Just a specific idea concerning the Brett Kavanaugh investigation.
Trying to locate the house Dr. Christian Ford described where she was
sexually assaulted. She said one of them "closed the door and turned
up the music...". This must have been a house either Kavanaugh or Mike
Judge was intimately familiar with. My immediate guess would be the
house of either young man's parents, or one's grandparents'. Please
follow this lead! Thanks, [redacted]

Dear Governor Larry Hogan, Lt. Governor Rutherford, J Thomas Manger, Chief of Police and Montgomery County State's Attorney John McCarthy: I write to all of you to help uncover truth. I show no partiality, I only want TRUTH, not lies. I want you to look at the yearbook pictures within this video, specifically the football picture where Bret Kavanaugh and Mark Judge are shown side by side. Brett Kavanaugh and Mark Judge look VERY much alike. They could pass for brothers or even twins. <https://www.nytimes.com/2018/09/27/us/mark-judge-kavanaugh-hearings.html> Look at this picture as Mark Judge appears now, wearing a red baseball jersey and cap. He STILL looks like Brett Kavanaugh. https://www.huffingtonpost.com/entry/mark-judge-brett-kavanaugh-hearing_us_5bad2086e4b09d41eb9f7d86 Mark Judge was the young man who led the WILD lifestyle. Brett Kavanaugh was involved with law enforcement. The allegations made could be caused by confusing the identities of these two men from the time they were teenagers. I would like to know, if a set-up was done, the football picture of the two

young men were separated (with the jersey number blurred out just in case they know the jersey numbers or have seen the picture before), and they each are asked to identify who the particular individual is - if ALL of the women would misidentify the two young men? When I saw the picture in the Huffington Post, all I could say was Oh my God! Also consider this, that when words fly - one man has the last name of "Judge" and the other IS A Judge. Gossip is a terrible thing. I ask that you PLEASE consider these facts for the protection of all those concerned. A man's whole life and career is at stake for this.

Brett Kavanaugh committed perjury during his last hearing. He stated that a senior high school student would be 18 years old and thus legal to drink in Maryland. First: not all Seniors are 18. Ronan Farrow was only 11! Second: Kavanaugh was not 18 until Feb of his Senior year. The incident with Ford occurred much before. He was involved with the 100 Keg society before he was 18. Finally, Kavanaugh, as a highly regarded jurist, intentionally mis stated the age of drinking in Maryland. At the time of the incident the legal drinking age was 21. He was lying to avoid admission that he drank illegally. That is clear perjury.

kavanaugh--the reason that kavanaugh was investigated in 1983 was due to a letter that was received by pres.reagan. pres reagan asked several fbi agents to go to the high school and find out what is going on. we were not allowed to read the letter. kavanaugh and judge were arguing about what to do. they finally admitted to wring the letter to the pres. they were angry that they were being investigated because of a letter. no one admitted to any other wrongful acts which included sexual events. the letter was about 'how to get a conservative judgeship now" reagan spoke to both boys.no action taken. kavanaugh was upset he had to figure it out himself. he was accepted to yale.he said he would forget high school because of this.

While I find what is happening to Ford in the Kavanaugh situation strange, as a victim myself of frequent assault, it is exquisitely disturbing to be called a liar, especially when perpetrators seem to have a long history of assault and you are not known to be a liar, especially when you want the attacker to just get help. Unfortunately if you have any mental health history of any kind, your testimony is often fully negated as if you suffer all day from "deer in the headlights," not just when questioning is too aggressive, for example. People who have hallucinated while receiving from allergic reactions or car accidents in which their was trauma to the head are not always hailed as heroes for coming through but are put on constant watchfulness when very few people actually lapse into some form of lifelong mania or schizophrenia because of an incident or two. Having said that many will identify with her and want her to speak, I feel that, if only because it is a possible incident

from long ago, that her recollections may well be faulty and she is being malignant used. When I was violently assaulted in my hotel by someone who was a dead ringer for the parish priest, spectators to the assault became intoxicated by what occurred and they called people to look at me and to ridicule me. It was horrifying, and I still feel it was the priestly man who attacked me, possibly while experimenting on drugs. What a horrible situation. No one seemed to care about me at all for the longest time, maybe over a year, not just because I was known to be in counseling, but because legally the nice room at the hotel with pals in the neighborhood was homelessness and people "just do think they can take homeless women."

