Lifting the Burdens of Falsehood & Deceit: Open Letters on 9/11 to the Attorneys General of the USA Michael B. Mukasey & Eric H. Holder, Jr. is available for download at Smashwords ebook distribution platform <https://www.smashwords.com/books/view/889310> and at most other on-line ebook retailers. Written and sent by fax broadcasts to New York and Washington in 2008 and 2009, these letters to former Attorneys General Mukasey and Holder raise many still unanswered questions about the official account of 9/11. Now these letters gain new relevance ten

years later with an introduction that exposes President Donald J. Trump, Sir Rudolph W. Giuliani, and Robert S. Mueller III, as principal actors not just in the current "Russiagate" investigations but also in the illegal removal of evidence from the 9/11 crime scene at "Ground Zero" in New York City. Trump's own words seal his fate; hear his interview in English with the German television channel N24 on 13 September 2001. Links and transcripts are provided. The Trump-Giuliani-Mueller 9/11 fraud came under the purview of President George W. Bush and his Associate White House Counsel Brett Kavanaugh, who is now Trump's nominee to fill the current vacancy on the Supreme Court of the United States. Both Bush and Kavanaugh failed to stop the criminal disposal of evidence at "Ground Zero" and encouraged the fake news narrative as a welcome pretext to put American muscle on Mesopotamian patrol. And as former Secretary of the Treasury in the George W. Bush administration, Paul O'Neill, revealed to CBS 60 Minutes in 2004, Bush had shown intent to invade Iraq at his very first National Security Council meeting in February 2001. 9/11 was a ruse to frame and blame Arabs and Muslims and thereby commence Bush's aggressive wars in the Middle East under the guise of fighting terrorism. Controlled demolitions of the World Trade Center Twin Towers and the Salomon Brothers Building (WTC7) and cybernetic telecommunications piracies (such as remote control of the attacking jets and high-tech impersonations on phones and radio) were the methods used by the real perpetrators of these heinous crimes. The 9/11 shock & awe atrocities violate international law, particularly the Nuremberg Principles. Therefore the author argues for an International 9/11 Nuremberg Tribunal because the Trump-Bush-Kavanaugh-Mueller-Giuliani conspiracy to commit fraud caused an ongoing series of unjustified, illegal and immoral wars in the Middle East which have resulted in millions of innocent victims across the globe. Confronting this praxis of evil will prevent further horizontal asymmetric escalation toward full scale war with Russia, China and Iran. Otherwise, selective prosecution of Trump, who apparently fell into a honey-trap, will shunt into oblivion the true extent of the Trump-Bush-Kavanaugh-Mueller-Giuliani conspiracy and leave these bad actors and their ilk free to create more havoc on a global scale. No gurls. Yeah, its like I think now that the head culprit likely is Biden and that he is Diane Fienstein as well (he probably ID thefted her a long time ago, as she appeared in a sorcery herself over there taking pictures with strange people in the offing, and how he does is a little beyond baffling. Because how else could someone like Paul Rand and Paul Ryan get into Congress, they are not typical student like folks and they have far too much sex appeal for men to be

anything but something akin to evil. So,if I tole you that that lady Badowski was a dead ringer for Biden in a skirt you would not understand,she calls herself the Dragon lady, but her ole man showed her,he jettisoned her assets faster then a a roadster. It was like terrifying to come into awareness and see/smell nothing but death. Hell,its a hazardous thing to be around. But, the truths are coming to the top and shockingly enough I have no more feelings for them. And someone had fantasies of playing around in my blood but the chemical in the saliva are detected to be of a devour-er. SO,I do not have the insides for this particular punishment. Not for nothing, they were people I was around, but I would never side on what ever they were doing because they were with government functions. So, until I see them personally do things contrary to what normal is, then I'll not say anything.But,this I will say they all practiced roots on the USA/CA /Mexico&the roots were backfired repeating on them through their operatives in the So Pacific. You have plenty of time to watch over these kinds of deaths,due to unscrupulous behaviors of themselves /others.look at Feinsteins eyes&Biden's eye's you'll get a def feeling they are maybe the same ind.Besides who else besides Biden and Pelosi (whom may be Philipino and not from Italy lotta Italian monsta pics about em in Italy)would stick Kavanaugh into a court seat.By working on the GOP in secret they could blame innocent GOP's or minimally make them split hairs on each other until they die from it. Govt has to learn how to maneuver Puppy Bashers w/this traveling road show at full thrust,b/c if you do not fire them quickly enough we'll have entrenched hench men of dubiously debonair smartie pants trolling daily like Biden did.He works w/723 people&he is masterful when he gets up his strength,but like I said b/f you gotta work your blood up&to dalliance w/someone in their mind they gotta eat w/you touch you get metal on you to tap w/metal they have&then they gotta get something from in your body plus a kochelear implant to get go on this- chk Medtronics specs for Echo Loc capacity.The improvisation of adding recording communications equip&other devices that allow for distributed coverage then you'll have what I was claiming was happening to myself&them whales b/c they were in addition using Echo-Technology from Australia I justa found myself down there&thought I

