Stormy Daniel's attorney. More are bound to be coming out of the woodwork following Christine Blasey's brave example. It doesn't matter that the FBI investigation is limited in scope, it cannot absolve. And if I can figure this out, there's 10,000 more with the scent. It's best if all this comes out as fast as it can for the good of republicans, democrats and all Americans.

Re: 77N-HQ-[redacted] SubPal, 10/01/2018

[redacted] claims that there is an individual, MAX STIER, who may have firsthand knowledge of Kavanaugh's role in the Debra Ramirez/Yale incident. STIER attended Yale as an undergrad around the same time as Kavanaugh. He went to Stanford Law School and now works as a lawyer for a nonprofit called IBM Center for the Business of Government in Washington, DC. STIER is allegedly afraid of the ramifications to his family of coming forward with his information.

b6  
b7C

I told [redacted] that I would forward her information to my superiors at the FBI.

b6  
b7C

I am not sure if you know anyone who is a POC for the FBI supplemental investigation into Kavanaugh. I hope you can forward this information to him/her to see if its credible.

Thanks,

After the "Renate Alumnus" notes in his high school yearbook came to light in the last few days, Brett Kavanaugh said something like "When we read about it and talked to each other..." "...my friends and I have cringed." My questions: 1. With whom did he talk and cringe? 2. Can those conversations and/or phone calls be verified before Mr. Kavanaugh has a chance to interfere with an investigation into whether the conversations/phone calls happened? (The conversations would be very recent, so multiple "friends" should be able to immediately confirm what kind of conversation they'd just had with Mr. Kavanaugh.) 3. Was Mr. Kavanaugh lying when he said that he'd talked with multiple friends and that they cringed together at the "Renate Alumnus" references. It appears that he was under oath when he made these comments. Here's a link: <https://www.pbs.org/newshour/nation/my-friends-and-i-cringed-over-high-school-yearbook-kavanaugh-says>

Re: Judge Brett Kavanaugh investigation tip. Ms. Ford's interview before the senate had many unanswered questions, which I feel should be fully investigated. Her statement that she did not remember the house, or place may be untrue. She also did not remember how she got there as a 15-year-old non-driver, or how she got home. This should be investigated. My hunch, is that, this incident incriminating Judge Kavanaugh may have happened not at a friend's house, but in her own house. This would make sense why she did not want to say what house it was, and it would make further sense that NO ONE took her there, and NO ONE brought her home, because she was home all the time in her own house, up in her own bedroom. If this pans out to be true, it may free Judge Kavanaugh as he did not live near Ms. Ford's home at the time and it was impossible for him to be at a party a long distance from his own home as a teenager himself. Just a hunch that Ms. Ford is not

Judge Brett Kavanaugh submitted his calendar to the senate judiciary committee therein he inserted a hand written entry as to where he was on the week end of 1982 when his accuser, Dr Ford alleged he assaulted her. Carbon dating labs are able to determine scientifically as to when these entries were made. If the lab determines that this particular entry was made in September of 2018 this would not be good news for the judge. However, if that entry was made prior to September 2018 that would be good news for the judge. Thank you [REDACTED]

I was unable to find any other access point to send this request. Please forward to whomever would receive this request. As a concerned citizen, I'm writing to urge you to have the FBI investigate ALL sources of allegations and slander that were thrown in about Judge Kavanaugh, such as gang rape, etc. The veracity of the accusations would be put to rest. By utilizing even a portion of the FBI's 35,000 member workforce, I'm sure this could be accomplished within this limited scope and extended time period.

I realize that this is not technically a "tip" but I wasn't sure how best to communicate this...I hope that the FBI will investigate the two men who each said that it wasn't Kavanaugh, but them (two separate claimants) who assaulted Dr. Ford - that it was merely a situation of mistaken identity as the republican senators are claiming Because those senators are saying that they believe someone assaulted Dr. Ford, but not Brett Kavanaugh, it seems very important to determine the authenticity of their claims. Thank you!

Regarding Mr. Brett Kavanaugh's testimony, it was very commonly known in Texas where I went to college that the term "Boof" was a crude contraction of the words "butt" and the "F" word. The FFFFFFFF Mr. Kavanaugh referred to as a stuttering friends way of saying words beginning with F — was actually another popular saying "Find, feel, fondle, finger, f\*\*k and forget. (The Texas version in the 1970s used only five "Fs", excluding the word Fondle, which was not in popular use at the time. I believe these terms to be in popular use at the time, heard in most any boys's dorm room at the time.

location of the incident. the Debbie Ramirez accusations came to light in the new Yorker magazine. he was quoted in the new Yorker article. he has additional information he wants to provide. he spent the morning trying to write down the information. he would prefer to be contacted. there is a lot of details and he has not written everything down. he would have trouble talking about until he got the timeline right. he knows this information because [redacted]

