WACMUR MC 80  
SITUATION BOARD LOG  
FEBRUARY 28, 1993 - APRIL 19, 1993

The WACMUR Situation Board Log was maintained during the Waco standoff while negotiations were ongoing with DAVID KORESH and the Branch Davidians. It contains paraphrased conversations between the Davidians and Hostage Negotiators along with the dates and approximate times that the conversations occurred. Quotations marks were used to notate any direct quotes. Some information contained in the log was entered for informational purposes and was not taken from any conversations, such as information provided by the Hostage Rescue Team who were able to see the Davidians doing such things as picking up and retrieving packages delivered to the Compound and movement in and around the Compound.

This log was maintained separately from the log maintained by the members of the Austin Police Department, Austin, Texas. This log does not refer to any tapes where negotiations were recorded. The times correspond (with minor differences) to the log maintained by the Austin Police Department.

The log begins with the arrival of the Federal Bureau of Investigation (FBI) at the Waco Police Department, Waco, Texas, on Sunday afternoon, a few hours after the shootout on February 28, 1993. All negotiations information transcribed on this log occurring between 2:17 p.m., on February 28, 1993, and 3:57 p.m., on March 1, 1993, was a result of direct contact between the Waco Police Department and the Compound via WAYNE MARTIN's telephone line at 799-1247 and indirect contact with the ATF Command Post via a second line. All information from the ATF Command Post line into the Compound came second hand to the log keeper at the Waco Police Department. All information transcribed during the above time period therefore came from both sources. All information transcribed occurring after 3:57 p.m., on March 1, 1993, resulted from direct contact into the Compound via the "main line" at telephone number 799-0545.

The log contains abbreviations and some minor typing errors resulting from the speed at which the conversations had to be transcribed and the fact that the information was quickly disseminated to law enforcement personnel with only a cursory proofreading done. The log was meant to provide an up to the minute report of events as they occurred and is not a verbatim transcript. It is therefore somewhat sketchy in places, but the reader should be able to obtain a general understanding of the events as they were occurring.

CP: Stresses need for peaceful conclusion and comments on sincerity of tape.

STEVE: responds with praises of DAVID. Emphasizes his dedication to DAVID.

22:38

JULIE: CP tells her that they have recorded tape message from her brother, JOE. Tape is played.

CP: Asks JULIE if she wants to leave.

22:40

JULIE: "I don't know" "If I come out, I'll go to prison"

CP: You have nothing to worry about if you were not involved in the incident.

JULIE: My room was over door.

CP: Come out to tell your side of the situations.

JULIE: The women that left had legal problems.

CP: Come out to talk to media and have your involvement made known.

JULIE: Children do not want to leave.

22:46

CP: Your judgement is better than your childrens'.

JULIE: Mother does not want to leave.

CP: Bring her out, too. At least come out with children where you know it will be safe. Safety in compound is questionable.

CP: You are ultimately responsible for safety of children.

JULIE: How can I come out based on everything on radio.

22:52

CP: Weapons are unsafe for children to be around. Come out and let's see who's at fault.

JULIE: No body can beat the government.

CP: The media is closely watching nationally and internationally.

JULIE: If we go out we are going to jail.

CP: The courts and justice system will be fair and will be carefully watched by the media.

MARCH 8, 1993 continued

23:00

CP: You have responsibility for yourself and children. Are you speaking for yourself or is someone else speaking to you. Hearing whispers from others.

CP: Come out to safety for childrens' sake.

JULIE: Children will be mistreated.

CP: No, they will be treated well but they need parents most.

JULIE: You have separated them from parents.

CP: DAVID has split those families

JULIE: DAVID has been good to kids.

CP: JOE is telling you to come.

JULIE: Don't trust the government. No one will let me tell my side of the story.

CP: This system allows fair treatment of all and all media will want to hear her story.

23:09

JULIE: Don't trust the government. Understand why brother is worried. I'd be strung out in the streets if I wasn't here. Nobody will listen to me.

CP: Have you had any experiences in the justice system.

JULIE: Got off for first offense but also was beaten up by cops.

CP: Federal system is more fair and more advanced than others.

23:13

OPHELIA: Previous tape from JOE is re-played. (OPHELIA is JULIE's mother)

CP: Do you want to come out?

OPHELIA: No, son does not understand everything going on now. Believes that God is directing DAVID.

CP: What do you believe is going to happen in next few days.

O: You are going to kill us.

CP: No. Must come out for safety and media and everyone will be watching.

O: You people turn things around and lie. Is Moses and Noah directed by God?

CP: Yes

O: The same way DAVID is.

MARCH 8, 1993 continued

CP: No

JULIE: Asked where grandmother CONCEPION ACUNEA is?

CP: Do not know without more information.

JULIE: You will probably arrest her, too. Heard that this will end this week. You are going to drive tanks thru walls.

23:20

CP: Tanks have not hurt anybody.

JULIE: Not yet.

CP: How do you want to end this.

JULIE: God to deliver us from evil.

CP: If JOE wants you out, why don't you come out to him if he is at the end of that driveway.

JULIE: No, be using him to get me and I'd fall in enemy hands.

CP: Will you come out?

JULIE: I can't. I'll come out when everyone else does. Waiting for God to tell us.

CP: Somebody has to be a leader to show everyone else. JOE may be the person who GOD has chosen to deliver you.

JULIE: You would bring JOE here?

CP: Yes, if you would come out.

JULIE: You are using him as bait.

CP: No - not true.

JULIE: Tell JOE I love him and take care of grandmother.

CP: Come out and you can take care of her yourself.

JULIE: I'll go to jail. Trial won't be for a year.

CP: Possibility of making bond so you can take care of grandmother and kids.

JULIE: You guys came in to try to wipe us out. Moved media away so that there are no witnesses. Radio says that tanks will run thru building's walls.

CP: None is true. (Refutes each separately)

JULIE: Give us time. Don't rush us.

23:30

CP: DAVID says that this will all be resolved in tape. Come out so that you can tell your story. No one will harm you. I know that there is a T.V. show that all will be watching at 12:30 a.m. called Current Affair.

MARCH 8, 1993 continued

JULIE: They killed all our dogs. I want to look after grandmother. Shot at kids. God must have protected them because bullets so close. Don't want to go to jail.

CP: Closest to jail is where you are now.

AUDREY: Age 13 (daughter of JULIE)  
Sisters and mother all sleep together.

CP: Do you want to come out and be with other children?

AUDREY: No

CP: If you come out you'll be safe. Remember JOE in Arizona? (Uncle)

AUDREY: Yes, but rather stay in compound.

CP: Can you get on next video. Want to see what you look like.

JULIE: Want to think about it.

23:45

CP: I can have JOE at the end of the driveway beckoning you.

JULIE: God works in mysterious ways and I'm going to follow what the Lord says. Need time to think about it.

CP: I'll call JOE and tell him that you love him and...

JULIE: Need time to think about it.

CP: Who else can I talk to there?

STEVE: A lot of reports in media. Some are very different.

MARCH 9, 1993

00:05

CP: Discusses obscenities, giving the finger. Can't be too terrible because it's painted on DAVID's guitar.

STEVE: Guitar has "bird" finger - as a biblical reference. Sermonizes...