In the news Christine Bladey Ford claims she was pushed into a bedroom. She willingly went in and sat on the bed. Her hair dark color and long past her shoulders, blue dress ling sleeves or 3/4 sleeves. A male walked in and stood at the door, frowned at her, said no, walked back down stairs. Another male in black jeans coming up stairwell and suspected Kavanaugh walking down and told this other male, I don't want her. Other male may have turned her down too. she sits on the bed crunching her dress saying They don't want me, they think they're better than me. Four men were sitting in the living room, large couch and two single couch and a coffee table, no one is intoxicated talking of future plans. Female is in living room may be standing with glass of water, one or two beers in glasses on coffee table still not half empty. Still no one is drunk or intoxicated and everyone is cordial and polite. She is suspected embarrassed because these four men do not want to intercourse with her. Not their kind, religion maybe or sexually not attractive. So I suspect Bladey Ford is lying. Test

In the news Christine Bladey Ford claims she was pushed into a bedroom. She willingly went in and sat on the bed. Her hair dark color and long past her shoulders, blue dress ling sleeves or 3/4 sleeves. A male walked in and stood at the door, frowned at her, said no, walked back down stairs. Another male in black jeans coming up stairwell and suspected Kavanaugh walking down and told this other male, I don't want her. Other male may have turned her down too. she sits on the bed crunching her dress saying They don't want me, they think they're better than me. Four men were sitting in the living room, large couch and two single couch and a coffee table, no one is intoxicated talking of future plans. Female is in living room may be standing with glass of water, one or two beers in glasses on coffee table still not half empty. Still no one is drunk or intoxicated and everyone is cordial and polite. She is suspected embarrassed because these four men do not

Bare with me for a moment though. I have great respect for the men and women of the FBI and I believe that you all are professionals who are good at your jobs. That being said, I feel the need to mention this because sometimes the obvious can be overlooked. Judge Kavanaugh said that the party at which he is alleged to have assaulted Dr. Ford took place on a weekend because people worked. I would like to point out that teenager's summer jobs actually often are not Monday through Friday 9 to 5 type jobs. However, parents jobs usually are Monday thru Friday 9-5 jobs wether it's summer or not. Dr Ford has said there were no parents at the home. Wouldn't one of the best times for teenagers to drink beer at a home be when parents are at work? Aren't parents actually more likely to be home on weekends? Thank you very much for taking the time to read this. I don't know that it will help or really go anywhere. If it wasn't clear, I have no direct knowledge or Dr Ford or Judge Kavanaugh. Respectfully, [redacted]

While the Justice Department has helped work on previous Supreme Court nominations, department lawyers in Washington typically carry out that task, not prosecutors who pursue criminal investigations nationwide.

Then there's [redacted] who played college ball at the University of Kansas. My grandfather was from Kansas. He was a Manhattan, Kansas State University graduate. He was an engineer. I want to go back there and be a farmer again but I need money first. I've been moonbeamed for decades and it wasn't very helpful. I was lucky to be focused enough to stick to academics but my social life was nonexistent. We have freedom of assembly constitutional problems here and they're really bad. There are people doing conspiracy on me and it seems to come from British Jewish Indian stuff. It's foreign or recent immigrant stuff. Those people seem to want to create a conspiracy problem for me which they have already done. Some poor Indian who wants to make his family rich back in India could kill me for conspiracy reasons. I'm paranoid about those people.

reflect&consider throughout their lives w/their supervisors if it was ever relevant then they will have the messages.The offspring shall as well if they sense hear it w/o hearing aids.If there father ever said it or meant it for them to have it will have his signature on it. The big news, is today,after considering everything &the way the American males have been cast as outsiders by outsiders,I think the shock of foreigners has to be eliminated.So,I shock them first to give us a chance to get go.There are buildings&structures being inserted into history&they must not be ever built,so I am busy thinking how that was done to nuke that feat right on outta here.Redither Planet surface areas.Besides found pay dirt on everybody do in it. So,now they in shock they do not get born is they are breed for other grps or cloned or invitro.So,there is a silver lining here.The British are quiet ugly over jewels&the cohort group too big,at least 130k&the crime happened like over 100s of yrs nobody knows who is who's stuff,arguments prevail.I think I'll make diversion soon,to lock them outta tourin here,the bad thing is Sharia will be invoked ceaselessly&warfare sure to break out if these guys are determined to cause plenty trouble b/f they approach a court.Safe to say if the guy been w/three gurls w/baby by he,is a Muslim somehow. Please make sure the Kavanaght chick is Christian boned,¬ Christian blooded b/c eating Christian food is not normal to Muslims,this means they definitely troubling enough to use Treason to kill Court Rooms Judges,Law Enforcement&all others they feel threaten them,so don't say nothing&don't do nothing,these guys gotta do their own works.Besides all the culprits they family&they might even be the slaves themselves mass multiply to save their personal real asset,the one they sit on,the throne.Kavanagh may have 2 attacks-cogitative. Now, I see you may not believe it but this is another Original Sin kind of thing.The Taboo Management group of Iran feels that nobody is understanding the stresses of the bad women&that they are hampering their efforts to contain themselves to get out thoughts enough to tell us what is going on,so they need time to move out of shock&stress&to gather themselves up to deal w/the Sharia. Besides,there were prison breaks many ears ago&these guys have been busy,indeed.They thought the Koran for the non-scholars level meant they could actually have women for sex&then they found out what will

