I understand the following emails where sent to Brett Kavanaugh and his wife. After reading on Fox the following: "Please tell your rapist, lying, cheating, corrupt b---h of a husband to put a bullet in his ugly f-----g skull," one email read. "My condolences to you for being married to a rapist. Although you probably deserve it." Another email, with the subject line, "Did your know your husband is a

rapist?????" stated: "Hey b---h, did you know your husband was a rapist before you married him? F--k you and your f-----g family." A third email, typed entirely in capital letters, read, "F--K YOU AND YOUR RAPIST HUSBAND." "F--K YOU, RAPE ENABLING C--T. YOUR HUSBAND IS A LIAR, THIEF, RAPIST AND PROBABLY A PEDOPHILE. BURN IN HELL YOU WORTHLESS F-----G C--T," the email stated. "MAY YOU, YOUR HUSBAND AND YOUR KIDS BURN IN HELL YOU F-----G PIECES OF TRASH. EAAAAATTTTT S-----T!!!!!!!!!!!!" These threats sound exactly like something [redacted] would write, and do. Her Twitter web link is: [https://twitter.com/\[redacted\]](https://twitter.com/[redacted]) She lives on the Oregon /Washington border. Two years ago, she had it out with a Trump supporter over a sign in his yard in which she had to go to court over. She says very vulgar words all the time. She knows now not to Tweet these things because she has to stay under the radar. She continues to tweet hateful remarks about anyone who is not Liberal like her. I hope that you investigate Tara for these emails sent to Judge and Mrs. Kavanaugh.

President Trump's nominee to the Supreme Court, has received a host of vulgar threats since DIANE FINESTINE orchestrated the release info of a California professor accusing him of sexual assault. The volume of threats Ashley Estes Kavanaugh, a town manager in a Maryland suburb, has received has risen this week, a senior Trump administration official told the Washington Examiner. No gurls.This is a tip of a scenario that has been developing for a while,butta I don't want no trouble,no trouble at all, if you can feel around on yer desk and not leave or let it leave then you'll be adequately prepared to handle discussions. So,to my line of thinking Ms. Ginsberg is not a person,but a force of the truth.I am strictly American,I don't have a person peeve against anything she has done because she has not done it yet,what she tole me just now is that she

will kill 178 governments if we lay a hand on Kavanaugh, this does not mean he is eligible for employment, it means he is of another foreign government state and subject to it. This force is busy working abroad, so I presume that there is now a big fight aboard because we must have diverted the case of the two youngsters back to their homelands for legal clarification of what was to occur. I do not think I ever saw the NYC police in their right bodies until recently, and then their was still admixtures within their space. So, the concept of forced ouster is something that scientist may have never contemplated, that both dead and living could get up run around re-organize and then the dead return to the graves and the young still live on?! That is incredible. But, when you break Fire Codes this is what that means. So, a plane propelling 234 people propels the forces of those people the plane and put elements moving during the flight and then the space has to recover itself and then the space they enter is being permanently adjusted&altered, so it a giant mess it never regains its original form. So, the government witnesses that she is referring to is 178 governments not individuals. That is what I got wrong. The fact of the matter, is Mrs. Ginsberg is something unearthy and to handle her it takes restraint. So, to keep her from lashing out and correcting Trump, we under no circumstances allow further contact w/President Trump here or now or when he is not President if he is to get from under whatever Ms. Ginsberg is promoting out into space. So, I never thought I'd run into a Muze or Muse, but she is close to it&erieely scarey looking woman much darker then she is portraying to you now. She is a very dark woman to a dark woman that does not possess her attributes. Business an more business, please be advised that Ruth Ginsberg has threatened 178 countries over something. Now, I believe that the Kavanaugh is the boy responsible for impregnation of a female underaged at the time both of them. The case was removed from USA to overseas somewhere. Ms. Ginsberg had paramilitary units enough to take out 100 million people. I kid you not she aint this govts friend. How she got into that spot, I mentioned to you that I saw Gold talk to Rosenberg&he is the one that took at least one application for employment out of Sessions empty office. Heck, they may have even taken one for Janet Reno. This was a serious evil wicked stuff, &my professor spoke to support her agenda&to

Not sure but this is suspicious activity. But if I needed answer based on my intelligence, it would be definitely a lot harder if the harder I looked for my briars and then the more they looked like someone else, then I'd never find the truth I'd find whatever Mr. Whelan wanted me to in addition to hurting myself perhaps even fatally.