CP: [SUE JOHNSON (audio tape played)]  
(sister)

00:11

STEVE: Sister is very sentimental/emotional.

CP: Reads article about STEVE to him.

Portrays STEVE as embittered. Involves STEVE's wife JUDY as target of DAVID and being taken away from STEVE.

CP: Do you miss the way it was?

STEVE: She's right here and it's better than it was.

CP: Questions, motivations regarding compound's activity, i.e. sex, money.

STEVE: Repeats accusation above (rephrases)

MARCH 9, 1993 continued

CP: Addresses control, greed, and money issue.

STEVE: Book called Great Controversy - White is pertinent. Denies one person is in control. Begins sermonizing...

CP: Do you have to share JUDY with DAVID?

STEVE: Not at all.

CP: Does JUDY have any babies with DAVID?

STEVE: After repeated pauses he advises that

JUDY has a baby, but does not admit that david fathered the child.

00:30

CP: "I think you answered whether any babies of JUDY are by DAVID". (Implying DAVID's prolonged silence)

CP: How were you persuaded to become such a devoted member.

STEVE: Not into feelings.

CP: I disagree. I see the picture of you and JUDY and it shows that you are into feelings.

STEVE: Sermonizes...

CP: It's really hard for you to talk about JUDY.

STEVE: "Do you want to talk to JUDY? "

CP: No, you know what I mean. I want to talk about JUDY.

STEVE: Pause

CP: It is really hard for you to talk about JUDY.

STEVE: Reiterates previous allegations of unwarranted offensive action. Mentions dogs' deaths, shooting of area of compound where women and children are, Bradleys on property. "God told DAVID and DAVID told ROBERT, go out and do what you have to do."

CP: You have a degree in theology - comment on article which stated that all women belong to DAVID. You could have done many things.

STEVE: "I am looking for the truth. Article quote on "women belonging to DAVID" is incorrect."

CP: Were you aware that you had to give up your wife?

STEVE: Denies that this is the case.

MARCH 9, 1993 continued

CP: You had everything going for you, education, a future, etc., but an earthquake occurred in your life.

STEVE: "Are you a spiritual man?"

CP: Not pertinent when lives are in the balance. You have gambled with your life.

STEVE: Amazed at the way DAVID has opened people's eyes and enlightened them. (More adulation on DAVID)

01:18

CP: Enjoyed video and helped to see conviction in your face and am encouraged that we will have peaceful resolution.

DAVID: Comments on Current Affair show. Says that as moral authority higher, the number of followers decreases.

CP: Will God resolve this situation safely?

DAVID: Sermonizing about his contentions.

CP: Tries to get DAVID to cease sermon.

DAVID: When talking to D.K., you are talking to witness of biblical theology as D.L. lives life. Asks that FBI negotiators refute his argument regarding 7 seals.

CP: People have a lot invested in him. Gave up money, their livelihood, etc.

01:30

DAVID: Denies above. Says it comes down small vs. large group. Will not come out because it discredits association with God.

CP: Thanks for videotape. Believes that great commonality exists. Hope for peaceful resolution.

DAVID: Discusses children being placed in foster homes/custody of kids.

CP: Believes last 24 hours are encouraging. Calm people inside that compound will be stormed.

DAVID: Tried to communicate with ROBERT GONZALEZ before shooting re: the necessity of any offensive action.

CP: Between the courts, media, and all people and authorities, your side will be heard and tried.

DAVID: "Thanks for being kind." Sheriffs in Waco have been good to us.

CP: Discusses finishing with DK. Are you going to come out?

DAVID: "I'd like to, but a few things that I need to resolve. Get priests to answer seal."

obstinate.

We're going to do another video.

"Where's JAMIE?"

C.P.: Explains how the kids are being cared  
for.

How can we move forward today?

DAVID: 2 ways...

1. Take away the foundation of why these  
people are here (that only the lamb can  
show the 7 Seals) (so show me the 7 Seals).

2. ? (doesn't explain).

C.P. What can we get accomplished?

DAVID: (doesn't answer) we're going to make a

11:10 DAVID: "I cannot subject another mind to  
leaving  
when they don't want to.

11:11 DAVID...my people are committed to following  
Christ's word. You have twisted what JULIE  
has  
said. She speaks slowly etc...because of past  
drug problems..., but she is not ready to  
leave  
like you imply...

11:15 DAVID: Show me where the 7 Seals are...  
C.P. How about an infant?

C.P.: Explains their (the older ladies) situation...  
DAVID: No one's getting any sleep...

11:22 C.P.: Show that you're working with us, let's do something positive...  
DAVID: You don't understand, it all goes back to when we were talking to him. The kids were supposed to go to their families and we are highly insulted to see that you're holding them with strangers etc...

11:27 C.P.: Hey the Government has some major, major problems with this case...!  
DAVID: Why not cut back a bit and give these people some time to think. Some people are in here that I haven't seen for 6 days (we're not all a bunch of praise God types)...

11:30 C.P.: Let's get something going!

11:30 DAVID: "We are. Let's pretend you're a man about to go to a firing squad, you'd want a little time to (get your mind right...)".

11:32 "What about TILLIE and TRUDY?"  
C.P.: Nothing's happened to them...

11:33 DAVID: "If you hear me say that my faith in God is greater than my (love of life), then you'd find a way to call it a threat..."

11:34 .....7 Seals.....

11:35 C.P.: I'm not pushy, but can we get something going?  
DAVID: We are.

11:37 DAVID: OK, OK, let me do this for you. Send us the tape you've made and...  
\* Then possibly maybe one of them (the women) might even come out. Help them understand that you people are not a dark, gloomy myth...

"We'll send out tape."  
C.P.: "Send someone out with the video."  
DAVID: We haven't established that anyone here wants to come out. Let me talk to you  
"Servant to God to man." You have to understand that I'm dealing with God, not you. I feel that you should back off and let people here make their own decisions.

17:09 C.P.: We're trying to buy time for you, but you've got to give us some consideration.  
DAVID: "We're hoping to get a doctor in here tomorrow. Someone in here's got a hugely swollen finger (index, left hand). She (30's) doesn't trust you and won't come out."

17:13 DAVID: I heard our property in California got raided by ATF. This cowboy and indian stuff has got to stop...

17:14 C.P.: Send out injured women:  
What will it take?  
DAVID: She doesn't want to go. To fix it you need to go back to last Sunday and have ATF do the search warrant right...  
C.P.: Explains how this can all be ironed out.

MARCH 9, 1993 continued

17:18                   DAVID: Let's get this tape made and give us a chance to recuperate a little bit. I don't see that we're stuck, you just disregard that these people want to stay.....let me put the injured lady on...

17:22                   JUDY on line.  
Describes injury (finger); sick to stomach...

17:24                   C.P.: That sounds bad.

17:24                   JUDY: So send in anti-biotics or send in a doctor.  
C.P.: Come out, we'll get you a doctor.  
JUDY: I'm not leaving. The BATF and FBI are corrupt and perverted, they came in firing... I don't trust the U.S. Government. If you can come out, great, if not, well...  
"Better to lose a finger not a life..."

17:28                   C.P.: Come out, what's to fear?  
JUDY: The beast...I'm not coming out.