[redacted] saw Kavanaugh regularly. [redacted] knew Kavanaugh. In July of 2018, 07/09/2018, [redacted] was in email contact with one of Kavanaugh's roommates who eluded to bad stories about Kavanaugh. a little bit after that, a different friend of [redacted] mentioned he heard of a sexual assault instance involving Kavanaugh. [redacted] didn't do anything about that. and then, on 09/13/2018, [redacted] saw an article in the news titled "brett kavanaugh has a mysterious Me Too problem." [redacted] contacted the friend who knew something about the sexual assault incident. Krasberg forwarded the article to the friend. through series of emails, the friend, [redacted]

[redacted] spoke of knowing of an instance their freshman year of college. [redacted] the name Debbie Ramirez. there are different versions of the stories. the story progressed in time as people learned about it. [redacted] lived next door to kavanaugh. [redacted] asked to start the story over again and provided the following information: There are two classmates from yale involved, [redacted] in july, not completely sure of the date, believe it was 07/17/2018, best guess through Verizon phone records. he spoke to [redacted] on 07/09/2018, 07/17/2018, and 08/13/2018. On a parallel conversation [redacted] had with [redacted] through email back and forth with [redacted] on 07/09/2018. In the 07/09/2018 email with [redacted] had to do with the possibility of kavanaugh become the supreme court nominee. at the end of the email chain, [redacted] said there were plenty of stories about kavanaugh that would be a problem. [redacted] did not have contact with [redacted] until September. [redacted] did not talk to [redacted] again until September. one of the three dates [redacted] spoke to [redacted] mentioned stories as well. guess is on 07/17/2018, in the course of the phone call, [redacted] said

he heard there was a story about kavanaugh trying to put his dick into a girls mouth at a party. [redacted] took no action, but thought it did not sound very good. then on 09/13/2018, at 1:07 pm. mountain time, there was an article in the news "brett kavanaugh has a mysterious me too problem" [redacted] emailed [redacted] who was the person who told [redacted] about the party. "I had heard some rumors about brett at yale. do you know (link for the article provided)" [redacted] replied back at 1:16 p.m. "I had heard from you at the time about an incident involving Debbie Ramirez, but I wasn't there." [redacted] replied to [redacted] "you heard some from me? I don't remember that. And who is remember Debbie Ramirez? I don't remember that name. Was she in Stiles?" at 10:29 pm Mountain time [redacted] said "I heard it from one of you guys. thought it was you. Like I said, I wasn't there. If there is anything to it, I suspect [redacted] would know." caller asked for [redacted] name to be left out of this report for now. at 10:31 p.m. [redacted] replied "Hmmm.... wasn't me, but I heard it from [redacted] via you, I think. but, who is Debbie Ramirez? was she in stiles? I have no idea." skipping a few emails. another important email - 09/14/2018, 9:36 a.m. Mountain Time, "...I wish I knew who told me the story about brett though. If true, it would easily qualify as sexual assault. even attempted rape. and it was said to have happened in one of the 1st floor common rooms in lawrence in front of 10 to 20 people. so if there's anything to it, plenty of people could come forward with it. whoever told me did so right after it happened and I believed it. if it wasn't your or rich, it may have been [redacted] or someone who lived with us." [redacted] wrote back, "Interesting." some of the other information in his possession is much more important than what he has provided so far. some of the information in his possession and someone else's possession would clearly back up some of the debbie Ramirez's claims. [redacted] has also been able to identify properly the location of the incident. [redacted] also has names of people who would be helpful for the investigation. caller said he only provided

Re the Senate Judicial hearngs last week. The committee has structured the hearings in such a way that either Dr. Ford or Judge Kavenagh were lying about the aledged rape. Actually they both may be telling the truth as they see it. If Dr ford had an attack of early episode psychois, she could have hallucinated the rape expperience . This delusion would have remained with her to this day. So she is tellin

the truth about her delusion but not about anything that actually happened. That possibility can be investigated through a thorough review of her medical history in her teen age years. Same for Judge Kavanaugh. For information on early onset psychosis, see the Early Psychosis project of the National Association on Mental Illness

I'm hoping that the FBI investigation in the Kavanaugh/Ford case will include a look at a possible doping using a "date rape" drug. As you know, this drug can cause memory loss which seems to coincide with Dr. Ford's testimony. Such questions to Dr. Ford should include: "How many beers does it usually take to make you drowsy?" "Had you left your drink(s) unattended for any length of time?" "Did someone bring your drink to you & if so who?" etc. I would also be curious to find out if their classmates had heard of anyone possessing or dealing this drug on campus? Just for the heck of it I'm also curious if the school didn't have a policy against parties; especially concerning football and other sports players and if the school officials had a history of "looking the other way" if they found out their players were participating? Thank you for your time & good luck with your investigation.

This is not a tip but a question. I could not find any other was to contact you. The question is: During the Senat Judiciary Committee hearing, Dr Ford submitted the results of a polygraph that confirmed her testimony. Since this is a, "He said,she said" case, shouldn't Judge Kavanaugh also be given the same test? If seems that would go along way in helping the Senate make an informed decision.

