No gurls. Today, God took the helm of his Life&he made the earth b/g its rotations from his mother, the Sun. The observances were made in tandem w /the American Presidents&Churchill was the only other leader. Most other leaders were dispatched to there true governments during the slavery attempts. I guess they were a little young and had to do the right thing by their groups as well. I look forward to them working&grooming their own lands in the future, w/less relevance to threats in foreign policy, as well. I have lots of notes/will continue to forward them to you as I can make them. But, I do have some housekeeping chores&there are about 20 that I should have given to you but Kavanaugh took a bit of time to comprehend. As, you see it took 20 some odd yrs to figure out him as the assailant on NYC's finest. He is shaping up to be a big noon for things I wish to allocute to be revisited, but everything is to save time&money&lives. If we do not grasp the futility of acceleration of knowledge&unrealistic goals we'll be removed from life. That my take, it is not very extreme either, but let's give to management see what they wanna do w/it. Trump not official management, but he is the President&a good one to have had; but he did not make the final cut of Directorship in Presidential life. Yesterday, I cut him off b/c he does not wanna be managed&b/c he threatened Eisenhower said he would "I'll kill you." looking at him b /c of this I changed his job desc to consultant he fireable now; I thru him into Clinton impeachment. I believe we are in a fine pickle w/o Fruitt, my pick for big guy to battles w/them emergencies, I wish him well enough. If he sends you a bill for setting up the drainage of them floods in SC/NC then please pay it, if he did anything on them b/c too bad a scene. He said its going to take time, maybe 10wks&he has had all the drainage systems worked on. We got a helacious prob w/hog manure /septic&reqs went out to have most of it processed b/fix&dispatched b /f time, so expect some movement here, now. Something else is coming up. Big problem w/pianos in dah water. I got a grp outta Germany made a toxic poison w/piano strings in dah water the stuff virtually

unuseable&damaging things.I get someone to trans&store em outta flood ranges to make sure these people have living lands beneath them.These are my personal observations,nobody should say nothing but somebody far away said it&to look at it w/ metalurigical grs&rust&satellite(on) in H2O propensity&after products/chemical content mix w/flood waters.I am watchin fer these things,the finger is infected,the one I have&I just felt kinda bad this morning,so my mind is not a go right this 2nd. So,I'll not be making&visuals anymore this month.I noticed that I had a thought to make comparison w/o my visualizations&I took a picture of a rabid dog w/foam to describe Kavanaugh candidacy&I found it potent enough to ground internet surfing while I flushed the image out.Now please undastan this is what I was driving at w/colors schema.

I think the formen leftist houses and now Nazi Punk houses attack the leftists now with attack dogs willingly. I thought it was an accident when first happening. The Nazis here celebrate the win of the men over the women by the Nazi Trump with quack quack shouting and duck walks. I think that Susan Collins just got Kavanaugh wrong. He said that not Roe v. Wade is given law that he will respect like she thought. But he said the supreme court's rule is given law that she will have to respect. And he will make it impossible to investigate president's crimes. That means Trump can than even shoot people at 5th avenue and can't be investigated nor can any future Communist who could become president.

I have a recommendation!! I have seen what Christie Ford, Ramirez and Swetnik did to destroy a great man Judge Kavanaugh. I have seen how Feinstein and many coerst and manipulated a smear campaign!! *** I have the solution! You guys need to get access to all of the accusers emails and find out who paid them or forced them to do this to a great man Judge Kavanaugh!! When you do this you must also investigate Feinstein. Never in my life have I seen such a scum bag smear tactic that allows peoples good reputation be ruined based on hearsay. You guys need to go deep and discover the socialist communist groups that paid those witnesses or forced them to testify. I knew from the start Clintons, Obama, and many of the corrupt dems will distort and illegally destroy good people like Trump, and Kavanaugh. Look at the Fisa warrants and how scum bag Clinton did. She must go to Jail. It is your sworn duty to do your best and uncover the real reason why these

people came forward to destroy, lie, and try to corrupt our form of democracy. We must get someone in jail for this to set a presatant against anyone being allowed to accuse with no ramifications. We must investigate the accused and the accuser. Never would I ever have thought I would be writing to you guys begging for justice. After what I saw and the tactics that Feinstein implemented and how the entire democrat party tried to destroy our American court process and formal respectful ways of conduct I knew I must yell from the mountain top!! I must say in one year we will have Clinton convicted and many others who arranged to corrupt our system for their personal gain. I 6 months I hope we convict and jail the ones that payed and bribed these accusers sweatnik, Ramirez, and ford. We must set an example for the future. You must always from now on insist to secure accusers emails and if they refuse then they are not a credible accuser. They have something to hide. I feel it in my soul. I KNOW THERE IS CORRUPTION WITHIN WHAT FEINSTEIN AND THE ACCUSERS HAVE ORCHESTRATED. YOU GUYS MUST UPHOLD THE TRUTH AND JUSTICE.