17:29                   JUDY off.

Some talk about JUDY... "She doesn't trust you."  
  
Describes injury (bullet went down her finger...)  
C.P.: Get her to a doctor!  
DAVID: She doesn't trust you.  
You handcuffed the ladies, you charged them with murder...  
You have animosity because they're associated with me...

17:36                   DAVID generally keeps avoiding the issues...

17:37                   C.P.: Let's get her treated.

17:38                   DAVID: She doesn't want to.  
I can't speak for her, she says she wants to wait.

JUDY's finger looks really bad.

MARCH 9, 1993 continued

17:41 C.P.: You can give her a little push, send her to a doctor!  
RACHEL: If there was someone out there who wanted to come in, you wouldn't let them would you?  
C.P.: That's true, for safety reasons "simply and plainly no."

17:45 C.P.: We'll call and get medical advice.

17:46 RACHEL: So say she comes out, what happens after that?

17:47 C.P.: Explains that she won't be charged. Older ladies are out.

17:48 RACHEL: Well who got them out?  
C.P.: COKER  
RACHEL: So they're here in town huh?  
C.P.: I don't know, but there's no reason that JUDY shoudn't come out! She could lose a finger or a hand, and it's just not worth it for her to stay... (over a fear that we'll hurt her).

17:51 RACHEL: I'll tell her.  
You know what's funny? You sound young and like  
JIM...  
JUDY doesn't want to come to the phone.

17:54 "What will be the charges against DAVID?"

17:55 C.P.: I'd have to check, but the distance between a charge and a conviction is a million miles apart.

STEVE: "I'll try to ask everyone daily if they want to leave." They respond that they want to stay.

CP: DK has a great opportunity for media attention now.

23:58

STEVE: He realizes that.

CP: Media's attention is diminishing.

STEVE: He realizes that, also. Expresses that he want to do the correct action according to the bible. Questions the correctness.

CP: We are losing our credibility and flexibility in dealing with the situation. Others are moving towards the situation and are slowly taking control. Give us back our credibility by demonstrating that you want our approach to progress and not the more inflexible approach to take control.

MARCH 10, 1993

00:01

STEVE: Acknowledges above but feels must wait for correct action.

CP: Discusses how STEVE has contributed to DK success. Advises that credibility can be restored with adult be released from compound.

00:04

CP: We are your best friend on outside. We don't want situation to deteriorate. We need your help to move toward peace.

STEVE: You overestimate my influence.

CP: Why can't you accept credit for influence and intelligence?

STEVE: Attributes DK's knowledge and understanding to be much greater.

CP: Not matter of knowledge, matter of presentation. DK is a big B.S.'er.

STEVE: (Disagrees and continues to praise DK)

00:10

CP: You have most credibility, organization, drive to keep the group going based on FBI interviews of former cult members.

STEVE: Denies that he is important and continues to praise DK.

CP: Asks who would represent former members and be their leaders? Who will pick up pieces and move forward when this is all over?

MARCH 10, 1993 continued

STEVE: Discusses comparative religion and how he feels strongly committed to cause.

CP: Asks about past. (References read from newspaper article.) Relationship with wife JUDY is discussed.

00:20

CP: Asks where the situation is desired to go. Type of resolution wanted.

STEVE: Don't know. Asks whether people want to leave.

CP: How about throwing up hands in disgust and walking out compound.

STEVE: Don't you think I've considered.

Advices that he has daily struggle with questioning. Request someone to question DK and win biblical debate.

00:28

CP: No one can win debate with DK because he manipulates debate/discussion and declares himself the victor.

STEVE: Denies allegations. Sermonizes...

CP: Alleges that DK has women, material possessions, power, etc. and fears to come out because who will not have same situation on outside.

STEVE: Replies that all have money.

00:42

CP: "He's on the throne" and controls organization. Fears going out cocoon. Requests that STEVE review Rules of Federal Criminal Procedure to assure DK of the fairness implicit in the process.

STEVE: Will review with WAYNE who has law books.

CP: Review books individually because WAYNE's perception of FBI is incorrect.

STEVE: Discusses that the ATF was aggressive and that DK would have gone peacefully if approached peacefully. Emphasizes that action was unwise and precipitated the response given. Shot at women and children. No body tipped us off. PERRY was looking out window and spotted suspicious activity by water tank. Saw 2 cattle trucks and heard shooting.

CP: How are these situations resolved? The courts resolve with a hearing. Your losing credibility with delay. Evidence getting stale. You should confront your accusers.

MARCH 10, 1993 continued

00:59 STEVE: Heard a firecracker. One of the kids lit it. (Pause) Checked and confirmed that child lit firecracker and is being punished.

01:00 [Forward TOD advised of above]  
CP: Discusses why no one has come out in many days.  
STEVE: Waiting for DK's health to improve. Maybe DK wants to be healthy enough to walk out when he feels it's appropriate.

01:08 CP: Discuss judicial system with DK and WAYNE. If Sheriff HARTWELL can be of assistant to explain judicial system, please advise. And if funeral is desired, inform CP. Emphasize that no positive reinforcement has been received and that credibility of negotiations has been diminished.  
STEVE: Acknowledged he will do above and give him until 9-10 tomorrow.  
CP: Help us show progress in this approach so that tactics are not changed. Must have something positive, soon.  
STEVE: (Amicable good-byes)

C.P.: Says CLEEVE was concerned about where he would live/where he would stay. States that CLEEVE is Australian citizen.  
STEVE: Mentions he would do a video of entire group/nationality. Perhaps they would leave as a group.  
C.P.: Asks if he would like to lead them out as a body.

22:19 STEVE: (Laughs) Ignores question and advises that he understood meaning.

MARCH 12, 1993 continued

D.K.: Says he could have concealed any violation. Their position is plain and easy just requiring listening and being reasonable. Discounts association with "SUE" from radio. Mentions Mother receiving \$75,000.00 for movie rights. Calls her "cheap sellout". Wants his record to be made known.  
C.P.: Discusses rapport that has been established with negotiators. We continue to knock on doors...  
D.K.:...Without battering ram. Sad incident two weeks ago. We called for cease fire.

22:29 D.K.: Remorse on both sides. Give us time for sake of students exercising decision making independent. Defends students ability to decide of D.K.'s influence.

22:32 D.K.: Begins discussion of 7 seals....  
C.P.: Advises that he does not want to refute his beliefs. Wants him to come forward to make truth known.  
D.K.: Continues his sermon...  
C.P.: Asks about health.  
D.K.: Weak. Sciatic nerve problem.  
D.K.: Discusses his health. He is aware of healing process. Do not converse with me regarding other people's decision. People must make decision on their own.  
C.P.: Why did KATHY and OLIVER decide to come out?  
D.K.: What did she tell you and what did you see on video?  
C.P.: Did not see or talk to.  
D.K.: Sermon regarding truth. (Historical references to Christ.)

22:42 C.P.: I think we've accomplished something (in negotiation).  
D.K.: It's in the making.  
C.P.: Communication and understanding what is desired.

D.K.: I wish you'll have dealth with this rather than ATF. Commend STEVE's faithfulness to D.K.