I have additions and corrections to my correspondence uploaded around 4:30 pm on 09-18-2018. I removed last paragraph only due to space limit. I have a new memory of Brett Kavanaugh, Christine Blasey Ford & Mark Judge being inside a house at a party in Palo Alto, CA. The date could have been around 1983. I went to the party with [redacted]

[redacted] is likely still alive & may recollect the party more fully than I. I recall hearing C. Blasey Ford's name spoken & seeing her in the room where & soon before she was assaulted. I also recall B. Kavanaugh's face & hearing his name attached to his face. I think I left the room to use the bathroom & was walking down the hall when I was told a woman is being assaulted. Some persons had heard loud voices & a struggle. I ran through the hall screaming murder & a young man said I don't think it's murder so I changed my outcry to assault, assault. I think we tried to open the locked upstairs room using the bobby pin trick. Maybe someone found a key. We called the police. I saw Kavanaugh race down the stairs and maybe out of the house. I think we tried to file a police report upon the incident. Inside the house where the party was held I heard a person say Kavanaugh has done that [sexual assault/rape] before. I don't yet recollect the entire party event perfectly but I will swear that I saw Christine Blasey Ford (she has a distinctive face I recognize) & Brett Kavanaugh at a Palo Alto party in the early 80's & that my father & others tried to get C. Blasey Ford to make a police report upon the assault which was an attempted rape charge against Kavanaugh. I remember [redacted]

b6

[redacted] communicating to maybe-the-police that C. Blasey Ford was traumatized. I remember C. Blasey Ford saying so it would be attempted rape. Someone at the party said Brett Kavanaugh has attempted &/or committed rape before. Although Wikipedia dates the assault in 1982 I think it may have occurred in the summer of 1983 because I think I spoke to someone at the party about my Ultra Deep Dive & that could not have occurred in 1982. I saw Brett Kavanaugh inside an Austin, TX bar around March 10, 2015. Brett Kavanaugh was also pointed out & named by people in the bar. I think he was in the bar on both evenings I was. He was talking to Donald Trump. Trump had asked him something which led him to say: yeah, I've raped. Then a woman said: Did I just hear Kavanaugh say I've raped!? After hearing Kavanaugh say I've raped Donald Trump offered him a place on his team. Sometime later, maybe the next evening, Kavanaugh said he wanted the Supreme Court Justice appointment. I was unable to discern all of the conversation between

He even knows about property being bought by our local Mosque. He said more mass shootings are coming. He said the railroads will be used because the lack of security. Especially trains carrying specific payloads like chemicals. He knows that small caches of explosives have been stolen nationwide over time. He said that ANTIFA has been recruited to be used as distractions because they know that they hate the government. Also he told me he specifically chose me to deliver the messages. But as soon as I am done with him the conversations mysteriously disappear. He said they do have dirty bombs that was transported on trains encased in lead to deter detection from Geiger counters. He has given me all the weaknesses they found in our