Now the the FBI has been asked for another Kavanaugh investigation, I would encourage the FBI to look at the accusers very closely. Christine Ford according to resources on the net have said in High school she was a binge drinker and party girl. Much time has been given to scrutinize Kavanaugh's yearbook. Please please look at her yearbook and you will get s better picture as to who she was. She had a repressed memory from 36 years ago. I would imagine her fantasy was to date someone like Kavanaugh who was good looking, athletic, smart, popular and rich. She lied about her fear of flying. They say if Kavanaugh lied about anything then his complete defense is a lie. What about her lies. Not knowing where she was, how she got there, how she got home, when it was. People she identified are denying they were there. Is she mentally stable? The lie detector was two questions. How about a real lie detector test??? Also question Sheila Lee Jackson

congresswoman seen on tape after Ford hearing passing a white envelope to Fords lawyer. Follow the money! The other accusers mentioned names who denied their accusations. The third accuser is a joke. Lawyer is stormy Daniels attorney. She said she had gone to this party 10 times where young girls were being drugged and gang raped but yet she kept coming back until the 10th time she was allegedly raped but didn't report a gang raping ring???? She also has a restraining order against her from ex for death threats. Please please look into these accusers' backgrounds and who is really behind them. Follow the money. Time to look at the accusers and not the accused. All the accusers need polygraphs - real ones. Even a mental evaluation as I think they all have issues and motives. Ford is a sign carrying never my President and attended the women's march and contributed to Dems. Trump published his list of supreme candidates adding Kavanaugh in November 2017. Kennedy announced his retirement June 27 2018. Ford's letter was written July 30 and we knew who Trump was considering. Dems say she submitted letter before Kavanaugh could be a nominee. I bet Kavanaugh didn't even look at her in high school. He had plenty of girlfriends and hardly needed to sexually assault anyone. Thanks [redacted]

Dr Ford falsely represented herself in senate hearing. SHE IS NOT ALLOWED TO HOLD HERSELF OUT AS PSYCHOLOGIST, AND THAT IS WHAT SHE TESTIFIED SHE WAS. "During testimony Thursday in front of Senate Judiciary Committee Christine Fords identified herself as a "research psychologist" at the Stanford School of Medicine. The issue lies with the word "psychologist," and Ford potentially misrepresenting herself and her credentials, an infraction that is taken very seriously in the psychology field as well as under California law. Under California law, as with almost every other state, in order for a person to identify publicly as a psychologist they must be licensed by the California Board of Psychology, a process that includes 3,000 hours of post-doctoral professional experience and passing two rigorous exams. To call oneself a psychologist without being licensed by a state board

is the equivalent of a law school graduate calling herself a lawyer without ever taking the bar exam. According to records, Ford is not licensed in the state of California. A recent search through the Department of Consumer Affairs License Bureau, which provides a state-run database of all licensed psychologists in California, produced no results for any variation of spelling on Ford's name. If Ford at one time had a license but it is now inactive, she would legally still be allowed to call herself a "psychologist" but forbidden from practicing psychology on patients until it was renewed. However, the database would have shown any past licenses granted to Ford, even if they were inactive."

Re-Kavanaugh-Blasey Ford investigation I received an email picture of a younger Blasey Ford with a formally dressed George Soros. Soros is openly against Pres. Trump. Blasey Ford has two "go fund me" accounts - one reported to be \$200,000 for her security and the another one for \$500,000. I don't know if you are allowed to look into who provided those funds, but if it's Soros, this all could be a set up to bring down a possible conservative, Supreme Court Judge. If you are able to verify the picture, I will fax, or send it by my phone. Sincerely,

Supposedly good men do rape, so I won't say anything gung ho in defense of someone I don't know, and, yet, who is Ford exactly? That "I believe Ford" incantation sounds a bit like people leaving their Catholic families in the 70s and 80s to join the then quite brutal Moonies. Is it possible Ford is at the front of some politically cutthroat individuals who are cloaking themselves with living concern for a rape victim or two? Ford seems to exactly beenbregressed, maybe through violent inculcating to "Speak!" She may have been told that she won't have friends anymore if she "won't accuse that man Brett you are always talking about." Somw battered particularly live flinging someone confused at someone busy. These so called movements for victim rights may actually have other agendas entirely and may care little about Ford. Also, who is she? We have no rock solid interviews about heryouth, her progression through life, her successful or not career

[redacted] before Brett Kavanaugh. Brett entered  
in 1983, he was 18, the drinking age was 19. Later in 1983, the  
drinking age was raised to 20. Brett joined the DKE fraternity, an  
organization that existed primarily to help underclassmen circumvent  
the drinking age. Thus, Im sure you will be able to verify that  
Brett Kavanaugh repeatedly broke the law over a two year period by  
drinking when he was underage. While it seems like a minor crime, a  
law was clearly broken, and repeatedly. It is important for the FBI  
to document this, since it shows a lack of respect for law. This  
information should be verified and be made available to those in the  
Senate who will decide if Brett's disrespect for the law is consistent  
with him being appointed to a federal judgeship. Also during that

location of the incident. the Debbie Ramirez accusations came to light in the new Yorker magazine. he was quoted in the new Yorker article. he has additional information he wants to provide. he spent the morning trying to write down the information. he would prefer to be contacted. there is a lot of details and he has not written everything down. he would have trouble talking about until he got the timeline right. he knows this information because in 1983, [redacted]