C.P.: Wants D.K. to get some rest. No movement on our part yesterday.

D.K.: We don't lay down and die for anybody. Knew that C.P. would not do anything like that.

STEVE: Asks about magazines.

MARCH 12, 1993 continued

22:51 C.P.: Will find out status of magazines and get feed for ducks.

22:53 Call terminated.

23:11 STEVE: Complained of power shut down.

23:11 Call terminated.

23:20 C.P.: Advises that "bosses" have made the decision.

STEVE: Wants to know names of bosses. Asks what they want?

23:22 C.P.: Wants more activity, people to come out of compound.

STEVE: Says that normal reaction is to do the opposite. Angry at all efforts to talk to people so they can make their decision. Says that turning power off is just like what ATF did two weeks ago. Threatens to pull wires off wall because it looks like communication is not what is desired, as demonstrated by action.

D.K.: You know what this means don't you?

C.P.: Frustration because of no tangible results from negotiations.

D.K.: (Silence) Say that turning power off is like what ATF first did. What do you think this means to guys who were going to come out?

C.P.: Want tangible results.

D.K.: Wasn't KATHY and OLIVER tangible results.

Say C.P. does not really care about welfare of those inside. You really want to push.

C.P.: Communication is what works.

D.K.: Threatens to terminate line to compound.

Does not like lives controlled.

C.P.: Last two weeks we've been communicating with positive results.

23:33 D.K.: This has not been positive. Tell those "pushy guys" to turn power on; inform them of our good rapport. Call me back and advise of decision to turn power back on.

23:34 Call terminated.

MARCH 13, 1993

05:51 C.P.: Calls STEVE and tells him he regrets power was turned off.  
STEVE: Says was shocked at action and the ones that were leaving are planning on not going now.  
It's like starting (negotiations) all over again.  
Goodbyes.

05:54 Call terminated.

08:16 STEVE on line.  
Right now it's worship hour.  
STEVE: Haven't seen him since late last night.  
C.P.: So where do we stand? Can we continue?  
STEVE: Well it doesn't look good. Things were going so well, I was working so hard and then all of a sudden I'm talking to JOHN, and at about 11:15, the power went out.

08:20 C.P: Well we just found out about it this a.m.

08:20 STEVE: "It's like a childish game" you guys are playing.

08:22 C.P.: Well it wasn't our idea, we're doing the best we can...let's continue working together.

08:23 STEVE: "Now these guys aren't even talking to me" (the ones that were going to come out). They said see I told you we can't trust these people.  
...Starts talking about shootout, PERRY JONES was hit in the arm and the stomach...  
"I guarantee no one will get out" (if this continues).

08:26 STEVE: I was at the other end of the hall from DAVID when this thing started...

08:28 STEVE: Starts talking about U.C. Says there was no leak, nobody called us. PERRY JONES was looking out and heard an alarm and saw some unusual activity...let me talk to a ranger?

08:31 C.P.: I don't know.

MARCH 13, 1993 continued

08:32 STEVE: I had such great hope yesterday, time was an element that was working...

08:33 STEVE: It's like starting all over today. These people don't even want to talk to me now.  
C.P.: We're frustrated too...  
STEVE: ...Talking about CLINTON, SESSIONS, REAGAN...

08:35 STEVE: I don't buy that you can't communicate better with your commanders...I wasn't born yesterday you know...I know that you guys are analyzing us with psychologists and all that... starts preaching about the injustice done to them...

08:38 STEVE: Starts talking about U.C. and DAN CONROY not "giving a crap about" them and having murder in their eyes...

08:40 STEVE: DAVID has been talking about this star (guitar nebula) and all of it's meaning ...starts preaching about how great DAVID is...("If you'd just listen!")

08:42 ...Still preaching...  
...JOHN PAGADO (former base player).

08:43 It's freezing cold in here, but these people can handle it. It was a big deal that OLLIE didn't call back yesterday after he left...(it deterred the guys who were going to come out...).

08:45 C.P.: Let's keep things going...  
STEVE: Well the dragon is speaking like a lamb and we don't trust you...

08:46 STEVE: All these tactics you're trying have not made DAVID happy at all. It's going to go counter to what I've been trying to do. "The wheels were turning."  
"It's a mind blower to me" (that your commanders would stop the momentum).  
C.P.: We were disappointed too...

08:50 STEVE: Cutting the power has been a "huge, huge setback."  
We were frustrated last night, we wanted to pull the plug, rest up, and deal with you later...

MARCH 13, 1993 continued

08:53 STEVE: No matter what you say, these people in here have lost faith. We're back at square 1.  
I had thought this would get bigger.

08:54 STEVE: I was ready to leave myself (I thought about it).

08:55 STEVE:...talking about the past two weeks... the Bradleys...the shootout...says the Government wants to cover this up, kill us all, burn down the building...

08:57 I want to see the press unstifled. This is "Big Brother..."

08:58 STEVE: I'll go talk to people, but it's going to be hard. There wont be anything easy.  
KEVIN has no thought of leaving now.

09:00 STEVE: These commanders are lacking in dealing with people...

09:01 STEVE:...praising DAVID, the people in the compound...talking about life at the compound (purposely kind of rough).  
...preaching....

09:07 STEVE: About 11:00, I was waiting in DAVID's room for JOHN to call back and all of a sudden, the lights went out.  
...goes on...

09:08 STEVE: Is there going to be a press conference?  
C.P.: Yes.  
STEVE: I'll be interested to see what they say...

09:10 C.P.: Can I ask you a favor? Can we continue?  
STEVE: I don't want to lie to you, but now it's serious. The look on DAVID's face last night, he didn't speak for an hour, then he said we're all counseling together with God. I don't know what I'm to do today. Right now I'm not going to bother him. "It's so cold in here. What happened to JOHN?"  
C.P.: He's out of pocket.

09:14 STEVE: So JIM (ATF) has taken off?  
C.P.: Yes.

MARCH 13, 1993 continued

09:15 STEVE: Talks some about GARY and the early negotiations...How he's (STEVE) portrayed as being tempered...  
...talks about the past 2 weeks...

09:17 We're back to square 1, I'll talk to people, but your trust has been broken (by cutting the power). I don't know what it's going to take, you have no substance with me and I don't with them, they think I'm trying to pull something over on them. It's like a guy trying to run a race with one leg taken away...  
C.P.: Yes, but we've got to keep moving forward, keep trying...  
STEVE: You have people who have a little freedom left here and they don't know what's out there.  
ATF wants blood, I want to see them charged with murder, I want them to lose their jobs...  
...preaches against ATF...

09:24 ...still preaching...

09:27 STEVE: Let me ask you a question. What do you have on me?  
C.P.: You'd be interviewed, held as a material witness...explains process...  
STEVE: What do you mean "held" as a material witness? Where would I go?  
C.P.: Explains  
STEVE: Where's MARGARET LAWSON and KATHRYN MATTSON now?  
C.P.: We'll find out. Explains process further.

09:32 STEVE: I'm trying to learn so I can help those still in here. Without me they wouldn't work with you. If I left, it wouldn't matter, they would all remain.

09:35 C.P.: Explains that compound is their property...  
STEVE: Where's JOHN COX?  
C.P.: He left this morning.