WITH ALL THE SEXUAL AGGRESION ON T.V. RIGHT NOW AND THE DRINKING ASSOCIATED WITH IT ONE OF MANY SIMULATORS I HAD TO GO THROUGH CAME TO MIND AS A BOOM OPERATOR ON A KC-135 REFUELER. THE SIMULATOR WAS GOING TO TEST HOW YOU REACTED TO LOOSING OXYGEN GRADUALLY BY WRITING YOUR NAME UNTIL YOU STARTED SCRIBBLING IT.THERE WERE 4 AIR CREW MEMBERS PLUS TWO INSTRUCTORS IN THE CHAMBER. WE ALL PASSED. LATER ON I WAS BOWLING WITH ONE OF THE INSTRUCTORS AND I TOLD HIM THE RATIO OF INSTRUCTORS TO STUDENTS WAS PRETTY FAVORABLE TO LEARNING. HE TOLD ME IN HIS 20 YEARS OF EXPERIENCE HE ONLY SAW TWO REACTION TO LACK OF OXYGEN AND THAT WAS EITHER REAL JOVIAL OR VERY AGGRESIVE. MAYBE YOU SHOULD PUT JUDGE KAVENOW UNDER ONE OF THESE SIMULATORS TO SEE IF HE GETS AGGRESSIVE BECAUSE WHEN PEOPLE DRINK EXCESSIVE YOU GET THE SAME TWO REACTIONS.SO FAR ALL THE WOMEN COMING FORWARD SAY THE AGGRESIVE BEHAVIOR MANIFESTED ITSELF.

I am just an average citizen wondering if I just accidentally stumbled across information regarding the Kavanaugh situation while reading news stories in my home. I have no connection to any of the investigation, hence would prefer to remain anonymous reporting this tip. In this MSNBC story link, there is a photo of Brett Kavanaugh accuser #2, Deborah Ramirez, posing for a photo in 1997, over a DECADE after her allegation against him. Please note she is smiling big in this photo. Is it normal behavior for a victim to be so happy in a photo with her alleged abuser? This seems like a huge red flag to me. I reported it because if she is giving the FBI information, under the penalty of perjury possibly, I would hope someone would ask her why she shows up smiling ear to ear in a photo with her abuser later in

Hello. I had a thought. Christine Ford claimed that Brett Kavanaugh was "too heavy" so that she couldn't get him off her during the alleged attack. Kavanaugh is not a big man now and my guess is that he was not a huge teenager either. [redacted] made up a story about her being sexually assaulted and it was the weight ratio that we used to figure out that she was lying. Weights of these two people can be objectively found in medical records from 1982. Just saying. Thank you. [redacted]

This may help with the Kavanaugh Investigation. Christine Ford's therapist may be a recovered memory therapist. (See https://www.americanthinker.com/articles/2018/10/believe_the_women.html) If you could get her therapy notes you would know but if you can't one way to find out is to contact the false memory foundation which is located in Philadelphia. <http://www.fmsfonline.org/>. They keep newspaper articles about therapists who have been sued for creating false memories.

The FBI should thoroughly investigate the sexual assault claims made against Brett Kavanaugh. His credibility as a judge, let alone a Supreme Court justice, are at stake. Until such an investigation occurs and its subsequent results are submitted to Congress, I do not feel comfortable with his nomination to the Supreme Court.

Kavanaugh lied to the Senate under oath in 2006 and this year (according to Shamus Khan in the Washington Post). The FBI needs to expose Kavanaugh's willingness to lie.

out now,don't think Kavanaugh/his Hee Haw Yale foreign base counterparts/that have yet to steal an id's/forged docs of other student paymts right on the system&re-allocation into their own accounts.These are Negroes to me, period. They are deviant/they are subtle but they are the heathen and the savage.There is no other excuse for their tactics or behaviors&the outright theft of housing while you sleep concept in magic is what they are gaming themselves to procure at this time. When the fun ceases to them/they begin to act out like we did what they did, they practice bondage of mental origins worthy of a villainous evil practice of beliefs w/in their system of living, on the surface they look like Lions pouncing upon&rendering us dead month after month. Okay. Let's move on to some solutions for you today. Conceit is a the fundamental activity of con -(with; conj)ceit is w/the laws of the land or w/the life of the land (w/o the landholder who longer matters)under the control&the throne, vacuuous waste or by product of life they live here&the toilet to dethrone turn over chairs were the chairs on end where they speak after they get u out of site So,w/the new waste product cedes the land to their deeds.So,to make this process of willing around eff they req 2 things.They req someplace to sleep rented or not,they req access to the food where the owner willing gives them food.To them this means the food is theirs beyond the needs of the orig holder (they alloc the food after to themselves 1st, then theirs that come here from abroad&then to the people of the land where they must to stop from getting killed),they don't give a damn anymore,their plot has begun to hatch.Your babies /children mean nothing to them (sounds CardiB,)as they swiftly want to know how you do things/do everything to put themselves in front of you until they come 1st/then they push you/yours aside to get the corpus of life here,next they want to restrict your children to poverty&take all the sciences&advance them as theirs 1st.Then they will sit up in offices looking like birds kackling all day until time to go home,pilfering the whole time, taking money/bribes/ laundering/making things dirty/filthy.They are both Vandals/Vagrants&the Dodo birds owners