[redacted] saw Kavanaugh regularly. [redacted] knew Kavanaugh. In July of 2018, 07/09/2018, [redacted] was in email contact with one of Kavanaugh's roommates who eluded to bad stories about Kavanaugh. a little bit after that, a different friend of [redacted] mentioned he heard of a sexual assault instance involving Kavanaugh. [redacted] didn't do anything about that. and then, on 09/13/2018, [redacted] saw an article in the news titled "brett kavanaugh has a mysterious Me Too problem." [redacted] contacted the friend who knew something about the sexual assault incident. [redacted] forwarded the article to the friend. through series of emails, the friend, [redacted] cellular telephone number [redacted] email address [redacted] spoke of knowing of an instance their freshman year of college. [redacted] told [redacted] the name Debbie Ramirez. there are different versions of the stories. the story progressed in time as people learned about it. [redacted] lived next door to kavanaugh. [redacted] asked to start the story over again and provided the following information: There are two classmates from yale involved, [redacted] in july, not completely sure of the date, believe it was 07/17/2018, best guess through Verizon phone records. he spoke to [redacted] on 07/09/2018, 07/17/2018, and 08/13/2018. On a parallel conversation [redacted] had with [redacted] through email back and forth with [redacted] on 07/09/2018. In the 07/09/2018 email with [redacted] had to do with the possibility of kavanaugh become the supreme court nominee. at the end of the email chain, [redacted] said there were plenty of stories about kavanaugh that would be a problem. [redacted] did not have contact with [redacted] until September. [redacted] did not talk to [redacted] again until September. one of the three dates [redacted] spoke to [redacted] mentioned stories as well. guess is on 07/17/2018, in the course of the phone call, [redacted] said

he heard there was a story about kavanaugh trying to put his dick into a girls mouth at a party. [REDACTED] took no action, but thought it did not sound very good. then on 09/13/2018, at 1:07 pm. mountain time, there was an article in the news "brett kavanaugh has a mysterious me too problem" [REDACTED] emailed [REDACTED] who was the person who told [REDACTED] about the party. "I had heard some rumors about brett at yale. do you know (link for the article provided)" [REDACTED] replied back at 1:16 p.m. "I had heard from you at the time about an incident involving Debbie Ramirez, but I wasn't there." [REDACTED] replied to [REDACTED] "you heard some from me? I don't remember that. And who is remember Debbie Ramirez? I don't remember that name. Was she in Stiles?" at 10:29 pm Mountain time [REDACTED] said "I heard it from one of you guys. thought it was you. Like I said, I wasn't there. If there is anything to it, I suspect [REDACTED] would know." caller asked for [REDACTED] name to be left out of this report for now. at 10:31 p.m. [REDACTED] replied "Hmmm.... wasn't me, but I heard it from [REDACTED] via you, I think. but, who is Debbie Ramirez? was she in stiles? I have no idea." skipping a few emails. another important email - 09/14/2018, 9:36 a.m. Mountain Time, "...I wish I knew who told me the story about brett though. If true, it would easily qualify as sexual assault. even attempted rape. and it was said to have happened in one of the 1st floor common rooms in lawrence in front of 10 to 20 people. so if there's anything to it, plenty of people could come forward with it. whoever told me did so right after it happened and I believed it. if it wasn't your or [REDACTED] it may have been [REDACTED] or someone who lived with us." [REDACTED] wrote back, "Interesting." some of the other information in his possession is much more important than what he has provided so far. some of the information in his possession and someone else's possession would clearly back up some of the debbie Ramirez's claims. [REDACTED] has also been able to identify properly the location of the incident. [REDACTED] also has names of people who would be helpful for the investigation. caller said he only provided

As I watched the hearing in the US Senate where both Dr.Ford and Judge Kavanaugh gave their statements I was impressed when I noticed that the Judge kept pushing his tongue against the inside of his left cheek making a bulge on the outer side of his left cheek as he spoke. This is called speaking "tongue in cheek". The phrase is well known and means insincerity. I looked the word up on the web to be sure. The gesture was repeated through the Judge's presentation and was not an isolated gesture. No body else has mentioned taking note of this. I report this anomaly as a civic duty. It must have some meaning since I did not observe the Judge do this in any of his prior speeches or declarations.

Ms. Ford is being paid over 3/4 of Million dollars to testify against a Supreme Court nominee. I would claim that this is bribery money set forth to lie to the Senate Judiciary Committee. The attorneys claim to be working "Pro Bono". They need to be investigated as well. Who set up this account? Is this money funded by the Democratic Party to block the Republican nomination by the President? The American Bar Association has also taken part in this indirectly and needs to be questioned concerning ethics violations on the part of the attorneys.