09:37 STEVE: Have the commanders been following this closely?  
C.P.: Communications are directed toward them, yes.  
STEVE: Are you religious?  
C.P. Somewhat.  
STEVE:...begins to preach...

MARCH 13, 1993 continued

09:42 STEVE: We thought music would be our vehicle  
(to deliver the message).  
C.P.: We'll call you later.  
09:43 Contact terminated.

12:44 STEVE on line.  
C.P. advises STEVE that counsel is available  
to him and that an attorney (ZIMMERMAN) had  
been retained for him by his sister.

12:46 C.P.: Reads STEVE's sister's letter.  
STEVE: What? That's the strangest thing I've  
ever heard.  
MARK BREALT has made up "lies, slander,  
innuendo about us." "He's done everything he  
can to hurt our group..."  
You tell my sister that she should have  
nothing to do with him...

12:51 JOHN on line to clarify STEVE's sister's  
message:  
STEVE: OK (generally very quiet, subdued...

12:53 STEVE: Starts to talk about how bad things  
are looking since we cut the power. I talked  
to BRAD and he doesn't want to talk about  
coming out now -  
"You can thank your commanders for that."

12:56 ...Tap dancing about how hard things are going  
to be now...

12:58 STEVE: I have my doubts that your commanders  
want us out safely.

13:00 STEVE: I don't get any breaks here, you guys  
are calling all the time.  
STEVE: These people are losing their trust in  
you.  
You people are not together in what you're  
doing.

13:03 STEVE: "So was there a press conference  
today?"  
C.P.: Yes.  
STEVE: People here are burrowing in.  
C.P.: Reads 3/13/93 media release to STEVE.  
STEVE: JUDY's finger looks bad, it looks  
worse than on the video." She says she'd  
rather lose her life at this point."

MARCH 13, 1993 continued

13:11                    You guys could send in a doctor any time. Let me remind you that we originally called you (on all). We have the highest regard for life here. (STEVE is becoming more animated, loud). "You have more power than the press." ...preaches on America going down hill... If you would send in a doctor it would go a long way toward JUDY having faith in you. "Why don't we go on for days and weeks until you bring in your tanks." JUDY got shot "reaching for a baby bottle."

13:15                    You've gone against everything we agreed on with JIM. You're smashing motorcycles... It's not been a 2-way street...you bring in milk then cut the electricity, I'm trying to talk to these people. Make it believable.

13:18                    C.P.: Proposes that you send people out...  
- STEVE interrupts him - "How do you send someone out who doesn't want to come out?!"  
DECK, DECK come back to Earth! Don't waste your time!

13:22                    C.P.: So come on out.  
STEVE: We are so far apart right now. It made a huge difference, what JOHN had said. "Somebody acts contrary to what JOHN said."

13:24                    C.P.: What if doctor looks at JUDY and sends her back?  
STEVE: That would be good.  
C.P.: But It'll cost you, how about 3 kids?  
STEVE: The kids are not in my hands, they are DAVID's. I don't see that happening. How about adults.

13:27                    C.P.: Fine. So JUDY gets treated and you send out adults.

13:27                    STEVE: DAVID would say that we would have to make the first move.  
C.P.: Counter offer.  
STEVE: Well I need to run this by all of these people, including DAVID.

13:29                    Give me one hour. I haven't seen DAVID since 12:00 last night.

13:30                    Contact terminated.

MARCH 13, 1993 continued

14:40

STEVE on line.

C.P. How about your sister's letter.

STEVE: No comment.

STEVE: I talked to DAVID. He said that today's our Sabbath, you would have picked a better day to cut the power.

We've had 3 days of good rapport.  
I thought we had a break in the dam yesterday, but now no one will listen to me...we don't trust you...

14:44

...preaching...

...praises DAVID...

"It doesn't bother us that you turn off the electricity."

Your program is inconsistent, you're stabbing me in the side."

14:48

C.P.: We're just trying to get some medical help to those people. Maybe JUDY doesn't want help, but...

STEVE: Listen to you. You're lying.

JUDY wants medical help, but not on your terms.

You shot her!

(upset)

C.P.: How about SCOTT?

STEVE: He's right here. RON ENGLEMAN brought two doctors here and you wouldn't let them in. We allowed ATF to come in and help their wounded...

14:52

STEVE: We don't trust you. I've run out of words. SCOTT's willing to forego medical treatment but not on your terms.

14:54

We were making progress to get this resolved, but then the commanders cut off the process.

14:56

C.P.: We've done a lot of things for you.

STEVE: What about OLLIE? Why didn't he call...

14:57

\*

STEVE: Questions about OLLIE and the process he went through. Was he read his rights? What about the interrogation?

MARCH 13, 1993 continued

STEVE: We are at a stalemate.

JUDY is willing to "go that way" if she becomes ill. She puts God before life. She doesn't trust you. She doesn't believe you're humanitarian.

15:01 Contact terminated.

16:04 RACHEL answers (getting STEVE).

16:07 STEVE on line.

C.P.: Advises that KATHY and OLLIE have attorneys. He was mirandized, interviewed by Texas Rangers.

STEVE: What is the part of the Rangers again?

C.P.: They are State Criminal Investigators.

STEVE: I talked to DAVID. He said one word, "electricity" so you took all our issues to your commanders and they said nothing?

C.P.: Yes.

STEVE: And OLLIE never called, I'll tell DAVID that. The other 2 guys were very concerned about that, but I guess I'll tell them.

You're showing me a lot about your agency DECK.

C.P.: OK, we're here 24 hours a day if you need us, Bye.

16:13 Contact terminated.

17:39 STEVE called and asked if C.P. called them since their phone rang several times. C.P. asked if everyone was ok. STEVE said yes.

21:14 STEVE: Call to ask whether someone had called.

Heard six rings with no answer.

C.P.: Asks how he is doing?

STEVE: Dark. Discusses that he understands negotiators not part of decision last night. Advises BRAD and KEVIN not even communicating with him. OLLIE has not called.

C.P.: Was BRAD and KEVIN's decision to come out based on OLLIE's call?

MARCH 13, 1993 continued

STEVE: KEVIN is quiet and unknown to him (STEVE) OLLIE's call was important. Has not quit with negotiations. Feels that "carpet was pulled out from under them". Surprised negotiators did not have greater input based on that favorable rapport that has been established.

C.P.: Looking for positive sign. Need to consider medical treatment.

STEVE: JUDY adamant about beliefs. Thought negotiations were good until power outage. Talked to BRAD, KEVIN, RITA and now want to think about it. Attitudes have changed. JUDY very sick today (first time).

21:34 C.P.: Suggests JUDY exit camp and get medical treatment and return to compound. Need to break impasse.

STEVE: D.K. says one word - when asked "what's happening"? He says "electricity."

C.P.: Discusses SCOTT's medical condition. Broken bones in wrist with infection.

21:42 SCOTT: Discusses medical condition. Agrees he needs medical attention. Asks about his father?

C.P.: Father (who was hard to understand) knows he is in compound and had been shot.

21:46 SCOTT: Concerned that he will be thrown in jail, if he comes out.  
C.P.: Held as material witnesses.  
Information on what took place will be sought from him.  
Treated with necessary medical attention first.