The Public Broadcasting Corporation was "listening" to what I'd written about the Kavanaugh nomination so that it could broadcast its findings to the US Senate. or a proxy hacked into my computer between 6:30 pm and 8:23 pm. It placed Craigslist's purple icon farthest to the left of my Favorites Bar and removed "Google's" multi-colored icon from the bar altogether. As a result, the PBS News Hour thought I'd "gone black". FBI, the Russians may also have done this hacking; their purpose is to destabilize US opinion, which is what happened here. You need to investigate who went into my apartment or hacked indirectly into my computer and changed my settings. The act of removing Google--one of my chief allies--could have a bearing on the vote on Kavanaugh tomorrow.

There is a senior reporter at the Huffington Post named Ashley Feinberg that is encouraging or directing Senate staffers, Senators, or F.B.I employees to leak the Judge Kavanaugh F.B.I. background check held in a Sensitive Compartmented Information Facility in the basement of the Capitol Visitor Center. Ashley Feinberg is openly and publicly encouraging or directing these people to leak the confidential or classified information contained in this report prepared by the F.B.I for the U.S. Senate. Her article is titled "One Of You Should Just Leak Me The FBI Report It's the very least you could do." at the bottom of her article is where she encourages or directs Government officials or employees to leak confidential or classified Government information. "So, are you a senator? An FBI employee who helped with the investigation? Do you want to do me and the country -- nay, democracy itself -- a solid? Email ashley.feinberg@huffpost.com. It's the least you could do." The press in this country has a lot of freedom but their freedom is not absolute. Freedom of the press does

my opinion shouldn't be, as Facebook should be required by Law put in a feature to play games Safely w/out friending (this keeps predators away from our kids-young adults, as well as us adults. I came across while looking for neighbors for SuperCity by PlayKot as they offer this on their friend request page. While looking for neighbors who's requested help for neighbors, I came across a neighbor request while checking this neighbor out of their facebook profile, that led to a "Private Sector" website (Non Government Organization). You really should check this out, it's very "Red Flagged" if you ask me. This could be a holding area for our Abducted kids, could be isis? who may be underground of base of Mountains, or underwater,+ under older Ancient Cities of the United States or on the outskirts of it. May want to check out also, every old abandoned caves w/ mine shafts of it as well. Thanks, [redacted] (Legal Name), Facebook profile: [redacted]

[redacted] Also my Profile has been getting held Hostage by hackers because I'm the one who Found their Beginning trespasses of that Global Ghost Viruses that is hurting America today. I've practically know all of it's bad habits as many times I've had to kick it off, and [redacted] (except to be able to write software+ not able to manipulate codes), as I don't have a home business, but hopefully soon once I get rid of these hackers who's had a hold of my accounts and aggravating them, especially Blocking my Facebook Profile from my Friendlist + Public on most of my Posts. I been Tipping you all since 2009 every year of this issue. I've Disected that Ghost Virus which I renamed it to "Auto/Robo Ghost OS(s) Viruses" last year of May 2017 when I had to kick it off as well as Microsoft. These hackers are trying to FRAME me so much, but God has been turning it around each time, God is GOOD! I NEVER had any affiliations w/ any hackers. They been sabotaging me silently also because I found out inside & out of their Global Ghost Viruses and I found a way to STOP it but will need your help. Please don't ignore this, + I have Plenty of Proof including w/ Hillary Clinton's emails + kavanaugh's Framings as I saw his name in a deep buried file in one of the ghost viruses last year of May when dissecting root cause of a major virus on my network/computer etc...please see me but I will need Proof of who you are because these hackers tried to

makes me a huge target and when others see that others get away with doing things to me or others seeking me others feel like they can as well I really hope things get solved soon because I'm tired of going on being broke each month and then my mom claiming things aren't true and then others saying that they sure would like to have the money meant for me so nothing really gets done I'm just hoping things change it seems so weird that others in the mental and social health services know about my case including if I'm correct Dr Christine Blasey Ford but I wouldn't know for sure because they try to claim things aren't going on but if I've been under surveillance it would be known if my mom wasn't covering things up as well I would've known about this when I was a child instead I report the abuse to my therapist and I'm sent right back to my mom's just like when I called 911 the morning I woke up in Los Angeles with blood dripping out of my ear and my eye swollen shut nothing was done and I had to walk to the hospital so far I've been seeing that others can do whatever they want I'm trying to tell my mom to take me to the courthouse on Monday so I can see about getting something filed about what happened in Los Angeles in January I'm hoping eventually I get help as I've been saying I'm tired of being targeted and others knowing that these wealthy people try to contact me and others make a move on them instead one of the guys that is a driver that gives me a ride to places is from Hawaii and one of the therapists I seen in Wa was married to a guy from Hawaii and I think they might have friends or family stalking me as well which is wrong if it's going on