country's infrastructure including the railroads. The weakness is using forged documentation from legit companies in order to transport weapons to the country. He named one specific company WISH. He said because of the stupidity of the Democrats who wants to destroy America, he said some are collaborating with the terrorists. He specifically named George Soros. You need to watch Soros closely. Plus certain areas amongst the railroads that the supplies are being offloaded. He even said that certain unnamed areas of major cities along our navigational River systems are targets. And small boats will be used carrying undetectable explosives will be detonated. And he said this to me that America has not taken us seriously enough because of letting our guards down. He said that they have people who have been elected into government offices who have been giving them Intel on every major cities weaknesses. Because they have access to master plans in every building departments in America. And he said that America was stupid enough to let us in through the Obama administration. This is very serious and they will exploit our every weakness. Because of the McCarron Walter Law Act of 1952 was not enforced which ban Muslims and Islam in America we are in to destroy you. And the war on terror has just been intensified 100%. He also said that you should have listened to your Facebook users, especially the Marine Corps Veterans. So this attack is imminent. How would they know all about the weaknesses of our nation unless they have insiders. They know since Trump is in office it has been an infidel Circus. While you are too busy focused on the Kavanaugh confirmation. The time is right. I can't believe all he told me.

is not only just men against women, this is all wrong to get young people involved in what is essentially a political issue, not a criminal one. Setting up young people for threats to security and social stability situations, by pitting young people boys and girls against each other in this warped way. What kind of adult lives are they already set up for, given there is no shortage of dysfunction in adult fields in sex wars? No shortage of people suffering threats and destruction to their innocent lives where popular culture dictates who are guilty or ought to be threatened? Or deemed guilty before the application of "innocent until proven guilty". This ought to be traced to all groups and partners and be investigated for all infringements, be they based on money, political manipulation, inciting violence /unrest, manipulation of young people, sexual, racial or cultural discrimination agendas. As detailed on the website, The Idaho Coalition Against Sexual & Domestic Violence - "Our mission is to engage voices to create change in the prevention, intervention, and response to domestic violence, dating abuse, stalking, and sexual assault. The Idaho Coalition Against Sexual & Domestic Violence works to be a leader in the movement to end violence against women and girls, men and boys - across the life span before violence has occurred - because violence is preventable. Our work is to create healthy relationships and compassionate communities. Our work is to build the capacity of programs, organizations, and systems through learning communities to provide safe, compassionate, trauma-informed, inclusive and accessible services to adolescents and adults and their children exposed to violence and to increase offender accountability." Since domestic violence and stalking is not only just men against women, this is all wrong to get young people into what is essentially a political issue, not a criminal one. This ought to be traced to all groups and partners and be investigated for all infringements."

have a political stake in the outcome of the Judge Kavanaugh's nomination either way except as an American. Christine Blasey Ford says the attack happened but her recollection of the facts is sketchy at best. Judge Kavanaugh claims the attack never took place. How do we get at the truth? There may be a way. Would Mrs. Ford agree to be hypnotized? The FBI employs professional, unbiased hypnotists who can place her under hypnosis and take her back and recall the events surrounding the alleged attack such as the date, the address, who was present and how she got home. Hypnosis only takes a couple of hours and could easily be done well within the week allotted to the FBI to investigate. Worse case it is inconclusive and you are in no different

position then you are now. It could cement her testimony either way. The results are virtually instantaneously available to both sides. Why would she or her lawyers object? Why would the Democrats or the Republicans object if they believe they are correct and the objective here is to get at the truth of the allegations? It has been used in victims of other serious crimes including sexual assaults to recall minute details and the results have been used in court. It would be very suspicious as to why anyone would reject using such a proven reliable tool. What would they be trying to hide?

I wish to point out that Mrs. Christine Blassy Ford is being paid over \$750,000. Granted, she performed an Oscar winning presentation, but for that kind of money - who wouldn't? Her GoFundMe account is being paid by the opposing party. Why isn't this considered Bribery? or Witness for Hire? This is not only unethical, but it needs to be examined by the FBI. The attorneys claimed to be "Pro-Bono". They need to be investigated for truthfulness as well. I would like to have this investigated and included within the FBI 302's. [redacted]

Regarding the current investigation of Brett Kavanaugh. I am an artist, and we know that artwork can be dated on basis of the materials used. I am not an expert on this, but there certainly are experts. There are methods to date artwork to avoid the sale of fakes. Paper ages leaving evidence of the aging process. The industry has probably changed some paper-making formula or physical characteristics. Ink contents used may have changed. Since Brett Kavanaugh is using his own diary from his high school days as evidence of his own character and whereabouts on particular dates, has (or will) the FBI do the forensic work on the diary paper, ink, etc. to determine the age of the materials.