Next, legal representation. Rights being protected throughout.

SCOTT: Discusses whether he is ready to leave the compound with C.P. Wants to see Evangelica and Crystal (Ph.) (daughters).

21:57 C.P.: Would like the same as KATHY with BRIAN; do you want to be reunited with them?  
SCOTT: Yes, will call as soon as he decides. Asks for favor: turn power back on.  
STEVE will call you back, can't find him now. Will call back.

C.P.: Goodbye, call when you decide.

22:03 Call terminated.

MARCH 14, 1993

12:34

STEVE on line.

C.P.: OLIVER and KATHY want to talk to you.

STEVE: OK.

C.P.: Stand by.

C.P.: OLLIE and STEVE on line together.

OLLIE: Everyting's fine.

I have an attorney.

Australian Consulate came to see me.

I have press access.

STEVE: We'd like to hear who you call and what you'd have to say.

OLLIE: I do have faith in the system.

12:39

AISHA on line.

OLLIE: They're holding me at the jail.

AISHA: What for?

OLLIE: Do you have DAD's phopne #?

AISHA: I'll get it. So you want to talk to DAVID?

OLLIE: Yes.

12:40

DAVID on line.

DAVID: What are they feeding you?

Are they treating you good?

They broke negotiations after you left, cut our power.

KEVIN and them were going to come out, but then they shut us off.

OLLIE: Sheriff's Department's been very good to me.

DAVID: Say hi to Sheriff WENEBURGER and HARWELL; tell them to send the magazines!

O.SIS: 0116137588975 (Father's number in Australia)

OLLIE: I've been treated real nicely, I hope this can be resolved.

O.SIS: I heard that COKER got the 2 ladies released. How about you?

OLLIE: I don't know. I'll be getting a new lawyer Monday.

12:45

AISHA you're in a cell?

OLLIE: Yes, T.V., shower, bed...

AISHA: They've cut off all negotiations and the electricity, that's why the other guys aren't coming out.

OLLIE: KATHY wants to talk to you.

AISHA: Bye.

OLLIE: Bye.

MARCH 14, 1993 continued

12:47

STEVE on line.

C.P.: We'll get KATHY set up and we'll call you back.

STEVE: Talk to you when you call.

12:48

Contact terminated.

13:03

STEVE on line.

C.P.: We've got KATHY ready.

13:05

STEVE, KATHY, C.C. all on line.

STEVE: We've got no power, no newsweek.

Nobody heard from OLLIE so everyone has cold feet.

STEVE: DAVID is upset; You're not a spokesman.

We're not KORESHIANS...

What's your situation? Are you a material witness? In jail?

KATHY: I was not interrogated.

STEVE: You're at the jail?

In a cell?

You have a phone?

K.S.: Yes.

STEVE: You have access to press?

K.S.: If I want, I'm going by their rules, but I'm doing my best to solve the situation.

Everyone needs to come out if you want media access. There's no way around it.

STEVE: They say they have total control.

13:10

STEVE: Anything else?

13:11

K.S.: The 2 ladies are out on bond. I don't know about OLLIE's case.

When I get a chance, I'm going to file a wrongful death suit for them killing mine and I'll need your help. So you have to come out.

STEVE: I'm working on it.

K.S.: Time is not on your side, the FBI has a lot of resources that they're using.

STEVE: Why are you telling me this?

Have they encouraged you?

K.S.: They encourage us to resolve this.

STEVE: I was talking to JOHN DOLAND and everything was going well, and they pulled the carpet out from under us. These guys were ready to come out, now they won't listen to me.

MARCH 14, 1993 continued

K.S.: I don't know why they're doing that.  
I did not say I was a key player.

STEVE: They were going to follow you out, but  
then they cut the power, the whole thing fell  
apart.

K.S.: The only way for the truth is for you  
to come out! I don't know any way around it.

13:18

C.P.: Advises that we are listening;  
STEVE and K.S. acknowledge.

K.S.: I have media access here! Everyone  
needs to go through the system.

STEVE: Yes, I'm ready myself, but the people  
are afraid here.

The negotiators have turned colder...

K.S.: You have to come out to talk to the  
media.

13:21

STEVE: I and DAVID don't care about the  
media.

K.S.: You must come out peacefully. It's the  
only answer without divine intervention.

STEVE: I realize that, but I'm working for  
these other people in here.

K.S.: Understand that I'm alone out here. I  
don't know what God's going to do.

STEVE: NAHAM is a reality now it's happening.

K.S.: No

STEVE: A lot of people in here are stepping  
back.

I'd like to talk to JOHN DOLAN again.

13:25

K.S.: I'm treated fairly. We all must go  
through the system. Tell DAVID I'm sorry.

K.S. & STEVE: Argue about what the Davidians  
are calling themselves.

STEVE: Don't forget NAHAM and the Psalms.

K.S.: Tell them that coming out will get the  
story to the media.

Goodbyes...

13:28

KATHY off

13:28

STEVE on with C.P.

CP: We never promised that you could talk to  
OLLIE.

STEVE: Well I thought we did.

...Goes into negotiations breaking off... The  
people in here have become apprehensive since  
Friday. They didn't like the press conference  
(untruths...)

MARCH 14, 1993 continued

C.P.: We have not broke negotiations  
STEVE: But he never gave me any responses.  
C.P.: Any sick who want to come out now? CP  
advises that lights are being moved forward.  
STEVE: Well I need to get out and talk to  
these people. Will DOLAND be back? What are  
the lights for?  
C.P.: Yes, DOLAND will be back I don't know  
when and I don't know what the lights are for.  
STEVE: I never promised, I kept him updated  
on all that I was doing...I was working very  
hard.  
I just don't understand what happened...

13:35 STEVE: It's been a different attitude since  
the power was off.

13:36 STEVE: Everything was fine until the power  
went out. Can we restore things to how they  
were?

13:37 Contact terminated.

15:58 SCOTT answers  
STEVE on line.  
C.P.: Is DAVID there?  
STEVE: He's asleep. He's been doing a lot of  
sleeping lately...(on and on)  
C.P.: Sheriff HARWELL would like to talk to  
him.

16:01 STEVE: Hang on and let me check again.

16:02 STEVE: He's still out, but I'm sure he'd like  
to talk to him, I can't wake him up.

16:04 Sheriff HARWELL (S.1-1) on line:  
I've been to a meeting of town people.  
They're concerned about this...we need to talk  
some common sense here...  
STEVE: Yes I'd like to too, I know DAVID  
would like to talk to you.

16:06 STEVE: People here will listen to logic and  
common sense, but they will say that they are  
waiting for DAVID to get the word.

16:07 We had been doing very well in getting people  
out. Then they pulled the carpet out.

MARCH 14, 1993 continued

16:10 SH: I regret that this has come to this. The negotiators really care...  
STEVE: I've had a good relationship with most of the negotiators especially JOHN DOLAND.  
SH: I only know how to talk straight I'm not a negotiator. Everyone here is sincere and concerned. If I came out personally what could I do? Your property will go back to you, some of you might be held.

16:14 SH: Let's get this resolved today?  
STEVE: Can you call back. I talk to these people, but now they don't trust me and all of their faith is in DAVID.

