Submitted Text:

ATTN: Special Counsel Robert Mueller Vladimir Putin ascended to the leadership of the FSS in mid-1998. That same year, Brett Kavanaugh left being a partner at the world's highest-grossing law firm to go back down to his previous job as an Associate Counsel under Kenneth Starr. 13 years later in 2011, Kavanaugh slips into a court decision a "gutting' of a provision that, in 2016, Putin uses to great effect in sabotaging our election. Reference: https://www.motherjones.com /politics/2018/09/how-brett-kavanaugh-made-russian-election-interference-easier-and-robert-muellers-job-harder/ Now, in 2018, Kavanaugh is being rewarded with a promotion to the Supreme Court -- that smells of collusion. But Trump's goal was to be elected --- could Putin's goal be for Kavanaugh to subvert our Supreme Court? And, if both the Presidency and the Supreme Court are subverted, who will subvert the Senate? If you can identify who might be in line to take over from the ancient McConnell and subvert our Senate, you have a plot that is a National Security danger. I recommend that you ask to interview Brett Kavanaugh.

PLEASE ADD TO MY FILES / RECORDS: White House 'fully confident' of Kavanaugh's confirmation after seeing FBI investigation Huffpost Willa Frej Oct 4th 2018 5:24AM The White House received the results of the FBI investigation into Supreme Court nominee Brett Kavanaugh and sent the information to the Senate early Thursday morning, saying it is "fully confident" that Kavanaugh will be confirmed. Republicans generally have made up their minds on Kavanaugh, barring some massive development in an FBI report focusing on the allegations of a sexual assault 36 years ago. The FBI is unlikely to turn up many conclusive findings, and Republicans don't seem all that receptive to arguments that the nominee has committed perjury or displayed a lack of judicial temperament in his fiery and partisan testimony. Supreme Court nominee Brett Kavanaugh and sent the information to the Senate early Thursday morning, saying it is "fully confident" that Kavanaugh will be confirmed. The information "is the last addition to the most comprehensive review of a Supreme Court nominee in history, which includes extensive hearings, multiple committee interviews, over 1,200 questions for the record and over a half million pages of documents," White House deputy press secretary Raj Shah said on Twitter. "With this additional information, the White House is fully confident the Senate will vote to confirm Judge Kavanaugh to the Supreme Court." ----- Should he not be convicted of purgury, obstruction of justice, lying to investigators, and rape. Should he not be going to prison. I have not been following it recently, but I think I heard enough. The Alien Gods are playing with everybody's mind and caused the rape unless there are statue of limitations, though Brett Kavanaugh is guilty too. The Alien Gods are playing with the FBI's minds in this investigation and your actions you should know.

The July 16 and 17 annotations seem to have been taped out before copying. I can't explain the discrepancy, but wonder if Judge Kavanaugh modified the calendar before giving it to the Committee? Brett Kavanaugh while at Yale was a member of the "secret societies." These are drinking clubs with social connections to help careers forward. The student at Yale is "tapped" in October, and interviewed for the club. Then each man discusses his life for 1 -3 hours (divorce, stress, sexual adventures, etc). There are financial records and member records for each society. Legal fees and costs incurred at the society are available. Please consider following these leads for the years when Brett Kavanaugh was at Yale. [redacted] which is a fine institution. However, the secret societies are independent of the Yale administration and many scandals have involved the secret societies. Evaluation of the sophomore-senior years of Brett Kavanaugh while at Yale may illuminate further background pertinent to his credibility and truthfulness about his past.

fire the professor that has death wish for gop and call it an experiment. democrats are absolutely repulsive skum imo. I still do not believe that psycho bitch ford. if she had been concerned about the position of the judge why wait until it was a position in the supreme court? she is a fucking liar and probably was going to make big bucks off it and probably will still. she has also lost you skum democrats votes. people know if the judge and she had been regular people the court would have said get the fuck out of here! ain't no evidence! instead you fucked around for your political agendas. you are doomed democarts! good riddance! I think the prosecutor Mitchell did a wonderful job and did she know ford had lied about polygraphs?

What the fuck is going on?! Please excuse my vulgar language, but I am just speaking in the tone of voice to you that the other Kavanaugh WITNESSES INTO HIS CHARACTER want to talk to you. Can you please tell me why your background investigation into Kavanaugh has such a short time limit? For Christ's sake, it is a position with the highest court in our country! And, if put in the position, he will be able to hold IT for the rest of his life! WTF?! I have been reading the CNN reports of Kavanaugh roommates and others who have tried to contact you in order to shed more light into Kavanaugh's character, and you haven't even responded to them. WTF?! DO YOU BELIEVE THAT YOU CAN READ MINDS?! THIS SO-CALLED INVESTIGATION APPEARS TO BE A FUCKING JOKE. WHY DON'T YOU ACT LIKE A REAL INVESTIGATIVE AGENCY INSTEAD OF A NOTHING AGENCY? WTF ARE YOU DOING?!

How does the FBI explain doing an investigation of the alleged sexual misconduct of SCOTUS nominee Brett Kavaniagh when the accused or the accusers were not investigated?? How is that a complete and through investigation? Your reorientation is being RUINED by being partisan to the so called President and NOT doing a legitimate investigation into Kavanauhh's accusers! What a joke the FBI is under the Trump

The limited distribution of copies, as I understand current reporting on several news outlets that only one hard copy has been made available to each Senator. I am confused by the lack of interest in pursuing the fact that Bret Kavanaugh lied under oath in his interview with the U.S. Senate. I have always had confidence that the FBI was non political and the best law enforcement bureau in the world. How is this possible when you did not interview his roommate in Yale. https://www.cnn.com/videos/politics/2018/10/03/james-roche-anderson-cooper-kavanaugh-lied-ac360-sot-vpx.cnn. We may well be the home of the brave but where is the transparent honesty? Do we have have to leave everything in the hands of God or will we become true stewards of what was freely given to us?

Your phone line states there is a report for complaints and yet when you got to it there is no direction for that. I'm writing on now because I feel it is a crime what is going on with the present limited investigation on Brett Kavanaugh. Limited being the key word here as there appears to be no need by the FBI or the White House to properly investigate this matter. I thought what is the need to look into a person life from decades ago as we all change. However, there becomes a problem when the individual is out right lying to the public and he is to be responsible for decisions made by our Supreme Court of our country. This is a slap inn the face of not only the woman of our country, but the entire country knowing a man make decisions on our justice is far from the person with integrity that we want in that position. The FBI needs to investigate a situation in more depth that could once again cause more division within our country rather than pass this off as just a minor incident.