Here's the thing: If Dr Blasey Ford is just part of a vast leftist conspiracy to torpedo Judge Kavanaugh's confirmation, and her allegations are pure fabrication, why would she place a third person at the time and place of the alleged assault? Someone who would likely side with him (the Bro Code). Why complicate the scenario? Why implicate two men? Also, is it a coincidence that every questionable reference in Kavanaugh's yearbook NORMALLY and WIDELY known (according to published reports and urban slang) as sexual innuendoes have such innocuous meanings according to Kavanaugh. Re: Kavanaugh Investigation Suggestion to question about Kavanaugh's July 2nd calendar entry that is crossed out. Suggests it was planned but then cancelled. If Kavanaugh was drinking heavily the night before it would be reasonable to assume he was hung over the next day and possibly cancelled his plans therefore crossing out the entry. Going to the beach would be something even a hung over teen could still do though, as per calendar entry on that day.

Re: Judge Brett Kavanaugh Investigation & Mark Judge's FBI Interview

I graduated from college in 1984 and I had a friend who played football for a different university, he graduated in 1985.

At one of his football reunion party 8 or so years later that included his fellow teammates, there was laughing and banter about being an "alumnus" of something. The conversation got shushed quickly and someone said don't discuss that outside of our group.

I asked my friend later what that was about, and he shared that one of the players got a woman drunk or drugged at her party and then the friend he and some of his teammates raped her. They called themselves "women's name" alumni. I do not remember the woman's name.

When the story in the NY Times broke about Judge Kavanaugh's yearbook page and I read the section of Renate alumnus, I immediately suspected that Renate Schroeder was probably raped at a party and all the boys listing themselves as Renate alumni were part of it.

What confirmed it for me was when Judge Kavanaugh in his open statement last Thursday discussed Renate, he broke down emotionally and stuttered and could barely speak. He eventually said this,

"One thing in particular we're sad about: one of our good — one of our good female friends who we would admire and went to dances with had her names used on the yearbook page with the term "alumnus." That yearbook reference was clumsily intended to show affection, and that she was one of us. But in this circus, the media's interpreted the term is related to sex. It was not

UNCLASSIFIED

UNCLASSIFIED

Re: 77N-HQ-[redacted] SubPal, 10/01/2018

b6  
b7C

related to sex. As the woman herself noted to the media on the record, she and I never had any six – sexual interaction of – at all. I’m so sorry to her for that yearbook reference. This may sound a bit trivial, given all that we are here for, but one thing I want to try to make sure – sure of in the future is my friendship with her. She was and is a great person.”

When one combines the unspoken meaning of alumnus, with the claim from Mark Judge’s former girlfriend who claimed he drugged woman and his teammates raped them, with Julie Swetnick’s affidavit claiming Mark Judge drugged and created rape trains and Judge Kavanaugh’s incomplete and misleading testimony about Renate, this seems plausible.

I share this with you since the FBI will be interviewing Mark Judge and I thought it would be helpful.

I appreciate the work you do to protect all of us.

Sincerely,

b6

Dear FBI: As you investigate the Judge Kavanaugh sexual assault  
allegation from Dr. Ford I know it is going to be a challenge when she  
can't provide you a date, a location, or even how she got to and from  
the alleged party. In her testimony before the Senate she said she  
spent much of the summer of 1982 swimming and practicing diving at a  
loacl pool. If she had been a member of a summer competitive swim  
team, or diving team, [redacted]

for weekend competitions and they were Friday night to Sunday afternoon  
msot weekends in the summer. My suggestion is to put her in a car with  
one of your female agents and have the two spend one day riding around  
her old neighborhood in Maryland. One stop should be the old swimming  
pool she was a member of. Have a detailed conversation with her about

whether she was on a competitive team and if she travelled a lot with that team on the weekends. Make every effort to have her show the agent all the "party spots" in her area of Maryland to see if her memory can be refreshed. For the life of me I have it strange that she can't remember how she got to the party or how she got home or no clue as to where the party was held. These are just some thoughts I wanted to share with you. Taking her for a ride in her area where she grew up, and went to parties, could refresh her memory. Thanks for listening, Sincerely [redacted]

Anonymous reported the following information:

11- encouraged by people to present a tip. this regards Judge Brett Kavanaugh calendar he kept. Judge Brett Kavanaugh wrote down he was going to the beach a lot during the year of the assault. crossed things out in calendar, wrote scores of games when flipping back and forth. rain outs\* in dc is typical. but he never wrote that in calendar. farmers almanac says that, that year says lots of rain. Judge Brett Kavanaugh, is going back and fixing calendar. why would go to the beach when it rained?

The kavanaugh July 1st party was the exact day that Maryland changed the drinking law from 18 to 21. For someone whose life so revolved around drinking, that would be an important day. If asked about that day, the people present might remember it better.