So I'm requesting. I've also witnessed harassment of other women coming forward on social media to corroborate Dr Ford's testimony, only to be mass mobbed by people making threats. Christine King. A classmate of Dr Ford's has to delete her social media (her twitter account and a post on Facebook corroborating Dr Ford) as a result of such harassment. Please help look into this. Please DO offer Brett Kavanaugh the opportunity to take a lie detector test. Funny, but he told Senator Kamala Harris that he was not willing to take a lie detector test, as had Dr. Ford, stating it was because he considered lie detector tests "unreliable." Interestingly, he ruled in 2016, that law enforcement agencies use lie detector tests to determine the credibility of a witness. He considered them a tool of law enforcement. So basically, he declined a lie detector test, for a reason in direct contrast to his ruling as a judge. Quite interesting. I would dearly like for the FBI to question his conflicting statements and offer him the chance to take a lie detector test, so as to demonstrate the credibility he claims. I believe Dr. Ford. Apparently the lie detector does, too. I watched Kavanaugh's body language and blustery demeanor. I saw his eyes often shift to the left or downward when he answered questions. I also heard him give many circuitous or

evasive answers, in an attempt to avoid answering simple "no" or "yes" questions. I may be all wrong in my observation, but he appeared to have some facial traits that I have observed in people who like drinking alot.And I am curious about one thing he did very frequently during his testimony. What is with his extremely frequent sniffing? He constantly guzzled water throughout his testimony period. After one break, I saw three bottles of water lined up for him. I realize one may get parched when nervous or when talking alot...but still, everyone around me was commenting about his sniffing and water guzzling. Does he have severe allergies, or was something else making him constantly sniff? What was with that? Whatever. If the FBI is curious, also, they will figure it out. Meanwhile, the very judge who ruled that the lie detector is a useful law enforcement tool, that establishes the credibility of a witness....should be offered the chance to take a lie detector test to show his credibility. Don't you think? He SHOULD be chomping at the bit to take a lie detector test.. but seems put off by that possibility.Hmmm...

I recently noticed that there are multiple groups raising money for Brett Kavanaugh. One is up to almos \$500,000 which is substantial. This appears to be a way of buying Mr. Kavanaugh's alligance should he make it to the Supreme Court of the United States. Judges should not only be non partisan, but they should not be for sale.

Vengeance is Mine, and recompense; Their foot shall slip in due time; For the day of their calamity is at hand, And the things to come hasten upon them.' God plan works in mysterious ways...what if civil discourse is one of them? What if Kavanaugh and Trump never make it past the year? SUBJECT: BRETT KAVANAUGH 1982 CALENDAR Dear FBI - I am very concerned about the veracity of Brett Kavanaugh's calendar from May-August 1982 that he submitted in evidence to the Senate Judicial Committee. I found a PDF of this calendar at Scribd, https://www.scribd.com/document/389516101/Kavanaugh-summer-of-1982-calendar#download&from_embed. If this is the one provided as evidence, it appears as though most of it is forged. I am a graphic designer, and work with PDF documents. Whoever made this PDF reconstructed it with pieces from another source that was placed on a separate layer, perhaps in Photoshop or Illustrator, then saved as a PDF, maintaining the layers of text and type on top of various blank days within all of the months. If your forensics people could take a look at it, I think they'll find that it is not authentic. Here is a link to a page on my website with some examples of what I found: [redacted]