Kavanaugh Supreme Court hearing is one of the most important and highest profile events in US/World history! Recently, Linda Sarsour delivered a speech at the National Islamic Conference in Chicago and called for "JIHAD" against the US and the Trump administration. She attended the Supreme Court nominee hearing this week and was forcibly removed by the DC police. I believe there is a thought in this lunatics brain to make an Islamic Terrorist Statement on the anniversary of 9/11 to further their cause to take over our country! Please bring in high tech detection equipment to scan EVERYONE for C4 and other chemical agents on their persons, signs and phones etc. This

In the news Christine Blasely Ford claims she was pushed into a bedroom. She willingly went in and sat on the bed. Her hair dark color and long past her shoulders, blue dress ling sleeves or 3/4 sleeves. A male walked in and stood at the door, frowned at her, said no, walked back down stairs. Another male in black jeans coming up stairwell and suspected Kavanaugh walking down and told this other male, I don't want her. Other male may have turned her down too. she sits on the bed crunching her dress saying They don't want me, they think they're better than me. Four men were sitting in the living room, large couch and two single couch and a coffee table, no one is intoxicated talking of future plans. Female is in living room may be standing with glass of water, one or two beers in glasses on coffee table still not half empty. Still no one is drunk or intoxicated and everyone is cordial and polite. She is suspected embarrassed because these four men do not

Oh, I get it. "The Americans" is a television show about Russian spies. So those likely drug mules on the MARC to Fort Detrick harassing civilian DoD employees, they're actually trying to suggest that they spy for more than what is a redneck gang employed by a transnational criminal organization. I don't watch much TV. A lot of what people who don't read or stay off drugs say doesn't make any sense to me. People who appear on TV also seem to have a lot of difficulty figuring out the truth. So this Kavanaugh allegation is

upsetting. Montgomery County just raped me. When I got to Marin County, Barbara Boxer was suddenly saying in the national press that military servicemembers are rapists and that she doesn't want them walking around in HER community. It's tough not to take that personally when I had just arrived and started walking around in her community. She had since moved. I had sent letters of concern to Nancy Pelosi describing abuse by Lockheed Martin. I now understand that Lockheed is based in Bethesda, an ally's district in her home state. I never got any assistance there. Maybe I got orders against my wishes into the AEGIS program in the first place because of ties to the Democratic Party. AEGIS was nowhere on my list to the detailer and I had class standing to choose my assignment. Maybe they figured everybody who's a Democrat will be cool with corruption working for the program that sends pork to the blue states. I have to read the woman's statements very carefully, because she is in a profession that, in California, is associated with corruption, the reason for Scientology's being, could defeat a lie detector test, the mental health board in Santa Clara County... I got a call from a man identifying himself as the director of the Santa Clara County Mental Health Board when looking for a job from my apartment at John Calella's compound. That same week [redacted] could be heard beligerently shouting, "None of us here believes you know the first thing about software engineering," as my accounts were hacked surrounded by hookers. I do not have a good impression of the Santa Clara Mental Health Board. Maybe Diane Feinstein does. She was also friendly with Jim Jones. Taken together that's not evidence of conspiracy. Just shitty human beings whose activities should be aborted.

Also about 6 weeks back I was receiving death threats and look from my

week I noticed that the top layer of windows in the building have been
shot out or knocked out with rigid glass still in place in pieces
either to keep me safe or to allow snipers a clearer shot without
being seen. If the Feds haven't heard about this I find it pathetic
and am going to use every resource from one the top journalism schools
in the country of which I attended and other media figures to get this
story out because thru my submissions you still let this little hacker

And they have had these and used them for entrapment for 4 years and recently let one case out as they found out I figured it out just to re entrap [redacted] again probably thru the use of psychological weapons. Or more. His mother called me upset and you let these local schmucks use this to make money via illegal arrests and chipping people to get their assets here then disposing of them. This is not the federal government and if it is. WikiLeaks just took a back seat to me because all the intel I have gathered and these idiots thought after telling me I wouldn't piece together just became bigger than Kavanaugh headlines. [redacted] is the federal help line well I've left recordings and still no agent anywhere to stop these terrorists from ripping apart people. Their families and more importantly a very nice growing city.