Please Read This Whole Post: As a highly educated woman, career professional, and mother of two young and beautiful boys, I have never before been as fearful for the future of our country as I am today. I make it a priority to remain apprised of our country's political state and as a result, I personally, have been very affected by the coverage, allegations, testimony, demeanor, and investigation (or lack of) concerning Brett Kavanaugh. Which is why I'm reaching out today. I am a recovering alcoholic and have been graced with spiritual enlightenment and endless support, especially by way of my AA Sponsor, to continue to live a sober life, one day at a time. While the FBI investigates Mark Judge and his recollections of the evening Dr Ford states she was assaulted, there is someone who would 99% most certainly have first hand knowledge of many/ all of the horrendous actions Mark Judge participated in - leading up to his first day of

sobriety. As part of AA's 12 Step Program, a critical part of the step work, the alcoholic must admit - in a private 1:1 setting - to their selected Sponsor, any and all prior illegal, horrendous, unthinkable, and shameful acts/ behaviors - where if not shared with their Sponsor, relapse is imminent. Self forgiveness is critical in maintaining sobriety. So what this means: if the FBI is able to discover and locate Mark Judge's first Few Sponsors (it is not uncommon to have had a few over time), that Sponsor could/ would have received first hand admittance from Mr. Judge himself, of the behaviors and actions, that would almost undoubtedly confirm the allegations at hand in relation to Mr Judge himself. If not specifically the evening of Dr Ford's claimed assault, than the similar behaviors and actions with other inebriated young women. Please recall that Mr Judge allegedly admitted to a past girlfriend his participation in several young men having sex with one, young woman who was inebriated. Because it requires specific and intimate exposure to the 12 Steps of AA, and only an alcoholic can truly understand the magnitude as to how deep and personal the Step Process is, I felt it necessary to share with the FBI that by strategically approaching Mr Judge's past Sponsors, it is inevitable that if anyone were to have first hand knowledge of his crimes, it would be the Sponsor. The AA promise to the recovering alcoholic is: IF we follow all 12 Steps specifically, thoroughly, and HONESTLY, we too can live a "free and joyous life". Free of our shame, regrets and sins and joyous as a result of working a rigorous 12 Step program. This information is being sent in the case the FBI has yet to realize this possible route of further investigating the Kavanaugh case. I am hopeful this information has been helpful. Thank You and good luck! This country is counting on you - I am counting on you and I believe in you! Sincerely, [redacted]

Colleagues:

Please see below. I have advised Sen. Murkowski's office that SSA [redacted]
[redacted] is not the appropriate person to receive this information because he is on my staff in the Office of Congressional Affairs. Additionally, I told the staffer that this woman needs to submit through the online PAL tips portal or PAL phone (I gave him both). I assured him that PAL is closely tracking this matter. Finally, I said that per longstanding policy we cannot comment further because this is an ongoing matter.

This woman has sent messages to multiple Senate offices so I am forwarding her messages to this email address. No need to reply to this message - I defer as to how the agents handle this information. Thank you.

All,

Each of you - among others - has contacted me. I have no interest in being part of the "story." Rather, as a citizen of this country and because I think I have texts that may contain information that would be of interest to the FBI in the investigation ordered by President Trump and the Senate, I contacted the FBI. I have made no accusations nor have I drawn any conclusions what the texts may or may not mean. I only requested that the FBI contact me. As of the date of this email, I have not received any response from the FBI other than as as illustrated on the attached.

Seeking Public Assistance Re: Suzanne Jovin Murder

On December 4, 1998 at approx. 9:55 pm Ms. Suzanne Jovin, a Yale University senior, was found fatally stabbed to death at the intersection of East Rock and Edgehill Roads in New Haven.