I believe that Dr Ford was taken advantage of someone but I don't believe it was Brett Kavanaugh. Listen to this possibility. Whoever did misconduct on Dr Ford used an alias name as of Brett Kavanaugh and I believe this Mark whoever was present at the time of the misconduct is covering up who the real offender was. I truly believe Brett Kavanaugh is fatally innocent and Thank God he kept all those calendars of his activities over the years. [REDACTED] I listened to Ms. Fords's entire testimony related to incident between Ms. Ford and Mr. Kavanaugh. There was one part that stood out to me and may be pertinent to the case, as it deals with issues related to her memory. During her testimony (if I heard correctly), Ms. Ford stated she ran into Mr. Judge at a particular Safeway a few weeks after the assault occurred. If I heard correctly, she described going in a separate entrance than her mother because she was a teen and didn't want to be embarrassed, essentially. That stuck out to me because in the 80s most grocery stores had only one entrance and exit, unlike today. What she described seemed more like stores you find today with two or more extrances. If there was a way to determine the store layout, to include entrances, at that time it may support or refute her memory. If it supported her memory it would not be an important detail; however, if it did not support her memory, than it would be a huge discrepancy in regards to the accuracy of her memory.

socializing with athletes. Indeed, athletes formed the core of Brett's social circle.

In recent days I have become deeply troubled by what has been a blatant mischaracterization by Brett himself of his drinking at Yale. When I watched Brett and his wife being interviewed on Fox News on Monday, and when I watched Brett deliver his testimony under oath to the Senate Judiciary Committee on Thursday, I cringed. For the fact is, at Yale, and I can speak to no other times, Brett was a frequent drinker, and a heavy drinker. I know, because, especially in our first two years of college, I often drank with him. On many occasions I heard Brett slur his words and saw him staggering from alcohol consumption, not all of which was beer. When Brett got drunk, he was often belligerent and aggressive. On one of the last occasions I purposely socialized with Brett, I witnessed him respond to a semi-hostile remark, not by defusing the situation, but by throwing his beer in the man's face and starting a fight that ended with one of our mutual friends in jail.

I do not believe that the heavy drinking or even loutish behavior of an 18- or even 21-year-old should condemn a person for the rest of his life. I would be a hypocrite to think so. However, I have direct and repeated knowledge about his drinking and his disposition while drunk. And I do believe that Brett's actions as a 53-year-old federal judge matter. If he lied about his past actions on national television, and more especially while speaking under oath in front of the United States Senate, I believe those lies should have consequences. It is truth that is at stake, and I believe that the ability to speak the truth, even when it does not reflect well upon oneself, is a paramount quality we seek in our nation's most powerful judges.

I can unequivocally say that in denying the possibility that he ever blacked out from drinking, and in downplaying the degree and frequency of his drinking, Brett has not told the truth.

I felt it was my civic duty to tell of my experience while drinking with Brett, and I offer this statement to the press. I have no desire

While online, [REDACTED] discovered Time Magazine or another online news service, published an article on 09/28/2018, regarding Kavanaugh's testimony.

The article claims Kavanaugh committed perjury during his testimony. On 07/21/1982, the legal drinking age in Maryland was changed from 18 to 21 years old. Kavanaugh testified he could legally drink at age 18; however, he did not turn 18 until 1983. Kavanaugh was only 17 years on in July 1982.

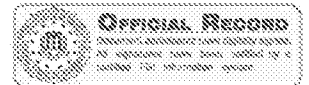

[REDACTED] also heard an interview between Senator Flin [REDACTED] is likely referring to Senator Flake) and other congressional representatives. In the interview, Flin said that if Kavanaugh made false statements during his testimony that would stop him from being confirmed to the Supreme Court.

b6

Information in the public record shows Judge Brett Kavanaugh lied  
numerous times in his September 27 confirmation hearing and is  
therefore not credible in his denial of the accusations made against  
him.

The FBI should thoroughly investigate the accusations of sexual  
misconduct made against him by Dr. Blasey Ford, Ms. Ramirez, and Ms.  
Swetnick by interviewing whoever has relevant information regarding  
these accusations, related events and facts, and whether or not Judge  
Kavanaugh lied under oath in his testimony to the Senate Judiciary  
Committee. The FBI should not be limited in who it can interview or  
what evidence it can collect in the few days remaining of this  
investigation.

[redacted]

his confirmation hearing and other times. This list (see partial list below), which includes several other related misrepresentations, was collected and given to him by a friend who wants to remain anonymous.

A Devil's Triangle is two different kinds of sexual acts, involving either a threesome, or three types of sexual intercourse with one woman in one night. It is not the drinking game he described.

"bouf," refers to anal intercourse, and not flatulence as he stated.

"Renata Alumnus" referred to him going on a date with the purported class slut, not about being her friend as he claimed. In his yearbook he refers to himself as a Renata Alumnus, portraying Renata as a cheap and sleazy date.

The Beach Week Ralph Club refers to vomiting from drinking at a traditional beach week. He lied saying it referred to his weak stomach.

Witnesses saw him watching Ford's testimony with others in the Dirksen Office Building contradicting his denial.

Kavanaugh was referred to by his college roommate and others as a sloppy, aggressive and belligerent drunk, despite his claims to the contrary.