16:16 SH: This can't go on forever. I'll wait around for a 1/2 hour or hour or so.  
STEVE: "A lot of these people have become more apprehensive" in here  
STEVE: I myself would like to leave today, but...  
SH: We'll wait to hear from you.

16:19 STEVE: At the press conference they said the government "owned" the property is that true?

13:04 I appreciate the handshakes etc..., but the other two guys wow, what was up with them?...

13:05 CP: BYRON great guy, sincere...  
STEVE: Yes I believe that. Everything went well...nothing negative...you see, it's not your agency (that's the problem) it's the system, the ATF...

13:06 CP: How'd the folks in there feel about the meeting?  
STEVE: Well, DAVID smiled, but he's still waiting for the word, the others though, I'm talking to, things are looking up. Today's the best day since Friday...goes into what happened last Friday...

CP: How's JUDY?

STEVE: I talked to the nurse she thinks it went down some, but I think it looks bad still (twice its normal size)

15:14 CP: We'd be willing to take a look at her injury today when you and WAYNE come out. Can we do that today?

STEVE: Let me check with WAYNE

15:16 STEVE: Uh, WAYNE's still working on this so uh, possibly tomorrow. How about I call you?

CP: STEVE you never call us back.

STEVE: I called today did I not? Keep in mind that we have worship twice a day and that's where I've been.

CP: tells them we still need such significant progress.  
STEVE: says he'll call back 9-10 a.m. Asks again about news magazines.

11:34                   These 2 would be able to respond to DAVID's teachings.

11:35                   CP: BYRON has a tape, he'll bring it with some other info.  
STEVE: Well, I uh, need to talk to DAVID and we can meet later

CP: Well, it's crucial that we meet today. BYRON has some things for you that I'm not privy to...

11:37                   WAYNE on line:  
CP: BYRON will be out at 1:00 today...  
WAYNE: "Well my response is that we already have a well established method of exchanging tapes" and we should stick to it.  
I am mystified why BYRON won't get on the phone

11:39                   CP: We're trying to establish trust. BYRON's been working hard to get the info you wanted  
WAYNE: "It's beginning to look like a trap to me."  
CP: No... we need to meet face to face

11:41                   WAYNE: I need to talk to BYRON  
CP: Well, you'll see him if you meet...  
WAYNE: Off  
CP: The last meet went well  
STEVE on line: The other guys behind BYRON and the Sheriff didn't smile, looked intimidating... I don't see the necessity of meeting now.  
CP: Let's meet...

11:44                   STEVE: Why does it need to be a face to face?  
CP: He has some info to give you

11:45                   CP: Meet us halfway  
STEVE: I'll call you in 20 minutes with my decision.

11:45                   Off line

12:36                   STEVE calls:  
I've been trying to call for 30 minutes.  
STEVE: I talked to DAVID about Dr. ARNOLD he said that if someone could at least equal what DAVID has to say then... (doesn't finish)

MARCH 17, 1993 continued

12:39 STEVE: Talking about Bradley's encroaching. DAVID was not happy with the press conference, ATF spokesman is making "untrue statements"...DAVID is concerned... ...the people here are concerned... The ATF is able to say whatever they want now...

12:42 ...STEVE talking about the ATF raid...

...bothered by KATHY being shackled,... 40-50 people (Davidians) firing on them (ATF) (STEVE says that's totally untrue)

CP: So come out and tell your side

STEVE: I'd like to sift through BYRON's info, then go from there

CP: Ok, we'll meet...

STEVE: We can do it all over the phone.

"Where's the Time and Newsweek magazine?"

12:48 STEVE: We were here studying the Bible the day we were attacked. Now we're under arrest? For studying the Bible?

...what part is ATF playing now?...

CP: BYRON will address that when you meet.

STEVE:I want the answers, but I want to gather some info of substantive issues to discuss before we meet.

CP: BYRON will be out there. The meet was productive and we need to meet again...

12:52 STEVE: WAYNE wants to speak.

12:52 WAYNE on line: I have a right to legal counsel. I want it now. I'm not going to sit here and do legal research for you. I can't be effective sitting here in a Federal prison. The Federal judge here needs to be removed "we reject him."

CP: BYRON will be there, you can talk, it will work.

WAYNE: Maybe...(hangs up)

13:17

SAGE on line with STEVE

SAGE: We're ready

STEVE: Well uh, I was talking to JOHN about the press conference and the problems we have with it...

SAGE: Well, I'm out here now ready to give these documents to you.

STEVE: Well our established procedure worked well.

SAGE: ...but I'm out here now we need to meet...

STEVE: ...goes into the ATF... helicopter firing, 1 man going to the door (not true)...ATF has open line to press, we don't...

SAGE: "STEVE, take a breath" I'm right here, 5 minutes away

13:24

STEVE: I don't see the necessity at this time of meeting face to face...

SAGE: We're between a rock and a hard place...you've had it your way...

STEVE: No, no not true, the AT has had it their way, they can say whatever they want (getting upset)... investigate the ATF...

13:27

SAGE: Let me talk once in a while! Let's meet face to face. I've been running around for a day and a half and you don't give a flip...

STEVE: Don't say I don't give a flip. Those 2 fidgety, non-smiling armed men made us nervous. "They could have at least smiled."

13:30

SAGE: ...explains why those men are there...

STEVE: I would really like to sit here, but "it's not going to happen today" (the meet)

13:31

STEVE: I'm not willing to go out there today. We don't have to meet to exchange documents... STEVE relays what WAYNE has told them...

13:33

SAGE: I hope this doesn't mean you don't trust me...

13:34

STEVE: No, no, let me explain ... constitution... religious issues...

MARCH 17, 1993 continued

13:35 SAGE: I've got some answers for you. I'm here to work thru this thing, it's the only reason I'm here... there's nothing sinister here, I want to meet man to man

13:36 STEVE: Send in the Newsweek, Time...

13:37 SAGE: Starts to read preamble can I speak to DAVID?

13:38 DAVID on line:  
SAGE: ...generally discusses the legal matters, jurisdiction...  
DAVID: (interrupts) the problem here is we're saying that your commanders are a threat. Your trying to push aside where we're coming from therefore we can't communicate

13:42 DAVID: ...begins to preach... I'm willing to give and take. I made 1st move by sending out kids. You have continued to digress in the things you promise. You keep yourself in ignorance. You don't understand

SAGE: I do understand, we're running out of patience. I need to impart to you (maybe offensively) that we need to get this resolved

13:45 DAVID: You'll say anything to get your way. You've shown that you have no control over your commanders...

13:46 SAGE: Goes into what we've done.  
DAVID: I disagree with you  
SAGE: Until you went against your word we did not encroach...  
DAVID/SAGE: Back and forth (fairly heated argument)  
SAGE: "That's garbage"  
DAVID: "You are in ignorance"  
SAGE: "We need to resolve this thing"  
DAVID: "If I'm right, you're in bigger trouble than me!"