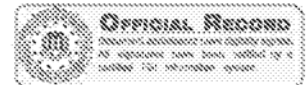

Investigators are seeking the public's assistance in identifying a White Male who was seen running in the area of Huntington St. and Whitney Ave. at about the time of the homicide. Below is a projected facial image of that person based on the limited observation of a witness.

The 1998 description is as follows: A physically fit, athletic looking white male with defined features, 20's to 30's year of age with well groomed blond or dark blond hair. He was wearing dark pants and a loose fitted greenish jacket.

"Judge Kavanaugh lied and lied. Not only should he be defeated for the Supreme Court nomination, but he should be impeached from the bench. I have counted at least 30 lies. Her? Zero lies. Unlike her, almost everything he says strains credulity. The American Bar Association, which strongly endorsed Kavanaugh, tonight called for a delay in the proceedings and a full investigation, effectively suspending its endorsement. Here are some of the major lies that Kavanaugh has told: 1. He lied about Devil's Triangle. A Devil's Triangle is two different kinds of sexual acts, involving either a threesome, or three types of sexual intercourse with one woman in one night. It is not a drinking game. He lied about this several times and his classmates have called him out. 2. He lied about "bouf," which refers to anal intercourse,

and not flatulence. He doubled down on this lie several times during testimony. [redacted] edit: I have heard "boof" refers to anally ingesting drugs or alcohol. Whatev. It ain't about farting.) 3. He lied about "Renata Alumnus." That referred to him going on a date with the purported class "slut." It was not about being her friend (and she recently said she was horrified by his yearbook references). His testimony directly contradicts a poem about Renata written by one of his close friends found in the same yearbook he refers to himself as a Renata Alumnus, portraying Renata as a cheap and sleazy date. 4. He lied that the "Beach Week Ralph Club," which refers to vomiting from drinking at a traditional beach week (which all the schools around here have--we all know the expression). He lied and said it referred to his weak stomach. 5. He lied under oath about not watching Ford's testimony. Today. Witnesses saw him watching it. The Wall Street Journal reported he was watching it with others in the Senate's Dirksen Office Building. There are many press stories on this. 6. He lied about not knowing about stolen emails from the Democratic members of the judicial committee. He knew the emails were stolen and confirmed it in the emails the Judicial Committee republicans tried to suppress. The Washington Post gave him three Pinocchios for this lie. 7. He lied that he did not work on Bush judicial nominations. The email record proves he did. 8. He lied that he did not work on controversial Bush policies, such as torture. His emails prove he did. 9. He lied about witnesses supporting his claims. They did not support his claims as he characterized their testimony. They generally supplied brief statements through lawyers about not remembering the party. This was no testimony. This was no independent investigation. 10. More specifically, Ford and Kavanaugh's mutual friend Leland Kaiser says while she does not remember that party, but she believes everything her friend Ford said about it. She has stated this to the press and it came up in testimony today. 11. He lied again and again that his friends signed statements "under penalty of felony." 11. He lied again and again that his friends signed statements "under penalty of felony." As a judge, he knows that "penalty of felony" does not exist as a legal concept. Perjury does, but he purposefully didn't use the word many times because he knows that that is the true legal

concept and standard and didn't want to use a word to describe what they were actually doing, potentially perjuring themselves. 12. Kavanaugh lied about his drinking. He drank a lot in the last year of high school and college (and several witnesses say he drank a lot for years afterwards). Several friends of mine who specialize in alcoholism said he exhibited signs of having drunk before this hearing. He was referred to by his college roommate as a sloppy and belligerent drunk. We saw glimpses of that belligerence today. Dozens of his contemporaries have confirmed how aggressive he becomes with drinking. His Yale classmate registered Republican [redacted] said tonight that she saw him "stumbling drunk" on many occasions and could not have possibly remembered what happened those nights. She says that he lied again and again to the committee about never drinking to excess. 13. He lied that never drunk on weekdays in the summer of 1982. In his own calendar, he referred to "skis," which he admitted refer to "brewskis," with Mark and PJ on Thursday July 1 in a calendar entry that matches closely Ford's account. Most of the people in that list were the same mentioned by Ford in her testimony. He drank. On that Thursday night. After working out. 14. He lied about Judge not remembering what happened. Six weeks after the incident, probably mid-August 1982, Ford reported seeing Judge at the Potomac Safeway in River Road near where we live. Local newspapers have confirmed that Judge worked there at the time Ford said. No one has refuted her testimony that Judge was "nervous" and had "turned white." The committee is still refusing to interview or depose or subpoena Judge. 15. He lied that he and Ford did not "run in the same social circles." They did, and many of their friends were mutual, including the person that introduce Kavanaugh's best friend Judge to Ford. 16. He lied that "100 kegs or bust" did not indicate a lot of drinking in 1982-3. He was part of a group endeavoring to drink 100 kegs that year, and his best friend became a serious alcoholic and admitted to sexual assault resembling this assault during that period to his girlfriend. His girlfriend was also not deposed by the committee. 17. He lied about Trump in the first line of his first press conference as nominee. He lied about Trump doing more vetting than for any other Supreme Court nominee in modern history. In fact, Trump vetted much much less than