In the news Christine Blasely Ford claims she was pushed into a bedroom. She willingly went in and sat on the bed. Her hair dark color and long past her shoulders, blue dress ling sleeves or 3/4 sleeves. A male walked in and stood at the door,frowned at her, said no,walked back down stairs. Another male in black jeans coming up stairwell and suspected Kavanaugh walking down and told this other male, I don't want her. Other male may have turned her down too.she sits on the bed crunching her dress saying They don't want me,they think they're better than me. Four men were sitting in the living room, large couch and two single couch and a coffee table,no on is intoxicated talking of future plans. Female is in living room may be standing with glass of water,one or two beers in glasses on coffee table still not half empty. Still no one is drunk or intoxicated and everyone is cordial and polite. She is suspected embarrassed because these four men do not want to intercourse with her. Not their kind,religion maybe or sexually not attractive. So I suspect Bladey Ford is lying. Test

NO gurls. What if Kavanaugh represents unacceptable risk - tobacco as to religion to a sexual part of Monic Lewinski, did predispose genocidal that he could lose his job & the this nomination! I never knew why Kenneth Star's career stalled like it did, but it did. The fact is, just between these careful notations of observations, I wondered if Trump ideally, b/c a grave robbing entrepreneurial aspect of many future business deals. Of course, Trump's way is not by necessity an American way, it is something a little different. For instance, a large robust Black Chinese man has roamed through the planet & alit on South Africa. He killed 15 farmers who had 168 million acres of farmland producing 60% of South Africa foods. How did he & Zimbabwe have anything to do w/ South Africa, they allowed people to kill farmers & not pay for the land & they put their people on it representing overthrow. Now, the whites of South Africa were over-extended & doing business in America taking pensioned positions & allowing themselves to keep their pensions at home. They were white & they were black they took lands & never paid for them. Theory Communists were breeding/practicing w/ ancestors who delivered them to the dead. These are careful thoughts, but they are not relating incidences or inferences to others behaviors, just thoughtful approach to diplomacy in dealings which fairly & respectfully allow continuance w/ others whom we may yet have had the time to reflect on. Time is coming in 7 more years to learn the proper restraint & acquaint ourselves w/ the appropriate postures once again, going back to the traditional ways that prevent these kinds of challenges. These are not connotes that can be re-cycled - they must be found w/ the proper severity & penalties to assure that Allies understand these regrettable circumstances must be relinquished, for fresher/safer approaches to continuance (to achieve the same tasks w/ expected outcomes. Please be on guard w/ the New Commander for the Mid-East, he took a swipe from South Pacific buy-ins (people whom are related to folks w/ in those

domains came flying out like bats out of hell right underneath his right chin. So, he needs many updates & documents reinforcing that these are threats & that he has to know who is in foul territory in name, deed, or assignment. Besides, he was not in forward positioning, he was on his to it, so can someone see if someone is strategically backing him away from the correct placement of his job function. In a wicked way, Trump may own swatches or swaths of lands all over the planet, it is important to watch / be careful to see why he has these properties & the locals be so reticent & silent. So, I endeavor to watch, as always, but think the place is rigged. So, diffusing w/o confusion & unnecessary incidents is required. Trump does this stuff deftly w/o warning & w/o fanfare. I saw warning! Said don't discuss Troop movements. Okay. Does this mean this stuff gotta stop? Anyway please pre-digest for content. <https://www.eva.mpg.de/press/news/2018-08-22-10795-ancient-encounters.ht>

Also about 6 weeks back I was receiving death threats and look from my balcony to the top of the new panorama building and see some standing at the edge of very top seemingly tryin to sling a rifle over his shoulder either to get rid of me or intimidate me. And now this past week I noticed that the top layer of windows in the building have been shot out or knocked out with rigid glass still in place in pieces either to keep me safe or to allow snipers a clearer shot without being seen. If the Feds haven't heard about this I find it pathetic and am going to use every resource from one the top journalism schools in the country of which I attended and other media figures to get this story out because thru my submissions you still let this little hacker [redacted] etc run around doing the pure definition of domestic terrorism and won't listen nor send help to the one who is constantly being threaten and stolen from. I can't even communicate

with anyone other than my mother who is scared to death. And they have had these and used them for entrapment for 4 years and recently let one case out as they found out I figured it out just to re entrap [redacted] again probably thru the use of psychological weapons. Or more. His mother called me upset and you let these local schmucks use this to make money via illegal arrests and chipping people to get their assets here then disposing of them. This is not the federal government and if it is. WikiLeaks just took a back seat to me because all the intel I have gathered and these idiots thought after telling me I wouldn't piece together just became bigger than Kavanaugh headlines. [redacted] is the federal help line well I've left recordings and still no agent anywhere to stop these terrorists from ripping apart people. Their families and more importantly a very nice growing city.