He lied about not knowing that emails from the Democratic members of the Judiciary Committee were stolen. He admitted knowledge in emails the committee's Republicans tried to suppress.

He lied that "100 kegs or bust" did not indicate a lot of drinking in 1982-3. He was part of a group endeavoring to drink 100 kegs that year. His best friend admitted to his girlfriend a sexual assault resembling the assault on Dr. Ford.

He lied about the nature of Mark's book. He said that both it was part of his therapy and coming clean as an alcoholic and drug addict, and called the book "fictional." It can't be both a testimonial of a recovering alcoholic and fictional at the same time.

He lied when he said he was not the "Bart O'Kavanaugh" in Mark Judge's book.

His statement he never forgot anything about the night after a night of drinking is contradicted by several classmates.

*RE: Follow up to Deborah Ramirez Interview*

Dear [REDACTED]

b6  
b7C

Thank you for your team's work in today's interview of Ms. Ramirez. We appreciated their professionalism.

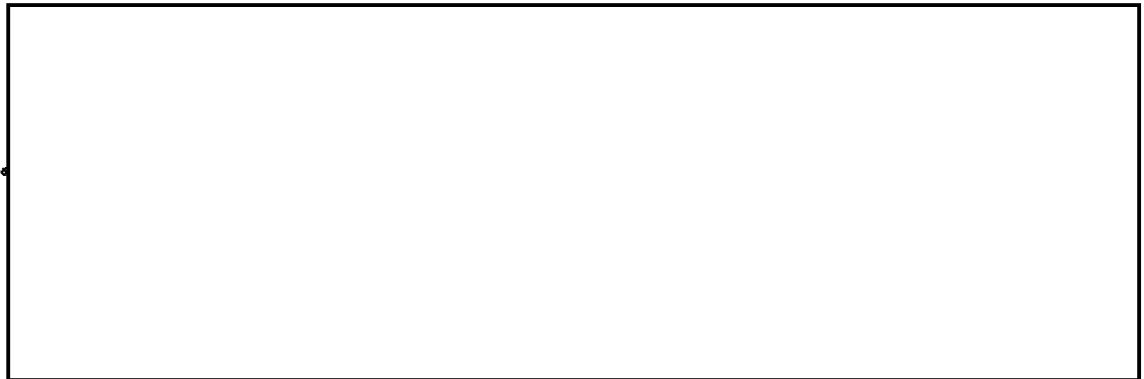

As you are aware, at our offices today we provided you with a list of witnesses and indicated that we would provide additional names as quickly as possible. This letter identifies persons we suggest the FBI contact in order to begin to investigate the information supplied today by Ms. Ramirez. Some of this information is from Ms. Ramirez directly, and some of it is from other sources including the individuals themselves.

Earlier today we identified the following individuals for your investigation:

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

b6  
b7C

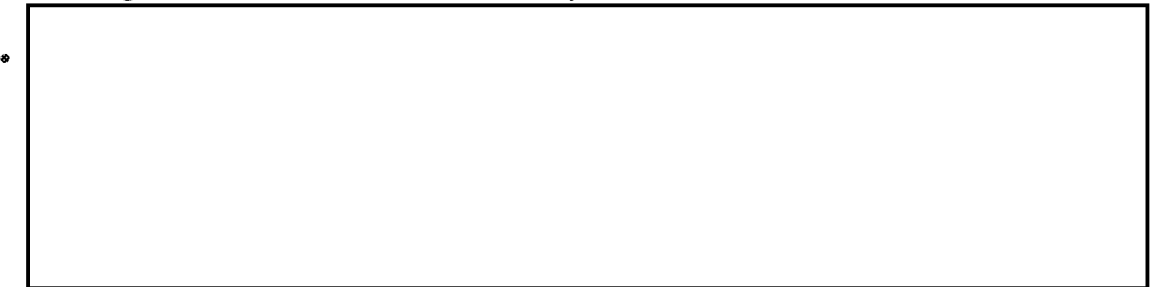

b6  
b7C

- Mark Krasberg, [REDACTED] We understand that Mr. Krasberg may have relevant information concerning what Ms. Ramirez described today and that he is willing to discuss such information with you.

b6  
b7C

b6  
b7C

- Daniel Lavan [REDACTED] We understand that Mr. Lavan may be able to give you names and contact information for some of the other leads/individuals familiar with the matters described by Ms. Ramirez and was very familiar with Judge Kavanaugh's heavy drinking and aggressive gender remarks.

- Max Stier [REDACTED] We understand that Mr. Stier has information regarding your background investigation of Judge Kavanaugh.

b6  
b7C

In addition to these persons, whose names we provided earlier today, we understand the following additional individuals may have useful information concerning the matters discussed today by Ms. Ramirez:

- Elizabeth "Liz" Swisher. Ms. Swisher was Ms. Ramirez's roommate at the time of the incident and may have information about who was hosting the party in question, among other matters including Judge Kavanaugh's general behavior and Ms. Ramirez's character.