I would like to inquire about the possibility of a preliminary, confidential check report concerning myself on captioned flight (February 14, 2017). There was something wrong with that flight, but I have no way - currently, at least - of proving what exactly it was. It may have had elements of kidnapping, or otherwise arriving in point B' instead of point B, from point A, which one normally expects when one boards a plane - especially on an international flight, especially a US citizen. In addition, I believe a may have been subjected to a system of technological measures, intended to confuse the senses within the meaning of the US Victims of Torture Act, on an Aeroflot flight Moscow-Los Angeles February 14, 2017. I wonder if there's a way of verifying the information, based on

camera footage at arrival point, other inputs and operative information. I have written to the Transport Security Administration regarding same. The Administration responded, that, after a careful check, they came to the conclusion that the inquiry was not within their jurisdiction. I think it is dangerous to leave these things unattended. And, in the interests of prevention and safety of other passengers, there needs to be a follow-up, and the criminal group of perpetrators which authored the scheme, provided that that's what it is, should be held accountable. Thank you for any information you may have regarding the circumstances surrounding this strange flight. My role models have always been Joe Biden, Brett Kavanaugh and Michael Flynn. I think we, the American people, deserve better than being flown into an unknown location like some Turks. Thank you and best regards, [redacted]

To whom it my concern. I would like to offer a tip concerning the new Brett Kavanaugh investigation. Since Christine Blasey took a lie detector test I think it only fair that Mr. Kavanaugh take one as well. Please request he take one and if he refuses please note it in your report. I am 100% sure he would fail such a test. I am also 100% sure he will refuse the test. Thank you for considering my tip.
Sincerely yours, [redacted]

As a [redacted] I am very sympathetic to Kavanaugh's need to be a "church boy". Given his extreme defensiveness, his reference in the year book to "boofed", and the fact that he was in a Roman Catholic school, I hope you have looked into the possibility that he is the victim of sexual assault. It would make a lot of sense.

I think the Nazis of the AN/NAM/AA have the same strategy that the other Nazis had. For example my long term friend [redacted] who I suspect to have killed Oliver Weidemann at Bad Oldesloe(I told you the story).He killed him collectively because Oliver owed money to them.Then I told [redacted] that I reported his crime to the police he threatened to make false reports against me at the police in retaliation. So the ANs do the same or the repists who I reported to

the plenums of former left house projects. But the public prosecutors at Lübeck refused to investigate the killing. They made up wrong facts to hush it up because it was incited murder by my mum. You know the story but not that [redacted] threatened to make a wrongful report. And that's what essentially every criminal threatened to do or did. For example, I bought a drumset online at the telephone but I canceled it. The store lied to the court that I was at the store to buy it and therefore had no right to cancel and the judge made a wrongful verdict and I lost around 10000,-€ although they had no proof that I was at the store which was at Munich. So the Nazi judges just make show trials here and punish who they hate (me) without sticking to the laws in the books. That's what I wanted to add to the files. That almost all the killers and serial killers who tried to kill me or killed or injured witnesses had this strategy to lie to slander against me. That is also what all Islamist criminals did. So you have the crime as such but then the strategy of evading justice by falsely accusing the victim of something or the exact crime that has been done to the victim. And this notion that the victim-witness is insane to discredit them is already reported by me. Marlene Dietrich who was killed at the age of 19 as you know as a witness was pushed out of the 2nd floor and the police hushed it up as a suicide attempt as well as the second attempted murder that killed her. The killer left a fake suicide note there. But because she is dead she can not tell me if the second suicide was also made up by the killers like the first. As I wrote it is nothing to deny a crime but they topped it all here by accusing the victims. Islamists and Nazis alike. Nobody is abiding by the law. Not judges nor police. But the attackers of the Nazi Punks of recent attacks I could not identify. So I don't know if they were cops or ANs or AAs or NAMs. And I think I will not be able to because I don't investigate much since your FBI collapsed under Trump. You see it also by the fact that you don't investigate against Brett Kavanaugh that you are destroyed by the Nazis. He wants to end special investigations like the one of Mueller against the Russian collusion and he wants to degrade women by making them Nazi-birth machines. That's how Nazis view women. So they have no right to abort. After he is a supreme judge he will end Mueller's investigation and then Trump can fire anybody who

