[redacted] and Marlin - good afternoon. Sorry to bother you on the weekend, but wanted to check-in with you regarding the planned protests on 5-6 January. Any specific concerns (indications and warnings, threat, or increased FBI posture) regarding protests in DC (or elsewhere) that DoD should be tracking?

Thanks in advance for any perspective you can provide. Happy New Year!

Very Respectfully,

[redacted] and Marlin - good afternoon. Sorry to bother you on the weekend, but wanted to check-in with you regarding the planned protests on 5-6 January. Any specific concerns (indications and warnings, threat, or increased FBI posture) regarding protests in DC (or elsewhere) that DoD should be tracking?

Thanks in advance for any perspective you can provide. Happy New Year!

Those are the current names that DI Security has. The plan was to have a meeting this month to discuss and review, but I had them pull it now since we should ensure that is who we want to participate from the IB now since it takes a few days to process anyone new out there.

Cheers,