Hi - I've heard about a possible sexual assault in Maryland in 1982 - two 17 year olds assaulting a 15 year old at a small party. Is this possibly within the jurisdiction of the FBI to investigate? The individuals in question - Mark Judge, Brett Kavanaugh, and Christine Blasey Ford - are on television right now. In all seriousness - as a citizen, I respect the FBI's work and am grateful for it. I request that Director Wray please open an investigation into these matters relating to the confirmation of Judge Brett Kavanaugh and allegations of sexual assault that have been directed against him, if it is in his power. Thank you for your consideration of this request.

Regarding the Brett Kavanaugh investigation. During the hearing when the female Senator who's father was an alcoholic, asked Kavanaugh if he had ever drank to excess where he had a partial memory loss or a black out, his actual response was " I don't know senator, how about you ". Then she said i'll take that as a no answer. My point is is that was inconsistent with his previous denials on this question, therefore he was lying all the other times he denied, denied and denied. I'm surprised you or the media hasn't zoomed in on that response. We all certainly know how many times he said the word beer. I also feel that since the first 4 days the FBI's scope into the investigation has been very limited yet Trump now says the FBI can interview who they think is necessary to get to the truth, that the investigation should be extended 4 days now that they have the go ahead if indeed trump has put that in writing to make it official. So far the news reports say the FBI has NOT received any new instruction to do so. Thank You...

little-delay-itll-take-a-little-delay/23530231/ Kavanaugh arrived at the White House just after 10 a.m. Monday morning, and was still there as of early afternoon. A source close to the process told NBC News that White House counsel Don McGahn wants Kavanaugh to fight, suggesting that he will not imminently withdraw his nomination. The lawyer for Ford, 51, said in an interview on NBC's "Today" that Ford was willing to publicly testify about the experience. Ford is "willing to do whatever it takes," said her attorney, Debra Katz. Ford revealed her identity in an article published online Sunday in The Washington Post. Trump said he hadn't spoken to Kavanaugh, but praised the nominee as "one of the great intellects and one of the finest people." "I wish the Democrats could have done this a lot sooner," Trump said of the revelation of the charge, which Sen. Dianne Feinstein, D-Calif., passed on to the FBI last week. "But with all of that being said we want to go through the process." Kavanaugh said Monday he was willing to testify publicly in response to the allegation. "This is a completely false allegation. I have never done anything like what the accuser describes - to her or to anyone," Kavanaugh said in a statement released by the White House. "Because this never happened, I had no idea who was making this accusation until she identified herself yesterday. "I am willing to talk to the Senate Judiciary Committee in any way the Committee deems appropriate to refute this false allegation, from 36 years ago, and defend my integrity." The committee's chairman, Sen. Chuck Grassley, R-Iowa, said in a statement Monday that Ford "deserves to be heard," but did not say whether he will call her and Kavanaugh before the committee to testify. For now, Grassley said that he's in the process of setting up follow-up phone calls with each of them, complaining again about the timing of the news. "Unfortunately, committee Republicans have only known this person's identity from news reports for less than 24 hours and known about her allegations for less than a week. Senator Feinstein, on the other hand, has had this information for many weeks and deprived her colleagues of the information necessary to do our jobs," Grassley said. Sen. Orrin Hatch, R-Utah, told NBC News outside his Capitol Hill office Monday that Ford is "mixed up," and called Kavanaugh "honest" and "straightforward." The senator's aide said that Hatch had just

Kavanaugh could very well say under oath that this incident never happened. However, he was a member (according to his senior yearbook in h.s.) of the "100 keg club", meaning he would have to consume 100 kegs of beer during his senior year. This is heavy drinking, by any standard. When people drink heavily, it is common to experience "blackouts", which is a kind of temporary amnesia. It is very

possible, if not probable, that he suffered a blackout at the party & simply has no memory of that time. Does not necessarily mean he is an alcoholic, but that is not the issue anyway. I have not heard on TV news anything about this phenomenon, which is very common to heavy drinkers. I think it is a pertinent issue & would like to contact someone in Washington with this factor.FYI [redacted]

[redacted] As background info, the above could be a significant factor. I have also sent a copy of this to Senator Dick Durbin, [redacted] I think the info about blackouts would be helpful to the Senate in making decisions about finding the truth. [redacted]

To be brief for now, it is unbelievable that someone or anyone can make a totally false accusation against a very honorable Judge with decades of public service and almost destroy his career and reputation, let alone without testifying... (or any other honorable public servant). I believe the allegations against Judge Kavanaugh are false and fraudulent and is a desperate long planned conspiracy involving DEMS and others... to derail the nomination (political hit job/smear) using an unprovable allegation... (This took a while because I was watching interesting TV for past few hours & kept stopping this tip -- should have done this tomorrow instead)