In the Case of Christine Margaret Blasey Ford and Brett Kavanaugh: SAC [redacted] I have been looking at the issue of Christine Margaret Blasey Ford relative to the Brett Kavanaugh nomination to the Supreme Court. I will release information relative to Ms Blasey Ford's Background, her association with the Democrat Party and her Criminal History as well as her personal history with alcohol, Men, Sex and other shortcomings. Several weeks ago, I did a public files background with Nexus Lexus and two other public sources, At that time, Blasey Ford had a record of two Criminal Offenses and multiple traffic charges in Catawba County, NC. Since that time those charges have been erased or "disposed of on the traffic offenses" and no explanation on what happened to the two Criminal Charges (C). The Charges were still on the County web site the morning of July 18, 2018 at 0900-1000 hrs,,, But, by 1100 hrs they were erased. Unfortunately for Ms Blasey

October 1, 2018 Federal Bureau of Investigation 450 Golden Gate Ave
San Francisco, CA 94402 Re: FBI Investigation into Dr. Blasey Ford's
accusation of Judge Brett Kavanaugh Good afternoon, I am writing to
provide you additional information regarding the veracity of Dr.
Christine Blasey Ford's nationally-televised testimony in the
Kavanaugh accusation. Specifically, I can validate the discord she
mentioned about having a second "front door" to installed into her
house during the remodel. [redacted]

[redacted] I recall that the secondary
"front door" was something that Christine wanted and Russell was
resigned to live with. [redacted]

b6
b7C

[redacted] I also recall that a secondary way out from the master bedroom

was very important to her. She loved having that exit to the outdoors directly from her bedroom. In addition, I recall her being very proud of putting in a secondary access/exit point in her kids' room also. After viewing her testimony and knowing Christine [redacted] it makes sense to me that this aspect of her home's remodel is directly related to the trauma she experienced from her accused. During the years I've known her, I've seen Christine's good character, high integrity, and sincerity as a mom, wife, and academic. I've witnessed her quiet thoughtfulness, clarity, and measuredness in decision-making from working with her. In my opinion, this is not a person who would make up an accusation or be mistaken about facts she knows are true. I would be happy to answer any further questions or cooperate with an Affidavit, Statement of Support, or other documentation for your investigation, as needed. Sincerely, [redacted]

[redacted] p.s. I tried emailing this letter to my local FBI office at bayareatips@ic.fbi.gov, but it got bounced back. I hope this reaches the appropriate person(s) involved. Thank you.

Re Judge Brett Kavanaugh. I know you've likely seen this but it is a great summary of Judge Kavanaugh & buddies' year book references. It's VERY informative abt drugs, drinking, spinning rooms, etc. Scroll down & look at the references to Killer Q's & 151 (Quaaludes & 151 Rum). I think he lied in the hearings. MUCH is outlined on this website that someone at FBI should review. Please don't drop the ball on this

Since you have one week to investigate Brett Kavanaugh and Senators have questioned any evidence of his ill behavior as an adult, you should follow up on this email that has circulated. This was supposedly sent on his workplace email. "Excellent time. Apologies to all for missing Friday (good excuse), arriving late Saturday (weak excuse) and growing aggressive after blowing yet another game of dice." This suggests binge drinking, lack of composure and gambling. You should also further investigate the approximately \$200,000 in credit card debt that he attributes to buying Washington Nationals tickets for friends.

Judge Brett Kavanaugh background check: Kavanaugh's calendar references a 7/1/82 gathering at "Timmy's for skis". At the Judiciary Committee hearing last Thursday, K identified "Timmy" as Tim Gaudette. Maryland property records and Spokeo indicate that the Gaudette family owns a townhouse at [redacted] and Tim Gaudette as a past resident. Zillow indicates that the unit has one, upstairs bathroom across from an upstairs BR with a narrow staircase leading to the first floor. This fits the description that Dr. Ford gave of the house/room/bathroom configuration where she was attacked by K (no downstairs bathroom, so she had to go upstairs, where she was pushed into a BR) . If this can be confirmed, Dr. Ford and Leland Keyser visiting this house might jog further recollections about that night. It could also help establish the date and place of the attack.