13:53 SAGE: What you've asked of Biblical scholar... (interrupted)  
SAGE: You have "the absolute zenith of opportunity" (to get your word out)  
DAVID: "Embassage"  
SAGE/DAVID Back and forth

MARCH 17, 1993 continued

SAGE: I think your in a safe position hiding behind the word of God.  
DAVID: You're the one in a safe position...  
SAGE: Come out, live up to your word.  
DAVID:  
SAGE: "Bring your feet out"  
SAGE: (7) DAVID (2)  
DAVID: Salvation is an individual choice...  
SAGE: "We're here to help you" buses ready at 3:00 let's get off the dime do it now.

14:05 SAGE: ...still going...  
DAVID: "I'm listening..."  
SAGE: We've made special provisions for you to address your concerns...

14:10 SAGE: Still going...

14:12 SAGE: What else can we do??  
"I hope you're man enough or prophet enough"

14:13 DAVID: What about WAYNE...  
SAGE: "I'll talk to the black cows over there" (anyone who will listen)  
DAVID: What breaks my heart...  
there is a wealth of information that must be known. 2 ways.  
1. The Gospel, the Seven Seals, it's a 1 man job to spread the word...  
...sermonizing...  
2. (doesn't finish)

14:18 DAVID: I have a chain of command too...

14:20 SAGE: ...

14:23 DAVID: ...SERMONIZING...

14:24 SAGE: "Fish or cut bait" it's time to show the truth direct them to come out send your people out

14:26 DAVID: "I may be the genuine (Saviour)" "Are you going to kill me?" (SAGE didn't hear him)  
DAVID: Are you going to kill me?  
SAGE: No!! ...goes into rules of safety  
DAVID: Could we talk later about the seals?  
SAGE: Come out and yes...

MARCH 17, 1993 continued

14:29                   DAVID: The bugs have caused a crisis "God does not condone drunkenness. Some people here have taken liberties"...

14:31                   SAGE: While your taking care of your personal needs, start some people out, let's do it! How about it!

14:32                   DAVID: Have you ever heard of the DAILY's?...  
(avoids the question)  
...sermonizing...  
(why they can't come out now)

14:34                   SAGE: Ok 3:30.  
DAVID: God tells the prophet to seal the book until the end. Don't fight against God. God told me to wait. The others have to make their own choices.  
SAGE: We need to get something going today. The buses are here (1-way tokens provided) If you instructed them to go they would. Let's meet.

14:39                   DAVID: I've got to leave, why don't you talk to the people here  
SAGE: I will when they come out. We need to get someone out  
DAVID: I have to go, here's STEVE.

14:41                   STEVE on line:  
SAGE: The buses are ready. We've got to show progress. We have to get off the mark.

14:44                   SAGE: "I've made a friend, that's all warm and fuzzy, but that's not progress"

14:45                   STEVE: He started bleeding he really had to go.  
SAGE: We're ready to go.

14:46                   SAGE: "KATHY SCHROEDER has been released on bond" Oops (not)  
... explains legal process...

14:49                   STEVE: What was the bond?  
SAGE: I don't know...  
Let's get something done. We're ready, we're here. Go tell the people...

(

14:55

STEVE: I'll do my part.

**16:00**

**We have concerns about the press conference...**

CP: We want to go forward

the Government's power (ATF's)...

CP: BYRON wants to talk to you...hold on...

STEVE: We have to answer to God. I've talked to these people I've tried... It all comes back to "wait" you tell me there's buses, well, it's not going to happen that way.

**STEVE:** You underestimate my influence

MARCH 17, 1993 continued

16:23

SAGE: "You sell yourself short."  
off line

CP: BYRON is sincere...

STEVE: I saw DAVID talking to him  
...sermonizing...

God...6000 years,... man can't bring  
solutions... we were told to wait...

CP: They are victims of circumstances let's  
get them out...

STEVE: ...talks about last week, old  
issues... you don't realize the damage that  
occurred last week...

(he goes into the events of Friday,  
3/12/93...)

16:32

CP: We've got to go forward...

16:33

STEVE: Did you actually get a tape of ARNOLD?

CP: Yes, it's about 12-14 minutes long...

16:34

STEVE: BYRON wasn't hearing anything he was  
just demanding. These people have the fear of  
God here and he communicates with God so  
they're scared!...

CP: How can we go ahead?

STEVE: Give these people a little time

16:36

STEVE: Let some Theologians in to put some  
doubt into these people...

CP: Ok and what if DAVID is proven right

STEVE: Well, then... sermonizes

CP: Time will wash away the crime scene...

STEVE: That's an excellent point...

How about the Time and Newsweek magazines? I  
think it would be helpful to send that in.

CP: Well,...

STEVE: DAVID has to wait. He said if we feel  
so strongly then we'll have to go in and kill  
them. These people fear God more than  
anything.

16:42

I went to the people and explained what BYRON  
had said and they all said they'd rather wait.

16:43

CP: Those people are victim of circumstances

STEVE: Ok, let me write that down and I'll  
present it to them...

MARCH 17, 1993 continued

16:44

CP/STEVE: Back and forth

STEVE: "I'm going to try to do everything I can" I'll urge the people to come talk to you.

CP: They're going to start talking on the P.A. system

STEVE: Ok, you mean those speakers?

CP: Yes.

STEVE: Let me call you back in a couple of hours

CP: We need a sign. This can't go on forever... give me some word

CP: We have a common goal...

STEVE: DAVID might be receiving some type of prophecy (and not necessarily good). He's telling us that we better be sober. ...sermonizing...

17:50

CP: That property will tell your story, we have to get in there...

17:51

"Well, if you people were only involved" (it would be ok), but it's ATF...

17:52

CP: It's the Rangers...

17:53

STEVE: Has an Agent ever gone up for murder?

CP: Yes, a guy in Kentucky went to jail for murder... (other stories)...

17:54

STEVE: Where are these people going to go for a month or however long?

CP: That won't be a problem, but that building tells the story...

STEVE: Well, that's why WAYNE and I were hoping that BYRON would bring out some documents today..., but he just wanted us all to come out...

MARCH 17, 1993 continued

17:57 STEVE: How about Agents who were drinking and talking about the raid...?

17:58 STEVE: How did you get the idea that a person from the U.K. was killed?  
CP: Oh, he meant PETER GENT...  
STEVE: Here's what could have helped:  
- A dialogue with Dr. ARNOLD  
- The subject matter WAYNE and I raised  
- The TIME & NEWSWEEK

18:01 STEVE: This CONROY guy told untruths...How about TIME & NEWSWEEK.  
CP: What can we do to make this a 2-way street?  
STEVE: ...Well, that's beyond my power...I can only ask.

18:04 CP: How about RITA? KEVIN? BRAD?  
STEVE: Well, I've talked to them all, I was tired, they were busy...  
...goes into last Friday's events...

18:05 STEVE: DAVID has suggested to those that are drinking to come out... (They won't)  
STEVE/CP:...back/forth

18:15 STEVE: After I talked to BYRON, I went to talk to DAVID, he said God had showed him a prophecy, I said "Good", he said, "no not good"... "we have to be sober". That's what he said, I didn't know what he meant.

18:18 STEVE: You give me some time to give you our message...we're hoping for eternal life. You need to show me I'm wrong...

18:21 STEVE: I'd like BYRON's info. MAYBE a face-to-face tomorrow - I don't know, I'm nervous about it...

21:13 CP: Calls compound