Hopefully, during your research into Brett Kavanaugh you will  
interview the classmates on his yearbook staff to determine if Brett  
personally contributed to the events that provided the substance that  
led to the questionable material that was found in the yearbook.

[redacted] I think that Putin is going to go all in. It is important that we stop the Trump, Putin, Kavanaugh, the GOP and Mark Judge. Mark Judge and Kavanaugh tried to tape Christine Ford. Kavanaugh lied about not having ties to Yale. His grandfather went there. He lied about terms in the yearbook, his calendar, knowledge of stolen emails, being of legal drinking age, his finances, etc. He also lied about his opening statement. He had said that nobody helped him but the White House, Mike Pence, Trump and the GOP had war rooms to get him out of any trouble. They did practice mock hearings. More classmates of his are saying that Kavanaugh lied about his drinking habits and a yearbook entry. Several classmates at Yale had already told the paper about Kavanaugh's drinking, including his freshman year roommate Elizabeth Swisher. There was another classmate who corroborated what

Daniel Lavan said " I definitely saw him on multiple occasions stumbling drunk where he could not have rational thought over his actions or clear recollection of them. His depiction of himself is inaccurate." PLEASE READ and CONSIDER: I support Judge Kavanaugh and it is disheartening to see what is occurring in his hearings. There is something going that is causing Ms. Ford to go to the extent that she is to block this. When at first, I agree she came across as credible the more I think logically about this I think there is revenge in the works. As psychologist she would know how to appear as credible. It is totally unreasonable for her to not remember the location, how she got to the location she claims this happened and how she got home. It is too convenient for her to not remember 'facts' that could prove she is

lying. Did she, as a young teenager, have a crush on Brett, and she wasn't ever on his radar and is now doing a payback? This happens. Did something occur during the foreclosure procedure on her parents' home between 8/8/1996 and 2/4/1997 that caused her to feel the need for revenge? Ms. Kavanaugh ruled in her parents favor but what went on during the interim? This is too much of a coincidence that all this is happening. [redacted]

Hello, I occasionally read Breitbart to see what people with opposite views of my own think. Do you ever monitor or investigate people in online comment sections? Commenters in some of their articles seem to really have some violent fantasies and speak openly about how they would kill people and with what weaponry with detail. Also, how they would deystroy critical infrastructure in urban areas. I'm not sure if they are just playing tough guy on the Internet but the mind set is freighnting. Anyways, I am sure the FBI is quite busy and this may be disregarded but I just wanted to attach a link of a comment section

Dear FBI Investigator, The entire country is galvanized over Judge  
Cavanaugh's confirmation hearings, especially the last one held on  
Thursday September 27th, 2018. I was involved in law enforcement  
during my military career so this type of subject matter interests me.  
While watching the hearings I seen that Judge Cavanaugh's high school  
year book was used as a vehicle to smear him. I looked into Dr Fords  
high school year book starting in 1982 and found some very troubling

information concerning her own very salacious information as well as the school atmosphere which amounted to an out of control situation which the faculty seemingly allowing the abhorant behavior of excessive partying, underage drinking, keg parties etc. What is troubling is that Dr Fords social media profile has now been totally scrubbed from the internet. I emphatically believe this needs to be investigated by the FBI. Hopefully the Bureau will investigate this because I feel as though Dr Ford's back ground is highly in question and judge Cavanaugh has been setup for a smear job. Respectfully,

For the Kavanaugh/Ford investigation, I would suggest asking Dr. Ford's therapist whether any part of Dr. Ford's public testimony was New-to-the-Therapist; in other words, was any part of the public testimony something that Dr. Ford had never mentioned during therapy? I believe that this question can be answered without a waiver of privilege by Dr. Ford. If, however, Dr. Ford IS willing to waive privilege on this subject only, then I'd ask how the story changed over time from the first time Dr. Ford told about any part of the incident, to the most recent.

Per a referral from FBI Boston, an individual identified as [redacted]  
[redacted] reportedly has information concerning KAVANAUGH  
to report to the FBI. The information concerns KAVANAUGH arriving  
intoxicated at a law firm function with a younger female paralegal,  
also intoxicated. According to the complainant, the two left the party  
together and the complainant speculated KAVANAUGH may have taken  
advantage of her.

b6

This conduct was reportedly frowned upon at the firm.

[redacted] reportedly attempted to report the above information in-person  
at FBIHQ on 10/01/2018, but was informed he could not do so because HQ  
does not accept walk-in complaints.

My comment is not about suspected terrorism or criminal activity, but I didn't find a comment page on your website for non-terrorism/criminal comments. During the Kavanaugh investigation, I want to be sure that the FBI investigates his activity on July 1 1982, per this 9/27/18 article by Matthew Zeitlan, as published in Slate and subsequently by Credo Condensed: <https://slate.com/news-and-politics/2018/09/brett-kavanaughs-calendar-for-july-1-1982-go-to-timmys-for-skis-with-judge.html> Thank you for your efforts to help the Senate give us the best possible next Supreme Court judge.