[redacted] I considered
you then to be unprofessional and incompetent.

If Brett Kavanaugh was aware of the Ramirez exposé prior to the date he declared under oath during his hearing (which he gave as "the New Yorker article), and this can be evidenced by action he took to interfere with witnesses, there is prima facie evidence of perjury. Do your job! In the eyes of the world the FBI is proving itself still to be unprofessional and incompetent.

RE KAVANAUGH INVESTIGATION [redacted]

b6
b7C

[redacted] I urge the FBI to seriously consider a possibility that senators and observers seem so far to have overlooked. As an individual who obviously has a great deal invested in seeing himself an an exceptionally virtuous person, it is entirely possible that Judge Kavanaugh managed to convince himself that there's no way he could have engaged in the kind of "that's-not-who-I-am!" behavior that he, in fact, did engage in while drunk. Psychologists and psychiatrists will confirm that people who are "wired" psychologically the way Kavanaugh appears to be are indeed fully capable of doing something terrible while honestly believing and insisting that they didn't. I just hope that this possible explanation for the contradictory claims made by Dr. Ford and Judge Kavanaugh will get the consideration it deserves.

October 2, 2018 Subject: Judge Kavanaugh's friend Mark Judge. Note: this follows my tips to the FBI on September 30 and October 1. Mark Judge has agreed to testify to the FBI about Kavanaugh. Mark's presence during investigation of drunk Kavanaugh will certainly help Kavanaugh recover repressed memories. For Kavanaugh, remembering repressed memory of the assault is much better than having the Senate decide that Kavanaugh is lying. Lying to the Senate is illegal and would cause his nomination to the Supreme Court to be rejected. If the FBI wants to interview Mark Judge, Mark should be drunk because memories formed when a person is drunk are seldom remembered when that individual is sober. But if the individual is in the same chemical state (drunk) while being interviewed, he can remember events that happened when he was drunk - decades later. The problem is that Mark

Re: 77N-HQ-[redacted]-SubPal, 10/02/2018

is undergoing treatment for alcoholism and is probably taking drugs. He might not be able to abruptly just stop taking these drugs. Some drugs require that they be tapered down for removal. Mark should talk to his doctor for help in getting him (Mark) ready to get drunk. Mark should take his doctor's orders. And the FBI should accommodate those doctor's orders. Drunk Mark and drunk Kavanaugh should be interviewed together because Kavanaugh's presence will help Mark recall repressed memories. When both Mark and Kavanaugh recall their respective repressed memories of the same event, their stories will corroborate each other. Recordings of the interview of these two drunks should be replayed back to them both when they are sober. When they are sober and see the recordings, they will realize that their previous remarks about the assault were incorrect. They both should make apologies to Professor Ford (the victim) and to the Senate. Their acknowledgement of their involvement in the assault should be made public. This will help form closure for Professor Ford and for others. This acknowledgment will help close the divide in America. There is a whole body of science behind repressed memory. See the following references. Google search for: 1) "State-dependent memory" and 2) "Repressed memory". Both are Wikipedia reviews of articles in Medical Journals.

Sincerely,

[redacted signature]

Re: Judge Kavanaugh investigation. Please ask Judge Kavanaugh whether he ever bought or possessed Quaaludes (also known as methaqualone, also known as Mandrax). If yes, then ask him other questions, such as: did he ever put Quaaludes into a drink that a girl might drink. Thank you for investigating. I hope it will include all charges, including that raised by the 3rd woman named Swetnick. She is supposed to have corroborating witnesses, and it may shed light on the Ford claim.

In the Judge Brett Kavanaugh and Christine Ford investigation, there is absolutely no reason to ask the 2 boys and the girl who remained downstairs as only the three individuals Miss Ford who was traumatized, and Brett Cavansugh and Mark judge who were traumatizing her have any knowledge of what transpired. I watched the proceedings on TV and I feel strongly that Brett is guilty because every time he was asked a direct question, yes or no, if he was guilty he never once answered the question but tried to lead them in another direction, with his answer. He looked absolutely guilty.

