AN INTRODUCTION TO THE AMERICAN KNIGHTS OF THE KU KLUX KLAN

"WHAT THE KLAN STANDS FOR"

THE WHITE RACE: The irreplaceable hub of our nation, and our Christian Faith.

AMERICA FIRST: First before any foreign or alien influence or interest.

THE CONSTITUTION: As originally written and intended.

FREE ENTERPRISE: Private property and ownership of business, but an end to high-finance exploitation.

ENDING WELFARE: The goal of stopping the financial rape of hard working WHITE Americans by LAZY NEGROES who are abusing and stealing government handouts!

"ON THE NEGRO QUESTION"

The Knights of the Ku Klux Klan does not consider itself the enemy of the Negro race. The only way both races can develop their full potential & culture is through racial seperation. Klan members oppose integration & all its manifestations including the high black crime rate, racial inter-marriage, the destruction of our schools, lowering of labor standards, ect.

"WHAT THE KLAN IS"

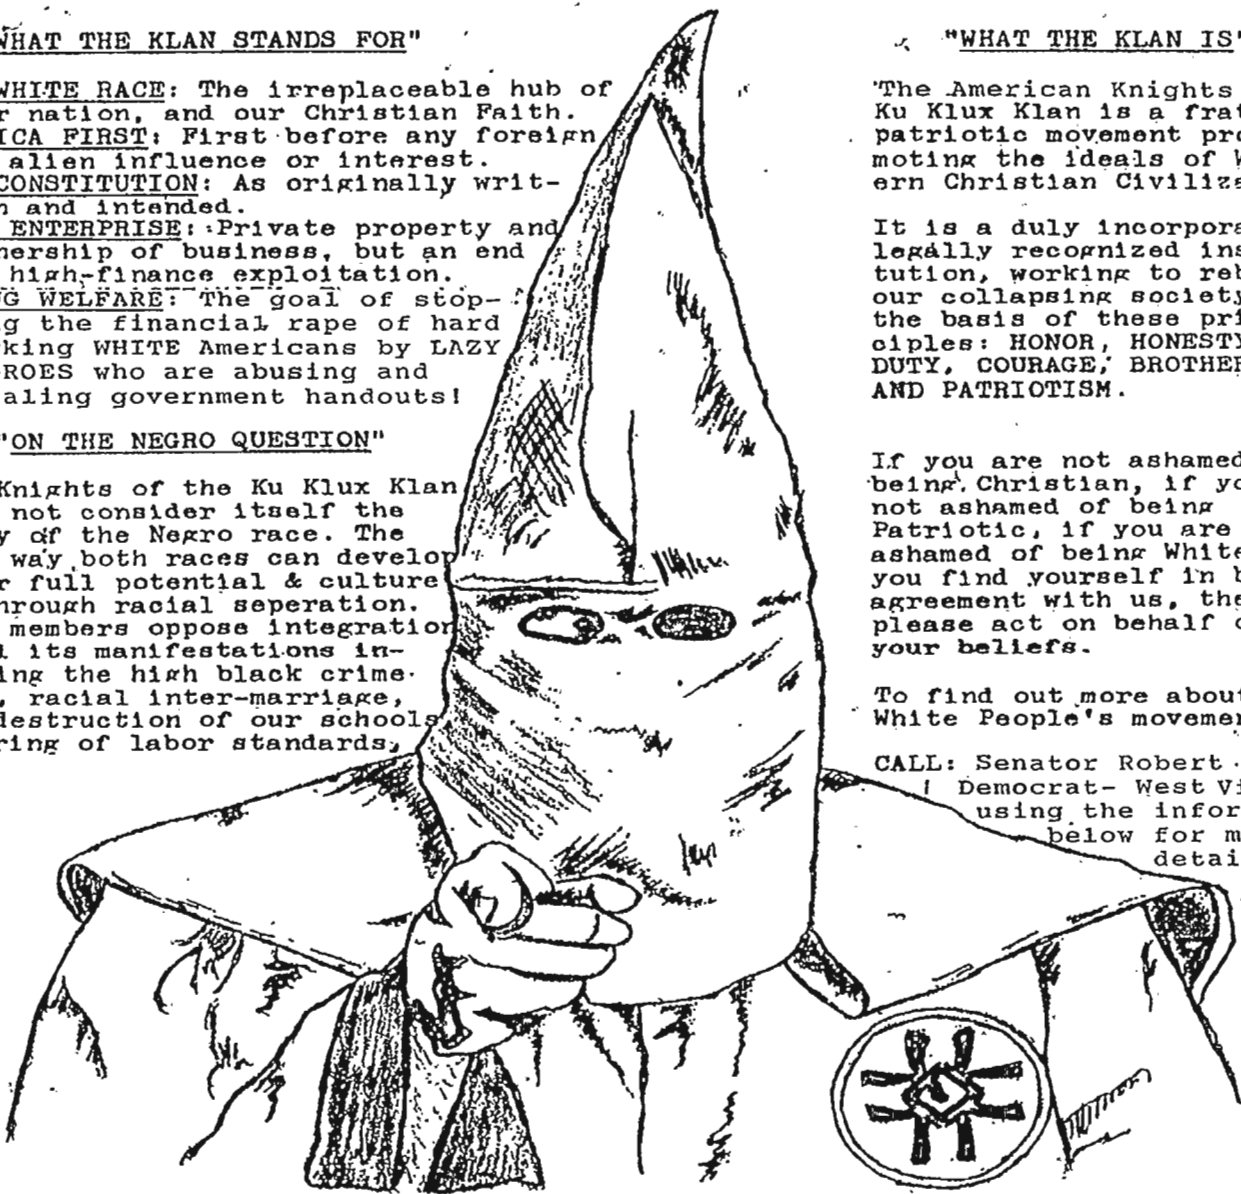

The American Knights of the Ku Klux Klan is a fraternal, patriotic movement promoting the ideals of Western Christian Civilization.

It is a duly incorporated, legally recognized institution, working to rebuild our collapsing society on the basis of these principles: HONOR, HONESTY, DUTY, COURAGE, BROTHERHOOD, AND PATRIOTISM.

If you are not ashamed of being Christian, if you are not ashamed of being Patriotic, if you are not ashamed of being White, if you find yourself in basic agreement with us, then please act on behalf of your beliefs.

To find out more about the White People's movement:

CALL: Senator Robert Byrd, Democrat- West Virginia using the information below for more details.

Synopsis: Request for 1B evidence to be converted to 1A evidence since captioned matter has been closed.