is likely still alive and may recollect more fully than I. I recall hearing Ford's name spoken and seeing her in the room where and soon before she was assaulted. I also recall Kavanaugh's face and hearing his name attached to his face. I think I left the room to use the bathroom and was walking down the hall when I was told a woman is being assaulted. I think we opened the locked upstairs room (or tried to) using the bobby pin trick. We called the police. I saw Kavanaugh race down the stairs and out of the house. I think we tried to file a police report upon the incident. Inside the house where the party was held I heard a person say Kavanaugh has done that before [sexual assault/rape]. I don't yet recollect the entire party event perfectly but I will swear that I saw Christine Blasey Ford (she has a distinctive face I recognize) and Brett Kavanaugh at a Palo Alto party in the early 80's and that we tried to get Ford to make a police report upon the assault which was an attempted rape charge against Kavanaugh. Someone at the party said Brett Kavanaugh has attempted and/or committed rape before. Although Wikipedia dates the assault in 1982 I think it may have occurred in the summer of 1983. This is because I think I spoke to someone at the party about my Ultra Deep Dive and that could not have occurred in 1982. I saw Brett Kavanaugh inside the Austin, TX bar around March 10, 2015. He was talking to Donald Trump. Trump had asked him something which led him to say: yeah, I've raped. After hearing that Trump offered him a place on his team. Sometime later Kavanaugh said he wanted the Supreme Court Justice appointment. I was unable to discern all of the conversation between Trump and Kavanaugh. I think I heard a person in the bar on the same night say Kavanaugh's going to need an alibi. I am currently and repeatedly being harmed by wireless radiation especially energy which is being emitted from the man who lives in the apartment above mine. The energy can keep me from remembering past events clearly. The energy has and continues to cause my brain injury: migraine with aura, soreness, tiredness, damage to neurons. Please refer to 80 page document I mailed in mid July 2018 for details upon connections to

Pls investigate the alleged attempted rape of Professor Ford by Kavanaugh, the Supreme Court nominee. You and I know this committee is frothing at the mouth to rip this woman apart defending their candidate. She passed a lie detector test - let's see Kavanaugh take one to prove his innocence. I believe Ms Ford. She has proof that she saw a therapist and told her about the attempted rape because it

bothered her so much. I firmly believe this happened and there should be a fair hearing. Without an investigation by the FBI, it will be reduced to just a he said, she said! They refuse to entertain having witnesses at the hearing. So 12 old men will listen to this woman and then take the vote and pass this totally unqualified perjurer and possible liar on the Supreme Court. Just disgusting!

according to his h.s. yearbook, which meant that he had consumed over 100 kegs of beer during his senior year. I thought that this was important for the following reason. Kavanaugh could very well say under oath that this incident with his accuser never happened as apparently he had been drinking heavily & may well have suffered a "blackout." This is heavy drinking, by any standard. When people drink heavily, it is common to experience "blackouts", which is a kind of temporary amnesia. It is very possible, if not probable, that he suffered a blackout at the party & simply has no memory of that time. Does not necessarily mean he is an alcoholic, but that is not the issue anyway. But it could explain why both Kavanaugh & the accuser could be telling the truth. I have not heard on TV news anything about this phenomenon, which is very common to heavy drinkers. I think it is a pertinent issue & would like you to use this information as you see fit. I have contacted Senator Durbin of IL, news sources, etc., but have little faith, because these offices are so overwhelmed with emails & phone calls during this time, that the info I have may not reach them in time. My interest in this is only for the truth to be known in this investigation. I trust this information will be helpful.

NBC news. I learned this morning, as I listened to the news, that

Kavanaugh was, during his high school years, a member of the "100 keg

club", according to his h.s. yearbook, which meant that he had

consumed over 100 kegs of beer during his senior year. I thought that

this was important for the following reason. Kavanaugh could very well

say under oath that this incident with his accuser never happened as

apparently he had been drinking heavily & may well have suffered a

"blackout." This is heavy drinking, by any standard. When people

Sir I am concerned about the Supreme Court nominee Brett Kavanaugh. I currently have an active case with the Special Council regarding a pedophile human trafficking organized crime organization and the Judge presents the same way using their license plates to identify with the crimes they commit. Dear Sirs: I am writing regarding Prof. Blasey Ford, who is a potential Senate witness in the Kavanaugh confirmation hearing. Apparently, an individual has repeatedly tweeted her address and phone numbers on Twitter (and only got one 12 hour suspension) so that others could harass and threaten her. I understand that she's received death threats because of her prospective testimony. Here's