other modern President's, admittedly working from short lists provided by two conservative think tanks, which he announced in advance he would limit his choice to. Several books have confirmed that Trump spent little time on the vetting.

18. He lied that he is "open to any investigation." He is not and is actively participating in blocking the testimony of eyewitness Mark Judge, his girlfriend, and other participants. Judge is hiding out in a beach house on the eastern shore and Judge being interviewed by the FBI. Kavanaugh is actively involved in strategizing about evidence suppression, at all day strategy meetings with Trump's lawyers. 19. He lied about the nature of Mark's book. He said that both it was part of his therapy and coming clean as an alcoholic and drug addict, and called the book "fictional." It can't be both a testimonial of a recovering alcoholic and fictional at the same time. 20. He refuses to answer the question again and again about whether or not there should be an investigation and whether or not his friend Mark Judge should be questioned, further belying that he is "open to investigation." 21. He is lying about whether he was the "Bart O'Kavanaugh" in Mark Judge's book. He knows the drunken and vomiting "O'Kavanaugh" is him. 22. He is lying about never having forgot anything about the night after a night of drinking. There are several testimonials from classmates to this effect. 23. He is lying that there is a conspiracy against him and that Ford's charges are trumped up and part of that conspiracy. The best evidence of no conspiracy is how his high school classmate Gorsuch--they were one year apart at Georgetown Prep--was subject to no such conspiracy, in confirmation hearings just months ago. Gorsuch is honorable. Kavanaugh is lying. 24. Kavanaugh supporter Whelan helped concoct the story of other men taking credit for assaulting Ford. Whelan has deleted all of his tweets after being challenged on the completely bogus stories he was advancing by his colleagues. The dissembling tweets are gone. Senator Blumenthal quoted the legal principle "Falsus in uno, falsus in omnibus, which is a legal principle that dictates jurors can rule a witness to be false in everything if he says one thing that is not true." If you believe any of the above is correct, you have to come to the conclusion that Kavanaugh is lying and should not be confirmed. This is not "he said, she

said." This is "she said, he shouted and dissembled and prevented his friend from testifying." Such testimony of a direct witness to an alleged assault is the norm in American politics. Until now. Kavanaugh has disqualified himself as a seeker of truth who honors the law and acts honorably. He should not be on the Supreme Court, judging the veracity of others. He should not be a judge. Maybe a partisan lawyer, as he has been in past administrations, but not a Supreme Court Justice."

After reading many articles on this horrible Kavanaugh "trial," I have to say that Christine Blasey Ford's testimony is very troubling. There are so many holes in her story, and they are very convenient for her since this event allegedly took place 36 years ago, yet despite having a foggy memory, she has explicit memory of other details. I would love for the FBI to ask her 7 questions. 1. Why did Christine Blasey Ford deliberately evade when asked by Rachel what her connection to the Kavanaugh group was??? When asked by Rachel what her connection to the Kavanaugh group was, why did she evade giving the name of Chris Garrett, one of Kavanaugh's high school classmates who was also his friend. I didn't hear her say the name of Chris Garrett, if she did. Instead she hemmed and hawed and said it was the boy that Whelan, who I believe was a former clerk of Antonin Scalia's, wrote an article about Garrett as her possible attacker, that she made a mistaken identity since the two teenage boys looked a good bit alike. YET I