Hey I remember the recording test. My current stradivarius violin is actually severely haunted. Other violinists sounded equally as good but had sold their souls to, I sounded like a night and day difference between live and recorded playing. It's the haunting. It's also because the real Satan hates the shit out of me. And I know that ridiculously deranged bitch entity and her sack of shit offspring [redacted] extremely personally. Ok so I just thought of a hilarious way to make sure the 200 million soldiers don't get raped to death by [redacted] and her shit whores. You know the electrodes that can connect to the sensations recorded by my microchip memory files? The electrodes linking into my rape and torture memory files will get the job done. No more yelling, just extremely brief electrode treatment. They'll join. You will too. People will even volunteer and demand more electrode treatment time out of repentance and anger. Hey I recognize kavanaugh. The news stories about him and his people were so annoying

I had to avoid looking his face up but I just did and I recognize him as a rampant deranged self deluded self serving greedy jealous sadistic lying dumb bitch shit. He's been preying on me too and kept pretending to be a Fed. He's such a disgusting evil bitch he better die horribly. I know what he did to me and my family and my friends and especially my American birth betrothed. He got the prettiest cutest reporters too (the ones who do the same silver eye thing my left eye does). And some of the girls then already women I had helped with their careers. He's a really recognizable face. So gross omg. Even when I puff up and don't flex and look all permanently preggers even I look more doable than that and I got forced to look like [redacted] [redacted] So that's fucking sad. He spent all of that money on rape drugs without having his own habit to ensure that he would have taken it by himself. Disgusting repulsive vile greedy jealous sadistic deranged self deluded enemy sack of shit. He kept doing it to me and the others for [redacted] I forgot specifically how he'll be dying but I know it's gloriously horrid. It'll be beautiful, elating and relieving even, to people like us. So kavanaugh will be in hell. Unless he repents. But he's sooooo going to serve jail time. I'm excited for my future violins. I'll eventually be able to play the way I used to be able to again. I've just always been in pain. I know those violins are sooooo much easier to play than mine. Mine actually needs the likes of [redacted] [redacted] That's how many exponentially more nuances are necessary to make mine sound like that. But God doesn't allow challenges that those facing them cannot handle and surmount. Especially with faith. He promised me that I will help him lead 200 million soldiers and the rest of the good and that I will be able to spy for them. I just had another [redacted] Satan-induced cooking accident. I am wondering if a citizen can ask or request that the fbi investigate Brett Kavanaugh. I'm extremely concerned that we have serious allegations against a potential lifetime appointee but we don't have any investigation started. How can we initiate an investigation? I've already written to the White house. Anything else citizens can do? I've also written to local and state reps. Thanks.

The Ford testimony against Kavanaugh may turn into an ugly discussion of her mental illness in her youth and even at present. She may not be well enough to understand that she may have been allowed to meet someone when she was young, and she may have become unstable about not being able to stay in touch. She may well have been so traumatized that she invented the assault at that time in order to deal with the stigma of mental illness. I am not sure if the truth of the matter is in confidential records, but I think that it may be true that at times, for whatever reasons, she has had hallucinations and extreme confusion, some typical of a person who has had frequent head injury. This may not come out legally. While it is possible that rising star Kavanaugh was a boy puts entertsiningvhimself with someone sweet but mentallyI'll, it seems more realistic that she is or was abused into speaking by a malicious therapist who wants outsiders calling her psychotic and driving her to suicidality. Some therapists believe in frequent outing of one's illnesses as a meaningful process. I feel

badly for both of them as they grew up in the same communities. They should have been more maturely helped to befriend one another again. Someone quite sick is at play, and it is not clear who the caregivers might be. Is it perhaps not her therapist but an unforgiving family? Being distracted.