My feeling is that she is attempting to capture the function through the Katz family. Which for some unknown reason is attempting to convince me that I am fat over weight for at least the last 15 yrs on a every other day basis. They have sent get rich quick schemes, weight loss schemes, and the emails only have a very short address which used to come from out of the country. Yes, there is something about her lawyer she might be the wickedest thing you'll ever experience. Everything they touch is likely to die to expire. 456 alumni in my college w/last-name Katz, what the heck is going on, there are never supposed to be foreigners in the NYS I&LR School b/c its highly confidential private intellectual matter that must not be disclosed to strangers. When I attended [redacted] the I&LR man's exact replica was the Student Dean at the Law School-but I recognized him as a Silv. There are too many of them, & considering there were no Jews or Jewish people before the time I graduated, I think the Kavanaugh scenario is probably the cause, not only sis they report twelve dead Jew women on campus, but they were doing this regularly with such steallar grades that .01 percentage point on their GPA was enough to make them jump to their death at night where nobody could see them&be found at the crack of dawn by the whole campus on the way down the hill to class. Gross. You can see the reports everywhere, I'm not saying that there may not have been any deaths-the dates, I sure did not see ambulances, things of that nature. I think its kinda of funny, I can't place him w/the Mongols anymore (they are too much trouble), since that relationship dissapated. So, I had to run my thoughts back into E Euro such a variety there, I decided to wait until we get a better fell for who his is. My sense is that he has other babies when he was under age&the girl he attacked/impregnated in NY, Queens, b/f he got a fresher start in MD, is that the family returned home. He is fond of his kids, so he might be a bit perturbed. But, on the skinny, he worse then Manaforte in trouble he dah one w/all the girl friend witches&what not gassed up to steal Americas' wealth as soon as possible, butta I don't wish to ramp up his game gearin witchland b/c he has no love. My feeling is that she is attempting to capture the function through the Katz family. Which for some unknown reason is attempting to convince me that I am fat over weight for at least the last 15 yrs on a every other day basis. They have sent get rich quick schemes, weight loss schemes, and the emails only have a very short address which used to come from out of the country. Yes, there is something about her lawyer she might be the wickedest thing you'll ever experience. Everything they touch is likely to die to expire. 456 alumni in my college w/last-name Katz, what the heck is going on, there are never supposed to be foreigners in the NYS I&LR School b/c its highly confidential private intellectual matter that must not be disclosed to strangers. This grp is a stranger, not only that [redacted] in advertantly allowed bail jumpers seeking refuge from some country in E Euro to get into employ in the college&they have been holed up there ever since. When I attended [redacted] the I&LR man's exact replica was the Student Dean at the Law School-but I recognized him as a Silv. There are too many of them, & considering there were no Jews or Jewish people before the time I graduated, I think the Kavanaugh scenario is probably the cause, not only sis they report twelve dead Jew women on campus, but they were doing this regularly with such steallar grades that .01 percentage point on their GPA was enough to make them jump to their death at night where nobody could see them&be found at the crack of dawn by the whole campus on the way down the hill to class. Gross. You can see the reports everywhere, I'm not saying that there may not have been any deaths-the dates, I sure did not see ambulances, things of that nature. I think its kinda of funny, I can't place him w/the Mongols anymore (they are too much trouble), since that relationship dissapated. So, I had to run my thoughts back into E Euro such a variety there, I decided to wait until we get a better fell for who his is. My sense is that he has other babies when he was under age&the girl he attacked/impregnated in NY, Queens, b/f he got a fresher start in MD, is that the family returned home. He is fond of his kids, so he might be a bit perturbed. But, on the skinny, he worse then Manaforte in trouble he dah one w/all the girl friend witches&what not gassed up to steal Americas' wealth as soon as possible, butta I don't wish to ramp up his game gearin witchland b/c he has no love. Greetings. I would like to refer a complaint regarding (1) FBI indifference or possible negligence in reference to the well-known association of Senator Dianne Feinstein with her Chinese driver before and while the senator was chairperson of the Senate Intelligence Committee (2009-2015); (2) Senator Feinstein's own negligence, recklessness and failure to vet her personal staff including the driver who was subsequently dismissed. The failures are starkly

reminiscent of those associated with former New York Senator Hillary Clinton who was reckless in her use of insecure electronic devices and methods to communicate both private and government information with various persons and agencies. Hillary was basically given a "bye" and not prosecuted for espionage. In Senator Feinstein's case you have a rich environment for espionage, an ideal situation for a spy agency to exploit, and yet the potential was not appreciated at the time of hiring? Most neutral observers are convinced, unfortunately, that the management of the FBI is prejudiced against our current president Donald Trump, and that in the past and even now retains a bias against conservatives and those who oppose metaphorical shredding of our nation's founding principles. Of course, much of this concern is irrational, but perhaps much of it is well-founded as well. Be that as it may, as a resident of the [redacted] as a [redacted] [redacted] and as a [redacted] who recalls so succinctly President Kennedy's call to our nation - "Ask not what your country can do for you, but what you can do for your country," I ask why it seems the FBI stood back from Senator Feinstein's conduct as Senator then and seems to do so now as she unfurls a last-minute decades-old allegation by a left-wing activist. Judge Kavanaugh is a high-profile political target. He is white. He is male. He is Republican. He is a conservative. He is a Christian. He is a Trump associate. He is about to be confirmed to the Supreme Court IF no obstruction blocks his path. In today's terribly-unfair social environment of ignoring what we want and focusing on what we want, we often skip over relevant facts and make decisions in error. To avoid this, I thus encourage the FBI to review its processes and handling of Senator Feinstein's two issues - that of her Chinese driver and today that of her surprise support of a nebulous allegation, to determine her motives and possible reckless disregard for the security of our nation and the processes of choosing justices of the United States Supreme Court. Also, what kind of vetting does the FBI do for Connecticut US Senate senators' staff hiring? I look forward to your kind reply to this genuine concern. Sincerely, [redacted]