READ IN ONE OF THE ARTICLES THAT CHRISTINE BLASEY FORD WAS DATING CHRIS GARRETT THAT SUMMER. 2. Did Chris Garrett take Christine Ford to and from the alleged party? Christine Ford says she has a foggy memory about so many of the details, that she has no memory of how she got to and from the alleged party. IF SHE WAS DATING CHRIS GARRETT THAT SUMMER, THE OBVIOUS ASSUMPTION ONE WOULD MAKE IS THAT CHRIS GARRETT IS THE ONE WHO PROVIDED HER TRANSPORTATION. HE WAS PROBABLY WITH HER AT THAT PARTY, IF THERE EVEN WAS SUCH A PARTY. AND THAT BRINGS ME TO THE ASSUMPTION THAT IF GARRETT WAS WITH HER, IT IS UNLIKELY THAT HIS BUDDIES WOULD HIT ON HIS GIRLFRIEND WHILE HE WAS THERE. 3. Why did Christine Blasey Ford scrub her social pages on the Internet? it is reported she scrubbed all her social pages. 4. Is it true that Christine Blasey Ford had posted on her Facebook page during the Gorsuch nomination process that SOMEONE SHOULD COME FORWARD AND ACCUSE GORSUCH OF RAPE??? 5. Did that alleged party actually happen? 6. Dr. Ford, are you a democrat activist, and in what activities did you take part? 7. Did Christine Blasey Ford frame Brett Kavanaugh? I do not believe Christine Ford, I think she did a great job of acting, and I think the democrat lawyers drilled her until she got that performance right. It is so important that an innocent man not have his life and his reputation and her future destroyed, and I do believe that this is what the democrats are trying to do, and they just don't care about justice and fairness and truth. Please find the truth for us. Thank you. [REDACTED]

I want to know why aren't the suspicious finances of Brett Kavanaugh being investigated? Yes, I know neither Trump nor McConnell want the exposure but if there ever was a "follow the money" case, this is it. I also feel that McConnell opened the door to Russia which is how he had the nerve to deny Merrick Garland a fair hearing and thus violate the Constitution. What does it take to put him behind bars?

While you are investigating Kavanaugh, you should, also, check into whether he did his own work throughout college. If he was such an out-of-control drinker, as his own CLASSMATES say, then he couldn't possibly have been able to kept up with the coursework. Since, he seems to be quite the privileged, spoiled frat boy, he, more than likely, either got his fraternity brothers to do his work for him, or paid someone to do his assignments. I, quite frankly, believe that Trump nominated him for a Supreme Court Justice position to make a mockery of our country. It would be absolutely awesome to me to see our country shine and thwart Trump's plan to infiltrate our country's highest court with a measly liar, drunk, and sexual predator. Please do everything you can to make sure this poor excuse for a man does not

Credible claims of sexual assault have been brought against Supreme Court nominee Brett Kavanaugh, as witnessed by millions of Americans at yesterday's Senate Judiciary Committee hearing. It is neither fair to the American people, nor in keeping with our nation's commitment to justice to have to hope that those claims will be investigated: they must be. The American Bar Association has called for a delay in the process and a thorough investigation. The integrity and credibility of the Supreme Court is at stake, and I implore you, as our leading law enforcement agency, to open an investigation into these matters immediately.

To whom it may concern...having watched the testimony yesterday of Dr. Blasey Ford and Brett Kavanaugh, I believe there is sufficient cause for the F.B.I. to conduct an investigation into this matter, regardless of whether or not you've been asked to by President Trump. Dr. Ford's assertion that Mark Judge was a witness to the crime of sexual assault warrants questioning of both Mr. Judge and Mr. Kavanaugh by the F.B.I.'s department of Public Corruption, as Mr. Kavanaugh is a public official attempting to be confirmed to the highest court in our country. If Brett Kavanaugh lied on the stand yesterday about the alleged assault, he is also guilty of perjury. It

Brett Kavanaugh's witness against him, Dr. Ford had on LARGE GLASSES. I think she saw only blurred images out of them because when she looked at the Democrat senators who were questioning her she would look over her glasses with a smirky smile to them on her right side. When she was questioned by the Republican senators she would not look at them. Dr. Ford's long blonde hair covered one eye under her glasses that cut the visual acutely of seeing the Republican senator who was questioned her. I think she was lying. She came with blinders on. I wear glasses, however, another prescription can cause blindness if I wear glasses with that prescription. Please profile this observation against Dr. FORD against Judge Kavanaugh.