Details: Captioned matter was opened after Congressman Alcee Hastings office received a mailing from the KKK that displayed the Seal of the United States Senate. The mailing was forwarded to the FBI Laboratory for examination. The lab conducted both document and fingerprint analysis on the mailing and envelope and developed one latent fingerprint. The fingerprint was compared with available databases, but no match was made.

The document analysis produced no items of evidentiary value.

There are no subjects at this time. All logical leads have been covered.

It is requested that all 1B evidence be converted to 1A evidence so that the evidence can be maintained for future use if a subject is identified. It is further requested that the evidence be clearly marked as fingerprint evidence so that while packaged as 1A evidence it is not tampered with, thus limiting it's use at a future trial date.

Date specimens received: August 20, 2003

The following specimens were received in the Questioned Documents Unit:

- Q1 Envelope bearing typed address "Rep. Alcee Hastings 5725 Corporate Way Suite 208 West Palm Beach, FL. 33407" (1B1/E03642247)

The typewriting on specimen Q1 most closely corresponds to Laboratory standards for a Courier style of type. This style of type may be found on Brother and other name brand typewriters.

The typewriting on specimen Q1 was prepared using a carbon coated plastic ribbon. This type of ribbon retains readable text suitable for comparison with the typewriting on specimen Q1. Therefore, should any ribbon(s) suspected of being used in the preparation of specimen Q1 be located, the ribbon(s) should be removed, secured, and submitted to this Laboratory for examination and comparison. Specimen Q1 should be resubmitted at this time.

Specimen Q2 was prepared using a photocopy process available on numerous laser printers and photocopiers.

Remarks:

Specimens Q1 and Q2 were searched in the Anonymous Letter File with negative results. Appropriate information was added to this file for future reference.

You will be advised separately regarding the Latent Print examinations and the disposition of specimens Q1 and Q2.