Re: 77N-HQ-[redacted]-SubPal, 10/02/2018

A criminal process took place on television in direct violation of the Constitution of the U.S. Although Congress states it is not a criminal trial, it was a criminal procedure enacted by Senator Diane Feinstein to which a federal judge with an impeccable record has been shamed, deemed a sex predator, and had his 5th, 6th, 7th, and 9th amendment rights violation. "This is a clear violation of the Constitution." This reminds [redacted] of the McCarthy era when people were falsely accused of communism and became unable to find work.

The justice system is not for an accusation, rumor, or innuendo. Justice is supposed to be based on facts and corroborating evidence. Witnesses on 09/30/2018 had a blatant disrespect for the law and people's rights. Had the case been brought before any prosecutor, regardless of the time period, no prosecutor would have indicted on unsubstantiated facts.

The judge was not given any right, or even read his Miranda rights, and there was no review to determine if an investigation was appropriate.

"What was witnessed on September 30th should be an outrage to every American that a media frenzy can convict an American." There is a blatant disregard for the law.

[redacted] is filing a suit to ensure the Constitution is still a legal document.

I think I'm going to be okay somewhere around here. There's an almost avoidable gang presence around this hotel, but there are people in the community to meet. I read that Brett Kavanaugh's [redacted] [redacted] This is a - it's a drain the swamp moment - even if it isn't their fault that family has been perched up there just begging to get corrupted. I can't genuinely cast aspersions about

the accuser in public but so many teenage prostitutes moved through my community that there probably isn't an elite teenager or state legislator in [redacted] without an exposure to some horrible thing that a prostitute is set up to know something about. It's an accusation that a minor teenager she later believes to have been Brett Kavanaugh, got drunk, tackled her, might have even touched her boob, and then got into a wrestling match with another boy and left. This was so traumatizing that it affected her relationships with men for years. She thought that a federal judge who might challenge abortion laws based on an unconstitutional legal premise might actually have intended to rape her. And it's because of this that she wasn't able to go to a first rate school for prostitutes like UC Berkeley. Now the FBI should investigate before she testifies before the senate. If children actually did get drunk and behave badly, the crime was committed by their parents. This woman is a practicing psychologist in California and trains others at a small private university. She took a lie detector test and believes the FBI should investigate. It is September, domestic violence awareness month and the beginning of the university school year, young people away from their parents, October and the midterm elections are coming. Reading from a phone book into the congressional record is what the GOP used to do. If another person does it for you, is it libel? These are matters for a judge, not the FBI. Would I want to live in [redacted] anymore? No that's in [redacted] Why is there so much prostitution and corruption in Maryland? One thing this woman is channeling is a resentment about the way that Washington insiders treated people prior to the expansion of employment and all of those really good George W Bush hires. I remember how people behaved around M street in the Clinton Era, and the resumption of that in the middle Obama years. They are exclusive because they have vices that are illegal. They lead public lives, so you aren't allowed them whoring and using blow. So they're necessarily mean and abusive to outsiders who they don't want around, and that is the hated negative elitist attitude exemplified in 100 teen exploitation films from the 1980s starring Bill Murray. It doesn't matter what this creepy hooker from California does, heroes play nasty pranks on mean elitists, even in the Police Academy films. That's how

Title 18 â€° Part I â€° Chapter 41 â€° Â§ 875(c) appears to have been violated in the matter of Dr. Christine Blasey Ford due to her name having become public in association with her allegations against SCOTUS nominee Brett Kavanaugh. /her attorneys have noted email/social media have been hacked. Any mail, phone calls or emails/social media that have included threats that come from outside California (where she lives and works) makes the matter a federal case the FBI is authorized to and should investigate. IOW the claims of the White House and Senate Republicans including Judiciary Committee Chair Senator Grassley that the FBI has no reason and/or jurisdiction to investigate Dr. Ford as she and her attorney's have publicly asked for is bogus. The FBI in the course of investigating the threats will undoubtedly see they relate to her statement about her attempted rape by Judge Kavanaugh. In addition, since Dr. Ford has been publicly named as a witness the Senate Judiciary Committee wants to hear testimony from this coming Monday witness tampering is another crime in addition to the death threats and computer crimes under federal statutes the FBI has jurisdiction to investigate whether the WH and the GOP want them to or not. [redacted] I, like you have raised my right hand and sworn to support and defend the Constitution of the United States against all enemies, foreign and domestic. Federal crimes have been committed against Dr. Ford relating to her allegations in a very public matter. I implore the FBI to follow its mission and fulfill its duty in this matter.