I received this email and since, we all know the committee did not
vote to advance the nomination yesterday, this could be a fraud or an

Every single Republican on the Senate Judiciary Committee just voted
to advance Brett Kavanaugh's nomination for the Supreme Court. Despite
yesterday's powerful hearings, they still think he's fit for a
lifetime appointment to the most powerful court in the country and
will use their Senate Majority to put him there. There has never been
a clearer case for why we need to flip the Senate. Help put an end to

Yesterday, America saw Kavanaugh unravel and become unhinged when asked questions about the sexual misconduct allegations against him. It's clear, Brett Kavanaugh doesn't belong on the Supreme Court. Full stop. The Senate is ground zero for saving the Supreme Court. And the DSCC is the only committee exclusively committed to taking back the Senate from Republican control. Donate to send a clear message that Democrats will fight with everything we've got to take back the Senate -- and your gift will be TRIPLE-MATCHED >> Thanks, Team

DSCC Democratic Senatorial Campaign Committee 120 Maryland Ave. NE Washington, DC 20002 Paid for by the DSCC, dsc.org, and not authorized by any candidate or candidate's committee. The DSCC is the only committee solely dedicated to supporting Democrats in the U.S. Senate. This message was sent to [redacted] because you are a part of the DSCC's grassroots network. Please add us to your address book or approved senders list to make sure you keep receiving DSCC updates. Emails are a critical way for us to stay in touch with our grassroots supporters. 99% of the DSCC's contributions come from grassroots donors giving less than \$200. We also strive to keep you updated on issues related to the Democratic Party's values. If you'd like to take a break from DSCC emails, click here. If you'd like to make a contribution to support us, please click here. Together, we're going to take back the Senate, but we'll need the help of every single grassroots supporter to do it. If you'd like to stop receiving all emails from the DSCC, please click here. We greatly appreciate your continued support. Contributions or gifts to the DSCC are not tax deductible.

Unasked Questions

Why is no one questioning Brett Kavanaugh's definition of the terms he uses on his yearbook page to remember his high school life? Check out Google or Yahoo Search for the definitions provided as standard by the Urban Slang Dictionary. "Boof" there refers to anal sex; Kavanaugh's answer was flatulence. So Urban Slang has added it as "Brett flatulence." Devil's Triangle is defined as sex between 2 men and one woman... (cf Dr. Blasey Ford's testimony re. her alleged assault and you won't think it's a fabrication). The seven f's - FFFFFFFF - on his calendar and on his yearbook page are listed in the Urban Dictionary also. These f's start with "Find them" and end up with a completed sexual conquest. No wonder Renate was incensed to hear that he had

That same classmate also noted that multiple other Yale classmates from the time had come forward to him personally with information said to corroborate Ramirez's account-but that they had not been contacted by the FBI either. Currently unclear, however, is the extent to which these additional classmates have reached out to the FBI with their alleged stories, if at all. During an unprecedented Fox News interview last week, with spouse at his side, Kavanaugh categorically denied the Ramirez allegation, saying, "If such as thing had a happened, it would've been the talk of campus." If the latest allegations are on point, it may have been exactly that.

For Deputy Director Bowdich and ADs Priestap and Sweeney Kavanaugh lied when he said he was accused of being a member of a gang. He knows very well he was accused of being a member of a train. His opening a statement included the lie that he was accused of being in a gang, he was not, he was accused of facilitating a train (two totally different things). I grew up at the same time as Kavanaugh, in a similar setting. When he states he is accused of being part of a gang he is knowingly misleading Congress about what he knows he has been accused of: being part of a train. A train is a group of men/boys taking turns having intercourse with a women (with or without her consent).

Kavanaugh knows what train means, everybody who grew up in the 1980's catholic school world did. When he claims he is being accused of being part of a gang, he is lying to Congress. The woman who accused him accused him of being part of a conspiracy that lead to a train (in this case a gang rape). Kavanaugh knowingly lied that he was accused of being a gang member. He knows he wasn't accused of being a gang member., but of someone who committed a drugging that lead to a gang rape. He lied in front of America and.. [redacted]

Also you need to find out what Congresswoman Sheila Jackson handed her lawyer in a envelope, which looked a pay off at the hearing. That is what needs investigation. Not Kavanaugh!

For Deputy Director Bowdich and ADs Priestap and Sweeney Kavanaugh lied when he said he was accused of being a member of a gang. He knows very well he was accused of being a member of a train. His opening a statement included the lie that he was accused of being in a gang, he was not, he was accused of facilitating a train (two totally different things). I grew up at the same time as Kavanaugh, in a similar setting. When he states he is accused of being part of a gang he is knowingly misleading Congress about what he knows he has been accused of: being part of a train. A train is a group of men/boys taking turns having intercourse with a women (with or without her consent).

