USE OF FORM 0-73

1. Only incoming teletype messages which require transmission relay may be prepared for transmission using form 0-73. Use of form 0-73 is restricted to incoming teletype messages received within the last 3 days which require transmission relay; all other teletype messages must be prepared using form 0-93.
2. Additions such as notes and administrative data for a specific addressee are not allowed. If a note or administrative data is required for a particular addressee a separate 0-73 form must be prepared.
3. The message will be transmitted just as it appears. The person approving the message is solely responsible for assuring all necessary editing changes have been made.

PREPARATION OF FORM WHICH CONSISTS OF A PREPRINTED YELLOW.

1. Complete appropriate boxes: date, classification & precedence.
2. List addresses immediately following the "TO" or place a check mark in the appropriate boxes.
3. Type or PRINT the subject in the space provided.
4. Print or type originator's name, room number and telephone extension.
5. Indicate approval for transmission by initialing the "Approved By" box.

PREPARATION OF MESSAGE TO BE TRANSMITTED

1. Xerox 1 copy of incoming teletype message. A notation shall be made on the original incoming teletype "1 copy made for relay to SACS \_\_\_\_\_, (OR LEGATS) \_\_\_\_\_, (OR GOVERNMENT AGENCIES) \_\_\_\_\_."
2. Minor editing changes shall be made on the xerox as follows: using a lead pencil ONLY draw single line through the first and last lines of the heading and connect these lines from top right to bottom left forming a "Z," figure. (DO NOT OBLITERATE THE HEADING.) Use horizontal lines to delete sentences or words. Printed changes of a word or two to the text of the message may be made; however, changes to the existing text involving more than a word or two necessitate the originator to initiate a new message using form 0-93.
3. Administrative data or notes may be typed immediately following the text and will be transmitted to all addressees.
4. When using the 0-73 form to disseminate information to field offices, Legal Attaches and other Government agencies simultaneously, the text, notes and administrative data must be identical for all addressees.

On May 4, 1981, [REDACTED] was interviewed at his residence in [REDACTED] West Virginia (WV), regarding his proposed trip to the Washington, D.C. area between April 19-23, 1981.

b6  
b7C

[REDACTED] advised that he never went to Washington on his scheduled trip. [REDACTED] advised he had planned to go to Senator Robert C. Byrd's Washington Office and complain about the Kanawha County Sheriff's Department Deputies and the West Virginia State Police (WVSP) [REDACTED]

b6  
b7C

[REDACTED] advised that prior to planning his trip he first wrote a letter to Senator Byrd's office regarding his above complaints. [REDACTED] stated that he received a reply from the Senator's Office but did not reveal its contents. After receiving the reply, [REDACTED] telephoned the Senator's Washington Office and spoke to an unknown female. During this telephone conversation, [REDACTED] stated that he alleged that the WVSP [REDACTED]

b6

[REDACTED] advised that his original plan was to drive to the Washington, D.C. area and stay with a friend in Annondale, Virginia [REDACTED] advised though that since both Senator Byrd and Jack Anderson were going to be out of town he decided not to go to Washington.

b6  
b7C

[REDACTED] stated that he bears no ill feelings toward either Senator Byrd or columnist Jack Anderson. [REDACTED] advised that he never has nor does he presently have any intention of physically harming either Senator Byrd or Anderson.