Kavanaugh knows what train means, everybody who grew up in the 1980's catholic school world did. When he claims he is being accused of being part of a gang, he is lying to Congress. The woman who accused him accused him of being part of a conspiracy that lead to a train (in this case a gang rape). Kavanaugh knowingly lied that he was accused of being a gang member. He knows he wasn't accused of being a gang member., but of someone who committed a drugging that lead to a gang rape. He lied in front of America and.. [redacted]

Credible claims of sexual assault have been brought against Supreme Court nominee Brett Kavanaugh, as witnessed by millions of Americans at yesterday's Senate Judiciary Committee hearing. It is neither fair to the American people, nor in keeping with our nation's commitment to justice to have to hope that those claims will be investigated: they must be. The American Bar Association has called for a delay in the process and a thorough investigation. The integrity and credibility of the Supreme Court is at stake, and I implore you, as our leading law enforcement agency, to open an investigation into these matters immediately.

This might help make your Brett Kavanaugh investigation a little easier. Believe Kavanaugh was as well as client of the Golden Goddess Massage back in 80's, (between 83-85)! But as you all have known for years so was Governor Clinton and Texas Governor Bush back then. Might be easy by checking his credit cards and checking for payments to businesses used as cover for massage Services.

Ed Whelan posted very compelling information to suggest Kavanaugh is
innocent and that Garret is the individual who assaulted Ford. You

There are many things I want to know about yesterdays hearing with Dr. Ford and Brett Kavanaugh. Why wasn't Dr. Ford asked if she has a drinking problem? Why wasn't she asked where she got the (1) beer she said she drank? How often did she drink? How often did she go to these gatherings? Things just wasn't asked of her that was SLAMMED to Brett. Why hasn't she had a FBI investigation? How do we "the American people" know what kind of person she is? She has too many "holes" in her accusation. Cannot remember when, where, how she got home and many other things. She has NO WITNESS. It is her word and I and many other people would like to make sure she isn't LYING! Also she cannot even remember when her lie detector was. The day of her grandmothers funeral or the next day. Doesn't even know if she had a camera on her. REALLY??? And only 2 questions on a lie detector. Hum. What was the outcome of the test and what were the questions? And the reason she gave why she didn't want to come to Washington, D.C. was her fear of flying. But during the hearing she has flown all over the place. So

was that a lie? I could go on and on but I won't. I hope that I know this was even read. I feel so sorry for Brett Kavanaugh and my heart breaks for him and his family. He has been through 6 background checks. And ONE PERSON CAN SMEAR HIM FOR LIFE!!! Just is not right! We the American people want to know if she is getting an FBI investigation? I think she should! You see I have the right to post things related to my Political Party because I'm a United States Citizen and it is protected by The 1st Amendment that Facebook or perhaps a rogue entity or agency would like to change but cannot. When people concoct stories like we see in the Judge, Kavanaugh Case they should go to prison because they ruin lives. It seems we file reports or at least try to about such corrupt people in life doing such corrupt things and we the protectors of The Constitution are attacked by Legislative Bodies and the Judiciary based on our sex? because of it. Something wrong with this whole picture and children shouldn't be getting drugged to death. I think I know who is behind the scenes doing what, but you see in America we can't have mobs of haters no matter who they work for make up things to steal money from others because its what we call Legally, Extortion and Conspiracy to Defraud and in some special cases is Domestic Violence and Terror which we should all be working together to stop not to sweep under the carpet to empower some rogue, fascist group that may have come to the United States to create Chaos for Fidel Castro People or some Terrorist's in the Middle East as a collective. We have an awful lot of this type of infiltration in our own government and should all be working very hard to return our nation to a nation of Law and Order regardless of who has what in their bank account. I want all the friends Facebook Deleted returned to my account. The technique they use is to delete this friends who may have a lot of friends because they don't want the spirit of Freedom of Citizen's Campaigning for the right candidates to get out into the public because it might make people want to switch parties. Please consider investigating Christine Ford's claims including the veracity of facts in her testimony such as 1. That she used a cell phone after the supposed incident. Cell phones were not readily available commercially in 1982. 2. The Safeway she states she went to after the supposed incident, did it even exist in 1982? Thank you for your consideration

Lying to a Senate committee under oath is a crime. Here is a simple line of inquiry that should be pursued by the FBI in this coming week's investigation into Brett Kavanaugh's behavior. Here is evidence for FBI that Kavanaugh lied repeatedly re Sen. Whitehouse questions ... The actual meaning of the slang yearbook terms Sen. Whitehouse asked about is quite different from what Kavanaugh said. Just read the CBS story below and have your staff google "urban dictionary" to confirm. All these terms relate to drunkenness and abberant sexual behavior, so he made up other meanings. Bottom line: He lied to the Senate and should be punished for doing so. Please make sure the FBI includes this in their investigation.
